#### 1.1 Opening of Health Centers / Dispensaries

Annual Plan Outlay 2016-17:	₹ 4700 Lakh
Revenue:	₹ 1180 Lakh
Capital :	₹ 3520 Lakh

This is a continuing plan scheme with aim to provide primary health care services at the door step of citizens. The health centres are providing curative, preventive and primitive services along with MCH and family welfare. The special public programmes of Delhi Govt. and National Programmes are being implemented through these health centres.

As per the current policy of Delhi Govt, DGDs which are functional in Govt buildings are to be converted into Poly clinics to function as referral centers for specialist consultant.

Delhi Cabinet has approved implementation of Public Health Standards developed for PHC with an aim to improve the availability and access to quality health care for all citizens. During 12th Five Year Plan, it is proposed to implement these standards, wherein a PHC will cover approximately 50,000 populations. The population may go up to 75,000 in densely populated areas and may be as low as 30,000 in sparsely populated areas in those areas where no medical facilities of MCD or Delhi Govt. exist.

Seed PUHCs are presently running in privately rented accommodation. It is envisaged that these would be closed in future , once AAMC are opened in vicinity of seed PUHC. So that recurrent expenditure will be discontinued and primary health services provided by AAMC.

Forensic Science Laboratory plays pivotal role in the administration of Criminal Justice system. In modern era, the criminals are becoming more and more wise and well informed and thus the *modus operandi* being adopted by them is often new and also of advanced nature. Investigating Agencies, therefore, are not only required to act swiftly, wisely and decisively to apprehend them but also to find scientific evidence/clues to apprehend and get them convicted in the Courts of Law.

FSL has already started providing DNA Fingerprinting facility for the investigating agencies. Since this technique is able to individualize, the samples of blood, semen, saliva, hair and other body fluids particularly in cases of murder, rape, disputed paternity and shall make the laboratory's findings increasingly more useful in the dispensation of criminal justice. It is also proposed to include the new scientific techniques to detect modern crimes like computer frauds, fraudulent credit cards and forged currency notes various types of explosives etc. and as such

proposed to start new division viz. Computer Forensics/Cyber crime, Narco analysis, Acoustics (Speaker identification), lie detection, brain finger printing.

It is also proposed to provide round-the-clock forensic facility for crime scene visits by the experts of the laboratory to assist the Investigating Officers for the detection of minute scientific clues / physical evidences at the scene of crime. Similarly it is also proposed to start full-fledged Physics including speaker identification & audio video tape authenticate, Lie Detection and modern Photo Section which are indispensable & integral part of any FSL.

## **Targets 2016-17**

- To start Forensic Crime Division.
- Strengthening of FSL at Rohini and RFSL Yaswant Place , Chanakya Puri.
- To conduct the proficiency tests/collaborative exercises at international /national level.
- To provide training to the scientific staff in their respective fields for enhancing competency.
- Networking for Inter-operable-Criminal Justice System under project ICJS sharing of data between stakeholders of CJS i.e. Court, Police, FSL, Prosecution and Jail Authority.
- Keeping in view the urgency for setting up of Forensic Science labs in three different zones of Delhi, allocation of ₹ 75.00 crore which includes ₹44.00 crore under Capital and ₹31 crore under Revenue has been made. This allocation is also meant for purchase of machinery & equipments, consumables and rental expenses of the office space taken on rent by FSL. A new RFSL is also proposed to be started in DGD Building, Bindapur, Dwarka in the year 2016-17.

## **6. North Delhi Municipal Corporation**

Annual Plan Outlay 2016-17	:	₹ 4400 Lakh
Revenue	:	₹ 4050 Lakh
Capital	:	₹ 350 Lakh

### **6.1 Programme for Control of Vector Borne Diseases Malaria, Dengue etc.**

Annual Plan Outlay 2016-17	:	₹ 3800 Lakh
Revenue	:	₹ 3700 Lakh
Capital	:	₹ 100 Lakh

Vector borne diseases like Dengue and Malaria are endemic in the Delhi. The objective is to reduce morbidity and avert mortality due to vector borne diseases. Environmental conditions and urbanization in Delhi are such that there is a continuous threat of outbreak of diseases like dengue and malaria. It is proposed that the Program should be strengthened with providing new infrastructure, manpower, supplies of consumables, vehicles, machines, equipments, communication and establishment.

Its aim to reduce morbidity and avert mortality due to vector borne diseases.

### **Target for Annual Plan 2016-17**

- Establishment expenses as emoluments to Domestic Breeding Checkers , Malaria
- Beldars engaged on contract basis.
- Purchase of Insecticides & consumables for vector control
- Execution of IEC and out door publicity activities
- Purchase of equipments/ lab articles & other consumables required for the programme
- Auto-workshop- Repair/maintenance of fogging machines(Vehicle mounted and Hand operated), Power sprayers, vehicles of the department etc.

#### **6.1.1 Strengthening of Epidemiological Unit & Health Education**

Annual Plan Outlay 2016-17	:	₹ 130 Lakh
Revenue	:	₹ 130 Lakh

Epidemiology Division of the Health Department is implementing the plan scheme “Strengthening of Epidemiological Unit and Health Education”. Under the scheme principal activities of the Epidemiology Division include surveillance of the communicable diseases, preventive & control measures for communicable diseases, outbreak investigation and management, health education, training of field staff and international inoculation services. Control of water borne diseases entails the distribution of chlorine tablets or any other disinfectant for water and ORS packets in colonies where DJB water supply does not exist, areas from where cases are reported and also during outbreaks of water borne diseases. The water and ice samples are tested in Public Health Laboratory for which the department has made provision for purchase of equipments, chemicals, reagents, field kits for testing of water samples in the field for cutting down response time in case of suspected contamination and outbreak of water borne diseases. Two vehicles will be purchased for strengthening field surveillance and rapid response team. The department has made provision for meeting the expenditure towards POL for the vehicles of the Epidemiology Division.

Provision has been made for training and capacity building of the personnel involved in field control of communicable diseases and other public health

emergencies, Yellow Fever vaccination for the International Inoculation Centre. Health Education is a critical component for control of communicable diseases. This activity will be under taken through various publicity modes media like, DTC Bus-Q shelters, Kiosks on Electric Poles, Outdoor Hoardings (Rent Free), Ornamental Railings on road dividers, Cable TV, Radio Slots, Metro Rail, Cinema Slides, Electronic Sign Boards, Newspaper advertisements and Public Notices, field campaigns, munadi, exhibitions, street plays, audio-visual shows in the field, IEC campaigns through agencies and/or NGOs, hiring of vehicles and public address systems etc. The emphasis is to reach the communities in the vulnerable colonies. Construction of entomological lab in each of 12 Zones. In this financial year disease surveillance activities, water quality surveillance activities, health education activities will be further strengthened and PH Lab will be improved.

Provision will be made for training and capacity building of the personnel involved in field control of communicable diseases and other public health emergencies. Civil works will be carried out for improvement of office building and field units.

## **6.2. Strengthening and upgradation of Registration of Births and Deaths**

Annual Plan Outlay 2016-17	:	₹ 5 Lakh
Revenue	:	₹ 5 Lakh

There is a need to sustain the effort made in organizing registration of Births & deaths record through strengthening and up-gradation. North DMC has proposed to engage the consultant of birth & death in the cfy 2015-16 to counter the problem of shortage staff i.e Sub-Registrar.

### **Objective**

- Preservation of records
- Binding of records
- Up-gradation of software through C R
- Procurement of hardware
- Training of staff in vital statistics

## **6.3. Development & Improvement of Cremation Ground**

Annual Plan Outlay 2016-17	:	₹ 252 Lakh
Revenue	:	₹ 2 Lakh
Capital	:	₹ 250 Lakh

It is one of the obligatory functions of MCD under the DMC Act to maintain and develop cremation grounds free from pollution and to provide infrastructural facilities like boundary wall, approach roads, water and electricity supply, toilet blocks, office

blocks etc. Although some of the bigger cremation grounds have been handed over to N.G.O's, a large number of Cremation Grounds still remain with MCD.

New traditional cremation grounds will be set up on C.N.G. based crematorium, which is eco-friendly.

### **Target for Annual Plan 2016-17**

- Development work and Up-gradation of cremation grounds
- Up-gradation of general public facilities like toilets, water supply, sitting facilities etc.

### **6.3.1 Rabies Control Program**

Annual Plan Outlay 2016-17	:	₹ 213 Lakh
Revenue	:	₹ 213 Lakh

### **Target for 2016-17**

- Purchase of Anti-Rabies vaccine and anti sera
- Health education through IEC materials and outdoor publicity
- Capacity building for doctors and paramedical staff

## **7. South Delhi Municipal Corporation**

Annual Plan Outlay 2016-17	:	₹ 3400 Lakh
Revenue	:	₹ 3136 Lakh
Capital	:	₹ 264 Lakh

### **7.1 Programme for Control of Vector Borne Diseases like Malaria Dengue etc.**

Annual Plan Outlay 2016-17	:	₹ 3000 Lakh
Revenue	:	₹ 2950 Lakh
Capital	:	₹ 50 Lakh

Vector borne diseases like Dengue and Malaria are endemic in the Delhi. The objective is to reduce morbidity and avert mortality due to vector borne diseases. The environmental conditions and urbanization in Delhi are such that there is a continuous threat of outbreak of diseases like dengue and malaria. It is proposed that the Program should be strengthened with providing new infrastructure, manpower, supplies of consumables, vehicles, machines, equipments, communication and establishment.

### **Target for Annual Plan 2016-17**

- Purchase of power sprayer tankers for Anti Larval Measures.

- To procure hand operated fogging Machines for vector borne disease control program.
- Construction of entomological lab in each Zones
- Construction of Auto workshops for major & minor repairs of machine
- To prevent and control mosquito breeding through IEC activities
- Capacity building for doctors and paramedical staff

### **7.1.1 Strengthening of Epidemiological Unit & Health Education**

Annual Plan Outlay 2016-17	:	₹ 82 Lakh
Revenue	:	₹ 77 Lakh
Capital	:	₹ 5 Lakh

## CHAPTER – 3

### WATER SUPPLY & SANITATION

Delhi Jal Board is responsible for procurement of raw water, its treatment and supply of potable water in Delhi. Delhi Jal Board gives bulk supply of potable water to Delhi Cantonment Board and NDMC for distribution in areas under their respective jurisdictions. In the areas of Municipal Corporations, Delhi Jal Board is responsible for supply of drinking water through its water supply distribution network comprising of Water Treatment Plants, Transmission mains, peripheral lines and internal water distribution network.

Raw water for Delhi is drawn from Ganga River (470 cusec), Yamuna River (755 cusec) and Bhakhra Beas Management Board (495 cusec). With the intervention of the Hon'ble High Court in a public interest matter CW(P): 4931/2013, about 80 MGD raw water has become available to Delhi on account of savings in seepage losses after commissioning of Carrier Lined Channel called Munak Canal which has been constructed at the cost of Delhi. It has enabled Delhi to commission its three water treatment plants at Bawana, Okhla and Dwarka. About 80 MGD of ground water is also being drawn through Ranney Wells and Tube Wells by Delhi Jal Board to meet the water requirement.

As per Yamuna Water Sharing Agreement signed in May, 1994 among the Northern Region States of Himachal Pradesh, Haryana, Uttar Pradesh, Punjab and Delhi, 0.724 BCM Yamuna water was allocated to Delhi. Uttrakhand was part of the Uttar Pradesh at that time. This share is divided into 3 blocks period of the year i.e. July to October, November to February and March to June. Delhi is getting its full share of supply for meeting its growing drinking water requirements.

Under the MoU of 1994 upstream storage dams in Upper Yamuna Basin are considered essential to conserve and utilize the monsoon flows of Yamuna in a regulated manner. Accordingly, three storage dams namely Renuka, on River Giri, in Sirmour Distt. of Himachal Pradesh, Kishau across River Tons, a tributary of river Yamuna in Uttrakhand and Lakhwar-Vyasi Dam on river Yamuna near Lakhwar village in District Dehradun of Uttrakhand have been proposed. These dams have been declared National projects and 90% funding of the construction cost shall be provided by Govt. of India and balance shall be contributed by the five Basin States.

Govt. of Delhi paid an amount of ₹ 215 Cr. to the HP Govt. for land acquisition for Renuka Reservoir. The DPR of the project has already been prepared and approved. Earlier entire cost of the construction of Renuka Reservoir was to be financed by Delhi Govt. Now Renuka Reservoir project has been declared as a national project and as such the Govt. of India will finance the cost of its construction. However, construction work of this project could not be started as clearance from Ministry of Environment and Forest is still awaited. MoU regarding sharing of raw water among basin states is yet to be drafted and finalized.

The construction of Kishau Dam through Tehri Hydro Development Corporation and Lakhwar-Vyasi Dam through National Hydro Power Corporation is also yet to be started.

The ground water, the only resource available to fill the gap between drinking water requirement of the National Capital Territory and the raw water available is in a very critical condition as the pace of ground water recharge is far behind the pace of ground water exploration. Delhi Jal Board is very much concern on this scenario of very fast depleting ground water level in Delhi. Delhi Govt. prepared draft Delhi Water Board (Ground Water Amendment) Bill 2006 which is yet to be approved by Delhi Legislative Assembly.

On sewerage front NDMC and Delhi Cantonment Board, the two local bodies are responsible for providing sewerage facilities in their respective areas. For the area under jurisdiction of MCD, DJB is responsible for providing sewerage facilities. Since more than 95% of the total area is within the jurisdiction of DJB, the total sewage treatment is being taken care of by DJB.

At present, the sewage treatment installed capacity of 19 treatment plants is 603 MGD. However, actual treatment capacity utilization is around 455 MGD of sewage only.

The statement showing Proposed Outlay for 2016-17 is given here under:

The Scheme-wise details of Water Supply & Sanitation Sector are given below:-

## **WATER SUPPLY**

### **1. PROVIDING WATER SUPPLY IN UNAUTHORIZED COLONIES**

Annual Plan Outlay 2016-17 :₹ 67600 Lakh (₹ 21600 Lakh For capital assets)

Piped Water Supply network has been extended to 1127 unauthorized colonies, where as water supply has been released in 1103 unauthorized colonies. To give immediate relief to public in pockets/ areas with water shortage, additional tubewells have been bored/ re-bored and about 414 new Water Tankers with stainless steel containers and fitted with GPS and 407 MS mounted tankers have been engaged for improving the Water Tanker Supply Delivery ssystme in the city. Water tankers will be deployed for supplying potable water to far-flung areas, JJ Clusters, rural villages; re-settlement Colonies, unauthorized colonies and deficit prone areas. An efficient mechanism developed by DIMTS is in position to monitor the movement of these tankers to ensure timely delivery. It has resulted in improving the customer satisfaction level.

It is proposed to provide piped water supply in 300 unauthorized colonies during the year 2016-17.

## **2. JAN JAL PRABANDHAN YOJNA**

Annual Plan Outlay 2016-17 : ₹ 1500 Lakh

Six colonies i.e. Gautampuri near Aali Gaon, Aya Nagar, Sainagar, Kair, Sonia Vihar A Block & Begam vihar B Block have been identified for implementing this scheme. Detailed filed survey done, estimate prepared, tenders to be invited today. The broad scope of work comprises of following works:

1. Providing network for potable, non-potable and sewer.
2. Construction of STP upto tertiary level effluent of bathing standards.
3. Construction of storage tanks with BPS

The estimated cost of the work is ₹ 95.32 Crore

## **3. REPLACEMENT OF OLD DISTRIBUTION AND TRUNK TRANSMISSION SYSTEM**

Annual Plan Outlay 2016-17 : ₹ 9000 Lakh (Loan)

DJB has undertaken major works for replacement of critical stretches of water main in leakage prone portions especially of pre-stressed concrete (PSC) in a length of approx. Km of various sizes. It is proposed to lay 250 km of new and replace old water lines in 2016-17.

