Note : (1) GUVNL is scheduling the power as per the Merit Order prescribed by the Hon. GERC. Coal based Power Stations owned by GSEC are old and have high cost of generation due to higher landed coal cost because of Railway Freight, therefore, not falling under the Merit Orders.

(2) Further, due to good rainfall during the year 2013-14, the demand from Agriculture sector was moderate. Moreover, during the year, some of the big consumers availed of power outside the State under Open Access to the extent of 1000 MW.

(3) The Gas based 729 MW capacity remained almost idle, during the year, on account of non-allocation of Domestic Gas for Power Generation.

(4) * Gujarat has moved towards corporatization/unbundling of Generation, Transmission and activities of the GEB on generation side. GSECL made functional from 1st April, 2005.

(5) IPPs = Independent Power Producers
