ANNUAL

REPORT

2006-2007

ALL INDIA COUNCIL FOR TECHNICAL EDUCATION

7 th Floor, Chanderlok Building, Janpath

New Delhi - 110 002

ALL INDIA COUNCIL FOR TECHNICAL EDUCATION

ANNUAL REPORT & AUDITED ACCOUNTS

2006-07

PREFACE

The All India Council for Technical Education is pleased to present its major activities and accounts for year 2006-2007 through its Annual Report.

During the year under report the Executive Committee held three meetings, the All India Boards of Studies held fourteen meetings and the Regional Committees held two meetings.

Towards improving quality and standards of Technical Education, the Council geared up its faculty development programmes through various schemes such as Quality Improvement Programme, Career Award for Young Teachers, Emeritus Fellowship, Seminar Grant, Travel Grant, Staff Development Programme, National Doctoral Fellowship, AICTE-INAE Distinguished Visiting Professorship etc. The Council implemented Research and Institutional Development schemes such as MODROBS, Research Promotion Scheme etc.

The Council announced a National Calendar for processing proposals for establishing new institutions and for increase in intake and additional courses. The Council approved a number of programmes at the Diploma, Under-graduate and Post-graduate levels in the various fields viz. Engineering & Technology, Architecture, Pharmacy, Hotel Management & Catering Technology, Management, Computer Applications and Applied Arts & Crafts. As in the last year, a system of Appeal was put in place to consider representations of applicants to make the system transparent.

The Council had earlier taken an important initiative through the National Board of Accreditation (NBA) by submitting an application to join the Washington Accord. Based on their observations during the familiarization visit, all the three signatories, namely, Engineering Council-UK, Engineers Australia and Canadian Engineering Accreditation Board of CCPE have given their letters of support to NBA. With the three letters of support, NBA has submitted in February 2007 formal application for provisional membership of Washington Accord to Dr George Peterson of ABET, USA who is also the secretary of the WA. It is hoped that with three letters of support, NBA will be admitted as a provisional member during the 8th Biennial meeting of Washington Accord signatories.

SECTION - A

ANNUAL REPORT

2006-2007

CHAPTER 1 Introduction

1.1 PREAMBLE

All India Council for Technical Education (AICTE) was set-up in November 1945 as a national level Apex Advisory Body to conduct survey on the facilities on technical education and to promote development in the country in a coordinated and integrated manner. And to ensure the same, as stipulated in, the National Policy of Education (1986), AICTE be vested with statutory authority for planning, formulation and maintenance of norms and standards, quality assurance through accreditation, funding in priority areas, monitoring and evaluation, maintaining parity of certification and awards and ensuring coordinated and integrated development and management of technical education in the country.

The Government of India (Ministry of Human Resource Development) also constituted a National Working Group to look into the role of AICTE in the context of proliferation of technical institutions, maintenance of standards and other related matters. The Working Group recommended that AICTE be vested with the necessary statutory authority for making it more effective, which would consequently require restructuring and strengthening with necessary infrastructure and operating mechanisms.

Pursuant to the above recommendations of the National Working Group, the AICTE Bill was introduced in both the Houses of Parliament and passed as the AICTE Act No. 52 of 1987. The Act came into force w.e.f. March 28, 1988. The statutory All India Council for Technical Education was established on May 12, 1988 with a view for proper planning and coordinated development of technical education system throughout the country, the promotion of qualitative improvement of such education in relation to planned quantitative growth and the regulation and proper maintenance of norms and standards in the technical education system and for matters connected therewith.

The purview of AICTE (the Council) covers programmes of technical education including training and research in Engineering, Technology, Architecture, Town Planning, Management, Pharmacy, Applied Arts and Crafts, Hotel Management and Catering Technology etc. at different levels.

1.2 THE ORGANISATION

In accordance with the provisions of the AICTE Act (1987), for the first five years after its inception in 1988, the Minister for Human Resource Development, Government of India was the Chairman of the Council. The first full time Chairman was appointed on July 2, 1993 and the Council was re-constituted in March 1994 with a term of three years. The Executive Committee was re-constituted on July 7, 1994 and All India Boards of Studies and Advisory Boards were constituted in 1994-95. Regional Offices of the Ministry of Human Resource Development, Government of India, located at Kolkata, Chennai, Kanpur and Mumbai were transferred to AICTE and the staff working at these offices were also deputed to the Council on foreign service terms w.e.f. October 1, 1995. These offices functioned as secretariats of Regional Committees in the four regions (East, South, North and West). Three new Regional Committees in southwest, central and northwest regions with their secretariats located at Bangalore, Bhopal and Chandigarh respectively were also established on July 27, 1994. One more Regional Committee in South-Central region with its Secretariat at Hyderabad was notified on March 8, 2007. The names of the States/UTs falling under the jurisdiction of these eight Regional Committees are given in **APPENDIX-1.1**.

The AICTE has its Headquarters in New Delhi and is presently housed in a building having a covered area of 38542 sq. ft. located in Indira Gandhi Sports Complex, Indraprastha Estate, New Delhi. This building is taken on lease from the Sports Authority of India. Three bureaus of the Council are housed in its own building having a covered area of 10630 sq. ft. at IV floor, East Tower, NBCC Place, Pragati Vihar, New Delhi. The Government of India has allocated 5 acres land in the campus of Jawaharlal Nehru University, New Delhi, for constructing the administrative and other buildings of the Council.

The AICTE comprises of eight Bureaus, namely, Engineering & Technology (E&T) Bureau, Management & Technology (M&T) Bureau, Quality Assurance (QA) Bureau, Planning and Co-ordination (PC) Bureau, Research and Institutional Development (RID) Bureau, Academic (Acad.) Bureau, Administration (Admin) Bureau and Finance (Fin) Bureau. Each Bureau is headed by an Adviser who is assisted by technical and other staff. The multidiscipline technical staff is taken either on deputation or on contract from various Government Departments, University Grants Commission, academic institutions etc. Computers are appropriately provided to each bureau for work. These computers are networked through LAN for retrieval and exchange of information. Cleaning and maintenance, security, transport, hospitality and canteen services are provided by external agencies.

1.3 STATUTORY BODIES

Boards and Committees of the AICTE, the Executive Committee, ten All India Boards of Studies, eight Regional Committees are all of statutory nature.

The Council is a 54-member body and has a Chairman, a Vice-Chairman and a Member Secretary with tenure appointments. The Council includes amongst others, representatives of various Departments of the Government of India, the Lok Sabha and the Rajya Sabha, Govt. of States and Union Territories, representatives from the Statutory Boards and Committees of the Council, Professional Bodies and organisations in the fields of concerned areas of technical education and research and also organizations in the field of industry and commerce, etc. The AICTE Act empowers the Council to take all such steps as it may think fit for ensuring coordinated and integrated development of technical education. The powers and functions assigned to the Council are given in **APPENDIX 1.2**. The Council performs its functions in consultation with State Governments, Universities, State Boards of Technical Education, Professional Bodies and experts etc.

The Executive Committee is a 21-member body constituted by the Council and discharges such functions as may be assigned to it by the Council. The Executive Committee is chaired by the Chairman of the Council and includes Vice-Chairman of the Council; Secretary to the Government of India; two Chairmen of the Regional Committees of the Council; three Chairmen of the All India Boards of Studies of the Council; one member of the Council representing the Ministry of Finance, Govt. of India; four members of the Council representing States/UTs; four members with expertise and distinction in areas relevant to technical education; Chairman of the University Grants Commission; Director of the Institute of Applied Manpower Research; and Director General of the Indian Council of Agricultural Research. The Member-Secretary of AICTE is also the Member-Secretary of the Executive Committee.

The All India Boards of Studies advise the Executive Committee on academic matters falling in their areas of concern including norms & standards, model curricula, model facilities and structure of courses etc. The areas of concern, constitution, functions and powers of the Boards of Studies are such as may be provided by the Council through appropriate Regulations. Initially, the AICTE Act provided for the establishment of five Boards of Studies. Later, four more Boards of Studies were added by the Council. Boards of Studies have 10-15 members each and are headed by subject experts of eminence. The Council is assisted by eight statutory Regional Committees covering different geographical regions. These Committees advise and assist the Council in all aspects of planning, promoting and regulating technical education within their respective regions. Each Regional Committee has 15-20 members, headed by an engineer/technologist of eminence.

The Council has set up a National Board of Accreditation under Clause 10(u) of the AICTE Act to periodically conduct evaluation of technical institutions or programmes on the basis of guidelines and norms and standards specified by it for quality assessment.

CHAPTER 2 Highlights of the Year

2.1 STATUTORY BODIES

During the year under report, statutory bodies of the Council met several times to deliberate issues of importance in technical education, made recommendations and accorded relevant approvals:

STATUTORY BODY	NO. OF MEETINGS
Council	1
Executive Committee	3
All India Boards of Studies	14
Regional Committees	02
For further details see Chapter 3	

2.2 GROWTH OF TECHNICAL EDUCATION: NEW APPROVALS ACCORDED

In accordance with the functions assigned to it under Clause 10(k) of the AICTE Act, the Council grants approvals for starting new technical institutions and for introducing new courses or programmes in already approved institutions. Approvals are accorded in consultation with respective State Governments and affiliating universities. The data on the number of approvals given by the Council to various programmes during 2006-2007 is summarized below:

S.No.	Programme	Postgraduate Level	Undergraduate Level	Diploma Level
1.	Engineering & Technology	146	94	64
2.	a) Management b) MBA as an additional Course in existing Engineering Institutions	91 197	-	-
3.	a) Master in Computer Applications b) MCA as an additional Course in existing Engineering Institutions	20 128	-	-
4.	Pharmacy	16	129	114
5.	HMCT	-	2	07
6.	Architecture & Town Planning	-	-	-
7.	Applied Arts & Crafts	-	-	01
	Total	598	225	186

2.3 RESEARCH AND DEVELOPMENT

Through Clauses 10 (c) and 10(d) of the AICTE Act, the Council promotes innovations and research and development in established and new technologies; generation, adoption and adaptation of new technologies to meet developmental requirements of the country and for the overall improvement of educational process. Towards these ends, the Council operates three schemes, namely, Modernization and Removal of Obsolescence (MODROBS), Research Promotion Scheme (RPS) and Nationally Coordinated Projects (NCP). A total of 406 Projects were financially supported under MODROBS and RPS schemes during the year 2006-2007 and the Council sanctioned a total amount of Rs.2084.12 lakhs.

The projects thus sanctioned under the above research schemes are reviewed each year in monitoring meetings to ensure effective implementation of projects and proper utilization of grants.

2.4 INDUSTRY INSTITUTE INTERACTION

Under clauses 10 (c) and 10 (f) of the AICTE Act, the Council promotes effective link between technical education system and other relevant systems, including industry and research community. For the purpose, the Council operates various schemes, viz, Industry Institute Partnership Cell (IIPC), Entrepreneurship Development Cell (EDC), and National Facilities in Engineering and Technology with Industrial Collaboration (NAFETIC).

