

**UNIVERSITY GRANTS COMMISSION  
BAHADUR SHA ZAFAR MARG  
NEW DELHI - 110 002**

**REPORT OF THE EXPERT COMMITTEE WHICH VISITED ~~GRAPHIC ERA INSTITUTE~~  
~~OF TECHNOLOGY, DEHRADUN, UTTARAKHAND~~ ON 8<sup>th</sup> -9<sup>th</sup> FEBRUARY, 2008 FOR  
CONSIDERING CONFERMENT OF DEEMED TO BE UNIVERSITY STATUS IN THE  
NAME OF GRAPHIC ERA UNIVERSITY**

**I. INTRODUCTION**

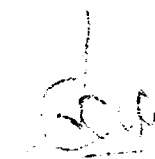

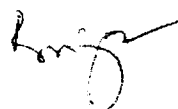

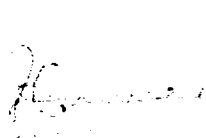

Graphic Era Institute of Technology, Dehradun, Uttarakhand had earlier applied for deemed to be university status under de-novo category through Ministry of Human Resource Development, Government of India. Later on, the Institute requested UGC to consider its proposal under general category. Accordingly, the Chairman, UGC constituted an Expert Committee, comprising of the following, to make an on the spot assessment of the existing infrastructure and academic facilities and also of its future potential for considering conferment of deemed to be university status under Section 3 of the UGC Act, 1956:

- |    |   |          |

| c. | Prof. Palanichamy<br>Vice-Chancellor<br>T.N. Open University, Chennai, TN.                          | Member      |
| d. | Prof. Swadesh Gupta<br>Advisor, AICTE   | Coordinator |

Prior to the actual validation and assessment of the Institute, Prof. B.S. Sonde, Chairman of the Committee and Dr. K.P. Singh, Coordinator of the visit briefed the members of the Expert Committee in a separate meeting about the proposal of the applicant institute received by the UGC for consideration for deemed university status. It was further informed that the proposal is for deemed university status to Graphic Era University, Dehradun, Uttarakhand comprising of Graphic Era Institute of Technology under the general category. Prof. B.S. Sonde then requested the members to visit the institute and to examine the infrastructure and other facilities available and give their observations / suggestions keeping in view the provisions in the UGC guidelines.

The Committee was received by Prof. Kamal Ghanshala, Chairman of the Institute, Members of the Graphic Era University Trust, other functionaries of the Institute and faculty members. A power point presentation was made by Prof. A.K. Baliga, Dean (Academics) about the Institution and its activities / programmes. Various queries raised by the Expert Committee were answered by Prof. Ghanshala, Prof. A.K. Baliga and other faculty members to the satisfaction of the Members. Thereafter, the Chairman of the Committee divided the Expert Committee in to five groups on the basis of their expertise and requested them to visit the Institute:

Group-I	Prof. B.S. Sonde Prof. Padam Kumar	Department of Electronics and Communication Engg., Electrical and Electronics Engg., Instrumentation & Control Engineering
Group-II	Prof. B.N. Garudachar Prof. P. Venkataraman	Computer Science, Information Technology, MCA
Group-III	Prof. N. Alagumurthi Prof. A.K. Asthana Prof. Palanichamy (AICTE Committee member)	Civil Engg., Mechanical Engineering
Group-IV	Prof. V. Gangadhar Prof. O.P. Kandari Prof. S.C. Vaidya (AICTE committee member)	MBA, Hotel Management
Group-V	Prof. S.C. Saxena Dr. K.P. Singh, UGC coordinator Dr. Swadesh Gupta, AICTE team coordinator	Verification of various documents

The common facilities like Administrative Building, Library, Computer Labs, Auditorium, Play Ground, Hostels, Seminar Hall, Auditorium, Canteen, Cafeteria etc., were visited by all members of the Committee.

## II. Background of the Institution

Graphic Era Institute of Technology was established in the year 1997 by Graphic Era Educational Society. The Institute is located in the city of Dehradun, Uttarakhand. The Institute is self-financing and approved by AICTE. It is affiliated to Uttaramchal Technical University, Dehradun for AICTE approved courses and HNB Garhwal University for non-AICTE approved courses. The Institute is recognized under section 2(f) of the UGC Act, 1956 and is certified with ISO 9001:2000.

