

Report

on

Fifth Economic Census,
2005

Volume II

**Directorate of Economics & Statistics,
Department of Planning & Development,
Government of Bihar**

PREFACE

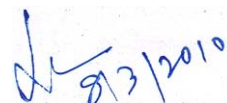

It gives me great pleasure in bringing out the Report on Fifth Economic Census, 2005 for the state of Bihar.

The Fifth Economic Census was conducted in 2005 by the Central Statistical Organization, Government of India in collaboration with the Directorate of Economics and Statistics, Bihar with a view to meet the demand of various users for data on the unorganized sectors of the economy and the nature of large number of small units which are subject to high rate of mobility and mortality. Under this census a complete enumeration of entrepreneurial activities other than crop production and plantation was carried out. The present report gives detailed analysis supported by tables on various aspects of economic activities at the district level and for rural/urban areas, to fulfill the needs of a range of data users both in the academic and administrative fields.

I would like to put on record my appreciation for the encouragement and guidance provided by the Central Statistical Organization, Government of India and their officers, who provided technical guidance and software support in carrying out the herculean task of conducting this census. My sincere thanks are due to the Chief Secretary and the Development Commissioner, for their leadership and guidance at various stages of the census work. The active participation of Divisional Commissioners/ Collectors during conduct of the census is worth appreciation, and without which this census would not have taken place successfully. I would also like to place on record my appreciation of hard work put in by the District Statistical Officers/Assistant Economic Census Commissioners/ Charge Officers/ Supervisors/ Enumerators who were instrumental in successful conduct of this census.

My sincere thanks are due to the Officers and Staff of the Directorate of Economics and Statistics, Bihar who teamed together to successfully plan and conduct the census and bring out the Report.

It is hoped that results contained in this report would be useful to the Planners, Policy makers, Researchers and others who have active interest in the developmental activities of Bihar.

(Rameshwar Singh)
Principal Secretary

-cum-

Economic Census Commissioner
Planning and Development Department
Bihar

Acknowledgement

The Directorate of Economics and Statistics being the nodal agency of the State Government for all statistical activities in the state assumed the responsibility of organizing and conducting the Fifth Economic Census in Bihar when the Government of India decided to spread it through out the nation. It was indeed a big responsibility, which had to be shouldered by Officers and Staffs of the Directorate with active participation of field level functionaries of the various Departments of the State Government.

I would like to thank all the Officers and Staffs of the State Government for their involvement leading to completion of the fieldwork in time. This led Bihar to transmit Quick Tabulation Tables within the timeframe stipulated by the Government of India. I would also like to extend sincere thanks to the Director of Census Operations, Bihar who arranged scanning of all the Schedules by a high speed scanner at DPD, Ashok Rajpath, Patna and generated relevant Tables.

The Report was prepared by Sri Ashok Kumar Thakur, Joint Director, Sri Vijay Shankar, Deputy Director and Sri Bishwaranjan Bhattacharya, then Assistant Director with the help of staffs of the Economic Census & Computer Section of the Directorate. My sincere thanks are due to all those who have contributed in various ways in completing this gigantic task.

Suggestions for improvement in further such tasks will be accepted.

(Jitendra Kumar Sinha)
Joint Director & Head
Directorate of Economics & Statistics
Bihar, Patna

Summary of Results

The Fifth Economic Census 2005 was conducted in the State during August-September 2005 to get reliable data on various characteristics of Agricultural (other than Crop Production & Plantation) and Non-Agricultural Establishments including employment therein.

Salient features of the result obtained from the Economic Census are as hereunder :

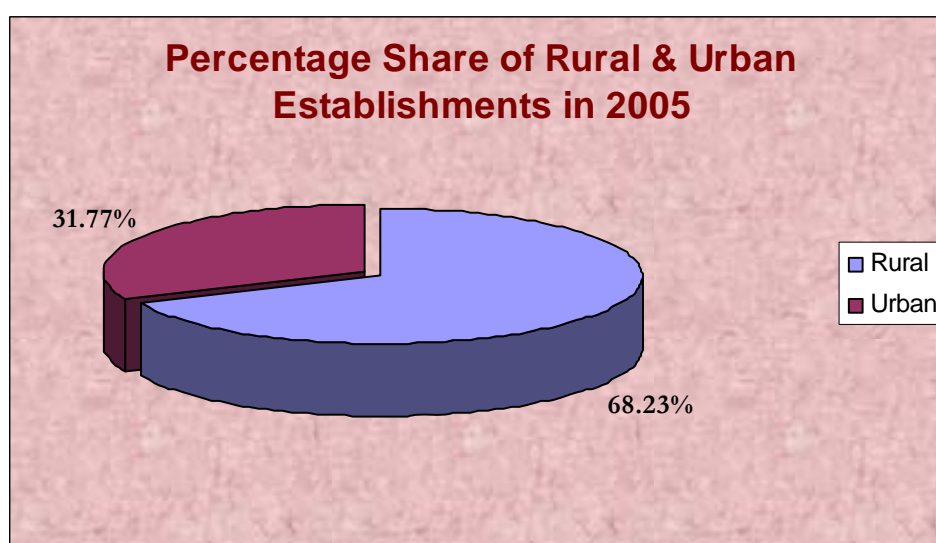

(1) Establishments

(a) Total Establishments:

The Economic Census 2005 revealed that State has registered a growth of 17.31% in the total establishment over the previous Economic Census of 1998. Bihar has 12.25 lakh establishments in 2005.

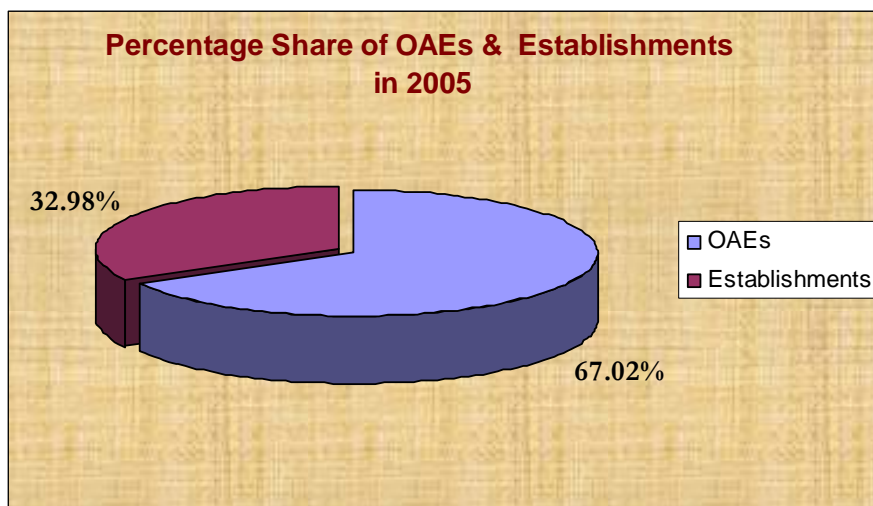

(b) Rural & Urban Establishments

Out of total Establishments, 8.35 lakh Establishments (68.23%) belonged to the rural area and about 3.89 lakh (i.e. 31.77 %) Establishments were located in urban area (Table 2.2.1).

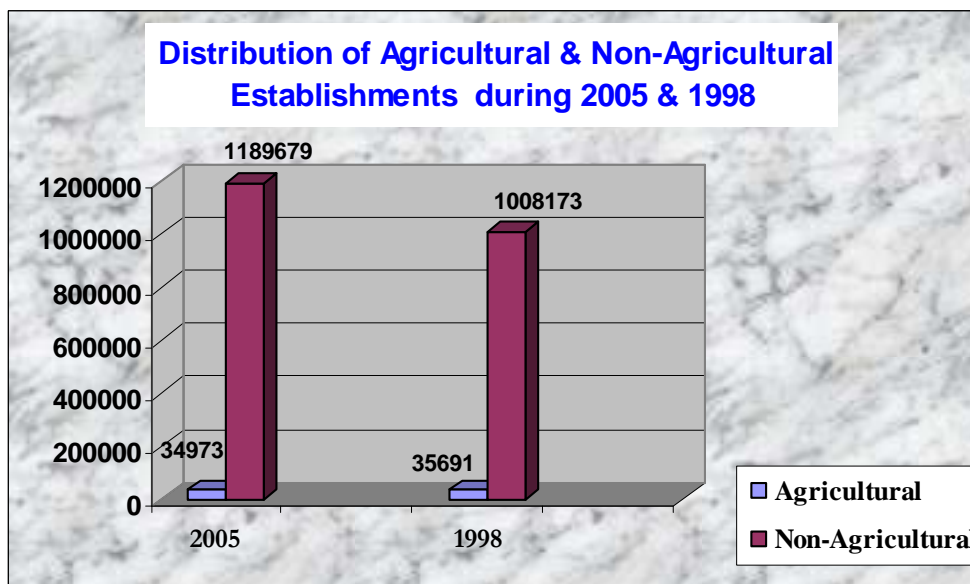

(c) OAE and Establishments:

It is observed that out of total Establishments, 8.20 lakhs Establishments (67.02%) belonged to the OAE (Own Account Establishments) category and 4.03 lakh Establishments (32.98%) were EHW (establishments with at least one hired worker) (Table No. 2.2.4).

(d) Agricultural and Non-Agricultural Establishments:

Out of total Establishments, the Census revealed that there were about 35 thousand Agricultural Establishments (2.85%) and 11.89 lakh Non-Agricultural Establishments (97.15%) in the State. While comparing these figures with the previous Fourth Economic Census, the number of Non-Agricultural Establishments increased by 18% but the Agricultural Establishments were reduced by 2.01% in the Economic Census 2005 (Table-2.3.1).

(e) Own Account Establishments and Establishments with hired workers (EHW) by Activity:

Out of 35 thousand Agricultural Establishments, 25 thousand (72%) belonged to the OAE category while remaining 28% indicated under the group of other Agricultural Establishments with hired workers(EHW). Similarly, in the category of Non-Agricultural Establishments, 7.95 thousand belonged to OAE group and 3.94 lakh belonged to the other Non-Agricultural Establishments with hired workers (EHW) in the State (Table-2.3.2).