2.5 FACULTY DEVELOPMENT PROGRAMMES

There are several schemes for faculty development, namely, Quality Improvement Programme (QIP), Career Award for Young Teachers (CAYT), Emeritus Fellowship, Visiting Professorship, Seminar Grant, Travel Grant, Staff Development Programme, National Doctoral Fellowship, Early Faculty Induction programme, AICTE-INAE Distinguished Visiting Professorships and Financial Assistance to Professional Societies/Bodies. Under the Quality Improvement Programme (QIP), faculty members of degree level institutions are given opportunity to upgrade their qualifications to Master's and Ph.D. levels. Under the Scheme QIP (poly), polytechnic teachers can pursue Master's degree programmes. Course ware Development and other short term training programmes are also conducted under the QIP Scheme. In the Emeritus Fellowship scheme, superannuated faculty members are supported for two years to continue research through grant of fellowships and contingency grants. Under the scheme of Visiting Professorship, reputed academicians and technologists provide required expertise to their host institutions. Financial assistance is provided to regular faculty through schemes of Career Award for Young Teachers, Travel grant and Seminar grant. The Staff Development Programmes help new teachers to earn and further enhance teaching skills. Professional Societies/bodies are also provided non-recurring grants for various purposes. The scheme of AICTE-INAE Distinguished Visiting Professorship jointly initiated by the AICTE and the Indian National Academy of Engineering (INAE), helps institutions avail expertise from experienced professionals from industry. The number of programmes/ activities supported as well as fellowships awarded under various schemes of faculty development during the year 2006-2007 is given in the table below.

	SCHEMES	NUMBERS
a.	Quality Improvement Programme (QIP)	
i)	Selected in Ph.D	180
ii)	Selected in M.E./M.Tech.	197
b.	Faculty enrolled under QIP Polytechnic	
i)	Selected in Ph.D	53
ii)	Selected in M.E./M.Tech.	60
c.	Career Award for Young Teachers	25
d.	Emeritus Fellowship	14
e.	Seminar Grant	322
f.	Travel Grant	164
g.	Staff Development Programme	232
h.	National Doctoral Fellowship	50
i.	AICTE-INAE Distinguished Visiting Professorship	14
j.	Financial Assistance to Professional Societies/Bodies	23

2.6 SCHEME OF NATIONAL TECHNICAL MANPOWER INFORMATION SYSTEM (NTMIS)

National Technical Manpower Information System (NTMIS) operates with a view to generate and maintain reliable data and information needed for prospective planning of technical education on the basis of demand and supply positions. The objectives assigned to NTMIS include estimation of short-term and long-term demands of various categories of engineering and technical manpower, their supply, identification of anticipated gaps in demand and supply, and assessment of the adequacy of the current enrolment rate in respect of each of the engineering and technical manpower categories.

The scheme operates through a Lead Centre at the Institute of Applied Manpower Research (IAMR), New Delhi and 20 Nodal Centers setup in various technical institutions, universities and other departments all over the country. The operation of this on-going scheme was continued during the year 2006-2007 and grants amounting to Rs.196.45 Lakh were released.

2.7 CO-OPERATION WITH INTERNATIONAL AGENCIES

2.7.1 WASHINGTON ACCORD MEMBERSHIP

The impact of globalization in the present world scenario has necessitated trans-migration of technologies, technicians and professionals to various countries at a much rapid pace than ever before. *Washington accord* is an international agreement of the criteria, policies and procedures regarding the mutual acceptability of accreditation system for engineering programmes, which are comparable in their intended effect to those of the existing signatories. It is an agreement among the Engineering Quality Assurance Organizations of ten nations (Australia, Canada, Hong Kong, Japan, Ireland, New Zealand, UK, USA, Singapore & South Africa). They recognize the substantial equivalency of programmes accredited by those organizations and recommends that the graduates of accredited programmes in any of the signatory countries be recognized by the other countries as having met the academic requirements for entry into the practice of engineering.

National Board of Accreditation (NBA) is an autonomous body established by the All India Council for Technical Education (AICTE), a statutory body for regulation of technical education in India. At this time, NBA is the only authorized body in the Country entrusted with the task of undertaking accreditation of technical education programmes. All programmes on technical education including those offered by University Departments are accredited by NBA. The National Board of Accreditation (NBA) evaluates the quality of programmes offered by educational institutions from Diploma to the Post-graduate levels of education. Therefore, the National Board of Accreditation (NBA) desires to be a signatory to the Accord for ensuring cross border mobility of our Engineering Graduates. The membership of the NBA in Washington accord would facilitate easy exchange of ideas, mobility of engineering students and professionals at international levels.

As a part of the membership procedure for Washington Accord, NBA has to submit an application to the WA Secretariat with two nominations / letters of support from existing member countries. In order to seek nominations from other countries, AICTE had invited members from WA Signatories to familiarize themselves with the accreditation process of NBA. Accordingly members from Engineering Council, UK, Engineers Australia and Canadian Engineering Accreditation Board (CEAB) of the Canadian Council of Professional Engineers (CCPE) visited India during 4-14 January 2005 and submitted their observations on the accreditation process of NBA. The conclusion of the visiting team is that the current accreditation procedure in India provides an adequate base for development of a process which would be substantially equivalent to those of Washington Accord signatories, provided that necessary changes are made in the accreditation system of NBA as suggested by a mentoring team appointed by the WA secretariat. Based on their observations during the familiarization visit, all the three signatories, namely, Engineering Council, UK, Engineers Australia and Canadian Engineering Accreditation Board of CCPE have given their letters of support to NBA. With the three letters of support, NBA has submitted in February 2007 formal application for provisional membership of Washington Accord to Dr George Peterson of ABET, USA who is also the secretary of the WA. A positive vote by at least two-thirds of the existing signatories will be required when the NBA's application is considered during the next biennial meeting scheduled to be held at Washington DC, USA in June 2007. It is hoped that with three letters of support, NBA will be admitted as a provisional member during the 8th Biennial meeting of Washington Accord signatories.

2.7.2 FOREIGN UNIVERSITY REGISTRATION

In supersession of the Regulations Notified by the Council vide Notification No. F.37-3/Legal (vi) 2003, dated 3rd April 2003 and in exercise of the powers conferred under Section 23 read with Clause (b), Clause (f), Clause (g) and Clause (n), (o), (p) of Section 10 of the AICTE Act, 1987, (Act 52 of 1987), the Council made regulations for regulating entry and operation of Foreign Universities / Institutions imparting technical education in India. These Regulations known as '*AICTE Regulations for Entry and Operation of Foreign Universities in India imparting technical education, 2005*' were formulated primarily to check and avoid illegal entry of unscrupulous persons using/misusing the name of Foreign University / Institution for unlawful gains. To safeguard the interest of all stakeholders, a public notice was issued in all leading newspapers on 5th May, 2005 directing the foreign universities operating in India to comply with the above regulations.

Communications were sent to all Indian institutions collaborating with foreign universities / institutions based on media advertisement, directing them to comply with regulations 2005. These regulations were notified in the extraordinary gazette of India on the 25th May 2005. As on 31.03.2007, 44 proposals received for registration under the Regulations-2005, are under various stages of processing with the Council. Eight new proposals were received during the year 2006-07. Nine proposals were considered by the Standing Committee of Advisors and five proposals were considered by the EC Sub committee comprising of the Chairman, Vice Chairman, the Secretary Higher Education, Government of India and the Member Secretary (AICTE) in its meeting held on 05.03.07. The proposal of Sree Nidhi Institute of Science & Technology, Hyderabad was approved by the EC Sub-Committee to conduct bachelor programmes in Airline Management, Airport Management and Electrical Engineering (Avionics Option) in collaboration with Vaughn College of Aeronautics and Technology, USA.

During the period under report, the following institutions have been accorded registration by AICTE for conducting programmes in collaboration with foreign university / institution:

Sl	Name and Address of the Indian Institution	Name of the Foreign University	Programme(s) Approved
1.	Institute of Hotel Management (IHM), Maulana Azad Educational Campus, Rauza Bagh, Aurangabad-431001 (Maharashtra)	University of Huddersfield, U.K.	B.A. (Hons.) in Hotel Management with intake of 90
2.	Asia Pacific Institute of Information Technology (APIIT), P.O. Box No. 66, Faridpur Road, G.T. Kamal Road Side, Panipat – 132 103 (Haryana).	Staffordshire University, U.K.	1. B.Eng. (Hons) Computing with intake of 60 2. B.Eng. (Hons) Computing in Software Engg. Specialization with intake of 40 3. B.Eng. (Hons) Computing in Multimedia Specialization with intake of 40

2.7.3 ASIA ENGINEERING EDUCATION ACCREDITATION ACCORD

Prof. R.A. Yadav, Vice Chairman, AICTE and Prof. Prasad Krishna, Advisor, Bureau of Quality Assurance, AICTE have participated in the International Symposium of Japan Accreditation Board for Engineering Education (JABEE) during 15-16 December, 2006 and in the meeting of Asian Regional Accreditation Accord Committee (ARAAC) on 17 December, 2006 in Tokyo at the National Graduate Institute for Policy Study. Other organizations who attended from Asia include Institute of Engineering Education Taiwan (IEET), The Institution of Engineers (India) (IEI), The Institution of Engineers Indonesia (PII), The Institution of Professional Engineers, Japan (IPEJ), Japan Accreditation Board for Engineering Education (JABEE), Accreditation Board for Engineering Education of Korea (ABEEK), The Institution of Engineers, Malaysia (IEM), Philippine Technological Council (PTC), Republic of the Philippines Professional Regulation Commission and Council of Engineers Thailand (CET). A paper was presented by AICTE on the status of Engineering Education Accreditation in India. The major objective of this event was to explore the possibility of establishing an accord so that the graduates of the accredited programmes of this accord satisfy the academic requirement of the APEC Engineers and International Engineers of Engineer's Mobility Forum. Efforts were also made to seek Japan's support in pursuing NBA's application for provisional membership of Washington Accord. Nishino Fumio (IPEJ, Japan) of the Regional Accreditation Committee of FEISEAP was elected as the Chair of the Working Group of the Asian Engineering Education Accreditation Accord at the end of meeting. All organizations unanimously agreed to work for establishing a provisional accord which may have two thresholds. One threshold is for the national benchmark of each country/economy and the other is to meet the benchmark of the Washington Accord. Considering the diversity and speciality of engineering education system inherent in the developing countries of Asia, the importance of establishing an accord and appropriate accreditation system was agreed. It was further agreed that accreditation system mutually assessed by the member countries could improve the efficiency of delivery of education. Establishment of engineers' mobility forum was an important issue, but as the first step, priority of the activity of this working group should be on the establishment of an accord which eventually

CHAPTER 3 STATUTORY BODIES

3.1 THE COUNCIL

Under the provision of Clause 3(4) of the AICTE Act (52 of 1987), the Council was reconstituted on March 28, 2005. The composition of Council is given in **APPENDIX 3.1**.

3.2 THE EXECUTIVE COMMITTEE

In exercise of the powers conferred by Clause 12(1) of the AICTE Act, 1987, the AICTE had reconstituted the Executive Committee on April 5, 2005. The composition of the Executive Committee is given in **APPENDIX 3.2**.

3.3 ALL INDIA BOARDS OF STUDIES

The All India Board of Studies advise the Executive Committee on academic matters falling in their respective areas of concern including norms and standards, model curricula, model facilities and structure of courses, academic facilities and any other academic matter arising from time to time.

In pursuance of the powers conferred under Clauses 13 (1) and 13 (2) of the AICTE Act, the All India Boards of Studies were re-constituted by the Council in September, 2006. Nominations of the Chairmen and the Members of the Boards are made for a term of three years. During the period under report, the Council had ten statutory All India Boards advising the Council in their areas of specialization. The names of the Chairmen of the various Boards are listed below:

S.NO.	ALL INDIA BOARD OF STUDIES	CHAIRMAN
1.	Hotel Management and Catering Technology	Shri Rajiv Gujral
2.	Information Technology Education	Dr. M.N. Faruqui
3.	Management Studies	Prof. T.N. Kapoor
4.	Pharmaceutical Education	Prof. (Dr.) C. K. Kokate
5.	Post Graduate Education and Research in Engineering & Technology	Prof. M.S. Palanichamy
6.	Undergraduate Studies in Engineering and Technology	Prof. P. Dayaratnam
7.	Technician Education	Prof. P.B. Sharma
8.	Vocational Education	Prof. Ranjit Singh
9.	Town and Country Planning	Shri D.S. Meshram
10.	Architecture	Prof. J.R. Bhalla

The composition of various All India Boards of Studies is given in **APPENDIX 3.3**

3.4 REGIONAL COMMITTEES

According to Clause 14 (3) of the AICTE Act, each Regional Committee advises and assists the Council on all aspects of planning, promoting and regulating technical education within their regions.