The Graphic Era Education Society is the promoting body of the Institute. A separate trust in the name and style of Graphic Era University has been formed .

The institution is offering its academic programmes with 326 teachers and 4297 students through four streams of Study viz.:

- Engineering B. Tech. in seven branches and M. Tech. in CSE
- MCA
- Management MBA and BBA
- Hotel Management

Under the Sciences stream

- B Sc. (CS)
- B Sc (IT)
- M Sc (CS) and
- M Sc(IT)

Three Courses of Engineering - Computer Sc. & Engg, Information Technology, and Electronics & Communication Engg. have been accredited by NBA.

Master of Computer Application (MCA) and Master of Business Administration have also been accredited by NBA.

The Expert Committee had a detailed discussion with the Management of the Institute, Faculty and the students. The inspection report based on the discussion, visit to the Institute and various documents / information provided by the Institute is as under:

### III. Inspection Report.

1. Headquarters of the Institute applied for Deemed to be University status with full address.

**Graphic Era University**  
(Graphic Era Institute of Technology), 566/6, Bell Road, Clement Town,  
Dehradun (Uttarakhand)

2. (a) Whether the separate society/ trust have been registered in the name and style of the proposed deemed to be university.

Yes

(b) If yes, name of the Society/Trust promoting the proposed institute(s) for Deemed to be University Status which should be one for all Institutions if the proposal is for more than one Institution.

**Graphic Era University Trust. ( Book No. 4/236/281-286/1228 dtd. 10.10.2007).  
A copy of the Trust Deed is enclosed as Annexure-I.**

3. Details of the individual Institution i.e. year of establishment, No of PG Departments, faculty (Professors, Readers, Lecturers) etc.

**Year of establishment : 1997**  
**No. of PG Departments : Five**  
**Details of departments & faculty**

SN	Department	UG Course	PG Course	Faculty

	<b>Total</b>	<b>12</b>	<b>5</b>	<b>54</b>	<b>99</b>	<b>173</b>

\* Already applied in AICTE and approval is awaited

\*\* Faculty are Identified

Whether Movable and Immovable assets have been legally transferred in the name of the society/trust seeking recognition as Deemed to be University.

The parent trust has given an undertaking to the effect that all the assets of the Graphic Era Institute of Technology will be transferred to the Graphic Era University. A copy of the undertaking is enclosed as *Annexure-II*.

5. Territorial jurisdiction of the institution

All India

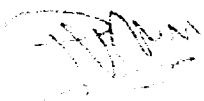

6. Thrust Areas of the proposed Institution indicating special or innovative features

The thrust area of the Institution is to deliver education in conformity to the modern trends, Industry oriented efficient and innovative curriculum, scientific methodology and latest techniques for the students of the backward hilly area of the newly created State of Uttarakhand. The Institution is striving to draw the use of the youth of the state of neighboring region to the main stream of life by providing career oriented professional and technical education. The Institution is situated in a region where in the level of women empowerment is considerably low and, therefore, the Institute is ready for providing professional technical and vocational for women. The aim of the institution is to emerge as a centre of excellence in Science, Engineering and Technology and Management areas.

The faculty is being encouraged to participate in Research and Academic development activities and to attend Workshop / Seminar / Conferences and training programmes at National and International levels.

To correlate the fast changing trends in the industry with present methodology of teaching, Graphic Era Institute of Technology have introduced very flexible PDP programmes for the faculty members which in turn after learning latest techniques, imparts the students to feel beyond par from the present stage. The main objectives are :

1. To make suitable pedagogies so that student and the teacher feels the subject easy and takes interest in the subject.
2. To develop professional approach from the scratch among the students.
3. To encourage the students to set the goals and achieve them in well in time.
4. Institute has classrooms that are LCD projector enabled
5. Institute has computer laboratory that are online with LCD and Modern teaching aids

7

Graphic Era Institute of Technology began with the mission to educate engineers and managers with the knowledge, skills and creativity to manage nation's enterprises with personal integrity and social responsibility and so to provide value to and for the organization for which they work. For this purpose, the institute strives for innovative techniques to impart education with the current and futuristic technologies:

**1. Encourage Academic Excellence**

- a. To create awareness among faculty and staff the need for educational innovative practices, Collaborative and Cooperative Learning.
- b. To encourage to adopt a scientific approach to identify educational problems and find solutions thereof.
- c. To encourage and provide incentive to try out innovative ideas and practices and to undertake research and experimentation directed towards improvement of different areas of education.
- d. To provide a forum for to discuss innovation and results of the experimentation.