(f) Activity wise Non-Agriculture Establishments:

Activitywise Distribution of 795636 Non-Agricultural Establishments by workers

<i>Sl.</i>	<i>Major Activity groups</i>	<i>OAE</i>	<i>Establishments with hired workers (EHW)</i>	<i>Total</i>
1	Mining & quarrying	528 (0.04%)	494 (0.04%)	1022 (0.08%)

17	Other Activities.	9 (0.0007%)	8 (0.0006%)	17 (0.0014%)
	TOTAL	795636 (66.88%)	394043 (33.12%)	1189679 (100%)

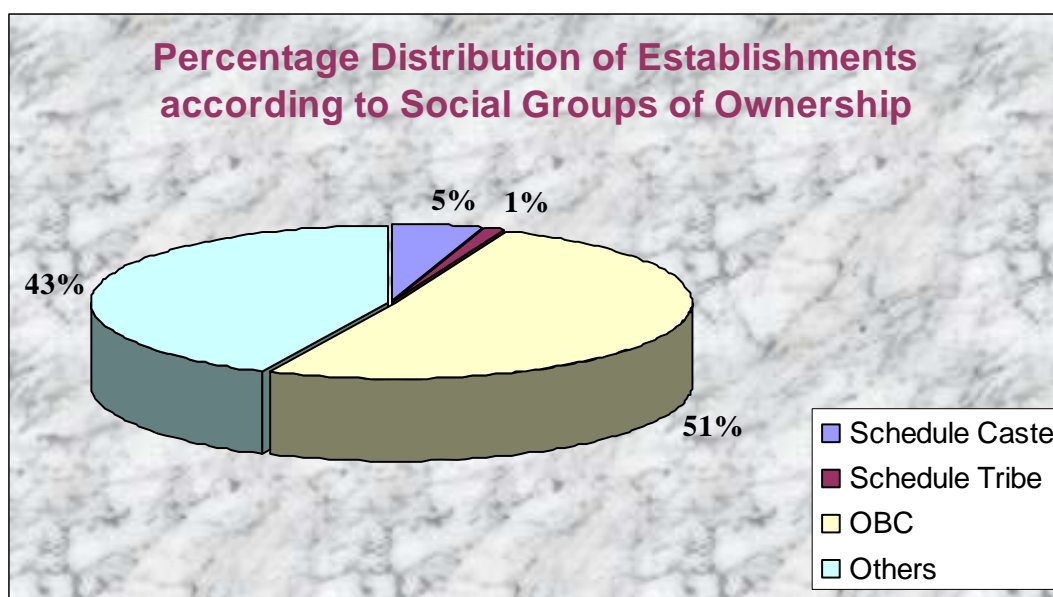

(Ref. Table-2.3.8)

(g) Ownership of Establishments:

Out of 12.25 lakh Establishments in the State, 4891 Establishments (0.56%) were under private NPI, 3.43 lakh Establishments (27.86%) were under private others, 2364 Establishments (0.01%) were owned by Pvt. Uninc. Prop & Pvt.Uninc. Partnership and 53.4 thousand (4.36%) Establishments were owned by the government and PSU. (Table-2.4.1)

(h) Social group of Ownership:

There were 66.4 thousand Establishments (5.0%) by Scheduled Castes, 8735 Establishments (1.0%) owned by Scheduled Tribes, 6.21 lakh Establishments (51.0%) owned by Other Backward Castes and the rest of 5.28 lakh Establishments (43.0%) were owned by other castes & non-individual ownership (Table- 2.4.1).

(i) Selected characteristics of Establishments:

Out of total Establishments

- (i) 43.0 thousand Establishments (4.0%) were non-Perennial.
- (ii) 1.28 lakh Establishments (11.0%) were without premises.
- (iii) 9.85 lakh Establishments (80.0%) were running without Power/Fuel (Table-2.4.1).

(j) Establishments financed by various sources:

It was found that

- (i) 11.44 lakh Establishments were self-financed
 - (ii) 54.8 thousand Establishments were assisted by Govt.
 - (iii) 16.0 thousand Establishments took finance from institutions and 6769 Establishments were assisted by non-institutions.
 - (iv) 2447 Establishments were financed by other sources like N.G.O.
- (Table-2.6.3).

(k) Registration of the Establishments:

Out of 12.25 lakh Establishments in the State merely 7.72 lakh Establishments (63.06%) were registered while 4.52 lakh (36.94%) Establishments were not registered (Table-2.7.3).

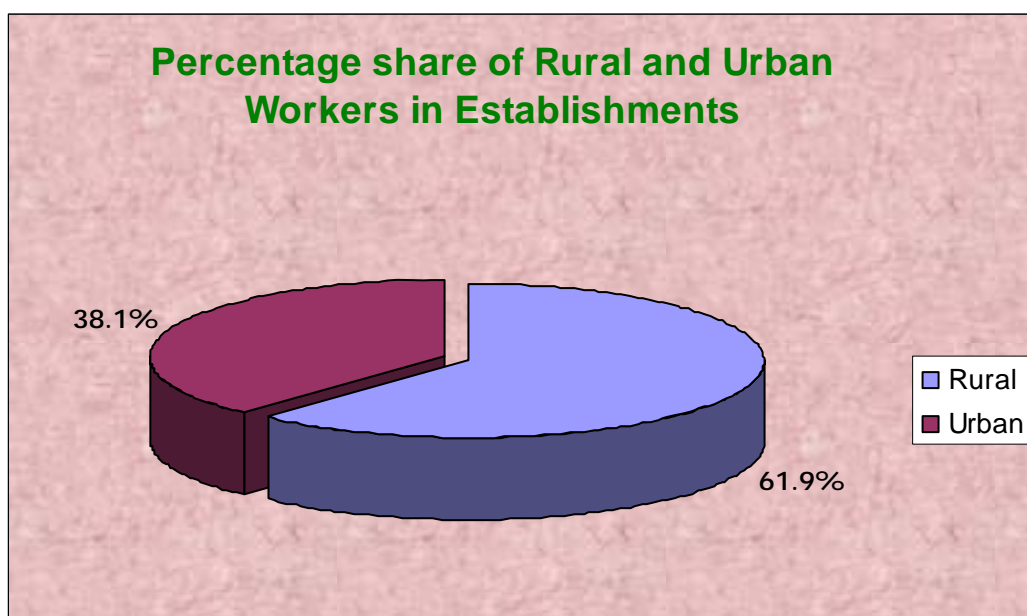

(II) Total Workers and Hired Workers in the Establishments of the State.

(a) Total workers:

There were total 22.69 lakh workers working in 12.25 lakh Establishments of the State. The number of total workers grew by 1.62% during 1998-2005.

(b) Total workers in Rural and Urban Establishments:

Out of Total workers, 14.05 lakh workers (61.90%) were in rural area while 8.65 lakh workers (38.10%) were in urban areas (Table-3.1.a).

(c) Total workers in Agricultural and Non-Agricultural Establishments:

There were 63.0 thousand workers in Agriculture Establishments, 1.5% less than that in 1998. Similarly, there were 22.06 lakh workers in Non-Agricultural Establishments, 1.72% more than that in 1998.

(d) Total workers in Own Account Establishments & Establishments with hired workers(EHW):

There were 10.31 lakh workers in OAE, 10.13% less than that in 1998 and 12.39 lakh workers in Establishments with hired workers (EHW), 12.81% more than that in 1998 (Table- 3.3.a).

(e) Hired workers in Establishments of the State:

(i) Out of 22.69 lakh workers in the State, 9.52 lakh were hired workers. The number of hired workers increased by 3.86% during 1998-2005 (Table- 3.4.a).

(ii) Out of hired workers in the State, there were 5.06 lakh hired workers were in rural areas, which was 21.88% more than that of 1998. There were 4.47 lakh hired workers in urban area ,10.80% less than that in 1998 (Table- 3.4.a).

(iii) There were 16.8 thousand hired workers, 93.28% more than that in 1998 in Agricultural Establishments and 9.36 lakh hired workers, 3.16% more than in 1998 in Non-Agricultural Establishments (Table 3.4.b).

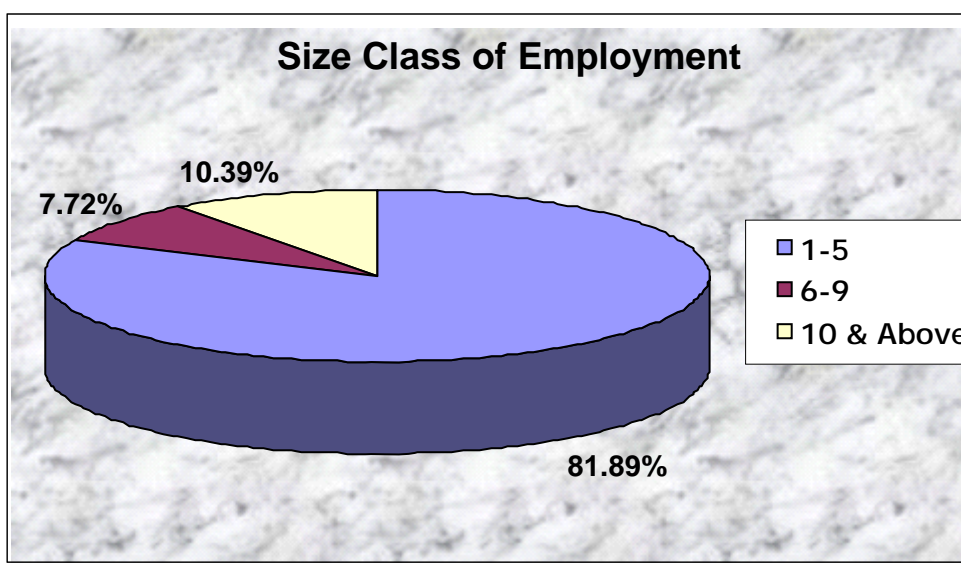

(III) Employment characteristics of Establishments:

(a) Size Class of Employment : Out of 22.69 lakh workers working in 12.25 lakh establishments of the State, it was found that:

(i) 18.58 lakh workers (81.89% of total workers in the State) were working in 11.95 lakh Establishments (97.56% of Establishments in the State) with size class of employment 1-5.

(ii) 1.75 lakh workers (7.73% of total workers in the State) working in 24.4 thousand Establishments (1.99% of Establishments in the State) with size class of employment 6-9.

(iii) 2.35 lakh workers (10.39% of total workers in the State) were working in 5489 Establishments (0.45% of Establishments in the State) with size class of employment 10 & above (Table- 4.1.a).

(b) Activity wise class of Employment:

(i) There were 25.0 thousand Agricultural Own Account Establishments employing 69.4 thousand workers of the Agricultural OAE workers. 18.2 thousand workers were working in 18.2 thousand Establishments with size class of employment 1-5, 41.1 thousand workers working in 6023 Establishments with size class of employment 6-9 and 10.1 thousand workers working in 914 Establishments with size class of employment 10 and above.

(ii) There were 9819 Agricultural Establishments with hired workers (EHW) employing 40.7 thousand workers. Of those workers, 17.7 thousand workers were working in 7365 Establishments of size 1-5 workers, 15.4 thousand workers working in 1927 Establishments of size class 6-9 workers

and 7568 workers working in 527 Establishments with 10 and above workers.

(iii) 9.61 lakh workers were engaged in 7.95 lakh Non-Agricultural OAE. Of their workers, 7.28 lakh workers were engaged in 6.97 lakh Non-Agricultural OAE with size of 1-5 workers, 1.36 lakh workers in 91.6 thousand Non-Agricultural OAE with size 6-9 workers and 96.7 thousand workers in 6699 Non-Agricultural OAE with size 10 & above workers.

