Best wishes to everyone

The Tamil Nadu State Council for Higher education is keen on updating the knowledge of the students & staff of all Colleges / Universities in Tamil Nadu. One of our ways for the above is encouraging and promoting the interest of staff and students to conduct seminar, conference and workshop by giving financial assistance to the maximum amount of Rs.20,000/- for one day seminar and Rs.40,000/- for more than one day seminar or 50% of the cost expenditure whichever is less.

The Registrars of all Science and Arts Universities in Tamil Nadu are requested to bring this to the notice of their respective constituent colleges.

Application in the prescribed pro-forma for financial Assistance from TANSCHE is invited from the staff of all Colleges / Universities for the next academic year 2008-2009. The staff who are interested in conducting seminars etc., are advised to send their application atleast two months in advance of the date of proposed seminar.