**2. Centre for Excellence**

- a. Conduct programe, such as seminars, conferences, technical lectures, to create awareness amongst faculty, students on emerging areas of science and technology.
- b. Develop industry interaction by Inviting corporate professionals to interact with the institute, to report on developments in the corporate world and give suggestions for improvement and new directions.
- c. Encourage building interdisciplinary teams for R & D, innovation, and problem solving.
- d. Support Entrepreneurship among students through Entrepreneur Development Cell.
- e. Create a strong bond with Alumni through Alumni Interaction Forum.

**7. Date(s) of the visit of the Expert Committee**

**8<sup>th</sup>-9<sup>th</sup> February, 2008**

**8. Is the proposal under De-novo category; if yes, please give justification**

**The proposal is under general category.**

**9. Whether accredited by NAAC / NBA. If yes, rating?**

**Being a technical Institution, all the eligible courses are accredited by NBA. A copy of the accreditation letter from NBA is enclosed as Annexure - III.**

10. Whether the proposed institution(s) is affiliated to any university under Section 2(f) / 12-B of the UGC Act? If yes, the name of the University

**Yes. Uttarakhand Technical University, Dehradun for AICTE approved courses and HNB Garhwal University for other courses**

11. Whether the affiliating university is willing to examine and confer degree or other awards to students already enrolled with the Institution seeking deemed to be university status

**Yes. Copy of the letter received from Uttarakhand Technical University and HNB Garhwal University enclosed as Annexure-IV.**

12. Source of finance and quantum of funds available

From fees  
From State Government  
From UGC  
From other sources (Details)

**From Fees only - Rs. 19.50 crores – 2007-08**

13. Whether the institution is financially and academically viable to run the institution as deemed to be university

**Yes**

14. Receipt and expenditure of the institution for the last three years

**Income and Expenditure for the last three years.:**

Year	Income (Rs in Lakhs)	Expenditure (Rs in Lakhs)	Operating Surplus (Rs in Lakhs)
2006-2007	1,776.31	1,102.50	+673.81
2005-2006	1,347.79	712.08	+635.71
2004-2005	1,204.35	620.92	+583.43

The Operating Surplus is being utilized towards Capital Expenditure.

Balance Sheets for the last three years are enclosed as **Annexure-V.**

9

15. Whether the permission from the concerned State Government has been obtained. If yes, please attach a copy of the permission letter / views of the Government

The institute has sent a letter to the State Government for their NOC. A copy of the letter is enclosed as *Annexure-VI*. The UGC has also requested the State Government of Uttarakhand to send its views on the proposal vide letter No. F. 43-2/2007(CPP-I) dated 30<sup>th</sup> October, 2007. The Commission in its meeting held on 13<sup>th</sup> August, 2004 resolved that the no objection certificate shall be sought from the concerned State Government and the affiliated university. However, if no reply is received within three months, their acceptance shall be taken as granted and the Commission may proceed with the processing of the proposal for giving the status of deemed to be university.

16. Details of UG/PG courses started / to be started.

The details are as under:-

SN	Courses	UG Course	PG Course	Approved Student Intake	
				UG	PG
i	Computer Sc. and Engg				
	PG (M. Tech.)		1		18
	UG (B. Tech.)	1		120+6*

\* Kashmiri Migrant

\*\*Already applied in AICTE and approval is awaited

**Courses proposed to be started for which proposals have been sent to AICTE:-**

M.Tech VLSI CADD, Embedded Systems

B.Tech Bio-medical Science, Biotechnology, Automation & Robotics

M.Sc. Bio-medical, Biotechnology

Applied Art Fashion & Apparel Designing, Interior Designing

17. Whether the institute has Rs. 5 Crore corpus Funds for Engineering Technology, Rs. 3 crore for Science & Social Science and Rs. 5 crore Corpus Funds for conducting both types of Programmes. Please specify and indicate the amount after verifying the Corpus Fund.