(iv) 11.98 lakh workers were engaged in 3.94 lakh Non-Agricultural Establishments with hired workers(EHW). Of these workers, 6.76 lakh were engaged in 2.90 lakh Non-Agricultural Establishments with size 1-5 workers, 4.60 lakh workers in 98.0 thousand non-agricultural establishments with size 6-9 workers and 62.5 thousand Workers in 6337 Non-Agricultural Establishments with size 10 & above workers. (Table- 4.2.a.)

(c) Activity wise Employment in Non-Agricultural Establishments:

There were 22.06 lakh workers working in 11.90 lakh non-agricultural establishments of the State. Its activity wise distribution along with employment therein is given below.

Sl. No.	Activity group	No. of Non-Agricultural Establishments	Persons usually working in these Establishments
1	Mining & quarrying	1022 (0.08%)	4124 (0.19%)
2	Manufacturing	227853 (19.15%)	458017 (20.76%)
3	Electricity, Gas & Water	638 (0.05%)	3072 (0.14%)
4	Construction	2488 (0.20%)	3848 (0.17%)
5	Sale Maint. & Repair M/V & M/C.	19344 (1.62%)	38073 (1.73%)
6	Whole sale Trade	24922 (2.09%)	43685 (1.98%)
7	Retail Trade	656162 (55.15%)	977611 (44.31%)
8	Restaurants & Hotel	52623 (4.42%)	100515 (4.56%)
9	Transport & Storage	7506 (0.63%)	16920 (0.77%)
10	Post & Telecommunication	23240 (1.95%)	35756 (1.62%)
11	Financial-Intermediation	3229 (0.27%)	19529 (0.89%)
12	Real Estate, Banking & Service	14852 (1.24%)	28793 (1.30%)
13	Pub. Admin, Defence, Social Sec.	13657 (1.14%)	117738 (5.34%)
14	Education	44652 (3.75%)	179193 (8.12%)
15	Health & Social work	24380 (2.04%)	56291 (2.55%)
16	Other Community Social Personal Service	73094 (6.14%)	123316 (5.59%)
17	Other Activities.	17 (0.0014%)	54 (0.002%)
	Non-Agricultural Activities	1189679 (100%)	2206535 (100%)

(Ref. Table-4.3.a & 4.3.b)

(d) Ownership Distribution of Establishments with hired workers (EHW) and their Employment:

The State had 9819 Agricultural Establishments with hired workers (EHW) employing 24.8 thousand workers and 3.94 lakh Non-Agricultural Establishments with hired employing 12.14 lakh workers. The ownership distribution of these establishments with employment was as follows:-

Sl. No.	Ownership Establishments	Agricultural		Non-Agricultural	
		No. of Establishments (EHW)	No. of Workers	No. of Establishments (EHW)	No. of Workers
(i)	Under Pvt. NPI	226	642	6665	15697
(ii)	Under Pvt.. Others	86	570	2278	19940
(iii)	Pvt. Uninc. Prop & Pvt.Uninc. Partnership.	9475	23288	331726	883214
(iv)	Govt. & PSU	32	372	53374	295170
	Total	9819	24872	394043	1214021

(Ref. Table-4.4.a)

(e) Hired workers in Establishments with hired workers:

- (i) There were 9.52 lakh hired workers in Establishments with hired workers (EHW) of the State.
- (ii) Of these hired workers, 5.05 lakh workers were working in Rural Establishments and 4.47 lakh workers in Urban Establishments.
- (iii) There were 16.8 thousand hired workers in 9819 Agricultural Establishments (EHW) and 9.36 lakh hired workers in 3.94 lakh Non-Agricultural Establishments (EHW).
- (iv) Activity wise distribution of total hired workers, female hired workers, male child hired workers and female child hired workers in the Non-Agricultural Establishments (EHW) are indicated below:

Sl. No.	Non-Agricultural Activity group	No. of ESTT (EHW)	Total no. of hired workers	Female hired workers	Male child hired workers	Female child hired workers
1	Mining & quarrying	494	3027	291	15	7
2	Manufacturing	74235	184447	26688	5004	2592

Chapter 1

FIFTH ECONOMIC CENSUS, 2005

Introduction

The present report refers to Fifth Economic Census 2005 conducted with a view to fill up the data gaps in the unorganized segments of different sectors of economy particularly of the non-agricultural sector.

Conduct of this Economic Census was a joint endeavor of the Central Statistical Organization, Department of Statistics, Government of India and the Directorate of Economics & Statistics, Bihar along with other States and UTs. Prior to this, four Economic Censuses and thirteen follow-up Surveys were undertaken during the period 1977-2005 by the Central Statistical Organization, Department of Statistics, Government of India. The results of these censuses and surveys have served to provide entrepreneurial data for the purpose of planning & development, administration and for improving the estimation of national income and related aggregates.

The first Economic census of 1977 was conducted on sample basis while the second and the third censuses were based on complete enumeration along with the house listing operations of the Population Census conducted in 1981 and 1991 respectively.

It was for the First time that fourth and Fifth Economic Census was conducted independently on a full scale and the State Government had to gear up its administrative and operational machinery, under the technical supervision of the Directorate of Economics & Statistics, a nodal wing of the State Government, for these purposes.

1.1 Need for Economic Census and Surveys:

Economic Census is considered as the effective and meaningful source of information to study the structure, economic activities and characteristics of the establishments. Such Census and follow up surveys provide relevant and reliable

data base for systematic, effective and meaningful Economic Planning, efficient Formulation and Evaluation. Due to lack of adequate data, mainly in unorganized sectors of the economy, serious obstacles are being faced in the estimation of National/State Income and formulation of the optimal development strategy.

The Indian Economy could be broadly classified into two main sectors, agriculture sector and Non-agricultural sector. Non-Agricultural sector is further divided into organized & unorganized non-agricultural sector. A large volume of data are available on agricultural sector in the shape of area, cropping pattern, yield rate of major crops besides data on livestock through quinquennial survey. Ample data pertaining to organized non-agriculture sector in respect to mining, Railways, Banking and Insurance, Forestry, Registered Manufacturing, Communication, Electricity, Public Administration, Public sector Hotels, Organized Educational Institutions, Public Transport etc, are in regular flow of our data system. However, there is acute scarcity of information in respect to unorganized non-agricultural sector mainly in the field of Construction, Private Transport, Unorganized Trade, Hotels and Restaurants, Business services, various professions and liberal arts.

With a view to bridge this gap, a central scheme called Economic Census and surveys was launched in the year 1977 throughout the country under auspices of Central Statistical Organization (C.S.O.) in collaboration with State Statistical Bureau. The first Economic Census was conducted with the joint efforts of Central statistical organization and State Statistical Bureau followed by sample survey on unorganized manufacturing, trade, transport, hotel and restaurants, storage, warehousing and business services by the National Sample Survey Organization. The Second, the Third and the Fourth Economic Censuses were conducted in 1980, 1990 and 1998 respectively and were also followed by sample surveys on transport, hotel and restaurants, storage warehousing, unorganized manufacturing, wholesale and retail trade. The Fifth Economic Census conducted in 2005 in the natural lineage aimed to cater to the needs of the Indian Economy.

1.2 **Objective**

The objective of the fifth economic census was to count all entrepreneurial units located in the geographical boundaries of the country involved in any economic activities. It also aimed at assessing the extent of private ownership, perennial establishments, establishments without power and establishment without premises. It also aimed at gathering data pertaining to the persons usually working in agricultural and non-agricultural establishments with urban and rural break up along with the size of adult male adult female and child participation in economic activities.

1.3 **Scope and Coverage**

The structure of Indian Economy is rapidly changing and new establishments are coming up replacing or renovating old pattern of establishment. The scope and coverage of the Economic Census were reoriented from census to reflect the changing pattern of the economic activities.

The scope and coverage of the first Economic Census were limited to (i) non-agricultural sector and (ii) establishments only i.e. establishments having at least one hired worker. The own account establishments were left out from the preview of the First Economic Census.

The second Economic Census conducted in 1980 along with the house listing operations of the 1981-population census enlarged the coverage by catching Own Account Establishment (O.A.E.) left out in the first Economic Census. The sectoral coverage of 1980 Economic Census was also enlarged by covering both agricultural and non-agricultural sector as also all establishments whether or not employing any hired worker except those engaged in Crop Production and Plantation.

The coverage of the third Economic Census conducted in 1990 along with the house listing operations of 1991 Population census was similar to that to the second Economic Census. The schedules for Economic Census 1990 were similar to that of 1980 Economic Census.

The Fourth Economic Census 1998 covered enterprises both in agricultural and non-agricultural sector also own account enterprises and establishment were taken into account. The items in the enterprises schedules for the fourth Economic census were the same as that were used in the third economic census but the scope of 1998 Economic census was enlarged by inclusion of certain more characteristics of enterprises viz (i) Years of activities (ii) Type of registration and (iii) break up of ownership by gender and social group. The item "Years of registration" is meant to net and squeegee enterprises that have come in the recent past. The canvassing of item "type of registration" would enable to identify units registered under various Acts and Regulations.

In the Fifth Economics Census conducted in 2005, the definitions & concepts are the same as in Fourth Economic Census. For the first time, address slip has been introduced for the Establishments having workers 10 or more (Hired workers & Non-hired workers)

In order to meet the International guidelines and to be at par with international concepts, it has to follow the new nomenclature while analyzing the data of Economic Census 2005 & subsequent Economic Censuses.

The changes proposed are as follows:-

- (i) "Enterprise" to be replaced by Establishment.
- (ii) "Own account enterprise" to be replaced by "own account establishment".
- (iii) "Establishments" by "Establishments with at least one hired worker."
- (iv) "Directory Establishments and Non-Directory Establishments" will remain as it is. For the first time, address slip is introduced for the establishments having 10 workers or more (Hired workers & Non-Hired workers) in this Economic Census.

1.4 Concepts and Definitions:

The concepts and definitions adopted in the Fifth Economic Census as per the instructions of Central Statistical Organization are as follows:-

Household

A household is a group of persons who usually live together and would take their meals from a common kitchen unless the exigencies of work prevented any of them from doing so, there may be a household of persons related by blood or a household of unrelated persons or having a mix of both.

Unit

A unit located in a household is an entity engaged in some gainful economic activity involving productions and/ or distribution of goods and/ or services.

Premises

Premises are the part of the census house occupied by a unit/ household. If the activity of the establishment carried out by unit/household extends beyond the boundaries of a single house to a group of contiguous houses, and in rare cases, a group of houses in close proximity, the entire group of houses is regarded as a single premise.

Establishments

An establishment is an undertaking engaged in production and/or distribution of goods and/ or services not for the sole purpose of own consumption. The workers in an establishment may consist of members of household or hired workers or both.