## **4. IMPROVEMENTS OF EXISTING WATER WORKS**

Annual Plan Outlay 2016-17 : ₹10000 Lakh (Loan)

The renovation of coagulation and filtration system at Chandrawal WW no.1 and renovation of Bhagirathi Water Works have been completed. Three pilot

projects i.e. Mehrauli & Vasant Vihar, Malviya Nagar and Nangloi are in progress for improvement of water service delivery based on PPP Model.

#### **5. RANNEY WELLS & TUBE WELLS IN URBAN AREAS**

Annual Plan Outlay 2016-17 : ₹ 2000 Lakh (Loan)

About 80 MGD of ground water is being explored through Ranney Wells and Tube Wells of Delhi Jal Board. For augmentation of ground water supply, the work of rehabilitation and automation of tube wells and Ranney wells at Palla has been taken up which will increase water supply from 19 mgd to 35 mgd. Ranney well W1&W2 are also being redeveloped for augmentation of water supply. Numbers of Functional tube wells in different districts are 4185 nos, the details as under:-

East and North-East District	-	37
West, North-West District and Central & North District	-	1273
South and South-West District	-	2877

#### **6. STAFF QUARTERS & OFFICE ACCOMMODATIONS**

Annual Plan Outlay 2016-17 : ₹500 Lakh (Loan)

The work of Construction of Customer Care Centre (CCC) at G.K.-I has been completed. The proposal for construction of 4 such CCC is being prepared. A new office at Varunalya is also proposed.

#### **7. LAYING OF WATER MAINS IN REGULARIZED UNAUTHORIZED COLONIES**

Annual Plan Outlay 2016-17 : ₹ 100 Lakh (Loan)

A provision of ₹ 1 crore has been kept for lying and maintaining water supply network in 557 regularized unauthorized colonies.

#### **8. RAW WATER ARRANGEMENTS**

Annual Plan Outlay 2016-17 : ₹ 500 Lakh (For capital assets)

- a. To bridge the gap of around 200 MGD in raw water needs, DJB has been pursuing the matter of construction of 3 upstream storage dam projects (Renuka, Kishau and Lakshwarvyasi) on River Yamuna in close cooperation with other basin states. DJB has paid ₹ 214.83 cr to Himachal Pradesh for conducting initial studies and for land acquisition. The MoU for sharing of water among basin states is yet to be finalized. All the 3 projects have been declared National Projects recently by the Government of India.

- b. CWC has submitted the pre-feasibility report (PFR) for additional barrage at Palla which is being scrutinized. Such barrage will store monsoon period flows apart from being an anti flood measure.
- c. To increase the pondage at river Yamuna on up Stream of Wazirabad Bridge, the work of dredging of silt from River Yamuna is in progress.
- d. Carrier Lined Canal (CLC) has been commissioned giving a saving of about 95 MGD raw water.
- e. Water production has been increased from 835 last year to 895MGD this year.
- f. Water Treatment Plants at Dwarka of 50MGD capacity and Bawana 20 MGD capacity have been commissioned and water supply has been improved in entire Dwarka and Bawana area.
- g. Okhla Water Treatment Plant has been augmented from 8 MGD to 20 MGD.

#### **9. DISTRIBUTION MAINS AND RESERVOIRS**

Annual Plan Outlay 2016-17 : ₹ 4500 Lakh (Loan)

For ensuring optimal utilization of available water and its equitable distribution, DJB planned to construct 53 additional underground (UGRs). Underground Reservoirs and Booster pumping stations at 12 locations have been commissioned this year. UGR & BPS at Karala, Y-Block Mangol puri, Najafgarh& Mundka are under construction. More than 200 Km on new pipelines have been laid to strengthen the old distribution pipeline network on the transmission as well as the distribution side.

#### **10. EAP FUNDING- REHABILITATION OF WTP AT WAZIRABAD**

Annual Plan Outlay 2016-17 : ₹ 1000 Lakh (Loan)

To achieve equitable distribution of water in Wazirabad WTP Command Area by Improvement of WTP, Water Supply Network including Service connection and Reducing Non-Revenue Water, a Project has been envisaged with tentative cost of ₹ 2243 Crores and proposed to be funded through Loan from Asian Development Bank (ADB). 70% of the Project cost will be financed through Loan from ADB and the remaining 30% will be funded by GNCT Delhi. The old WTP constructed in three phases will be renovated/rehabilitated/reconstructed along with comprehensive rehabilitation and improvement of water network with focus on creation of DMAs, distribution SCADA and continuous Water Supply thereby leading to the ultimate objective of upgrading citizen's living standard. The project has been cleared by Screening Committee of Department of Economic affairs (DEA) Govt. of India. Project Preparatory Technical Assistance (PPTA) has been extended by ADB and the appointment of Project Management Consultant (PMC) is in process. The loan agreement is proposed to be signed in the First Quarter of 2015. All procurement and consulting service are being undertaken through advance contracting actions that will be retroactively financed by ABD loan.

### **11. WATER SUPPLY IN URBAN VILLAGES**

Annual Plan Outlay 2016-17 : ₹500 Lakh (Loan)

Tenders for the work of construction of 6 ML capacity UGR at Mahipalpur and its feeder and peripheral main have been awarded and being taken up in 2015-2016.

### **12. WATER SUPPLY IN RE-SETTLEMENT COLONIES**

Annual Plan Outlay 2016-17 : ₹ 400 Lakh (For capital assets)

A provision of ₹ 4.50 crore has been kept for water supply in 45 Resettlement Colonies. For other squatters, the proposal of taking over those has been initiated by DUSIB. The survey has been conducted and the estimates are being prepared for providing water supply network.

### **13. WATER SUPPLY IN SQUATTER RE-SETTLEMENT COLONIES**

Annual Plan Outlay 2016-17 : ₹ 1500 Lakh (For capital assets)

There are about 22 SRCs which are under jurisdiction of DUSIB handed over to DJB "as is where is basis", for providing water supply in these areas a provision of ₹ 15.00 crore has been kept under sewerage facilities in Squatter Re-settlement colonies.

### **14. AUGMENTATION OF WATER SUPPLY IN JJ CLUSTER**

Annual Plan Outlay 2016-17 : ₹ 200 Lakh

A provision of ₹ 2.00 crore has been kept for maintaining and improvement of water supply in 643 JJ Cluster.

### **15. INFORMATION TECHNOLOGY INFRASTRUCTURE/ CAPACITY BUILDING**

Annual Plan Outlay 2016-17 : ₹ 1500 Lakh (For capital assets)

A provision of ₹ 15.00 crore has been kept for improvement of Revenue Management System through Information Technology.

### **16. WATER QUALITY CONTROL**

Annual Plan Outlay 2016-17 : ₹ 200 Lakh (For capital assets)

Delhi Jal Board has set-up a number of laboratories with adequate facilities manned by qualified personnel for inspection and evaluation of the

quality of water supplied for public use. Delhi Jal Board has 09(nine) water testing laboratories at Water Treatment Plants which examine the evaluate the quality of water to be supplied to public and also control the water treatment process round the clock. The work of Quality Control ( Laboratory) starts from examining raw water characteristics to help determine the extent of treatment needed and finally the examination of Final Water to ascertain that it conforms to the prescribed standards.

For surveillance of drinking water quality in distribution network 06 (six) modern Zonal laboratories have been set-up in the NCT of Delhi.

The water being supplied by the Delhi Jal Board from al available sources is tested regularly right from the raw water stage up to the consumer and for ensuring potability as per BIS drinking water specifications 10500-2012. On an average, everyday, about 400 water samples are lifted from the distribution system including UGRS, individual taps and Public stand posts and day-to-day water quality complaints from the consumers.

A provision of ₹ 2.00 crore has been kept for testing of Quality of Water for which testing operator have been appointed.

### **17. METERING AND LEAKAGE MANAGEMENT**

Annual Plan Outlay 2016-17 : ₹ 2000 Lakh (Loan)

DJB has more than 21 lakh sanctioned meter connections has been provided to consumers, out of which about 17lakh is metered connections, about 4 lakh is unmetered connections and more than 5 thousand are bulk water connections.

### **18. ENVIRONMENTAL GREENERY & LANDSCAPING**

Annual Plan Outlay 2016-17 : ₹ 100 Lakh (For capital assets)

As per the India State of Forest Report, 2009, the total Forest and tree cover in Delhi is 299.58 sq km, which is 20.20 % of the total geographical area of Delhi. The increase in tree cover is mainly due to the plantation activities of various agencies of the Govt. of NCT of Delhi.

A provision of ₹ 1.00 crore has been kept for maintenance of plants and filling of land scarping.

### **19. Use of Treated Effluent**

Annual Plan Outlay 2016-17 : ₹ 300 Lakh (For capital assets)

To augment water availability in Delhi and reduce stress on potable water, DJB wants to take up a plan to increase the use of treated effluent for horticulture and non drinking purposes. For this laying of necessary infrastructure from Sewage Treatment Plant to the nearest point of potential users is required to facilitate them to use treated effluent. In the first instance, the area within 5 KM range of existing treated effluent pipeline carrying effluent from Okhla up to Tilak Bridge will be taken up.

## **20. EAP FUNDING – REHABILITATION OF CHANDRAWAL WTP & ITS COMMAND AREA**

Annual Plan Outlay 2016-17 : ₹ 2000 Lakh (Loan)

DJB, through JICA Technical study, has framed Master Plan for water supply 2021 based on water demand of all areas. The Master Plan has been developed for extension of rehabilitation of water supply facilities (new reservoirs, Treatment Plants, new command areas and transmission network) by considering three water availability scenarios. Further rehabilitation of Chandrawal WTP command area has been proposed which includes rehabilitation of treatment plant, transmission/distribution mains, service pipes and meters. The project cost is around ₹ 2018 Crore. The project cost will be funded through Official Development Assistance (ODA). The loan from Japan International Co-operation (JICA) to the tune of 85% and the balance 15% cost will be shared by the Govt. of NCT of Delhi (GNCTD). M/s Tokyo Engineering Consultant Co. Ltd. and Consortium has been appointed as project management consultant for the project.

The work of providing consultancy services for JICA assisted Delhi water supply improvement project in Chandrawal Treatment Plant command area has commenced from 22.11.2013. The budget provision for the year 2016-17 has been kept as ₹ 20 Crore which includes ₹ 17 Crore through JICA and ₹ 3 Crore from GNCTD.

## **21. RURAL WATER SUPPLY**

Annual Plan Outlay 2016-17 : ₹ 500 Lakh (For capital assets)

A provision of ₹ 5.00 crore has been kept for supply of water through tankers/pipe line in rural areas.

## **22. WATER CONSERVATION MISSION**

Annual Plan Outlay 2016-17 : ₹ 100 Lakh

Management and optimization of water resources has become prudent to meet ever growing demand of water in cities like Delhi. Rivers water availability to Delhi is dependent on their allocations and interstates agreements. Since, limited availability of surface water resulted in over-exploitation of ground water, prior permission for extraction of ground water, implementation of rain water harvesting and recycling of waste water have been mandatory through notifications and regulations for sustainability of ground water resources in Delhi. Numbers of initiatives have been taken but

lot more is to be done for adoption of Rain Water Harvesting by all the stake holders to conserve ground water resources.

Incentives on providing rain water harvesting systems:

- I. Such plots/properties which are having area of 2000 square meter or more and having installed functional rain water harvesting system are given rebate of 10% in the total bill amount. Rebate is 15% if both rain water harvesting system and waster water recycling system have been set up and functional.
- II. If the Rain Water Harvesting system is adopted by a society then the individual member of that society will be entitled to above mentioned rebate in water bill.

A provision of ₹ 1.00 crore has been kept for Water Conservation Mission.

## **B. Sewerage Sector**

DJB maintains sewerage network of about 7500 Kms.long internal, peripheral and trunk sewers, sewerage pumping stations and STPs of capacity 603 MGD covering all the planned areas as well as 130 urban villages, 541 unauthorized/regularized colonies, 54 rural villages and 230 unauthorized colonies in Delhi. The works of providing sewerage facilities in 294 unauthorized colonies and 13 rural villages are in progress and by 2018 about 800 U/A colonies will stand covered with planned sewerage network.

By commissioning of four new waste water treatments plants (WWTPs) this year at Pappankalan, Nilothi,, Delhi Gate and Yamuna Vihar, the treatment of waste water flows has increased from 390 to 455 million gallon per day (MGD) and in next 3 to 4 years, the waste water treatment capacity is planned to be further augmented to the level of 714 MGD, Proposals for constructing 15 decentralized WWTPs have already been initiated for improving the sewerage services in the command area.

DJB has also been actively working in the direction of converting waste into power resources. During the year 2015, level of power generation at the plants has been raised to 61500 units (KWH) as compared to 33000 units (KWH) last year.

DJB is actively promoting use of treated effluent to reduce the stress on the demand of potable water supply in the city. Around 142 MGD of treated effluent is already being supplied for non-potable purposes to various agencies such as NDPL, CPWD, PPCL, DDA, NDMC, EDMC and South DMC for horticulture and power plants cooling

etc. IN 2015 a 10 MLD tertiary treatment plant at Okhla has been commissioned and treated effluent of good quality is being supplied for washing of buses and Industrial area for non-potable purposes at Okhla.

While expanding sewerage network to provide sewerage facilities in unsewered areas of Delh. DJB is simultaneously implementing its schemes of rehabilitation of 162 Kms. Old peripheral sewer lines which have outlived their useful life and are prone to settlements. The work of rehabilitation of old and damaged sewer lines is being carried out through trenchless technology so that inconvenience to the public is minimized.

## 1. **TRUNK SEWERS**

Annual Plan Outlay 2016-17 : ₹ 7500 Lakh (Loan)

There is a network of 199 km of trunk sewers in Delhi.

- Total length of Trunk Sewer line 700 mm-1100 mm dia RCC pipe on Nangloi Najafgarh Road, length is 3.13 kms and 74% work completed & is in progress. Rehabilitation of sewer line from B-II Block Madangir to Andrews Ganj Pumping Stn. has been completed.
- Sewer rehabilitation work in Shakur Basti, (length - 9.0 kms) - 93% work completed & is in progress.
- Sewer rehabilitation work in Old Rohtak, (length - 8.0 kms) - 89% work completed & is in progress.
- In phase-II, the remaining critical length of 170 kms of peripheral sewer lines has been taken up for rehabilitation. Tender for three packages for North West, West & North & South West Delhi area has been invited and are likely to award soon.

## 2. **SEWAGE TREATMENT PLANTS:**

Annual Plan Outlay 2016-17 : ₹ 16000 Lakh (Loan)

As estimated wastewater generation is 680 MGD, DJB has also augmented treatment capacity to 684 MGD by commissioning of 4 new waste water treatment plants at Pappankalan (20MGD), Nilothi (20 MGD), Delhi Gate (15 MGD) and Yamuna Vihar (25 MGD). 10 MLD Tertiary Treatment Plant at Okhla has also commissioned. Proposals for constructing 15 decentralized

WWTPs have already been initiated for improving the sewerage services in the command areas. The work of SPS at Preet Vihar is 93% completed & SPS at Kalyanpuri is 76% completed.

3. **RENOVATION OF EXISTING PLANTS & PUMPING STATIONS**

Annual Plan Outlay 2016-17 : ₹ 5000 Lakh (Loan)

This amount is required for day to day maintenance of STPs and SPS and other installations under the command of CE (SDW) which involves repairs of pumps, motors, PST, FST, bar screen, valve gate, etc.