Yes. FDR in the name of Graphic Era University for Rs. 5 crore vide FDR A/c no. 117500PR00037473 dated 08.02.2008 Punjab National Bank, Kaulagarh Road, Dehradun.

A copy of the FDR is enclosed as *Annexure-VII*.

18. Whether various authorities and bodies of the Institute are in accordance with the provisions of the UGC Guidelines.

MoA / Rules are as per UGC model. A copy of the MoA / Rules is enclosed as *Annexure-VIII*.

**INFRASTRUCTURE: (give details)**

19. Details of buildings

- i. Permanent
- ii. Temporary/Lease property
- iii. Administrative 1000 sq. mts.
- iv. Academic including Library building 3000 sq. mts.
- v. Some teachers residence and a faculty guest house for at least 10 persons. Music/room for performing arts etc.

**All the Buildings are permanent. Other details are as under :-**

<b>Academic / Administrative area</b>	<b>26,800.47 Sq. Mts.</b>
<b>Hostels</b>	<b>12,260.20 Sq. Mts.</b>
<b>Residential Area</b>	<b>5189.51 Sq. Mts.</b>
<b>Guest House ( for 19 persons)</b>	<b>905.78 Sq. Mts.</b>
<b>Total constructed area</b>	<b>45156.59 Sq. Mts.</b>

**Details are at Annexure-IX.**

20. Land if acquired, Whether documents verified/land registered in the name of the institution and its location.

**All the land is in the name of the parent society. The society has given undertaking to transfer the assets in the name of the proposed deemed university. Documents verified. Details are at Annexure-X.**

21. No. of laboratories. Give details

**The Institute has 46 laboratories having covered area of 10399 Sq. Mts. The details are as under:-**

<b>ENGINEERING LABS</b>		
1	Physics Lab	130 Sq. Mtrs
2	Chemistry Lab	127 Sq. Mtrs
<b><u>Deptt. of CS &amp; IT</u></b>		
3	Computer Lab 1	310 Sq. Mtrs

23. Hostel facilities, give details

**The Institute has wholly owned, on campus Hostels, having total covered area 12260.20 Sq. Mtr.**

**For Boys –3 hostels**

**For Girls – 4 hostels**

**Total Capacity - 1200 students**

24. No. of class rooms

**The institute has 60 class rooms. Adequate class rooms/tutorial rooms are available as per the norms of AICTE for each course**

25. Whether institute has auditorium

**Yes.**

**Auditorium: Main Auditorium has area of 821.00 Sq.Mtrs**

**The Institute has Conference Halls as detailed below:-**

i) 3 Assembly Halls	438.00 Sq.Mtrs
ii) Panel Room	83.00 Sq.Mtrs
iii) 3 Conference Hall	429.90 Sq.Mtrs
iv) 2 Seminar Hall	292.00 Sq.Mtrs
v) Syndicate Room	81.29 Sq.Mtrs
vi) 2 Review Room	132.00 Sq.Mtrs
vii) Cabinet Room	69.67 Sq.Mtrs
<b>Total area</b>	<b>1424.96 Sq. Mtrs</b>

### LIBRARY & EQUIPMENT

26. Area in Sq. Meters

**1345.42 Sq. Mts.**

27. Number of Journals

- a. National
- b. International

**National        -    60**

**International -    86**

**Total                146**

28. Is it digital Libarry

**Yes. E-journals likeEEE, Xplore from AICTE, INDEST and Elsevier.com have been subscribed**

29. Does it have reprographic and bar-coding facilities

**Yes**

30. Whether Equipment, Books and Journals are worth Rs. 50 lakhs

Yes

31. Books and Equipments - give details

Books - 47688 books 6493 titles.

Equipment - Total Equipment cost - Rs. 132,316,571/-

**FACULTY AND OTHER STAFF**

32. Whether teaching staff appointed, if yes give details

Yes. List of teaching staff is enclosed as **Annexure-XI**.