Agricultural Establishments

An agricultural establishment is defined as one engaged in livestock production, agricultural services, hunting, trapping and game propagations, forestry and logging and fishing. Establishments engaged in activities pertaining to agricultural production and Plantations are not within the preview of Economic Census.

Non-Agricultural Establishments

An establishment engaged in all other activities treated as non-agricultural activities are those, which are engaged in any of the activities pertaining to (i) Mining and Quarrying (ii) Manufacturing (iii) Electricity, Gas & Water (iv) Construction (v) Sale, Maintenance & Repair M/V & M/C. (vi) Wholesale trade (vii) Retail Trade (viii) Restaurants & Hotels (ix) Transport & storage (x) Posts & Telecommunications (xi) Financial Intermediation (xii) Real estate Banking & service (xiii) Public Administration, Defence, Social work (xiv) Education (xv) Health & Social work (xvi) Other community, Personal service (xvii) Other Activities.

Establishments without Premises

All establishments that carry on their activities in the open area outside the census building/house such as hawking, vending etc are treated as establishments without premises.

Perennial Establishments

Establishments run more or less regularly throughout the year or in a particular season are perennial establishment.

Non-Perennial Establishments

A non-perennial establishment is defined as one that carries on its activities only for a part of the year or a season (s) but on a fairly regular basis for the major part of the year or the season.

Own Account Establishment

An Own Account Establishment (OAE) is an establishment having no hired worker.

Establishments with hired workers (EHW)

An establishment with hired workers (EHW) is an unit having at least one hired worker on a fairly regular basis. It is further classified into Directory Establishment (DE) and Non Directory Establishment (NDE).

(i) Directory Establishments (D.E)

A directory establishment is an establishment employing six or more workers.

(ii) Non-Directory Establishments (N.D.E)

A non-directory establishment is an establishment employing less than six workers.

1.5 Tools of Economic Census

Two types of schedules namely, (i) House List schedule (H.L.) and (ii) Enterprises List schedule (E.L) designed by the Central Statistical Organization (C.S.O.) to gather the intended information were used for the Fifth Economic Census.

House List schedule was designed to identify the house engaged in any economic activity along with the collection of data on number of establishments within premises/without premises both for rural and urban sectors. In rural sector the information about occupation of household and type of house occupied by the household were also collected through this schedule.

Establishments List schedule covered the information about classification of establishments whether agricultural or non-agricultural, perennial or non perennial, ownership of the units, power or fuels used to run the establishments, financial source of the establishments, years of activity, type of registration, break up of ownership by gender /social group besides the data regarding the persons usually engaged in the establishments along with size of adult male, adult female and also child participation in economic activities.

Apart from the two canvassing schedules two abstract schedules namely (i) House List Abstract (H.L.A.) and (ii) Establishments List Abstract (ELA) were also used for each rural village and urban block on the basis of house list (H.L) and establishments list (EL) respectively.

1.6 Execution of Economic Census Operation

As the Fifth economic census had to be conducted independent of the population census operation, a good deal of spade work prior to actual field operation had to be carried on at the Administration and Technical level. The State Govt. constituted State Level Co-ordination Committee under the Development Commissioner and District Level Co-ordination committee under the District Magistrate to monitor the progress of preparatory work. The Principal Secretary, Department of Planning and Development had been notified as the Economic Census Commissioner and assisted by Director, Directorate of Economics & Statistics as the Additional Economic Census Commissioner.

At the District level, Collectors were notified as the Dy. Economic Census Commissioner and were assisted by District Statistical Officer/Dy. Collector (where D.S.O. were not posted) as the Assistant Economic Census Commissioner who were held responsible for execution of the census work in the District.

Below the district level, rural area were segmented into CD Block identified as rural charges and the respective Block Development Officers were notified as the Charge Officers, where as towns were identified as the urban charges and the Executive Officers of the Municipalities/ Corporations were notified as the Charge Officers. Charges were further segmented into Enumeration Blocks in the rural area and into UFS Blocks, in the urban areas. In rural areas, all census villages with habitation were identified as Enumeration Blocks. Large villages with more than 200 households were further segmented into two or more well identified Enumeration Blocks , so that each Enumeration block had about 200 households. However in no case two villages, however small were clubbed together to form a single enumeration block .In urban area, cities/towns were divided into small units identified with the help of urban frame survey (UFS) conducted by NSSO (FOD) consisting of about 150 households, called UFS blocks. These were identified with the help of maps for the investigator (IV) units (a group of 20-25 contiguous UFS blocks) supplied by NSSO (FOD). UFS Blocks created after preparation of the maps were identified by the manual sketching.

Personnel

In view of the vastness of the Economic Census operation, the government decided to draft the services of primary school teachers and primary level government officials as Enumerators, who were assigned the work of 2-3 EB/UFS Block and the services of Headmasters of primary and middle school as supervisors who were assigned the supervision work of two supervisory units each of which constituted of five Enumeration Blocks/UFS Block. Services of block level supervisory staff were utilized as zonal supervisors.

Rural & Urban Directory:

All the District Statistical Officers were asked to prepare village directory, which could be used as basis frame for the Census in the rural area according to the guidelines issued by the Govt. of India. to maintain uniformity at the National level and

to facilitate computerization of data. This was done for all the thirty eight districts of Bihar. The UFS blocks maps supplied by the NSSO for the preparation of urban directory were duly checked and updated at the district level to incorporate the conversion of rural area to urban area.

Training:

The Assistant Economic Census Commissioners were extensively trained at the State/regional level during May' 05 to explain various concepts of formats of the schedules and guidelines issued from time to time regarding execution of Census in the field. They were further asked to organize comprehensive training for the charge officers at District/ Subdivision level and for the Supervisors/ Enumerators at the charge level to fully percolate the working guidelines at the grassroot level. Training programmes at the field level spread over during the period August-05.

Field Work:

After completion of the training programme for the Enumerators & Supervisors, proper arrangement were made to start fieldwork without any loss of time. At the time of completion of the training programme, Enumerators were supplied with adequate House Lists, Establishment List (HL & EL) formats, and a copy of guideline for filling up the forms for their respective areas. Supervisors & Zonal supervisors were asked to keep a strict vigil over the execution of the census work and ensure that the data filled up in the schedule were consistent & true. All Administrative & Technical Officers from the Block Headquarters to the State Level were pressed into the field to ensure consistent and formerly delivers of the filled up schedules to the various designated locations at the block/ district headquarter level. As a consequence of these efforts, Bihar succeeded in gathering the relevant information and preparation of Quick Tabulation Tables within the time frame stipulated by the Govt. of India.

Quick Tabulation

The Government of India had circulated formats of Quick Tabulation, viz (a) aggregation of household information regarding the total number of households and the total number of non-poor households according to certain characteristics (b) Aggregation of establishment in the Rural and Urban areas with their principal characteristics.

The quick tabulation aimed at gathering the principal characteristics of the fifth Economic Census were prepared basically at the Charge Level and subsequently aggregated at the District and the State Level immediately after completion of fieldwork and preliminary scrutiny of the schedule. Districts were instructed to send the quick tabulation results to the government of India with a copy to the Directorate of Economics & Statistics, Bihar which was compiled with later on, The Directorate sent the state scenario emerging from the quick tabulation to the Government of India.

Scrutiny & Coding

The Government of India instructed to scrutinize the Enterprises list Schedule and codified according to the Coding Plan circulated uniformly throughout the Country to make it amicable for electronic data processing. Districts were instructed to train the Statistical Personnel' for scrutinizing and codifying the EL schedules.

Data Processing Through Scanner

For the first time, I.C.R. Technology was used instead of Computerisation. In this technology all the schedules were scanned by a high speed scanner at Data Processing Division (DPD) Ashok Rajpath, Patna, Office of the Director of Census Operations, Bihar.

Chapter 2

Establishments in Bihar

The Fifth Economic Census revealed that Bihar had altogether 1224652 establishments engaged in its agricultural and non-agricultural activity other than the crop production and plantation. The number of establishments recorded an increase of 17.31% over 1043864 establishments in the fourth Economic census conducted in 1998. A comparative picture of number of establishments over the two censuses is presented below in Table- 2.1

Table-2.1

Establishments in Bihar (Fourth and Fifth Economic Census)

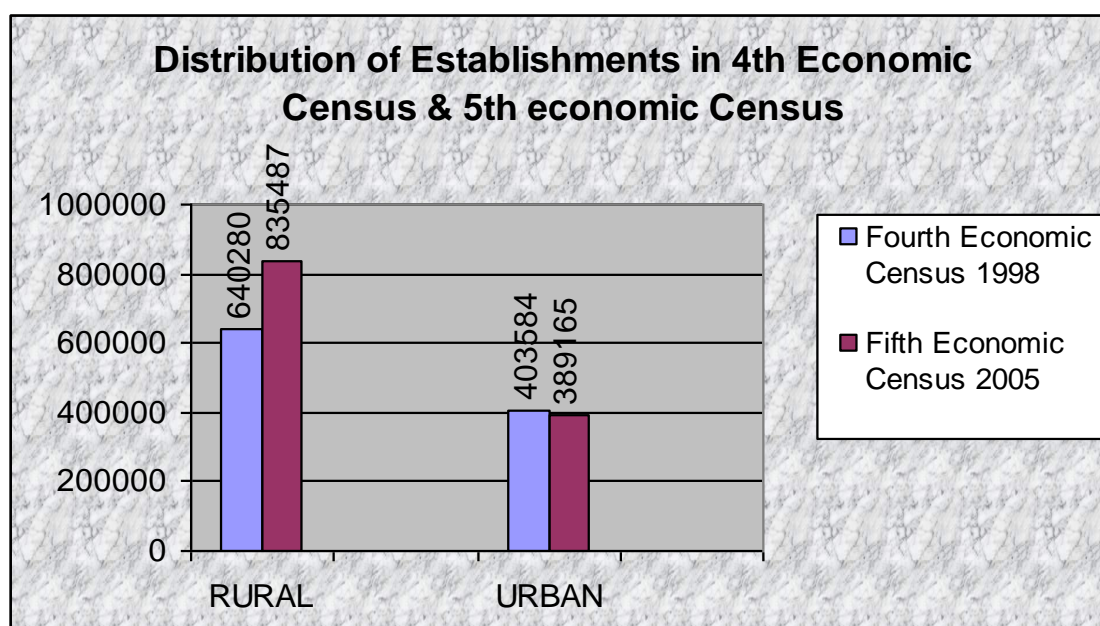

STATE	Number of Establishment		
	Fourth Economic Census 1998	Fifth Economic Census 2005	Percentage Increase
Bihar	1043864	1224652	17.31

2.2 Rural-Urban distribution of Establishments

Increase in the number of establishments over the two censuses was uneven with 30.48% increase in the rural area and 6.42% decrease in urban areas. The number of establishments in rural areas increased from 640280 in the fourth economic census to 835487 in the fifth economic census while the figure of the urban area were 403584 in the fourth economic census and 389165 in the fifth economic census. Rural-Urban scenario with regard to the number of establishments in Bihar could be seen in Table- 2.2.1

