## PREFACE

The publication "BASIC STATISTICS 1998" provides important information on different sectors of the State's economy in the form of tables.

The present issue includes information relating to various socio-economic & development activities as provided by different Central & State Government Departments. The data presented in the publication relate to the calendar year 1997 or the Financial/ Agriculture/Co-operative year 1996-97 except where otherwise indicated. It is hoped that this publication would serve as an important reference book to the planners, administrators, policy makers, research scholars etc.

The latest information incorporated in the publication could be possible due to timely co-operation extended by various departments of State and Central Government, for which the Directorate is thankful to them.

The officers and staff of the coordination unit of this Directorate have done a Commandable job in bringing out this publication.

Constructive suggestions for improvement in the presentation and coverage of 'BASIC STATISTICS' would be appreciated.