Faculty is appointed in accordance with the AICTE guidelines. Advertisement is given in the National newspapers. Interviews and selections are done by the committee comprising of external Subject experts, University nominee, Director, Internal subject expert, Management Representative.

33. Whether the Institute has five departments - each Department having one Professor two Readers and adequate number of Lecturers along with necessary supplementary staff. If so, please give details department - wise.

The Institute has 16 Departments ( 12 UG and 5 PG). Details are as under:-

SN	Departments	Faculty status

34. Whether the Institute is giving pay scale to teachers as prescribed by UGC. If not, is the institute proposed to bring teachers pay scales at per the University teachers?

The following are the Scales are given to teachers with

Professor: 16400-450-20900-500-22900

Readers: 12000-420-18300

Lecturer: 8000-275-13500

50% Merged Basic + 35% of Merged Basic DA + 15% of Merged Basic HRA.

Example: In the Professor Scale at basic of 16400 the total salary is evaluated as below.

50% Merged Basic:	24600.00
35% of Merged Basic DA:	8610.00
15% of Merged Basic HRA:	<u>3690.00</u>
Total	<u>36900.00</u>

The institute has also given an undertaking that the UGC scales would be given after it is declared as Deemed University. (Annexure-XII).

35. Whether Non-teaching staff appointed, if yes, give details

Yes. List of non-teaching staff is enclosed as Annexure-XIII.

36. Is the Institute running Distance Education Programme. If yes, has it been approved by DEC/UGC

No

37. Whether the Institution established any off campus or study centre or admission centre outside the State of its jurisdiction. Please specify.

No

38. Whether the Institution has undertaken any research activities, if so, please give details

Yes. Details are as under:

**Research Activities undertaken during the last 3 years**

Sl. No.	Name of the Institution	Name of the Faculty/Dept	No. of Research Projects Completed/ In progress (details to be enclosed as annexure - IV)	Sponsoring Agency	No. of Research Papers Published in refereed journals (details to be enclosed as annexure - V)	Value (Rs. In lakhs)

GEIT(Engg.)\* - Graphic Era Institute of Technology (Engineering)

List of the faculty pursuing Ph.D. is enclosed as Annexure-XIV.

## Consultancy :-

Year	Name of the Client	Title of the Project	Value (Consolidated)
2000, 2001, 2002 & 2003	Kumaon University, Nainital	Automated students registration and result processing system	Rs. 3152000/-
2000 and 2001	HNB Garhwal University, Srinagar	Automated students registration and result processing system	Rs. 34,0000/-
2005-2006	ERP Package, Client Management system	SJK Enterprizes, Dehradun	Rs. 5,0000/-

39. Whether the faculty members organized or attended International/National Conferences/Workshops, if so, give details

- Various faculty members have attended and presented their papers in the National and International Conferences
- AICTE Sponsored Staff Development Programs have been conducted by the institution
- First Indian Hospitality and Tourism Congress was held by the Department of Hotel Management.
- Workshops/Seminars by Academicians and Industry are conducted on regular basis.

A list of the Seminar / workshop conducted in the year 2007-08 and attended by the faculty is enclosed as *Annexure-XV*.

40. Other facilities available at the institute ( give details) which are necessary to support Deemed University status

The facilities available are:-

- Excellent Infrastructure
- Well equipped Research Cell
- Excellent computing facilities
- Books rich library.
- 24 x 7, 2 Mbps Internet facility through leased RF link.
- Wi-fi enabled campus
- Banking facility.
- Post Office facility within 500 mts.
- Medical facilities with one permanent doctor
- Language Lab

*[Handwritten signature]*

- Transport facility
- Tuck Shop
- Reprographic Facilities

41. Fee Structure: give details

Annual fees charged as below:

- B Tech.: Rs. 53,000/-
- BHMCT Rs. 60,000/-
- M. Tech. Rs. 40,000/-
- MCA Rs. 65,000/-
- MBA Rs. 65,000/-
- BBA Rs. 30,000/-

Sciences

- B. Sc (IT)/B Sc (CS)/BBA/BCA Rs 30,000/-
- M. Sc.(CS)/M. Sc.(IT) Rs 50,000/-

42. Admission Policy/Procedure in brief

Admission to the courses is done in accordance with the norms laid down by the Uttarakhand State Government and affiliating universities for various courses.