Table- 2.2.1**Rural/Urban distribution of Establishments**

STATE		Number of Establishments		
		Fourth Economic Census 1998	Fifth Economic Census 2005	Percentage Increase & Decrease
BIHAR	RURAL	640280	835487	30.48%
	URBAN	403584	389165	(-) 6.42%
	TOTAL	1043864	1224652	17.31%

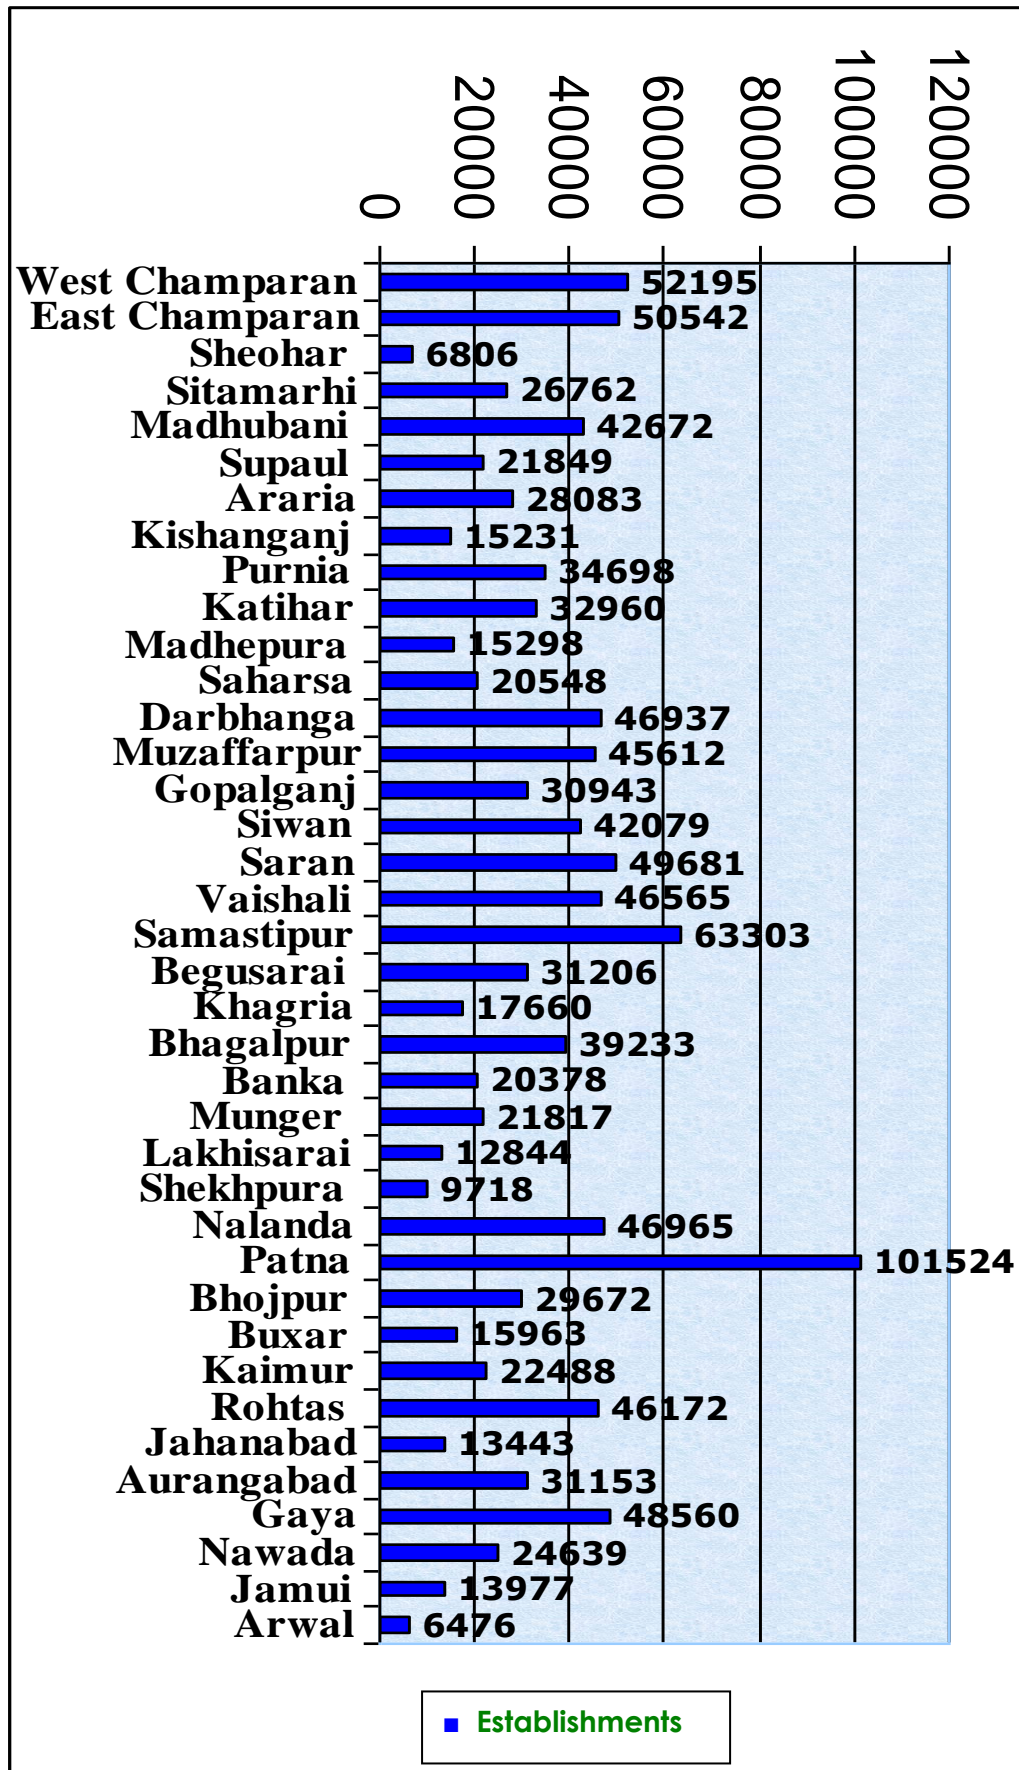

The pace of increase in the number of establishments in rural area and the pace of decrease in urban area resulted into the total increase of 17.31% in State. Out of this, an increase of 30.48% in the rural area while a negative trend of 6.42% was seen in urban area. Districtwise rural-urban distribution of establishments for state is presented in Table 2.2.2

Table-2.2.2**District wise Total Number of Establishments in Bihar**

S.N.	Name of District	Total Number of Establishments (Agricultural & Non-Agricultural)			
		RURAL	URBAN	TOTAL	PERCENTAGE
1	West Champaran	36019	16176	52195	4.26

35	Gaya	30454	18106	48560	3.46
36	Nawada	17145	7494	24639	2.01
37	Jamui	10359	3618	13977	1.15
38	Arwal	6476	0	6476	0.52
	Total	835487	389165	1224652	100

Districtwise Total Establishments in 2005

The Rural-Urban classification of establishments was further segmented into OAE and Establishments with hired workers (EHW) to bring out the employment potential of the Establishments. This is indicated in Table:-2.2.3.

Table-2.2.3

OAE & Establishments in Rural-Urban area (Fifth Economic Census)

STATE		OAE	Establishments with hired worker (EHW)	Total
BIHAR	RURAL	595651	239836	835487
	URBAN	225139	164026	389165
	TOTAL	820790	403862	1224652

It is apparent from the above table that 67.02% of Establishments were OAE and rest of the 32.98% were Establishments with hired workers (EHW). 48.64% of the Establishments were OAE in rural area whereas 18.37% were OAE in urban area. Establishments located in rural area constituted 19.59% of total Establishments as against 13.40% Establishments in urban areas. District wise distribution of OAE and Establishments are depicted in Table-2.2.4.

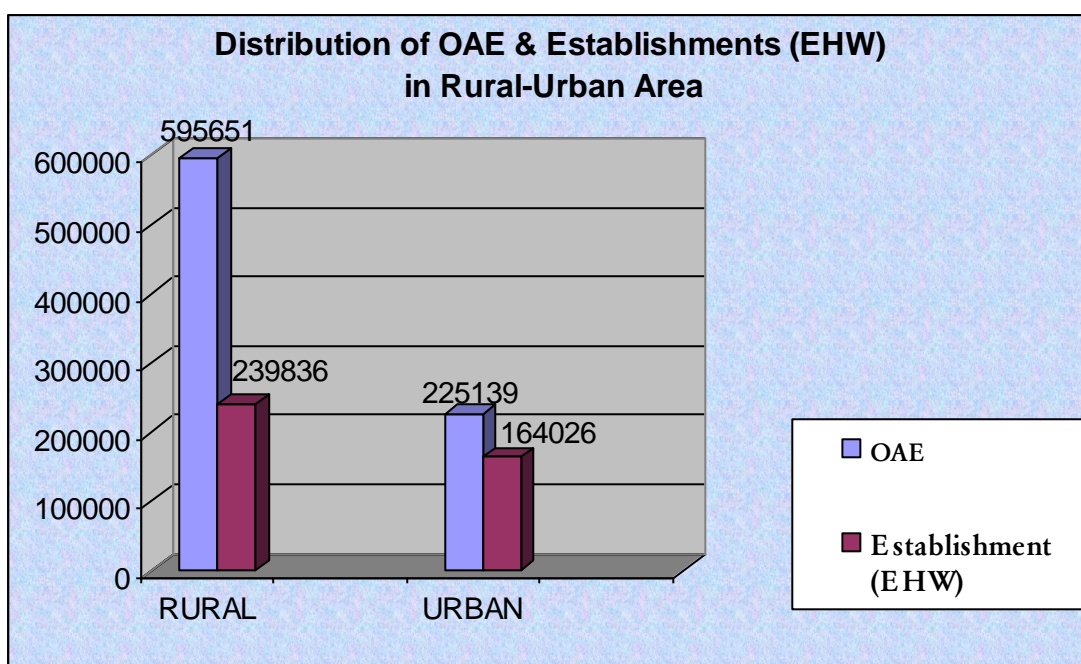

Table-2.2.4

31	Kaimur	15645	6843
32	Rohtasc	35374	10798
33	Jahanabad	7375	6068
34	Aurangabad	19377	11776
35	Gaya	33513	15047
36	Nawada	18845	5794
37	Jamui	9960	4017
38	Arwal	4380	2087
	Total	820790	403862

2.3 Distribution of Agricultural & Non-agricultural Establishments

Non-Agricultural Establishments increased by 18 % between 1998-2005 while the Agricultural Establishments, which is supposed to provide support to agricultural economy of Bihar, has surprisingly dwindled by 2.01%. The scenario of both the Agricultural and Non-agricultural Establishments are shown in the Table 2.3.1 below.

