

DES NO/07/2015

GOVERNMENT OF KARNATAKA

***Men and Women in Karnataka
2014-15***

September 2015

Publication, Training and Co-ordination Division

Directorate of Economics & Statistics,

Bengaluru

PREFACE

The Directorate of Economics and Statistics has brought out the Annual Publication of “Men and Women in Karnataka” for the year 2014-15. The publication is intended to provide a bird’s eye view of the present status of Women. This publication is prepared by collecting the information on various statistical indicators which are available in different published sources. I am confident that planners, administrators, research scholars and other stakeholders working in the area of women’s empowerment would find this document a useful tool for improving the status of women in Karnataka.

I wish to express my sincere gratitude to the Departments/Organizations of Central and State Government who have extended their whole hearted co-operation in furnishing the required data, on the basis of which the report has been brought out on time.

This is the report which should be brought out within 30th September 2015 as per the department Results Frame Work Documents (RFDs). I congratulate the officers and staff of the Publication, Training and Co-ordination Division, who are responsible to bring out our Publication within the targeted date.

Suggestions for improvement of this Publication are most welcome.

K.V.Subramanyam
Director

Bengaluru
Date:24-09-2015.

EXPLANATORY NOTES

Sex Ratio

Sex Ratio is the ratio of females to males in given population, usually expressed as the number of females for every 1000 males.

Labour force

Labour force is defined as the total persons working (or employed) and seeking or available for work (or unemployed)

Work force

Persons engaged in any gainful activity are considered as workers (or employed). They are the persons assigned any one or more of the nine activity categories under the first broad activity category i.e. “Working or employed”

Employed and Unemployed

According to usual status approach, (with a reference period of 365 days) adopted by National Sample Survey Organization (NSSO) a person is considered as working or employed if He / She is engaged relatively for a longer time, during the reference period of last 365 days in any one or more of the work activities. He / She is considered as seeking or available for work or unemployed if he/she is not working but is either seeking or available for work for a relatively longer period of the specified reference period.

Suicide rate

Suicide rate is defined as the number of suicides per lakh population.

Total Fertility rate

Total fertility rate is defined as the average number of children that would be born to a woman if she experiences the current fertility pattern through her reproductive span (15-49 years).

Crude Birth Rate

Crude Birth Rate indicates the number of live births per 1000 population in a given year.

General Fertility Rate

General Fertility Rate is the number of Live Births per 1000 females aged 15-49 years in a given year.

Age-Specific Fertility Rate

Age-Specific Fertility Rate is the fertility rate which is obtained for specific age groups, with respect to the population in that age group.

Crude Death Rate

Crude Death Rate is the number of deaths per 1000 population in a given year.

Age-Specific Death Rate

Age-Specific Death Rate is the death Rate which is obtained for specific age groups, with respect to the population in that age group.

Infant Mortality Rate

Infant Mortality Rate is the number of deaths of infants under one year of age per thousand live births in a given year.

Still Birth rate

Still Birth rate is a fetal death occurring after 28 completed weeks of gestation or more.

INTRODUCTION

1.1 Women and men do not play identical roles in any society; nor do they have equal access to education, work, career opportunities and economic resources. This means that political and economic leadership is also unequally shared, which leads to gender disparities in the enjoyment of benefits from economic and social development. In recent decades, advocates of women's rights have drawn attention to these facts and the need to consider them in policy and programme formulation.

1.2 A gender issue is an issue or concern determined by gender based and/or sex based differences between women and men. Gender issues are all aspects and concerns with how women and men inter-relate, their differences in access to and use of resources, their activities and how they react to changes, interventions and policies.

1.3 The principle of gender equality is enshrined in the Indian Constitution in its Preamble, Fundamental Rights, Fundamental Duties and Directive Principles. The Constitution not only grants equality to women, but also empowers the State to adopt measures of positive discrimination in favour of women. Within the framework of a democratic policy, our laws, development policies, Plans and programmes have aimed at women's advancement in different spheres. From the Fifth Five Year Plan (1974-78) onwards there has been a marked shift in the approach to women's issues from welfare to development. In recent years, the empowerment of women has been recognized as the central issue in determining the status of women.

1.4 The National Commission for Women was set up by an Act of Parliament in 1990 to safeguard the rights and legal entitlements of women. The 73rd and 74th Amendments (1993) to the Constitution of India have provided for reservation of seats in the local bodies of Panchayats and Municipalities for women, laying a strong foundation for their participation in decision making at the local levels. The women's movement and a wide-spread network of non-Government Organizations which have strong grass-roots presence and deep insight into women's concerns have contributed in inspiring initiatives for the empowerment of women.

1.5 Gender disparity manifests itself in various forms, the most obvious being the trend of continuously declining sex ratio in the population in the last few decades. Social stereotyping and violence at the domestic and social levels are some of the other manifestations. Discrimination against girl children, adolescent girls and women persists in parts of the country.

1.6 Social development indices viz., nutrition, health and education are being recognized as important pre-requisites for development of human resources of the country. The nutritional status of vulnerable section of the community i.e., children, pregnant women, lactating mother and adolescent girls is considered as an important indicator for national development

1.7 The status of women is a key factor for determining the development of any society. In the area of gender and development, the Commonwealth has given a blue print for action to all their Member Countries. States to transform the Commonwealth vision for women into reality. Efforts will surely bring about a day when women and men will take equal position in all walks of life.

1.8 Gender based Budgeting is nowadays felt essential for the upliftment of women socially and economically. Gender budgeting is to create separate budget for males and females. Attempts should be made to segregate the budget by gender and to assess gender distribution of resource benefits. It will highlight the different needs of male and female warranting differential allocation of expenditure.

RIGHTS AND PRIVILEGES OF WOMEN IN INDIA

A. CONSTITUTIONAL PROVISIONS

2.1 The Constitution of India not only grants equality to women but also empowers the State to adopt measures of positive discrimination in favour of women for neutralizing the existing socio-economic, education and political disparities faced by them. Fundamental Rights, among others, ensures equality before the law, equal protection of law, prohibits discrimination against any citizen on grounds of religion, race, caste, sex or place of birth, and guarantees equality of opportunity to all citizens in matters relating to employment. Articles 14, 15, 15(3), 16, 39(a), 39(b), 39(c) and 42 of the constitution are of specific importance in this regard.

