

GURU GOBIND SINGH INDRAPRASTHA UNIVERSITY
SECTOR 16-C, DWARKA, NEW DELHI

OFFICE OF THE REGISTRAR

Sub: Representation of Students for change of Examination Ordinance.

Consequent upon the representation submitted by the students, the Hon'ble Vice Chancellor had constituted a Committee of senior professors under the Chairmanship of Prof. Harish C. Rai, Director (Academic Affairs). After considering the facts and circumstances, the Committee has submitted its report with certain recommendations.

Hon'ble Vice Chancellor after considering the recommendations of the Committee has taken a sympathetic view of the situation specially in view of students overall career in mind and has very kindly accepted certain recommendations without compromising the academic standard of the University, and has been pleased to place the following before the appropriate statutory bodies and seeking their approval to bring about the necessary amendments in the relevant statute/ordinance related to examination:

1. The students who have failed to attain 90% of the total credits in the year previous to the ensuing academic year would be given an opportunity to appear in supplementary examination(s) to enable them to attain minimum 90% of the total credits which is necessary for them to be promoted to next academic year. But the students shall be required to attain 50% credit in the ensuing academic year to be eligible for appearing in supplementary examination.
2. There is provision of grace mark in Semester Examination of all programmes. Those grace marks in the buffer (if not utilized previously) may be used in the respective reappear/supplementary examination from the academic year 2011-12 only.

After the aforesaid recommendations are approved by the statutory bodies, the supplementary examination would be conducted in the month of July/August. The concerned students may await for suitable notification of dates of Supplementary Examination in this regard by the Controller of Examinations.