In pursuance of Clauses 14 (1) and 14 (2) of the AICTE Act, Regional Committees were constituted by the Council at Kolkata, Chennai, Kanpur and Mumbai on April 18, 1990 and subsequently three more Regional Committees were set up at Bangalore, Bhopal and Chandigarh in the year 1994. One Regional Committee was also set up at Hyderabad on March 8, 2007. Each Regional Committee has 15 to 20 members from industrial, technical institutions, universities, state/central

government organizations and professional bodies/societies working in the area of technical education.

The composition of the Regional Committees are is given in **APPENDIX 3.4**.

The Chairmen of these Regional Committees are listed below:

REGIONAL COMMITTEES	DATE OF MEETING
a. Central Regional Committee	Prof. Bakul H. Dholakia
b. Western Regional Committee	Prof. A. A. Ghatol
c. South-Western Regional Committee	Prof. Prakash G. Apte
d. Eastern Regional Committee	Prof. N. R. Banerjea
e. North Western Regional Committee	Prof. L. R. Verma
f. Northern Regional Committee	Prof. S. S. Katiyar
g. Southern Regional Committee	Prof. D. Viswanathan
h. South Central Regional Committee	Prof. Y.V. Rao

3.5 NATIONAL BOARD OF ACCREDITATION

The Clause 10(u) of the AICTE Act specifies the following as one of the functions of the All India Council for Technical Education (AICTE):

"Set up a National Board of Accreditation to periodically conduct evaluation of technical institutions or programmes on the basis of guidelines, norms and standards specified by it and to make recommendation to it, or to the Council, or to the Commission or to other bodies, regarding recognition or de-recognition of the institution or the programme."

In pursuance of this function, the All India Council for Technical Education (referred in this report as 'Council') has constituted the National Board of Accreditation (referred as 'NBA') in the year 1994. The functions of the National Board of Accreditation are:

- I. To make recommendations with regard to issues of quality assurance and quality management in technical education in India.
- II. To prescribe guidelines, norms and standards for the purpose of accreditation of technical education programmes / institutions.
- III. To advise the Executive Committee/Council regarding de-recognition of an institution or a programme based on the evaluation conducted as per the prescribed procedure for the purpose.
- IV. To advise and assist the Executive Committee/Council on policies and parameters pertaining to the accreditation process.
- V. To advise the Executive Committee/Council on formulation of schemes for Promotion of Qualitative Improvements in Technical Education.
- VI. To carry out any other function assigned by the Executive Committee/Council.

The National Board of Accreditation shall make suitable recommendations in the discharge of the above functions to the Executive committee / Council in accordance with the procedure prescribed from time to time.

The composition of the National Board of Accreditation (NBA) is given in **APPENDIX 3.5**.

**3.6 MEETINGS OF STATUTORY BODIES OF AICTE****3.6.1 EXECUTIVE COMMITTEE**

The Executive Committee of AICTE held three meetings during the year 2006-2007, on the following dates:

- 53rd Executive Committee Meeting : July 31, 2006
 54th Executive Committee Meeting : December 28, 2006
 55th Executive Committee Meeting : March 28, 2007

Some of the important decision taken by Executive Committee in these meetings are as under:

Meeting	Agenda Item	Decision
53 rd July 31, 2006	To consider the matter regarding establishment of Regional Office at Hyderabad	The Executive Committee approved the proposal. However, it has been decided that the role of Regional Committees and a detailed plan for re-structuring may be prepared and submitted to the Executive Committee in its next meeting.
	To consider the matter regarding implementation of Assured Career Progression Scheme (ACP) of the Govt. of India for employees of the AICTE.	The Executive Committee approved the proposal.
54 th December 28, 2006	To receive a note on the Regulations notified by the Council regarding Approval Process.	The Executive Committee received the Information. It was informed that the Regulations regarding Deemed to be Universities will be discussed and deliberated upon at the meeting in MHRD also.
	To receive a note on the establishment of Regional Office at Hyderabad	The Executive Committee received the information. It was decided that a detailed note on the Role of Regional Committee may also be submitted to the EC in its next meeting.
	To consider draft Recruitment Regulations for the posts recommended by Staff Inspection Unit (SIU) of Ministry of Finance for the AICTE Headquarters and its seven Regional Offices and Service Conditions of the employees of AICTE.	The Executive Committee approved the Recruitment Regulations with some amendments.
	To consider the scheme of Tuition Fee Waiver for meritorious women, economically backward and physically handicapped students.	The Executive Committee approved the proposal.
	To consider the enhancement in the scholarships/fellowships to PG students/ Research Scholars pursuing Master's and	The proposal was approved, in principle, subject to availability of funds. It was decided that a detailed proposal in this regard indicating

55 th March 28, 2007	Ph.D Programme in Technical Education.	the requirement of funds should be sent to MHRD.
	To receive a note on the constitution of South Central Regional Committee with its office at Hyderabad	The Executive Committee received the information
	To receive a note on the implementation of Electronic distribution of scholarships/ fellowships by AICTE	The Executive Committee received the information
	To receive a note on the Recruitment Regulations on the posts recommended by the Staff Inspection Unit (SIU) of Ministry of Finance, for the AICTE Headquarters and its Regional Offices.	The Executive Committee received the information. The Executive Committee also appreciated the efforts made by the AICTE and MHRD in finalizing the Recruitment Regulations.

3.6.2 REGIONAL COMMITTEES

As per the provisions of the AICTE Act, the Regional Committees advise and assist the Council in all aspects of planning, promoting and regulating technical education within their respective regions. These Committees are mainly helpful in implementation of Clause 10 (k) of the Act i.e. grant of approvals for new technical institutions and for the introduction of new courses or programmes. During the year 2006-2007, the Council received a large number of proposals for the establishment of new technical institutions for the postgraduate and undergraduate programmes. These proposals were processed in accordance with the prescribed Regulations, Guidelines and Procedures as per the National Calendar announced by the Council.

During the year 2006-2007 meetings of the Regional Committees were held on the following dates:

REGIONAL COMMITTEES	DATE OF MEETING
a. Central Regional Committee	-
b. Western Regional Committee	-
c. South-Western Regional Committee	-
d. North-Western Regional Committee	-
e. Northern Regional Committee	-
f. Southern Regional Committee	30/11/2006
g. Eastern Regional Committee	20/09/2006

3.6.3 ALL INDIA BOARDS OF STUDIES

During the year, meetings of the All India Boards of Studies held and major issues considered are as detailed below:

S.NO.	BOARD OF STUDY	DATE	MAJOR ISSUES CONSIDERED
1.	Management Studies	28.11.2006	<p>A sub committee was constituted to address the following issues and submit its report to the AIB-MS.</p> <ul style="list-style-type: none"> - Quality and governance - Guidelines regarding merit based admission - A mechanism to ensure that institutes do not make excess admissions - Mechanisms coming out with exact norms so that institutes are financially viable - Standardization of Nomenclature of programmes - Faculty Development Programmes - Guidelines to regulate the unap proved programmes - Guidelines for Distance Education Programme
		12.12.2006	<p>The report submitted by the Board's sub committee was considered and the following recommendations made by the sub committee in its report were accepted.</p> <p>Every Two – year full time regular general management programme will be referred to as PGDM.</p> <p>Every Two–year full time sector/function focused management programme will be referred to as PGDM, in parenthesis the focus or sector would be mentioned. For ex, programmes focused on finance, Marketing would be mentioned as PGDM (Fin), PGDM (Marketing) respectively and a sector programme in Energy Management would be mentioned as PGDM (Energy Mgmt).</p> <p>Every full time general management programme that is meant for executives with duration of 15 moths of learning: 12 months on campus and 3 months field based dissertation will be referred to as Executive PGDM. If such a program is sector or function specific the parenthe sis will denote the focus like in the case of PGDM. Thus Executive PGDM will be of minimum 15 months duration.</p> <p>Part time general management programmes that are meant for Executives – continue with existing norms.</p> <p>All other programmes of duration more than one year and less than two years will be treated as "Certificate programmes" and will not be allowed to use the term PGDM or Executive PGDM. The candidates completing these-Certificate programmes will be awarded "Post Graduate Certificate in Management"</p>

2.	Undergraduate Studies in Engineering and Technology	05.12.2006	<p>The summary of the recommendations of the Prof. M. Anandakrishnan committee and those of the workshop held at Mysore presented by the Chairman AICTE were accepted in principle for possible implementation. It was resolved that the Prof. M. Anandakrishnan committee report and the recommendations of the workshop held at Mysore be sent to Vice Chancellors of all Technical and Deemed universities in the country and their feedback. It was decided to convene a meeting of all Vice chancellors for discussion on the possible implementation of the recommendations.</p> <p>The following resolutions were made by the Board regarding the Lateral entry of B.Sc graduates in the second year of the Under graduate Engineering Programmes.</p> <p>Lateral entry for B.Sc graduates will be allowed in the second year third semester level. Seats in addition to the sanctioned intake at first year level, limited to a maximum of 10% will be reserved for all Lateral entry students (including Diploma and B.Sc graduates).</p> <p>Eligibility:</p> <p>(i) Minimum of 60% in aggregate in B.Sc degree. (ii) Mathematics as a subject at the B.Sc level.</p>
		21.12.2006	
		20.02.2007	General Queries
3.	Postgraduate Studies and Research in Engineering and Technology	06.12.2006	General Queries
4.	Hotel Management & Catering Technology	07.12.2006	General Queries
		23.03.2007	General Queries
5.	Information Technology	08.12.2006	The report of Mysore Work shop on "Excellence in Engineering Education" was accepted in principle for implementation.
6.	Pharmaceutical Education	11.12. 2006	General Queries
7.	Vocational Education	13.12.2006	A task force was constituted to prepare an approach paper regarding priorities and action plan in the field of vocational education.
8.	Technician Education	18.12.2006	General Queries
9.	Town and Country Planning	24.01.2007	A task force was constituted to review and make model curriculum for B. Planning course.
10.	Architecture	14.02.2007	A taskforce was constituted to review the faculty norms for "Fine Arts and Crafts" discipline.

CHAPTER 4 GROWTH OF TECHNICAL EDUCATION

4.1 POSTGRADUATE PROGRAMMES

During the year under report, the Council received a large number of proposals for starting new institutions, PG programmes in various fields of technical education and for increase of sanctioned intake capacity of approved programmes. The proposals were processed in accordance with the prescribed guidelines and procedure.

The number of new approvals accorded for various postgraduate programmes is as given below:

DISCIPLINE	NUMBER OF APPROVALS ACCORDED	
	Number of Institutions	Numbers of Courses
Pharmacy (M.Pharm)	16	34
Engg. & Tech. (ME/M.Tech)	146	260
Architecture (M.Arch.)	-	-
Total	162	294

Number of institutions/programmes and approved intake capacity at post-graduate level in various technical education disciplines as on March 31, 2007 is as under :

DISCIPLINE	Number of Programme/Instt.	Intake Capacity
Applied Arts & Crafts	7	70
Architecture	14	117
Town Planning & Urban Design	10	163
a) Computer Applications (MCA) b) MCA as additional Course in exiting Engineering Institutions	996 261	53092 15265
Engineering/Technology	1577	28154
a) Management b) MBA as additional Course in exiting Engineering Institutions	1119 333	89565 16691
Pharmacy	361	3660
Total	4678	206777

State-wise distribution of approved programmes in the disciplines of management and computer application as on March 31, 2007 is given in APPENDICES 4.1 and 4.2 respectively.