Constitutional Privileges:

- (i) Equality before law for women (**Article 14**)
- (ii) The State not to discriminate against any citizen on grounds of religion, race, caste, sex, place of birth or any of them (**Article 15(i)**)
- (iii) The State to make any special provision in favour of women and children (**Article 15 (3)**)
- (iv) Equality of opportunity for all citizens in matters relating to employment or appointment to any office under the State (**Article 16**)
- (v) The State to direct its policy towards securing for men and women equally the right to an adequate means of livelihood (**Article 39 (a)**): and equal pay for equal work for both men and women (**Article 39 (d)**)
- (vi) To promote justice, on a basis of equal opportunity and to provide free legal aid by suitable legislation or scheme or in any other way to ensure that opportunities for securing justice are not denied to any citizen by reason of economic or other disabilities (**Article 39 A**)

- (vii) The State to make provision for securing just and humane conditions of work and for maternity relief **(Article 42)**
- (viii) The State to promote with special care for the educational and economic interests of the weaker sections of the people and to protect them from social injustice and all forms of exploitation **(Article 46)**
- (ix) The State to raise the level of nutrition and the standard of living of its people and the improvement of public health **(Article 47)**
- (x) To promote harmony and the spirit of common brotherhood amongst all the people of India and to renounce practices derogatory to the dignity of women **(Articles 51 (A) (e))**
- (xi) Not less than one-third (including the number of seats reserved for women belonging to the Scheduled Castes and the Scheduled Tribes) of the total number of seats to be filled by direct election in every panchayat to be reserved for women and such seats to be allotted by rotation to different constituencies in a panchayat **(Article 243 D(3))**
- (xii) Not less than one third of the total number of offices of Chairpersons in the Panchayats at each level to be reserved for women **(Article 243 D(4))**
- (xiii) Not less than one-third (including the number of seats reserved for women belonging to the Scheduled Castes and the Scheduled Tribes) of the total number of seats to be filled by direct election in every Municipality reserved for women and such seats to be allotted by rotation to different constituencies in a Municipality **(Article 243 T(3))**
- (xiv) Reservation of offices of Chairpersons in Municipalities for the scheduled Castes, the Scheduled Tribes and Women in such manner as the legislature of a State may by law provide **(Article 243 T (4))**

B. LEGISLATIVE PROVISIONS

2.2 To uphold the Constitutional mandate, the State has enacted various legislative measures intended to ensure equal rights, to counter social discrimination and various forms of violence and atrocities and to provide support services especially to working women .

2.3 Important social legislations relating to women are:

- (i) The Maternity Benefit Act, 1961;
- (ii) The Medical Termination of Pregnancy Act, 1971;
- (iii) The Dowry Prohibition Act, 1961;
- (iv) The Karnataka Marriage Act, 1976
- (v) The Immoral Traffic (Prevention) Act, 1956;
- (vi) The Indecent Representation of Women(Prohibition)Act, 1986;
- (vii) The Commission of Sati (Prevention) Act, 1987;
- (viii) Equal right for women in parental property (Amendment) Bill 2004
- (xi) Protection of Women from Domestic Violence Act 2005

SPECIAL INITIATIVES FOR WOMEN

3.1 National Commission for Women:

In January 1992, the Government set-up this statutory body with a specific mandate to study and monitor all matters relating to the constitutional and legal safeguards provided for women and review the existing legislation to suggest amendments wherever necessary etc.,

3.2 Reservation for Women in Local Self-Government

The 72nd and 73rd Constitution Amendment Acts passed in 1992 by Parliament ensures one-third of the total seats for women in all elected offices in local bodies whether in rural areas or urban areas.

3.3 The National Plan of Action for the Girl Child (1991 –2000)

The Plan of Action is to ensure survival, protection and development of the girl child with the ultimate objective of building up a better future for the girl child.

3.4 National Policy for the Empowerment of Women, 2001

The Department of Women and Child Development in the Ministry of Human Resource Development has prepared a **“National Policy for the Empowerment of Women”** in the year 2001. The goal of this policy is to bring about the advancement, development and empowerment of women.

3.5 National Social Assistance Programme (NSAP):

This programme comprises of Indira Gandhi National Old Age Pension Scheme (IGNOAPS), Indira Gandhi National Widow Pension Scheme (IGNWPS), Indira Gandhi National Disabled Pension Scheme (IGNDPS), and National Family Benefit scheme (NFBS).

i) Indira Gandhi National Old age Pension Scheme

(IGNOAPS):

Government of India has reduced the age limit of the beneficiaries from 65 years to 60 years. Rs. 200 per month will be paid to the beneficiaries aged between 60 to 64 years, Rs.500 per month to the beneficiaries aged between 65 to 80 years, of which Rs.200 per month is paid by GoI and Rs.300 is paid by GoK. Rs.750 per month will be paid to the beneficiaries aged above 80 years belonging to BPL household, of which Rs.500 per month is paid by GOI and Rs.250 is paid by GOK.

ii) National Family Benefits Scheme (NFBS):

To help the families below poverty line during the time of distress caused due to death of principal bread earner aged between 18 to 59 years of the family. Rs.20,000(one time payment) is paid to the surviving family member.

iii) Indira Gandhi National Widow Pension Scheme

(IGNWPS):

widows aged above 18-39 years belonging to BPL households, pension Rs.500 will be paid by GoK. For beneficiaries aged between 40-79 years, Rs.500 per month is paid, of which Rs.200 by GoK & Rs.300 by GoI will be paid till she remarries or her income limit crosses Rs.12,000 in rural areas and Rs.17,000 in urban areas per annum or till her death.

iv) Indira Gandhi Disabled Pension Scheme (IGNDPS):

Rs. 500 per month is paid by GOK to those persons aged between 0 to 17 years belonging to BPL household and Rs.500 per month is paid to beneficiaries aged between 18 to 79 years, of which Rs.200 from GoK & Rs.300 from GoI. Persons suffering from disability above 75% are paid Rs.1200 per month from GoK.

DEMOGRAPHY AND VITAL STATISTICS

4.1 It is a widely known fact that women live longer than men. At the same time it is also a fact that there are less number of women than men. The sex ratio having declined continuously tends to move up since 1991. Details on population and percentage share of female population, life expectancy rate and density as per 2011 census are given in Table 1 and 2. Details on population in five year age groups by sex are given in Table 3, and details on Scheduled Castes and Scheduled Tribes population in five year age groups in Karnataka are given in Table 4 & 5 respectively. The number of females per 1000 males as per 2011 census is 973 and as per 2001 census it was 965, hence there is slight increase in the number of females. The details are given in Table 6.

