P R E F A C E

“EDUCATIONAL STATISTICS AT A GLANCE” is one of the regular publications of the Directorate of Education, Govt. of Goa. This publication contains useful statistics relating to all the recognized educational institutions, including student enrolment by stage/class, number of Teachers, etc. for the year 2015-16, besides selected census data on population and literacy as per 2011 Census figures declared. Useful data on average population served by a school and enrolment as regard to Special Schools are also covered.

It is hoped that the publication will serve as a useful and convenient reference for Govt. Departments, Educational Institutions, Research Scholars and to all state holders in the field of Education.

The valuable co-operation extended by various educational institutions, management of the schools and functionaries of this Directorate in timely availability of the requisite data is gratefully acknowledged.

I would like to express my deep appreciation for the sincere efforts and hard work put in by the staff of the Statistics Section in bringing out the publication in a time bound manner.

It is our endeavour to consistently improve the contents and quality of the publication. However suggestions for improvement in contents and quality are most welcome.
