Item No. 1 : To receive the minutes of the meeting of the Commission held on 9th & 10th December, 1974.

The minutes of the 164th meeting of the University Grants Commission held on 9th and 10th December, 1974 were confirmed subject to the following:

"Item No.5:

Observation No.1 may be read as follows:

"The Commission agreed that participation of students in the deliberative organs of the university was important for proper functioning of the universities. While generally endorsing the recommendations of the Gajendragadkar Committee in this regard, the Commission felt that where a 'Students' Council' is not provided for provision should be made for

representation of students on the Academic Council. Care has, however, to be taken that areas relating to examinations, appointment of academic staff, etc., do not come within the purview of students' participation.

Democratisation of higher education, it was felt, was not merely participation of the students in the working of the Universities, but, more important, it was opening up of opportunities of access to higher education to students from under-privileged backgrounds. These opportunities will have to be widened, keeping in view the available facilities and resources."

"Item No.17:

Second para of the resolution may be read as follows:

"Refresher Courses/Short-term Institutes may be organised by the universities and should be directed towards improvement of curricula, teaching methods and examination reforms proposed to be introduced by the universities. Specific proposals for this purpose may be invited from the universities having affiliated colleges."

Arising out of the minutes, the Commission desired that a brochure on the work plan of Faculty Improvement Programme, as indicated in Appendix IV of the minutes, may be revised in the light of changes suggested at the meeting and brought out after it is suitably edited.

It was also suggested that the sub-committee appointed by the Science Research Council may make specific recommendations with regard to the teacher fellowships required for enabling teachers from universities and colleges to work in institutions like IITs, National Laboratories, TIFR etc."

...

- Item No. 2 :
- (a) To approve the action taken on certain matters.
 - (b) To receive the items of information.
 - (c) To receive the statement of proposals which could not be accepted by the Commission.

(a) The Commission approved the action taken on items listed in Appendix I*.

(b) --

(c) This was noted.

Arising out of Item No. 2a(29), the Commission agreed that a committee may be appointed to co-ordinate the implementation of various cultural exchange programmes and also bilateral exchange programme under this scheme.

The Commission noted the increase in the number of cultural exchange programmes which the UGC has to implement and agreed that a proposal to strengthen the secretariat for this purpose may be brought up before the Commission.

...

Item No. 3 : To approve the statement of grants released after the last meeting of the Commission held on 9th & 10th December, 1974.

The Commission approved the grants released after the meeting of the Commission held on 9th & 10th December, 1974 (Appendix II)*.

...

Item No. 4 : To receive a statement of expenditure incurred by the University Grants Commission during 1974-75 upto 31.12.1974.

This was noted.

In this connection it was desired that a six-monthly statement be placed before the Commission with regard to the availability and utilisation of foreign exchange.

...

Item No. 5 : To receive a statement indicating the progress of issue of Utilisation Certificates during the period ending 15th January, 1975.

This was noted.

...

* Not enclosed.

Item No. 6 : To consider the report of the Committee appointed to review the work of the cell on the Sociology of the North Eastern Hill Area in the Department of Sociology, Delhi University.

The Commission considered the report of the Committee appointed to review the work of the cell on the Sociology of the North-Eastern Hill Area in the Department of Sociology, Delhi University, and desired that while assistance to the University may be continued on the present level for 1975-76, the proposals may be examined as part of the development proposals of the Centre of Advanced Study in Sociology.

The Commission further desired that a committee may be appointed to suggest measures for strengthening contacts with other border hill areas and special steps that may be taken to create opportunities for students of these regions to take up advanced studies in appropriate institutions in the country.

...

Item No. 7 : To receive the report of the Working Group constituted by the Ministry of Health and Family Planning to study in depth the problems relating to the College of Medical Sciences of Delhi University.

This was noted.

The Commission desired that the Ministry of Health and Family Planning may be requested to take an early decision with regard to the future of the Medical College of Delhi University, and if this College is to be supported by the Delhi University as a University-maintained institution it should have an autonomous status and the funds required for the Medical College and the hospital attached to it may be provided by the Government of India outside the normal V Plan allocation of the UGC.

...

Item No. 8 : To receive the recommendations of the Expert Committee appointed by the University Grants Commission to work out the broad outlines and structure of courses relevant for the rural environment in the degree courses.

The Commission generally accepted the recommendations of the committee and desired that steps may be taken to implement its recommendations in a phased manner. The Commission further desired that an 'implementation committee' may be set up to identify universities and colleges for the implementation of the programme. The universities may also be requested to take necessary steps in this direction. It would be desirable to introduce such courses in consultation with the employing agencies or related user departments in the region and to co-ordinate them with vocational courses to be introduced under 10 + 2 + 3 pattern.

The Commission further desired that a Group may be constituted within the Commission to consider the progress of implementation of 10 + 2 + 3 or 10 + 2 + 2 + 1 pattern. This Group may also establish liaison with the State Governments and the Ministry of Education, Government of India. The Group will also be requested to suggest guidelines for the colleges which may be recognised for having 3-Years Honours course or to provide for one year 'bridge' courses so as to maintain adequate standards. This Group may also look into the problems of the Central Universities (Aligarh Muslim University, Banaras Hindu University and Visva-Bharati) for introduction of 10 + 2 + 3 pattern.

...

Item No. 9 : To consider the recommendations made by the Sub-Committee on COHSIP about selection of colleges for participation in the programme and the guidelines for the implementation of the programme recommended at the conference of Principals of Colleges.

The Commission generally accepted the recommendations of the Conference of Principals of Colleges selected for participation in the College Humanities and Social Sciences Improvement Programme, and noted the colleges recommended by the Selection Committee for participation in the Programme on the basis of approved criteria.

It was agreed that regional committee may be constituted to provide guidelines and consultation to these colleges to implement various activities under the COSIP and COHSIP Programmes.

The Commission further desired that a study may be taken up with regard to the availability and utilisation of various audio-visual aids required for improvement of teaching in the colleges and universities.

...

Item No. 10: To consider the recommendations of the four workshops held on a zonal basis to work out details of action programmes on urgent academic issues viz. (a) Autonomous Colleges, (b) Examination Reforms, (c) Development of postgraduate education in colleges for implementation during the 5th Plan.

The Commission noted that the recommendations made at the four zonal workshops were generally in line with the thinking of the Commission and desired that these may be circulated to the universities for discussion and guidance. It was further agreed that such of the recommendations on which the specific views or decision of the Commission were required, would be brought up before the Commission at a later meeting.

...

Item No. 11: To consider the question of bringing out a brochure on the recommendations of the workshops organised by the University Grants Commission on Examination Reform.

The Commission, while generally approving the brochure on examination reform, desired that the same may be printed and circulated to the universities after incorporating the suggestions made at the meeting.

...

Item No. 12: To consider further the proposal of the Government of India for making National Service for a specified period as a pre-condition for the award of a degree.

The Commission desired that a committee may be appointed to consider the suggestion now received from the Government of India and the Committee's report be placed before the Commission within three months.

...

Item No.13: To consider a proposal of the Government of Bihar for declaring Mithila University, Darbhanga, as an institution fit to receive grants from the Central Government, the Commission or any other organisation receiving any funds from the Central Government under Section 12(A) of the UGC Act.

...

The Commission desired that a Committee may be appointed to review the information received from the Government of Bihar in relation to the rules prescribed under Section 12A of the UGC Act.

Item No.14: To consider the question of providing assistance to Institutions deemed to be universities under Section 3 of the UGC Act for the post of Development Officers during the Fifth Plan.

...

The Commission while agreeing that the Institutions deemed to be universities may not be debarred from obtaining assistance for creation of a post of Development Officer during the V Plan, felt that each case may be examined on merit.

Item No.15: To consider the proposal of the Gorakhpur University for the construction of 300 boys hostel at an estimated cost of Rs.28 lakhs during the Fifth Plan period.

...

The Commission accepted the proposal of the Gorakhpur University for the construction of a 300 boys hostel so as to enable it to negotiate with the HUDCO to obtain a loan which would be treated as a 'matching' share on the condition that the expenditure involved (UGC grant) would be the first charge on the V Plan allocation of the university and within the overall limit prescribed for utilisation of funds for construction of buildings.

In this connection, the Vice-Chairman mentioned that a proposal has been received from the Banaras Hindu University for permission to undertake construction of a hostel for the Teachers Training College, estimated to cost Rs.2,23,717/- which had earlier been accepted in the IV Plan. The Commission agreed that the University may be permitted to go ahead with the construction of this hostel on the usual conditions.

Item No.16: To consider the proposal of the Tata Institute of Social Sciences, Bombay, for the construction of a Teachers Hostel.

...

The Commission accepted the proposal of the Tata Institute of Social Sciences, Bombay, for the construction of a Teachers' hostel on the usual sharing basis i.e., 50:50 on the condition that the expenditure involved would be the first charge on the V Plan allocation of the Institute and within the overall limit prescribed for utilisation of funds for construction of buildings.

Item No.17: To note the date and place for the next meeting of the Commission.

...

It was noted that the next meeting of the Commission will be held on 10th March 1975.

Item No.18: To consider the recommendations made by the Expert Committee appointed by the Commission to evaluate the work of the Centre of Exploration Geophysics, Osmania University.

...

The Commission accepted the recommendations of the Committee set up for evaluating the work of the Centre for Exploration Geophysics, Osmania University, and agreed to provide a non-recurring grant of Rs.10,000 in addition to the spill-over of IV Plan and a recurring grant of Rs. five lakhs per annum up to the end of the V Plan period, on the condition that the recurring expenditure would be taken over as 'committed' expenditure by the University and the Government of Andhra Pradesh w.e.f. 1.4.1979 when the Commission's assistance would cease.

Item No.19: To consider the recommendations made by the Standing Committee for the College Science Improvement Programme.

...

The Commission accepted the recommendations as given in Appendix III.

Item No.20: To consider further the report of the Visiting Committee appointed to review the progress and requirement of funds for the Water Resources Development Training Centre, Roorkee University.

...

Consideration of this item was postponed.

Item No.21: To consider the proposal of Delhi University for permission to start the construction of extension to the library building for the Department of Business Industrial Management.

...

The Commission agreed that the Delhi University may be permitted to undertake the construction of extension to the Library building for the Department of Business and Industrial Management which had been agreed to earlier.

Item No.22: To consider the recommendation made by the Law Panel for equating LL.M. with the M.Phil. course for purposes of award of scholarships.

...

Consideration of this item was postponed.

Item No.23: To receive the minutes of the first meeting of the Editorial Committee of the University Grants Commission "Journal of Higher Education" held on 6th December 1974.

...

This was noted.

Item No.24: To consider the report of the Expert Committee appointed by the University Grants Commission to examine the proposals of the Mysore University for development of Postgraduate Courses at the University Postgraduate Centre at Shimoga, during the Fifth Five Year Plan period.

...

Consideration of this item was postponed.

Item No.25: To consider the recommendations of the Advisory Committee on organisation of Summer Institutes in English Language Teaching during 1975.

...

This was noted.

The Commission was of the view that the norms already accepted by it for organisation of such institutes may be continued to be followed.

Item No.26: To consider the question of providing assistance for development programmes to Teachers Training Colleges during the Fifth Plan period.

...

Consideration of this item was postponed.

Item No.27: To consider the proposal of Delhi University regarding the construction of four buildings for the School of Correspondence courses and Continuing Education at an estimated cost of about Rs.35 lakhs.

...

Consideration of this item was postponed.

Item No.28: To consider the recommendations made by the Panel on History at its meeting held on 15th January 1975.

...

The Commission accepted the recommendations of the Panel on History regarding advanced and short-term research proposals as per Appendix IV.

The Commission accepted the Panel recommendation that the University Grants Commission will provide academic staff for the purpose of excavation and/or for publication of the report whereas the cost of the excavation work will be met by the Archaeological Survey of India. The Commission desired that the proposal of Prof. B.B. Lal may be further examined in the light of the above and authorised the Chairman to take action in the matter.

-:11:-

Item No.29: To consider the recommendations made by the Panel on Philosophy at its meeting held on 16th & 17th October 1974.

...

Consideration of this item was postponed.

Item No.30: To consider the Report of the Committee appointed by the Commission to advise on the Programme for celebrating 400th Anniversary of Ram Charit Manasa in the Universities.

...

The Commission agreed that the amount available out of investment of Rs.3 lakhs for programmes in connection with the 400th Anniversary of Ram Charit Manasa may be utilised as follows:

1. The annual amount of Rs.30,000 may be utilised in equal proportion on (a) organisation of visiting lectures by eminent scholars/specialists and (b) organisation of symposium at selected University Centres.
2. The first symposium may be organised at the Delhi University. A Standing Committee may be constituted for selecting the subject, the scholars and the Centres.
3. Lectures of high academic value may be published.
4. A book, highlighting features on Tulsidas may be brought out. A sum of Rs.10,000 may be earmarked by the Commission for the purpose.

The Commission also accepted the recommendation made by the Committee with regard to research project in Hindi as per Appendix V.

Item No.31: To consider the guidelines for the development of Correspondence courses in the Fifth Plan.

...

Consideration of this item was postponed.

p.t.o.

Item No.32: To consider the recommendations of the Panel of Scientists and the Science Research Council regarding research projects to be supported during V Plan period.

...

The Commission accepted the recommendations of the Panel of Scientists and the Science Research Council and agreed to provide necessary assistance for the implementation of the research projects as given in Appendix VI. The Commission further agreed that where it was suggested that the proposals may be examined with the help of committees, necessary action may be taken for having the proposals evaluated accordingly.

Item No.33: To consider certain establishment matters of University Grants Commission.

...

The Commission agreed that additional house building advance of Rs.8,175/- at 75 times of his pay may be sanctioned to Shri S.P. Bhatia, as a special case, subject to completion of necessary formalities by him as required under the rules. The Commission also agreed that he may be granted extension of time limit upto 3rd April 1975 for completion of his house.

UNIVERSITY GRANTS COMMISSION

*to the last Minutes
dated 10/2/73*

Meeting:

Dated: 10th February, 1975

Item No.2(a): To approve the action taken on certain matters.

.....

- (1) Recommendations of the Committee appointed by the University Grants Commission for selection of National Lecturers for the year 1974-75.

The Commission invited nominations in respect of suitable scholars from universities, members of panels in Science, Humanities and Social Science subject and National Lecturers (1973-74) in order to select the National Lecturers for the year 1974-75. Subsequently, a Committee consisting of the following members was constituted to consider these nominations and select scholars to be invited to participate in the programme for the year 1974-75:

1. Professor Satish Chandra,
Vice-Chairman,
University Grants Commission.
2. Professor B.M. Udgaonkar,
Tata Institute of Fundamental Research,
Bombay.
3. Professor M. Santappa,
Director,
Central Leather Research Institute,
Madras.
4. Professor R.S. Sharma,
Department of History,
University of Delhi,
Delhi-7.
5. Professor J.B. Chitambar,
Principal,
Allahabad Agricultural Institute,
Naini, Allahabad.

The Committee met on 11th November, 1974. It felt that subsequent to the selection of National Lecturers there should be sufficient time at the disposal of the individual scholars participating in the programme to complete their assignment to visit universities for the purpose of delivering lectures and also to review the academic programme of the department concerned. The Committee also felt that generally a 12 month period from the date of issue of the printed bulletin, which gives details about National Lecturers, by the Commission may be made available to the National Lecturers to complete their programme of visits. The Committee has recommended 44 names against 30 places available in order to facilitate consideration of alternate names in case any of the scholars in the first priority list is unable to accept the invitation.

The minutes of the meeting of the Committee alongwith the names recommended by the Committee listed in order of preference is attached (Annexure). The scholars in the first priority list have been requested to accept the National Lecturership.

(2) Award of Scholarships - M.Phil
Courses at Meerut University.

.....

The Commission accepted the proposal of the Meerut University in the IVth plan period to provide 10 Scholarships @ Rs. 250/-p.m. in each of three divisions of the M.Phil Courses viz. Physical Science Division, Biological Science Division and Behavioural Science Division, on the basis of the recommendations of the IVth plan Visiting Committee.

The University Grants Commission on a reference from the Meerut University for providing assistance for the above mentioned scholarship during the Vth plan, has agreed to provide financial assistance towards the existing M.Phil Scholarships awarded in 1973-74, if the duration of such scholarships ends during 1974-75 subject to the condition that it will be a first charge on the Vth plan allocations (Spill over item).

- (3) Construction of Store Room for Explosive Chemicals in Chemistry Building, Burdwan University.

.....

In April, 1972 the Commission accepted the proposal of the Burdwan University for the construction of a Store Room for explosives - Chemistry Building, within its overall Fourth Plan allocations. The University could not take up the project during the IVth Plan period and approached the Commission in June, 1974 to treat the project as a spill-over scheme.

The proposal of the Burdwan University for the construction of a Store-room for Explosives Chemicals - Chemistry Building at an estimated cost of Rs.35,998/- has now been accepted on the condition that the Commission's share on 50:50 basis will be limited to Rs.17,999/- and that this would be treated as Fifth Plan scheme of the University.

-
- (4) Visva-Bharati - Grant-in-aid for the purchase of furniture for the Library Building (Patha Bhavana).

.....

The Commission had earlier accepted the plans and preliminary estimates for the construction of Library Building (Patha Bhavana) for Children at the Visva-Bharati at an estimated cost of Rs.36,300/-, subject to the condition that the share of the Commission for the purpose would be limited to Rs.35,146/- as provided within the Fourth plan allocations or the actual cost of construction, whichever is less. The above amount of Rs.36,300/- did not include any provision for furniture. The Visva-Bharati subsequently approached the Commission for a grant of Rs.5,000/- for providing furniture for the above building. Since the amount asked for was covered within 20% of the approved civil cost, the proposal of the Visva-Bharati for the purchase of furniture for Library Building (Patha Bhavana) at an estimated cost of Rs.5,000/- was accepted, on the condition that this would be a first charge on the Fifth Plan allocations of the University.

- (5) Sambalpur University - Grant-in-aid for the purchase of living room furniture for the 2nd Boys' Hostel.

.....

In January, 1973 the Commission accepted the proposal of the Sambalpur University for the construction of 2nd Boys' Hostel at an estimated cost of Rs.5,83,600/- on the condition that the share of the Commission on this amount would be limited to Rs.2,91,800/- (i.e. 50% of the estimated cost). An amount of Rs.2,85,000/- has already been released to the university towards the above project.

In November, 1974 the Sambalpur University informed that the 2nd Boys' Hostel had been completed and occupied by the students and the university requested for a grant for the purchase of living room furniture.

Accordingly, the proposal of the Sambalpur University for the purchase of living room furniture for the 2nd Boys' Hostel has been accepted at an estimated cost of Rs.25,000/- (i.e. Rs.250/- per student for 100 students), on the condition that the share of the Commission for the proposal will be limited to Rs.12,500/- and the same will have to be accommodated by the university within its Fifth Plan allocations.

-
- (6) Dibrugarh University - Appointment of a Professor in the Department of Chemistry - Fifth Five Year Plan.

.....

On the recommendations of the 4th Plan Visiting Committee, the Commission had sanctioned additional staff of one Professor, One Reader and three Lecturers for the Department of Chemistry at the Dibrugarh University. The posts of one Reader and three Lecturers were only filled up by the University during the 4th Plan period and the University could not fill up the post of one Professor, since no suitable candidate was available for this post. In September, 1974, the Dibrugarh University requested the Commission to permit the University to fill up the above mentioned post of Professor in the current plan. The proposal of the

University has been accepted, subject to the condition that this post will have to be accommodated by the University within its 5th Plan allocations. Assistance towards the salary of Professor will be provided to the University on 100% basis upto the end of the 5th Plan period i.e. upto 31st March, 1979 and thereafter this post will have to be maintained by the University/State Government.

- (7) Grant of higher initial salaries to the teachers against the posts approved by the Commission for Science/Humanities and Social Science Departments during the 4th Plan Period.

.....

The Calcutta, Garhathi, Dibrugarh and Utkal Universities had earlier forwarded the details of teachers selected by them for appointment against the different posts sanctioned for various Science, Humanities and Social Sciences Departments under the 4th Plan Development Schemes by the Commission on higher initial salary involving more than 5 advance increments. In view of the qualifications, experience and emoluments already drawn by these teachers and also in view of the recommendations of the selection committees of the universities concerned the appointments of the following teachers on a higher initial start in their respective scales have been accepted:-

S. No.	Name of teacher, designation department and University.	Starting salary offered	Grade	No. of increments recommended by the University.

(8) Deoghar College, Deoghar (Bhagalpur University) - Financial Assistance towards construction of Men's Hostel building.

.....

Under the 4th Plan scheme of Rs.3 lakhs for the development of undergraduate education in colleges the Commission in May, 1971 accepted the proposal of the Deoghar College, Deoghar for the construction of a Men's Hostel & an estimated cost of Rs.2,51,323/- with Commission's share being limited to Rs.1,18,321/- (on prorata basis) or 50% of the actual expenditure whichever is less. The College was requested to complete the project by 30.4.1972.

From the College no progress report of work and expenditure was received till September, 1974 the Commission's sanction for the project lapsed due to the non-implementation of the same within one year of its sanction and the college was informed accordingly.

In November, 1974 the college intimated that the trenches and soiling work on the project were completed before the lapse of one year of Commission's sanction and that further work on the project could not be carried out due to the reasons that the matching share for the project was not released by the Bihar Government and also that a temporary ban was imposed by the Commission on construction projects which had not gone beyond the plinth level.

On receipt of the matching share for the project from the State Government the college approached the Commission for the revival of its sanction to the project.

Under the above circumstances and also keeping in view the fact that the college had incurred some expenditure on the project before the expiring of one year of Commission's sanction the Commission has accepted the proposal of the Deoghar College, Deoghar to ~~revive~~ its sanction to the construction of Men's Hostel at an estimated cost of Rs. 2,51,323/- with its share as limited to Rs. 1,18,321/- or 50% of the actual expenditure whichever is less.