4.2 The Child Population in the age group (0-6 years) as per Census of India 2001 and 2011 are given in Table 7. In comparison to 2001 child population census figure with that of 2011 there is an overall total decline in both male and female child population. The sex ratio in 0-6 age group has declined sharply from 960 in 1991 to 946 in 2001 and again there was a slight raise from 946 in 2001 to 948 as per 2011 Census. The details are given in table No.8.

4.3 During the year 2013, combined birth rate is 18.3, combined death rate is 7.0 and combined infant mortality rate is 31. Details of Birth rate, Death rate and Infant Mortality rate from 1971 to 2013 are given in Table 9.

4.4 As per Human Development Report of 2005 the Life Expectancy at Birth during 1991-92 in Karnataka was 62.1, whereas it was 65.8 in 2001-02. District wise life expectancy at birth for the years 1991-92 and 2001-02 is given in Table 10.

4.5 The Total Fertility Rate (TFR) declined from 3.9 in 1991 to 2.4 in 2001. The decline in Total Fertility Rate is due to improved contraceptives, increased knowledge and acceptance of contraceptives, and reduced child mortality. Economic reasons for the decline in fertility rates include high rates of urbanization, increase in the cost of living, increased education of women has raised their earning power and increased the "opportunity cost" of child bearing and child rearing, and rapid technological change has raised the rate of return to human capital and education. High rates of return to human capital and education has raised the incentives of parents to invest in their children's education and to substitute quality for quantity in family size decisions. The district wise details of total fertility rate are given in Table 11. The general fertility rate is 37.7 and the total fertility rate is 2.4 among illiterate women and the corresponding rates are 72.8 and 1.9 for literate women. The fertility indicators by level of education for the year 2013 are given in Table 12.

4.6 The Percentage distribution of population by sex, marital status of all ages during 2013 was 38.2 in respect of never married women, 49.4 in respect of married women and 12.4 in respect of widowed/divorced and separated women and the details are given in Table 13.

4.7 Total marital fertility rate is 3.9 and 3.9 in Rural and 3.9 in Urban. The Age specific marital fertility rate and age specific fertility rate, for the year 2013, are given in table 14 and 15.

4.8 All ages crude Death rate is 7.0 in total, where as it is 7.5 in male & 6.5 in female. Age specific death rates for male & female is given in table 16.

4.9 District wise Birth rate and Death rate for the year 2013 are given in table 17.

4.10 During the year 2013, in Karnataka the registered number of live births was 10.69 lakhs, still birth was 5708, deaths was 4.14 lakhs and maternal death

was 1573. Live births, still births, birth rate, Deaths, Death rate, Infant death are given in table 18.

4.11 Percentage of live births by order of birth for the year 2013, for 5th birth order was 1.1 in rural areas and 0.9 in urban areas, the details are given in the table 19.

CHILD DEVELOPMENT

As per the 2011 census Karnataka has a total population of 61.09 millions of which children in the age group 0-6 constitute 11.72. The programmes, policies and schemes of the department are aimed at a holistic development of children in terms of tackling by declining sex ratio, infant mortality, health and nutrition issues, early childhood education, protection of rights of children, prevention of child abuse and exploitation, provision of care and protection etc.

5.1 Day Care Centers (Creches)

Creches directly benefit children in the pre-school age by providing pre-school education, supplementary nutrition and opportunities for psychosocial development and recreation. They also indirectly benefit mothers by giving them an opportunity to join the workforce, as creche workers look after the children, while mothers are at work. The numbers of day care centers in Karnataka for the year 2014-15 are 36 and district wise information is given in Table 20.

5.2 Integrated Child Development Services (ICDS)

The Integrated Child Development Service (ICDS) is a centrally sponsored flagship programme, which provides package of services viz., supplementary nutrition, immunization, health check-up, referral services, health and nutrition education for mothers and non-formal pre-school education for 3-6 years children. Eligible beneficiaries covered under the scheme are children below six years of age, pregnant women, nursing mothers and adolescent girls. The package of services is provided to the beneficiaries through the Anganwadi Centers managed by an Anganwadi Worker and Helper at the Village Level and

also in Urban Slums. At present 61187 Anganwadi Centres and 3331 mini anganwadis are functioning in 2014 ICDS projects covering all 176 Taluks. During 2014-15, under this scheme, 57.67 lakhs beneficiaries have been benefited.

5.3 Supplementary Nutrition Programme:

Supplementary nutrition is given to the beneficiaries under ICDS programme with an objective to provide 500 calories of energy and 12–15 grams of protein, as a supplement to their normal intake as envisaged in the scheme guidelines. Supplementary nutrition is given for 300 days in a year at a cost of Rs. 6.00 per beneficiary per day for normal children and Rs. 7.00 per beneficiary per day for pregnant and nursing mothers and adolescent girls and Rs.9.00 per severely malnourished child per day. Beneficiaries are provided with local food for all the 6 days in a week. Children in the age group of 3 -6 years are provided ready to local food is provided for 6 days. An expenditure of Rs. 1,01,979.89 lakhs was incurred during the year 2014-15. From 2005-06 the Government of India is sharing 50% of the cost on supplementary nutrition and 50% share is borne by State Government. The district wise details are given in table 21.

5.4 Rajiv Gandhi Scheme for Empowerment of Adolescent Girls –‘SABALA’

Government of India formulated a new scheme called ‘Rajiv Gandhi’ scheme for Empowerment of Adolescent Girls –‘SABALA’ merging ‘KISHORI SHAKTI YOJANA’ (KSY) and NUTRITION PROGRAMME FOR ADOLESCENT GIRLS (NPAG). The new scheme ‘SABALA’ is implemented on pilot basis in 9 districts namely Gulbarga, Kolar, Dharwad, Chickmagalur, Bengaluru Rural, Bellary, Bijapur, Kodagu and Uttara Kannada. In the remaining 21 District Kishori Shakti Yojana operational component (iii) Vocational Training is being provided under the scheme. The scheme aims at covering Adolescent Girls in the age group of 11 to 18 years. Rs. 108.30

lakhs for Non-nutrition component has been released in the year 2014-15 and an expenditure Rs.108.23 lakh has been incurred. Physical and Financial progress for supplementary nutrition programme and Kishori Shakti Yojaya for the year 2014-15 is given in Table No.21.