4.2 UNDERGRADUATE DEGREE PROGRAMMES

During the year, the Council received a number of proposals for starting new institutions at undergraduate level, for introduction of new Bachelor's degree programmes in existing institutions, for increase in intake of already running programmes, or for re-distribution of intake in existing courses.

The number of approvals accorded during the year for establishing new institutions at under-graduate level in various disciplines is as given below:

DISCIPLINE	APPROVALS ACCORDED
Engineering & Technology	94
Hotel Management and Catering Technology	02
Pharmacy	129
Total	225

Technical Educational Institutions approved during the year 2006-2007 is given in APPENDIX 4.3. Discipline-wise approval status of degree level technical education, as on March 31, 2007 is given in Table below:

DISCIPLINE	NUMBER OF INSTITUTIONS	INTAKE CAPACITY
Engineering / Technology	1503	583333
Hotel Management & Catering Technology	66	4332
Pharmacy	749	43593
Architecture	116	4471
Applied Arts & Crafts	5	365
Total	2439	636094

State-wise break-up of degree level Institutions in technical education as on March 31, 2007 is given in APPENDIX 4.4.

4.3 DIPLOMA PROGRAMMES

During the year, under report, the Council received proposals for approval of new diploma level programmes in various disciplines. After scrutiny and due processing, the Council accorded approvals as given below:

DISCIPLINE	APPROVAL ACCORDED
Engineering & Technology	64
Hotel Management & Catering Technology	07
Pharmacy	114
Applied Arts & Crafts	01
Total	186

With these approvals, the total number of diploma level institutions and their intake capacity in various disciplines as on March 31, 2007 is as given below:

DISCIPLINE	NUMBER OF INSTITUTIONS	INTAKE CAPACITY
Engineering/Technology	1288	300501
Hotel Management & Catering Technology	78	4570
Pharmacy	534	32551
Architecture	13	500
Applied Arts & Crafts	4	480
Total	1917	338602

Details about region-wise, state-wise distribution of diploma level institutions as well as the sanctioned intake in these institutions as on March 31, 2007 are given in APPENDIX 4.5.

4.4 NATIONAL TECHNICAL MANPOWER INFORMATION SYSTEM (NTMIS)

As envisaged in the AICTE Act and in order to ensure planned growth of technical education, the Council operates a scheme of National Technical Manpower Information System (NTMIS) with Institute of Applied Manpower Research (IAMR), New Delhi as the Lead Center and 20 Nodal Centers setup in various Technical Institutions and other Departments all over the country. The objective of the Scheme is to generate a database and monitor supply and demand of engineering and technical education manpower to ensure planned development of technical education in the country. The operation of the on-going scheme was continued during the year 2006-2007 and grants of Rs.196.45 lakh were released during the year 2006-2007.

The NTMIS scheme is being reviewed for easy retrieval of information and effective use of the data collected for planning of technical education in the country. A committee appointed by the Chairman, AICTE is looking into the scheme and other models of Educational Management Information System (EMIS) to decide upon the future scope of the scheme. The Committee is also looking into the utility of the manpower profile being projected by the NTMIS scheme and methods for the effective utilization of NTMIS in the process of prospective planning of technical education in the country vis-à-vis the demand and supply of technically trained professionals in different streams of technical education.

4.5 DEEMED-TO-BE UNIVERSITY/DENOVO DEEMED-TO-BE-UNIVERSITY

The University Grants Commission referred the following cases to the Council, during the period, for advice on conferment of Deemed-to-be-University status:

1. Arulmigu Kalaslingam College of Engineering (AKCK), Krishnakoil, TN.
2. St. Peter's Institute of Higher Education, Chennai
3. Vel Tech Institute, Chennai
4. Ponnaiyah Ramajayam Institute of Science & Technology, Tamil Nadu
5. Hindustan College of Engineering, Kancheepuram, Tamil Nadu
6. NIIT Institute of Information Technology, New Delhi (under De Novo)

The Ministry of Human Resource Development vide its letter No. F-1-31/2006/TS.II dated 7th March 2007 issued directions as per provision of Section 20(1) of the AICTE Act, on the need for joint inspection to the institutions which have applied for 'Deemed to be University' in order to avoid multiplicity of inspections by regulatory authorities.

CHAPTER 5 RESEARCH AND INSTITUTIONAL DEVELOPMENT

SCHEMES TO SUPPORT RESEARCH AND DEVELOPMENT

The Council operates the following Schemes for supporting Research and Institutional Development:

- (a) Modernisation and Removal of Obsolescence (MODROBS)
- (b) Research Promotion Scheme (RPS)

1.1 Modernisation and Removal of Obsolescence (MODROBS)

The main objective of the Scheme of Modernization and Removal of Obsolescence is to provide financial support to institutions to equip their laboratories with modern equipment/infrastructure facilities, keeping in view rapid advancements in technology. Some of the institutions were also provided funds for replacement of obsolete equipment with modern, state-of-the-art equipment to ensure quality of educational process.

1.2 Research Promotion Scheme (RPS)

RPS aims to create research ambience by promoting research in technical disciplines and innovations in established and emerging technologies; and to generate Masters and Doctoral degree candidates. The three research avenues within RPS are the following:

- (a) Proof of Concept work- Independent research activity that can lead to growth of knowledge / process in an area and grow into a major project. Funding for such projects would be limited to a one-time grant of Rs. 5-10 lakhs
- (b) Capacity Building for Research - Young faculty (30 years age limit) with grant of Rs. 10-12 lakhs, is encouraged to carry out research at doctoral level in a reputed institution. The funding can be used for both drawing of salary during leave without pay condition and towards purchase of equipment to carry out research in a novel area.
- (c) Patentable Technology Development by a group of faculty members, having proven track record, who aim at developing new research facilities, at the parent institution, being motivated mainly by high-end output such as patentable technologies. Funding to such projects would be limited to a one-time grant of Rs. 20 lakhs.

1.3 Nationally Coordinated Project (NCP)

Nationally Coordinated Project Scheme aims to plan, co-ordinate and execute integrated R&D programmes, involving collaboration between several institutions, industry and user organizations at national level for societal development programmes.

More specifically, the research ventures that may be considered within Nationally Coordinated Project Scheme are the following:

1. The research should be carried out at a national level institution in coordination with participating institutions having proven track record and sufficient expertise in the proposed area.
2. The lead institution must choose a person of eminence having relevant knowledge and expertise in the proposed area of research as the chief coordinator of the project.

The project should have financial participation from the participating industry (if any) to the extent possible.

The India Council for Technical Education supports two categories of Nationally Coordinated Projects for Technical Education,

- (a) catering to important issues of national importance
- (b) catering to technical education development.

The selected projects under NCP are considered in two phases. In the first phase, a one-time seed grant not exceeding Rs. 1,000/- is sanctioned for preparation of Detailed Project Report (DPR) including interaction with the participating

industry/ industries, letters of intent/ the MOU/protocol signed with them etc. The DPRs shall be reviewed by the duly constituted Subject Expert Committee for further release of grant.

AICTE provides funds up to Rs. 30-40 lakhs for projects catering to issues of national importance and up to Rs. 5-10 lakhs for projects catering to technical education development.

During the year 2006-07, the Council received 25 proposals under NCP. These proposals were evaluated as per the approved procedure by expert committee duly constituted by the Council. Based on the recommendations of the expert committee, following ten proposals were sanctioned a one-time seed grant amounting to Rs. 50,000/- each for the preparation of detailed project report in the year 2006-07.

SI	NAME OF PI, INSTITUTION	PROJECT TITLE
1.	G Z S College of Engineering & Technology, Bhatinda, Punjab	Study of plasma sprayed coatings with Nano structured materials
2.	Indian Institute of Technology Kanpur,	The Future of the Past: Application of Science and Technology for the Study, Preservation and Dissemination of Cultural Heritage of India
3.	Indian Institute of Technology Roorkee	Integrated Development of Public Transport System
4.	Institute of Jute Technology, Kolkata.	Development of Jute based coated textiles
5.	Lal Bahadur Shastri Institute of Management, Delhi	National Rural Employment Guarantee Scheme: Progress and Prospects
6.	Malaviya National Institute of Technology, Jaipur, Rajasthan	Synthesis & Characterization of Plasma Sprayed Ceramic Coatings
7.	Management Development Institute, Gurgaon	In search of a Leader
8.	Manipal College of Pharmaceutical Sciences, Manipal	Development and Standardization of Pharmaceutical and Biotechnological Products
9.	Narsee Monjee Institute of Management Studies, Mumbai	Disaster Management Cell
10.	School of Planning and Architecture, New Delhi	Management of urban land information systems-an approach to urban land-use patterns

5.1.4 Implementation of MODROBS and RPS Schemes

With the view of ensuring effective implementation of these schemes, the Council has set up an Advisory Board, namely the Board of Research comprising eminent scientists, engineers, technologists, academicians and industrialists.

AICTE invites project proposals under the above schemes and provides information through an advertisement and through its official website.

MODROBS: After an initial scrutiny at the Bureau level, the proposals are evaluated by a duly constituted expert committee. Based on the recommendations of the expert committee, the Council approves grant-in-aid under the scheme.

During the period 2006-07, the Council received 1314 proposals under Modernisation and Removal of Obsolescence (MODROBS) scheme. These proposals were evaluated as per the approved procedure by the expert committee duly constituted by the Council. Based on the recommendations of the expert committee, a total of 195 proposals were approved for financial assistance amounting to Rs.1606.95 Lakhs. During the financial year 2006-07, the Council has released Rs. 707.86% Lakhs under the MODROB scheme.

DISCIPLINE WISE PROJECTS SANCTIONED

(Rs. in Lakhs)

Discipline	No. of Cases	Amount
Architecture/Civil Engineering	31	187.66

STATE WISE DISTRIBUTION OF GRANT UNDER MODROBS

Fig. 5.4 State-wise distribution of proposals and amount under MODROBS Scheme during 2006-07

Research Promotion Scheme (RPS): After an initial scrutiny at the Bureau level, a preliminary evaluation of the proposals is made by expert committee and if recommended, the concerned Principal Investigator of the project is invited for presentation of the project proposal before an Expert Committee.

During the period 2006-07, the Council received 628 proposals under Research Promotion Scheme (RPS). These proposals were evaluated as per the approved procedure by the expert committee duly constituted by the Council. Based on the recommendations of the expert committee, a total of 211 proposals were approved for financial assistance amounting to Rs. 1786.01 Lakhs and an amount of Rs. 1376.26 lakhs was released.

The distribution of projects sanctioned during the year based on the subject area / discipline is shown in Fig.5.5. Region-wise distribution of projects sanctioned under the scheme of RPS during 2006-07 is given in Fig.5.6 Institution-wise distribution of projects and state-wise distribution of projects sanctioned are given in Fig.5.7 and Fig.5.8 respectively.