-
- (9) Revival of Commission's sanction to the construction of Staff Quarters (20 nos.) at Dhenakanal College, Dhenakanal, Orissa, (Utkal University)

.....

The Commission accepted the proposal of Dhenakanal College, Dhenakanal, Utkal University, for the construction of 20 Staff Quarters at an estimated cost of Rs. 4,18,670/- on 50:50 sharing basis in October, 1971. In the absence of any Progress Report from the College, within one year from the date of approval of the project as required under the conditions governing the grant, the project stood lapsed and the college was informed accordingly on 1st October, 1974.

The Director of Public Instructions (P.E.), Orissa and the Principal of the college have informed that the project is now near completion (work is being done by the State P.W.D.) with the financial assistance from the State Government and requested for the revival of the project. The college, however, failed to send the progress reports though the work was in progress.

Keeping in view the position as explained by the Director of Public Instruction, Orissa, the sanction regarding the construction of staff quarters at an estimated cost of Rs. 4,18,670/- with Commission's share limited to Rs. 2,09,335/- or 50% of the actual expenditure, whichever is less, has been renewed and a grant of Rs. 1,90,000/- on the basis of the progress report has since been released.

- (10) Revival of the sanction for construction of Staff Quarters (25 nos.) at Vikram Deb College, Jeypore, Orissa (Berhampur University).

.....

In December, 1972 the Commission accepted the proposal of Vikram Deb College, Jeypore, for construction of Staff Quarters (25 nos.) at an estimated cost of Rs.4,13,925/- with Commission's share as Rs.2,06,962.50 or 50% of the actual cost whichever is less. As the project was not implemented within one year of commission's sanction, it was considered as having been lapsed under the normal rules of the Commission. The Director of Public Instruction (Higher Education) Orissa, informed that in the case of Government Colleges, the construction works are undertaken by P.W.D. after completion of certain codal formalities which take a considerable time. In the light of the position explained by the Director of Public Instruction and in view of the fact that the college is a government college and the construction work is being executed by the P.W.D., it has been decided that Commission's sanction to the project may be revived subject to the same terms and conditions as were communicated to the college earlier.

-
- (11) Revival of the sanction of University Grants Commission towards the construction of Staff Quarters (17 nos.) at Angul College, Angul (Utkal University).

.....

The Commission accepted, in July, 1973, the proposal of Angul College, Angul (Utkal University) for the construction of Staff Quarters at an estimated cost of Rs.5,47,091/- with Commission's share as Rs.2,65,000/- or 50% of the actual expenditure, whichever is less. The sanction of the University Grants Commission lapsed in October, 1974 due to its non-implementation within one years' time of its approval as per normal rules of the Commission.

On a clarification received from the Director of Public Instruction (Higher Education) Orissa, regarding the delay in the implementation of the project due to various procedural formalities, and also because, this is a Government College and the work will be executed by the State P.W.D., the Commission's sanction has since been revived subject to the terms and conditions as communicated earlier and also that the project will be completed within one year of the renewal of Commission's sanction. The decision to this effect has been conveyed to the college in December, 1974.

-
- (12) North Eastern Hill University -
Creation of teaching post.

.....

The Commission at its meeting held on 11th February, 1974 (item No.17) agreed to the creation of the posts of one Professor, two readers and four lecturers to enable the North Eastern Hill University to start the postgraduate classes in English w.e.f. October, 1973. The Commission also agreed to the creation of 14 Professorships to help the university to start the preparatory work on the establishment of various schools proposed by the university.

The Vice-Chancellor requested the Commission for the creation of more posts of readers and lecturers for starting various postgraduate courses in the university. Keeping in view the urgent needs of the university, the creation of 12 posts of readers and 15 posts of lecturers has been sanctioned for the courses already started by the university.

-
- (13) Aligarh Muslim University - Construction
of 36 quarters for Class Four Staff of
Hospital attached to Medical College.

.....

The Commission had approved on 3.3.72 the construction of 36 quarters for class IV Staff of Hospital attached to Jawaharlal Nehru Medical College of Aligarh Muslim University at an estimated cost of Rs.3,32,600/- after CPWD scrutiny.

As the University did not start the work, the project attracted the provision of Circular No.33-6/64(CD) Part-II dated 3.9.73 which inter alia imposed ban on construction works which were not started or the progress had not reached the plinth stage.

As the University had awarded the work to NBCC (a Public Undertaking) on 31.8.1973 before the issue of orders conveying ban on such projects on 3.9.73 and university had spent sufficient amount viz. Rs.14,410/88 upto 30.6.1974 on the project, also keeping in view the inadequate number of staff quarters for Class IV employees as compared to the number of employees in service, the Commission agreed to the university undertaking the work.

-
- (14) Nomination of a representative of the University Grants Commission on the General Council and Executive Board of the Indian School of Mines, Dhanbad.

.....

The Commission at its meeting held on the 3rd February, 1971 (Item No.42) agreed that Professor S.S. Saluja, Head of the Department of Mining, Banaras Hindu University may be the representative of the University Grants Commission on the General Council and Executive Board of the Indian School of Mines, Dhanbad.

The Indian School of Mines, Dhanbad has intimated that the term of Dr. S.S. Saluja expired on August 16, 1974 and has requested that the University Grants Commission may nominate its representative to serve on the General Council and Executive Board of the School for a further period of Five Years from August 16, 1974. Dr. U Aswathanarayana, Professor of Geology, Saugar University has been nominated as the representative of the University Grants Commission on the General Council and Executive Board of the Indian School of Mines, Dhanbad for a period of Five Years from 16-8-1974. The Indian School of Mines, Dhanbad and Dr. Aswathanarayana Professor of Geology, Saugar University have been informed accordingly.

- (15) Seminar in connection with the Celebration of 2500th Nirwan Mahotsav of Bhagwan Mahavira at Poona University.

.....

As recommended by the Advisory Committee on Seminar, Symposia etc. as well as the Conveners of the Panels in Humanities and Social Sciences subjects the Commission had earlier agreed to provide financial assistance to the universities of Karnatak, Udaipur and Visva-Bharati for holding Seminars in connection with the Celebration of 2500th Nirwan Mahotsav of Bhagwan Mahavira.

In addition to these three universities, on a request received from the Vice-Chancellor, it has been agreed to provide a grant of Rs.5,000/- to the Poona University for holding a Seminar on Syatvada and Saptabhangi Naya to Celebrate the 2500th Anniversary of the Mahanirvan of Bhagwan Mahavira.

-
- (16) Provision of Rs.95,000/- for furniture in the newly constructed building for the Department of Fine Arts, Institute of Technology, Banaras Hindu University.

.....

On the recommendation of a Visiting Committee the Commission approved the construction of a building for the Department of Fine Arts, Institute of Technology, Banaras Hindu University at the estimated cost of Rs.7,31,100/- including Rs.19,348/- for the furniture during the IV Five Year Plan. The building is nearing completion. The total cost of construction (Civil portion) is likely to be around Rs.5.4 lakhs. The Banaras Hindu University approached the Commission for sanctioning a grant of Rs.96,700/- for providing furniture in the newly constructed building.

While approving the original estimate for building a provision of Rs.19,348/- was approved for this purpose which was found to be adequate. The requirement of the University for furniture was found to be reasonable, and a revised provision of Rs.95,000/- has been approved. This will constitute as first charge of the V Plan allocation to the university for Engineering & Technology.

(17) Establishment of Examination Reform Units in the selected Universities.

.....

The Commission at its meeting held on 11th March, 1974 (Item No.7) considered the minutes of the Joint meeting of the U.G.C. Implementation Committee on Examination Reform with the conveners of the Examination Reform Committees of the 12 selected Universities along-with recommendations on the quantum of assistance to the 12 selected universities towards their examination reform programme. The Commission agreed to make available upto Rs.5 lakhs to each of the selected universities during the Fifth Plan period towards the implementation of the Examination Reform Programme. The proposals received from the following universities for assistance towards examination reform programme during the V Plan as detailed below have been accepted on condition that the Commission's assistance would be available upto Rs.5 lakhs for the period ending 1978-79 to each University. If, it is, decided to continue the unit after the V Plan period, the expenditure will have to be met by the University/State Government. The grants already paid or likely to be paid for examination reform programme will be a first charge on the allocation of Rs.5 lakhs.

The work of the unit will be reviewed after a period of two years and the further continuation of the unit during the Fifth Plan period will be subject to the work being satisfactory and the University being satisfied regarding the impact of the unit on its examination reform programme.

(18) U.G.C. Panel on Mass copying and use of unfair means in the university examinations.

.....

In June, 1972 the Commission appointed a Panel Jointly with the Inter-University Board (now Association of Indian Universities) to go into the question of mass copying and use of unfair means in the University Examinations. The Panel made some interim recommendations. In the meantime the Commission endorsed the recommendations of an expert committee appointed by the Ministry of Education and Social Welfare as outlined in the brochure- Examination Reform - A 'Plan of Action'. It was felt that action along the lines indicated in the brochure will mitigate some of the evils that have crept into the examination system. Consequently, the panel has been dissolved and the members informed accordingly.

(19) Regulation of overtime allowance on the basis of revised rates consequent upon the decisions taken by the Government of India on the recommendations of the Third Pay Commission as accepted by the Government of India.

.....

On the basis of the recommendations of the Third

--

Pay Commission, the Government of India have issued orders vide Ministry of Finance, Department of Expenditure No.F.6(18)-E.II(B)/73 dated the 19th February, 1974 for regulation of overtime allowance w.e.f. 1st February, 1974. (30) Approval for additional expenditure of Rs.46,550.50 for the construction of Civil Engineering Building at Roorkee University.

.....

The University Grants Commission at its meeting held on 7th January, 1968 (Item No.12) approved the construction of building for postgraduate course in Civil Engineering at Roorkee University at a cost of Rs.8,83,005/- over 47,943 sq. ft. The Commission further approved an additional cost of Rs.5,848/- for the construction of building for the Civil Engineering Department (M.E.Courses) over a plinth area of 8014 sq. ft. to be met out of the overall IV plan allocation raising the total approved cost on this upto Rs.8,88,853/-.

Against this approved cost of Rs.8,88,853/- the Roorkee University has completed the building at a cost of Rs.9,35,403.50 and submitted the necessary completion certificate. The additional expenditure of Rs.46,550.50 on this work has been approved.

- (31) J.R.S. College, Jamalpur (Bhagalpur University) - Assistance towards Teachers' Hostel.

.....

Under Rs.3 lakh programme of assistance to affiliated colleges during IV Plan period the Commission in August, 1971 accepted the proposal of the J.R.S. College, Jamalpur for construction of Teachers' Hostel at an estimated cost of Rs.1,17,121/- with Commission's share limited to Rs.78,080/- or 2/3rd of the actual expenditure whichever is less.

As per the normal procedure of the Commission the work on the project was to be undertaken by the college within one year of its sanction. But the college failed to implement the project within one year of its sanction and therefore the Commission's sanction was lapsed and the College was informed accordingly in February, 1974.

The College in October, 1974 approached the Commission for the revival of the sanction to their proposal stating that the work on the project could not be taken up within stipulated period due to the non-availability of matching share and the agitational atmosphere prevailing in the educational institutions of the Bihar State.

Under these circumstances the Commission has agreed to revive its sanction to the proposal of the J.R.S. College, Jamalpur for construction of Teachers' Hostel at the cost already approved. This is subject to the condition that the college will complete the work on the project by 31.12.1975 and incur its share first on the project and thereafter approach the Commission for the release of admissible grant under the scheme.

-
- (32) Banaras Hindu University - Assistance towards strengthening of Departmental Libraries and reorganisation of the Manuscript Section of the University.

.....

The Commission considered the proposal of Banaras Hindu University for Assistance towards strengthening

Departmental Libraries at its meeting held on 2nd February, 1972 (Item No.76) and decided as under:-

'The Commission was of the view that the existing staff in the departmental libraries of the Banaras Hindu University was adequate. Any expansion considered necessary may be examined at the time of the Fifth Plan proposals of the University. It was agreed that the question of additional funds for books & journals may be further examined in consultation with the University'.

The Commission subsequently at its meeting held on 5th July, 1972 (Item No.75) again considered the proposal and desired that this may be further examined by an expert committee. Accordingly the Commission constituted an expert committee consisting of Shri Shanti Narayan, Dean of Colleges, Delhi University (ii) Dr. Jagdish Sharma, Librarian, Panjab University and Dr. S.C. Goel, Education Officer, University Grants Commission. The Committee recommended the creation of additional posts of three Assistant Librarians in the scale of Rs.400-950, six Professional Assistants (Rs.250-400), One Electrician-cum-Mechanic (Rs.210-285), 25 Library Assistants (Rs.130-280), two typist-cum-clerks (Rs.110-180) one Janitor, one Daftry and 11 Library Attendants for strengthening the departmental libraries. The Committee also recommended the following assistance for the Manuscript Section:-

1. Incharge of the Section (Rs.400-950)
2. Professional Assistant (Rs.250-400)
3. Air Conditioner (One) Rs.6,000/-
4. Vacuum Cleaner and fumigation chamber Rs.2,000/-

The Committee recommended that assistance may be made outside 4th plan allocation.

The Commission considered the report of the Committee appointed by the University Grants Commission to examine the proposal of the Banaras Hindu University for financial assistance towards strengthening departmental libraries and reorganisation of the Manuscript Section

at its meeting held on 1st November, 1972 (Item No.10) and resolved as under:-

'The Commission desired that the Banaras Hindu University may be requested to indicate the amount which it could provide from within the 4th plan allocations if the proposal of the University was accepted for strengthening the departmental libraries.

The Commission further desired that information regarding the departmental libraries in the other Central Universities may be obtained and a comprehensive note placed before the Commission'.

The University was not in a position to accommodate the total expenditure on this account within the 4th plan allocation. However in the 5th plan the Vice-Chancellor, Banaras Hindu University stressed the need for creation of posts recommended by the Committee appointed for the purpose. In view of urgency expressed by the Banaras Hindu University, the Chairman, University Grants Commission asked the University to indicate its minimum requirements as the posts of created will be a first charge on the 5th plan allocation of the University. The Banaras Hindu University intimated its minimum requirements as follows:-

University's requirements		Against Committee's recommendation as intimated to Banaras Hindu University
1. Professional Junior	- 3	1. Asstt. Librarians -4
2. Professional Assistant	- 1	2. Professional Asstt. -6
3. Semi Professional	-17	3. Electrician cum Mechanic -1
4. Library Attendants	- 9	4. Library Assistant -25
5. Janitor	- 2	5. Typist cum clerk -2
		6. Jaitor -1
		7. Daftry -1
		8. Library Attendants-11
	<hr/> <u>32</u> <hr/>	<hr/> <u>51</u> <hr/>

The Commission however decided to sanction the posts of one Professional Junior (Rs.400-95) and one Semi Professional (Rs.130-280) for the Manuscript Section

of Central Library of Banaras Hindu University for the 5th plan period subject to the condition that the expenditure will be a first charge on the 5th plan allocation.

As regards staff for Departmental Libraries, the needs would be assessed by some members of the Standing Committee on Library. The additional needs for 5th plan period would be assessed by the 5th plan Visiting Committee.

UNIVERSITY GRANTS COMMISSION

Minutes of the meeting of the Committee appointed by the University Grants Commission for the selection of National Lecturers for the year 1974-75.

The meeting of the Committee appointed by the University Grants Commission to consider the nominations received and to make recommendations for the selection of National Lecturers for the year 1974-75 was held in the office of the University Grants Commission on 11th November, 1974. The following were present:-

- 1 Professor Satish Chandra
- 2 Professor B.M. Udgaonkar
- 3 Professor M. Santappa
- 4 Professor J.B. Chitambar
- 5 Professor R.S. Sharma
- 6 Dr. D. Shankar Narayan
- 7 Shri R.C. Banerji

The Committee noted with appreciation the value and academic impact of this programme. It was felt that subsequent to the selection of the National Lecturers, there should be sufficient time at the disposal of the individual scholars participating in the programme to complete their assignment to visit universities for the purpose of delivering lectures and also to review the academic programme of the departments concerned. The Committee felt that generally a 12 months period from the date of issue of the printed bulletin, giving details about the National Lecturers by the Commission, may be made available to the National Lecturers to complete their programme of visits. The Committee then considered the following sets of nominations received by the Commission and make recommendations with regard to scientists/scholars who may be invited to participate in the National Lecturership Programme during 1974-75:

- (a) Nominations received from the universities with regard to teachers from their departments.
- (b) Suggestions from universities regarding scholars whom the universities would like to invite to deliver lectures; and
- (c) suggestions made by the members of the Panel in Science and Humanities and Social Science subjects and also by the scholars, who participated in the programme of National Lectures during 1973-74.

The names of the persons recommended to be invited for 1974-75 programme are given in appendix. The Committee has recommended 44 names against 30 places available, in order to enable considerations of alternate names in case any of the selected scholars is unable to accept the invitation. The names are listed in order of preference.

Appendix III to the minutes of
the U.S.C. meeting held on 10th
February, 1975 (Item No.19)

The recommendations made by the Standing Committee for the College Science Improvement Programme and accepted by the U.S.C.

.....

- i) The U.L.P. Departments and selected colleges which have completed the first phase of their activities may be encouraged and assisted financially over the next two years to take up suitable follow-up activities. Proposals for this purpose may be invited from the concerned university departments and colleges, while inviting proposals for follow-up activities UIP's emphasis should be given for development of materials for production on a large scale and to introduce new curricula and courses of study, evaluation techniques and examination reforms. In case of colleges follow-up proposals should give definite, indication and concrete plan for achieving autonomous status, inter-departmental programmes.
- ii) The curriculum materials produced by UIP's and colleges may be brought together with the help of designated UIP's subject departments so that such materials should be produced on a large scale to be made available to the entire university system.
- iii) Regional conferences and workshops may be organised to bring together groups of colleges implementing COSIP for purposes of exchange of ideas, improvement of individual programmes and to make concerted efforts towards attaining autonomous status. A beginning may be made by organising such a Conference in the Southern Region either at Hyderabad or at Madurai.
- iv) A comprehensive publication may be brought out giving therein subjectwise details of the various activities undertaken by the U.L.P's and colleges under COSIP which have contributed to improve science instruction.

- v) The list of items fabricated, the related manuals and list of experiments that could be undertaken, availability of such equipment for purchase by other institutions, should also be consolidated in the form of a booklet for use by all institutions.
- vi) The U.L.Ps may be used as an effective mechanism for developing college facilities under the general programme of assistance to colleges, particularly in respect of smaller colleges and colleges in the backward areas.
- vii) The following subject departments in the universities mentioned against each may be requested to formulate suitable proposals for undertaking U.L.Ps from 1975-76. These proposals could be examined and action taken to get these projects initiated from the academic year 1975-76:-

A	PHYSICS	(i)	University of Bangalore

		(iii)	" Saugar
		(iv)	" I.I.T., Kanpur jointly with Kanpur University.

A suitable University Leadership Programme in Geology is suggested to be worked out on a inter-university basis in consultation with the Panel on Earth Sciences.

(viii) As regards the selection of additional colleges to participate in the COSIP from 1975-76 about 75 colleges may be identified in the first instance out of which at least 50 colleges could be approved for taking up the programme. Only those colleges which have an enrolment of at least 300 science students in three years B.Sc. course and 200 science students in two-year B.Sc. course could be considered for taking up the programme.

Item No. 1: To receive the minutes of the meeting of the Commission held on 10th February 1975.

The minutes of the 165th meeting of the University Grants Commission held on 10th February 1975 were confirmed.

Arising out of the minutes, it was felt that (a) selection of COSIP colleges for participation in the COSIP should be made contingent on their good performance in the COSIP, and (b) the colleges selected under COSIP and COSHIP Programmes may be advised so to formulate their programmes that they are helped to prepare themselves for autonomy.

Item No. 2(a): To approve the action taken on certain matters.

(a) The Commission approved the action taken on items listed in Appendix I*

*Not enclosed.

P.T.O.

Item No.3: To approve the statement of grants released after the last meeting of the Commission held on 10th February, 1975.

.....

The Commission approved the grants released after the meeting of the Commission held on 10th February 1975 (Appendix-I)

Item No.4: To receive a statement of expenditure incurred by the University Grants Commission during 1974-75 upto 31.1.75.

.....

This was noted.

In this connection, it was pointed out that the Government of India had reduced the plan allocation of the University Grants Commission for 1974-75 from Rs.29.29 crores to Rs.26.29 crores. It was further noted that adequate funds required for payment to the Central Universities for revision of scales of pay of the non-academic staff and the additional dearness allowances sanctioned from time to time after 1.1.1973 have not been fully provided in the revised estimates for non-plan and that the Government of India had been approached to provide funds required to meet this commitment. In case adequate funds are not made available, it may be necessary to re-appropriate funds to meet this expenditure from plan provision by staggering the payment under plan budget and re-allocate this amount from non-plan provision during 1975-76 to the plan budget.

It was also indicated that subject to the vote of the Parliament, the likely allocation under plan for 1975-76 will be Rs.30.20 crores. The budget for 1975-76 would be prepared on this basis and placed before the Commission.

Item No.5: To receive a statement indicating the progress of issue of utilisation certificates during the period ending 14th February 1975.

.....

This was noted.

Item No.6: To consider the guidelines for the development of correspondence courses in Fifth Plan.

...

The Commission generally accepted the guidelines suggested for the institution of correspondence courses in the universities at the undergraduate and postgraduate levels and desired that the guidelines be suitably edited in the light of discussion and circulated to the universities.

*Not enclosed.

Item No.7: To consider the report of the Committee appointed by the University Grants Commission to examine the proposal of Rajasthan University for financial assistance towards the introduction of correspondence courses at the postgraduate level.