5.5 Bhagyalakshmi

As per 2011 census, the sex ratio in Karnataka is 973 females to 1000 males. Though this is better than the national average. There are several socio economic reasons for the 'high preference for a male pregnancy' that is seen to be present in society at large which adversely affects the girl child's access to nutrition, health care, education and overall development. The State Government has great concern for the girl child and to change society's attitudes towards her, and promote birth of girl children in the below poverty line families, a new welfare scheme called "Bhagyalakshmi" was launched during the year 2006-07 and the scheme was partially modified on 06.03.2015. This scheme is restricted to two girls in BPL families. This benefit will not be available unless the father or mother of the beneficiary girl has undergone terminal family planning methods so that the total number of children of the BPL family does not exceed two. The girl child is enrolled after due verification by the department a sum of Rs.10,000.00, is deposited in her name of the beneficiary in fixed deposit and for children's born on or after 01-08-2008, an amount of Rs.19,300.00 will be deposited with the financial institution in the name of the first girl beneficiary and Rs.18,350.00 in name of the second girl beneficiary of the same family. The amount deposited in the financial institution will be maximized and paid along with interest to the beneficiary on her attainment of 18 years of age. The district wise information regarding the number of beneficiary's covered during 2013-14 and 2014-15 is given in table 22.

5.6 GIRL CHILD

Government of India has declared January 24th as the Girl Child day with a focus on the upliftment of the Girl Child. Although the constitution of India guarantees equality to all citizens, the status of women and girls is not on par with that of males in some sections of society. The skewed sex ratio in the 0-6 years age group is an indicator of this fact. The Government of India has launched several schemes and programmes for the welfare of the girl child, which reduce discrimination against the girl child, which reduce discrimination against the girl child. Some of these are:-

A. GIRL CHILD SCHEME/ADOLESCENT GIRL SCHEME

1. Integrated Child Development Services (1975)
2. Kishori Shakti Yojana (2000)

B. Legislative Measures

Various legislations have been enacted for the protection of children. These are:

1. The Juvenile Justice (Care and Protection of children) Act, 2000 and Amendment Act, 2006 and Karnataka Rules, 2010.
2. The Prohibition of Child Marriage Act, 2006 and Rules 2008.
3. Protection of Children from Sexual Offence Act 2012 and Rules 2012.

5.7 Discrimination against girls is evident from indicators such as enrolment and dropout rates of girls in schools. Dropout rates from 2014-15 are given in Table 23 and 24.

5.8 The National Family Health Survey 2006 found that the two child norm is gradually being accepted in the country, but this is more so among women those who have two sons living.

5.9 The sex preference of women with two children living in Karnataka and is represented in the following Table:

	Total	Urban	Rural
Married women wanting no more children, with two sons living (%)	92.7	NA	NA
Married women wanting no more children with one son, one daughter, living (%)	NA	NA	NA
Married women with 2 living children, wanting no more children (%)	88.4	89.2	87.8
Married women wanting no more children, with two daughters living (%)	NA	NA	NA
Child Feeding Practices and Nutritional Status of Children 2, 3 years			
Children under 3 years breastfed within one hour of birth (%)	35.7	37.9	34.4
Children age 0-5 months exclusively breastfed (%)	58.6	NA	NA
Children age 6-9 months receiving solid or semi-solid food and breast milk (%)	72.5	NA	NA
Children under 3 years who are underweight (%)	NA	NA	NA

EARLY MARRIAGE

EARLY MARRIAGE

Implementation of Prohibition of Child Act-2006

6.1 All children have right to care and protection to develop and grow into a complete and full individual. Child Marriage is a blatant violation of all these rights as child marriages deny children their basic rights to good health, nutrition, education and freedom from violence, abuse and exploitation. Child marriage resulting in early motherhood means placing both the young mother and her baby at risk. This leads to increase in infant and maternal mortality.

6.2 Under Prohibition of Child Marriage Act-2006, child marriage means a marriage to which either of the contracting parties is a child. Child under this act is defined as a female who has not completed 18 years and a male who has not completed 21 years.

6.3 Punishment under prohibition of Child Marriage Act-2006.

- a) Whoever, being a male adult above 18 years of age, contracts a child marriage,
- b) Whoever performs, conducts, directs or abets any child marriage,
- c) Parents or guardian or any other person having charge of child fails to prevent child marriage, shall be punishable with rigorous imprisonment which may extend to 2 years or with fine may extend to 1 lakh rupees or both.

The High Court of Karnataka while disposing of the Writ Petition No.11156/6 on 10.11.2010 directed the State Government to set up a Core Committee in order to prepare an Action Plan to implement the Prohibition of Child marriage Act 2006 effectively. The Government issued an order dated

22.11.2010 setting up a Core Committee under the Chairmanship of Dr.Shivaraj. V.Patil former Supreme Court Judge of India with a view to prepare an Action Plan to prevent child marriages. Committee submitted its report to Government on 30.06.2011. Child Marriage Prohibition Monitoring Cell has been created at Directorate of Women and Child Development on committee's recommendation for effective implementation of Prohibition of Child marriage Act-2006.

Child Marriage Prohibition Officers were appointed by Government vide notification dated 20-08-2008 and addendum issued on 16-11-2011.

As per core committee recommendation, awareness about consequences of Child Marriage has been created through Electronic media, Advertisements, Trainings, Awareness programs and with IEC Materials.

CHILD LABOUR

7.1 Government of India enacted “The Child Labour (Prohibition & Regulation) Act 1986” to prohibit employment of Children below the age of 14 years in Hazardous occupation or processes listed in the schedule of the Act. Government of Karnataka prohibits employment of Child Labour in Shops and Commercial Establishment Act 1961, which means total prohibition of Child Labour in all employments. Government of India and Government of Karnataka laid down policies and programmes for elimination of Child Labour completely and to declare Karnataka as “A Child Labour free State”. For this purpose an Action Plan was formulated in the year 2001 to prevent Child Labour System in the State by the year 2007. Since, complete eradication was not possible, the Action Plan was extended up to 2012 and the same is in existence in the State. The details of Child Labourers Mainstreamed is given in Table-22(a).