DISCIPLINE WISE PROJECTS SANCTIONED

(RS. IN LAKHS)

DISCIPLINE	RPS	AMOUNT

West Bengal	11	92.56
Total	211	1786.02

5.8 State-wise disbursement of projects under the RPS scheme during 2006-07.

On the recommendation that 'shared subscription' or 'consortia-based subscription', using electronic resources through consortia of library is a feasible strategy to increase the access of electronic resources, at a much lower cost. Ministry of Human Resource Development (MHRD) has set up a 'consortia-based subscription to electronic resources for technical education system in India'. This is known as the Indian National Digital Library in Engineering, Science and Technology (INDEST) Consortium. Under the INDEST Consortium, MHRD releases funds required for subscription to electronic resources to centrally funded institutions, e.g., IISc, IITs, NITs etc., and the AICTE supports the Government/Government-aided Institutions and Technical Universities/University Departments having programmes in engineering and technology. Under the Chairmanship of Director IIT, Delhi the Headquarters of INDEST Consortium is located at the IIT Delhi. Chief Librarian, IIT, Delhi is the National Coordinator. In 2006-2007 AICTE has given a grant of Rs. 10 crores to IIT, Delhi for the membership of 66 government/government aided engineering institutions in the scheme. INDEST Consortium was renamed as INDEST-AICTE Consortium last year to enable AICTE approved engineering institutions to avail the facility of subscription to e-resources through INDEST-AICTE Consortium on self-financing basis at considerable lower rates. The Hon'ble Chairman, AICTE was appointed Co-Chairman of the Consortium. An amount of Rs. 735.8 lakhs was released to IIT, Delhi to enable access to e-resources to AICTE approved institutions on self-financing basis.

CHAPTER 6 FACULTY DEVELOPMENT

6.1 AICTE- INAE (INDIAN NATIONAL ACADEMY OF ENGINEERING) DISTINGUISHED VISITING- PROFESSORSHIP SCHEME

AICTE- INAE Distinguished Visiting Professorship Scheme is jointly executed through AICTE - Indian National Academy Engineering (INAE). The scheme envisages promotion of Industry-Institute Interaction by facilitating the dissemination of knowledge through the expertise of experienced and knowledgeable person from industry to integrate rich industrial experience with technical education. The scheme has received very enthusiastic response from industry and engineering institutions over the years.

The AICTE-INAE Distinguished Visiting Professorship Scheme is being executed by INAE by way of signing an MoU between INAE and AICTE. During the financial year 2006-07, 14 Distinguished Visiting Professors were selected under the scheme. To run the scheme, AICTE sanctioned GIA to the extent of Rs.40,00,000/- to INAE during the financial year 2006-2007.

The Distinguished Visiting Professor contributes by delivering series of lectures on the state-of the art of the industry, industrial ambiance and problems etc. The Distinguished Visiting Professors also deliver 7-8 lectures per semester. A Distinguished Visiting Professors further help in the project work of the students by way identifying, guiding and evaluating the projects. The project guidance done is either at the host institution or at the industry under the supervision of Distinguished Visiting Professors and the local faculty. Further, the Distinguished Visiting Professors are also expected through their interaction with academic staff to act as a catalyst. Towards an integrated approach and in curriculum development.

6.2 QUALITY IMPROVEMENT PROGRAMME (QIP)

With the objective of upgrading the expertise, qualification and capabilities of the faculty members of degree level technical institutions, the Government of India launched the Quality Improvement Programme (QIP) in 1970, which is now being implemented and monitored by the Council. Since 2001, QIP has also been extended to approve polytechnic teachers. The major activities under QIP include:

(a) Master's and Doctoral Degree Programmes

Under this scheme, faculty members of AICTE approved institutions are given an opportunity to upgrade their qualifications. Certain selected institutions offer Master's and Doctoral Programmes to faculty members selected under these programmes. Participating faculty members are paid scholarships and contingency grant by the Council. During 2006-2007, under the engineering discipline, 197 faculty members were selected for PG course, and 180 were selected for Ph.D. Course. The list of Institutions operating the Quality Improvement Programme in Engineering disciplines is given in **Appendix 6.1**. A similar list for non-engineering disciplines is given in **Appendix 6.2**.

(b) Short Term Programme

In order to upgrade the knowledge and skills of teachers working in different institutions in the country, AICTE provides financial assistance for organizing short-term training programmes (STTP) in emerging areas of Engineering & Technology and other disciplines through ISTE and major QIP centres. During 2006-07, a total of 219 STTPs were sponsored by AICTE.

(c) Curriculum Development

The major QIP Centres are provided assistance to conduct workshops for curriculum development. This leads to Model Curriculum Development, which are used as base documents by many institutions.

During the year 2006-2007, under QIP- Non Plan, AICTE has sanctioned and released amount of Rs.8.29 Crore.

6.2.1 QUALITY IMPROVEMENT PROGRAMME (POLY)

For pursuing M.E./M.Tech programmes in various disciplines, AICTE has extended the QIP Scheme to polytechnic teachers under the scheme, QIP (poly). The objective of the Scheme is to strengthen the capacity and competence of the faculty of polytechnics. The aim is also to imbibe in them a culture of research and better teaching capabilities. In this scheme only sponsored teachers from AICTE approved polytechnics are eligible for admission to Master's Degree Programme.

Under QIP (Poly) Scheme, AICTE further provides opportunities to polytechnic teachers for Masters and Ph.D. programmes in some selected technical institutions in the country. Accordingly, AICTE, selected and recommended 53 and 60 polytechnic teachers for Ph.D. and Masters programmes during the financial year 2006-2007 in the selected premium leading institutions.

6.3 CAREER AWARDS FOR YOUNG TEACHERS

The purpose of the Scheme is to identify young talented teachers who have established competence in their area of specialization and promote their professional growth by enabling them to devote major component of their time in research and study. The award is for a period of three years and this period is to be devoted to work on a specified project with a teaching load of a minimum of six hours and a maximum of ten hours in parent institution.

During the year, 2006-2007, 25 Career Awardees were selected. Institution-wise, region-wise and discipline-wise distribution of these awards are given in the Tables 6.1 (a to c) and figures 6.1 (a to c) and Rs.115.00 lakh was sanctioned.

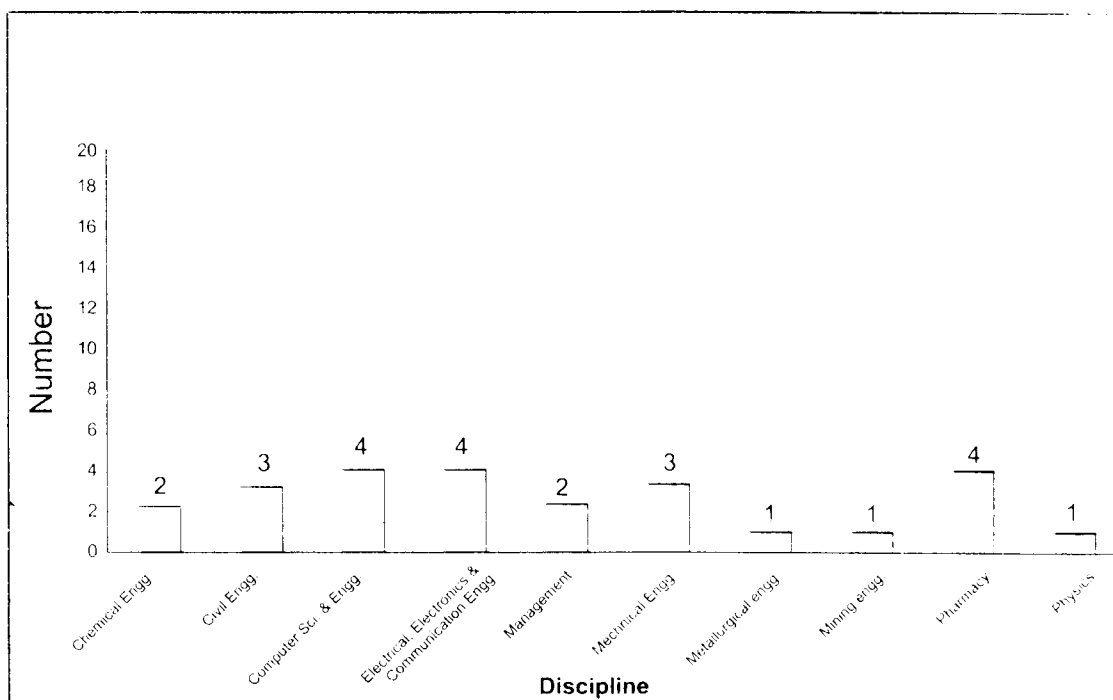

Fig. 6.1 (c) Number of Career Awardees (Discipline-wise)

Scheme of Emeritus Fellowship was launched during the year 1994-95. The main objective of the scheme is to avail the services of meritorious and experienced superannuated professors in technical institutions for institutional benefit of existing and new emerging institutes, in research and development etc.

During the year 2006-2007, 14 Emeritus Fellowships were awarded and an amount of Rs. 42.00 Lakhs was sanctioned and Rs. 41.75 Lakhs release towards honorarium and contingency expenses of these fellows. Institution-wise, regional and discipline-wise distribution are given in Table 6.2 (a to c) and Figures 6.2 (a to c).

CHAPTER 8 ACCREDITATION

8.1 ACCREDITATION OF TECHNICAL EDUCATION PROGRAMMES

The New Education Policy of 1986 had recognized the need for a statutory body at the national level responsible for overseeing the growth and quality of technical education in the country. Accordingly the All India Council for Technical Education (AICTE) was established by an Act of Parliament in 1987. As a part of its programme and activities, the National Board of Accreditation (NBA) was set up by the AICTE in September 1994, in order to assess the qualitative competence of educational institutions from the Diploma level to the Post-Graduate level in Engineering and Technology, Management including Hotel Management, Pharmacy, Architecture, Town Planning, Applied Arts and Crafts and related disciplines. NBA is also concerned with assessing and assuring the quality of the various constituent elements of these educational institutions, such as academic ambience, infrastructure, financial, physical & human resources, supporting systems like library resources, computational resources, and avenues to mould and develop student's personality and learning characteristics.

Accreditation is a process of quality assurance, whereby a programme in an AICTE approved institution is critically appraised at intervals not exceeding six years to verify that the institution or the programme meets the Norms and Standards prescribed by the NBA from time to time. Accreditation does not seek to replace the system of award of Degrees and Diplomas by the Universities and Boards of Technical Education. But, accreditation provides quality assurance that the academic aims and objectives of the institution are known to be honestly pursued and effectively achieved by the resources currently available, and that the institution has demonstrated capabilities to ensure effectiveness of the educational programme(s), over the validity period of accreditation. The NBA, presently, accredits Post Graduate / Degree / Diploma level programmes offered by an institution rather than the institution itself. A programme securing a score between 650-750 points on a thousand point scale is accredited for a period of 3 years whilst those achieving a score in excess of 750 are accredited for a period of 5 years. Programmes securing less than 650 points are Not Accredited. This is especially important for promoting a healthy competition for quality achievement among the different Degree / Diploma programmes of the same institution, as well as among similar programmes in different institutions. Thus, in a given institution, some programmes may be accredited for five years, while some other may be accredited for three years and some even denied accreditation. Till date (March 31, 2007), a total of 2041 programmes were accredited from 572 institutions. During 2006-2007, NBA had also completed expert committee visits for accreditation of 431 programmes from 123 institutions in various disciplines. During the period under report, two meetings of the National Board of Accreditation were held, i.e. 38th NBA Meeting held on July 20, 2006 and 39th NBA Meeting held on March 16, 2007.

State-wise list of accredited programmes of technical Institutions during 2006-07 and the functions of NBA are given in Appendix 8.1 and 8.2 respectively.

During 2006-07, several initiatives were taken to conduct various accreditation awareness programmes throughout the country and the following programmes were conducted in the following institutions against the date indicated:

Sl	Name of the Institute	Date
1.	SCMS, Kochi, Kerala	12.2006
2.	S.P. Jain Institute of Management, Mumbai, Maharashtra	01.2007
3.	Bannari Amman Institute of Technology, Sathyamangalam, Tamil Nadu	01.2007
4.	MICA, Ahmedabad, Gujarat	03.2007

CHAPTER 9 GENERAL ADMINISTRATION

9.1 PERSONNEL

9.1.1 Staff in-Position

Statement of sanctioned Group 'A' & 'B' posts and incumbents in position as on March 31, 2007.