4. **SEWERAGE SYSTEM IN REGULARIZED UN-AUTHORIZED COLONIES**

Annual Plan Outlay 2016-17 : ₹ 9000 Lakh (Loan)

The existing sewerage conveyance system is a large network of branch Sewer & peripheral sewers of around 7700 km in length. Undersized/damaged branch sewers are being replaced. During 2015-16, 44 kms damaged/undersized sewers have been replaced. Further where branch sewer damaged or undersized, are being replaced in Maintenance wing during this financial year.

5. **SEWERAGE FACILITIES IN URBAN VILLAGES**

Annual Plan Outlay 2016-17 : ₹ 100 Lakh (Loan)

Out of 135 Urban Villages, 130 villages have been provided sewerage facilities till March, 2016. In remaining villages, the sewer will be provided subject to technical feasibility.

6. **SEWERAGE FACILITIES IN RESETTLEMENT COLONIES**

Annual Plan Outlay 2016-17 : ₹ 300 Lakh (Loan)

In various resettlement colonies, drainage works i.e. desilting of peripheral & internal sewers, replacement of old sewer lines, extending sewerage facilities, raising & repairing manholes etc. are to be carried out from time to time. So, expenditure incurred on such works are to be taken in 2016-17.

A provision of ₹ 3.00 crore has been kept for maintenance of sewerage facilities in 44 resettlement colonies.

## **7. SEWERAGE FACILITIES IN SQUATTER RESETTLEMENT COLONIES**

Annual Plan Outlay 2016-17 : ₹ 2000 Lakh

There are about 22 SRCs which are developed by DUSIB in South and West District were handed over to DJB “as is where is basis”, for providing Sewerage & Water facilities.

Providing sewerage facilities in these areas a provision of ₹ 20 crore has been kept under sewerage facilities in Squatter Re-settlement colonies.

## **8. SEWERAGE FACILITIES IN KATRAS**

Annual Plan Outlay 2016-17 : ₹ 1000 Lakh

Executing the works on replacement/ improvement of sewer lines, day to day maintenance and cleaning of sewer lines in private Katra in notified slum area “as is where is basis” by DJB. This will involve work for infrastructure development as well as regular maintenance & upkeep of the sewerage services in these more than 2900 Katras.

A provision of ₹ 10 crore has been kept for maintenance of sewerage facilities in Katras.

## **9. SEWERAGE FACILITIES IN UNAUTHORIZED COLONIES**

Annual Plan Outlay 2016-17 : ₹ 29000 Lakh (For capital assets)

Government of NCT of Delhi took decision to provide basic services like water supply, sewerage, sanitation and roads in 1642 unauthorized colonies. Out of 1642 colonies, sewerage facility is provided in 239 colonies. The work of laying sewerage facility in 288 u/a colonies is in progress. 266 km. sewer lines have been provided in the financial year 2015-16.

The construction work in unauthorized colonies is in progress in this financial year 2016-17 as under:

- Mohan Garden Group of colonies
- Nihal Vihar Group of colonies
- Bindapur Group of colonies falling under Dwarka WWTP Catchment area
- Batla House Sub-drainage Zone (Phase-I) under Okhla WWTP Catchment area WWTP Catchment area
- Sai Baba Enclave Deep Vihar, Laxmi Garden, Nazafgarh Extn.

- Area under the command of Ghitorni WWTP covering Rangpuri Pahari, Nangal Dewat, Ghitorni village, Ghitorni Extn., & Ghitorni Enclave
- Colonies of Mehrauli Chhattarpur & Lado Sarai falling under Mehrauli WWTP Catchment area
- Colonies of Dallupura, Dallupura Extn., Durga Park, Gharoli, Gharoli Dairy Farm, Gharoli Extn.-Abadiarea Kondli (A to F Block), Kondli Extn., Sapera Basti, Rajbir Colony & New Ashok Nagar etc. in Kondli Catchment area
- Pul Prahladpur, Vishwakarma Colony Chungi No.3 and Lal Kuan
- Maidangarhi & Saidulajab under Okhla WWTP catchment area
- Part of Karawal Nagar, Part of Mustafabad & Part of Gukulpur Yamuna Vihar STP catchment area
- Bhorgarh Narela drainage zone
- Vijay Enclave, Mahaveer Vihar, Bengali Colony
- Kueni group of colonies
- Samaipur group of colonies
- Rajdhani group of colonies
- F & D Block, Mahaveer Enclave Kailashpuri Extn. Sagarpur & Durga Park in Dwaraka constituency

## 10. **SEWERAGE FACILITIES IN RURAL VILLAGES**

Annual Plan Outlay 2016-17 : ₹ 500 Lakh (For capital assets)

For providing sewerage facilities in the 189 rural villages. Sewerage works in 54 villages have been completed & in remaining villages, the estimate/tenders are under process where land for SPS/STP will be made available by land owing department.

## 11. **JNNURM PROJECTS**

Annual Plan Outlay 2016-17 : ₹ 20000 Lakh

### (a) **REHABILITATION OF TRUNK SEWER**

Annual Plan Outlay 2016-17 : ₹ NIL

The project - Rehabilitation of Trunk Sewer has been completed. The provision has been made against ACA amount to be released by GOI.

### (b) **INTERCEPTOR SEWER**

Annual Plan Outlay 2016-17 : ₹ 20000 Lakh

An innovative solution to deal with the pollution in river Yamuna was evolved by DJB and has been widely endorsed. This involves laying of interceptor sewer along the Najafgarh Drain, Supplementary Drains and Shahdara Drain (total length 59 kms). The interceptor sewer will be laid along these drains below the bed level of the drains and all the drains carrying wastewater from unsewered areas will be trapped and conveyed to the existing STPs. The project has been designed in such a way that the interceptor sewer works as the trunk sewer for the presently unsewered areas in long term. Further DJB has strived to ensure that this project complements with its ongoing and mid-term sewerage projects. The project was appraised by CPHEEO and recommended to the Ministry of Urban Development for sanction of ₹ 1357.71cr under JNNURM. The Expenditure Finance Committee of the central Government has accorded approval for funding in January, 2010 and CCI has also approved in May 2010. The works of 6 packages have been awarded to three different agencies in July, 2011 with stipulated period of completion of 36 months.

M/s Engineers India Ltd. was appointed as Project Management Consultant to implement this concept. To complete the work in a time bound manner, the project has been divided into six packages. All the six packages of the project were awarded to three different agencies at the total cost of ₹ 1976 crore which includes 10 years O&M also. The project has been funded under JNNURM. 85% work has been completed.

**(c) MODIFICATION OF SEWERAGE PROJECTS- NILOTHI & PAPPANKALAN**

Annual Plan Outlay 2016-17 : NIL

Construction of 20MGD STP at Nilothi, Const. of 20MGD STP at Pappan kalan and Const. of 11 MGD SPS at Possingi Pur work is in progress. Sewer line from Janak Puri Distt. Centre to Keshav Pur STP is under process. Work award, P/L/J 2000 M.M. diameter. Sewer Line from Sunil Bakshi Marg to Najaf Garh Drain work awarded, permission of road cutting awaited, P/L/J 1400 M.M. dia sewer Line from Kirti nagar Metro Stn. to Sunil Bakshi Marg permission for road cutting being perused.

**12. YAMUNA ACTION PLAN PHASE- III**

Annual Plan Outlay 2016-17 : ₹ 200 Lakh (Loan)

**MODERNIZATION & REFURBISHMET OF STP / SPS -**

The objective of YAP-III project is essentially to improve sewage conveyance system and wastewater treatment plant in the command of Okhla, Kondli & Rithala drainage zone so that the domestic wastewater can be treated to latest standards issued by CPCB/DPCC before being discharged in the river Yamuna thereby improving the quality of river water.

For this purpose, National Mission for Clean Ganga (NMCG), Ministry of Water Resources (MOWR), Government of India (GOI), the borrower, has received a loan from Japan International Cooperation Agency (JICA), amounting to JPY 32,571 million (₹1656 crores) towards the cost of Yamuna Action Plan Project-III (YAP-III),

for which loan agreement was signed on 17th February, 2011. The cost is to be shared in the ratio of 85:15 between Govt. of India and Govt. of NCT of Delhi.

### **13. Centrally Sponsored Scheme of National River Conservation Plan (NRCP)**

Annual Plan Outlay 2016-17 : ₹ 1000 Lakh

The National River Conservation Directorate (NRCD) in the Ministry of Environment, Forests and Climate Change is implementing the Centrally Sponsored Schemes of National River Conservation Plan (NRCP) and National Plan for Conservation of Aquatic Eco-systems'(NPCA) for conservation of rivers, lakes and wetlands in the country. The objective of the River Action Plans is to improve water quality of rivers through implementation of pollution abatement schemes in identified polluted stretches of rivers. NPCA aims at conserving aquatic ecosystems (lakes and wetlands) through implementation of sustainable conservation plans, and governed with application of uniform policy and guidelines.

The Centrally sponsored Scheme of National River Conservation Plan (NRCP) is being implemented by the central Government jointly with the State Government on a cost-sharing basis. The pollution abatement works under NRCP presently cover identified polluted stretches of 39 major rivers in 185 towns spread over 20 States in the country. The sanctioned cost of the projects under NRCP is ₹8100.48 crore (including ₹433 crore incurred under GAP-I). The sewage treatment capacity of 4417 mld has been created under River Action Plans.

#### **Pollution Abatement Works so far:**

The following pollution abatement works are taken up:

#### **Interception and Diversion works to capture the raw sewage flowing into the river through open drains and divert them for treatment. (I&D)**

- i) Sewage Treatment Plants for treating the diverted sewage. (STP)
- ii) Low Cost Sanitation works to prevent open defecation on river banks. (LCS)
- iii) Electric Crematoria and Improved Wood Crematoria and Improved Wood Crematoria to conserve the use of wood and help in ensuring proper cremation of bodies brought to the burring ghats. (EC&IWC)
- iv) River Front Development works such as improvement of bathing ghats etc. (RED)
- v) Other Measures like plantation, public awareness etc.

#### **Funding Pattern for NRCP**

The funding pattern for the river cleaning programme has undergone several changes over the years. The GAP Phase I which started in 1985 was a 100% Centrally Sponsored scheme. The funding pattern has changed to 50:50 between the Central Government and the State Governments in 1993. This was revised again to 100% GOI funding w.e.f. 01.04.1997. The funding pattern is 70:30 between Centre and States with effect from 01.04.2001. The Yamuna Action Plan is being

implemented with a funding pattern of 85:15 between the Central Government and the State Governments.

To supplement efforts of State Governments in abatement of pollution of river Yamuna, Yamuna Action Plan (YAP) was launched by the Government of India with financial assistance from Japan International Cooperation Agency (JICA) in a phased manner as well as from internal resources. The first phase of YAP which was started in April, 1993 in the three States of UP, Delhi & Haryana covering 21 towns was completed in February, 2003 at a cost of ₹703.10 crore and 38 sewage treatment plants with treatment capacity of 753.25 mld, (of which 401.25 mld in U.P., 322 mld in Haryana and 30 mld in Delhi) were created. YAP Phase-II was started in 2003 also with JICA assistance. An expenditure of ₹811.31 crore has been incurred in three States of Delhi, Haryana and Uttar Pradesh under this phase. New sewage treatment capacity of 189 mld (Delhi 135 mld and Uttar Pradesh 54 mld) was created and rehabilitation of 328 mld existing STP capacity at Delhi was done under this phase.

The Central Government has approved Phase-III of YAP at a total cost of ₹1656 crore for Delhi with loan assistance from JICA. The project cost will be shared between the Govt of India and the Government of NCT of Delhi on 85:15 basis. The share of Gol in the project will be ₹1407.60 crore and that of Govt of NCT of Delhi will be ₹248.40 crore. Loan agreement with JICA has already been signed. The project is scheduled for completion by December, 2018.

The proposed works under the project are:

- a) Rehabilitation/modernization of STPs, total 814 mld capacity at Okhla, Kondli and Rithala in Delhi
- b) Setting up of tertiary treatment facilities at the above STPs
- c) Construction of a new state of art STP in place of old STP of 136 mld capacity at Okhla.
- d) Rehabilitation of sewer lines/rising mains in the two catchments of Kondli and Rithala
- e) Public Outreach Activities.

The project is being implemented by DJB under the supervision of the Department of Urban Development, Government of NCT of Delhi. Project Management Consultant (PMC) has been appointed by DJB to assist in project implementation. DPR, for 6 components of the project have been submitted by DJB, which are various stage of appraised by in depended appraisal agency (IIT, Delhi& IIT, Roorkee) / under processing in the Ministry for sanction.

## CHAPTER – 4

### HOUSING

1. As per 2011 Census Delhi's population has increased from 138.50 lakh in 2001 to 167.53 lakh in 2011. It is a matter of great relief that decadal population growth rate during 2001-2011 of Delhi has been reported as 20.96% as compared to more than 50% growth rate during 1951 to 1991 in each Census. Even decadal growth rate 1991-2001 was 47.02%.
2. The Housing Sector in National Capital Territory of Delhi is within the domain of DDA only as Govt. of NCT of Delhi has not been allotted the subject like land, land development and public housing. However GNCT of Delhi entered into the housing sector in a limited way during 11<sup>th</sup> Five Year Plan with the implementation of JNNURM programme. Other major programmes implemented under Housing Sector are construction of Staff Quarters for Delhi Govt. Employees, construction and management of Night Shelters for shelterless persons. The JNNURM projects for construction of about 52584 EWS flats are being implemented by DSIIDC, DUSIB and NDMC.
3. Since DDA could not develop required Urban Extension Area taking into account and matching with growth of population particularly due to migration in NCT of Delhi, the result is growth of unplanned habitats. However GNCT of Delhi is making its sincere efforts in providing all basic essential civic services in all such unplanned habitats so as to provide better living environment to such EWS and other deprived section/society residing in such unplanned habitats.

Major project approved under JNNURM for EWS Housing are as under:-

<b>DSIIDC</b>	<b>No. of Flats</b>
1. Housing for urban Poor at Bawana , Narela, Bhorgarh	3868
2. Slum Relocation Project at Ghogha ,Bapraula	7104
3. Slum Relocation Project at Bapraula, Phase-II, Delhi	2144

The 23164 nos. flats have been completed and remaining flats are at various stage of completion.

Major plan programmes envisaged to be taken up in Annual Plan 2016-17 are as under:

- a. The Budget allocation includes provision of ` 100 crore to DUSIB for a new project “ In-sity Rehabilitation Development plan” as discussed in the budget meeting by Hon’ble Chief Minister. Proposed budget is to be given to DUSIB in the form of Loan towards the seed money for the Slum Rehabilitation Project to be executed on PPP mode. A new scheme has been proposed in the Annual Plan 2016-17.
- b. DUSIB is presently implementing 06 EWS housing projects under JNNURM for construction of 18084 EWS houses against total project cost of ` 906 crore. GNCTD already released `775 crore for the project. `100 crore is proposed to be allocated to DUSIB for the ongoing EWS Housing Projects.
- c. The Central Scheme” Pradhan Mantri Awas Yojana- Housing for All” is being implemented in Delhi through DUSIB for slum rehabilitation. This project is to be executed with participation of private developers using land as resources, for which an amont of `4.50 crore has been propped in Annual Plan 2016-17.

- d. DUSIB is implementing the scheme for construction and management of night shelters. An allocation of `35 crore is proposed in Annual Plan 2016-17.
- e. PWD for housing purpose has taken up new housing projects at Bahapur, Dheerpur, Hakikat Nagar and Satabari. It is to renovate old staff quarters for Delhi Government Employees at Mayur Vihar, Shalimar Bagh and Kalyanvas. A total of `50 crore may be allocated for Housing Projects of PWD.