7.2 The details of child labourers eliminated from 2011-12 are as follows:

Sl.No.	Year	No.of Child Labourers Eliminated
1	2011-12	4469
2	2012-13	873
3	2013-14	1339
4	2014-15	1288

7.3 The Child Labourers released from work are being rehabilitated in National Child Labour Project (NCLP) of Central Government State Child Labour Project (SCLP) of State Government. At present, in 17 districts, National Child Labour Project (NCLP) and in 13 districts State Child Labour Project (SCLP) are implemented for the rescue and rehabilitation of child labourers.

7.4 To prevent the child labour system, the department has taken the following steps:

1. World Day Against Child Labour is being observed in all the districts every year on June 12th. This year World Day Against Child Labour was observed on the theme of 'Extend Social Protection-combat Child Labour'. A State Level function was organized at Bengaluru, which was attended by Hon`ble Chief Minister and people Representatives.
2. Massive awareness programmes are being conducted through print and electronic media to create awareness among the public against child labour. Further, activities like street plays, distribution of handbills are also undertaken.
3. Periodical inspections and surprise checks are being conducted to identify the child labourers.
4. In addition to the officers of the Labour Department, 11 other Departmental Officers are notified as Inspectors under the Child Labour (Prohibition and Regulation) Act, 1986 and the Karnataka Shops & Commercial Establishments Act, 1961.
5. Cases are filed against the employers who have employed child labour in the competent court of Law.
6. Compensation of Rs.20,000/- is being collected from the offending employers who have employed child labourers in hazardous works and same is being deposited in 'Child Labour Rehabilitation cum Welfare Fund' established in every district, as per the Supreme Court decision.
7. District Child Labour Eradication Project Societies are registered under the Chairmanship of respective Deputy Commissioners and all the programmes are implemented through the Deputy Commissioners.
8. Control Room has been established to receive complaints against child labour at State Headquarters. Complaints also can be registered through online.

9. Services of Child Helpline `1098` are also being utilized functioning under Women and Child Development Department.

10. To keep track of the rescued child labourers, a Web Based Child Labour Tracking System has been developed and installed in all the districts.

The density of child labourers has come down considerably due to legal knowledge, awareness and effective implementation of laws related to child labour.

Enactments which prohibit Child Labour are:

- (a) Factories Act, 1948
- (b) Plantation Labour Act 1951.
- (c) Mines Act 1952
- (d) Motor Transport Workers Act, 1961
- (e) Beedi and Cigar Workers Act 1966
- (f) Child Labour (Prohibition and Regulation) Act 1986.

7.5 As per Census of India 2011, 2.49 lakhs of children are child labourers in Karnataka.

7.6 The incidence of Child Labour during various Census in Karnataka State is given below:

Year	Child Labour as per Census(in Lakhs)
1971	8.08
1981	11.31
1991	9.76
2001	8.22
2011	2.49

HEALTH AND NUTRITION

8.1 For a nation’s progress it is essential that the health and nutrition of women and girls, mothers of the new generation are adequately cared for. The majority of women go through life in a state of nutritional stress; they are anemic and malnourished. Poverty, early marriage, malnutrition and lack of health care during pregnancy are the major reasons for both maternal and infant mortality. The average Indian women bear her first child before 22 years and has little control over her own fertility and reproductive health. In rural side almost 60 percent of girls are married before they are 18; nearly 60 percent of married girls bear children before they are 19. Almost one third of all babies are born with low birth weight.

8.2 As per Sample Registration System, the overall Infant mortality rate in Karnataka which was 89 in 1971 has come down to 31 in 2013. In 2001-02, the expectation of life at birth for females was 67.0 and 64.5 for males. Details are shown in Table 9 and Table 10.

8.3 The rural health infrastructure in Karnataka is often plagued with inadequate resources of trained manpower, equipment, medicines, electricity and transport. To reduce the high maternal mortality rate, rural health infrastructure needs strengthening. The number of health centers available in rural areas is given below:

Number of Health Centres 2014-15

Sub centers	8871
Primary Health Centers (PHCs)	2353
Community Health Centers (CHCs)	206

(Source:- Health and Family Welfare Services, Government of Karnataka)

8.4 International Institute for Population Sciences conducted the NFHS-3 survey on maternal health services in 2005-06 and the percentage of mothers receiving antenatal and post natal care is given below.

Mothers Receiving Antenatal and Post Natal Care	Total	Urban	Rural
Mothers who had at least 3 Antenatal visits for Last Birth (%)	79.3	89.3	73.4
Mothers who consumed IFA tablet for 90 days when pregnant (%)	40.6	46.2	35.0
Mothers who Received Post Natal Care within 2 days of Delivery for their last birth (%)	58.5	70.4	51.0

Note: IFA- Iron and folic acid

8.5 AIDS has emerged as a major killer in Karnataka. The incidence of AIDS is spreading from the high risk population to the general population, and the infection has spread even to new born babies. The district-wise details about the percentage of women having awareness about AIDS in Karnataka is shown in Table 25.

8.6 The nutritional status of women and children in Karnataka is not quite satisfactory and requires intervention to bring improvement in the current situation. Although programmes have targeted vulnerable sections of the population, more concerted effort is required to bring about tangible change in the situation. In spite of programmes like Public Distribution System and Targeted Public Distribution Systems (TPDS), poverty alleviation programme and rural and urban employment programmes, the nutritional status of 31% of women and 26% of men is below normal. The benefits of programmes does not seem to reach about 30% of the population, hence a different approach is required.

8.7 Persons having Body Mass Index and the incidence of anemia among married women is quite high in Karnataka. The incidence of anemia among pregnant women and married women are as under:

Nutritional Status of Ever-Married Adults(age 15-49)	Total	Urban	Rural
Women whose Body Mass Index is below normal (%)	35.5	26.3	41.5
Men whose Body Mass Index is below normal (%)	33.9	25.3	39.9
Women who are overweight or obese (%)	15.3	25.9	8.4
Men who are overweight or obese (%)	10.9	18.4	5.8
<u>Anemia among Children and Adults</u>			
Children age 6-35 months who are anemic (%)	83.9	NA	NA
Ever-married women age 15-49 who are anemic (%)	52.2	NA	NA
Pregnant women age 15-49 who are anemic (%)	62.6	NA	NA
Ever-married men age 15-49 who are anemic (%)	NA	NA	NA

Source: National Family Health Survey (NFHS-3) 2005-06

8.8 Safe Drinking Water

A vast section of the Karnataka Population does not have access to safe drinking water, which is the cause of many diseases such as cholera, typhoid, dysentery, jaundice etc., The status of rural Habitations access to safe drinking water and those yet to be covered is given below:

Rural Habitations having safe Drinking water

Partially Covered	Fully Covered	Total
3494	53188	56682

Source: Census of India 2001

8.9 Rural development and Panchayat Raj Department in Karnataka Programmed to provide 40 to 55 liters of drinking water to each person a day. Potable drinking water is supplied to rural areas through Bore wells fitted to hand pump scheme, Mini water supply scheme and piped water schemes.

