## PREFACE

The publication "BASIC STATISTICS" is brought-out by the Directorate of Economics & Statistics, Rajasthan annually on a regular basis. The present issue of 1989 is 33rd in the series. It provides data relating to various socio-economic and developmental activities of the state and serves as an reference hand book for the policy framers, administrators, research workers, economists, scholars and all those who are interested in the development activities of the state.

I am grateful to all the departments of the state and the Central Government as well as other organisations for the co-operation in making available the data included in this publication.

Suggestions for further improvements in presentation and coverage would be most welcome.

Lastly, but not the least, appreciation of hard work put up by the statistical staff associated in bringing out the publication is acknowledged.
