Department of Higher Education

GUIDELINES FOR THE SPECIAL SCHOLARSHIP SCHEME
FOR JAMMU & KASHMIR.

1. BACKGROUND

An Expert Group was constituted by the Prime Minister on 18th August, 2010 in the context of enhancing employment opportunities in Jammu & Kashmir and to formulate jobs plan involving the public and private sectors. Among the key recommendations of the Expert Group, one was to offer 5000 fresh scholarships per annum over the next five years to encourage the youth of J & K to pursue higher studies outside the State of J&K. The proposal arises out of the identified strategy of a human resource development initiative focused on improving skill set through improving access to education.

2. OBJECTIVE

To provide tuition fees, hostel fees, cost of books and other incidental charges to students belonging to Jammu & Kashmir who, after passing Class XII or equivalent examination, secure admission in Government

colleges/institutions and other select institutions outside the State of Jammu & Kashmir.

3. SCOPE

It is envisaged to provide 5000 fresh scholarship every year over the next five years. Out of these, 4500 scholarships would be for general degree courses, 250 for engineering and 250 for medical studies. The number of scholarships for engineering and medical studies would be kept flexible i.e. more than or less than 250 scholarship per annum, for each of these streams, subject to the ceiling of 5000 fresh scholarships per annum and subject to the savings accruing from any shortfall in the number of students opting for general degree courses.

4. ELIGIBILITY

Students belonging to the State of Jammu & Kashmir, appearing for the Class XII or equivalent exam through the State Board of Jammu & Kashmir, pursuing general degree courses, engineering and medical studies in govt. colleges / institutes / other non-govt. reputed institutes, located outside the State of Jammu & Kashmir, would be eligible for scholarship under this scheme. Students pursuing courses through Open Universities would NOT be eligible under the scheme. Students availing of other scholarships schemes would NOT be eligible to avail of this scholarship scheme. Students pursuing courses, such as Diploma Courses, not leading to award of a Degree, shall NOT be eligible under this scheme. The income-ceiling will be Rs. 4.5 lakhs per annum.

5. Reservation

There will be internal earmarking of scholarship for SC, ST & OBC categories, as per the quota prescribed for the State of J&K. However, in case of any quota remaining unfilled, it would be filled up by the general category students. Horizontally, a reservation of 3% will be provided for Physically Handicapped, as per government norms.

6. SELECTION PROCEDURE

The total number of scholarships will be 5000 fresh scholarships per year. In case the number of applicants exceeds the number of scholarships available, then the awardees will be selected on the basis of marks scored by them in the Class-XII or equivalent exam. The awardees would be selected from amongst the students who belong to Jammu & Kashmir and who appear for the Class XII or equivalent exam through the State Board of Jammu & Kashmir.

7. RATE OF SCHOLARSHIPS

The components of scholarship for every scholar under this scheme would be as under :

Tuition Fees:

Upto Rs.30,000/- per annum for general degree courses.

OR

Upto Rs.1.25 lakhs per annum for engineering courses.

OR

Upto Rs.3.00 lakhs per annum for medical studies, including Bachelor of Dental Surgery (BDS).

In addition to this, hostel fees and incidentals will also be given for all categories of courses. The ceiling for this will be Rs. 1 lakh per annum. Course fees, Hostel fees, etc. would be paid as per 'actuals'. The charges in rented accommodation will be reimbursed as per certificate given by the Head of the college / institute, regarding reasonableness of rates etc. Flexibility for deciding fees to be reimbursed for certain courses rests with the Inter-Ministerial Committee, within the overall ceiling.

8. Institutes

The list of non-govt. reputed institutes to be covered under the Scheme is at **[Annexure-I]**. Courses such as Agriculture, Fisheries, Horticulture, Veterinary Science etc. would form part of general degree courses. Any addition or deletion to the list shall be notified by the Ministry of Human Resource Development, Government of India, as and when required, based on the recommendations of the Inter-Ministerial Committee. The overall number of fresh scholarships per year would be capped at 5000.

9. DURATION OF SCHOLARSHIPS AND RENEWAL

The scholarship granted under the scheme will be kept renewed within subsequent classes subject to good conduct and maintenance of prescribed attendance. Students failing in ONE term or semester will get the scholarship in the following year subject to the condition that he/she will get the scholarship only for the maximum duration of the course. (i.e. 3 years for general degree courses, 4 years for engineering courses and 5 years for medical courses). If a scholar is unable to appear in the annual examination owing to illness and / or on account of any unforeseen event, the scholarship may be renewed for the next academic year on submission of medical certificate and other proof to satisfy the Head of the Institution who will also certify the same.

A scholar would be allowed to continue/renew his scholarship if he/she changes the course of study to a stream not offered by his school Board in Class XII (e.g. Law, Fashion Technology, etc.). Students pursuing courses in which the duration is 5 years, would get scholarship at the prescribed rates. Students changing their college/institute of study would be allowed to continue/renew the scholarship provided the course of study and the institution is recognized, subject to the condition that the scholarship will not be paid twice for the same year of study. In case the scholarship is cancelled for any reason, the decision of the MHRD will be final and binding. In the event of denotification/deletion of any institution, the scholarship will continue to be available to the

students already admitted under the Scheme, if otherwise eligible, till completion of the course.

10. Procedure for disbursement

The scholarship would be sanctioned based on the eligibility certificate, admission certificate and other documents, presented by the students, through the college/institute. Scholarship (as per actuals certified by the institutions identified under this scheme) will be paid to the selected students by the Central Government through the college / institute in which the student is studying.