.....

The Commission desired that the report of the Committee be referred to the Visiting Committee which will be visiting Rajasthan University to assess its Fifth Plan proposals. The Commission further desired that the details of the courses for postgraduate correspondence courses in History and Political Science may be referred to the respective Panels for their comments.

Item No.8: To consider the report of the Committee appointed by the University Grants Commission to examine the proposal of University of Andhra for financial assistance towards the introduction of correspondence courses at the postgraduate level.

.....

The Commission desired that the report may be examined in the light of the recommendations that may be made by the Visiting Committee which has recently visited Andhra University to assess its Fifth Plan development proposals.

Item No.9: To consider the report on the proposal of the Utkal University for the introduction of correspondence courses.

.....

The Commission agreed to provide a grant of Rs.30,000 to the Utkal University for preparatory steps to be taken for the introduction of correspondence courses on the condition that the University agrees to follow the guidelines prescribed for the purpose.

Item No.10: To consider further report of the Visiting Committee appointed to review the progress and requirements of funds for the Water Resources Development Training Centre, Roorkee University.

.....

The Commission desired that the Roorkee University may be advised to formulate specific research projects which could be supported by the Department of Science and Technology. The other developmental needs of the WRDTC may be considered, keeping in view, the allocation likely to be suggested to the Roorkee University for engineering and technological education during the Fifth Plan.

Item No. 11: To consider the report of the Expert Committee appointed by the University Grants Commission to examine the proposals of the Mysore University for development of postgraduate courses at the University Postgraduate Centre at Shimoga, during the Fifth Five Year Plan period.

.....

The Commission accepted the recommendations of the committee which examined the proposals of the Mysore University for the development of courses at the University Postgraduate Centre at Shimoga and agreed to provide the grants within the ceiling as indicated in appendix III during the Fifth Plan period on usual sharing basis. The recurring expenditure should be taken over by the University/State Government at the end of the Fifth Plan period.

The Commission further desired that the University be requested to effectively implement the various suggestions made by the committee in the organisation of the courses, etc.

Item No. 12: To consider the question of providing assistance for development programmes to Teacher Training Colleges during the Fifth Plan period.

.....

The Commission agreed that as in the case of arts, science and commerce Colleges, the Commission may assist teacher training colleges also for their development during the Fifth Plan. The Commission desired that the Panel on Education may be requested to indicate the purpose and the sharing basis on which assistance may be provided to these colleges within a ceiling of Rs.1.5 lakhs as UGC's contribution for the V Plan. The Commission agreed that the minimum enrolment eligibility condition for such colleges may be 100.

The Commission noted that the arts, science and commerce colleges have been asked to prepare their Fifth Plan development proposals within a ceiling of Rs.5 lakhs including the UGC contribution and the matching share to be provided by the Management/State Government. On re-consideration, the Commission agreed that the ceiling of Rs.5 lakhs indicated earlier may be treated as UGC contribution and that the colleges may be asked to send their proposals in two priorities, first within a ceiling of Rs.3 lakhs and the other within a ceiling of Rs.two lakhs as UGC contribution.

The Commission further noted that the colleges which were established before 17th June 1972 were eligible to receive the Commission's assistance subject to fulfilment of the usual conditions, irrespective of the fact whether they were temporarily or permanently affiliated, whereas it had been stipulated that the colleges established after 17th June 1972 would be eligible for

assistance only if they were permanently affiliated. The Commission desired to have a position paper placed before it with regard to the present status of the affiliation of the colleges, indicating whether the colleges were on permanent or temporary or provisional affiliation and the reasons for temporary or provisional affiliation.

Item No.13: To consider the question of extending assistance under Book Bank scheme to colleges having an enrolment between 150-500 located in rural areas and/or having a large percentage of scheduled castes/scheduled tribes students.

.....

The Commission, on re-consideration of the conditions prescribed for assistance under the book bank scheme, agreed that in addition to the existing categories of assistance, the Colleges having an enrolment between 250 and 500 students may be provided an assistance of Rs.10,000 on the usual sharing basis for purposes of establishing book banks.

Item No.14: To consider the report of the Committee set up by the Government of Jammu and Kashmir on the development of education in the State of Jammu and Kashmir.

.....

This was noted.

Item No.15: To consider further a reference received from the Government of India, Ministry of Education & Social Welfare, regarding permission to St. Stephen's College, Delhi, to approach the Government of Netherlands for assistance for various building projects of the colleges.

.....

The Commission desired that a Committee may examine further the guidelines suggested for institutions to receive assistance from foreign sources and also the proposals of (a) St. Stephen's College, Delhi and (b) Institute of Developmental Studies, Mysore University (Item No.26) for support from foreign sources.

Item No.16: To consider the recommendation made by the Law Panel for equating LL.M. with the M.Phil. course for purpose of award of scholarships.

.....

This was withdrawn.

Item No.17: To consider the recommendations made by the Panel on Philosophy at its meeting held on 16th & 17th October 1974.

.....

The Commission accepted the recommendations made by the Panel on Philosophy.

Arising out of this, the Commission agreed that proposals regarding the preparation of books, monographs and other reading materials suggested by the Panels for various levels of courses may be supported by the Commission from funds available for support of research.

Item No.18: To consider the comments of the Gurukul Kangri Vishwavidyalaya, Haridwar, on the report of the Committee appointed by the University Grants Commission to review the working of the Vishwavidyalaya

....

The Commission desired that the various suggestions made by the Committee appointed by the University Grants Commission to review the working of the Gurukul Kangri Vishwavidyalaya and also the comments made by the Vishwavidyalaya be discussed by a Committee of the Commission with the Vishwavidyalaya authorities and the matter brought up before the Commission at a later date.

Item No.19: To consider the proposal of Delhi University regarding the construction of four buildings for the School of Correspondence Courses and Continuing Education at an estimated cost of about Rs.35 lakhs.

....

Consideration of this item was postponed. It was desired that in the meantime details regarding the savings available with the Delhi University and the present level of expenditure on correspondence courses may be obtained from the University.

Item No.20: To consider a proposal regarding implementation of University Leadership Project in Biological Sciences at Gujarat University under COSIP.

.....

The Commission accepted the proposal of the Gujarat University for implementation of a University Leadership Project in Biological Sciences under the COSIP Programme and agreed to provide a sum of Rs.6,75,090 over a period of three years to meet the expenditure on the following items:-

I. University requirements

- | | | |
|----|--|-----------|
| 1. | Additional teaching & non-teaching staff (University Department) | Rs.20,000 |

2.	Intensive training programme for teachers.	Rs.69,900
3.	Inservice programme for teachers.	Rs.43,050
4.	Seminars-cum-workshops.	Rs.11,580
5.	Visits by University teachers to colleges.	Rs. 2,500

II. Affiliated colleges requirements

6.	Preparation of teachers' guides, supplementary teaching booklets and text-books.	Rs.20,000
7.	Supply of books to University teachers.	Rs. 3,000
8.	Improvement of college laboratories, teaching, kits, visual aids.	Rs.35,000
9.	Library books (Colleges).	Rs.20,000

for one year:Rs.2,25,030

Grand total for 3 years: Rs.6,75,090.

Item No.21: To consider a proposal regarding implementation of University Leadership Project in Chemistry at Madras University under Cosip.

.....

The Commission accepted the proposal of Madras University for implementation of a University Leadership Project in Chemistry under the Cosip Programme and agreed to provide a grant of Rs.10,00,000 over a period of next three years. The Commission desired that the details and purposes for which this amount is to be utilised may be obtained from the University.

Item No.22: To note the date and place for the next meeting of the Commission.

.....

It was noted that the next meeting of the Commission will be held on 14th April 1975 in New Delhi.

Item No. 23: To consider (1) Starting of M.B.A. course in 9 universities during the Vth Five Year Plan (2) Development of undergraduate and postgraduate course in Engineering & Technology in respect of 6 universities.

.....

The Commission desired that the Sub-Committee of the Planning Group may be requested to indicate, keeping in view the overall allocation for development of engineering and technology including business management, limits within which the Universities may be requested to prepare their Fifth Plan proposals for development of engineering and technology. The institutions would be requested to send their plans in two priorities, first priority for 60 per cent of the allocation and the second for the remaining 40 per cent.

The Commission desired that the proposals already recommended by the AICTE may not be accepted at this stage but the Universities be advised to consider these for inclusion in the Fifth Plan alongwith other proposals.

Item No. 24: To consider requests for enhancing the contribution of the Commission from (a) Agra University for organising the 49th All India Educational Conference (b) Delhi University for (i) Golden Jubilee of the Indian Philosophical Congress and (ii) 7th International Conference on few particular problems in Nuclear Physics (c) University of Ranchi for International Conference of Anthropological and Ethnological Sciences.

.....

The Commission agreed to provide a grant of Rs.5,000 to Agra University for organising the 49th All India Educational Conference and a grant of Rs.20,000 to the Delhi University for the Golden Jubilee of the Indian Philosophical Congress.

The Commission further agreed that assistance to the Universities for organisation of All India Conferences may be revised from Rs.3,000/- to Rs.5,000/- w.e.f. 1975-76 on the basis of criteria to be laid down.

The Commission desired that in case of International conferences/Symposia which are to be supported both by the INSA and the UGC, it will be desirable to have a working arrangement under which support is given to such Conferences either by INSA or by UGC or by both, as the case may be.

While accepting the proposal in principle for the 7th Conference on Nuclear Physics, decision on the assistance to be given, to the Delhi University, for the purpose may be taken in the light of the discussions with INSA as above.

With regard to the proposal of the Ranchi University for organising the 10th International Congress of Anthropological and Ethnological Sciences in 1978, the Commission felt that in the first instance, this may be discussed with the Director of Anthropological Survey of India and Dr. L.P. Vidyarthi.

- Item No. 25: To consider the views of the Calcutta and Jadavpur Universities regarding the Memorandum of Association prepared by the Department of Electronics for the Regional Computer Centre at Jadavpur University.

.....

Consideration of this was postponed to the next meeting.

- Item No. 26: To consider a proposal from University of Mysore for receiving Ford Foundation Grant of \$ 3,25,000/- for its Institute of Development Studies.

.....

Please see Item No. 15.

- Item No. 27: To consider the request of the Saugar University for construction of building for the Department of Pharmacy.

.....

The Commission agreed that the Saugar University may be permitted to undertake construction of building for the Department of Pharmacy as already agreed to.

- Item No. 28: To consider certain establishment matters of the University Grants Commission.

- (i) Grant of extension of service to Shri R.P. Dhir, Assistant Secretary on attaining the age of superannuation.
- (ii) Note on recruitment of persons belonging to Scheduled Castes and Scheduled Tribes in the office of the University Grants Commission.

.....

(i) The Commission could not agree to the grant of extension in service to Shri R.P. Dhir, Assistant Secretary, on attaining the age of superannuation (58 years).

(ii) The Commission noted the under-representation of Scheduled Castes/Scheduled Tribes in the various posts in the office of the University Grants Commission and desired that a Committee may be appointed to (a) examine the circumstances leading to the inadequate employment of Scheduled Castes and

Scheduled Tribes to the various posts in the office of the University Grants Commission; and (b) recommend measures to remove this inadequacy and ensure regular induction to the various posts as per prescribed quotas within the framework of the orders of the Government of India.

Item No. 29: To consider the proposal of the M.S. University of Baroda to absorb the staff of the project for Publication of Critical Edition of Valmiki Ramayana on permanent basis.

.....

The Commission, on the basis of the recommendations of the Visiting Committee, agreed to continue to assist the M.S. University of Baroda on the same sharing basis as originally agreed to as part of V Plan proposals on the condition that the liability for this would be taken over by the State Government at the end of the Fifth Plan.

Item No. 30: To consider the recommendations of the Committee appointed by the University Grants Commission to finalise the norms for the introduction of post-graduate courses in colleges.

.....

The Commission accepted the recommendations of the Committee regarding the norms for introduction of postgraduate courses in Colleges and other related matters as given in Appendix IV.

Item No. 31: To consider the report of the Committee appointed by the Commission to examine the question of award of scholarships to students admitted to one year post-graduate diploma course in Computer Science at Aligarh Muslim University.

.....

The Commission, on the basis of the report of the committee, approved to the Aligarh Muslim University starting a one-year postgraduate diploma course in computer sciences with an intake of 10 students and agreed to provide to the students admitted to this course a studentship of Rs. 250 per month, provided such students have obtained at least 55 per cent marks in the qualifying examination. The Commission further desired that admissions to this course may be made on all all-India basis with at least 50 per cent of the studentships given to students coming from other universities.

The Commission agreed that scholarships for students admitted to the present batch (1974-75) may be given with effect from the date of the beginning of the course or the actual date of joining by the student, whichever is later and any students who has discontinued the course during the year would not be eligible to receive any payment for the period he attended the course.

Item No.32: To consider the question if any reservation be provided for candidates belonging to Scheduled Castes/Scheduled Tribes while making selection of Research Associateships.

.....

The Commission agreed that 10 per cent of the Research Associateships instituted by the University Grants Commission may be ear-marked for scheduled caste/scheduled tribe candidates. In case qualified candidates belonging to scheduled castes/scheduled tribes are not available, the Research Associates may be treated as unreserved.

Item No.33: To consider a reference from the Parliament Forum for Scheduled Castes and Scheduled Tribes regarding reservation for Scheduled Castes/Scheduled Tribes for appointment to teaching posts in the universities.

.....

The Commission noted that according to the information available, no Central University is having reservation in the academic posts for Scheduled Castes and Scheduled Tribes.

The Commission desired that as earlier agreed to, the question of reservation of posts for members belonging to scheduled castes and scheduled tribes in the Universities for teaching appointments may be further discussed with the Commissioner for Scheduled Castes and Scheduled Tribes.

Item No.34: To consider a proposal from Delhi University, to permit Vivekanand Mahila College, Shahdhra, to undertake construction of its building.

.....

The Commission agreed that the Vivekanand Mahila College, Shahdhra, be permitted to undertake construction of the new College building. The Commission however desired that it may be considered if the construction of the building could be phased out, in particular keeping in view that the College should vacate the school building, as early as possible, in which it is presently housed. It was noted that assistance to this College would be included within the overall allocation of Rs.1.5 crores suggested to Delhi University for development of colleges of the Delhi University in the V Plan period.

UNIVERSITY GRANTS COMMISSION

Meeting:

Dated: 10th March, 1975

Item No.2(a): To approve the action taken on certain matters.

- (1) Proposal of the Cochin University for the Establishment of a Health Centre in the University Campus.

The University of Cochin submitted a proposal for the establishment of a Health Centre in September, 1973 at an estimated cost of Rs. one lakh for the construction of the building and recurring expenditure of Rs.14,400/- per annum for staff and Rs.15,000/- for equipments, medicines etc. The University was requested to submit certain details and documents with regard to the above which the university submitted in September 1974. In view of the fact that the health centre is one of the few amenities which the Commission has been providing to the universities, the Commission has accepted the proposal of the university for the construction of a Health Centre building during the 5th Plan period on the condition that the Commission's assistance towards building and Equipment of Health Centre of a particular university is limited to 75% of the approved expenditure, approved by the Commission or Rs.1,50,000/- whichever is less. The expenditure incurred over and above the Commission's ceiling has to be borne by the University from its own resources.

- (2) Revival of the Project for construction of Men's Hostel at Dukhulal Nibaran Chandra College, Murshidabad, (Calcutta University).

.....

The Commission approved, in June, 1973 a proposal of the Dukhulal Nibaran Chandra College, Murshidabad (West Bengal), for the construction of Men's Hostel at

an estimated cost of Rs.2,68,665/- with Commission's share limited to Rs.1,34,332/- or 50% of the actual cost, whichever is less. Since the construction work on the project was not started in the Fourth Plan the Commission's approval conveyed earlier was withdrawn due to non-implementation of the project within a year of its approval. The Calcutta University recommended the revival of the sanction for the project as the delay in starting the construction work was due to the difficulties in procurement of cement and building material. The College has already started the construction work and cement worth Rs.23,000/- has been purchased. In view of the above, the sanction for the project has been revived subject to the condition that the college will invest its share first and claim the share of the Commission thereafter. The College has been informed accordingly.

-
- (3) Revival of sanction for the construction of additional class rooms at Balurghat College, Balurghat - (North Bengal University)

.....

The Commission in March 1973 approved a proposal of Balurghat College, Balurghat for the construction of additional class rooms for Chemistry & Physics Departments at an estimated cost of Rs.43,877/- with Commission's share as Rs.29,251/- or 2/3rd of the actual expenditure whichever is less. Since the College did not implement the project within a year of its approval as per usual condition, the sanction of Commission lapsed and the college was informed accordingly.

The North Bengal University informed that delay in implementation of the project was caused by the non-availability of cement, and the College has since started the construction work and is likely to complete it by January, 1975. In view of above it has been decided to revive the sanction towards the construction of additional class rooms subject to the condition that the Commission's share will be limited to Rs.29,251/- as already approved. The College has been informed accordingly.

- (4) To consider the approval of Jawaharlal Nehru University for the printing of a text book for the Certificate Course in French.

.....

The Jawaharlal Nehru University requested the University Grants Commission for financial assistance of Rs.20,000/- for the printing of a text book for the Certificate Course in French. It was indicated by the University that it had become extremely difficult to obtain French text books in India and even if these were made available by some book sellers, these would be purchased at a very high rate. The proposed expenditure of Rs.20,000/- pertains to the cost of publication, salary of one Research Fellow and cost of stationery.

Keeping in view the need for such type of a book in the country and the expertise available in the Jawaharlal Nehru University, the above proposal at an estimated cost of Rs.20,000/- has been accepted by the Commission. It has been suggested to the University that it should appoint the Research Fellow on Rs.500/- p.m. instead of a Research Assistant as is done in the Book Production Programme.

-
- (5) Creation of the post of a Lecturer in Manipuri Language at the Delhi University.

.....

On the suggestion of the Ministry of Education & Social Welfare, the Delhi University has agreed to the introduction of Manipuri Language as a subject in B.A.(Pass) Course from the next academic session. The University requested the Commission for the creation of a post of lecturer for the purpose. The Commission has agreed to the creation of the post of a Lecturer for the said Course. The expenditure on this would be met out of the V Plan allocation of the University.

(6) Cultural Exchange Programme between
India and Tanzania.

.....

The Government of India and Tanzania entered into a Cultural Exchange Agreement for the year 1975-76. The Ministry of External Affairs and the Ministry of Education have forwarded the proposal to University Grants Commission from the Indian Mission in Tanzania for accepting the visit of the Vice-Chancellor, Dean, Faculty of Science and Chief Academic Officer, University of Dar-es-salaam for a period of a fortnight in 1975. The financial implications, besides the normal hospitality and internal travel for the duration of their stay in India include to and fro International air fare for the three visitors, amounting to Rs.19,899/- approx.

The visit of the three specials from Tanzania has been accepted on an adhoc basis with the provision of both ways International air fare by Air India, economy class also so that no foreign exchange is involved, alongwith normal hospitality and Internal travel.

(7) College Science Improvement Programme -
approval of grants to colleges.

.....

The Commission, at its meeting held on 5th July, 1972 (Item No.52) while agreeing in principle to the participation of additional 38 colleges in COSIP, desired that detailed proposals from the colleges be obtained and examined in the usual manner for approval of grants etc.

The proposal from Sri Padmavathi Women's College out of the above 38 colleges has been examined and a ceiling grant of Rs.3,00,000/- has been approved for implementation of programmes/activities under COSIP, spread over a period of three years. With the approval of grants to Sri Padmavathi Women's College, Tirupati, the total number of colleges so far assisted by the Commission under COSIP would come to 111.

- (8) Allocation of Teacher Fellowships to the Centre of Advanced Study in Economics at Bombay University.

.....

The University Grants Commission, at its meeting held on 8th July, 1974 (Item No.48) agreed that six Centres of Advanced Study in the Humanities and Social Sciences which included Centre of Advanced Study in Economics at Bombay University, may be permitted to make awards during the year 1974-75 with regard to National Scholarships, Junior and Senior Research Fellowships and Teacher Fellowships. The proposal of the Bombay University for instituting six teacher fellowships in the Centre of Advanced Study in Economics was considered and four teacher fellowships have been allocated to the Centre during 1974-75.

- (9) Deputation of Dr.(Mrs.) Vina Mazumdar, Deputy Secretary, University Grants Commission to the Indian Council of Social Science Research as Chief Editor.

.....

At the request of the Indian Council of Social Science Research, New Delhi, the services of Dr.(Mrs.) Vina Mazumdar, Deputy Secretary, University Grants Commission on being replaced by the Department of Social Welfare, Government of India (where she was on deputation as Member-Secretary, Committee on the Status of Women in India) w.e.f. 7th January, 1975 (afternoon) have been placed at the disposal of the Council w.e.f. 8th January, 1975 (forenoon) for a period of one year on the usual terms and conditions for appointment as Chief Editor in the scale of pay of Rs.1800-100-2000.

- (10) Applicability of the Government of India Orders regarding Deposit-linked Insurance scheme for subscribers to the Provident Funds.

.....

The Government of India orders contained in the Ministry of Finance (Department of Expenditure) Office

Memorandum No.F.9(10)-E.V.(B)/73 dated the 8th January, 1975 regarding provision of extra social security to the families of the subscribers to the Provident Funds and a positive incentive to Central Government employees to save more, as made applicable to the Central Government employees, have also made applicable to the employees of the University Grants Commission subject to the conditions mentioned in the Office Memorandum, referred to above.

-
- (11) Payment of dearness allowance to the employees of the University Grants Commission.

.....