3. To provide technology incubator facility in the early stages of commercialization of new technologies.

The areas where a national facility is to be set up must be clearly identified by an academic institution/ university in consultation with industry, keeping in mind its own strength with regard to availability of expert manpower and infrastructural facilities within the institution. The national facility should be planned to run on a corporate basis to be self-supporting from the resources generated from user organisation by providing testing, designing, training, fabrication and R&D services.

Academic institutions proposing to set up a National Facility are required to prepare a Detailed Project Report in consultation with the participating / partner industry / industries. AICTE facilitates this activity by sanctioning a one-time seed grant not exceeding Rs. 50,000/-.

The application for AICTE seed grant for preparation of DPR must include a brief write-up giving justification for setting up of the National Facility, suitability of the institutions to undertake the work and letters of intent from the partner industry/ industries. The financial contribution of partner/ participating industry/ industries for creating the facility must add up to a minimum of 50% of the estimated total cost (capital & recurring) of NAFETIC. The remaining 50% of the estimated total cost of NAFETIC is provided by AICTE on approval of the proposal. The facility is required to become self-supporting after a five-year transition period.

The participating industry/ industries will be entitled to avail various facilities/services established at NAFETIC on priority and at concessional rates of payment. The rate of payment may be based on a percentage discount on the financial contribution made towards capital cost of the national facility and/ or the profit share earned by NAFETIC at mutually agreed rates indicated in the approved MOU.

The upper limit of funding (from AICTE) through this scheme is Rs. 50 lakhs.

During the period 2006-07, the Council received 09 proposals under NAFETIC scheme. These proposals were evaluated as per the approved procedure by expert committee duly constituted by the Council. Based on the recommendations of the expert committee, following six institutions received a one-time seed grant amounting to Rs. 50,000/- each for the preparation of detailed project report in the year 2006-07.

S.N	Name of Chief Coordinator, Institution	Project Title
1.	Annamalai University, Annamalai Nagar, Tamil Nadu	Center for Advanced Materials Joining Research (CEADMAJOR)
2.	Bharati Vidyapeeth, College of Engineering, Pune, Maharsatra	NAFETIC Chemical Engineering
3.	JSS College of Pharmaceutical Sciences, Ooty, Tamil Nadu	Establishment of Pharmacokinetic Lab operations for Herbal drugs using the stage of art technology conforming GIP Regulations
4.	P S G College of Technology, Coimbatore, Tamil Nadu	Establishment of Technology Assessment, Development and Information Center at Tirupur for Processing Units Cluster
5.	Samrat Ashok Technological Institute, Vidisha, Tamil Nadu	Establishment of National Habitat Centre on Subsurface & Trenchless Technology
6.	Shanmugha Arts Science Technology and Research Academy, Thanjavur, Tamil Nadu	Mechatronics Centre
7.	University College of Pharmaceutical Sciences, Warangal, Andhra Pradesh	Influence of chirality on pharmacodynamics and pharmacokinetics of the drugs

7.3 ENTREPRENEURSHIP DEVELOPMENT CELL (EDC)

This Scheme is launched with a view to encourage students in AICTE approved Polytechnics and Degree Technical institutions to consider self-employment as a career option, provide training in entrepreneurship through modular courses and increase the relevance of management particularly in the non-corporate and under-managed sectors.

The objectives of the Scheme are as follows:

1. To create an environment for self-employment and entrepreneurship development through formal and non-formal programmes.
2. To introduce the concept of entrepreneurship in curricula at diploma and degree levels.
3. To develop management personnel at appropriate levels for the non-corporate and un-organised sectors like education, rural development, small-scale industry etc.
4. To utilize the infrastructure facilities and technically trained manpower for development of non-corporate and unorganized sectors.
5. To promote employment opportunities.

With a view to fulfill the above needs, Entrepreneurship Development Cells have been established by AICTE in various institutions and universities. The activities that are visualized at the EDCs include Entrepreneurship Development / Awareness Programmes, Continuing Education, Skill Development Programmes, Quality Assurance, Support Facility for Entrepreneurship as a career option, Curricula Input on establishment of an enterprise & its management, Solutions for small business management & entrepreneurs and training & retraining of entrepreneurs.

During the period 2006-07, the Council received 85 proposals under EDC scheme. These proposals were evaluated as per the approved procedure by expert committee duly constituted by the Council. Based on the recommendations of the expert committee, 17 new Entrepreneurship Development Cells were set up and amount of Rs. 162.00 lakhs were released under the EDC scheme. The list of new Entrepreneurship Development Cells set up during 2006-07 is placed at Appendix 7.2.

Fig. 6.7 Number of Financial Assistance to Professional Bodies/Societies (Discipline-wise)

CHAPTER 7 INDUSTRY-INSTITUTE INTERACTION

7.1 SCHEME OF INDUSTRY INSTITUTE PARTNERSHIP CELL (IIPC)

The scheme of Industry Institute Partnership Cell (IIPC) is operated by the Council to promote Industry Institute Interaction, that is, between technical institutions and industries. The main objective of this scheme is to establish Institute-Industry Partnership Cells in AICTE approved technical institutes/technical departments of Universities, which will act as liaison centers between industries and various departments of the institutes for mutually beneficial activities. To start with in the first year, the Council provides financial assistance up to a maximum of Rs.5 lakhs as one time non-recurring grant and Rs.5 lakhs as recurring grant to create Industry Institute Partnership Cells in selected technical institutes. It is envisaged that after 3-5 years these Cells will be self-supporting.

The major objectives of IIPC scheme:

- Maintenance, coordination and promotion of consultancy services.
- Establishment of proper links, coordination with departments, agencies and taking necessary action for promotion of consultancy services.
- Encourage internship programme/student's fellowship programmes.
- Organize Industry Study Tour Programmes (ISTP) and liaison with concerned industries /industrialists.
- Signing of MOU on behalf of the Institution.
- Generate funds from industry/other agencies for maintenance and development of the cell.
- Assist Industries in obtaining tax incentives from GOI by supporting R&D programmes in the Institution.
- Maintain and distribute funds obtained from consultancy services, assist weak departments in the institutes/universities from the funds generated through consultancy for strengthening of the University/Institute/Department.
- Invite experts from industry to participate in curriculum development and training from time to time in consultation with the Department/Institute/University.

The Council has setup an advisory board namely Board of Industry Institute Interaction (BOIII) with an objective to support the Council in effective implementation of IIPC scheme. The Board consists of eminent scientists, engineers, technologists, academicians and industrialists.

During the period 2006-07, the Council received 67 proposals under IIPC scheme. These proposals were evaluated as per the approved procedure by expert committee duly constituted by the Council. Based on the recommendations of the expert committee, the Council has provided financial assistance to establish 15 new cells amounting to Rs.193.50 lakhs. The list of the new IIP Cells set up during 2006-07 under IIPC scheme is placed in **Appendix 7.1**.

7.2 NATIONAL FACILITIES IN ENGINEERING AND TECHNOLOGY WITH INDUSTRIAL COLLABORATION (NAFETIC)

This scheme is aimed at establishment of national facilities in the frontier areas of engineering and technology in collaboration with industry.

The National facilities are expected to provide state-of-the-art experimental and theoretical support to researchers pursuing R&D in the specific area of research. At least 50-60% of the operating time is to be made available to researchers from other Institutions.

Some of the representative activities of the proposed National facility are:

1. To provide sophisticated testing, instrumentation & design facilities to industry in specialized / emerging areas of engineering & technology.
2. To provide necessary expertise & know-how for undertaking R&D projects on a turnkey basis in emerging inter-

6.9 VISITING PROFESSORSHIP

The main objective of this scheme is to supplement and provide expertise to teaching and research in those areas in which the host institution does not have expertise. The maximum tenure of a Visiting Professor from within the country is one year, the minimum being less than 3 months. In case of Visiting Professors from outside the country, the duration varies between two weeks to three months. A Visiting Professor from within the country is entitled to a lump sum monthly payment equivalent to 50% of the maximum basic pay of a Professor in AICTE approved pay scales for technical.

6.10 FINANCIAL ASSISTANCE TO PROFESSIONAL BODIES/SOCIETIES

The Scheme intends to provide limited non-recurring financial assistance to selected technical professional bodies/societies to enable them to meet expenses towards promotion and development of technical education in their respective professions through various promotional work provided in their by-laws. The scheme aims at encouraging the activities of professional bodies/societies for the benefit of its members and society at large.

Proposals received from professional bodies/societies were placed before an Expert Committee, which recommended a total financial assistance of Rs.68.49 lakhs to 23 professional bodies/societies. The list is placed at **Appendix 6.5**.

The discipline-wise distribution of the proposals approved during 2006-07 are given in Table 6.7 and figure 6.7.

6.8 NATIONAL DOCTORAL FELLOWSHIP

The scheme of National Doctoral Fellowship was launched during the year 2003-04. The main objective of the scheme is to attract highly qualified and motivated candidates to pursue doctoral degree and offer themselves for teaching positions in technical education system. The scheme also provides research support to bright young candidates for pursuing exciting and innovative research in the field of technical education. Under the National Doctoral Fellowship (NDF) Scheme 50 Doctoral Fellowships are offered every year to selected candidates in emerging areas / discipline of Technical Education by AICTE to pursue Doctoral programme.

The details of financial grants under the scheme are as under:

- Scholarship @ Rs. 12,000/- per month per candidate.
- Contingency grant of Rs. 25,000/- per annum per candidate.
- Overhead charges of Rs. 20,000/- per annum per candidate to the host institution i.e., institution where the candidate is pursuing Ph.D. / Doctoral Programme.

During the year, the Fellowships were offered to 50 selected new candidates and Rs. 94.50 Lakhs was released to various institutions under the NDF scheme. The institution-wise and discipline-wise distributions of these are given in Table 6.6 (a to b) and Figures 6.6 (a to b). The names of candidates to whom NDF was awarded during the year 2006-2007 is given in **Appendix - 6.4**

6.7 STAFF DEVELOPMENT PROGRAMME

The Scheme is intended to provide opportunities for young teachers employed in AICTE approved technical education institutions for their induction-training and upgradation of their knowledge and skills towards effective teaching and delivery of knowledge to the students. The programme is proposed to cover areas such as Technology Policy, Industrial Policy, new concepts to keep pace with the changing technology, educational technology, communication skills etc.

During the year, 2006-2007, 232 proposals for conducting Induction Training Programme were approved for an amount of Rs. 148.88 lakhs was released under the scheme. The discipline wise distribution of the Staff Development Programmes is given in Table 6.5 (a to b) & Figure 6.5 (a to b).

6.6. TRAVEL GRANT

The Scheme of Travel Grant extends financial assistance to enable teachers from AICTE approved technical institutions for interaction at international level in Conferences/Seminars/ Symposia etc. The assistance provided on reimbursement basis, is in the form of a Travel Grant up to a maximum of 50 percent of the total expenses incurred towards airfare, registration fee and per diem allowance. The Council encourages young male teachers below the age of 35 and women teachers below the age of 35 to attend conferences/workshops by reimbursing the total cost towards travel, per-diem allowance and registration expenses.

During the year, 2006-2007, 164 faculty members of different Technical Institutions were offered financial support to attend international workshops/conferences/symposium to the tune of Rs.96.23 lakhs and an amount of Rs. 61.65 lakhs was released to various grantees under the Travel Grant scheme. The institution-wise, region-wise and discipline-wise distributions of these are given in **Table 6.4 (a to c)** and **Figures 6.4 (a to c)**.

SEMINAR GRANT

The Scheme of Seminar Grant is designed to promote high standards in technical education by extending opportunities to academicians and working professionals by providing a forum for sharing their knowledge, experiences, innovations and inventions. The scheme provides financial assistance to AICTE approved institutions for organizing Symposia/Conferences/Seminars/Workshops at national and international levels in various fields of technical education.