Admissions are made through entrance tests viz.

- Engineering : AIEEE,
- Computer Application : UTUEE,
- BHMCT –Entrance Test
- Management : MAT
- Sciences: Entrance Test

43. Examination system in brief

Examinations are conducted under the supervision and guidelines laid down by the affiliating universities.

44. Whether the institute is following standards / norms as prescribed by statutory councils like AICTE, MCI etc. as the case may be in respect of professional courses

Yes

45. Whether the institute has given necessary undertakings / assurance as per UGC guidelines; please attach the same

Necessary undertakings are enclosed as *Annexure-XVI*.

## 46. Placement record of the Institute

**Placement Record**

Course	Year	No. of students appeared	No. of students passed	No. of students placed
B.Tech	2007	338	338	142
MCA	2007	94	94	52
MBA	2007	114	114	79
BCA/BBA	2007	144	144	35

BCA/BBA	2008	240	Appearing	25
B.Tech	2009	451	Appearing	93
MCA	2009	147	Appearing	14

## 47. Teacher Student Ratio

**Total No. of Teachers – 326****Total No. of Students – 4297****Teacher – student ratio – 1: 13.17**

## 48. Result of the Institute

**A statement is enclosed as Annexure-XVII.****Observations of the Committee**

As a result of the on-the-spot visit to Graphic Era Institute of Technology, Dehradun, Uttarakhand and the discussions which the Committee had with the Chairman of the Governing Council, Prof. Kamal Ghanshala and members as well as major stake holders such as Deans, Heads of Departments, Faculty Members, Support Staff, Students, Alumni and Parents, its observations are as follows:-

*[Handwritten signature]* 23

*[Handwritten signature]*

*[Handwritten signature]*

**I. General**

- (a) Although established only in the year 1997 as a small entity, the Institute has progressed at a remarkable pace in the last decade and is now a reputed institute of technology in the State of Uttarakhand, attracting students and faculty from the State and also from different parts of the country.
- (b) Through its vision to serve the community by empowering the youth with knowledge; its goals – both in the long and the short terms; its focus on quality in all its activities and a number of academic programmes it conducts, the Institute is already as good as a centre of excellence under its affiliating Universities, viz., Uttarakhand Technical University and HNB Garhwal University.
- (c) Appreciable entrepreneurship, high level of knowledge and competency in technical subjects like computers and Information Technology, extraordinary leadership skills, hard work backed by sustained efforts, high order of commitment, dedication and easy approachability of Prof. Kamal Ghanshala have made Graphic Era Institute of Technology, a role model in higher education in the state endeared, respected and admired by the public.

**II. Specific**

- (a) The objectives of the Institute are clear and well thought out. The Institute is already providing opportunities for quality technical education, research, scientific & industrial consultancy, continuing education and extension services.
- (b) The Institute is in existence as Graphic Era Institute of Technology for a period of more than 10 years.
- (c) The Institute is self-financing type with proven administrative, managerial and financial capabilities to meet its needs of maintenance and development.
- (d) The Institute has its campus located on its own land in a picturesque setting on the outskirts of Dehradun, with well planned, aesthetically designed permanent buildings satisfying the norms and standards of AICTE, the concerned Statutory Council.
- (e) The Institute has five PG programmes namely MBA, MCA, M.Tech (CSE), M.Sc. (IT) and M.Sc. (CS), all of which are functional and staffed satisfactorily.
- (f) The Institute has demonstrated its financial viability satisfactorily and its accounting practices, balance sheets and audited statements seems to be in order.
- (g) The Institute has invested well in equipment and facilities in its departments meeting the norms and standards of AICTE and most of the laboratories have state of the art / modern equipment. The Institute has trained technical staff to maintain the equipment, which is a good measure considering the remoteness of its location.