Table-2.3.1

Distribution of Agricultural & Non-agricultural Establishments

Type of Establishments	Number of Establishment		Percentage Change
	4 th Economic Census 1998	5 th Economic Census 2005	
Agricultural	35691	34973	-2.01%
Non-Agricultural	1008173	11,89679	18.00%
Total	1043864	1224652	17.31%

Agricultural and Non-agricultural Establishments were further classified into OAE and Establishments (EHW) to bring about the employment differentiability and could be seen in Table-2.3.2.

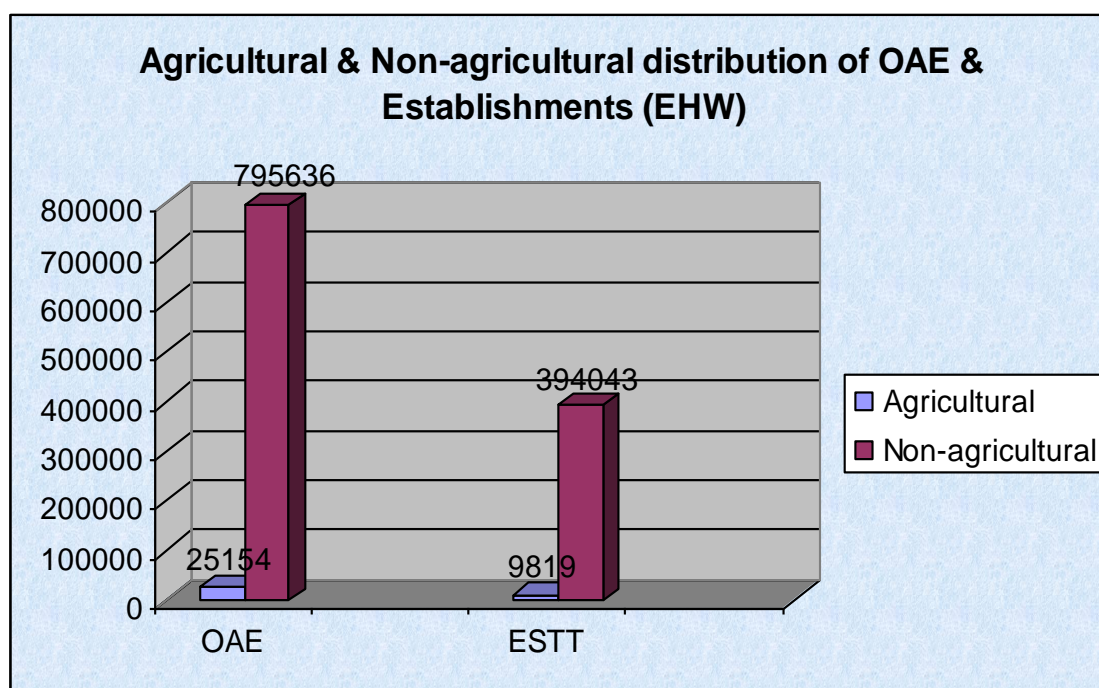

Table-2.3.2**Agricultural & Non-agricultural distribution of OAE & Establishments(EHW)**

	Agricultural	Non-agricultural	Total
OAE	25154	795636	820790
ESTT (EHW)	9819	394043	403862
Total	34973	1189679	1224652
Percentage	2.86%	97.14%	100%

Agricultural Establishments is only 2.86% of total Establishments in the State. Most of them were OAE. Table No.2.3.3 reveals that Districtwise distribution of Agricultural and Non-agricultural OAE and Establishments (EHW) is presented in Table 2.3.3 to 2.3.5. Activitywise distribution of Non-Agricultural Establishments could be seen in Table -2.3.8, which reveals that the maximum number of Establishments is under retail trade (55.15%).

Then comes Manufacturing Establishments (19.15%), other community, Personal Service (6.14%), Restaurant and Hotel Establishment (4.42%), Education (3.75%) and Wholesale Trade Establishments (2.09%) respectively .

Table-2.3.3

D	Other	528480	325535	202945	12635	515845	358797	169683
All establishments		1224652	820790	403862	34973	1189679	835487	389165

It may be noted that 21314 Establishments in the state, comprising 1.74% of the total Establishments were Private under NPI ownership. Out of these, 15618 Establishments were located in rural areas and 5696 in urban areas. Further, Establishments, merely 513 were agricultural while 20801 were non-agricultural.

Private others Establishments under other ownership, were 343201 Establishments constituting 84.98% of all the Establishments and 28.02% of the total Establishments in the state. Out of the total Establishments in this category, 768682 were located in rural area while 372034 were located in urban area. 34203 of these Establishments were Agricultural and the 1109377 Establishments belonged to Non-Agricultural sector.

It was noted that Non-perennial establishments were 43043 that constituted 3.51% of the total Establishments. 30898 of them were OAE and 12145 were Establishments. A major portion of these non-perennial Establishments were located in rural area (88.59%). Agricultural Non-Perennial Establishments constituted 21.08%.

The total number of Establishments under without premises category were 128635 which is (10.50%) of the total Establishments of which 97114 were OAE and 31521 were Establishments. 96832 of these Establishments without premises were located in rural area. While 31803 of these Establishments were located in urban areas. The Agricultural Establishments without premises were 11660.

As many as 985266 Establishments consisting 80.45% of total Establishments in The State, were running without power/fuel of which 667411 were OAE and the rest 317855 were Establishments. 67.80% of these powerless/fuelless Establishments were in the rural area.

The Fifth Economic Census has revealed that the socially weaker sections own fewer Establishments than their population. Ownership of Establishments by Scheduled Castes was 5.42% While Schedule Tribes owned merely 0.71% Establishments. OBC owned 50.70 % of the total Establishments and others 43.17% of the total Establishments. Detailed cross sectional characteristics of these Establishments are depicted in Table 2.4.2 to 2.4.4.

2.5 Selected characteristics of Non-agricultural Establishments (by major activity groups)

Non-agricultural OAE and Establishments accounted for a major share of the Establishments enumerated in the Fifth Economic Census, So selected characteristics of these Non-Agricultural OAE and Non-Agricultural Establishments were studied separately by major activity groups and are presented in Table-2.5.1 to 2.5.3 for OAE and 2.5.4 to 2.5.6 for Establishments of rural, urban and combined location of the state.

2.6 Distribution of Establishments financed by various sources:

Distribution of Establishments financed by various sources such as poverty alleviation programmes, self financing, assistance from Govt. sources, borrowing from financial institutions, borrowing from non-institutions, moneylenders, others like NGOs voluntary organization for rural, urban & combined location could be seen respectively in Table-2.6.1 to 2.6.3 by the major activity group.

It was found that 1144626 Establishments were assisted under self financing and 54770 Establishments from govt. sources. 16040 Establishments were assisted under borrowing from financial institutions, 6769 Establishments were assisted under borrowing from non-institutional money lender and 2447 establishment were assisted by others like NGOs voluntary organization.

2.7 Registration of Establishments:

The number of Establishments registered under various Acts/Institutions by their major activity for rural, urban and combined location could be seen in table-2.7.1 to 2.7.3. It was found that 452353 Establishments out of 1224652 Establishments were not registered with any agency.

Chapter 3

Employment in the Establishments

The fifth economic census revealed that 2269556 workers were working in the 1224652 Establishments of the state. This was indicative of 1.62% enhancement in the workers over previous census while the number of Establishments increased by 17.31 % in the State .

3.1 Rural-Urban distribution of workers

The pattern of changes in the workers over the inter-censal period according to rural/urban area is presented below in Table 3.1.a

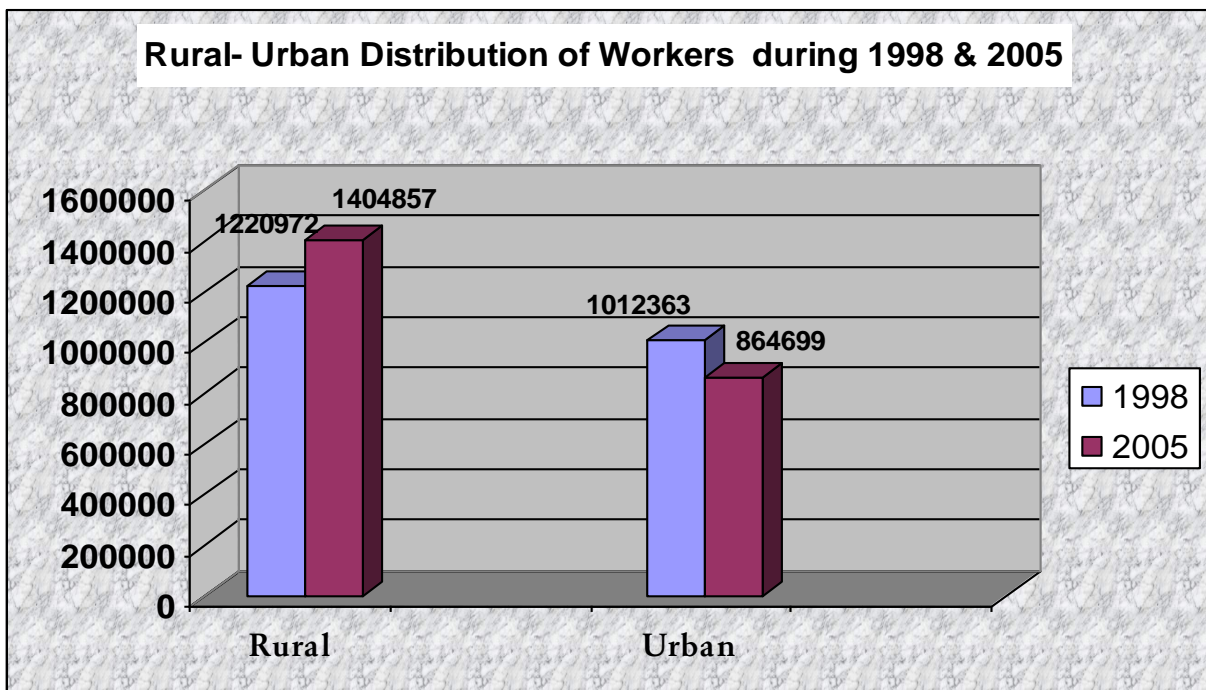

TABLE-3.1.a**Rural-Urban distribution of Workers**

TOTAL WORKER					
Rural		Urban		Total	
1998	2005	1998	2005	1998	2005
1220972	1404857 (15.06)	1012363	864699 (-17.07)	2233332	2269556 (1.62)

N.B: Figures under bracket indicate percentage change over the previous census.

Table 3.1.a brings out important features of the growth of workers in rural/urban areas .The growth of workers in rural area for whole of the state was 15.06 percent as against decline of 17.07% in the urban areas.

