December, 2011

Subject: Annual collection of Statistics in respect of Universities / University Level Institutions for

the vear 2010-11.

Dear Sir / Madam.

As you are aware that UGC being a nodal agency / apex body for coordination and maintenance standards of higher education in the country, is also responsible for bringing out publications on various parameters on higher education statistics. The higher education statistics thus generated is used for policy formulation and planning by researchers, students, higher education administrators and other stakeholders in the field of higher education and also to disseminate information to the Ministry of HRD & other organizations and to reply Parliament Questions, RTI queries etc.

Attention is kindly invited towards UGC several communications sending therewith a pre-devised format on the subject mentioned above for collection of basic statistics on students enrolment and teaching staff for the year 2010-11. However, the requisite information is still awaited in respect of your university / institution.

Since the consolidated data on students enrolment and teaching staff at the State level and all India level for the year 2010-11 has to be finalized without further loss of time, you are requested that the simplified summary format (enclosed) completed in all respects may kindly be sent to the UGC office within 15 days from the date of receipt of this letter either by post or on E-mail ID; msyadav@uqc.ac.in, or msvadav2011@rediffmail.com

This is an altogether distinct exercise of UGC for collection of annual statistics in respect of Universities / University level institutions and therefore, may not be linked with the All India Survey on Higher Education being conducted by MHRD.

Looking for your cooperation and prompt response in creating databases on higher education statistics at all India level.

With regards.

Encls.: As above.