During the year, 322 seminars were offered and supported to different technical institutions in the country. The institution-wise, region-wise and discipline-wise distribution of these are given in Table 6.3 (a to c) and Figures 6.3 (a- c). During the year, 2006-2007, an amount of Rs.122.88 lakhs was sanctioned to various institutions under the Seminar Grant Scheme.

Total	Rs. 63,000/-	Rs. 37,000/-

In accordance with the instructions of the Department of Official Language (Ministry of Home Affairs), Ministry of Human Resources Development and in compliance with the Official Language Policy of the Union Government, Hindi Fortnight was organized in the Council HQs, New Delhi from September 14, 2006 to September 28, 2006.

The following Hindi Competitions held during the fortnight:

1. Hindi Noting/Drafting Competition
2. Hindi Sulekh Competition
3. Hindi Essay Competition
4. Hindi Bhashan Competition
5. Hindi Vocabulary Competition
6. Hindi Antyakshari Competition
7. Hindi Poem/Song Competition
8. Hindi Quiz

In all 183 officials participated in these competitions and 49 won cash prizes.

Prof. Ramjanam Sharma, Head of the Dept. of Languages, NCERT was invited as the Chief Guest. On this occasion he praised the efforts of AICTE in motivating the technicians and academicians working in the field of Technical Education and providing the technical text book in Hindi.

Prof. Damodar Archarya, Hon'ble Chairman, AICTE honoured the winners of these competitions with cash prizes and certificates of merit in a function held on 28th September, 2006. He expressed satisfaction over the progress of Hindi in AICTE and called on the senior officers to ensure the compliance of the statutory provisions of Official Language Act, 1963.

Under the 'Varshik Protsahan Yojna Scheme', the staff of AICTE is honoured with the cash prizes and certificates of merit for doing their maximum official work in Hindi during one year. The aim of this scheme is to encourage the staff to make maximum use of Hindi in their official work so that compliance of various provisions of the Official Language Act could be ensured. Nine officials were honoured under this scheme for the year 2005-2006.

9.3 COLLECTION, DOCUMENTATION AND DISSEMINATION OF INFORMATION

Library is engaged in identification, collection and documentation of information on various subjects related to Technical Education, Higher Education, Govt. Policies etc.

The Library continued to collect and update information on various subjects related to Technical Education, Higher Education, Govt. Policies etc. The Library also provided documentation support services to the various Bureaus in organizing programmes. The Library offered various other services viz. Online Public Access Catalogue (OPAC), Web OPAC, loan of books, periodicals to the staff of the Council and to scholars from academic and professional institutions in India.

During the year 2006-2007, the Library collected about 184 unpublished and published documents, added 793 books to the library and subscribed to 34 journals/magazines and 17 newspapers.

CHAPTER 10 FINANCE

10.1 ALLOCATION

10.1.1 Plan Allocation

The Grants released by Ministry of Human Resource Development (MHRD) during the Financial Year 2006-2007 was Rs. 9135.92 lakhs for AICTE Schemes. The AICTE also received grants to the tune of Rs. 14923.00 lakhs for NITs. An amount of Rs. 442.59 lakhs was the unspent balance of the previous year and the miscellaneous receipts during the Financial Year 2006-07 amounted to Rs. 1001.97 lakhs.

10.1.2 Non-Plan Allocation

An amount of Rs. Nil was received from the MHRD as Non-Plan Grants during the Financial Year 2006-2007 for AICTE Schemes. The AICTE also received grants to the tune of Rs. 22182.00 lakhs for NITs. There was Rs.2798.32 lakhs as unspent balance of the previous Financial Year (2005-2006) and miscellaneous receipts amounted to Rs. 3411.71 lakhs during the Financial Year 2006-2007.

POWERS AND FUNCTIONS OF THE COUNCIL

(Extracted from AICTE Act, 1987)

It shall be the duty of the Council to take all such steps as it may think fit for ensuring coordinated and integrated development of technical and management education and maintenance of standards and for the purposes of performing its functions under AICTE Act, the Council may:

- (a) undertake survey in the various fields of technical education, collect data on all related matters and make forecast of the needed growth and development in technical education;
- (b) coordinate the development of technical education in the country at all levels;
- (c) allocate and disburse out of the Fund of the Council such grants, on such terms and conditions as it may think fit to;
 - i) Technical institutions, and
 - ii) Universities imparting technical education in coordination with the Commission;
- (d) promote innovations, research and development in established and new technologies, generation, adoption and adaptation of new technologies to meet developmental requirements and for over-all improvement of educational processes;
- (e) formulate schemes for promoting technical education for women, handicapped and weaker sections of the society;
- (f) promote an effective link between technical education system and other relevant systems including research community;
- (g) evolve suitable performance appraisal systems for Technical Institutions and Universities imparting technical education, incorporating norms and mechanisms for enforcing accountability;
- (h) formulate schemes for the initial and in service training of teachers and identify institutions or centres and set up new centres for offering staff development programmes including continuing education of teachers;
- (i) lay down norms and standards for courses, curricula, physical and instructional facilities, staff pattern, staff qualifications, quality instructions, assessment and examinations;
- (j) fix norms and guidelines for charging tuition and other fees;
- (k) grant approval for starting new technical institutions and for introduction of new courses or programmes in consultation with the agencies concerned;
- (l) advise the Central Government in respect of grant of charter to any professional body or institution in the field of technical education conferring powers, rights and privileges on it for the promotion of such profession in its field including conduct of examinations and awarding of membership certificates;
- (m) lay down norms for granting autonomy to technical institutions;
- (n) take all necessary steps to prevent commercialisation of technical education;

- (o) provide guidelines for admission of students to Technical Institutions and Universities imparting technical education;
- (p) inspect or cause to inspect any Technical Institution;
- (q) withhold or discontinue grants in respect of courses, programmes to such technical institutions which fail to comply with the directions given by the Council within the stipulated period of time and take such other steps as may be necessary for ensuring compliance of the directions of the Council;
- (r) take steps to strengthen the existing organisations, and to set up new organisations to ensure effective discharge of the Council's responsibilities and to create positions of professional, technical and supporting staff based on requirements;
- (s) declare technical institutions at various levels and types offering courses in technical education fit to receive grants;
- (t) advise the Commission for declaring any institution imparting technical education as a Deemed University;
- (u) set up a National Board of Accreditation to periodically conduct evaluation of technical institutions or programmes on the basis of guidelines, norms and standards specified by it and to make recommendations to it, or to the Council, or to the Commission or to other bodies, regarding recognition or de-recognition of the institution or the programme; and
- (v) perform such other functions as may be prescribed.

APPENDIX 6.1

LIST OF DIP CENTRES IN ENGINEERING

- | | |
|--|---|
| 1. Indian Institute of Technology
Roorkee - 247 667, (Uttaranchal) | 14. National Institute of Technology
Warangal - 506 004, (Andhra Pradesh) |
| 2. Indian Institute of Technology
New Delhi - 110 016 | 15. Jadavpur University
Kolkata - 700 032, (West Bengal) |
| 3. Indian Institute of Technology
Kanpur - 208 016, (Uttar Pradesh) | 16. Visvesvaraya National Institute of Technology
Nagpur - 440 011, (Maharashtra) |
| 4. Indian Institute of Sciences
Bangalore - 560 056, (Karnataka) | 17. University Visvesvarya College of Engg.,
Bangalore University, Bangalore - 560 056,
(Karnataka) |
| 5. Indian Institute of Technology
Mumbai - 400 076, (Maharashtra) | 18. National Institute of Technology
Calicut - 673 601, (Kerala) |
| 6. Indian Institute of Technology
Kharagpur - 721 302, (West Bengal) | 19. National Institute of Technology
Rourkela - 769 008, (Orissa) |
| 7. Indian Institute of Technology
Chennai - 600 036, (Tamilnadu) | 20. Indian School of Mines
Dhanbad - 826 004, (Jharkhand) |
| 8. Indian Institute of Technology
Guwahati, (Assam) | 21. Anna University
Chennai - 600 025, (Tamilnadu) |
| 9. Shri. G.S. Institute of Science & Technology
Indore - 452 003, (Madhya Pradesh) | 22. Karnataka National Institute of Technology
Surathkal, Srinivasnagar - 574 157, (Karnataka) |
| 10. Bengal Engineering College
Howrah - 711 103, (West Bengal) | 23. Dept. of Electrical & Electronic Engineering
Regional Engineering College,
Tiruchirappalli - 620 015, (Tamilnadu) |
| 11. Motilal Nehru National Institute of Technology
Aliahabad - 211 004, (Uttar Pradesh) | 24. Institute of Technology
Banaras Hindu University, Varanasi - 221 005
(Uttar Pradesh) |
| 12. S.J. College of Engineering
Mysore - 570 006, (Karnataka) | 25. Institute of Engineering & Rural Technology
Allahabad - 211 002, (Uttar Pradesh) |
| 13. PSG College of Technology
Peelamedu, Coimbatore - 641 004, (TN) | 26. National Inst. of Industrial Engineering (NITIE),
Mumbai - 400 087, (Maharashtra) |

**LIST OF QIP CENTRES IN DISCIPLINES OTHER THAN ENGINEERING****PHARMACY**

1. University College of Pharma. Science
Kakatiya University , Warangal-506 009.
2. J.S.S. College of Technology
Ootacamund - 643 001.
3. College of Pharmacy
University of Delhi , New Delhi - 110 017.
4. Dept. of Pharm. Sciences
Jadavpur University , Kolkata- 700 032.
5. KLE Society's College of Technology
Belguam- 590 010.
6. Dept. of Pharmaceutical Sciences
Dr. H.S. Sagar University , Sagar
7. M.S. University Vadodara
Baroda, Gujarat
8. Manipal College of Pharmaceutical Sciences
Manipal, Karnataka
9. Bhartiya Vidyapeeth's College of Pharmacy
Erandwane, Sec. -8, CBD, Navi Mumbai,

ARCHITECTURE & TOWN PLANNING

1. School of Planning & Architecture
New Delhi - 110 002.
2. School of Planning & Architecture
J.N.T.U, Hyderabad- 500 028.
3. School of Architecture & Planning
Anna University , Chennai - 600 025.