*[Handwritten signature]* 24

*[Handwritten signature]*

*[Handwritten signature]*

- (h) Although the Institution has been making efforts to take up research and development in a number of areas, the success rate so far seems to be limited. This appears to be because many of its faculty members are young and yet being trained for research work by encouraging them to register for Ph.D. degree. It was a pleasure to learn that 27 faculty members have been deputed by the Institute for Ph.D. at leading Institutions. It is expected that on return, they would be able to accelerate this work.
- (i) The Institute has been encouraging its faculty members to take up sponsored R & D work from Government agencies and industries. A few projects have been taken up so far and interesting results obtained. However, this work needs to be given a further push in the coming years.
- (j) Some of the interesting partnership activities of the Institute are with leading IT companies such as Microsoft Technologies, IBM Technologies and Syntel. In addition, the Committee was pleased to see the MoU executed by the Institute with some small and medium enterprises, to enhance its R & D activities.
- (k) The Institute admits students only through AIEEE conducted by CBSE, and all the admissions including management quota (15%) are based on merit. At present, 35% of student admissions are on all India basis and the remaining (50%) being from Uttarakhand, as per the prevailing practice in the State. However, the Institute sees no difficulty to follow the UGC requirement of all students being admitted on all India basis, if 'deemed university' status is conferred on it.
- (l) The Institute has received accreditation from NBA for all its eligible programmes, viz., 5, and has already applied for accreditation of 2 additional programmes which will become eligible in June, 2008. All the accredited programmes are in the validity period.
- (m) The Institute has introduced many innovative practices in imparting education, particularly going beyond the syllabus in course work, emphasis on practical work, modern teaching-learning practices, conducting students' projects with industry cooperation, emphasis on communication skills, personality development and entrepreneurship etc., leading to a high level of satisfaction among students, alumni and parents.
- (n) The Institute has been following a transparent faculty / staff recruitment policy as per State Government norms, attracting good faculty / staff. The faculty receive salaries as per AICTE norms.
- (o) The Institute has demonstrated potential for enhancing its R & D work and making more significant contribution in application oriented programmes.

**III. Other**

- (a) It was interesting for the Committee to note that the Chairman of the Trust is himself a senior academic taking up teaching assignments at the Institute on a regular basis and has also taken up research training to advance his knowledge and capabilities. This is highly commendable.
- (b) The Institute has an healthy practice of inviting senior professionals from R & D laboratories and industries on a regular basis to motivate the students and faculty.
- (c) The Institution has good placement record particularly in the Computer Science and IT areas and has been attracting leading companies to come to the campus year after year for the purpose of placement.
- (d) The Institute has taken many steps for introducing several healthy practices in education which are mostly found in leading institutions in the country.

**Recommendations of the Committee**

Considering the quality and quantity of educational initiatives, activities and achievements of Graphic Era Institute of Technology in a span of just about 10 years, the Committee is pleased to make the following recommendations:-

- 1. The Institute has matured to a satisfactory level for being conferred the status of Deemed-to-be-University under Section 3 of the UGC Act.
- 2. The pointers to this recommendation are :
  - a. The level, the student response and the success of its UG and PG programmes.
  - b. The quality of its research work and its potential for further progress.
  - c. Vibrant collaboration and interaction with industry and R & D laboratories.
  - d. Wide range of extension activities pursued through faculty and student involvement.
  - e. The excellent preparations made at the Institute through various measures taken to upgrade its academic and research activities.

*[Handwritten signature]*

*[Handwritten signature]*

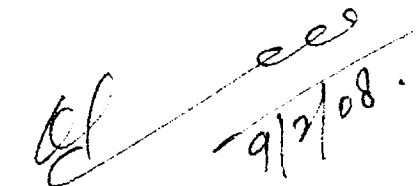

*[Handwritten signature]*

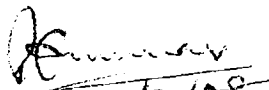

3. The Institute has demonstrated its capabilities for becoming a leading centre in technical education and research in the State of Uttarakhand. However, the Institution needs to pay more attention in the coming years to enhance its scope and achievements in the areas of Post Graduate education and research. Besides, it has to give a further fillip to faculty development and related issues so as to be at the current state of the art and lead professional education in a significant way.

Taking a holistic view of the activities and achievements of the Institute, the Expert Committee unanimously recommends conferment of Deemed University status on Graphic Era University, Dehradun, Uttarakhand comprising of Graphic Era Institute of Technology. The Committee also recommends a review of its activities and progress after five years.