The Government of India's orders contained in the Ministry of Finance (Department of Expenditure) Office Memorandum No.F.13017/1/E.II(B)/75 dated the 20th January, 1975 regarding revision of rates of dearness allowance to the Central Government employees w.e.f. 1st June, 1974, 1st July, 1974 and 1st September, 1974 to be regulated in accordance with the provisions of the Additional Emoluments (Compulsory Deposit) Act, 1974, to the extent adoptable by the University Grants Commission, have been made applicable to the employees of the University Grants Commission from the same dates viz. 1st June, 1974, 1st July, 1974 and 1st September, 1974.

-
- (12) Applicability of the recommendations of the Third Pay Commission relating to leave entitlements of Central Government servants, to the employees of the University Grants Commission.

.....

The provisions contained in the Ministry of Finance (Department of Expenditure) Office Memoranda No.F.16(2)-E.IV(A)/73 dated the 9th January, 1974 and 28th September 1974 read with that Ministry's Office Memorandum No.F.6(1) E.IV(A)/74 dated the 20th April, 1974 relating to leave entitlements of the Central Government employees have been made applicable to the employees of the University Grants Commission.

- (13) Extension of the tenure of the temporary post of Deputy Secretary in the University Grants Commission.

.....

The tenure of the temporary post of Deputy Secretary in the University Grants Commission which was last extended upto 31st March, 1975 and reported to the Commission vide Item 2(a) (9) at its meeting held on the 9th September, 1974 has been further extended for a period of six months from 1st April, 1975 to 30th September, 1975.

- (14) Payment of increased dearness relief to the staff of the UGC (Departmental) Canteen w.e.f. 1st September, 1974.

.....

On the recommendations of Managing Committee of the UGC (Departmental) Canteen, the provisions contained in the Cabinet Secretariat, Department of Personnel and Administrative Reforms O.M. No. 3/31/74-Welfare dated the 26th September, 1974 regarding increase in the existing dearness relief to the employees working in the Departmental Cooperative Canteens and Tiffin Rooms functioning in Central Government offices all over the country by Rs. 24/- p.m. w.e.f. the 1st September, 1974 have been made applicable to the staff of the UGC (Departmental) Canteen with effect from the same date viz. the 1st September, 1974. The extra expenditure involved will be shared in the ratio of 50:50 between the UGC (Departmental) Canteen and the University Grants Commission.

- (15) Financial assistance to Teachers for research work in Science selection for the year 1974-75.

.....

The selection of 274 teachers for implementing research projects in various science subjects excluding Geography and Anthropology under the scheme of Financial Assistance to Teachers and approval of grant to them totalling of Rs. 10,20,650/- on the recommendations of the selection committee was reported to the Commission at its meeting held on 9th and 10th December, 1974 (Item 2(a)-5).

The first instalment of grant for the implementation of the projects (50% of total approved grant) in each case has since been released. On the basis of recommendations of the experts in Anthropology a research project "Fabrication of a multipurpose standardised sitting table, chair for taking sitting measurements for sizing with special reference to defence equipment" of Dr. A. K. Meena, Department of Anthropology, Delhi University was approved with a grant of Rs.1,000/-, with the approval of this the total teachers selected for assistance under the programme would come to 275.

Norms for introduction of postgraduate courses in
the Humanities and Social Science in Colleges.

1. A College may be allowed to start postgraduate course in a subject only when there is persistent demand for teaching in that subject and enrolment of a minimum number of students, every year is ensured. Opening of a new post-graduate class should be invariably linked with the manpower needs of the region. The College must be permanently affiliated and should have shown consistently good results at the undergraduate level during the last five years.
2. A college may be considered for further assistance, only if:-
 - (a) Available facilities in the shape of library, laboratory equipment and faculty reflect the commitment of the department and the college to the development of particular subject. The commitment of the college would in particular be seen from its overall recruitment policy, e.g., whether it has the practice of appointing only people a constantly good academic record and Ph.Ds' as far as possible.
 - (b) It serves the needs of the students community coming from the undergraduate colleges of the region as reflected in enrolment.
 - (c) The department has the scope and potentiality for development of a specialisation in a particular area not available in the other colleges and universities of the region.
 - (d) There is a clear cut programme of research and training to ensure quality at the initial stage of starting a department.
 - (e) It has faculty comparable in quality to that of a University department and demonstrates potential of growth and specialisation.
3. A minimum of four teacher recognised by the University as postgraduate teachers (see paragraph 4 below) be appointed at the initial stage. The staff may be increased gradually depending upon the increase in the hours of work and the introduction of the special papers. In a postgraduate department there should be at least four teachers with M.Phil or equivalent degree or research work, of whom there should be at least two teachers with Ph.D. degree or equivalent research work.

4. For effective postgraduate teaching, the first pre-requisite is the quality of teachers. It is imperative that teachers at this stage should have developed critical faculties of evaluating the major developments in their subject. For this purpose, it should be laid down that only those persons would be recognised for postgraduate teaching who have some papers to their credit in standard research journals. In addition:-
 - (a) They should be required to go through and pass a post-Master's degree/diploma in Research Methodology.
 - (b) In order that a postgraduate teacher may be able to specialise and carry out advanced studies/research he should not be expected to take more than two papers in two years.
 - (c) The teachers should have enough time to keep themselves abreast with the latest development in their subjects. For this purpose, it may be laid down that the work load of a recognised teacher should not be more than 12 lectures a week.
5. Postgraduate courses need not necessarily be started only in such subjects which are taught at the degree level in the affiliated colleges. Inter-departmental/Interdisciplinary courses may be preferred.
6. A College department should have adequate material and other equipment. The departmental library should have enough copies of recommended books and at least three standard journals published during the last 10 years. For books and journals the College should provide per department Rs.15,000/- as Non-recurring and Rs.5,000/-p.a. as recurring.
7. The college should provide a fixed amount every year, not less than Rs.5,000/-, for development of research activities in the department.
8. The college should make provision of funds for enabling department teachers to attend National Conferences in their subjects every year.
9. The condition for opening a postgraduate department in the college as prescribed by the university may be insisted upon specially with regard to the staff, books and equipment before providing any further support for the development of the department.
10. As far as possible atleast two papers out of 8 papers should be different from those taught at the University.
11. Annual colloquiums may be organised for the benefit of the college teachers and the students in which university

General norms for postgraduate courses in
Science Subjects

....

Strengthening of the teaching staff and recruitment of suitably qualified persons was the most important factor required for postgraduate education besides availability of necessary laboratory, library and other facilities. A department seeking affiliation for starting/running postgraduate classes should have at least six teachers with post-M.Sc. qualifications such as M.Phil. or research experience as evidenced by publications. Further, at least three such teachers should have a Ph.D. degree or research publications of equivalent standard. It will also be essential for such departments to have at least one viable research programme undertaken by the staff members. Similarly, before any particular specialisation in the subject can be offered as special paper at the M.A./M.Sc. level, there should be on the staff of the department at least two persons who are qualified in that special discipline. The total strength of the staff of such departments would, however, depend upon the total work-load, including undergraduate instruction.

Generally an intake of 15 students should be considered as an optimum size for a unit of postgraduate class. No postgraduate classes should be permitted to be started if the intake is less than ten students with 50% or more marks in the subject concerned. For purposes of increasing admissions also the unit of 10-15 should be taken into account.

UNIVERSITY GRANTS COMMISSION

Record of discussion held at the meeting of the UGC on March 10, 1975 and emergent meeting held on 22nd March 1975 regarding revision of scales of pay of the teachers in the Central Universities.

.....

The following were present:-

Professor Satish Chandra	-	Vice-Chairman (in the Chair)
Shri K.N. Channa	-	Member
Dr. Ajit Mazoomdar*	-	Member *
Professor RS Shama*	-	Member
Professor S. Gopal	-	Member
Professor M. Santappa	-	Member
Professor J.B. Chitamber	-	Member
Professor B.M. Udgaonkar	-	Member
Shri R.K. Chhabra	-	Secretary

(* Present on March 10, '75)

The Commission reviewed the present position with regard to the implementation of the revised scales of teachers in the Central Universities. It welcomed the resolutions of the Academic Council/Executive Council of the Aligarh Muslim University, Banaras Hindu University and Visva-Bharati which have agreed to the norms prescribed for the implementation of the revised scales. It was noted that steps have been taken to release 'on account' grants to these Universities for the additional expenditure involved in the revision of scales of pay. The Commission could not accept the suggestion that the revised scales had been provided to offset the rise in the cost of living. The revised scales were not replacement scales but were a considerable improvement on them. The Commission reiterated that the basic purpose behind the revision of scales of pay of the teachers

w.c.f. 1-1-1973 was to give teachers an appropriate status in society to attract better qualified persons and to raise the standard of education. It was in view of this that the Commission had decided to prescribe minimum qualifications for the posts of lecturers.

The Commission was informed that the Vice-Chairman had at a meeting of the Committee of Vice-Chancellors of Central Universities explained, in detail, the standards prescribed by the Commission. The Vice-Chancellors had generally appreciated the viewpoint of the UGC.

The Commission considered the observations made by Delhi University on the terms attached to the revision of scales of pay and made the following observations:

1. Remuneration for Examination

The University has appointed a committee to make recommendations for examination reforms. The University had already been informed that it could pay remuneration to the examiners for the 1975 examinations. No remuneration would however be payable for the 1976 examinations.

2. Selection Grade

There is no provision for selection grade in the scheme of revision of scales of pay of university and college teachers. The question of fixing the salary of

the existing teachers in the selection grade in the revised scale of Rs.700-1600 is already under consideration in consultation with the Government of India. The Commission has also agreed, in principle, to provide for the posts of Readers/Professors in selected colleges, especially in autonomous colleges.

3. Age of Retirement

The Commission agreed that it was open to any University, if it so desires to offer re-employment to talented teachers beyond the age of 60 years. The University would have to frame its own Ordinance regarding this.

4. Selection Committee for Recruitment of Teachers

The Commission was of the view that since the scales of pay of the teachers in the University and colleges were the same, the broad constitution of the selection committee, particularly in relation to the outside experts, should be the same. In view of this, the Commission suggested that the selection committee for recruitment of teachers in colleges may be as follows:

- i) Chairman, Governing Body of the College, or his nominee;
- ii) Head of the University Department, or his nominee;
- iii) Two experts to be nominated by the Vice-Chancellor out of the panel of experts approved by the University;
- iv) Principal of the College; and

v) Head of the Department concerned of the college.
No selection shall be considered valid unless at least one expert is present. The recommendations of the selection committee shall be subject to approval by the Vice-Chancellor.

5. Qualifications to be prescribed for future appointments of Lecturers

The Commission noted the essential and desirable qualifications indicated by the Delhi University and felt that keeping in view the emphasis the University itself proposes to give to research, it would be appropriate that out of the two desirable qualifications, it should be indicated that preference would be given to the research experience.

The Commission further noted that Delhi University had proposed that in case of such appointments where a candidate is not a Ph.D., it should be obligatory that he finishes his Ph.D. within five years of his appointment or give evidence of equivalent research work. Further if he does not fulfil the above requirements within a period of five years of his appointment, his increments will be stopped till such time as he fulfils the above mentioned requirements.

The suggestion made by the Delhi University regarding improvement of research facilities, and in particular the provision of fellowships may be considered

by the Commission when detailed proposals are received.

All other universities in India should be informed that the terms formulated by Delhi University and accepted by the Commission would be equally applicable to them.

Item No. 1: To receive the minutes of the meeting of the Commission held on 10th March 1975..

The minutes of the 166th meeting of the University Grants Commission held on 10th March 1975 and the record of discussions held at the Commission's emergent meeting on 22nd March 1975 were confirmed.

With regard to Item No.28 of the minutes, the Commission desired to know if in the past extensions beyond the age of 58 years had been generally agreed to in all cases.

It was agreed that this information will be placed before the Commission.

- Item No. 2: (a) To approve the action taken on certain matters.
(b) To receive the items of information.
(c) To receive the statement of proposals which could not be accepted by the Commission.

- (a) The Commission approved the action taken on items listed in Appendix I*
(b) This was noted.

The Commission desired that a Committee may be set up to suggest measures which would help the Universities to utilize fully and effectively the available rupee foreign exchange. The Commission desired that a note may also be prepared justifying the additional requirements of foreign exchange for the Universities from hard currency area.

- Item No. 3: To approve the statement of grants released after the last meeting of the Commission held on 10th March 1975

The Commission approved the grants released after the meeting of the Commission held on 10th March 1975. (Appendix II*)

- Item No. 4: To receive a statement of expenditure incurred by the University Grants Commission during 1974-75 upto 28th February 1975.

This was noted.

In this connection, it was observed that due to non-availability of funds under non-plan for revision of scales of pay and enhancement of dearness allowance a sum of Rs.103.01 lakhs was temporarily re-appropriated towards the end of 1974-75 from plan resources to non-plan resources. The Commission felt concerned about this and desired that the Government of India be requested not only to provide necessary funds in 1975-76 to replenish the amount so utilized from plan budget but also to ensure that such exigencies do not arise in future and the amount required consequent upon the increase in the dearness allowance or the revision of scales of pay is made available to the Commission in time.

It was further noted that the Budget of the University Grants Commission for 1975-76, keeping in view the likely funds to be provided, will be placed before the Commission in its meeting to be held in May 1975.

The Commission further desired that a Committee may be appointed to review the functioning of the Gandhi Bhawans.

* Not enclosed

Item No. 5: To receive a statement indicating the progress of issue of utilization certificates during the period ending 15th March 1975.

This was noted.

Item No. 6: To consider the proceedings of the meeting of the Science Research Council held on 7th February 1975.

This was noted.

The Commission emphasised the need and urgency of establishing appropriate links between the Universities, the National Laboratories and other Scientific Research Institutions. These links should initially in the form of (a) exchange of personnel, (b) joint support for research projects of mutual interest, and (c) provision of a certain number of fellowships to enable the University people to work in the C.S.I.R. and other Laboratories and vice-versa. The S.R.C. may be requested to make specific proposals to implement these suggestions.

The Commission again stressed the need of setting up of Regional Instrumentation Centres for providing adequate maintenance and service facilities and for encouraging design and fabrication of indigenous equipment. Setting up of such Centres could be undertaken wherever appropriate in coordination with the Department of Science and Technology which has also plans for setting up such service Centres.

As regards the recommendation made by the S.R.C. to provide a basic grant as a core-support for research to every teacher, the Commission felt it may neither be possible nor desirable to provide such support on a per capita basis. On the other hand, a grant could be placed at the disposal of each University for providing such support to individual teachers provided the concerned University would agree to share the expenditure on some agreed basis. The S.R.C. may be requested to suggest suitable guidelines for purpose of utilization of such a grant by the universities.

Item No. 7: To consider a reference from the Government of India, Ministry of Education & Social Welfare regarding payment of maintenance grants to "deemed" Universities by the University Grants Commission.

Consideration of this item was postponed to the next meeting.

Item No. 8: To consider the question of assistance to Universities for field work in different disciplines.

The Commission agreed to the continuation of assistance for field work to postgraduate students in geology, geo-physics and applied geology during the

current plan period provided the concerned Universities agree to treat this an committed expenditure at the end of the Fifth Plan.

As regards extension of similar assistance for field work in other subjects, the Commission's support for field work should depend on (a) whether field work is an integral part of a course prescribed by the university, (b) whether marks are earmarked for field work and (c) whether the universities themselves have made any provision for this.

The Commission desired that information in this regard may be obtained from the universities and considered by the respective Subject Panels.

Item No. 9: To consider the question of laying down certain norms in respect of bifurcated colleges for bringing them within the purview of Section 2 (f) of the UGC Act.

The Commission was not generally in favour of establishment of uni-faculty colleges. If, however, there is a proposal to split an existing college into more than one independent unit, the universities may be advised to consult the Commission before a final decision is taken to split a college into two or more units. Further, the Commission felt that the colleges resulting from such division including the parent institution will have to be treated as new colleges and would have to fulfil the conditions prescribed under Section 12-A in addition to the other conditions laid down in the regulations before they are considered for inclusion in the list under Section 2 (f) of the UGC Act.

Arising out of this, the Commission noted that some proposals have been received by the Commission under its scheme of Rs. 5 lakhs assistance to the affiliated colleges. It was emphasised that assistance of the Commission should be related not only to enrolment but also to the academic performance of the colleges. In this connection, the Commission desired that a suitable method of grading the colleges may be evolved keeping in view the grading system adopted in the case of UGCIP colleges and the matter brought up before the Commission.

Item No. 10: To consider the question of the fixation of rates of non-practising allowance to be paid to the teaching staff of the Medical Colleges of the Central Universities in the revised scales of pay.

Consideration of this item was postponed to the next meeting.

Item No. 11: To consider the views of the Calcutta and Jadavpur Universities regarding the Memorandum of Association prepared by the Department of Electronics for the Regional Computer Centre at Jadavpur University.

The Commission noted the views expressed by the Calcutta and Jadavpur Universities on the Memorandum of Association suggested by the Department of Electronics for setting up a Regional Computer Centre at Jadavpur University. The Commission felt that since the Regional Computer Centre was being established mainly as an inter-university facility, the University concerned and the UGC should have the major responsibility for administering the Centre. The three agencies concerned with financing of the Regional Centre, namely, the Electronics Commission, the UGC and the Government of West Bengal should be equally represented on the Executive Committee by two members to be nominated by each agency. It should also have a representative of the Calcutta University and two other representatives to provide one each for (a) other universities in the State of West Bengal and other universities in the region in accordance with the rules to be provided for the purpose and (b) other users of the computer. The Vice-Chancellor, Jadavpur University, where the Regional Centre is to be established should be the ex-officio Chairman of the Executive Council and the Director of the Computer Centre should be the Member-Secretary of the Executive Council. The decisions of the Executive Council of the Regional Computer Centre should be outside the purview of the usual statutory authorities of the Jadavpur University.

The Commission agreed that the above views may be communicated to the Electronics Commission with a request that the Memorandum of Association may be revised accordingly and sent to the Commission. It was also agreed that the Jadavpur University be informed that it would be in the interest of efficient functioning of the Regional Centre if a separate Registered Society is constituted to manage this Centre and that in the Executive Council to be provided under the Memorandum of Association, the Vice-Chancellor of the university is the Chairman of the Executive Council and the Director is the Member-Secretary.

It was also noted that the University would have to be suitably compensated for any services and facilities which it may provide for the functioning of the Regional Centre.

Item No. 12: To consider the proposal of the Banaras Hindu University for creation of post of Director for Bharat Kala Bhavan during the Vth Plan period.

This was withdrawn.

Item No. 13: To consider the proposal of the Birla Institute of Technology and Science, Pilani for the post of Development Officer during Fifth Plan.

The Commission desired that the proposal of the Birla Institute of Technology and Science, Pilani, for the post of a Development Officer may be considered by the Visiting Committee along with other proposals of the Institute.

Item No. 14: To note the date and place for the next meeting of the Commission.

It was noted that the next meeting of the Commission would be held in New Delhi on May 12, 1975.

Item No. 15: To consider the report on the working of the instrument cell created at the Indian Institute of Science at Bangalore for indigenous manufacture of Scientific instruments.

The Commission desired that the Visiting Committee which would assess the Fifth Plan requirements of the Indian Institute of Science, Bangalore, may also be requested to consider the possibility of making Instrument Cell as an integral part of the Central Instrumentation and Services Laboratory and its activities. Pending the report of the Visiting Committee, the Commission may continue to assist the Institute for the maintenance of this Cell on the existing basis and the expenditure involved would be a charge on the Fifth Plan allocation.

The other development proposals suggested by the Committee could be considered either as a part of the overall Fifth Plan proposals of the Institute or as specific research projects in consultation with the S.R.C.

Item No. 16: To consider the question of providing additional Basic Grants to the Departments of Special Assistance (Science) during the Vth Plan period for the purchase of Equipment, Books & Journals.

The Commission noted that the initial assistance for the Departments included in the programme of special assistance to Selected Departments had been given for the period of five years (1972-1977) in the first instance and this had been subsequently extended upto the end of the Fifth Plan period on condition

that the committed expenditure would be taken over by the Universities. It was also noted that some of the Departments had utilized fully the grants available to them for purchase of scientific equipment, books and journals and had requested for additional funds required during the rest of Fifth Plan period. The Commission was of the view that, instead of providing a basic grant for these purposes for all the Departments, each proposal may be examined on merit, keeping in view the progress of implementation of the academic programmes of the Departments.

Item No. 17: To consider the question of enhancement of the limit laid down by the Commission for payment of honorarium to the visiting teachers/experts for extension lectures in universities under the "Unassigned Grants"

The Commission agreed that clause (c) of the guidelines in respect of visit of teachers, experts, scientists from within the country under the scheme "Exchange of Teachers" covered under the "Unassigned Grant" may read as follows :

"The Visiting teachers/experts may be paid an honorarium upto Rs. 100 per lecture/seminar, the exact amount to be decided by the Vice-Chancellor. A maximum of Rs. 500/- would be available for an assignment of not less than two weeks' duration."

The Commission noted that the experts who may be invited for lectures/seminars could either be from the university system or from outside the system.

Item No. 18: To consider proposals received from the colleges which are not at present participating in COSIP for participation in college humanities and social science improvement programme (COHSIP)

Consideration of this item was postponed to the next meeting.

Item No. 19: To consider the question of proper functioning of private technical institutions in the country and their further development.

The Commission regretted its inability to accept the suggestion of the Committee appointed by the A.I.C.T.E. that the U.G.C. may undertake on its behalf a review of the existing four engineering colleges in Karnataka which are at present functioning on the basis of capitation fees.

Item No. 20: To consider the general question of financial assistance to universities for celebration of Golden Jubilee during the Fifth Plan period and the proposal of Andhra University for a grant for the Golden Jubilee in 1976.

The Commission agreed that the present level of assistance i.e. Rs. 10 lakhs may be provided to the universities in connection with their Golden Jubilee celebrations. The Commission, however, desired that the universities be advised that at least 2/3rd of such a grant may be used for augmenting research facilities in the university.