APPLIED ARTS & CRAFTS

1. Sir J.J. Institute of Applied Arts

Dept. of Computer Science
Pune University, Pune

2. Bengal Engineering College
Howrah-711 103.

3. Ramanujan Computer Center
Anna University , Chennai

1. Inst. of Hotel Management Catering & Applied Nutrition
Bangalore- 560 001.

1. Management Development Institute
Mehrauli Road, Gurgaon- 122 001.

2. Indian Institute of Management
Lucknow- 226 013.

3. T.A. Pai Management Institute
Manipal- 576 119.

4. Faculty of Management Sciences
Banaras Hindu University , Varanasi- 221 005.

5. Narsee Monjee Institute of Management Studies
Vile Parle (west), Mumbai - 400 058.

LIST OF QIP (POLY) CENTRES

1. Jadavpur University
Kolkata- 700 032, (West Bengal)
2. Motilal Nehru National Institute of Technology
Allahabad -211 004, (Uttar Pradesh)
3. M.B. M. Engineering College
Jodhpur -302 001, (Rajasthan)
4. Motilal Nehru National Institute of Technology
Jaipur -302 017., (Rajasthan)
5. National Institute of Technology
Calicut- 673 601, (Kerala)
6. National Institute of Technology
Durgapur -713 209, (West Bengal)
7. Karnataka National Institute of Technology
Surathkal -574 157, (Karnataka)
8. National Institute of Technology
Trichi -620 015, (Tamilnadu)
9. National Institute of Technical Teachers' Training & Research
Chandigarh -160 019, Punjab
10. Indian Institute of Information Technology & Management
Gwalior, Madhya Pradesh

**GRANTS AWARDED UNDER NATIONAL DOCTORAL FELLOWSHIP (NDF)
DURING 2006-2007**

S.No.	Name of Candidate/ Institute Name & Address	S.No.	Name of Candidate/ Institute Name & Address

22.	The Institution of Surveyors, New Delhi (Delhi)
23.	Waterfalls Institute of Tech. Transfer, New Delhi (Delhi)

**LIST OF NEW INDUSTRY INSTITUTE PARTNERSHIP CELLS
SET UP DURING THE YEAR 2006-2007**

S.NO.	NAME OF THE INSTITUTION
1	Model Institute of Engineering and Technology, Jammu, J&K
2	Nbkr Institute of Science and Technology, Nellore, Andhra Pradesh
3	Poojya Doddappa Appa College of Engineering, Gulbarga, Karnataka
4	Mohamed Sathak Polytechnic College, Kilakarai, Tamilnadu
5	Central Institute of Plastics Engineering And Technology (CIPET), Bhubaneswar, Orissa
6	Institute of Engineering & Technology, Alwar, Rajasthan
7	K J Somaiya Polytechnic, Mumbai, Maharashtra
8	Yeshwantrao Chavan Collge of Engineering, Nagpur, Maharashtra
9	Psg Polytechnic College, Coimbatore, Tamilnadu
10	Xavier Institute of Management & Entrepreneurship, Bangalore, Karnataka
11	Chaitanya Bharathi Institute of Technology, Hyderabad, Andhra Pradesh
12	JSS Polytechnic for Women, Mysore, Karnataka
13	Institute of Professional Education & Research, Bhopal, Madhya Pradesh
14	Textile & Engineering Institute, Ichalkaranji, Maharashtra
15	Velammal Engineering College, Chennai, Tamilnadu

APPENDIX 7.2

1. Bapuji Polytechnic Shabanur,
Davangere, Karnataka
2. Basaveshwar Engineering College,
Bagalkot, Karnataka
3. D Y Patil College of Engineering,
Pune, Maharashtra
4. Dr MGR Educational and Research Institute (Deemed University),
Chennai, Tamilnadu
5. Faculty of Management Studies, Banaras Hindu University,
Varanasi, Uttar Pradesh
6. Government Mahila Polytechnic College,
Jaipur, Rajasthan
7. Govt. Polytechnic for Women,, Sirsa,
Haryana
8. Haldia Institute of Technology,
Haldia, West Bengal
9. Indian Institute of Tourism and Travel Management,
Gwalior,, Madhya Pradesh
10. Institute of Technology,
Bilaspur,, Chattisgarh
11. International Institute of Information Technology,
Hyderabad, Andhra Pradesh
12. JSS College of Pharmacy,
Ooty, Tamilnadu
13. Priyadarshini College of Engineering & Architecture,
Napur, Maharashtra
14. Rajiv Gandhi Polytechnic,
Itanangar,, Arunachal Pradesh
15. S K D A V Polytechnic for Women,
Rourkela, Orissa
16. Sri Krishna College of Engineering and Technology,
Coimbatore, Tamilnadu
17. Thapar Institute of Engineering & Technology (Deemed University),
Patiala, Punjab

APPENDIX 8.2

To make recommendations with regard to issues of quality assurance and quality management in technical education in India.

To prescribe guidelines, norms and standards for the purpose of accreditation of technical education programmes / institutions.

To advise the Executive Committee/Council regarding de-recognition of an institution or a programme based on the evaluation conducted as per the prescribed procedure for the purpose.

To advise and assist the Executive Committee/Council on policies and parameters pertaining to the accreditation process.

To advise the Executive Committee/Council on formulation of schemes for Promotion of Qualitative Improvements in Technical Education.

To carry out any other function assigned by the Executive Committee/Council.

PRINCIPAL ACCOUNTING POLICIES**1. Accounts**

- a) Separate accounts are maintained by the council in respect of Plan and Non-Plan activities.
- b) Except in case of Grants-in-aid, (accounted for on cash basis), the Council adopts Hybrid System of Accounting.

2. Grants-in-aid

Grants are recognized on receipts basis & taken to credit of Income & Expenditure account except to the extent of expenditure of capital nature incurred (which amount is credited directly to the capital fund). Any Non monetary grant received free is reflected at nominal amount of Rs.1/-.

3. Fixed Assets & Depreciations

- a) Fixed Assets are carried in the books at cost. In view of the fact that making/determination of profit is not the motive behind the activities of the Council, no adjustment is made on account of Depreciation.
- b) On periodical, physical verification, the obsolete and non-usable assets are identified and cost thereof written off by debit to the Capital Fund account.
- c) Receipts, if any, on the sale of these assets taken as income under the Head "Misc. Receipts."

4. Specific Expenses/Payments:**a) Printing & stationery**

The amount spent for printing of publication, is treated as expenditure as and when incurred. No adjustments are made in accounts for the closing stocks as the value is not determinable.

b) Telephone Deposit

Deposit for telephone and allied facilities is written off during the year of installation/commissioning and charges/expenditure bills are accounted for at the net value after adjustment, if any, for initial deposit, by the concerned department.

5. Interest on CPF Deposits / Investments is Accounted from cash basis.**6. Employees Salaries/Benefits**

- i) Central Government Employees service rules are by & large, made applicable to the employees of the council.
- ii) Retirement benefits are accounted for on cash basis, as per system prevailing in case of Central Government Employees.
- iii) The Council maintains a separate notified Provident Fund Account for its employees.

NOTES TO THE ACCOUNTS

1. Grants received from Government, based on budget approved by the Parliament, constitute main source of receipts/ income of the Council. Though the grants received (after the adjustment of expenditure of capital nature) are taken to income and expenditure account, the effective income of the Council is nil in the light of restriction that without sanction of Government, the unspent balance of Grants can not be carried over from one financial year to another. Thus this does not attract any Income Tax liability.
2. Surplus funds under Plan and Non-Plan had are kept temporarily with schedule Bank in special flexible saving cum fixed deposit account with higher net interest earning. No restriction exists on utilization of amount at any point of time.
3. Expenditure on Establishment, Printing & Stationery and Telephone Deposits, have been given the accounting treatment as per accounting policy.
4. The cost of publication as on 31-03-2006 and 31-03-2007 was Rs. 36,71,800/- and Rs. 22,74,400/-.
5. An amount of Rs. NIL has been invested in Govt. Securities as per pattern fixed by the Government.
6. Under Plan Account Rs. 145.40 Crores (Previous Year Rs. 123.65 Crores) being balance at the close of the year in RPGF Account is in the nature of security deposit received from different Institutions and refundable to them after a specified period. The balance under RPGF during the preceding year was inadvertently reflected under cash and bank balance which has been rectified during the year. Interest Income under corresponding deposit/investment constitutes income of the concerned institutions and not of AICTE. The same is remitted directly to the concerned by the bank.
7. Rs. 3.77 Crores standing to the credit of penalty fund account as on 31st March, 2006 represents cumulative balance of penalty levied and received from different institutions for some defaults. The receipt being of revenue nature has been credited to this year income under the plan account.
8. Under Non Plan account an amount of Rs. 41,40,439.54 being overstated accrued interest on TDRs as on 31st March 2006 has been adjusted to Copus Fund during the year.
9. Under CPF account an amount of Rs. 18,47,614/- being overstated accrued interest on TDRs has been adjusted to Corpus Fund during the year.
10. An amount of Rs. 3,85,600/- in respect of Capital Expenditure of RO's inadvertently booked as revenue expenditure in the year 2005-2006 has been rectified by making appropriate adjustment in assets account & corpus fund/Grant in Aid account.
11. An account of Rs. 825419/- being the proceeding year difference in CPF Corpus Fund and corresponding total balance in CPF Members account has been transferred to Non Plan Corpus Fund from CPF Corpus Fund.
12. During the year ending 31st March 2006 adjustment was not made in CPF Bank account / CPF Copus Fund in respect of remittance of Rs. 615394.54 made to Non Plan Account. Necessary adjustment has been made in CPF opening balances during the current year.
13. Advances made and shown as recoverable are adjusted to final head of account/recovered on receipt of final bill/ receipt from the concern party/department.

SECTION - C

AUDIT REPORT

2006-07

AUDIT REPORT ON THE ACCOUNT OF ALL INDIA COUNCIL FOR TECHNICAL EDUCATION FOR THE YEAR 2006-2007

1. Introductory

All India Council for Technical Education (AICTE) was established in May 1988 as a corporate body under section 3(i) of the AICTE Act, 1987 for planning and co-ordinated development of the technical education system in the country, promotion of qualitative improvement of such education in relation to the planned quantitative growth, regulation and proper maintenance of norms and standards in the technical education system and related matters. All India Council for Technical Education has seven Regional Offices located at Kolkata, Kanpur, Bhopal, Bangalore, Chennai, Mumbai and Chandigarh. The annual accounts of all Regional Offices are consolidated at headquarters.

The audit of the accounts of the All India Council for Technical Education is conducted under Section 19(2) of the Comptroller and Auditor General's (Duties, Powers and Conditions of Services) Act, 1971 read with Section 19 of the AICTE Act, 1987.

The All India Council for Technical Education is mainly financed by grants from the Ministry of Human Resources Development, Department of Secondary and Higher Education. During the year 2006-07, it received grants of Rs. 240.59 crore under plan and Rs. 221.82 crore under non-plan. It has own income of Rs. 39.13 crore. Out of the total funds available, the council could utilize Rs. 497.07 crore (Plan: Rs. 244.55 crore and Non-plan: Rs. 252.52 crore).

Comments on Accounts

2. General

- 2.1 All items except interest on Bank Fixed Deposits in the Annual Accounts have been accounted on cash basis instead of on accrual basis.
 - 2.2 Provision for gratuity and leave encashment has not been made.
 - 2.3 Depreciation on fixed assets has not been charged.
 - 2.4 The Council has not adopted the common format of accounts introduced vide Ministry of Finance, Controller General of Accounts O. M. No. F. No. 10 (1)/Misc./2005/TA/450-490 dated 23.7.2006.

Director General of Audit,
Central Revenues

**AUDIT CERTIFICATE**

I have audited the attached Balance Sheet of All India Council for Technical Education, New Delhi as on 31 March 2007 and the Income and Expenditure Account and Receipts and Payment Accounts for the year ended 31 March 2007. These financial statements include the accounts of seven regional offices. Preparation of these financial statements is the responsibility of the Council's management. My responsibility is to express an opinion on these financial statements based on my audit.

I have conducted my audit in accordance with the applicable rules and the auditing standards generally accepted in India. These standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. I believe that my audit provides a reasonable basis for my opinion.

Based on our audit, I report that:

1. I have obtained all the information and explanations, which to the best of our Knowledge and belief were necessary for the purpose of our audit.
2. Subject to the observation given in the Audit Report annexed herewith, I report that the Balance Sheet, the Income and Expenditure Account and Receipts and Payments Account dealt with by this report are properly drawn up and are in agreement with the books of accounts.
3. In my opinion and to the best of my information and according to the explanations given to me:
 - (i) The accounts give the information required under the prescribed format of accounts.
 - (ii) The said Balance Sheet, Income and Expenditure Account and Receipts and Payment Account read together with the Accounting Policies and Notes thereon, and subject to the matters mentioned in the Audit Report annexed herewith, give a true and fair view.
 - a) In so far as it relates to the Balance Sheet of the State of affairs of the All India Council for Technical Education New Delhi as at 31 March 2007 and
 - b) In so far as it relates to the Income and Expenditure Account of the surplus for the year ended 31st March 2007.