3.3 Distribution of Total workers in OAE and Establishments(EHW) :

OAE and Establishments (EHW) are the two broad categories of Establishments, the later distinguished by the presence of hired worker. The number of Establishments under both the categories shows an increase over the previous Census. The number of workers under these categories have distinct features. The number of workers under OAE has declined by 10.13% over 1998-2005,while that under Establishments (EHW) have increased by 12.81% during the same period. The pattern of growth of workers in OAE and Establishments (EHW) in the two segments in State has been shown in Table-3.3.a.

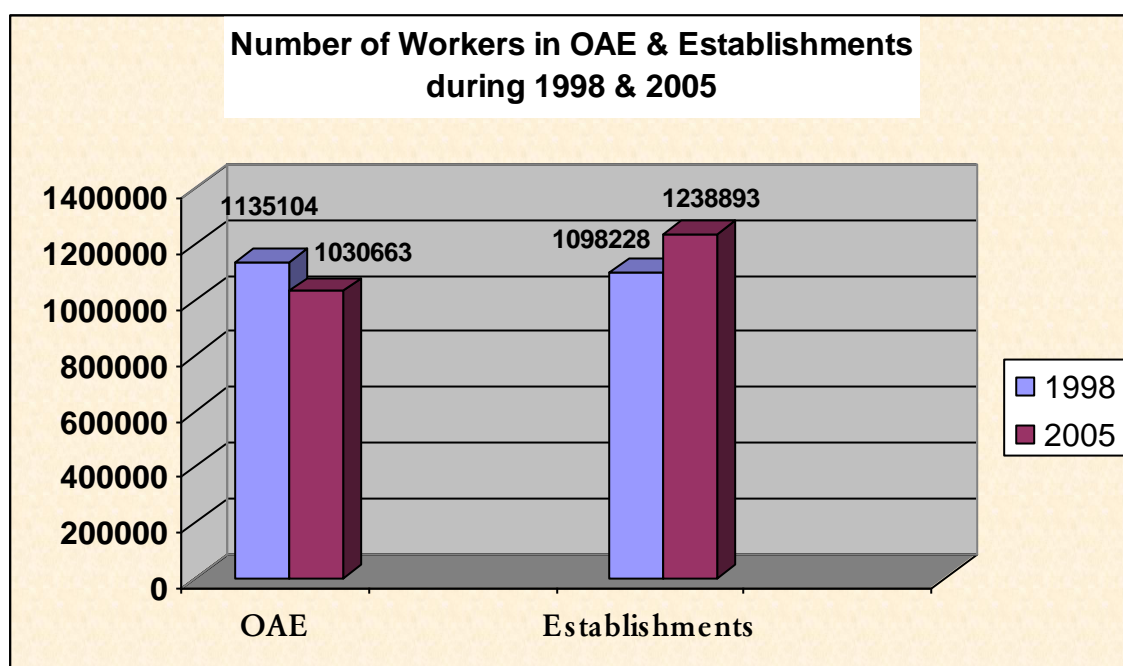

TABLE-3.3.a

3.4 Hired Worker in the Establishments

Non-household workers, whether paid or not, are treated as hired workers. By definition OAE do not have the hired workers. The State has shown an increase from 915738 hired workers in 1998 to 952483 hired workers in 2005, recording an increase of 4.01%. The decline in the number of hired workers in urban area was steep (-10.80%) . The rural areas witnessed an increase of 21.88% in hired workers. The pattern of change in the number of hired workers during 1998-2005 in the rural-urban areas and Agricultural establishments and Non-Agricultural establishments are given in Table 3.4.a and Table 3.4.b.

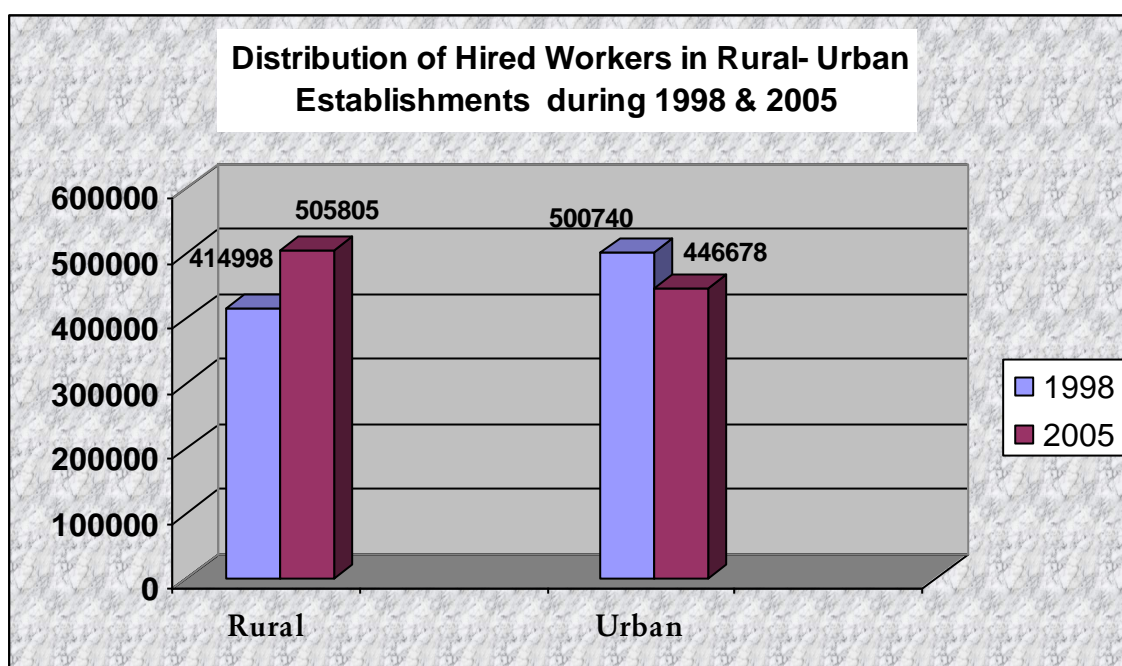

TABLE-3.4.a
Hired Workers in the Rural-Urban Establishments in State

Total Hired Workers					
Rural		Urban		Total	
1998	2005	1998	2005	1998	2005
414998	505805 (21.88%)	500740	446678 (-10.80%)	915738	952483 (4.01%)

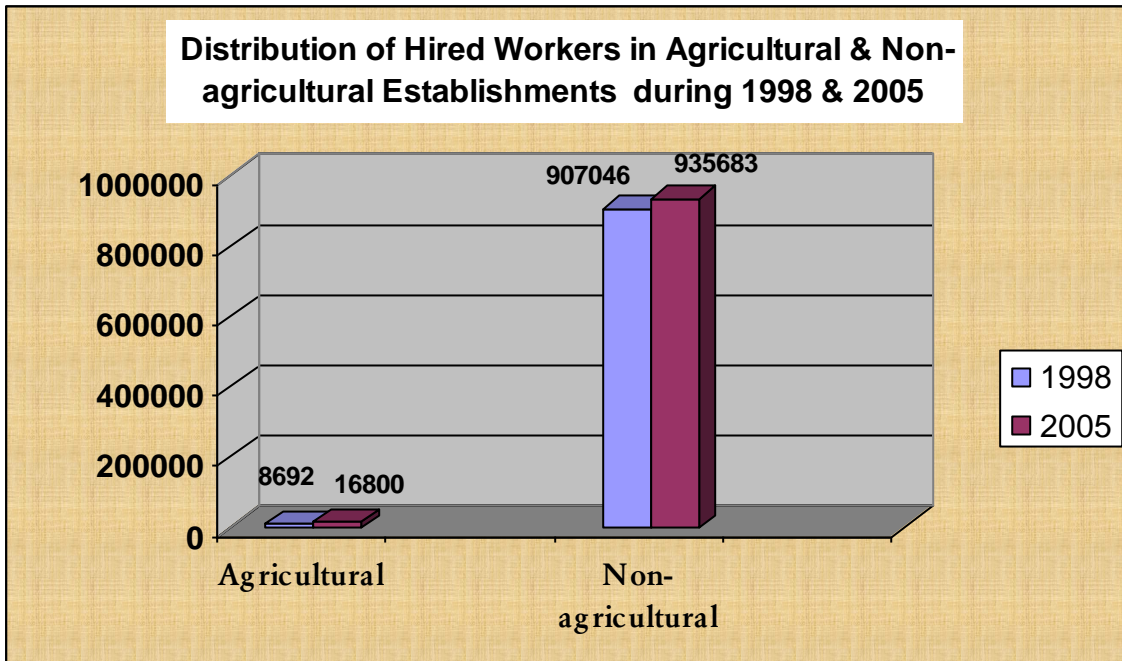

TABLE-3.4.b
Hired Workers in the Agricultural and Non-agricultural establishments

Agricultural		Non-Agricultural		Total	
1998	2005	1998	2005	1998	2005
8692	16800 (93.28%)	907046	935683 (3.16%)	915738	952483 (4.01%)

Districtwise distribution of hired workers in rural and urban area for 1998 and 2005 are in Table 3.4.c and that for Agricultural Establishments and Non-agricultural Establishments for the same period could be seen in Table-3.4.d.

TABLE-3.4.c

Chapter 4

Employment Characteristics of Establishments

In this chapter, certain characteristics of Establishments such as their size class of employment according to location and Ownership activity etc., have been studied to bring out interesting features pertaining to them. As for most of these characteristics, the table generated were available only at the state level. The details could be seen in the Tables given below:

4.1 Size Class of employment with regard to location

Distribution of establishments with size class of employment and persons usually working there are indicated in Table-4.1.a.