Proposed Outlay under Annual Plan 2016-17 for housing projects is given here under: -

## **2. In Situ Slum Rehabilitation Plan**

Annual Plan Outlay 2016-17 : ₹ 10000 Lakh as seed money

DUSIB has proposed for implementation of 05 pilot projects for in-situ development Delhi Urban Shelter Improvement Board (DUSIB) has been designated as Nodal Agency for rehabilitation/relocation of JJ dwellers by Govt. of NCT of Delhi. Presently, there are 675 JJ Basties on the land of various agencies which are require to be relocated and rehabilitated. Initially, Pilot projects for In-situ rehabilitation of JJ Basties on DUSIB land is being considered as a new initiative to provide homes to slum dwellers and also as a step toward making city slum free. For this purpose, DUSIB appointed M/s. Earnest & Young as consultant to examine the technical feasibility and financial viability of the proposal.

As per the report of the consultant, the in-situ redevelopment and rehabilitation of JJ Basties in the area of Sultanpuri, Sangam Park and Tagore Garden is technically feasible and financially viable using land as a resource. However, the JJ Basties at Shyam Nagar and Sikri Bhatta and some clusters of Sultanpuri may be relocated to the available EWS houses at Dwarka and Sultanpuri constructed by DUSIB under JNNURM. The work will be taken up on these Pilot Projects at Sultanpuri, Sangam Park and Tagore Garden & 20 JJ Basties having about 4844 jhuggies will be rehabilitated. This model will be replicated in entire Delhi if all Land Owning Agencies cooperate.

The Budget of ₹ 10000.00 lakh as seed money for starting these projects has been provided for in the Plan Budget of GNCTD for DUSIB in Annual Plan 2016-17.

### **C. HOUSES FOR WEAKER SECTION [J.N.N.U.R.M]**

Under this programme, the following three agencies are involved:-

#### **Jawaharlal Nehru National Urban Renewal Mission (JNNURM)**

Annual Plan Outlay 2016-17: ₹ 11050 Lakh (For capital assets)

Jawaharlal Nehru National Urban Renewal Mission (JNNURM) has been formulated to build infrastructure by improving quality of services and spatial development of the city to bring about qualitative improvements of urban areas and also provision of low cost houses and up gradation of slums by providing basic services to the urban poor. The aim is to encourage reforms and fast track planned development of the city.

The Government of India has approved 15 low cost housing projects for construction of 52000 flats under sub-mission for Basic Services to the Urban Poor (BSUP). Out of which 14844 flats are ready for allotment. Additional 8080 dwelling units have been completed, however infrastructure works are expected to be completed within six months. About 29000 flats are under construction stage. The allotment of completed flats shall be done by DUSIB after approval of the Relocation Policy Guidelines of GNCT of Delhi.

The Delhi Urban Shelter Improvement Board is nominated as the nodal agency for relocation /rehabilitation of slum and JJ dwellers. The Government has prioritized 119 JJ clusters for relocation and allotment of flats in the 1st Phase. The Delhi Urban Shelter Improvement Board is finalizing the list of eligible beneficiaries from the above JJ clusters. DUSIB has issued provisional allotment letters to 3733 eligible beneficiaries and 266 units got occupied by the end of March 2015. The issues and problems for low occupancy are very low eligibility rate qualifying for getting the dwelling unit, non-availability of required peripheral infrastructure facilities, apprehension of allottees of losing livelihood after shifting. Other issues for In-situ

development of JJ clusters are lack of availability of land and for providing alternate accommodation to the JJ dwellers for development of the colony.

An amount of ₹110.50 crore has been kept for Annual Plan 2015-16.

Annual Plan Outlay 2016-17 : ₹ 450.00 Lakh (For capital assets)  
(₹ 300 lakh under CSS and ₹150 lakh for State Share)

The Government of India has launched Mission “Housing for All (Urban)”, with the objective that every family will have a pucca house with water connection, toilets facilities, 24x7 electricity supply and access on to address the housing requirement of Urban Poor including slum dwellers. The beneficiary family should not own a pucca house in his/her name or in the name of any family member in any part of India to be eligible to receive central assistance under the mission.

The mission seeks to address the housing requirement of urban poor including slum dwellers through four verticals, which are as follow:

- (i) **Slum Rehabilitation** (In-situ Redevelopment) of Slum Dwellers with participation of private developers. The rehabilitation Grant from Govt. of India will be ₹1.00 lakh per house. Land belonging to Govt. of India,

State, ULBs or private, where slum colonies exist, shall be used as a resource. State Governments and city will provide (if required) FAR/FSI/TDR for making slum redevelopment project financially viable.

- (ii) **Affordable Housing for weaker section through credit linked subsidy.** Interest subvention subsidy @ 6.5% for 15 years will be provided through Banks / Financial institutions for construction of new houses or incremental housing for EWS with annual household income up to ₹ 3.00 lakh, house size upto 30 sq. mtr. and LIG with annual household income between ₹ 3.00 lakh to ₹.6.00 lakh, house size upto 60 sq mtr. The subsidy for additional loan beyond ₹ 6.00 lakh will be at non-subsidized rates.
- (iii) **Affordable Housing in partnership with Public and Private Sector** including parastatal agencies. Central assistance @ ₹ 1.50 lakh per EWS house will be provided in affordable housing projects where 35% of constructed houses are for EWS category.
- (iv) **Subsidy for beneficiary-led individual House construction.** Central assistance of ₹1.50 lakh will be provided for EWS individual requiring housing for construction of beneficiary-led individual new house under the mission. Such beneficiaries should be part of Housing for All Plan of Action (HFAPoA). State has to prepare a separate project for such beneficiaries.

The following State level administrative structure shall be constituted:

- (i) **State Level Sanctioning & Monitoring Committee (SLSMC):** State is required to constitute a State Level Sanctioning & Monitoring Committee (SLSMC) for approval of action plans and projects under the Chairmanship of Chief Secretary, Secretary (UD) as Vice-Chairman and Secretary (Finance), Secretary (Revenue) / Land / Administration, Secretary (Housing), Secretary (Environment), Convener State Level Bankers Committee and State Nodal Officer(HFA) as Members.
- (ii) **State Level Appraisal Committee (SLAC):** State may constitute a State Level Appraisal Committee (SLAC) for techno-economical appraisal of the DPRs, submitted by ULBs/Implementation Agencies.
- (iii) **State Level Nodal Agency (SLNA):** State/UT will identify a State Level Nodal Agency (SLNA), wherein a State Level Mission Directorate will be set up for coordination of the scheme and reform related activities. State may nominate a separate SLNA under the credit-linked subsidy component to identify, motivate and organize beneficiaries to seek housing loan.

- (iv) **Grievance Redressal System:** A suitable Grievance Redressal System should be set up at both State and City level to address the grievances in implementation of the Mission from various Stakeholders.
- (v) **Constitution of others Supportive Bodies**
- a) **State Level Technical Cell (SLTC) and City Level Technical Cell (CLTC):** The constitution of State Level Technical Cell (SLTC) and City Level Technical Cell (CLTC) is to be supported by the Mission with the approval of CSMC. The Ministry support for CLTC and SLTC will be in the ratio of 75:25.
- b) **Technology Sub-Mission:** A Technology Sub-Mission would be set up at the State level to facilitate adoption of modern, innovative and green technologies and building material for faster and quality construction of houses. State would partner with IITs, NITs, Planning & Architectural Institutions for this purpose.
- c) **Third Party Quality Monitoring Agency (TPQMA):** Appointment of Third Party Quality Monitoring Agency (TPQMA) by the State to ensure the quality of construction under various components of the Mission. The Ministry will provide assistance to implement third party quality monitoring mechanism by sharing the cost on 75:25 basis.
- d) **Monitoring and Evaluation of the Mission:** Mission will be monitored and evaluated at three levels, viz. City, State and Central Government. CSMC will monitor the formulation of Housing for All Plan of Action (HFAPoA) and Annual Implementation Plans (AIPs). The project Implementation State has also to develop a suitable monitoring mechanism to watch the progress of the works.

A provision of ₹ 450.00 Lakh is kept for this scheme.

## CHAPTER – 5

### URBAN DEVELOPMENT

MCD Act enacted by Parliament in 1957 and Municipal Corporation of Delhi election was held in 1958. Delhi Development Act 1957 passed by the Parliament. Set up Delhi Development Authority, the agency responsible for planned development of the city. The first Master Plan for the period 1961-81 was prepared by DDA and notified by the Govt of India in 1962. This master plan was revised for the extended period upto 2001 by DDA. It was further revised for the extended period for 2001-2021 and was notified in 2007.

The present setup of NCT of Delhi came into existence with the passage of the NCT of Delhi Act 1991 by the Parliament by way of insertion of Article 239AA through 69<sup>th</sup> Constitutional Amendment. This NCT Act came into force in 1992. With this new Administrative setup in Delhi, a number of organisational and administrative changes have been brought in by the GNCT of Delhi. Delhi Transport Corporation was transferred from the administrative control of Ministry of Road Transport, Govt. Of India to Transport Department of GNCT of Delhi. DESU was re-organized as Delhi Vidut Board (DVB) and thereafter unbundled into six companies in July 2002. DWS & SDU has been restructured and reorganized as DJB.

In place of single District in Delhi, 9 districts with 27 divisions were created in Jan 1997. Now Municipal Corporation of Delhi has been restructured and reorganized into 3 Local Bodies i.e. North Delhi, South Delhi and East Delhi Municipal Corporation. Two new District i.e. Shahdara and South East Districts have been created making total 11 districts now in Delhi

Urbanization process in Delhi picked up since 1951. This urbanization process has converted the rural areas into urban with the rapid pace of growth in urban population of NCT of Delhi. This urbanization process has reduced the no. of villages from 300 in 1961 to 112 villages in 2011 in NCT of Delhi. The rural population has reduced from 38.1% in 1951 to 2.5% in 2011.

Since DDA could not develop the required urban extension area so as to keep pace with growth of population in NCT of Delhi, it resulted into growth of unplanned habitats/colonies. The Urban Development scenario of the NCT of Delhi may be seen with type of habitats/colonies in NCT of Delhi as under:

#### Urbanized Village

1. J.J. Clusters
2. J.J Resettlement Colonies
3. Slums Rehabilitation Colonies
4. Regularized-Unauthorized Colonies
5. Approved/ Planned Colonies
6. Unauthorized Colonies
7. Walled city/ Notified Slum Areas

With the growth of unplanned settlements/ habitats, GNCT of Delhi has to bear the burden of higher cost of providing Civic Services in unplanned settlements. It is evident from the fact that an amount of ₹561.09 crore has already been invested during 11<sup>th</sup> FYP in providing Basic Civic Services in 567 Un-authorized Regularized Colonies. Further GNCT of Delhi has invested an amount of ₹251.98 crore during 11<sup>th</sup> FYP in providing Basic Civic Services in J.J Resettlement Colonies.

Even after regularization of Un-authorized Colonies in 1977, the emergence of certain unplanned settlements continued. GNCT of Delhi has invested ₹2529.70 crore during 11<sup>th</sup> FYP in providing Basic Services in these Un-authorized Colonies.

**Key Highlights of Urban Development Sector are as follows:**

- A. The proposed allocation in 2016-17 for the Urban Development sector is 47% higher over the budget allocation of 2015-16. This is mainly because of allocation for new National Programmes like AMRUT, SMART CITY etc. An amount of ₹ 470 crore is proposed in Annual Plan 2016-17 for the national Programmes AMRUT (₹200 crore), Smart City programmes in NDMC area (₹196 crore) and other activities under Swachh Bharat Mission (₹80 crore-SBM for other agencies).
- B. DUSIB has undertaken a massive programme for construction of Jan Suvidha Complexes with re-construction and renovation of old & dilapidated Jan Suvidha Complexes. DUSIB is to implement the

scheme expeditiously, for which, ₹100 crore has been allocated to DUSIB in Annual Plan 2016-17.

- C. The plan scheme "Sanitation in JJ Cluster", "Sanitation in Un-authorized colonies" are proposed to be merged in a single main scheme, "Mechanization of Conservancy and Sanitation Services". A total amount of ₹ 528 crore proposed to be allocated to all three DMCs (North Delhi Municipal Corporation-₹ 214 crore, South Delhi Municipal Corporation-₹ 206 crore and East Delhi Municipal Corporation-₹108 crore, ) under the Scheme "Mechanization of Conservancy and Sanitation Services"
- D. A total amount of ₹ 380 crore is being provisioned for DSIIDC, PWD, Irrigation & Flood Control Department and UD Department, who are providing essential services in un-authorized colonies, apart from DMCs, the largest chunk of ₹300 crore is proposed for DSIIDC to take up roads & drainage works in Unauthorized colonies.

## **2. ENVIRONMENTAL IMPROVEMENT IN URBAN SLUMS - SCSP**

Annual Plan Outlay 2016-17 : ₹ 1400 Lakh

Urban Slums are those areas which have been notified under Slum Areas (Improvement & Clearance) Act, 1956. These areas are mostly concentrated in walled city and its extensions. Apart from this, as per order's of GNCTD, 675 J.J. Bastis having about 3,06,600 jhuggis of population about 15-20 lakhs have to be covered under the purview of this scheme.

Basic amenities to improve the standard of living of the Slum / JJ is to provide: -

- a. Widening & construction of paved roads for approach of the J.J Basties including existing lanes in J.J Basties.
- b. Readymade/ pre-cast cement concrete paver tiles in all lanes upto 3 mtrs width.
- c. Construction of open surface drains (Nali) ( Small pre-cast or brick masonry drains) to quickly drain out water and connecting it with nearby drain or local body.
- d. Covering of open surface drain with RCC slab etc, as per site requirement.
- e. The replacement of paving will be undertaken in that J J Basties, where it was provided at least five years back and where it is essential to be replaced on need based basis.

These facilities are provided with per capita ceiling of ₹ 800/-. This ceiling was fixed in the year 1995 vide Govt. Of India, Ministry of Urban Affairs & Employment.

During Annual Plan 2015-16 an amount of ₹1350.00 lakh has been released against which an expenditure of ₹1202.40 lakh (tentative) was been incurred 1.50

lakh slums & JJ dwellers benefitted under the scheme of EIUS with the prevailing per capita Norm of ₹ 800/-.

For the Annual Plan 2016-17 an outlay of ₹1400.00 lakh has been approved to cover 44987 Slum & JJ dwellers for c.c. pavement and drains in various J.J.Clusters.

### **3. STRUCTURAL IMPROVEMENT AND REHABILITATION OF SLUM KATRAS**

Annual Plan Outlay 2016-17 : ₹ 400 Lakh  
(₹ 200 Lakh for General and ₹ 200 Lakh for SCSP)

The main objective of the scheme is to repair Katras/ Properties/ Buildings under the control of DUSIB.

At present, DUSIB has 2893 Properties/ Katras with it, which are located in walled city and its extensions. Since inception of the scheme, the approach has been to repair the katras for structural safety.

From 1991-92, structural repairs including repairs/replacement of sewerage/ water supply system, and other services are therefore, undertaken in properties / katras, where per capita covered space is more than 3.00 sq. mtrs, and the cost of repairs/ part reconstruction does not exceed ₹1700/- per sq. mtr.

During Annual Plan 2015-16 an amount of ₹500.00 lakh was released and unspent balance of ₹67.74 lakh of 2014-15 total expenditure of ₹276.66 lakh(tentative) was incurred in 2015-16. During 2015-16 Structural repair was carried out in 02 slum katras whereas work remained in progress in 02 slum katras. Repair of Common facilities like sewer lines, RMC, OSD, toilets provided in 26 Pvt. Katras & 07 DUSIB Katras whereas the work remained in progress in 03 DUSIB Katras and 01 Pvt. Katra.

An outlay of ₹400.00 lakh (₹200.00 lakh (SCSP) and ₹200.00 lakh (General)) has been approved in the Annual Plan 2016-17 for this scheme. Physical targets in 2016-17 to provide structural repair in DUSIB properties and common facilities like RMC, OSD, C.C. paving, repairing of toilets etc. in about 30 private. / slum katras.