EDUCATION

9.1 Education is a critical input in human resources development and is essential for the country's economic growth. A high literacy rate, especially in the case of women, correlates with improvement in several socio-economic indicators, namely low birth rate, low Infant Mortality Rate and increase in life expectancy. The recognition of this fact has created awareness on the need to focus on improving literacy and universalizing elementary education programme. The task of providing basic education for all, with concrete plan of action, gained greater momentum only after the National Policy of Education (NPE) was adopted in 1986 and revised in 1992.

9.2 India's constitution guarantees free primary school education for both boys and girls up to the age 14. This goal has been repeatedly reconfirmed but primary education in Karnataka is not universal. Female continue to lag behind males on the literacy front. Census 2011 indicates that only 68.08 women are literate as compared to 82.47 for men. As per the NFHS Survey the main reasons of females never attending schools are 'expensive cost of education', 'not interested in studies', 'education is not considered necessary' and 'required for household work'

9.3 The literacy rate has been going up steadily. The 2011 census revealed that while the total literacy rate was 75.36 percent, for females it was 68.08. The literacy rate by sex in rural and urban areas is given in Table 26.

9.4 During 2014-15, The number of girls enrolled in lower primary, higher primary and high schools are 26,02,818 (48.44), 14,34,416 (48.27) and 8,46,424 (47.90) respectively to the total enrolled. The total percentage enrolment of girls for lower primary, higher primary, and high schools was

48.30 per cent. District wise share of girls enrolment for lower primary, higher primary & high school for the year 2014-15 is given Table 27.

9.5 The Government of Karnataka has distributed bicycles for government school and aided school students who are studying in VIII standard to improve the quality of attendance in high school. The total number of bicycles distributed during the year 2014-15 were 5,46,169 of which 2,69,309 were distributed to girl students. The district wise details are given in Table 28.

9.6 The percentage of Female teachers in Bangalore district is the highest compared to other districts. Percentages of Female teachers in primary, Higher Primary & High schools are 52.69, 58.59 and 35.81 respectively. District wise information is given in Table 29.

9.7 Gender parity index for 2014-15 for Lower Primary, Higher Primary & High School is 0.99, 0.98 and 0.99 respectively and the detail are given in Table 30.

9.8 During 2014-15, number of girls enrolled for first year Pre-University and Second Year Pre-university are 3,03,844 and 3,00,917 respectively and the district wise details are given in table 31.

9.9 During 2014-15 the student strength in Government and Private aided degree colleges were 2,94,797 and 2,02,615 and of which 1,63,103 and 1,11,801 are female students the district wise details are given in table 32.

WOMEN AND ECONOMY

10.1 Marriage and kinship systems preserves the structures of patriarchy. Most societies are “Patriarchal” with women moving from their parents to their husband’s homes after marriage. Marriage can therefore be thought of as framework that serves to exchange women between households and marriage decisions are made with a view forward ensuring that this exchange of women promises the maximum gain to both households. The man’s household is the point of reference while the woman is simply an input into the process for households controlled by men to generate economic and social returns. However in some coastal districts of Karnataka, there is also a system of “Matriarchal” marriages existing.

10.2 As per 2011 census, in urban area, the total population of workers is 93.70 lakhs of which only 24.11 lakhs are females. In rural areas out of 185.01 lakhs, 113.11 lakhs are males and 71.90 lakhs are females. As per report of National Sample Survey 68th round, Central Sample the worker population ratio of females in rural sector for principal sector was 1000 while that for males was 1000. In urban areas it is 1000 for females and 1000 for males for which details are given in Table 33. According to Employment and training department, Bangalore the total employment of women in organized sector as on 31st March 2014 was 7,72,406 of which 2,87,136 were in public and 4,85,270 were in private sector. The district wise details are given in Table 38.

10.3 Women’s work is undervalued and unrecognized. Women work longer hours than men, and carry the major share of household and community work that is unpaid and invisible. There are far fewer women in the paid workforce than there are men. There are more unemployed women than unemployed men.

10.4 Women generally earn lower wage than men doing the same work. It has been estimated that women's wage rate are, on the average only 75% of men's wage rates and constitute only one fourth of the family income. In no State do women and men earn equal wages in agriculture. Also, women generally work in the informal sector where wages are lower and they are not covered by labour laws. Within organizations, women workers are also engaged in piecework and subcontracting at exploitative rates.

10.5 The percentage of work participation rate of main and marginal workers and non workers by sex is given below:

**Work participation Rate of Main and Marginal Workers by sex
(Percentage) in Karnataka, 2001 and 2011**

Main Workers				Marginal Workers				Non-Workers			
2001		2011		2001		2011		2001		2011	
F	M	F	M	F	M	F	M	F	M	F	M
20.63	51.66	23.39	52.80	10.91	4.97	8.48	6.20	68.01	43.36	68.12	41.00

(Source: Census of India)

10.6 To increase employment among women, several initiatives have been taken by Government of India, and programmes have been launched for the economic empowerment of women. Some of these are STEP and Hostels for Working Women, with day care centers for their children.

10.7 As per 2011 census the total male and female workers in all age groups are 2,33,97,181, of which 1,63,49,837 are male workers and 70,47,344 are female workers. In case of marginal workers, total workers are 44,75,416, of which 19,20,279 are male workers and 25,55,137 are female workers. The number of male and female workers in various age groups are given in Table 39.

10.7.1 As per 4th Employment and Unemployment Survey 2013-14 of Labour Bureau, Chandigarh Labour Force Participation Rate (Per 1000) for persons according to Usual Principal Status Approach for Karnataka is as under.