Item No. 21: To consider a proposal of the Punjab University for organising a Summer Institute in Analytical Chemistry during 1975.

The Commission accented the proposal of the Panjab University for organising a summer institute in analytical chemistry during 1975 and to provide assistance for the purpose according to the usual norms.

Item No. 22: To consider the proposal of the Kashmir University for grant of Rs. 1.89 lakhs for meeting the salaries and other recurring expenditure for the financial year 1974-75 in respect of Gulmarg Research Observatory.

Consideration of this item was postponed to the next meeting.

Item No. 23: To consider the recommendations made by the Panel on History about the development of museums and provision of audio-visual aids in the universities and development of studies in the History of Science.

Consideration of this item was postponed to the next meeting.

Item No. 24: To consider a proposal for instituting fellowships for foreign students for research work in Indian Universities.

The Commission agreed to the institution of ten junior and five senior research fellowships for foreign students among from developing countries for undertaking research work.

Item No. 25: To consider the question of assessment of the work of the Junior Research Fellows so as to become eligible to receive fellowships at Rs. 500/- p.m.

Consideration of this item was postponed to the next meeting.

Item No. 26: To consider the question of institution of posts of Readers in Colleges.

Consideration of this item was postponed to the next meeting.

CONFIDENTIAL

UNIVERSITY GRANTS COMMISSION

Appendix I
to the Minutes

Meeting:

Dated: 14th April, 1975

Item No.2(a): To approve the action taken on certain matters.

(1): Approval of retired teachers selected under the scheme of Utilisation of Services of Retired Teachers.

.....

The Commission constituted a Committee for making recommendations regarding selection of teachers under the scheme of utilisation of services of retired teachers during the year 1974. This Committee met on 7th Sept., 1974 and 8th October, 1974 and recommended retired teachers for fresh award under the scheme and also extension of tenure of the retired teachers who were already under the scheme. Further, the Committee also decided that those cases of teachers referred to experts but whose comments were not received may be decided by the Chairman on receipt of the same. Accordingly, the selection of 27 teachers under fresh award made during the year 1974 and 24 teachers recommended for extension of tenure under the scheme had already been approved by the Commission at its meeting held on 24th November, 1974 (Item-2(a)(5)).

Comments from experts have been further received in respect of 8 more teachers as given below and they have been approved for fresh award under the utilisation of services of outstanding retired teachers.

S.No.	Name of the Selected Candidate	University	Subject.
1.	2.	3.	4.
1.	Prof. S.M. Mohsin	Patna	Psychology.
2.	Dr. G.N. Sharma	Rajasthan	Sanskrit.
3.	Prof. Santidev Ghose	Visva-Bharati	Music.
4.	Prof. J.J. Chinoy	Gujarat	Botany.
5.	Prof. F.J. Noronha	Bangalore	Mathematics.

7.	Dr. M.L. Vidyarathi	Kanpur	History.
8.	Dr. Ramanand Tiwari	Rajasthan (M.S.J. College, Bharatpur)	Philosophy.

Extension of tenure in respect of Prof. B. Dayal, Department of Physics, Meerut University, Meerut for a period of one year w.e.f. 1st October, 1974 has also been approved on the basis of comments received from experts.

.....

- (2) Bhagalpur University Grant-in-aid for the construction of Post-Graduate Mathematics and Statistics Block.

.....

The Bhagalpur University had provided an amount of Rs. 1,50,000/- for the construction of a combined building for the Departments of Mathematics and Statistics within its over-all Fourth Plan allocations. In July, 1973 the University informed the Commission that it had decided to construct a separate block for each of the two Departments at an estimated cost of Rs. 3,02,000/- and sent the plans and estimates for Commission's approval. The University was informed that it would be difficult for the Commission to provide funds over and above the allocation of Rs. 1,50,000/-. The University was, therefore, advised better to take up the construction of only one Block or to postpone the construction of these buildings to the Fifth Plan.

The Bhagalpur University subsequently sent the plans and estimates amounting to Rs. 5,36,000/- for the construction of a combined block for the Post-graduate Departments of Mathematics and Statistics and sought Commission's approval for the same. The proposal of the University has been accepted at an estimated cost of Rs. 4,94,400/- (Calculated on the basis of the norms provided by the UGC on various services) on the condition that the share of the Commission for the purpose will be limited to Rs. 3,22,200/- (i.e. Rs. 1,50,000/- as provided in the Fourth Plan plus Rs. 1,72,200/- being 50% of the remaining amount of Rs. 3,44,400/- viz. Rs. 4,94,400- Rs. 1,50,000/-) and that the entire grant approved by the Commission in this regard will be the first charge on the 5th Plan allocations of the University.

.....

- (3) Delhi University Constituent Colleges- Finalisation of the accounts of the maintenance grants paid by the University Grants Commission.

....

Maintenance grants to constituent/affiliated colleges of Delhi University are being paid on 95% basis for meeting the deficit (i.e. approved expenditure minus approved income). In the case of University maintained colleges and evening classes of the colleges, maintenance grant is paid on a 100% basis against admissible deficit. The audited accounts in respect of the following colleges for the year 1972-73 have been examined and the accounts of admissible maintenance grant finalised as indicated below:-

(4) Recommendations made by the Block Grant Committee on Central Universities.

.....

The Commission had appointed a Committee to determine the block grant of Central Universities. The member of the Committee is given in the Annexure.

The Committee had a few meetings and considered issues relating to the determination of the block grant of the Central Universities. The Committee has recommended that the following items may be taken into account for determining the committed expenditure in respect of the schemes accepted during the 4th Five-Year Plan:

1. Posts: All posts sanctioned during the 4th plan period which remained filled as on 31.3.1974, including those which were filled earlier but were vacant as on 31.3.1974.
2. Other expenditure: The level of actual expenditure in respect of each scheme as in 1973-74 but not exceeding the amount sanctioned by the Commission for the purpose.

The recommendations of the Committee have been accepted and the universities have been requested to send statements for determining the committed expenditure on the basis of these recommendations of the Block Grant Committee.

.....

- (5) Central Universities-Applicability of Deposit-Linked Insurance Scheme for subscribers to the Provident Funds to the teaching as well as non-teaching employees of the Central Universities.

.....

With a view to providing extra social security to the Families of of the subscribers to the Provident Funds and a positive incentive to Central Govt. Employees to save more, the Govt. of India in the Ministry of Finance (Department of Expenditure) has, vide its Office Memorandum No. F. 9(10)-E.V.(B)/73 dated the 8th January, 1975 introduced a Deposit Linked Insurance Scheme which provides an insurance cover to the subscribers without payment of premium. The scheme has come into force from the date of issue of the memorandum i.e. the 8th January, 1975.

It has been agreed that the above scheme may be made applicable to the employees, teaching as well non-teaching, of the Central Universities and the Colleges affiliated to the Delhi University which are receiving maintenance grant from the University Grants Commission from the same date and on the same terms and conditions as contained in the above referred office memorandum dated the 8th January, 1975.

The scheme will be administrated as follows:-

- i) On the death of a subscriber in service, the person(s) eligible to receive Provident Fund balances in terms of the relevant rules will be sanctioned an additional amount equal to the average balance in the account of the deceased employee in the Fund during the three years immediately preceding the death of the employee subject to the provisions of sub-para (iii) below:
- ii) In the case of Contributory Provident Fund, only the subscription of the employee with interest thereon will be taken as the balance for the purpose of this scheme ;
- iii) The above benefit will be available subject to the fulfilment of the following conditions:-
 - a) The balances in the account of the Government servant should not have fallen below the following limits at any time during the three years preceding the date of death:-

Class-I	:	Rs. 3,000/-
Class-II	:	Rs. 2,500/-
Class-III	:	Rs. 2,500/-
Class-IV	:	Rs. 1,000/-
 - b) The upper limit upto which the benefit of insurance cover will be available will be Rs.10,000/-. Thus, any amount in excess of Rs.10,000/- in the Fund will be disregarded for the purpose of this extra benefit.
 - c) The benefit would be admissible only if any employee has put in at least five years' service at the time of death.

The Central Universities have been informed accordingly.

.....

- (6) Approval of Ad-hoc grant for Introduction of work experience in Colleges.

.....

Pending the finalization of the scheme for linking education with productivity and Introduction of Work experience in Universities/Colleges, ad-hoc grants have been approved to the following colleges for implementation of certain projects towards "Introduction of work experience in Colleges" during 1974-75.

- | | | |
|----|--|-------------|
| 1. | Radhaswami Educational Institute,
Degree College, Agra. | Rs. 2,500/- |
| 2. | D.E.I. Women's Training College, Agra. | Rs. 5,000/- |

.....

- (7) Increase in approved cost of the research project and Professor V.P. Subramanyam, Department of Meteorology and Oceanography, Andhra University, Waltair.

.....

The Commission at its meeting held on 18th April, 1974 vide Item No. 33 accepted the recommendations of the Panel of Scientists and Science Research Council and agreed to provide grants to various research projects. A grant of Rs. 13,500/- was approved to Prof. V.P. Subramanyam, Department of Meteorology & Oceanography, Andhra University, Waltair, for undertaking the research project entitled "Studies in Urban Meteorology of Visakhapatnam" for three years. The grant included Rs. 1500/- p.a. for undertaking field work. On receipt of specific request from the Principal Investigator and considering the increase in price of petrol this grant was increased to Rs. 2,500/- p.a. thereby increasing the total approved cost by Rs. 3,000/-.

.....

- (8) Selection of scientists for the awards instituted with the help of endowment made available by the Hari Om Ashram Trust, Nadiad (Gujarat) for the year 1974.

.....

The Commission at its meeting held on 9th and 10th December, 1974 (Item No. 13) appointed the Jury for making final selection of the scientists for the awards instituted by the Commission from out of the endowment made available by Hari Om Ashram Trust, Nadiad. The Jury at its meeting held on 11th March, 1975, selected the following scientists for the awards for the year 1974:

- (i) For Sir C.V. Raman Award for Experimental Research in Physical Sciences: Dr. R.R. Daniel (Age-51 years). Tata Institute of

contd..

Fundamental Research, Bombay, for his contributions in the Studies of Cosmic Rays particularly High Energy Cosmic Ray Electrons and the inferences made on some properties of the galaxy.

- (ii) For Homi J. Bhabha Award for Research in Applied Sciences:
Professor T.R. Anantharaman (Age-47 years), Head of the Department of Metallurgical Engineering, Banaras Hindu University, Varanasi, for his contributions in the areas of physical metallurgy and organising an outstanding school of research in that subject at Banaras Hindu University.
- (iii) For Meghnad Saha Award for Research in Theoretical Sciences:
Professor S.K. Joshi (Age-40 years), Head of the Department of Physics, University of Roorkee for his contributions in the fields of Theoretical Solid State Physics and the leadership in organising an active school of Solid State Physics at Roorkee University.

The selected scientists and the Trustees of Hari Om Ashram have been informed and a Press Note has also been issued. These awards each of the value of Rs. 10,000/- are being made by the Commission for the first time. These awards will be given away at a special function to be organised for the purpose in due course.

.....

- (9) Approval and payment of ad-hoc basic grant to the Centres of Advanced Study towards purchase of Equipment and Books & Journals.

...

The Commission at its meeting held on 31st January, 1975 interalia decided that the Vth Plan proposals relating to existing Centres of Advanced Study may be examined by the members of the Assessment Committee which had visited these centres in IVth Plan. It has since been decided that pending examination of the detailed financial requirements of the existing Centres, basic grants be approved to them for purchase of Equipment and Books and Journals and to release 1st instalment of grants to the Centres during the year 1974-75. The grants approved and grants released to the Centres are as follows:-

- (12) Items assigned to the Commission for implementation under Indo-FRG Cultural Exchange Programme 1975-76.

.....

The Government of India in the Department of Culture has forwarded the finalised Indo-FRG Cultural Exchange Programme 1975-76. The following items have been assigned to the Commission for implementation under the above programme:-

<u>Item.</u>	<u>Particulars.</u>	<u>Remarks.</u>
II.	<u>University Education.</u>	
	<u>Centre of German Studies at the Jawaharlal Nehru University.</u>	
a)	Both sides agree that there will be collaboration and cooperation in the development of the Centre of German Studies at the J.N.U. in accordance with the detailed arrangements enumerated in letters on the subject exchanged between the two sides.	This item has been assigned to Deptt. of Education (U Division./UGC). U.G.C. will support such collaboration.
b)	<u>Lecturers for German language .</u>	
	FRG side will send German language teachers for teaching German language and literature at Indian Universities/Institutions of Higher learning. Details about number of teachers and the condition of their assignment will be worked out by mutual consent between the GAES and UGC.	The matter is under discussion with the German Academic Exchange Service relating to the number of positions available. The Commission will coordinate the services of German language teachers in the universities and IIT's keeping in view the German teachers already in position and their continuation in 7 universities in the country. The nominations have been invited from the Indian Universities/Institutions with a view to supplement the teaching of German language in these universities.
c)	Both sides agree to encourage and develop bilateral contacts and exchanges between Deptts. of Universities and other Institutions of Higher learning including on the Indian side the School of Planning and Architecture, IITs and All India Instt. of Medical Sciences.	This items has been assigned to Deptt. of Education (T. Division)/U.G.C./Deptt. of Health/ICSSR etc. As far as the UGC is concerned 7 universities have been selected out of the list earlier approved by the Commission as indicated below to nominate a senior teacher for academic

Item No.	Particulars.	Remarks.
		and exploratory visit to universities in FRG with a view to formulate the academic link between the selected universities in both the countries.
	The list of the departments of universities and Institutions which are to develop bilateral contacts shall be drawn up by mutual consultation between the two Governments and details of visits of teachers, experts and Scholars and exchange of publications, teaching and research material and joint research programmes will be worked out by mutual consent of the Departments of universities and Institutions having bilateral contacts in consultation with the respective Governments.	i) Madurai University (Biological Sciences) ii) Panjab University (Maths.) iii) Banaras Hindu University (Medical Sciences and Metallurgy). iv) Jadavpur (Elect. Engg.) v) Delhi University (History) vi) J.N. University (Centre of German Studies). vii) Bombay University (Economics)
	Joint proposals will be submitted by the respective German and Indian Universities to the authorities designated by each side.	The objective is to develop bilateral contacts by mutual consultation between the two Governments in regard to research materials and joint research programmes in selected disciplines. The joint proposals as and when received from the above universities will be submitted to the authorities designated by each side.
	After receipt of a joint proposal the authority designated will endeavour to communicate within three months.	
	This procedure will also apply to proposals contained in the letters on the subject exchanged between the two sides.	
ii)	Both sides agree to the exchange of upto 6 younger Scientists to provide contacts between them in Indian and German universities/Institutions. The details of contacts will be worked out by mutual consent.	The Commission is negotiating with German Academic Exchange Service for utilising six placements made available by the latter for younger Indian Scientists for spending about three months at German universities/Institutions. The universities have been invited to send their nominations for teachers below the age of 35 years holding

permanent staff positions in the Indian Universities. The procedure of selection is under consideration in consultation with German Academic Exchange Service. The teachers selected in this programme will be required to work out a scientific programme giving the details about the particular German Institutions to be visited and the well-thought out plan of work.

d) Scholarships.

ii) As in the past FRG side will offer scholarships for postgraduate and research work for Indian nationals. Of these certain number would be earmarked annually for research Scholarships to UGC. The fields will be decided by mutual negotiations.

As in previous years the Commission will invite suitable nominations from universities for Postgraduate research work in FRG Institutions under the Fellowships likely to be made available by German Academic Exchange Service this year. In 1974 the Commission had selected 10 candidates for award of German Academic Exchange Service Fellowships for the year 1975. The selection for 1976 will be made in September-October, 1975.

6.(e) III Libraries, Archives & Seminars.

Both sides will examine the possibility of free exchange of microfilms copies of rare books, manuscripts and documents between the Libraries, archives and museum of each other's country.

This is a continuing item and Universities/Institutions will be encouraged to have such exchanges.

(12) Sardar Patel University-Implementation of Examination Reform.

....

The Commission at its meeting held on 8th July, 1974 (Item No.9) considered the question of inclusion of some more universities in the scheme of special assistance towards examination reform programme and was of the view that any university which has a specific programme of examinations Reform may submit its proposal and this may be considered within the ceiling of Rs. 60 lakhs already ear-marked for examination reform programme during the 5th Five Year Plan.

contd...

In the light of the above resolution of the Commission the proposal of the Sardar Patel University for a grant of Rs. 25,000/- towards conducting seminars/workshops etc. on Examination Reform has been acceded to and the university informed accordingly. The University has already introduced a system of internal assessment, the weightage being 30 to 50 per cent. It has also accepted the concept of question bank to be introduced in phases.

Dr. S.K. Das Gupta	Joint Secretary
Shri S. Viswanath	Deputy Secretary
Shri I.C. Menon	Deputy Secretary
Dr. S.C. Ghol	Deputy Secretary
Dr. M.L. Mehta	Deputy Secretary
Dr. T.N. Hajela	Deputy Secretary
Shri Y.D. Sharma	Deputy Secretary
Shri R.P. Bhattacharjee	Finance Officer

Before taking up the formal agenda, the Vice-Chairman referred to the demise of Dr. S. Radhakrishnan on April 17, 1975. The Commission then placed on record its deep sense of sorrow and grievous loss at the passing away of Dr. Radhakrishnan, an eminent educationist and philosopher statesman. The Commission observed a minute silence in memory of the departed leader and resolved to convey its sense of sorrow to the members of the bereaved family.

Item No.1: To receive the minutes of the meeting of the Commission held on 14th April, 1975.

The minutes of the 167th meeting of the University Grants Commission held on 14th April 1975 were confirmed.

Item No.2: (a) To approve the action taken on certain matters.

The Commission approved the action taken on items listed in Appendix 1*

* Not enclosed.

Item No.3 To approve the statement of grants released after the last meeting of the Commission held on 14th April, 1975.

The Commission approved the grants released after the meeting of the Commission on 14th April 1975 (Appendix II*)

Item No.4: To receive a statement of expenditure incurred by the University Grants Commission during 1974-75 upto 31st March, 1975.

This was noted.

Item No.5: To receive a statement indicating the progress of issue of Utilisation Certificates during the period ending 15th April, 1975.

This was noted.

It was agreed that the statement indicating the progress of issue of utilization certificates may henceforth be placed before the Commission after two months. The statement should also be brought up-to-date i.e. upto 1973-74.

Item No.6: To consider a reference from the Government of India, Ministry of Education & Social Welfare regarding payment of maintenance grants to "deemed" Universities by the University Grants Commission.

The Commission agreed that responsibility for payment of maintenance and development grants to the Tata Institute of Social Sciences, Bombay and the Central Institute of English and Foreign Languages, Hyderabad, may be taken over by the University Grants Commission on the definite understanding that adequate funds required for the purpose, including those required consequent upon the revision of scales of pay and payment of revised dearness allowances will be placed at the disposal of the Commission as non-Plan funds.

With regard to the remaining "Institutions deemed to be Universities", it was suggested that the matter may be further discussed with the Government of India.

The Commission further desired that in keeping with the general policy that the maintenance and development grants may be paid from the same source, as far as possible, the question of transfer of work relating to the payment of maintenance grants to the Indian Institute of Science, Bangalore and the Indian School of Mines, Lhanbad, may be pursued with the Ministry of Education.

Item No.7: To consider proposals received from the colleges which are not at present participating in COSIP for participation in College Humanities & Social Sciences Improvement Programme(CCHSIP).

The Commission agreed that the list of colleges selected for participation in the CCHSIP Programme may be finalised in the light of the discussions held at the meeting of the Commission. The list of such colleges finally selected may be reported to the Commission.

Item No.8: To consider the proposal of the Kashmir University for grant of Rs. 1.89 lakhs for meeting the salaries and other recurring expenditure for the financial year 1974-75 in respect of Gulmarg Research Observatory.

The Commission regretted its inability to accept the proposal of the Kashmir University for a grant of Rs. 1.89 lakhs for meeting the salary and other recurring expenditure for the year 1974-75 in respect of Gulmarg Research Observatory and reiterated its earlier decision that the recurring expenditure for this as on 1.4.1975 should be treated as committed expenditure of the University.

The Commission was further of the view that the staff and other facilities available at the Observatory should be integrated with the Department of Physics of the University.

Item No.9: To consider the recommendations made by the Panel on History about the development of museums and provision of audio-visual aids in the universities and development of studies in the History of Science.

The Commission agreed to assist the universities to acquire audio-visual aids, e.g. transparencies, plaster casts and epidiascopes etc. for the Departments of History and Archaeology and agreed to provide a grant upto Rs. 15,000 to a selected department for the purpose in the Fifth Plan period.

It was further agreed that a grant upto Rs.20,000/- may be provided to the Universities which have already working museums in history and archaeology for further development of such museums during the Fifth Plan period. The Commission desired that proposals may be invited from the universities and examined.

In connection with the development of studies in the history of science, the Commission desired that proposals may be invited in this regard from the universities which have strong departments of science, history and philosophy. Normally, such programmes will be organised on an inter-departmental basis. The Commission would provide salary of a teacher either in the Lecturer's or Reader's grade on cent per cent basis during the Fifth Plan period. Such assistance may be provided on

condition that the institutions will take over the liability after the Commission's assistance ceases at the end of the Fifth Plan. Proposals in this regard may be invited from the universities.

In this connection, it was noted that the Panel on History and Archaeology had suggested the setting up of a Museum of Man. The Commission was in general agreement with this suggestion and desired that the matter may be taken up with the Department of Culture.

Item No.10: To consider the question of assessment of the work of the Junior Research Fellows so as to become eligible to receive fellowships at Rs.500/- p.m.

