

## **P R E F A C E**

The District Statistical Officer Handbook of East Khasi Hills District, 2008 present the Data information relating to Socio-Economic features of this particular District.

This is the tenth (10) publication in the series, the data present in this issue have been collected from various Government Departments, Government undertakings and also from the published/documents of recognized institutions.

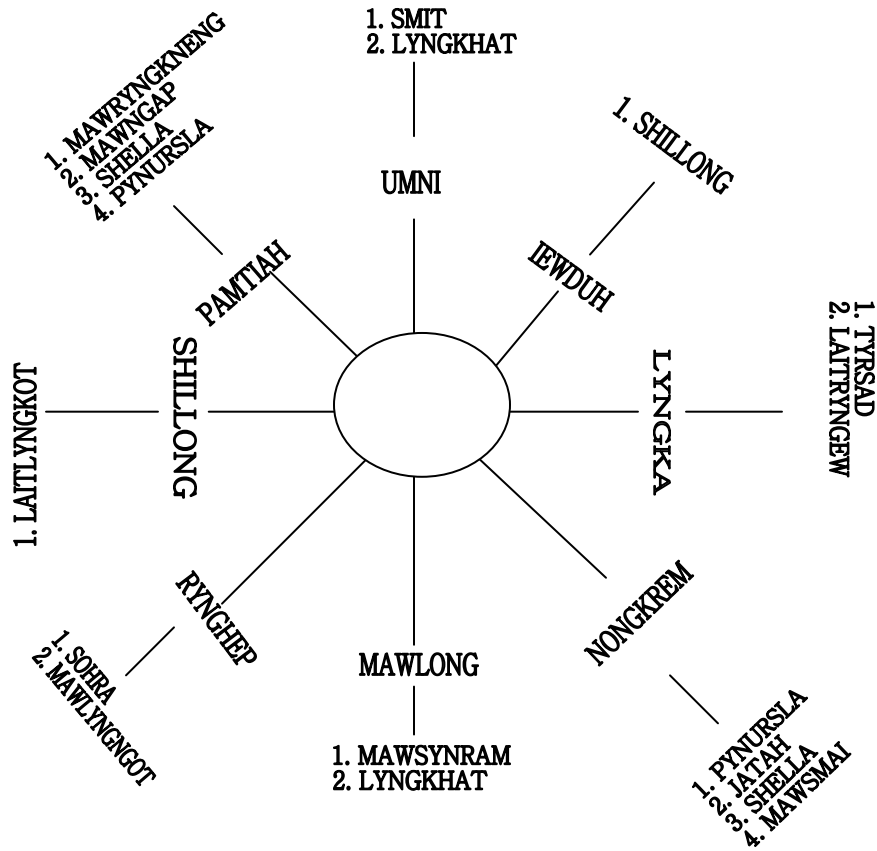

The Co-operation extended by various Government and Non-governmental agencies in making available the data presented in this series is very much appreciated. I therefore, wish to place on records the gratitude for the responds and co-operation to all of them.

Any critical constructive comments and suggestions from any quarter are most welcome to further improve its quality.
