District Statistical Hand Book for 1999 and 2000 is being published as a combined volume as an effort to update the publication of such Hand Books, This book presents important statistical information about the district on a compact form. Attempts have been made to incorporate latest available data maintaining continuity of the time series for the information published in earlier issues. Data at the Block Level have also been incorporated as far as available.

I express my gratitude to the different offices situated in the district for their co-operation in obtaining data related to their activities. I like to put in my appreciation to the officials of the Head Office as well as District office of the Bureau of Applied Economics & Statistics for their sustained work in bringing out the publication.

Suggestions for any improvement of the publication are welcome.

Date, Kolkata

The 26 th February, 2001.

B. K. Kundu

Director,
Bureau of Applied Economics
& Statistics.