The Commission noted the increase in the value of Junior Research Fellowship from Rs. 300/- to Rs. 400/- w.e.f. 1.7.1974 and that to Rs.500/- subject to evaluation of the work of the fellow at the end of two years of fellowship. The date from which this increase from Rs.400/- to Rs. 500/-p.m. is to be made effective was considered and it was agreed that this may be made with effect from 1.7.1975 subject to the condition that each fellow to be evaluated for the purpose would have held the junior fellowship for not less than two years, of which at least for one year the fellowship would have been at Rs. 400/-p.m.

The Commission further agreed that the procedure for evaluation of the fellow's work at the end of two years may be uniform for all research fellows supported by the Commission. The mechanics for evaluation of the fellows work may be worked out with the help of a Committee.

Item No.11: To consider the question of institution of posts of Readers in Colleges.

The Commission desired that the proposal for instituting Readerships in Colleges be referred back to the sub-committee for consideration.

Item No.12: To consider the Report of the Visiting Committee's to Universities in Kerala (Cochin, Calicut and Kerala).

The Commission desired that the report of the Visiting Committee to the Universities of Kerala State may be examined by a sub-committee in the light of the discussions held at the meeting of the Commission and brought up before the Commission again.

Item No.13 To consider the Report of the Visiting Committee to Himachal Pradesh University.

The Commission generally accepted the report of the Visiting Committee appointed to assess the Fifth Plan requirements of the Himachal Pradesh University. The Commission desired that the report may be sent to the University and it may be requested to indicate the items to be taken up at a cost not exceeding Rs. 75 lakhs during the Fifth Plan including the spill-over.

Item No.14 To consider the question of increasing the amount of Hari Om Ashram Trust awards from Rs.10,000/- to Rs. 15,000/- each.

The Commission was of the view that individual awards under the scheme should not generally exceed Rs. 10,000 in value, even though there is increase in income from the endowment. However, where the award is shared by more than two persons, the minimum value of each of the awards should not be less than Rs. 5,000/-. The Commission felt that any saving arising from the income from the endowment could be used for instituting separate awards, for example, in an area on interaction between science and society and this could be negotiated with the donors, namely, Hari Om Ashram Trust.

Item No.15 To consider the trends in different states regarding failure rates at the first and second degree examinations.

This was noted. It was agreed that this may be referred to the Implementation Committee on Examination Reforms.

Item No.16: To note the date and place for the next meeting of the Commission.

It was noted that the next meeting of the Commission will be held in Bombay on June 2, 1975.

Item No.17: To consider the rules governing Commission's grant towards students' Aid Fund for the Year 1975-76 to affiliated colleges.

The Commission approved the rules governing Commission's grant towards Students Aid Fund for the year 1975-76 to the affiliated colleges of the Universities.

Item No.18: To consider the proposal of the Poorkhee University for running special one-year pre-admission course for Scheduled Castes and Scheduled Tribes students.

The Commission desired that this may be discussed with the Vice-Chancellor, Poorkhee University in the first instance.

Item No.19: To consider further the question of reservation for Scheduled Castes and Scheduled Tribes in the matter of appointments to teaching posts in the universities.

The Commission desired that in the first instance the matter may be referred to the Committee of Vice-Chancellors of Central Universities for their views. In this connection, it was reported that the Ministry of Education had asked for the views of the

Commission regarding the reservations made under Section 6(2) of the Kerala University Act, 1974. It was agreed that this may be brought up before the Commission again after the Committee of Vice-Chancellors of the Central Universities had considered the general question referred to above.

Item No. 20: To consider the Budget Estimates for the year 1975-76 - PLP

The Commission noted that the provision of Rs. 30.20 crores had been made by the Government of India under Plan for the UGC for 1975-76. In addition, an opening balance of Rs. 1.77 crores was available to the Commission under Plan.

The budget estimates for 1975-76 prepared by the office of the Commission had been scrutinized by the Planning Group and it has been endorsed that to meet the minimum requirements of the universities and the colleges, a sum of Rs. 35.3308 crores would be required by the Commission. The Commission while agreeing to operate on a budget of Rs. 35.3308 crores as given in appendix III decided that the Government of India be requested to provide additional funds essentially required to meet the gap between the amount suggested in the Budget Estimates and the amount actually available, i.e. about Rs. 3.36 crores. The Commission further agreed that the expenditure on payment of grants to the Universities and Colleges would be limited to Rs. 31.9764 crores until such time the Government of India are in a position to provide additional funds to the Commission. The Commission further stressed the urgency in intimating the overall allocation available during the Fifth Plan by the Government of India, (a) for development of engineering and technological education in the universities and (b) for medical colleges of the Central Universities and the Hospitals attached to them.

It was noted that the other recommendations of the Planning Group would be placed before the Commission at its next meeting.

The Commission noted that a provision of Rs. 21.08 crores has been proposed during 1975-76 under non-plan, which included a provision of Rs. 3 crores for revision of scales of pay and the increase in dearness allowance in respect of Central Universities and Delhi Colleges. The Commission desired that the exact requirements of the Central Universities and the Delhi Colleges in this regard may be worked out as early as possible and if the funds provided were not adequate, the Government of India may be approached to provide additional funds after taking into account the amount already spent for these items during 1974-75.

Item No. 21 : To consider certain establishment matters of the University Grants Commission.

- (i) To consider the request of Shri S.P. Bhatia, Personal Assistant, for further extension of time limit for completion of construction of the house.
- (ii) To receive a note regarding grant of extensions in service to the employees of the University Grants Commission beyond the age of superannuation.

....

(i) The Commission as a special case agreed to grant further extension of time limit upto 3rd July, 1975 to Shri S.P. Bhatia, Personal Assistant, for the completion of the house as well as other formalities under the rules in view of the circumstances of the case.

(ii) The Commission on reconsideration agreed to grant extension in service to Shri R.L. Ghir, Assistant Secretary, for a period of one year in the first instance, w.o.f. 16th August, 1975 on attaining the age of superannuation.

Item No. 22 : To consider a proposal received from the Visva-Bharati relating to the comprehensive programme of Pali Sangathan Vibhaga, Sriniketan.

The Commission agreed to the proposal of the Visva-Bharati for creating a post of Special Officer (rural extension) and making appointment to the same on condition that the expenditure on this will be the first charge on the Fifth Plan allocation of the University. The other requirements of the University for rural extension may be considered by the Visiting Committee which will examine the Fifth Plan requirements of the University.

Item No. 23 : Short Term Institutes.

It was brought to the notice of the Commission that earlier it had been mentioned that no honorarium would be admissible to the Directors, academic staff, guest Lecturers and Visiting Lecturers of the short-term institutes being organised with Commission's support. The Commission agreed that honorarium may be admissible to the Director, academic staff, guest lecturers, and visiting lecturers provided the Commission's contribution towards the organisation of the short-term institute would not exceed the limit already agreed to under the Faculty Improvement Programmes.

UNIVERSITY GRANTS COMMISSION

Meeting:

Dated: 12th May, 1975.

Item No.2(a): To approve the action taken on certain matters.

- (1) Utilisation of the Services of Outstanding Retired Teachers - Acceptance of the recommendations of the Selection Committee constituted for the selection of candidates under the Retired Teachers' Scheme.
-

The Committee constituted by University Grants Commission to recommend selection of Retired Teachers under the Scheme of Utilisation of Services of Outstanding Retired Teachers met on 11th March, 1975 at 2.30 P.M. The Committee considered the nominations/recommendations made by Vice-Chancellors in respect of retired teachers and recommended 23 retired teachers for fresh award under the scheme.

The Committee also considered the proposals received for extension of tenure of the retired teachers already working under the scheme and felt that in those cases recommendations have been received from Vice-Chancellors for extension of tenure of teachers working under the scheme of Utilisation of Services of Retired Teachers, the extensions may be granted for the period as recommended by the Vice-Chancellors subject to a maximum of 2 years or upto the attainment of 68 years of age whichever is earlier. The Committee also resolved that the cases of extension with recommendations of the Vice-Chancellors where the term expires before the next meeting may be decided by the Vice-Chairman as and when they are received. The recommendation of the Vice-Chancellor, Indore University, in regard to the extension of Dr. R.K. Yarday was accepted by the Committee in the light of this decision.

The minutes of the meeting of the Selection Committee appointed under the Scheme of Utilisation of Services of Retired Teachers is placed at Appendix-I.

The recommendations made by the Selection Committee at its meeting held on 11th March, 1975 have been accepted (vide orders dated the 20th March, 1975 and 6th April, 1975).

Extensions of tenure under the Retired Teachers Scheme given to 32 teachers as given in Appendix-II.

- (2) Acceptance of the recommendations regarding the Selection of National Associates by subject panels under the Scheme of National Associateship.
-

In the year 1970, the University Grants Commission initiated the scheme of National Associateship to enable outstanding young teachers from universities and colleges engaged in research to visit and work for short periods at University Centres, Research Institutions, National Laboratories etc., which have special facilities relevant to their respective fields of study and research. Initially, the Commission instituted 100 positions. Later this has been raised to two hundred by the Commission at its meeting held on 10th December, 1973.

The Commission at its meeting on 10 December, 1973 inter-alia decided that the selection of National Associates may be done in consultation with the subject panel.

Accordingly, the nominations received under the National Associateship Scheme were referred to subject panels of Geography, Mathematics, Biological Sciences, Chemistry and History which met and recommended candidates for award under the Scheme as given below:-

Name of the subject panel.	Date of meeting.	No. of applications referred.	No. of applications recommended by the Panel.
1. Geography	16.11.74	4	-
2. Mathematics	22.11.74	21	2
3. Biological Sciences:	30.11.74	59	
(a) Botany			7
(b) Zoology			1
(c) Microbiology			2
(d) Biochemistry			1
(e) Medicine			1
		Total:	12
4. Chemistry	28.12.74	56	10
5. History	15. 1.75	10	5
	Grand Total:	150	29

The above panels recommended 29 candidates for selection under the National Associateship Scheme. The list of persons recommended is given in Appendix. The recommendations made for selection of National Associates by subject panels have been accepted. The total position filled in so far is one hundred thirty one (vide orders dated 19.2.1975).

- (3) Economy in Expenditure Temporary ban on construction of buildings.

The Commission at its meeting held on 8th July, 1974 had considered the memorandum issued by the Government of India in respect of economising expenditure by continuing temporary ban on construction of non-functional buildings. As decided at the meeting, the Government of India was requested to treat buildings required for libraries, laboratories including workshops and animal houses, classroom accommodation and such other buildings as may be required for installation/housing of scientific equipment as functional. It was further requested that any other building that may have to be constructed be considered on merits of each case.

The Government of India has accordingly re-considered the matter and in relaxation of the earlier orders, it has been decided now that buildings required for installation/housing of scientific equipment, laboratory, library and workshop buildings are exempt as a class of functional buildings. Class-room accommodation and lecture theatres in existing institutions only, will also be exempt from the ban, subject to the condition that the load of expenditure in the next year (1975-76) is kept within the level of reduced provision for the year. Other non-functional buildings like residential hostels and administrative buildings would continue to be banned.

This decision of the Government of India has since been brought to the notice of universities (vide orders dated 21.3.1975). The universities have further been requested that this decision may also be brought to the notice of colleges affiliated to them.

The Government of India, Ministry of Education and Social Welfare has further been requested to reconsider the question of lifting ban on the construction of Students Hostels since hostels are necessary for reducing the growth of ~~new~~ colleges as also for ensuring access to higher education to the under-privileged classes/sections of society. It has also been brought to the notice of the Govt. of India, that the Commission has already decided that in the Fifth Plan where institutions are assisted by the UGC to construct hostels for students they would be required to reserve 20% of the seats in such hostels for students belonging to Scheduled Castes and Scheduled Tribes.

The Ministry of Education had also earlier desired that the provision of hostel facilities be given top priority by all universities and colleges receiving assistance from the Commission. The decision in this regard is awaited.

- (4) Extension to the Deptt. of Chemical Engineering construction of Building.
-

The Commission on the recommendation of the Visiting Committee approved the construction of building for the Department of Chemical Engineering at the estimated cost of Rs.3 lakh in the Banaras Hindu University. The university sent a plan and estimates amounting to Rs.3,50,300/- for the work. The Commission in view of the blanket ban imposed by the Government of India on the construction of new buildings, returned the plan and estimates to the University. The Banaras Hindu University resubmitted the plan and estimates for the approval of the Commission and stated that the project would be included in the Vth plan.

The Commission in view of the urgency of the project has accepted (vide orders dated 18.3.1975) the proposal of the University to start construction of the extension of the Department of Chemical Engineering building; as per plans and estimates amounting to Rs.3.02 lakhs as indicated by the C.P.W.D.

- (5) Junior Research Fellowships/P.G.Scholarships to the students belonging to the Hill Areas of North Eastern India.
-

The Commission awards 20 P.G.Scholarships/Junior Research Fellowships every year to the students belonging to the Hill Areas of Assam/Arunachal Pradesh/Manipur/Nagaland/Meghalaya/Mizoram or undertaking research work/post-graduate studies in Sciences and Humanities (including social Sciences). The value of the Scholarship is Rs.1800/- p.a. for P.G. Studies. The value of Junior Research fellowship has been increased from Rs.300/- p.m. to Rs.400/- p.m for the first two years and Rs.500/- p.m. for subsequent two years with effect from 1.7.1974. On the recommendations of the Committee consisting of Dr. C.D. Davanesan, Vice-Chancellor, North Eastern Hill University, 2. Dr.A.N. Mitra, Department of Physics, Delhi University, 3. Dr. K.N. Saxena, Deptt., of Zoology, Delhi University and 4. Dr.C.P. Bhambri, Department of Pol. Science, Jawaharlal Nehru University, 27 P.G.Scholarships/Jr. Research Fellowships have been awarded to the candidates listed below during the year 1974-75 (vide orders dated 6.12.1974).

- (6) Support for advanced research in the Humanities and Social Sciences - acceptance of the proposal of Dr. P.R. punchamukhi, Reader in Economics of Education, Bombay University.
-

The panel on Psychology which had two experts in Education at its meeting in October 1974 considered the proposal of Dr. P.R. punchamukhi for undertaking work on "the size-cost relationship in institutions of higher education in three adjoining states" at a total cost of Rs.46,725/-. The panel felt that it would be useful if the project is delimited to the Maharashtra state and the cost is revised accordingly. Dr. Punchamukhi was requested to revise his proposal in the light of the views expressed by the panel. He agreed to the suggestion made by the panel and submitted a revised project at a total cost of Rs.26,198/-. The revised proposal of Dr. Punchamukhi has been accepted (vide order dated 9.3.1975) and a grant of Rs.26,198/- has been approved for his project for appointment of one research Assistant and three Investigators, travel, stationery printing, computation, equipment and books needed for the project.

- (7) Proposals of the colleges accepted under COHSIP.
-

The University Grants Commission at its meeting on the 10th February, 1975 (Item No.9) generally accepted the recommendations of the Conference of Principals of Colleges selected for participation in the College Humanities and Social Sciences Improvement Programme, and noted the colleges recommended by the selection committee for participation in the Programme on the basis of approved criteria.

42 COHSIP Colleges selected under COHSIP were requested to revise their proposals in the light of the guide-lines formulated in the Principals conference. Proposals received from 27 of these Colleges have been processed and grants have been approved for initiating COHSIP as per details given in Appendix. The remaining 15 colleges have been requested to send their proposals at an early date. The Colleges have also been requested to give details of the equipment and audio-visual aids needed by them under COHSIP and to be managed centrally for the benefit of all participating departments. Further grants will be sanctioned wherever necessary and on receipt of the above information.

- (8) Centres of Advanced Study in Humanities & Social Sciences - Release of basic grant for the purchase of books & journals and equipment during the Fifth Plan period.

The University Grants Commission at its meeting in January 1975 decided that the Vth/proposals of the Centre of Advanced Study be examined by the assessment committees which reviewed their working during the 10 year period of their existence. It was decided that pending consideration of their Fifth Plan development proposals basic grants be sanctioned to them for purchase of books and journals and equipment (vide orders dated 17.2.1974) during the Fifth Plan Period. The amount sanctioned to each Centre is indicated below:-

<u>S.No.</u>	<u>Name of the Centre</u>	<u>Amount sanctioned during the Fifth plan period as basic grant.</u>

- (9) Senior Research Fellowships in the Humanities
Extension of tenure of Dr.(Smt.) Rama Chatterjee
-

Senior Research fellowships are tenable for a period of two years and may be extended to the third year wherever necessary. Dr. Rama Chatterjee was awarded Senior Research Fellowship w.e.f. 15.5.1972 to work at the Centre of Advanced Study in Ancient Indian History and Culture, Calcutta University. Her fellowship tenure was extended for a period of one year w.e.f. 15.5.1974. On the recommendations of the Head of the department the tenure of her fellowship has been extended for a further period of six month w.e.f. 15.5.1975 vide order dated 10.4.1975 as a special case tenable her to complete her work.

- (10) Support for advanced research in the humanities and social sciences - acceptance of the proposals of Prof. B.B.Lal for undertaking "Archaeological excavation at Ayodhya."
-

The University Grants Commission at its meeting held on 10th February, 1975 (item No.28) accepted the recommendation made by the panel on History that the University Grants Commission should provide academic staff for the purpose of excavation and or for publication of the report whereas the cost of excavation work should be met by the Archaeological Survey of India. The Commission desired that the proposal of Prof. B.B.Lal for undertaking archaeological excavation at Ayodhya may be further examined in the light of the above and authorised the Chairman to take action in the matter.

The proposal of Prof. B.B.Lal for undertaking "Archaeological excavation at Ayodhya" has been accepted (vide orders dated 2.4.1975) under the UGC scheme of support for advanced research in the humanities and social sciences and a total grant of Rs.60,000/- has been released on an ad-hoc basis for staff and equipment needed for the excavation work. The expenditure on equipment will be shared on 50:50 basis by the Archaeological Survey of India. Professor Lal has been requested to formulate his budget for the project indicating estimated expenditure on staff, equipment and field work etc. in a phased manner. Reply from him is awaited. The Archaeological Survey of India has also been requested to meet the entire cost of excavation and 50% cost on equipment needed for the project. Reply from the Archaeological Survey of India is also awaited.

- (11) Admissibility of house rent allowance to the employees of the University Grants Commission drawing pay upto Rs.900/- without production of rent receipts.

The Government of India orders contained in the Ministry of Finance (Department of Expenditure) Office Memorandum No.F.2(55)-E.II(B)/73 dated the 4th October, 1974 regarding admissibility of house rent allowance to Central Government employees on the recommendations of the Third Pay Commission, which are effective from 1st November, 1973, have been made applicable to the employees of the University Grants Commission w.e.f. 1st November, 1973 as per orders dated the 23rd April, 1975.

- (12) Sanctioned strength of Education Officers/ Assistant Secretaries in the University Grants Commission.

.....

In pursuance of the decision of the Commission taken at its meeting held on the 5th November, 1969 and subsequently at its meeting held on the 6th September, 1972, all vacancies including short-term and long-term which were to arise after the 5th November, 1969 in the cadre of Education Officer were to be treated to have occurred in the cadre of Assistant Secretary by keeping in abeyance the posts of Education Officer and creating "in lieu" posts of Assistant Secretary thereof until the cadre strength was brought to 8. The eighth post of Assistant Secretary has been filled by the candidate on the select list for the post by suspending lien of an Education Officer who is working as Deputy Secretary by resorting to the provisions of Fundamental Rule 14. The sanctioned strength of 8 as on 1.3.1975 in the cadre of Education Officer and Assistant Secretary stands notified as under vide Office Order dated 14th April, 1975:-

Education Officers	: 8 (4 in abeyance) + 1 supernumerary
Assistant Secretaries	: 8 + 4 supernumerary

The 4 supernumerary posts in the cadre of Assistant Secretary created by keeping in abeyance the 4 posts of Education Officer are held in an officiating capacity against short-term vacancies in the cadre of Education Officer; 3 of them being on account of officiating promotion of 3 Education Officers as Deputy Secretaries as a temporary measure and one against the incumbent of the post of Education Officer being presently on deputation abroad in the United Kingdom on Queen Elizabeth House Visiting

Fellowship. As at present, the four supernumerary posts in the cadre of Assistant Secretary mentioned above are to last upto 30th June, 1975, 31st July, 1975, 30th September, 1975 and upto the appointment as regular measure to be made to the post of Deputy Secretary reserved to be filled against the outside quota for a scheduled Tribe candidate.

....

- (13) Special Pay to the incumbent of the post of Cashier in the office of the University Grants Commission w.e.f. 1st January, 1973.

In accordance with the provisions of the Ministry of Finance (Department of Expenditure) Office Memorandum No.F. 11(42)-L.III(B)/60 dated the 9th January, 1974, the rates of special pay to the incumbents of the post of Cashier in the revised scale of pay as prescribed therein have been made applicable in the office of the U.G.C. w.e.f. 1st January, 1973 (vide orders dated 11.4.1975) subject to the terms and conditions contained in Ministry of Finance (Department of Expenditure) Office Memoranda dated the 4th September, 1961 and 28th June, 1962.

.....

- (14) Laying down the procedure for filling up the vacant post of Deputy Secretary in the University Grants Commission.

The Commission at its meeting held on 9th September, 1974 (Item No.2(a) -12) noted the action taken to fill the vacant post of Deputy Secretary against the recruitment quota of 25% in the cadre of Deputy Secretary by direct recruitment through advertisement by following the prescribed roster for reserved vacancies. The post of Deputy Secretary which as per roster is reserved for the category of Scheduled Tribes was accordingly advertised but none of the candidates belonging to this category has applied for the post. In view of the emphasis laid by the Parliamentary Committee on Scheduled Castes and Scheduled Tribes at its meeting held on 12-13th March, 1975 for filling the posts for

reserved categories by candidates belonging to these categories, it has been decided on the 6th April, 1975 to consult the Department of Personnel, Cabinet Secretariat, New Delhi, State Govts. and Universities with a view to see if they could make available the services of a suitable officer in accordance with the terms of the Cadre and Recruitment Rules for the post of Deputy Secretary on transfer on deputation. They have been requested to suggest suitable names (along with biodata) by the 16th May 1975.