### **4. CONSTRUCTION OF PAY & USE JANSUVIDHA COMPLEXES**

Annual Plan Outlay 2016-17 : ₹ 10000 Lakh (For capital assets)  
(₹7000 Lakh for General and ₹ 3000 Lakh for SCSP)

The scheme is basically intended to take care of the environmental problems generated through mass defecation in open by the Jhuggi Dwellers/Slum Dwellers. It is a continuing scheme of the 7<sup>th</sup> Five Year Plan. The scheme is to cover Slum Dwellers staying in notified slum areas and Jhuggi Dwellers staying in squatter settlements by encroaching public land.

The National Norm under the scheme envisages provision of one W.C. Seat for 20-25 persons and one bath for 20-50 persons. It has not been possible to follow these National Norms in Delhi due to physical constraints.

The Jan Suvidha Complexes are of different capacities (varying from 10 seaters to 100 seaters) to serve basically the population in Jhuggi Cluster/Slum Areas at different locations. These complexes are run on 'Pay & Use Concept' and maintained by such NGOs/ Agencies who are also assigned the responsibility of Planning & Construction.

##### **5. SHISHU VATIKA / COMMON SPACES IN JJ CLUSTERS/ RELOCATION POCKETS / NOTIFIED SLUMS**

Annual Plan Outlay 2016-17 :₹ 400 Lakh (₹ 300 Lakh For capital assets)

This scheme is being implemented since 1994-95 with the following objectives:-

- Protection of open available vacant spaces within the Jhuggies Jhompari Clusters and notified Slums by constructing boundary walls with an opening for utilizing the retrieved spaces for the purposes of establishment of Shishu vaticas as an open space for common use by the community.
- Instances have come to the notice, where open vacant space located on roadsides or at entries to certain colonies have been further encroached by the jhuggie dwellers and unscrupulous elements by taking advantage of their locations. A few of them are utilizing their Jhuggies/informal shelters for operating commercial/trading activities at the encroached portions. This practice of commercial exploitation of the jhuggie households by the unscrupulous elements will be curbed up to some extent.

## **PROGRAMME CONTENTS**

The programme involves construction of boundary walls of the height of 1.5 mtrs. with grills, wherever possible. Few play equipments, like Sea- saw, revolving platforms, swings, Bridge, Slides etc. fabricated in workshop of the DUSIB are provided in the Shishu Vaticas, Toilets in Jhuggie Clusters and notified Slums for providing recreational facilities to children living in Slum & JJ Clusters. ## **2. ADDITIONAL FACILITIES IN J.J. RESETTLEMENT COLONIES**

Objective of the scheme is to improve the basic services in the JJR colonies for the better living conditions in resettlement colonies which were developed by DDA and made functional with Skeleton Services. These 44 Nos..of colonies were transferred to MCD by DDA w.e.f. 1.06.88 on lock, stock and barrel basis vide letter No. PS/SECY/L&E/88/273 dated 13.5.88 in pursuance of the decision taken at Raj Niwas in the meeting held on 12.05.88. In the said meeting, it was also made categorically clear that the MCD will be provided with adequate assistance for the following works.

- i. Funds for annual repair and maintenance of these colonies.
- ii. One time special repair to make these services of the colonies functional.
- iii. Stg. / Aug. additional facilities to bring these colonies at par with the standard of the Corporation.

In addition to these colonies, Urban Development Department vide order No. F.51 (135)2001/UD/16455-16466 dated 3.09.01 has decided that 29 resettlement pockets transit camp developed by the S&JJ Deptt/DDA shall hence forth be maintained by the MCD with the help of plan funds from Plan Scheme "Provision of Additional Facilities in 25 Nos. of JJR Colonies falls in North Municipal Corporation of Delhi and 38 Nos. of JJR colonies falls in South Municipal Corporation"

### **3. MECHANIZATION OF CONSERVANCY AND SANITATION SERVICES**

Cleanliness is most critical to the Urban Management Process. Poor Solid Waste Management practices affect the health and environment of Metropolis in many ways like transmitting diseases among residents and environmental degradation, including emission of green house gases from landfills etc. The Solid Waste generated by the City contributes to the environmental problems and challenges for better urban management. On account of tremendous increase in population and increase in per capita income, generation of domestic waste has increased considerably. Some of the important factors like migration of people for employment and trade from other neighboring states, rapid industrialization and rapid urbanized growth have added burden on the civic services. Clean city attracts people provides healthy environment and promotes tourism and creates opportunities for global investment.

On account of enforcement of various legislation, P.I.L's and Govt. of India orders pertaining to environmental protection and garbage handling the accountability of local bodies has increased considerably. The enforcement of legislation and orders issued by the Govt. cannot be ensured unless full financial support is given for the said purposes. As per the provisions of the DMC Act, it is the responsibility of the local body to provide adequate infrastructure services for collection, transportation and disposal of solid waste generated by the City. How long these services will be given to the citizen free of cost in the form of subsidies? Either the polluters have to pay the cost or the Govt. is to provide funds for its management. There are various issues pertaining to labour laws, directions issued by the courts from time to time and availability of land for disposal of solid waste. Presently, Delhi city does not have adequate land for disposal of waste although the disposal of waste by land filling is the cheapest option worldwide, no option is left except to opt for modern processing technologies for managing the solid waste of Delhi City.

#### **Existing Scenario:-**

The major functions of the Sanitation Department of Municipal Corporations Delhi are as below:-

- Waste Collection from Dhalaos/ Bins/ Open Sites, Transportation, Processing and Disposal at SLF sites .
- Sweeping of Roads and Public Common Spaces

- Maintaining Sanitation in Public Conveniences like Toilets, Urinal Blocks, Dustbin/Dhalaos, Open Sites etc
- Procurement and Supply of Sanitation Material like Phenyl, Lime, Bleaching Powder, Brooms, Belcha, Wheel Barrows, Rickshaws etc.
- Maintaining Auto Workshops for repair of departmental vehicles like trucks, loaders, departmental cars etc.(through Auto section).
- De-Silting of Drains less than 4ft. Depth/ width under the Jurisdiction of DMCs.
- Maintenance of SLF sites .

As per provisions of the MSW (Management & Handling) Rules, 2000, only engineered S.L.F. sites are supposed to come up and the existing S.L.F. sites were to be re-mediated by the year 2003. The management of S.L.F. sites in respect of operation and management of day to day garbage with capital innovative machinery involves huge investment. The modernizations of fleet size, handling system and improvement of overall Solid Waste Management system has to be taken up.

The area of 03 Delhi Municipal Corporations comprises of the following:

S.No	Type of Colonies/Villages	North DMC	South DMC	East DMC
	Approved Colonies	728	388	90
	Unauthorized/ Regularized Colonies	98	252	253
	Resettlement Colonies	25	32	19
	Urban Villages	33	81	23
	Rural Villages	85	86	43
	Unauthorized Colonies	449	449	257

### **SANITATION IN J.J. CLUSTER**

The main objective is to maintain the sanitation services in JJ Cluster. In order to guard against unhygienic environment in the said areas, which are prone to various infectious diseases, it is necessary to undertake sanitation therein as well. The following work is to be under taken

1. Purchase of Insecticides, Tools and Plants.
2. Desilting of Septic Tanks of Lavatory a block of JS complexes and Sullage Nallah.
3. Payment towards improvement and augmentation of pumping station along with civil work including payment of electricity charges & wages for deployment of labour.
4. Payment towards the operation and maintenance of vehicles/equipments.
5. Hiring of trucks, bulldozers/loaders etc., under emergency situation.
6. Construction of Dallaos.
7. Repair and renovation of Dustbin and Dalloos.

## **SCHEMES OF UD DEPARTMENT**

### **1. Deen Dayal Antyodaya Yojna: National Urban Livelihood Mission (DAY:NULM)**

Annual Plan Outlay 2016-17 : ₹ 200 Lakh under CSS

Ministry of Housing and Urban Poverty Alleviation, Govt. of India announced new urban poverty alleviation scheme namely National Urban Livelihood Mission (NULM), which replaced the old scheme of SJSRY. The NULM is launched with the objective to reduce poverty and vulnerability of the urban poor households by enabling them to access gainful self-employment and skilled wage employment opportunities, resulting in an appreciable improvement in their livelihoods on a sustainable basis, through building strong grassroots level institutions of the poor. The mission would aim at providing shelter equipped with essential services to the urban homeless in a phased manner. In addition, the Mission would also address livelihood concerns of the urban street vendors by facilitating access to suitable spaces, institutional credit, social security and skills to the urban street vendors for accessing emerging market opportunities.

The NULM will be funded by Govt. of India in the form of 100 % central share. Mission Convergence-Samajik Suvidha Sangam has been nominated as the State Urban Livelihood Mission(SULM) by GNCTD to implement this scheme in Delhi.

### **Components of NULM**

#### **1. Self Employment Programme(SEP):**

This component will focus on financial assistance to individuals/groups of urban poor for setting up gainful self-employment ventures/microenterprises, suited to their skills, training, aptitude and local conditions. The component will also support Self Help Groups(SHG) of urban poor to access easy credit from bank and avail interest subsidy on SHG loans. This will further help on technology, marketing and other support services to the individuals, group entrepreneurs etc.

- **Individual Enterprises:** An urban poor individual beneficiary desirous of setting up an individual micro-enterprise for self-employment can avail benefit of subsidized loan under this component from any bank. The norms for individual microenterprise loans are as follows:

Age: Minimum 18 Yrs of Age
Project Cost: Rs. 2,00,000/-(Maximum)
Subsidy: Interest Subsidy on over and above 7% ROI given on bank loan (i.e. Difference between 7 <sup>0</sup> /0 and prevailing ROD. It will be made available only in case of timely repayment of loan (Quarterly)
Repayment of Loan: 5-7 Yrs after initial moratorium of 6-18 months as per norms of banks.
Collateral Guarantee on Bank: No collateral Guarantee required.

**Group Enterprises:** A Self Help Group(SHG) or members of an SHG constituted under DAY/NULM or a group of urban poor desirous of setting up a group enterprise for self employment can avail benefit of subsidized loans under this component from any bank .The norms for individual microenterprise loans are as follows:

Age: Minimum 18 Yrs of Age
----------------------------

Project Cost: Rs. 10,00,000/-(Maximum)
No. of beneficiary: Minimum 5 members (Minimum of 70% members from urban poor families.)
Subsidy: Interest Subsidy on over and above 7% ROI given on bank loan (i.e. Difference between 7% and prevailing ROD. It will be made available only in case of timely repayment of loan(Quarterly)
Repayment of Loan: 5-7 Yrs after initial moratorium of 6-18 months as per norms of banks.
Collateral Guarantee on Bank: No collateral Guarantee required.

## 2. Employment through Skills Training & Placement (EST&P):

This component is designed to provide skills to the unskilled urban poor as well as to upgrade their existing skills. The program will provide for skill training of the urban poor to enable them setting up self-employment ventures and for salaried jobs in the private sector. This program intends to fill the gap between the demand and availability of local skills by providing skill training programs as required by the market.

MoHUPA has signed MoU with National Skill Development Corporation (NSDC) to provide skill training to the targeted no. of beneficiaries wherein the candidates will be identified jointly by the ULB/DRC and Skill Training Provider under NSDC with their empanelled partners will be responsible for providing skill trainings, third party assessment and certification of candidates, providing placement and tracking of minimum 50% candidates trained out of target assigned. The norms under this scheme are as follows:

- Training Cost per trainee: ₹15,000/-(the training cost will include cost of candidate mobilization, curriculum design, trainer's fee, raw materials required for training, assessment & certification, placement linkage, MIS and post placement tracking of the candidate.)
- Funding Pattern: 30:50:20(The first two installment may be based on the commencement of training, completion and certification of the candidate and last 20% may be paid on the placement/enterprise development and tracking of candidates for 6 months.
- Certification: Assessment of the skills gained should be done by an independent certifying agency. The Certification agency should be empanelled by the SULM based on the quality, integrity and past-record of the agency. Govt. and Semi-Govt. Agencies involved in Certification process may be accorded priority. The State may also empanel agencies such as SSCs, NSDC, AIC TE, Technical University, National Level Industry Associations such as ASSOCHAM, NASSCOM etc. for the assessment and certification of the candidates, depending on their competence to perform this job.

### 3. Social Mobilization & Institution Development(SM&ID):

This scheme shall rest on the foundation that the mobilization of urban poor households to form their own institutions is an important investment for an effective and sustainable poverty reduction programme. These institutions of the poor would partner with local self-governments, public service providers, banks, private sector and other mainstream institutions to facilitate delivery of social and economic services to the poor.

NULM envisages mobilization of urban poor households into a three tiered structure which is as follows:

City Level Federations (CLFs)  
Area Level Federations (ALFs)  
Self Help Groups (SHGs)

- > CLF should be registered as societies/association under the relevant law of the state. The ALFs will come together to form a City-level Federation (CLF). Bigger cities may have more than 1 CLF based on the size and population. The CLF is expected to work with ALFs, member SHGs, city administration and financial institutions to ensure social and economic empowerment of the urban poor.
- > ALF is an association of SHGs consisting of representatives from all member SHGs with an objective of supporting member-SHGs, forming and training new SHGs. The federation is essential to deal with larger issues with bank linkage , Inter group lending etc.

An ALF may be formed with 10 to 20 SHGs covering an area of a ward or slum or such other geographical unit with a minimum of 2 members per SHG. The ULB may decide the no. of SHGs in a federation as per the local conditions. ALF should be registered as a society/an association under the relevant law of the State. A onetime Revolving fund support of ₹. 50,000 will be provided to register ALF which may be utilized for smooth operation and will form part of corpus of the ALFs.

- > SHGs are groups of 10 to 20 women or men who come together to improve their living conditions by group savings and loans. These groups conduct regular meetings where the savings of the group is collected into a corpus fund, which is used to provide short-term loans to the members. After some time when the credit requirements of the members increase, SHG may approach to a bank for loan. A maximum of ₹ 10,000/- can be spent per SHG for their formation, handholding, training of all the members, bank linkage, formation of federation and other related activities. A one time Revolving fund support of ₹10,000 will be provided to urban poor SHGs which have not availed such support earlier. A SHG should be functional for a period of 6 months with at least 70% of its members should be urban poor to become eligible for RF support. This fund is also available to existing SHGs formed under SJSRY which have not availed the same.

- The Resource Organization (RO) will facilitate the formation of SHGs and their development, bank linkages, their federation at the area and city-levels, training and capacity building and establishing links to ULBs. SULMs are free to engage RO at the state level or allow ULBs to empanel ROS on their own.
- City Livelihood Centers (CLCs) are to be established to create a platform where the urban poor can offer their goods and services in an organized manner to the potential buyers. The urban poor can access information and business support services as and when needed by them, which would otherwise not be accessible to them. Each CLC will be provided a non-recurring grant of ₹ 10 Lakhs as untied funds. The amount will be released in 3 installments in the ratio of 30:40:30.  
CLCs may be established as per following norms:

- One CLC per city with population of 1-3 lakh. One CLC can also be established in case of district HQ towns with population less than 1 lakh..
- Two CLCs per city with population of 3-5 lakh.
- Three CLCs per city with population of 5-10 lakh.
- A maximum of 8 CLCs can be established in cities with population more than 10 lakhs.

#### **Physical Target for the FY 2016-17**

<b>S.No.</b>	<b>Component</b>	<b>Target</b>
1	Social Mobilization & Institution Development	100 SHGs
2	Employment through Skill Training & Placement	10000 beneficiaries
3	Self-Employment Programme	Ind:500 Group: 50 groups

#### **SCHEME OF SHELTER FOR URBAN HOMELESS (SUH)**

The National Urban Housing & Habitat Policy (NUHHP), 2007 aims at promoting sustainable development of habitat in the country with a view to ensuring equitable supply of land, shelter and services at affordable prices to all sections of the society. However, the most vulnerable of these are the urban homeless. Scheme of Shelter for Urban Homeless is a part of NULM Scheme. DUSIB has been executing agency for the said component.