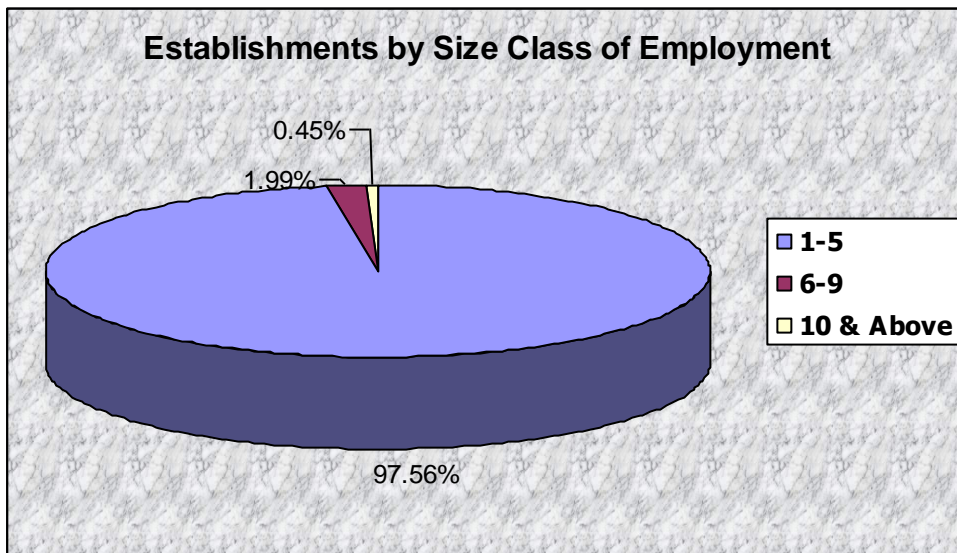

TABLE-4.1.a

**Distribution of Establishments with size class of employment
& persons usually working therein**

Size class Employment	RURAL		URBAN		COMBINED	
	Establishments	Employment	Establishments	Employment	Establishments	Employment
1-5	819637 (98.10%)	1219070 (86.78%)	375090 (96.38%)	639411 (73.95%)	1194727 (97.56%)	1858481 (81.89%)
6-9	13448 (1.60%)	96385 (6.86%)	10988 (2.83%)	79136 (9.15%)	24436 (1.99%)	175521 (7.73%)
10 & above	2402 (0.30%)	89402 (6.36%)	3087 (0.79%)	146152 (16.90%)	5489 (0.45%)	235554 (10.39%)
All Classes	835487 (100.00%)	1404857 (100.00)	389165 (100.00)	864699 (100.00)	1224652 (100.00)	2269556 (100.00)

It is apparent from the above table that 97.56% of the total Establishments were of size class 1-5 of employment and 81.89% of the persons usually working therein. The average number of persons usually working in these Establishments of size Class 1-5 were 98.10% for rural establishments, 96.38% for urban establishments and 97.56% for the rural and urban combined location. 1.99 % Establishments were of size class 6-9 of employment, employing 7.73 % of the total persons usually working with the establishments of the state. Rest of the 0.45% establishments under the size class 10 & above of employment provided 10.39% of Total Employment of the state. **Table (4.1.a)**

4.2 Size Class of Employment According to activity

Distribution of Agricultural and Non-Agricultural Establishments according to size class of employment and persons usually working therein are indicated below in Table-4.2.a.

TABLE-4.2.a

**Distribution of Agricultural and Non-Agricultural Establishments
(According to Size Class of Employment)**

Size Class of Employment	Agricultural				Non-Agricultural			
	OAE		Establishments (EHW)		OAE		Establishments (EHW)	
	A	B	A	B	A	B	A	B
1-5	24968	36872	9454	21461	793522	976508	366783	823640
6-9	184	1254	335	2340	2050	14310	21867	157617
107 & above	2	23	30	1071	64	1696	5393	232764
All Classes	25154	38149	9819	24872	795636	992514	394043	1214021

A: Number of Establishments, B: Persons usually working

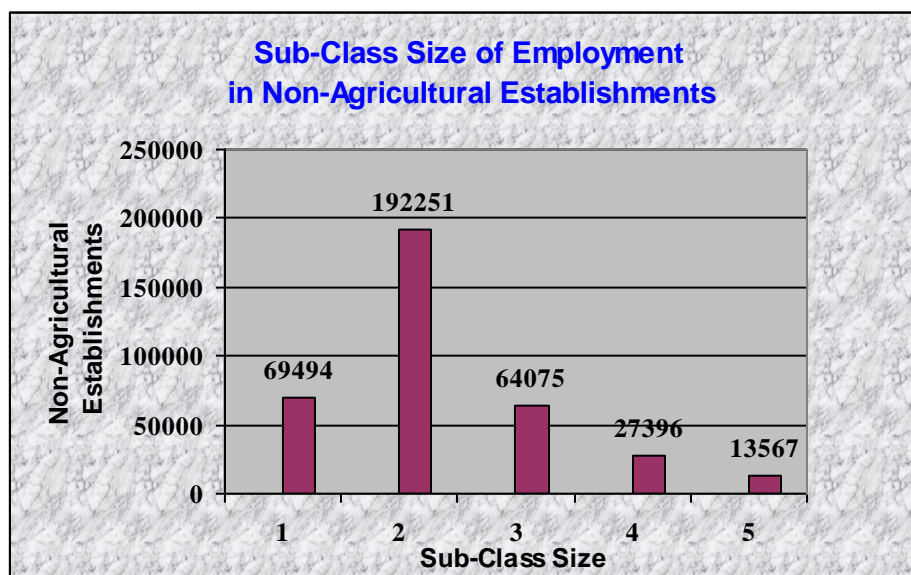

It is obvious from the above table that 25154 Agricultural OAE had 38149 persons working therein 24968 (99.26%) of them had 1-5 size class of employment, 184 (0.73%) had 6-9 size class of employment and 2 (0.01%) had 10 and above size class of employment. In 9819 Agricultural Establishments working therein 9454 (96.28%) were of size class 1-5, Establishments numbering 335 (3.41%) were of size class 6-9 and 30 (0.31%) were of size class 10 and above. The size class distribution of Non-Agricultural OAE were more skewed out of 795636 Non-Agricultural OAE 99.73% belonged to size class 1-5 person of employment, 0.26% had 6-9 persons of employment and 0.01% were of size class 10 and above persons of employment. Non-Agricultural Establishments were relatively even in terms of the distribution of size class of employment.

The number of Non-Agricultural Establishments falling under the size class 1-5, 6-9 and 10 and above of employment were 366783 (93.08%), 21867 (5.55%) and 5393 (1.37%) respectively. In view of large number of Non-Agricultural Establishments falling under the size class 1-5 persons of employment, this category was further disaggregated in the five Sub size Classes with 1,2,3,4 & 5 persons of employment and is presented in Table-4.2.b.

TABLE-4.2.b

**Sub-Categorization of Non-Agricultural Establishments
of Size Class 1-5 persons of employment**

Sub-Class size class 1-5 of employment	Non-Agricultural Establishments	
1	69494	(17.64%)
2	192251	(48.79%)
3	64075	(16.26%)
4	27396	(6.95%)
5	13567	(3.44%)
1 to 5	366783	(93.08%)

Districtwise distribution of Non-Agricultural OAE by Size class of employment can be observed at table 4.2.c alongwith the number of persons usually working therein.

Districtwise number of person usually working in Non-Agricultural OAE can be seen in Table no 4.2.d. Similarly, districtwise number of Establishments by employment size Non- Agricultural rural, urban and combined can be seen in Table no 4.2.e, 4.2.f and 4.2.g respectively.

TABLE-4.2.c (COMBINED)

4.3 Activitywise distribution of Establishments and Employment

Non-Agricultural Establishments accounted for a major chunk of the enterperennial activity in the state with 1189679 Non-Agricultural Establishments (97.14%) out of the total 1224652 establishments and also engaging 2206535 persons (97.22%) out of 2269556 persons usually working in all the establishments of the state as a whole. Activity wise distribution of these Non-Agricultural Establishments and the number of persons usually working therein indicated in table 4.3.a, 4.4.a below reveals the relative importance of these activities.

Table-4.3.a

	Total Non- Agriculture Establishment	100.00	100.00	100.00	100.00	100.00	100.00

A:- Percentage of Non-Agricultural Establishments

B:- Percentage of persons usually working in Non-Agricultural Establishments

It is apparent from the above Table-4.3.b that nearly half of the Non-Agricultural Establishments were in retail trade and were employing one-third of the total workers force in the sector. One fifth of the total Establishments pertains to manufacturing sector employing one fifth of the total workers' in the state.

4.4 Distribution of establishments by the nature of ownership

Establishments were classified into four categories, viz:-

- (a) Govt. & PSU
- (b) Private NPI
- (c) Pvt. Uninc Propriety & Pvt. Uninc Partnership.
- (d) Pvt. Other

By the nature of ownership, Distribution of the establishments for the Agricultural and Non-Agricultural Establishments of for rural and urban location are shown in Table-4.4.a along with the number of persons usually working therein.

Table- 4.4.a

Distribution of Establishments and employment by the nature of Ownership

Nature of ownership by location		Agricultural Establishments			Non-agricultural Establishments		
		Establish-ments	Employment	Employ's per ESTT	Establishments	Employment	Employ's per ESTT
A RURAL	(I) Govt. & PSU	27	352	130.3	42707	150640	3.53

	(IV) Private Others	6	103	17.17	768	6310	8.22
	(V) TOTAL	1988	5332	2.68	162038	579566	3.58
C.COMBINED	(I) Govt. & PSU	32	372	11.63	53374	295170	5.53
	(II) Private NPI	226	642	2.84	6665	15697	2.35
	(III) Pvt. Uninc Propriety & Pvt. Uninc Partnership*	9475	23288	2.46	331726	883214	2.66
	(IV) Private Others	86	570	6.63	2278	19940	8.75
	(V) TOTAL	9819	24872	2.53	394043	1214021	3.08

* Pvt. Uninc. Property -> Private Unincorporated Proprietary
Pvt. Uninc. Partnership -> Private Unincorporated Partnership

It is apparent from the above table that 9819 agricultural establishments employing 24872 persons had more than 96 percent establishments and employees belonging to the category Pvt. Uninc Property & Pvt. Uninc Partnership. Merely 32 agricultural establishments employing 372 persons belonging to the Govt. & PSU. In the 394043 non-agricultural establishments employing 1214021 persons, the number of establishments were 331726 (84.18%) under the category, Pvt. Uninc. Property & Pvt. Uninc Partnership with 883214 persons. The non-agricultural establishments also consists of 53374 government & PSU establishments (13.54%) employing 295170 persons (24.31%). The number of establishments and the persons usually working in the category "under Pvt. NPI" and "Pvt. others" were less than 4 % under both the agricultural and non-agricultural sectors.(Table 4.4.a)

4.5 Distribution of Hired workers

In state 952483 hired workers in 403862 establishments. Distribution of Hired workers according to the location and activity of the establishments are indicated below in Table-4.5.a.

Establishments and Hired workers working therein according to location and nature of activity.

Table-4.5.a

Establishments and Hired workers	RURAL			URBAN			COMBINED		
	Agricultural	Non-agricultural	Total	Agricultural	Non-agricultural	Total	Agricultural	Non-agricultural	Total
Establishments	7831	232005	239836	1988	162038	164026	9819	394043	403862
Hired worker	13282 (1.70%)	492523 (2.12%)	505805 (2.11%)	3518 (1.77%)	443160 (2.73%)	446678 (2.72%)	16800 (1.71%)	935683 (2.37%)	952483 (2.36%)

N.B:- Figure under bracket indicates hired workers per Establishments.

It is apparent from the above table that 98.24 percent of hired workers were engaged in the non-agricultural sectors mostly in the rural location. In view of the large number of hired workers in the non-agricultural sectors, their distribution by the major activity group along with the components female, child male and child female of the hired workers are given in (Table-4.5.b.)

Table- 4.5.b.
Hired workers and their components according to major activity group in
Non-Agricultural Establishments