.....

(15) University Grants Commission Contributory Provident Fund-Rates of Interest.

The Government of India have fixed the rates of interest on deposits on balances etc. at the credit of subscribers in the General Provident Fund and other similar Funds on the 31st March, 1974 as under:-

- | | | |
|-----|-------------------------|--|
| i) | w.e.f. 1st April, 1974 | 6.5% per annum on a sum upto Rs.15,000/- |
| | | 5.8 per annum on a sum in excess of Rs.15,000/- |
| ii) | w.e.f. 1st August, 1974 | 7.5% per annum on a sum upto Rs.25,000/- |
| | | 7.0% per annum on a sum in excess of Rs.25,000/- |

As the University Grants Commission allows the rates of interest as prescribed by the Government of India from time to time on subscriptions and balances to its General Provident Fund and other similar Funds, the above rates of interest have been adopted by the Commission (Vide orders dated 26.3.1975) for subscriptions and on balances at the credit of subscribers to the University Grants Commission Contributory Provident Fund in terms of Rule 12(1) of the U.G.C. C.P.F. Rules, 1956.

- (17) Development of higher education and Research:
Utilisation of the grants available for
purchase of Scientific Equipment.

...

The question of proper utilisation of grants made available by the Commission to Universities/Colleges having undergraduate/postgraduate Science departments for purchase of scientific equipment was recently considered and it has been decided (vide orders dated 19.3.1975) that the following general conditions would govern such grants sanctioned by the Commission from time to time:-

GENERAL

1. The allocations sanctioned for purchase of scientific equipment under the general development should be utilised for purchase of equipment required for undergraduate and postgraduate teaching laboratories and as a general principle 2/3rd of the grant allocated for equipment be utilised for this purpose. The allocation available for general development should not generally be used for purchase of highly sophisticated equipment which may be purchased from funds sanctioned for research projects.
2. The equipment grant should not normally be utilised for providing consumable articles, for example Glassware or routine chemicals. But in special cases upto 5% grant may be utilised for provision of consumable articles, such as research chemicals.
3. An amount not exceeding 5% of the equipment grant may be utilised for providing storage facilities.

4. Since all efforts have to be made to ensure that all equipments available are put to effective use, an amount not exceeding 5% of equipment grants may also be utilised on maintenance/repairs/purchase of spares/service contracts and other maintenance needs wherever necessary subject to the condition that such expenditure will be incurred only where necessary and in addition to the normal provision already made for such purposes by the universities/colleges from the normal budget.
5. Universities/colleges may also utilise upto 20% of the grant for purchase of materials, components and other items if required for fabrication and development of equipment in the departments/colleges with the help of workshop facilities in the university or college or locally. Such expenditure will also be admitted as expenditure incurred from the provisions made for purchase of scientific equipment grants to each department/college. Items of such Equipment indigencously made up may be reported to the Commission.
6. The Commission will have the right to transfer to another University an apparatus of the value of Rs.20,000/- or more purchased from funds made available under this grant, if the same is no longer required. A separate list of such items of equipment, the cost of which is/or exceeds Rs.20,000/- may be sent to the Commission for its record.

These conditions have been brought to the notice of the various university departments and also colleges affiliated to the university for information and guidance.

Minutes of the Selection Committee appointed under the Scheme of Utilisation of Services of Retired Teachers.

....

A meeting of the Committee appointed for the selection of candidates under the Scheme of Utilisation of Services of Outstanding Retired Teachers was held on 11th March, 1975 at 2.30 p.m. The following were present:-

1. Prof. Satish Chandra
2. Prof. R.S. Sharma
3. Prof. Rais Ahmed
4. Prof. J.B. Chitambar
5. Dr. D. Shankar Narayan
6. Shri I.C. Menon
7. (Mrs.) S. Ramamurthy

The following members could not attend the meeting:-

1. Prof. M. Santappa
2. Prof. S. Gopal

Item No.1: To consider the proposal received for new awards under the Scheme of Utilisation of Services of Outstanding Retired Teachers.

The Committee noted that out of total 300 positions available under the scheme of Utilisation of Services of Retired Teachers, there are 122 vacant positions available. It was also noted that in response to the nominations invited for the second award under the scheme of retired teachers for 1974-75, a total of 141 nominations have been received and only in 34 cases comments have been received from both the referees. The Committee considered the nominations/recommendations made by Vice-Chancellors in respect of these 34 candidates and recommended 20 retired teachers (Annexure-I) for award under the scheme to be made effective from 1st March, 1975 onwards for a period of three years or attainment of 63 years whichever is earlier.

In the case of Prof. A.B. Dabarkar, the Committee observed that the comments of Prof. Aleem of Aligarh Muslim University may be obtained before a final decision is taken in the matter.

The Committee further considered the statement of proposals received for fresh awards which were not included in the synopsis and felt that nominations in respect of eminent retired teachers may be placed before the selection Committee for consideration without making references to experts. Keeping this point in view the Committee recommended 4 other teachers for award as given in Annexure-II

In those cases in which comments of only one expert have been received and hence no decision could be taken, Committee authorised Vice-Chairman to decide each case as and when comments from both the experts are received.

Item No.2: To consider the proposal received for extension of tenure of the retired teachers already working under the Scheme of Utilisation of Services of Retired Teachers.

....

The Committee felt that in the case of recommendations received from Vice-Chancellors for extension of tenure of teachers working under the Scheme of Utilisation of Services of Retired Teachers, the extensions may be granted for the period as recommended by the V.C. subject to a maximum of two years or 68 years of age, whichever is earlier. It was also resolved that the cases of extension with recommendations of the Vice-Chancellors, where the term expires before the next meeting may be decided by the Vice-Chairman as and when they are received. The recommendation of the Vice-Chancellor, Indore University in regard to the extension of Dr. R.K. Yarday was accepted by the Committee in the light of this decision.

Secretariat

Dr.D. Shankar Narayan Additional Secretary

Item No. 1: To receive the minutes of the meeting of the Commission held on 12th May 1975.

The minutes of the 168th meeting of the Commission held on May 12, 1975 were confirmed.

Item No. 2: (a) To approve the action taken on certain matters.

The Commission approved the action taken on items listed in Appendix

Arising out of item 2(a)(6), the Commission desired that an editorial board may be set up for the UGC journal on Higher Education.

During the discussions, the following points emerged :

(1) The Science Research Council may consider the question of promoting developmental activities, particularly with regard to the design and fabrication of scientific equipment required for use by universities. In this connection, it was noted that the Government of India (Planning Commission/DGTD/CSIR) had earlier appointed committees in this regard and their reports may be made available for consideration by the SRC so that a few major items which are essentially required could be identified and developmental activity promoted in that regard.

(2) As regards University Collaboration Programme with universities and other countries, it should be ensured that the collaboration is on an equal level of expertise and facilities and it should not lead to the Indian universities being mainly engaged in activities because of availability of large number of scientific manpower. In order to enable this, it would be essential to provide to such Indian university departments necessary sophisticated instruments, some of which may have to be imported. Persons going abroad under these programmes should not be treated as trainees but as collaborative research workers.

Not enclosed.

(3) Since the foreign exchange generally available to the universities has been so meagre in relation to its actual needs, the Government of India may be approached to earmark a proportion of the credits obtained by it from foreign sources for meeting the urgent equipment needs of the university system.

(4) The Commission desired that immediate steps be taken to further identify suitable departments which may be considered for participation in programmes of 'Centres of Advanced Study' and of 'Special Assistance to selected Departments

(5) The Commission felt that, as suggested earlier, expenditure on support for research in the Humanities and Social Sciences may be further augmented and necessary provision made for the purpose in the Revised Estimates for 1975-76. Provision may also be made for Support of Research in Engineering and Technology under Budget Head 'C'. It was further proposed that provision for group of items relating to creation of common facilities in the universities, e.g., computer facilities, central instrumental facilities etc. may be shown under Budget Head 'D' and not under Budget Head 'B' - "Grant to Central and State Universities for Science" as at present.

(6) The Commission noted that a total sum of Rs. 12 crores was likely to be earmarked for various student welfare programmes during the V Plan period. The amounts proposed to be spent for different activities, including provision for games, sports and extra-curricular activities, may be worked out and brought up before the Commission at a later meeting. In this connection, it was desired that since a considerable amount of money is being paid every year for student-aid-fund, it may be necessary to review the scheme.

(b) To receive the items of information.

(c) To receive the statement of proposals which could not be accepted by the Commission.

This was noted.

Item No. 3: To approve the statement of grants released after the last meeting of the Commission held on 12th May 1975.

The Commission approved the grants released after the meeting of the Commission held on May 12, 1975 (Appendix II)*.

Item No. 4: To receive a statement of expenditure incurred by the University Grants Commission during 1975-76 upto 30th April 1975.

_____ This was noted.

* Not enclosed.

Item No. 5: To receive the recommendations of the Standing Committee on New Universities/University Centres held on the 15th May 1975.

The Commission considered the recommendations of the Standing Committee on New Universities and University Centres made in their meeting held on May 15, 1975 and decided as follows :

(a) New Universities in Andhra Pradesh.

The Commission agreed that only one unitary university may be established by the Andhra Pradesh Government at Warrangal on the definite understanding that the Regional Engineering College located at Warrangal would become an integral part of the new university alongwith the existing postgraduate centre of the Osmania University. If this is accepted by the State Government, the State Government would also have to comply with the rules provided under Section 12A of the UGC Act before the proposed university could be declared fit to receive assistance from the Central sources. Keeping in view the present stage of development of the postgraduate centre at Guntur, the Commission could not accept the proposal to convert the Centre to a Unitary University. The Commission further reiterated that the Andhra University and the State Government may be requested to develop the existing postgraduate centre at Guntur in a manner which will strengthen its autonomy.

(b) Establishment of Military University/Academy in Maharashtra

The Commission agreed with the recommendation of the Standing Committee that it was not appropriate for the Maharashtra Government to set up a Military University/Academy in Maharashtra.

(c) Postgraduate Centre at Arrah

The Commission accepted the recommendation of the Standing Committee that the Magadh University be advised to re-formulate its proposal in conformity with the guidelines issued by the Commission for establishment of a university post-graduate centre.

(d) Postgraduate Centre at Nanded - Marathwada University

The Commission agreed that the proposal may be examined in the light of the report of the Fifth Plan visiting committee which visited Marathwada University.

(e) Establishment of Jawaharlal Nehru Technological University

The Commission reiterated its earlier views regarding the establishment of technological universities and in view of this could not accept the proposal of the Andhra Pradesh Government to declare the Jawaharlal Nehru Technological University to be fit to receive grants from the Central sources. In this connection,

It was noted that under (a) above of this item it had been suggested that Regional Engineering College, Warrangal should become an integral part of the proposed United University to be set up at Warrangal by the Andhra Pradesh Government.

(f) Establishment of the postgraduate centres in Sri Venkateswara University

The Commission considered the letter received in this connection from the Vice-Chancellor, Sri Venkateswara University and the recommendation made by the Standing Committee. It was decided that a Working Group may be constituted to examine the question of setting up of postgraduate centres in universities and the development of postgraduate colleges, keeping in view the resources available for development of postgraduate studies outside the University Departments during the Fifth Plan period.

Item No. 6: To receive the recommendations of the meeting of the working group constituted to consider the Budget Estimates of the Commission for 1975-76, held on the 11th May 1975.

The Commission noted the recommendations of the Planning Group. It was pointed out that although during 1974-75 it had become necessary to re-appropriate purely as a temporary measure, for ways and means purposes, a sum of Rs. 1.03 crore from Plan to Non-Plan expenditure, implementation of none of the special programmes or developmental activities had been affected adversely. It was understood from the Government of India that though the final allocation for engineering and technology and for medical education, as far as it related to Central Universities, had not been determined, the Government of India while agreeing to the Budget Estimates for 1975-76 had included the provision for the development of engineering and technology and medical education as originally envisaged by the Commission in the Budget Estimates of Rs. 38.13 crores. The Commission desired that it may be impressed upon the Government of India that the engineering and technological institutions directly maintained by the universities and receiving support through the UGC should be given a proportionate share in the overall allocation for engineering and technological education, so that the developmental programmes of such departments do not suffer for want of proper support.

The Commission noted that there had been an overall increase in the programmes and activities undertaken by the UGC in recent years and while placing on record its appreciation of the hard work already put in by the existing staff, emphasised the need for strengthening of the secretariat immediately so that the various special programmes are taken up for speedy implementation. (It was noted that the matter would be considered by the Establishment Committee in the near future.)

Item No. 7: To consider a note on the recommendations made by the Committee appointed to review the scheme of Financial Assistance to the universities for publication of learned works including doctoral thesis.

The Commission generally accepted the recommendations made by the Committee which reviewed the scheme of financial assistance to universities for their publication programmes. The Commission agreed that assistance for this purpose may be provided to all the universities as during the Fourth Plan period. Grants to be

provided for the purpose to each university may be worked out with the help of a Committee and the matter placed before the Commission. The other aspects of promoting the publication activities, as accepted by the Commission are indicated in Appendix III. A Committee may be appointed to identify universities which may be specially selected for purposes of providing facilities for publications in certain disciplines, on an inter-university basis, so as to augment the facilities available for the purpose within each university.

Item No. 8 To consider the question of payment of remuneration to teachers for invigilation/examination work of private students and for examination work of students of institutions other than those in which the teachers are serving.

The consideration of this item was postponed. It was desired that necessary information with regard to the number of students appearing as private candidates and through correspondence courses may also be obtained.

Item No. 9 To consider the question of providing financial assistance to full-time research scholars/Junior Research Fellows working in Universities and Colleges for visits abroad either in connection with the research work or for attending international conferences.

This was postponed.

Item No. 10: To consider the proposal of the Banaras Hindu University for creation of post of Director for Bharat Kala Bhavan during the 5th Plan period.

The Commission desired that the report of the visiting committee which would assess the Fifth Plan proposals of the Banaras Hindu University may be awaited. In this connection, the Commission desired that the visiting committee may be requested to look into the question of collaboration between the Departments of History, Ancient Indian History & Culture and the Department of Fine Arts.

Item No. 11: To consider the proposal of the Birla Institute of Technology and Science, Pilani, for starting a postgraduate programme on Science and Society, Policy Planning and Management of Science and Technology.

The Commission accepted the recommendation of the committee appointed to examine the proposal of the Birla Institute of Technology and Science, Pilani for starting a postgraduate programme on Science and Society, Policy, Planning and Management of Science and Technology and agreed to provide the following financial assistance during the Fifth Plan period, on the condition that this would be the first charge on the Fifth Plan allocations to be made to the Institute :

Recurring

Professor	1
Asstt. Professors	2
Scholarships for intake of 10 students @ Rs.250/- p.m.	
Research fellows - 2 @ Rs. 600/- p.m.	

Non-Recurring

Books & Journals	Rs. 50,000
TA/DA for visiting experts	Rs. 75,000
Seminars	<u>Rs. 20,000</u>
Total (NR)	<u>Rs. 1,45,000</u>

The Commission further desired that the BITS, Pilani should give an assurance that it would take over the recurring expenditure involved as committed expenditure at the end of the V Plan period.

In this connection, the Commission noted that no maintenance grant was being paid to the BITS, Pilani either by the Government of Rajasthan or by the Government of India, consequent upon its being given the status of a 'Deemed University' under Section 3 of the UGC Act. The Commission desired that information may be obtained from BITS Pilani as to the source from which it would meet the committed expenditure in respect of schemes sanctioned from Plan to Plan by the UGC and also its normal maintenance expenditure.

Item No. 12: To consider the report of the Committee appointed by the University Grants Commission on matters relating to (1) Strength of Physical Director and (2) Reorganisation of courses which do not attract sufficient number of students in colleges of Delhi University.

The Commission desired that the views of the Delhi University may be obtained on the recommendations made by the Committee appointed by it on matters relating to strength of Physical Directors and Reorganisation of courses which do not attract sufficient number of students in the colleges of the university. The Commission further desired that the Delhi University be advised to suggest to the colleges not to appoint staff against the post likely to fall vacant in courses which do not attract sufficient number of students till the matter has been reviewed by the university.

Item No. 13: To consider the recommendations made by the Committee appointed to work out the mechanics for evaluation of the work of Junior Research Fellows.

The Commission accepted the procedure recommended by the Committee for purposes of evaluation of the work of Junior Research Fellows who were to receive an enhanced fellowship amount of Rs. 500/- per month at the end of two years of their work (Appendix IV).

Item No. 14: To receive the recommendations made by the Committee of Vice-Chancellors of Central Universities at its meeting held on 23-5-1975 regarding reservation of seats to various courses of study and reservation of posts of various category in the Central Universities to persons belonging to Scheduled Castes/Scheduled Tribes Communities.

The Commission considered the recommendations of the Committee of Vice-Chancellors of Central Universities on the question of reservation of seats etc

for scheduled caste and scheduled tribe candidates for admission to courses and appointments. The Commission agreed that :

- (a) The Central Universities be requested to provide reservations for admission to different courses at undergraduate and post-graduate level for scheduled caste and scheduled tribe students, as has been indicated by the Government of India.
- (b) Provision may be made for remedial courses in the universities for scheduled caste and scheduled tribe students concurrently with their courses of study; and
- (c) Reservation may be provided for recruitment to non-academic posts for scheduled caste and scheduled tribe candidates in accordance with instructions issued by the Government of India from time to time.

2. In view of the special position of Aligarh Muslim University, it was noted that it may not be feasible for that university to enforce the above provisions of reservations to the extent indicated by the Government of India.

3. The Commission agreed that a certain number of non-transferable fellowships may be instituted in the universities exclusively for scheduled caste/scheduled tribe students with the provision to select the best students among those sections and having the minimum qualifications and also by making provision for special training and guidance. It was noted that such of the fellowships which remain unutilised would not be available for award to other students.

4. Consideration of the recommendation regarding reservation for scheduled caste and scheduled tribe candidates in the matter of appointments to teaching posts and the views on provision in Kerala University Act for reservations for different communities, was postponed.

Item No. 15: To consider further the question of institution of post of Readers in colleges.

The Commission accepted the guidelines suggested by the Working Group for institution of readership in colleges, as given in Appendix V.

Item No. 16 To note the date and place for the next meeting of the Commission.

It was noted that the next meeting of the Commission will be held on 14th & 15th July 1975 at New Delhi.

Item No. 17 To consider the proposal of the Bombay University for the establishment of a Centre for studies in Regional Planning.

The Commission desired that the proposal from the Bombay University may be examined with the help of a Committee.

Item No. 18. To consider the proposal for experimental introduction of English Comprehensive Courses for University students.

The Commission accepted the recommendation of the Standing Committee on Library Science for introduction of English Comprehensive Course for university students. While selecting teachers for such courses, special attention should be given to nominations received from colleges participating in COSIP/COHSIP programmes.

Item No. 19: To further consider a reference received from the Government of Rajasthan regarding inclusion of nominee of the University Grants Commission in the various selection committees set up by the universities established in Rajasthan by the Act of State Legislature.

In view of the special circumstances, the Commission agreed, as an interim measure for the current academic year, to nominate a representative of the UGC to serve on the Committee to draw a panel of names required for purposes of constitution of selection committees.

Item No. 20: To consider the recommendations of the Committee appointed by the University Grants Commission to examine the proposal of Banaras Hindu University for financial assistance amounting to Rs. 1,20,000/- for the publication of Historical Grammar of Hindi Language.

The Commission accepted the recommendations of the committee regarding the publication of Historical Grammar of Hindi Language and desired that if the Banaras Hindu University accepted the recommendation of the committee, it may indicate a firm estimate for the publication of the three volumes.

Item No. 21: To consider the minutes of the meeting of the Standing Committee on Continuing Education held on 21st April 1975 in New Delhi

The Commission noted the recommendation of the Standing Committee on Continuing Education and agreed to the organisation of two zonal conferences on Continuing Education. The Commission, however, desired that sufficient care be taken in the preparation of the key note and other working papers for the conferences

Item No. 22: To consider the proposal of the Calicut University for the creation of a post of a Development Officer.

The Commission accepted the proposal of the Calicut University for the creation of a post of Development Officer in the scale of a Deputy Registrar. The Commission, however, desired that the designation may be kept as Development Officer and not as Deputy Registrar (Planning and Development).

Item No. 23: To consider additional programmes for students' welfare and amenities in the Vth Plan.

The consideration of this item was postponed. In this connection the Commission desired that while bringing up this item before the Commission again, the distribution of the total allocation available for student welfare programmes may be worked out.

Item No. 24: To consider a note on the implementation of the UGC scheme for the preparation of University Level books by Indian authors.

This was postponed.

Item No. 25: To consider certain establishment matters of the University Grants Commission:

(i) Grant of extension of service to Shri K.N. Haldar, Officiating Assistant Secretary on attaining the age of superannuation.

(ii) Recommendations made by the Committee appointed to work out the details for setting up "Documentation-cum-Evaluation and Planning Unit" in the University Grants Commission.

(i) The Commission desired that a Committee may be appointed to determine the manner and basis on which extensions may be given in special cases to the employees of the UGC beyond the age of superannuation

(ii) Consideration of the recommendations made by the Committee appointed to work out the details for setting up a "Documentation-cum-Evaluation and Planning Unit" in the UGC was postponed.

Item No. 26: To consider the recommendations made by the Panels in the Humanities and Social Sciences about payment of D.A. for field work undertaken by the teachers selected under the scheme of financial assistance for short-term projects.

The Commission desired that this may be considered in the first instance, by a Committee of the Convenors of Panels.