Street Vendor is a new component for which the local bodies have been asked to submit their proposals. The proposals from East DMC was received which was examined and returned back seeking a detailed project report as there were some discrepancies.

2. **Strengthening and Augmentation of Infrastructure i.e. Roads, Streets, local parks, street lights etc. in each Assembly Constituency (Known as MLALAD Scheme)**

Annual Plan Outlay 2016-17 : ₹ 28000 Lakh

Under this scheme of "Strengthening and Augmentation of Infrastructure facilities in each Assembly Constituency" commonly known as MLALAD Scheme, each MLA can suggest small works of capital nature to be done in their constituencies upto the tune of ₹4.00 crore in a year with each individual project not exceeding ₹2.00 crore.

**Salient Features**

The works recommended under this scheme should confirm to the general pattern of programmes and projects being implemented by the local bodies/ departments of Govt. of Delhi. These works will be sanctioned and implemented in the same manner, as the other works of these bodies are being sanctioned and implemented.

Wherever required technical and administrative sanction of the works falling within the scope of this scheme and for which the MLAs have exercised their choice will be given after following the normal departmental procedures applicable to the local bodies and other Government Departments and the actual expenditure should in no case exceed the sanction.

The works under this scheme shall primarily be durable asset creation works on Government / Local Bodies land and only such works will be taken up which can be executed / completed within one or two years time schedule. No purchase of inventory equipment etc. or revenue expenditure will be allowed except purchase of computers for schools and provision of ambulances & refuse collectors only for the Government institutions.

This is a project/location specific scheme where the expenditure on each project / location is not going to exceed more than ₹2.00 crore under the guidelines issued by the Delhi Govt. from time to time.

**Procedure for Proposal and Release of Funds:**

The work under this scheme has to be carried out by District Urban Development Agency (DUDA) functioning under each Revenue District of Govt. of Delhi.

- a) The MLALAD Fund of ₹4.00 crores per MLA per year prevalent at present will be divided into two parts, i.e., the Mandatory Fund and the Discretionary Fund of ₹ 1.00 crore and ₹3.00 crore respectively.
- b) MLAs recommend the developmental works in their respective areas falling under their constituency.

- c) Under this scheme, there is a maximum limit of ₹2.00 crore per work/project of each assembly constituency.

### **3. Development of Urban Villages**

Annual Plan Outlay 2016-17 : ₹ 700 Lakh (Capital)

MCD had been carrying out various developmental works in the Urban Villages out of the funds provided by the Govt. of NCT of Delhi upto 2011-12. For better improvement and up-gradation of civic amenities, Govt. of Delhi vide Cabinet decision No.1887 dated 10.05.2012 decided that the existing scheme i.e. "Development of Urban Villages" for taking up development works in urban villages should be replaced by another scheme to be administered by the UD Deptt. of GNCTD which would permit construction by either land owning agency or any other agency after following due process.

Under the scheme "Development of Urban Villages", the following activities/projects are undertaken on priority to upgrade the existing civic infrastructure facilities in the Urbanized Villages:-

- i. Construction / Improvement of Roads.
- ii. Construction / Improvement of Drains.
- iii. Construction / Improvement of Street Lighting.

In case the executing agency is not the land owning agency, the proposal may be submitted alongwith the NOC from the land owning agency by the concerned MLA to UD Deptt. so that the funds could be released.

In the intensive review meeting of the Urban Development Deptt. taken by the Hon'ble Chief Minister, Delhi on 09.04.2015, it has been decided that the project/works of the scheme "Development of Urban Villages" will be carried out through by Delhi District Urban Development Agency (DUDA) in each district. During 2016-17, an outlay of ₹ 700.00 lakh has been approved for meet out the liabilities of ongoing earlier sanctioned works carried out by various Executive Agencies.

### **4. Renovation/Improvement of Chaupals & Development of Water Bodies**

Annual Plan Outlay 2016-17 : ₹ 300 Lakh (Capital)

The pace of urbanization in Delhi is of highest order resulting into conversion of rural villages into 135 urban villages. As a result, the chaupals which were the centre of all the social and cultural activities in rural villages were neglected and, thus, the conditions were deteriorate and dilapidated. Keeping in view this fact, the Govt. of Delhi, in February-2000, decided to initiate renovation/improvement works of chaupals located in urban villages and the works shall be executed by the I & FC Department from the budget of plan scheme "Development of Urban Villages". The

criteria for renovation/reconstruction of chaupals is that it should be located on Government/Gram Sabha land and construction work limited to 400 sq. meters. and within ₹ 50 lakh.

In the intensive review meeting of the Urban Development Deptt. taken by the Hon'ble Chief Minister on 09.04.2015, it has been decided that the scheme "Renovation/Improvement of Chaupals & Development of Water Bodies" discontinued from 2015-16 and the project/works of this scheme will be carried out by Delhi District Urban Development Agency(DUDA) under Revenue Deptt.. During 2016-17, an outlay of ₹ 300.00 lakh has been approved for meet out the liabilities of ongoing earlier sanctioned works carried out by I& FC Deptt.

## **6. JNNURM – Basic Services for Urban Poor (BSUP)**

## **7. Provision of Essential Services in Unauthorized Colonies**

Annual Plan Outlay 2016-17 : ₹ 38000 Lakh  
Revenue : ₹ 50 Lakh  
Capital : ₹ 37500 Lakh

As per decision, public notices were issued in November 2007, February 2008 & March 2008 for inviting applications for regularization from those unauthorized colonies existing as on 31st March, 2002 and had built up percentage more than 50% as on 08/02/2007.

Total 1639 applications received, were also sent to various agencies such as DDA, MCD, and DISCOMs etc. for scrutiny and land status report. Union Cabinet in its meeting held on 8th February, 2007, approved the proposal for regularization of

unauthorized colonies in Delhi. Further, the Ministry of Urban Development, Govt. of India issued notification on 24th March, 2008 regarding regulations for regularization of unauthorized colonies in Delhi. Subsequently, another notification dated 16th June, 2008 amending the notification dated 24th March, 2008 was issued authorizing Govt. of NCT of Delhi to issue provisional regularization certificates to unauthorized colonies soon after fulfilment of clause 4.0 of the regularization dated 24/03/2008.

In pursuance to the notification dated 16/06/2008, provisional regularization certificates have been issued to 1223 unauthorized colonies in October 2008, those which fulfilled the required conditions and the process for final regularization is in progress. UD Department had shortlisted 895 unauthorised colonies for regularisation in the year 2012. But boundaries of these colonies could not be finalised due to various reasons like improper delineation of boundaries by the Survey of India/ GSDL, mismatching of Land Status Reports, overlapping of boundaries of the unauthorised colonies, non validations of Forest Land, ASI restricted land and DDA hindrances etc.

In the meantime Government of India, Delhi Development Authority vide notification dated 01/01/2015 has amended the cut off date of regularisation as 01/06/2014. Ministry of Urban Development vide letter dated 03/07/2015 has clarified that the formal announcement of regularisation should be treated from date of notification i.e. w.e.f. 01/01/2015.

Govt. of NCT of Delhi is providing basic civic amenities like construction of roads and drains, water supply, sewerage, sanitation and street lights in Un-authorized Colonies. The funds are provided to the executive agencies MCD's, I&FC & DSIIDC, DJB, PWD and DISCOMS since 1998 for providing these facilities in unauthorized colonies.

Mapping of development works of unauthorised colonies is being carried out and it is in final stage.

An amount of about ₹ 843.50 crore have been released/ placed to the DSIIDC, I&FC, DJB & PWD during 2015-16. During the year 2016-17, there is an approved allocation of ₹ 380.00 Crore for providing civic amenities in Unauthorized Colonies.

## CHAPTER – 6

### WELFARE OF SC/ST/OBC

The Directive Principles of the State Policy provide to promote with special care, the educational and economic interests of the target groups. To achieve the objectives of “Equality” with many facets, Govt. of India as well as State Govt. has been striving for socio-economic development of the people of these communities through administrative orders and plan process. No doubt, there has been perceptible changes in the social and economic condition of the target group but unfortunately the measures taken so far have not been able to fully eradicate illiteracy, poverty and above all the social stigma attached, because the approach so far has been in the shape of few schemes of ameliorative nature which could not make sufficient transformational impact and, therefore, much still remains to be done.

Up to the year 1997 Department was required to look after only the welfare of SC/ST population of Delhi but with the reorganization of OBC as a separate group of population, welfare activities relating to OBC, which forms quite big chunk of the population was also assigned to this department. In the starting of 21<sup>st</sup> century welfare activities relating to Minorities was also assigned to this department but in 2015-16 it (activities relating to minorities) was transferred to Revenue Department.

#### 1. POPULATION SCENARIO

- **Schedule Caste Population:** As per 2011 *census*, total population of NCT of Delhi was 167.88 lakhs, out of which the SC population is 28.12 lakh which comes to 16.75%. Due to fast process of urbanization the population in the urban areas has been increasing rapidly as 97.08% of the total population of the SCs resides in urban areas and only 2.92 % is in rural areas. Out of the total urban population of 163.69 lakh, the SC population is 27.30 lakh and of the total rural population of 4.19 lakh, the SC rural population is 0.82 lakh. This shows that the SC population is predominantly residing in urban area.
- **Scheduled Tribes Population:** - In Delhi, no scheduled tribes has been notified since none of the ST originally belongs to Delhi but a small population migrated for service and other purposes from the other states. As such the RGI is not collecting any data in respect of STs, however, it is expected that about 2% of the total population of Delhi may be STs.
- **Other Backward Classes Population:-** The RGI is not collecting data in respect of OBC in the census. As such population of OBCs as per census record is not available. However, Govt. of NCT of Delhi constituted a state level commission for other Backward Classes in 1992 to identify the OBCs in Delhi. The Commission in its report opined that about 48% of the Delhi population belongs to OBC.

## 2. Scheduled Caste Sub Plan

As per guidelines issued by Government of India, the outlay for SCSP should be at least in proportion to SC population to total population of that State. The Scheduled Caste population, as per 2011 census, was 16.75% of the total population of Delhi. The size of SCSP in under 12<sup>th</sup> Five Year Plan is given here under:-

[₹ in crores]				
Sl. No.	Five Year/Annual Plans	Approved Outlay for GNCT of Delhi	Flow For SCSP	Percentage
1	2	3	4	5
<b>12<sup>th</sup> Five Year Plan</b>				
1.	2012-13	15,000.00	2760.46	18.20%
2.	2013-14	16,000.00	3003.25	18.77%
3.	2014-15	17,700.00	2797.25	16.75%

## 3. Centrally Sponsored Schemes

Besides the Annual Plan and SCSP, Government of Delhi is implementing the following Centrally Sponsored Schemes also:-

- Coaching & Allied Schemes (Pre-Exam Training).
- Post-metric Scholarship for SC.
- Pre-metric scholarship for OBC.
- Post-metric Scholarship for OBC.
- Special Central Assistance to Scheduled Caste Sub Plan (SCSP).
- Implementation of Civil Rights Act 1955 and the SC/ST prevention of atrocities Act 1989 [including Incentive for Inter Caste Marriage].

#### **4.19 Scheme for Financial Assistance to Scheduled Caste Slum dwellers being relocated by Delhi Urban Shelter Improvement Board. (DUSIB) under Rajeev Ratan Awas Yojana**

Plan Outlay 2016-17 : ₹ 1 Lakh

Council of Ministers, Govt. of NCT of Delhi vide Cabinet Decision No.1810 dated:19/09/2011 has considered and approved the said scheme for implementation during Annual Plan 2011-12 and subsequent plan periods.:-

1. Govt of NCT of Delhi, in pursuance of Cabinet decision No 1613, Dated the 3<sup>rd</sup> February 2010, notified a scheme for relocation/ rehabilitation of slum dwellers, as per which eligible slum dwellers are to be relocated through provision of alternative housing as per specified terms and conditions. The scheme was subsequently modified in pursuance of Cabinet decision No 1670, Dated the 12<sup>th</sup> July 2010, and cabinet decision No 1733, dated the 24<sup>th</sup> Jan 2011. As per the latest scheme guidelines for relocation, eligible beneficiaries will be relocated by providing an alternative flat as per specified terms and conditions, the breakup of approximate cost of which is indicated as under:

Govt. of India contribution	=	₹ 1,19,000
Beneficiary contribution	=	₹ 60,000
Land owning agency contribution	=	₹ 93,000

Delhi Govt. contribution	=	<u>₹ 62,000</u>
<b>Total</b>	=	<b><u>₹ 3,34,000</u></b>

- Beneficiary contribution of ₹ 60,000 is applicable only in case of persons residing in the slum on or before 31.03.2002. In case of beneficiaries who have settled between 1.04.2002 and 31.03.2007, additional beneficiary contribution equivalent to the state share i.e. ₹ 62,000 is required to be paid (total beneficiary contribution of ₹1,22,000). Furthermore, if the slum undergoes in-situ development, the beneficiary is also required to additionally pay an amount equivalent to the share of the land owning agency i.e. ₹ 93,000 (total beneficiary contribution of ₹ 1,53,000). Maximum Beneficiary Contribution of ₹ 2,15,000 will be applicable in case of beneficiaries who have settled between 01.04.2002 and 31.03.2007 and the slum undergoes in-situ development.
- It is proposed to provide subsidy/re-imbusement to SC slum dwellers who have been selected for relocation by providing alternative housing under the scheme of relocation being operated by DSUIB. The financial assistance will be provided to meet the total amount of beneficiary contribution required under the relocation scheme. The scope, quantum, conditions for grant of subsidy and procedure for disbursement of subsidy will be as under:

### **SCOPE**

The subsidy will be available only to such slum and JJ dwellers who are identified for relocation and belong to SC communities. All such identified persons will be eligible for subsidy.

### **QUANTUM**

The subsidy will cover the entire amount of beneficiary contribution, including the enhanced demand in case of slum dwellers who have settled after 31.03.2002, and in cases covered by in-situ development.

### **CONDITIONS FOR GRANT OF SUBSIDY**

- The subsidy will be granted for meeting the beneficiary contribution towards the cost of housing as provided in the relocation scheme.
- The applicant should belong to SC category and possess a valid caste certificate issued by a Competent Authority of Govt. of NCT of Delhi.
- The applicant should follow the terms and conditions laid down by DUSIB, in respect of possession and retention of housing. In case the terms and conditions of the relocation scheme, as laid down by DUSIB are violated, the applicant shall be liable for refund of the subsidy.
- The beneficiary applying under this scheme should not have obtained subsidy against beneficiary contribution under any other scheme.
- Other eligibility conditions relating to income criteria, residence requirement etc. shall be the same as for the original relocation scheme of DUSIB.

