## **PREFACE**

The Statistical Year Book of Churachandpur District, 2014 is the 11<sup>th</sup> (Eleventh) issue of the publication earlier entitled, 'Statistical Abstract of Churachandpur District, 2007'.

In this issue, every effort has been made to update data to maximum extent possible and to improve the coverage and quality too. The source of data is indicated at the foot of each table. It is hoped that this publication will serve as useful guide to the Administrator, Planners and Data Users.

This Publication has been prepared by the District Statistical Office, Churachandpur under the guidance of Shri. L. Heramani Singh, District Statistical Officer, Churachandpur with the assistance of Shri. Yangkholun Haokip, Inspector and staff of District Statistical Office, Churachandpur. The updation, comparability and consistency check of the data/information wherever possible, were carried out at the State Headquarters. However, in some cases where sub-division level data are not available at the Directorate, the information originally compiled and documented by the DSO is presented as such.

The continued co-operation extended by the various District Authority/Head of Offices by furnishing required data is gratefully acknowledged.

Suggestions for improvement of quality and coverage in the future issue of the publication are most welcome.