- In the Rural Sector, Male LFPR is 810, Female is 352. Where as in Urban Sector, Male LFPR is 749, for Female 262. Female LFPR is significantly lower as compared to LFPR among Males.
- Labour Force Participation Rate (Per 1000) is presented in Table No.35.
- The Worker Population Ratio (Per 1000) for Persons according to Usual Principal Status Approach for Karnataka is as under.
- In Rural Sector WPR of Male is 799 and where as for Female it is 343. WPR of Male in Urban Sector is 737 and Female WPR is 252 here also Female WPR is significantly lower as compared to WPR among males.

Details on education specific status, worker population ratio, educational composition of the usually employed, unemployment rate and labour force participation rate are given in Tables 34, 35, 36 and 37.

10.8 Support to Training and Employment Programme for Women (STEP)

10.8.1 Support to Training and Employment Programme for Women (STEP) was launched in 1987 to provide skills and knowledge to poor and asset less women in traditional occupations such as agriculture, animal husbandry, dairying, fisheries, handloom, handicrafts, khadi and village industries, sericulture, social forestry and wasteland development for enhancing their productivity and income generation. This would enhance and broaden their employment opportunities including self-employment and development of entrepreneurship skills. Women in the dairying sector have been receiving

maximum support, keeping in view the nature of demands. This is followed by handlooms, handicrafts, sericulture and poultry.

10.8.2 The District wise total number of members & women assisted for economic activities and under NREGS total number of person days generated and number of person days generated by women are given in table 40.

10.8.3. The public sector consists higher number of women employed in community, social and personal services, whereas in private sector majority of employed women are in manufacturing industries. District-wise and qualification-wise applicants registered in employment exchanges are given table 41.

10.8.4. According to 5th Economic census, there were 3.91 lakh agricultural establishments employing 8.13 lakh persons in Karnataka State of which 3.10 lakhs are Female. Details are given in table 42. In all non – agricultural establishments which are 21.48 lakh in number, the female employment was 13.84 lakhs for 55.32 lakh total employment, the details are given in table 43.

10.8.5. According to 2010-11 Agricultural Census, total number of agricultural holders is 78,32,189 having an area of 1,20,61,457 hectares of which women are 14,86,479 and having an area of 18,98,304 hectares. The district wise details are given in table 44.

SUPPORT SERVICES TO WOMEN

11.1 The Department of Women and Child Development has undertaken several programmes and assist voluntary organizations providing services to various groups of women. Working women, Widows, women in distress, and women from vulnerable backgrounds are in need of special services to create enabling environment to enhance the self confidence and autonomy of women so that they can take their rightful place in the mainstream of the nation's social, political and economic life.

11.2 Some of the supportive measures for women initiated by the Government of Karnataka are given below.

11.2.1 Hostels for working women:

With progressive change in the economic structure, more and more women are living out of their homes in search of employment in big cities. These women are exposed to risks due to lack of suitable and safe accommodation. The Government acknowledged the difficulties faced by such women and decided to introduce a scheme for construction/expansion of hostels for working women. Under the scheme for construction/expansion of hostel building for working women, financial assistance is given to voluntary organizations, local bodies and cooperative institutions for the construction of hostels for working women in order to enable women to seek employment and participate in technical training. The objective of the scheme is to provide cheap and safe hostel accommodation to working women living out of their homes. The target beneficiaries are single working women, widows, divorcees, separated women,

and working women whose husbands are out of town. The district wise details of number of working women hostels and number of women benefited are given in Table 20.

11.2.2 Stree Shakthi

Stree Shakthi Project was launched throughout the State during 2000. The aim of the project is to empower women economically and socially by organizing them in self help groups. As on March 2015, 1.40 self help groups(SHGs) have been formed in the state. 20.20 lakh women members have been enrolled in these groups till March 2015 and the members have saved an amount of Rs. 1614.88 crores. A total of 1,28,279 groups have availed bank loans to the extent of Rs.2607.19 crores to take up various income Generating Activities.

11.2.3 Santhwana

Women who are victims of various atrocities such as dowry, rape, sexual harassment, domestic violence etc. are subjected to physical and mental torture besides having to face social & financial problems. With a view to console these women and rehabilitate them, the scheme of “Santhwana” was launched during the year 2000-01. Santhwana Centres are run through NGOs Facilities and rehabilitative services are provided to such women as per the recommendations of the District Level Committee depending on the merits of the case. There are 177 santhwana centers in State in 2014-15. The district wise physical and financial progress is given in table No. 45.

11.2.4 Swadhar–A Scheme for Women in difficult circumstances:

This is Central sector scheme for providing holistic and integrated services to women in difficult circumstances such as destitute widows, women prisoners released from jail and without family support, women survivors of natural

disasters; trafficked women/girls rescued from brothels or other places or victims of sexual crime, mentally challenged women who are without any support etc. The package of services made available include provision for food, clothing, shelter, health care, counselling and legal support, social and economic rehabilitation through education, awareness generation, skill up gradation.

The scheme is implemented through voluntary organizations including Department of Women and Child Development and Social Welfare, Boards, State Women's Development Corporation, urban bodies etc., provided they have the required experience and expertise in the rehabilitation of such women. The scheme also supports a helpline for women in distress, counseling centre, training centre and medical centre.

34 Swadhar centres are sanctioned by Government of India, of which 33 are functioning in the State. The physical and financial progress are given in table 45.

New Scheme for the year 2014-15

As announced by Hon'ble Chief Minister in 2014-15 Budget Speech. Special Treatment Units for Women have been set up to provide facilities of medical treatment and assistance, police assistance, legal assistance and consultation, under a single roof, to women victims of atrocities. These units have been set up one each in all district hospitals of the state and Bowring and Lady Curzon and K.C.General Hospital. These units function round the clock and services of Toll Free Women Helpline 181 is available.

11.2.5 Condensed Courses of Education for Adult Women (CCE)

The scheme of Condensed Courses of Education for Adult Women aims at facilitating social and economic empowerment of women by providing

education and relevant skills. Course can be organized for women in the age group of 15 years and above. The following courses are conducted under the scheme;

- (a) Two years primary level residential/ Non-residential courses for illiterate, neo-literates women.
- (b) Two years middle level residential courses for women who have studied up to class V.
- (c) Metric/Secondary level two years residential/ Non-residential courses for women who have studied up to class VIII or any other standard equivalent to class of regular school.
- (d) Metric/Secondary/Equivalent examination, one-year non/residential courses for failed candidates of condensed course and other metric/secondary/ equivalent examination for failed candidates
- (e) The number of candidates be admitted to these courses is 25.