Item No. 27: To consider the pattern of the examination system in the light of the decision of the Commission not to pay remuneration to the teachers for students within the university.

Consideration of this item was postponed. (This item may be linked with item No.8).

Item No. 28: To consider the procedure to be followed for evaluating the proposals received from the universities for support from U.S. PL-480 rupee funds.

The Commission was of the view that the proposals received for support from 'U.S. Owned Rupee funds' may be processed in the same manner

as other research proposals received from the universities for support from the UGC funds. The Commission desired that the National Screening Committee may be requested to see that the pattern of funding of proposals accepted for support under this scheme should generally be the same as in the case of proposals funded by the UGC and other national agencies.

Add. item No. 1. Professors of Eminence.

The Commission accepted the recommendations of the Working Group with regard to the procedure to be followed for the purpose of consideration of proposals for appointment of Professors of Eminence (Appendix VI).

Add. item No. 2: Supernumerary Positions :

The Commission further accepted the recommendations of the Working Group with regard to the creation of supernumerary posts of Professors/Readers in the Universities in certain special cases (Appendix VII).

UNIVERSITY GRANTS COMMISSION

Meeting :

Dated : 2.6.1975

Item-2(a): To approve the action taken on certain matters.

.....

1. Approval of Candidates under the scheme of
Utilisation of Services of Retired Teachers.

The Committee constituted under the Scheme of Utilisation of Services of Retired Teachers at its meeting held on 7th September, 1974 and 11th March, 1975 inter-alia, desired that the cases of teachers referred to experts but whose comments were not received may be decided by the Vice-Chairman on receipt of the same. Accordingly, the following candidates were approved for award under the retired teachers scheme on receipt of favourable comments from both the experts in each case:

S No.	Name of the Candidate.	Subject	University	Date of approval
1	2	3	4	5
1.	Shri George Lowrance	Library Sc.	Rajasthan Univ.	8.3.1975

These awards were finally approved on 21st March, 1975.

3. Procedure for development of links under Indo-British University Collaboration programme.

.....

The Commission at its meeting held on 8th July, 1974 (item No.13) and 9th September, 1974 (item No.18) respectively agreed to the establishment of 15 academic links between selected Universities in India and UK in some identified areas/disciplines, including two links in Social Sciences. It was also agreed that the academic programme of collaboration may be worked out by exchange

of exploratory visits by the senior faculty members of the two participating universities in India and UK. A number of exploratory visits has since materialised from both the sides for drawing up mutually acceptable programmes of collaboration.

The Ministry of Education, Government of India, have agreed that once the establishment of academic link under IBUC programme is accepted in Principle by the Government of India, it may not be necessary for the Commission to approach the Ministry for individual clearance.

The implementing agencies for the IBUC programmes, e.g. the University Grants Commission in India and the India Committee in UK (British Council) have agreed to follow uniform procedure for implementation of the programme for a period of 3-5 years. A copy of the procedure mutually agreed to is given at Annexure I (approved on 16.5.75)

4. Applicability of the Government of India orders regarding liberalization of the provisions of Death-cum-Retirement Benefits on the recommendation of the Third Pay Commission.

.....

The Government of India orders contained in the Ministry of Finance (Department of Expenditure) Office Memorandum No.19(5) E.V./A/74 dated the 24th May, 1974 relating to liberalization of the provisions of Death-cum-Retirement Benefits on the recommendations of the Third Pay Commission made applicable to Class I Central Government employees with effect from 1st January, 1973, have also been made applicable (vide orders passed on 8th May, 1975) to Class I employees of the U.G.C. w.e.f. the same date viz 1st January, 1973 in terms of Regulation 9A of the U.G.C. (Supplementary Terms and conditions of Service of Employees) Regulations, 1967.

5. Applicability of the recommendations of the Third Pay Commission regarding journey fare of children studying at a place other than the place of posting of the Govt. servant in the U.G.C.

.....

Pursuant to the recommendations of the Third Pay Commission it has been decided by the Govt. of India in the Ministry of Finance (Deptt. of Expenditure) O.M.No.F.19030/2/73-E.IV(B) dated 28th February, 1974 (received in the U.G.C. on the 5th May, 1975) that such of the children of the Central Govt. employees as are staying away from them for the prosecution of their studies at the recognised educational institutions in India may be reimbursed third class rail fare at the students' concessional rate by the shortest route once a year during approved vacation to join their parents at the station of the posting of the Govt. servant concerned and back subject to the extent and conditions prescribed therein. These orders have been made applicable to the staff of the University as per decision taken on the 8th May, 1975.

/Grants Commission

- (6) Appointment of Professor Suresh Shukla, Professor of Education, Faculty of Education, Jamia Millia Islamia, New Delhi as Honorary Editor for the U.G.C. journal on Higher Education.

INDO-BRITISH UNIVERSITY COLLABORATION (IBUC)
PROCEDURES

1. The following procedural pattern for the negotiation of links under the IBUC programme has been agreed between the University Grants Commission and the British High Commission, British Council Division.

2. When a proposal for collaboration has been agreed in principle by the India Committee and the University Grants Commission, the following procedure will be followed in order to define and cost the project:-

2.1 There will be an exchange of exploratory visits, whenever necessary, between the heads of the Indian and British departments concerned or their nominees who, on completion of the visits, will be required to write and agree a joint proposal to be submitted to India Committee and the University Grants Commission. The joint proposal should be a comprehensive document justifying the need for collaboration, the objectives of the project, the ways to achieve them over a specific period (usually 3-5 years) and setting out the pattern of exchanges required phased over the period of the project with some indication of the likely costs. The joint proposal should be signed by both heads of departments or their nominees.

2.2 It is for the heads of departments concerned to seek the agreement of the relevant university authorities before submitting the proposal to the University Grants Commission and the India Committee for approval.

2.3 It is normally expected that detailed joint proposals will be submitted within 3 months of the completion of the exchange of exploratory visits.

2.4 When approved, the collaboration proceeds according to plan.

2.5 The chief collaborators will be expected to submit annual reports to the UGC and the India Committee and the success of the project will be reviewed in the penultimate year.

Procedure for Exchange Visits

Exploratory visits and exchange visits under agreed plans should reach the host authority with the approval of the sending authority at least 2 months before the date on which the visit is expected to commence. In the case of visits by Indians to Britain the sending authority is the UGC and the host authority is the India Committee. Similarly for visits by Britains to India, the India Committee sends and the UGC hosts.

Appendix III to (Item No. 7)
To the minutes of the UGC
meeting held on 22nd January
1975.

The main recommendations of the Committee are as follows:

- i) The scheme should be continued during the Fifth plan for the universities and for colleges. Assistance may be given to all universities for publication of learned works etc.
- ii) A learned research work to be assisted under the scheme should be one that breaks new ground and is useful as reference material for honours and post-graduate studies. The manuscripts in respect of works brought out by college teachers may be sent to UGC for assessment by two experts in the particular field. While the college part of the scheme may be done centrally in the UGC, the university part may be entrusted to each university as at present.
- iii) Theses accepted for doctoral degree may be considered for assistance for publication under the scheme only within a period of ten years after its submission. If the period of submission exceeds ten years then it should be got adjudged by the experts in the field by the university before it is considered for assistance.
- iv) It was felt that a specific ratio of assistance be fixed for assistance for learned research works and doctoral theses. The allocation made to a university under the scheme be utilised by the universities normally on the basis of 2/3rd for doctoral theses and 1/3rd for other learned research works.
- v) Repetitive publication should not be considered under the scheme for assistance. Assistance would be available once only for the initial publication.
- vi) The university may either publish the works under its supervision and control or get these published through reputed publishers. Payment towards the cost of a publication should not be made to the author, but directly to the publisher by the university. The author could be consulted regarding the publisher, if it is not done through university press.
- vii) With a view to ensuring a very high academic standard the universities should take utmost care in effecting proper selection of learned research works for publication. The university should also avail of the services of professional people for editing, referencing, spacing etc., of the manuscripts from the point of view of quality and presentation. It was also decided that in case the amount provided as subsidy for a particular publication is less than Rs. 3000/- then no reference to experts may be necessary for its assessment. However, in case the amount of subsidy exceeded Rs. 3000/- the manuscript may be got assessed by two experts (besides the examiner) in that particular field.
- viii) Where assistance to a publication is substantial the university should undertake it as its publication and a major part of the money realised through sales (after making provision of royalty to author, commission to retailers etc)

should be credited to this fund for publications so that it can support more books to be published. The money obtained through sales of books published with UGC support should not be used by the universities as a general source of revenue.

ix) In addition to the assistance available to all universities for support of their publications, certain universities would be selected to set the pace for the production of high quality research works. Such universities would be identified on regional basis or on the basis of specialisation in certain disciplines areas of study. These universities may be encouraged to undertake publication of the learned works of scholars/teachers from other universities in the region/discipline/area, with the help of additional assistance to be given by UGC (over and above their normal allocation) for publishing work from other universities.

x) A special permanent fund may be established at some selected universities for the publication of research work. The Commission may make a lump-sum grant of Rs. one lakh for the plan period and the university may add Rs. 50,000 to this fund. Production cost of books should be met out of this fund and the sale proceeds should be credited to it. With this revolving fund, the university can continue to publish books without any further grant. A small committee consisting of 2-3 members may be appointed to work out details regarding creation of regional centres to augment facilities for purposes of selective publication.

xi) It was decided that the grants for the Fifth Plan period under the scheme may be allocated to the universities on the basis of their performance regarding utilization of grants allocated to them during the Fourth Plan period. The sub-committee would also decide on the basis of the past performance of a university, the allocation which may be made to it under the scheme during the 5th plan period.

xii) There should be proper coordination among the agencies providing financial assistance for similar purposes, i.e., ICHR, ICSSR, NET, Indian Institute of Advanced Study, Simla. To avoid duplication of assistance, it was decided that the universities should provide a column in the proforma inviting proposals indicating whether a particular scholar has approached any other organisation for financial assistance for the same publication and if so, with what results? The efficient distribution system and sale of publications was vital for the scheme. It was decided that the sub-committee would look into this matter also and recommend effective ways and means of ensuring the desired results.

xiii) The committee commended the idea of providing financial assistance for quality journals which are published by the universities and which have

established reputation. It was felt that unless assistance was provided for quality journals, journals of high academic quality could not be expected from the universities. It was decided that the subject panels set up by the Commission in different disciplines may be requested to suggest a list of such journals which could be supported by UGC.

xiv) The Committee agreed that the publication of catalogues, critical editions of rare manuscripts and research/reference manuals costing more than Rs. 20,000 may be considered on merits outside the general scheme of the UGC on all India basis after the work has been examined by the Commission with the help of experts.

Appendix IV to (Item No.13) to the minutes of the UGC meeting held on 2nd June, 1975.

The mechanics for evaluation of the work of Junior Research Fellows for purpose of enhancement of fellowship amount from Rs. 400 p.m. to Rs. 500 p.m. after two years :

- 1 The increased value of the Junior Research fellowship from Rs. 400 p.m. to Rs. 500 p.m. would be effective from 1st July 1975.
- 2 The fellow who has worked for not less than two years' under the UGC Junior Research Fellowships, at least for one year of which he has drawn a fellowship at Rs. 400/- p.m. w.e.f. 1st July 1974 should be eligible for the enhanced fellowship at Rs. 500 p.m. after evaluation of his work.
- 3 All Junior fellowships under different UGC schemes (e.g. fellowships allocated to universities, fellowships awarded directly by the UGC, fellowships allocated to the Centres of Advanced Study/departments of Special Assistance and fellowships allocated to central universities under non-plan etc) should have common mechanics of evaluation.
4. A Junior Research Fellow who has completed M.Phil in the course of his two years' of Junior research fellowships and has obtained M.Phil with the requisite grade and has been registered for Ph.D would be eligible automatically to enhanced value of Rs. 500 p.m. without being subjected to any further evaluation.
- 5 A Junior Research Fellow who has completed two years' fellowship at Rs. 300/- and Rs. 400/- p.m. may be asked to submit a comprehensive progress report along with a review of the work already done in the area by other workers with the necessary bibliography indicating the problems faced by him and his line of thinking to achieve his objective, if possible supported partly in the form of published work. The progress report along with the confidential assessment by his supervisor and the Head of the Department would be referred to the concerned subject panels of the UGC to recommend :
 - (a) Whether in the light of the work already done by the candidate, he may be given the increased amount of the fellowship at Rs. 500/- or
 - (b) may be allowed to continue on the existing basis (Rs. 400 p.m.) for another year when his progress report could again be evaluated by the Panel; or
 - (c) the candidate's work may be assessed after interview if necessary by a sub-committee(s) constituted for the purpose by the Panel; or
 - (d) the fellowship may be discontinued because of the unsatisfactory report.

Institution of Readerships in colleges

The Commission while considering the Sen Committee Report on conditions of service of teachers in its meeting held on 2nd and 3rd June 1974 amongst others decided that as recommended by the Sen Committee, Readerships/Professorships be also created in selected undergraduate and postgraduate colleges and preferably in autonomous colleges. Further the Commission was of the view that the qualifications and the mode of recruitment to these posts should be the same as applicable for corresponding posts in the university departments.

It is proposed that as a first step, the Commission may assist the colleges to institute posts of Readers during the Fifth Plan period on the condition that after the Commission's assistance ceases on 1.4.1979, the Colleges/State Government would take over this as committed expenditure.

The Committee noted that the Colleges could use for purposes of creation of posts of Readers the general provisions already available under (a) UGC scheme of assistance to colleges for improvement of undergraduate education, as indicated in the guidelines for development of undergraduate colleges within Rs. 5 lakhs; (b) UGC scheme of assistance to postgraduate departments in affiliated colleges (norms and ceilings to be notified); and (c) the scheme of assistance to autonomous colleges.

In addition to the above provisions, colleges which satisfy the criteria given below may seek assistance from the UGC for creation of posts of Readers in some subjects with a view to attract and retain highly qualified teachers and thus improve their standards of instruction. Creation of such posts would not be possible for purposes of fulfilling conditions of affiliation for starting postgraduate courses.

- (a) The College should be permanently affiliated to the university concerned.
- (b) It should not have less than 800 students on its rolls if providing a three year degree course or 500 students for a two year degree course at undergraduate level, excluding postgraduate students, if any, and with a minimum faculty of 40 permanent teachers excluding demonstrators, tutors, etc.
- (c) The colleges and the Departments seeking assistance to create posts of Readers should have adequate facilities in the shape of library, laboratory equipment and faculty. The commitment of the college for the development of the department would particularly be seen from its overall recruitment policy, eg. whether it is generally appointing only people with a consistently good academic record and Ph.Ds as far as possible.
- (d) A Department of a college seeking assistance to create positions of Readers should have already on its staff at least six permanent and qualified teachers and a viable enrolment in this subject. It should also have a viable research programme or an innovative educational programme.

- (e) Generally one such post can be requested for a department and UGC assistance for such posts will be on 100% basis. In special cases, the Commission may consider providing additional Readerships in a Department on the merits of each case.
- (f) The selection of Readers so approved, would be on an open selection basis and the mode of recruitment should be on the same basis as for posts of Readers in the university concerned. The selection would be made centrally for all colleges affiliated to that particular university by the university authorities by properly constituted selection committee. The Selection Committee will be as constituted for the appointment to be made by the university. It may, however, provide for, wherever necessary (a) a nominee of the Vice-Chancellor to preside and (b) the Principal of the college concerned to be associated with it.
- (g) If any of such Reader's posts created under this scheme falls vacant subsequently, the vacancy is also to be filled through the same procedure of selection and by the Selection Committee as indicated above.
- (h) The assistance from the UGC for such posts of Readers, would be available on a 100% basis for a period of five years from the date of appointment of the Reader, subject to the condition that the expenditure on effectively maintaining such Readers' posts would be taken over the college/State Government at the end of the period of UGC assistance. It is generally expected that appointments to such posts of Readers would be made within a period of six months from the date sanction is given by the UGC for the creation of such a post. Individual universities may specify a date by which it could receive proposals from the Colleges seeking assistance for creation of posts of Readers under this scheme and forward them also to the Commission by a specified date each year.

Appendix VI to (Addl. Item No. 1) of the
minutes of the meeting of the UGC
held in 2nd June, 1975

Professors of Eminence

- A.
- i) A person selected as a professor of eminence will draw a salary of Rs. 3,000/- per month, but will not use the word 'professor of eminence' as a title or as designation.
 - ii) The total number of professors of eminence in the universities at any given time may not exceed 100 during the Fifth Plan period. This may be spread suitably over various disciplines or inter-disciplinary studies.
 - iii) The selection of a professor as a professor of eminence is basically a recognition of the meritorious contribution made by him to knowledge or to its promotion. It is expected that the selectors will demand the most exacting standards in making their choice. Self nomination and personal application for selection would, therefore, not be desirable.
 - iv) Universities may propose names of persons for being selected as professors of eminence only when they have satisfied themselves fully that the professor concerned has reached a very high level of academic distinction and is capable of fruitful work himself as well as of guiding and inspiring others.
- B.
- i) Proposals will be invited by the UGC from time to time. Vice-Chancellors will be requested to make proposals in consultation with either the Dean of Faculty/School concerned in the university or with any professor of the subject concerned serving in that or any other university.
 - ii) Only professors drawing the salary of at least Rs. 2,000/- per month in the revised scale of Rs. 1500-2500 (or in case they are in different scale they have been university professors for not less than seven years) will be eligible for being proposed for selection.
 - iii) In addition, the UGC may also invite suggestions in this regard from outstanding professors, reputed scholars and scientists.
- C.
- When a proposal is made under 'B', the Commission will obtain from the universities or from the sponsoring individuals, properly documented information about the academic achievement of the professor concerned, including research/scientific work and contributions including published work, inventions, discoveries, reviews, monographs, books and such other materials giving necessary evidence of original work done either individually or in collaboration with a team. A brief

note may also be obtained from the professor concerned about what he considers to be his main contribution to knowledge. The professor may also be requested to furnish the necessary references about his published work.

- D. 1) The Commission will constitute the following sub-committees to undertake a preliminary evaluation of the work done by the professors in the concerned areas :
- (a) Humanities and Social Sciences
 - (b) Physical, Natural and Earth Sciences
 - (c) Agricultural Sciences, Engineering & Technology, Medical Sciences.
- ii) After the preliminary evaluation, the sub-committee may consult panels of referees before recommending suitable names to the Commission for consideration. The sub-committee shall, *inter alia*, point out the importance and the significance of the work of professor whose name is recommended.
- iii) The evaluation reports and recommendations of the sub-committees will be examined by a committee consisting of five members of the Commission with power to co-opt experts representing different disciplines to make final recommendations to the Commission.
- iv) Care will be taken that the names of persons suggested and the evaluation reports on the work of professors whose names are suggested are treated as personal and confidential. Canvassing by or on behalf of a professor will not be looked upon with favour by the Commission
- E. 1) Where a proposal made by a university in respect of a professor is accepted by the Commission, the University Executive Council may appoint such person as a professor of eminence. In that case, the Commission will reimburse the university the difference in salary over and above the salary drawn by him at the time of selection and Rs. 3,000/- p.m. This difference will be paid by the Commission to the university on a recurring basis until the time of superannuation of the person concerned and will not be subject to fluctuation as a result of the increments earned by the professor.

However, the terminal benefits resulting from the increase in the salary of the professor concerned will be the responsibility of the university.

- ii) Universities participating in this scheme will be requested to make a provision, permitting such professors to hold part-time appointment in another University/Institute of Higher Learning.
 - iii) If a university desires to invite a professor of eminence working in another university to join it on grounds such as better facilities for research/teaching etc. the Commission may agree in such case to meet the entire salary payable to the professor concerned.
 - iv) If a university desires to invite as professor of eminence, an outstanding person working in an institution other than a university in India or in a university or institutions in a foreign country (provided he is an Indian national), the UCC may assist such universities also by providing funds to meet the difference in salary over and above the basic salary of Rs. 2,000/- and allowances normally admissible and which the university itself should agree to pay.
- F Universities agreeing to participate in the scheme are requested to amend suitably their Statutes/Ordinances preferably in consultation with the Commission.

Appendix VII (Addl. Item II)
to the minutes of the
meeting of the U.G.C.
held on 2nd June, 1975.

Creation of supernumerary positions of Professors/
Readers in special cases in the Universities.

Distinguished members of the academic community from universities, viz., Professors/Readers are from time to time invited to accept for specified period positions of national importance, vice-chancellorship, academic, research, administration or similar other assignments in or outside the country. In such cases, universities find it difficult to permit such Professor/Reader to retain lien on his post beyond a limited period as prescribed in the rules of the universities. On the other hand, the actual period of assignment may exceed the period of lien. In order to enable the services of such persons to be utilized and to enable them to return to their positions in the universities on the termination of their assignments, it would be desirable to create in such cases supernumerary positions of Professors/Readers. It would be open for the university concerned or any other university which desires to have the services of such an individual to approach the Commission for provision of a supernumerary position. If the same university where a teacher has been serving were to create a supernumerary post, the Professor/Reader would be entitled to earn increments in the scale during the period of his assignment. If any other university desires to have his services against the supernumerary post, the salary may be fixed at any stage in the scale with the approval of the Commission.

The university may send specific proposals for consideration of the Commission and necessary assistance indicating detailed information and the normal period of lien in each such case. The assistance would be for the duration the person draws his salary from the university, but not beyond the age of superannuation, or 60 years, whichever is earlier.

For purposes of retirement benefits, the period of appointment in a supernumerary post with or without salary would be counted as an approved service. The incumbents of the posts would also be entitled to contribute towards Provident Fund according to the rules of the university.

The total number of such positions of supernumerary posts which would be assisted by the UGC at any given time could be fixed for 25 posts of Professors/Readers in all universities and for all subjects.