## **PROCEDURE**

1. The disbursement of the subsidy amount shall be made by DSUIB. For obtaining funds, DSUIB shall, in the beginning of each financial year, calculate the requirement of funds for this scheme. For the preliminary estimates, the number of SC beneficiaries may be taken as 25% of the total households proposed to be relocated. However, if the proportion is found to be significantly different on basis of field data, the percentage may be fixed in consultation with the Department for welfare of SC/ST/OBC and Minorities. On basis of projected fund requirements, demand may be placed for allocation of funds. Funds shall be sanctioned and placed at disposal of DSUIB, initially to the extent of 80% of projected requirement.
2. The number and details of SC slum residents shall be ascertained at time of survey made for enumerating the eligible population for relocation. If the list is not made at time of initial survey for some reason, it should be done afterwards as soon as practical. Application forms for subsidy, as prescribed by the Department of Welfare of SC/ST/OBC and Minorities shall be distributed to all beneficiaries by DUSIB, which should also make adequate publicity of the scheme. The forms shall also be made available at the websites of the department and DUSIB. The beneficiaries should be allowed adequate time for application.
3. Filled up forms shall be submitted to the DUSIB by the beneficiary. DUSIB shall verify all the details, especially the genuineness of the caste certificate, if necessary by making back reference to the issuing authority. Thereafter, the subsidy amount shall be adjusted against the beneficiary's contribution.
4. DUSIB shall furnish quarterly progress reports which should include the list of persons provided subsidy. A consolidated list should also be furnished along with the Utilization Certificate.
5. The list of beneficiaries detailing the names, original address, relocation address and the amount of subsidy will also be furnished to the department monthly. Such list shall be publicized on the website of DUSIB and the Department.
6. Further guidelines for smooth operation of the scheme may be issued from time to time after obtaining approval of Competent Authority.

During FY 2011-12, ₹ 18 crore was released to DUSIB. Utilization certificate is yet to be received.

### **4.20 Implementation of Prohibition of Employment as Manual Scavengers and their Rehabilitation Act, 2013**

Plan Outlay 2016-17 : ₹ 1000 Lakh

**Introduction:** Implementation of Prohibition of Employment of Manual Scavengers and their Rehabilitation Act, 2013 (MS Act,2013) has come into force w.e.f. 6.12.2013 in the whole country except Jammu & Kashmir. Government of NCT of Delhi has declared the department for the Welfare of SC/ST/OBC/Min. as a Nodal

Department for Implementation of said Act in Delhi as per the guidelines of the Ministry of Social Justice & Empowerment. The definitions of Manual Scavenger as well as insanitary latrines as envisaged in the Act are re-produced as under:-

- i. 'Insanitary latrines' means a latrine which requires human excreta to be cleaned or otherwise handled manually, either situ, or in an open drain or pit into which the excreta is discharged or flushed out before the excreta fully decomposed.
- ii. 'Manual Scavenger' means a person engaged or employ at the commencement of this Act or any time thereafter by an individual or a local authority or an agency or a contractor, for manually cleaning, caring, disposing of, or otherwise handling in any manners, human excreta or insanitary latrines or in an open drain or pit into which the human excreta from which the insanitary latrines is disposed off.

**Methodology of the Scheme:** - As per Section 4 of the Act, the Local Authorities have to carry out the survey of insanitary latrines existing within their jurisdiction. The Local Authorities i.e. all three DMCs as well as New Delhi Municipal Council (NDMC) have conducted a survey of insanitary latrines in their jurisdiction and reported the insanitary latrines as per details as under :-

i)	North Delhi Municipal Corporation	9568
ii)	South Delhi Municipal Corporation	5957
iii)	East Delhi Municipal Corporation	11117
iv)	New Delhi Municipal Council	NIL
	<b>Total</b>	<b>26,642</b>

The latest status of the Insanitary Latrines as on 30<sup>th</sup> April, 2016 as informed by the DMCs are as under-

MCD	No. Insanitary Latrines located	No. of Notices issued	Latrines demolished/ converted in to sanitary latrines	No. of insanitary latrines at present
East DMC	11117	11117	8674	2443
North DMC	9568	9568	8951	617
South DMC	5957	5957	4961	996

Further, as per section 11 of the Act, the Local Authorities are also supposed to carry out survey of Manual Scavengers in their jurisdiction; however, no manual scavengers have been reported by Local Bodies.

Section 7 of the Act prohibits any person for hazardous cleaning of a sewer / septic tanks.

Actually, the implementation of the Act, is to be made by Local Authorities as well as Revenue Department. The Department for the Welfare of SC/ST/OBC/Min. is

responsible only to monitor the implementation of the Act by the above said authorities/department.

To sum up, as per Act, the State Government can provide the Financial Assistance on the following components:-

- To make budget provision for construction of Sanitary Community Latrines in the areas where insanitary latrines have been found (Section 4(1) (c) of the Act).
- State Government may give assistance for conversion of insanitary latrines into sanitary latrines to occupiers from such categories of persons and on such scale, as it may be by notification (Section 5(2) of the Act).
- To make budget provision for construction of Sanitary Community Latrines to eliminate the practice of open defecation (Section 4(2) of the Act).
- To make budget provision for rehabilitation of identified Manual Scavengers (Section 13 of the Act).
- To provide financial assistance, incentives and otherwise the use of modern technology for cleaning sewers etc. (Section 33(2) of the Act).

Since, Department for the Welfare of SC/ST/OBC/Min. is the Nodal Department for the implementation of the Act, it is, therefore, proposed that to meet out the expenditure on the above said components as well as other related work, budget provision for the above said purpose is made. A provision of ₹ 10.00 Crore is kept for Annual Plan 2016-17 under this Scheme for the above said purposes.

#### **4.30 Special Central Assistance (SCA) to Scheduled Caste Sub Plan (CSS)**

Plan Outlay 2016-17 : ₹ 50 Lakh

The fundamental objectives and the basic operative principles of the Special Central Assistance Scheme are (a) economic development of the SC target groups by way of employment or self-employment (b) special emphasis on training and skill development with forward linkages for employment and occupational diversification

It has been the endeavor of the Ministry of Social Justice & Empowerment to serve the larger cause of the target group by guiding the State Governments in directing their efforts and initiatives from time to time. As a further initiative, the Ministry has decided to draw a new road map for the empowerment of the SC target groups in tune with the opportunities offered by the modern era of globalization and liberalization. In this exercise the most important component is quality and excellence, both in professional education and training which have a direct linkage with high end employment.

The need of the hour is to promote sunrise sectors through the Special Central Assistance mechanism without leaving any scope or possibility for dilution of the qualitative excellence of the new programmes. While doing so the emphasis would rest on choosing the best out of the available market by diligent observance of norms of propriety and transparency. It is thus felt necessary to include capacity building programmes matching the new sunrise high-end sectors within the existing format of the scheme of Special Central Assistance.

An amount of Rs.53.27 lakh was sanctioned and released to DSFDC under SCA to SCP during financial year 2012-13, the DSFDC has utilized a sum of Rs.3.70 lakh for the purpose during 2015-16. ### LABOUR & LABOUR WELFARE

The Labour Department implements Labour legislations with the aim of providing not only mandatory benefits like minimum wages, overtime, bonus, compensation to the workers but also ensure their health and safety and sound security during the course of employment. The Govt. of NCT of Delhi has notified the Delhi Building and Other Construction Workers (Regulation of Employment and Conditions of Service) Rules, 2002 as per which every employer is required to pay the Cess @ 1 % of the cost of construction to the Delhi Building & Other Construction Workers Welfare Board for the welfare of labourers. The Board has collected more than ₹ 1600 crore through Cess . A new scheme “Strengthening of District HQ” has been included in Annual Plan 2016-17. Under the scheme, Labour Deptt. has proposed to create two new district co-terminus with Revenue Department.

There are 19 Industrial Training Institutes and 63 privately managed Industrial Training Centres imparting training in engineering and non-engineering trades. ITI Mangolpuri is as start functioning. The Craftsmen & Apprenticeship Training programmes mainly for skill up-gradation programmes of the students in ITIs/BTCs, introduction of new trades having employment potential as per industry requirement, modernization of machinery, equipments, tools etc. In the XII Five Year Plan, Skill Upgradation has been envisaged as one of the major programme under Delhi Skill Development Mission.

Govt. aims to train 50,000 students during 2016-17. Therefore, on the pattern of GOI’s Skill Development Initiative Scheme, Delhi Govt. has formulated its own scheme namely “Delhi Smart Career Scheme”. The World Class Skill Development Centre is being set up at Jonapur in collaboration with Institute of Technical Education, Singapore which has started functioning at its temporary campus at ITI Vivek Vihar.

### LABOUR DEPARTMENT

#### I. Rescue, Repatriation and Rehabilitation of Child Labour

Annual Plan Outlay 2016-17 : ₹ 40 Lakh

Issue of child labour is of National importance. Elimination of child labour is of great concern and commitment of the Government. National Policy on Children Resolution adopted in August, 1974 developed the ideas of protection of children. It set out a policy framework for providing free and compulsory education to children up to the age of 14 years as also measures for protecting children against neglect, cruelty and exploitation. This has now been converted into a right with the introduction of the Act on Right to Education.

The Government of India had conceptualized the National Child Labour Policy and approved in the Cabinet on 14th August 1987. The Policy was formulated with the basic objective of suitably rehabilitating the children withdrawn from employment thereby reducing the incidence of child labour in areas of known concentration of child labour. The policy consists of three main ingredients:-

**Legal Action Plan** – With emphasis laid on strict and effective enforcement of legal provisions relating to child labour under various labour laws;

**Focusing of General Development Programmes** – Utilization of various ongoing development programmes of other Ministries/ Departments for the benefit of child labour, wherever possible;

**Project Based Plan of Action** – Launching of projects for the welfare of working children in areas of high concentration of child labour.

From April 2015 to January 2016, 667 child labour were rescued.

### **Activities proposed under the scheme**

- 1) A survey of child labour would be done on an annual basis for estimation of the number of child labour in Delhi. Funds have to be provided to get the survey done through professional agencies. The Hon'ble High Court of Delhi in Save the Childhood Foundation V/s. Government of Delhi and others (2069/2005 Criminal) has also directed that community workers be assigned the task of conducting surveillance for identification of child labour.
- 2) Identification and rescue of children working in occupations and processes prohibited in schedule appended to the Child Labour (Prohibition and Regulation) Act, 1986 and initiation of legal action including the recovery of rehabilitation amount from the employer and contribution by the Government;
- 3) Repatriation of children belonging to other States to their respective State, in collaboration with the respective State Government through the Resident Commissioner, after the directions of Child Welfare Committee. Children whose parents / guardians i.e. living in Delhi will be rehabilitated in Delhi through Transition Education Centres (TEC) and Vocational Training Centres. Rehabilitation of destitute children through Residential Bridge Centres (RBC) run under Sarv Siksha Abhiyan by the Education Department or in the Shelter Homes of the Social Welfare Department.
- 4) Convergence and Rehabilitation of children who are Delhi based :
  - State Resource Cell (SRC) to assist the Project Director and State Project Steering Committee (SPSC) to coordinate and monitor all the activities. The said Committee has been constituted and it has been decided to ensure not only the survey of child labour but better coordination with other states. The SRC is to function as the Secretariat for the S.P.S.C.
  - The Delhi Child Labour Rehabilitation cum Welfare Society (DCLRWS) has to work in close collaboration with the Education Department, specifically the UEE Mission, Development Department, Dy.

Commissioner (Revenue) of all the Districts, Medical and Health Department, Social Welfare Department, Department of Information and Public Relations, Police and Trade Unions and Civil Society. Mission Convergence will be requested to share its data of child labour. The Hon'ble High Court has, in its order dated 15.07.2009, in Save the Childhood Foundation V/s. Government of Delhi and other cases, broadly defined the role of various Departments.

- The TECs however would be broadly set up on the lines of TECs of the Government of India with slight modification. The existing TECs have been conceptualized by the Government of India with rural bias. Delhi is a metro Centre and therefore the requirements are proportionately more.

### **The children in TECs would be given the following:-**

- Education which would include books, teaching materials and reading materials.
- Mid-day meal at enhanced rates @ 10/- per day per child, in order to provide nutritious meals;
- Uniform: The existing budget from MCD could be reassigned failing which the expenses would be borne by the DCLRWS;
- Excursions: At least one in every quarter broadly @ ₹ 400/- per year per child;
- Stipend @ ₹ 500/- per child out of which ₹ 150/- would be paid by the Central Government rest by the DCLRWS.
- Children of the age group of 5 to 8 years would be enrolled in the Sarva Shiksha Abhiyan School, if functional. Otherwise they would be part of TECs. Children beyond the age of 8 years and below 14 years would be part of TECs.
- Vocational training would be explored for children, who reached the age of 14 years and have completed their courses in TECs. The children in Vocational Training Centre would be given a kit in trades like carpentry, masonry, electrician etc., on completion to the training if they want to be employed.
- The stipend granted will continue for even when the child is admitted into a regular school, subject to the child putting 70% attendance (on a monthly basis). The stipend would be paid even if the attendance is less than 70% provided the child was hospitalized. This stipend would continue till the child completes his/her education upto 8<sup>th</sup> standard and would continue for a vocational course also.
- The rescued child labour and their families in Delhi would be extended the benefit of all social security and similar schemes of the Government of Delhi. They would be deemed to be BPL for the purpose of Rashtiya Swasthaya Bima Yojana. The initial premium of ₹30/- would be paid by the DCLRWS.

5) **Destitute Children**

Destitute children will be provided comprehensive care in the shelter homes run by WCD. However, they would be paid stipend and would be given same additional benefits as may be determined in consultation with WCD. It is proposed to extend the benefits of TECs and VTC to children in the age group of 14+ to 18. The Govt. of India is considering enhancing the age defined in various laws, for 14+ to 18. Stipend/scholarship for children in the age group of 14+ is proposed to be ₹1000/- a month.

6) **Other activities :**

Apart from direct rehabilitation of working children, it is also necessary to prevent fresh entry of children to work by awakening the community consciousness of the public against the evils of child labour. In order to achieve this objective, continuous and sustained awareness generation programmes will have to be carried out on regular basis. In addition to the awareness generation for the Civil Society, it would be necessary to organize regular training programmes for the members of the Task Force. Some general programme would be considered for elected representatives and others to sensitise them to the issue. Training would be done in-house i.e. organized by the Labour Department either on its own or in collaboration with UTCS, V V Giri National Labour Institute or other organizations. The officers may be sponsored to attend training programmes conducted by eminent Training Institutions, both at the national level and at the international level.

7) **Delhi Academy For Human Resource Studies** is proposed to be set up at the Girinagar Centre and/or at Vikas Bhawan II. The objective of the Academy is to equip all the stakeholders with knowledge of the subject so that industrial peace is maintained, human resources are nurtured and economy growth takes place so that the fruits of growth can be shared equitably. Academic courses in HR such as Diplomas in Child Labour, Occupational Safety and Health, Labour Welfare, etc. will be introduced. The Delhi Academy for HR Studies would impart training in HR matters and labour laws to the officers of the Delhi Government. The scope would be expanded to Managements, Workers and Trade Unions. Initially, programme will be organized on a monthly basis. Later, Seminars, Workshops and Conferences would also be organized. Research would be an integral part of the Academy. This could be done in-house or assigned to expert bodies. It would not be out of place to mention that a number of States already have their own Training Institutes. Some of them are – Kerala, Maharashtra, Gujarat, Odisha, etc. The Labour Welfare Centres will be renovated and new offices may be constructed, wherever necessary.