The schemes are being implemented through voluntary organizations and educational institution across the country. 100 % financial assistance is being provided under the scheme as per schematic budget for various courses by CSWB.

Course	Institutions sanctioned	Amount Released	No. of Beneficiaries
One year course	NIL	NIL	NIL
Two years course	NIL	NIL	NIL

11.2.6 Family Counseling Centers:

The incidence of dowry death and other atrocities on women and children have been increasing in the State and this has become a matter of great concern to all, demanding immediate attention from government and voluntary organizations

to eradicate such social evils. In order to meet the new social changes, the Central Social Welfare Board has set up the Voluntary Action Bureau during 1982 for guidance to institutions for running the family counseling centers.

The Voluntary Action Bureau plays a major role in monitoring and expansion of the Family Counseling Centers by creating public awareness on atrocities against women by organizing training programmes for Counselors of Family Counseling Centers.

According to the revised financial norms, A grant of Rs.2.28 lakhs and Rs.1.92 lakhs per annum is given to the voluntary organization for running Family counseling Centers in A class and other cities respectively on an 80:20 matching basis. Each counselor will get an amount of Rs.7000/-p.m for 'A' class cities and Rs.5500/- per month in other parts of the State. The budget includes honorarium of two counselors who are post graduates in Social Work/Psychology. Recurring expenditure of Rs.25,000/- is given as one-time grant for the purchase of non-recurring items.

Particulars	No. of Institutions	Amount Released	No. of Units
De-centralized	32	66,97,500	32
Centralized	16	13,98,000	16

11.2.7 Women's Help lines

It is a scheme designed to cater to the counseling and referral services to the distressed women who are victimized and subjected to various kinds of harassment and who are in need of urgent solution, 24 hours services are available in these Helpline centers. The beneficiaries of the scheme are provided Psychological support, Emotional help and Referral services like free legal aid, police assistance counseling, short stay home facilities etc. During the year 2014-15, 14 institutions are functioning under Helpline Programme

11.2.8 Awareness Generation Programmes

The scheme of awareness generation camps is a platform for the rural and poor women to come together, exchange their experiences and ideas and in the process develop an understanding of reality and also the way to tackle their problems and fulfill their needs. The programme of Awareness Generation Programme was introduced by the Central Social Welfare Board (CSWB) in the year 1986-87 with the main aim to identify the needs of rural and poor woman and to increase women`s active participation in development and other allied programmes.

While conducting these camps, the NGOs take up the issues such as status of women, women and law, women and health, community health and hygiene technology for women, environment and the economy. The programme also enables women to organize themselves and strengthen their participation in decision making in the family and in society and to deal with social issues including atrocities on women and children.

Financial assistance to the tune of Rs.10,000 per camp is provided

(During the year 2014-15 allocations not received from Central Social Welfare Board, NEW DELHI)

	No.of Institutions	Amount Released	No. of Beneficiaries
De-Centralized	Nil	Nil	Nil
Centralized	Nil	Nil	Nil

Source: Department of Social Welfare Board, Bangalore.

CRIME AGAINST WOMEN AND CHILDREN

12.1 Crimes against women have been increasing over the years. As per the data of 2014-15, total number of police stations in Karnataka are 925 including RIP, of which women police station are 10 in number. District wise information is given in table 46. According to State Crime Record Bureau, among the crimes committed against women, molestation shares the highest number. There were 1319 victims of rape in 2014 when compared with 1030 victims in 2013. The dowry deaths recorded are 297 in 2014 compared to 277 in 2013. Molestation cases recorded are 5250 in 2014 compared to 3913 in 2013. The district wise details are given in table 47.

12.2 Punishment for Rape

376. Whoever, except in the cases provided for in sub-section (2), commits rape, shall be punished with rigorous imprisonment of either description for a term which shall not be less than seven years, but which may extend to imprisonment for life, and shall also be liable to fine.

376A. Whoever, commits an offence punishable under sub-section (1) of sub-section (2) of section 376 and in the course of such commission inflicts an injury which causes the death of woman or causes the woman to be in a persistent vegetative state, shall be punished with rigorous imprisonment for a term which shall not be less than twenty years, but which may extend to imprisonment for life, which shall mean imprisonment for the remainder of that person's natural life, or with death.

Gang Rape:-

376D. Where a woman is raped by one or more persons constituting a group or acting in furtherance of a common intention, each of those persons shall be

deemed to have committed the offence of rape and shall be punished with rigorous imprisonments for a term which shall not be less than twenty years, but which may extend to life which shall mean imprisonment for the remainder of that person's natural life, and with fine.

Provided that such fine shall be just and reasonable to meet the medical expenses and rehabilitation of the victim:

Provided further that any fine imposed under this section shall be paid to the victim.

Punishment for repeat offenders.

376E. Whoever has been previously convicted of an offence punishable under section 376 or section 376A or section 376 and is subsequently convicted of an offence punishable under any of the said sections shall be punished with imprisonment for life which shall mean imprisonment for the remainder of that person's natural life, or with death.

12.3 As per the report received from State for the year 2014 the total Suicides are 10943, of which 3259 are suicides pertaining to women. District wise data is given in Table 48.

**POLITICAL PARTICIPATION OF WOMEN IN DECISION
MAKING**

13.1 The 73rd and 74th Amendment to the Constitution ensured that 33 percent seats for Panchayats in rural areas and urban local bodies are to be reserved for women. This ensures the direct involvement of women in positions of decision making. Elected women representatives are slowly bringing about a change in the rural countryside and urban areas, by bringing social development issues to the forefront. The representation of women candidates contested and elected in the Lok Sabha and Vidhana Sabha seats are given in Table 49 and 50.

13.2 Although women have entered in many male dominated professions, their representation in the higher classes of society and in positions of decision making is much below that of men.

13.3 The total number of judges in Karnataka during the year 2014-15 was 824 of which the number of women judges recorded was 209, whereas male judges were 615. Number of judges according to gender wise and district wise details are given in Table 51.

13.4 The percentage of working women in Karnataka State as on 31.3.2014 is 32.46 and the group wise data is given in the table 52. The number of women IAS , IPS and IFS officers in Karnataka is given in Table 53.

13.5 The percentage representation of women in the three levels of Panchayat Raj Institutions Grama Panchayat, Taluk Panchayat and Zilla Panchayat are 51.14%, 55.15% and 53.21% and the district wise details are given in the Tables 54, 55 & 56 respectively.
