INTRODUCTION

The publication 'Basic Statistics 1985' is the thirtieth issue in the series being brought out annually by the Directorate of Economics & Statistics, Rajasthan. It provides important reference material on Socio-Economic facts of the State and thus serves as a reference handbook for administrators, policy makers, research workers, economists, scholars and those interested in guiding the development of the State. The break up of the information by important characteristics is also given.

I am grateful to all the department of the State and the Central Government as well as other organisations for making available data included in the publication.

Suggestions for improving the coverage and presentation of information in future are would be welcome.