## **II. Dilli Swavlamban Yojna**

Annual Plan Outlay 2016-17: ₹ 160 Lakh

The Govt. of India has formulated "The Unorganized Workers Social Security Act 2008" for providing various Social welfare security benefits to the workers engaged in unorganized sector. In this context, Govt. of Delhi has launched "Dilli Swavalamban Yojana (DSY)" in September, 2013 to provide pensionary benefits to the workers of un-organized sectors which includes domestic workers, street vendors, auto and taxi drivers, anganwadi workers and helpers, ASHA workers and helpers, rickshaw pullers, hawkers, rag pickers, BPL workers. Persons who are not member of ESI, PF etc, falling under above mentioned categories and between the age group of 18 to 60 years are eligible to become member of the scheme. The beneficiary must be a resident of Delhi for last 3 years at the time of enrolment for getting the benefit under DSY. Under the scheme, the beneficiary is required to contribute minimum amount of ₹ 1000/- subject to maximum of ₹ 12000/- per annum during the financial year. Central Government contributes @ ₹ 1000 per person per annum for 04 years and GNCT of Delhi will contribute ₹ 1000 per person per annum for 25 years or till the person reaches the age of 60 years, whichever is earlier. In this scheme, Permanent Retirement Account Number (PRAN) in respect of each beneficiary is opened by empanelled aggregator registered with Pension Fund Regulatory Development Authority (PFRDA) and all three contributions are credited to the PRAN account of the beneficiary which eventually shall have Aadhar details of the beneficiary. The beneficiary can withdraw 60% amount from PRAN account on attaining the age of retirement i.e. 60 years and balance 40% amount shall be annuitized to invest with Annuity Service Provider (ASP) empanelled with Pension Fund Regulatory Development Authority from which the beneficiary shall draw his fixed monthly pension. During 2013-14, 5693 beneficiaries enrolled and the enrolment has increased to 9854 during 2014-15. Deptt anticipate participation of 20000 workers during 2016-17 under the scheme.

## **III. Delhi Unorganized Workers Social Security Scheme**

Annual Plan Outlay 2016-17: ₹ 100 Lakh

Workers of unorganized sector do not get any social security despite the fact they constitute 90% of the total workforce. Workers employed in unorganized sectors shall be registered under the unorganized worker Social Security Act 2008. Registration of workers shall be undertaken by district administration through setting up of workers facilitation centers all over Delhi. These facilitation centres shall carry out registration, information, dissemination, guiding workers for claiming various benefits and providing one window service to them. As per census figure of 2011 in respect of Delhi, the main working population shown is 53,07,329. In the 1<sup>st</sup> phase 1 lakh workers are targeted to be registered for which workers facilitation centre are needed to be set up under the scheme. During 2016-17, Deptt has propose to issue smart card to about one lakh workers under unorganized sector and planning schemes for social securities, health, education, maternity benefit and skill upgradation.

The Govt. has also launched Shramik Vikas Mission under which besides ensuring payment of notified minimum wages, better welfare facilities will be provide to the construction workers and their families who are one of the most vulnerable sections of the workers in the unorganized sectors. A new toll free help line no. 155214 has also been launched for the workers to approach the Labour Department for redressal of their complaints/ grievances.

#### **IV. Strengthening of District Head Quarters**

Annual Plan Outlay 2016-17: ₹ 30 Lakh

The Cabinet, GNCTD vide decision no. 2328 dated 06-04-2016 has approved the proposal of the Labour Department for (i) creation of 02 more districts making total 11 Labour Districts in consonance of Revenue Districts (ii) creation of infrastructure and creation & filling up of the post.

### **DIRECTORATE OF TRAINING & TECHNICAL EDUCATION** **(Craftsmen & Apprenticeship Training)**

#### **1. Modernization and Restructuring of ITI's / BTCs.**

Annual Plan Outlay 2016-17 : ₹1500Lakhs (Capital)

There are lot of machinery consisting of lathes, milling machines, shapers, slotters, electric generators, motors etc. besides light to heavy tools which have outlived their normal life and needs replacement. Consequent upon the revision of syllabus by Govt. of India from time to time, tools and equipments those are obsolete, unserviceable or deficient in training are required to be replaced /procured as and when required.

The objective of this scheme is thus:

- i) To remove the obsolescence.
- ii) To provide I.T.Is Tools, Machinery & Equipments to the existing as well as new ITIs i.e. ITI Mangolpuri & ITI Nand Nagri (Women)
- iii) To replace the unserviceable Tools, Machineries & Equipment.

Besides above a large no. of machinery & equipments are lying unutilized due to lack of routine maintenance and repairs. To avoid any unnecessary breakdown/idling of machines & equipments, wherever possible each institute shall enter into Annual Maintenance Contract (AMC) preferably with the manufacturers or their authorized dealers.

To strengthen and improve the overall functioning of ITIs/ BTCs, It is proposed to provide sufficient number of computers, printers and Internet facility in each Institute.

#### **2. Diversification & introduction of new courses in emerging skills/disciplines for improving quality of training.**

Annual Plan Outlay 2016-17 ₹ 760 Lakhs

As per the industry requirement, change in modern technology, the Industrial Training Institutes are required to adopt the systematic automation using the latest machinery & equipments. Conventional systems of production using only skilled labour is losing its relevance due to high labour & production cost and stiff competition from the manufacturers. Thus there is the need to diversify and introduce new courses and to hone modern skills as a part of the industry requirement.

As a result, the Institutes are required to add new emerging discipline, to introduce new trades, as well as to replace the obsolete trades with other trades in the existing ITIs and also in the new ITIs i.e. ITI Mangolpuri & ITI Nand Nagri (Women), Minority etc. considering the employment potential and market demand.

**Targets:**

- More new trades are to be introduced. Up gradation of Commercial & Secretarial Institute (CSI) now known as Institute of Basic Business Studies (IBBS) presently running at BTC Pusa. The institute is imparting certificate level training in Book-Keeping & Accountancy, Salesmanship & Marketing and Store Keeping and Purchasing.
- An independent building is needed for ITIs all round development. Teaching Posts are to be created for the various programmes. The courses will be affiliated to Board of Technical Education under SCVT Programme. The courses will be employment oriented as well as having scope for further studies in management stream.

**3. Expansion of Short-Term and Part-Time Courses for Self Employment in the Various Industrial Training Institutes.**

Annual Plan Outlay 2016-17 : ₹ 10 Lakhs

Most of the courses/trades running in the Industrial Training Institute, at present, are having duration extending from six months to three years with eligibility educational qualification 8th, 10th and 12th passed. It has, however, been felt that due to hard economic conditions, some students do not join these courses, as they cannot afford to wait for a period of one/two/three years, due to their family conditions. Marginal farmers and landless labourers families who are also occupied in farm activities are also not willing to attend long duration courses. Short duration courses to make them capable of self-employment have, therefore, been introduced in the ITIs during morning/evening hours. The short duration courses on Part-time basis are in the disciplines of Electrical household Appliances Mechanic, Welding, Repairs and Maintenance of Fridges, T.V. Mechanic, Tailoring, Embroidery, Bakery. It is proposed to extend these courses to all the ITIs. New course shall be introduced like: AUTO CAD 2010 & latest version-Lathe Machine Operator, Milling Machine Operator, Grinding Machine Operator, CNC Lathe Machine Operator, CNC Milling Machine Operator, Wheel Balancing /Wheel

Alignment, Industrial Piping, Oxy-Acetylene Gas Welding, Electric Arc Welding, TIG & MIG Welding, Spot Welding, Plasma Arc metal cutting etc. in the existing/new ITIs.

#### **4. Welfare Programme for SC/ST Student- SCSP**

Annual Plan Outlay 2016-17 : ₹ 40 Lakhs

There are two components under the scheme, which are as under:

To impart training to SC / STs. As per the existing facilities the trainees are given stipend @ 230.00 per month. Tool kit costing 800.00 is provided to all the passed out trainees by the Directorate for the welfare of SC/ST. It is proposed to open such self-employment oriented new courses in more number of ITIs so that SC/ST could be benefited. Short term training courses of 3 months duration are introduced in the trade of Plumbing, scooter mechanic, gas welding etc. in ITI Nand Nagri, Jahangirpuri, and Khichripur.

Coaching-Cum-Guidance facilities are provided to SC/ST Students. Some more Coaching- cum-Guidance centers will be opened for SC/ST candidates registered with the Employment Exchanges which may enable them to increase their representation in public services and promote their employability. It was thus decided to conduct regular training in typing and stenography including General Knowledge and English for these candidates and to provide them guidance for career planning and confidence building by arranging special lectures. The training is now being imparted under SCVT for twelve months duration for full day. Two batches are running concurrently with an intake capacity of 20 students each.

Other Provisions of the Schemes: i) The Training is free of cost, ii) Stipend @ 75/- per month per trainee is paid, iii) Free stationery is provided to the trainees, iv) Vocational guidance is provided to the trainees by arranging special lectures.

#### **5. Setting up of New ITI's and Renovation of ITI's**

Annual Plan Outlay 2016-17 ₹ 6500 Lakhs

The buildings of six, out of the sixteen I.T.Is., were constructed before 30 to 45 years and need improvements, additions and alterations to cope up with the expansion and modernization programme being undertaken as a part of the Craftsman Training Scheme. Environment improvement is also required to be given attention for the campus of these old ITIs so as to provide a congenial atmosphere for training of trainees of the ITIs. Landscaping and horticulture work also to be carried.

The existing workshops blocks and administrative block of ITI Shahdara are in dilapidated conditions. It is proposed to construct new building of the ITI Shahdara. The buildings of ITIs Mori gate (Women) and Tilak Nagar (Women) are made up of asbestos sheets roofs in the year 1950 for rehabilitation of refugees after partition. The department is in process of reconstruction of the old building in four storied new building. The present workshops at ITI Pusa, Jahangir Puri having

asbestos sheets roof would be converted into multistoried building having RCC workshop on ground floor and other light engineering trades on upper floors. This will also enable the department to increase the seating capacity for utilization of land available. Besides, renovation of the old staff quarters of department, residential campuses and Labs/Workshops of ITI buildings also require continuous maintenance and renovations.

The settings up of ITIs at Ranhola village, Chhattarpur Village, & Bakkarwala Village are under process.

The Government of NCT of Delhi decided to set up a **World Class Skill Development Centre** at Jonapur, Delhi in collaboration with Institute of Technical Education, Singapore. The project was approved by Delhi Cabinet and MoU has already been signed with ITE, Singapore on 11th July 2012. The project, on completion will train around 5,000 trainees per annum. The construction of World Class Skills Centre at Jonapur will be executed by PWD.

The main aim of setting up World Class Skill Centre:

- To enhance the training skills of aspirants in Delhi and create skilled manpower as per the requirement of Indian and global industries.
- To enhance the training standards and upgrade the skill of the trainees.
- To cater the need of the population of Delhi as well as rest of the country.
- To change the mindset among the aspirants and to provide a methodological approach towards vocational training in Delhi.

## 6. World Class Skills Development Centre

Annual Plan Outlay 2016-17 : ₹ 300Lakhs

The Government of NCT of Delhi decided to set up a world class skill development centre at Jonapur, Delhi in collaboration with Institute of Technical Education, Singapore. The project was approved by Delhi Cabinet and MoU has already been signed with ITE, Singapore on 11th July 2012. The project, on completion will train around 5,000 trainees per annum. The Center has started functioning from its temporary campus at ITI Vivek Vihar in two sectors i.e. Hospitality operations and Retail Services with intake of 160 students in each trade. Two more courses i.e. Information Technology & Account Banking Finance Sector have been added with 40 intake in each trade from Academic Session 2015-16.

## 7. Entrepreneurship development and interfacing with industries

Annual Plan Outlay 2016-17 ₹ 2 Lakhs.

Despite all out efforts of modernization, the quality and relevance of training programs has not kept pace with industrial development taking place in the Country and the World, with the result that the students coming out of our Institutes are not able to meet the standards of the Industry. To develop the skill in the institutes as per the requirement of the industry, it is necessary to interact with the

industries for up-gradation of the training techniques and machineries etc. to reduce skill gaps.

Industry Institute interaction activity is one of the thrust areas identified in National Education Policy. There are sufficient component which needs to be stepped up for the appropriate growth of the skilled workers programme. This activity is thus proposed to be given a boost in the 12th Five Year Plan period. It is proposed to take up the following activities:

- Conduct of Guest Lectures by inviting professionals from Industry on specialized topics.
- Visit of the students to the industry for training on specialized and sophisticated Machinery & techniques.
- Deputation of faculty to various Teaching Development Programme.
- Collaborative agreements at unit level could also be drawn and finalized at Institute's level.
- Signing the MoA/MoU with the industries for cooperation in imparting the training to trainees as per the global requirement.

All the expenses on payment of Guest Lecturers, conveyance and remuneration to them and conveyance paid to the staff and students for visit to industrial establishments etc will be met under the scheme.

#### **8. Awards for Trainers of ITIs.**

Annual Plan Outlay 2016-17 ₹ 2 Lakhs

There is about 750 instructional staff in 81 disciplines/trades, which includes Crafts Instructors, Group Instructors besides other supporting staff. Government is to reward the best employees as at present there are no motivating factors for those who maintain best standards.

So further motivate the trainer and effective use of machineries and equipments for the training there is a need to identify best trainer and suitably awarding him so as to not only create awareness but also motivate fellow trainers.

#### **9. Takniki Shiksha Sansthan Kalyan Samiti (TASSKS).**

Annual Plan Outlay 2016-17 ₹10Lakhs

A committee in all institutes has been constituted through participation from local industrialist, Principal, student, senior staff, and other personalities to look after the day to day work of the respective institutes such as: Minor repair of Building and electrical work of the institutes, Maintenance of Equipment, tools, machineries, Purchase of raw material required urgently, Repair of signage boards, replacement of window panes, repair of furniture viz. dual desks, chairs, tables etc. It is proposed to provide ` 2 Lakhs (ceiling) per institute / ITI for this purpose.

## **10. Technical Education Community Outreach Scheme (TECOS)**

Annual Plan Outlay 2016-17 ₹ 50Lakhs

Approximately 200 courses are run in participation with NGO in the field of basic needs of the community and funds are given to NGOs for each course for 50 students (2 batches of 25 students per batch). Each course is of 3 months duration. Some of the areas are as under, as on date:

1. Computer fundamental, M.S Office, Internet and soft skill
2. Tailor ladies
3. Make up artist
4. Basic sewing operator

- 7.

## **11. World Bank Assisted Vocational Training Improvement Project (VTIP)**

Annual Plan Outlay 2016-17 : ₹ 60Lakhs – State Share  
₹ 6Lakhs – State Share (SCSP)  
₹ 185Lakhs – Centre Share (CSS)  
₹ 15Lakhs – CSS (SCSP)

The objective of the scheme is to upgrade selected ITIs under a Centrally Sponsored project, entitled Vocational Training Improvement Project with financial assistance from the International Development Association within the World Bank through DGE&T, Ministry of Labour, by introducing new multi-skilling modular courses, improving physical infrastructure facilities, adopting new training methodology with close involvement of industry and other stakeholders; and, empowering ITIs by providing adequate managerial, administrative and financial autonomy, building up partnership with the nearby industries and setting up of Institute Management Committees.

Four ITIs had been upgraded into Centre of Excellence in different Sectors under Domestic Funding of DGE&T Ministry of Labour, Government of India. These are ITI Pusa (Automobile Sector), ITI Arab-Ki-Sarai (Production and manufacturing Sector), Sir CV Raman ITI (Electrical Sector) and ITI Jail Road (Information Technology Sector).

ITI Pusa was upgraded with domestic funding of DGE&T, Ministry of Labour and other three ITI have been upgraded with World Bank Assistance released through Ministry of Labour. The funding pattern as per the existing scheme is 75% of the total expenditure would be reimbursed by DGE&T, under World Bank Project. DGE&T so far has released Central assistance to tune of ₹ 579.40 Lakhs for three ITIs & SPIU. The scheme was formulated by Govt. of India for 5 years, so only matching share of unspent balance will be required.

## **12. GIA to Delhi Skills Mission Society (DSMS)**

Annual Plan Outlay 2016-17 ₹ 10 Lakhs

"Delhi Skills Mission Society" (DSMS) under the Chairpersonship of Hon'ble Chief Minister has been set up as a part of National Skill Development Programme. State level Skill Development Mission is to provide inter-sectoral co-ordination at the State level. The aim of the "Delhi Skills Mission Society" is to contribute to Delhi's development and to contribute to Delhi's inclusive economic growth through skill up-gradation in the areas having high market demand thereby contributing and generating self-employment. The Delhi Skills Mission will also ensure time-bound training to the targeted number of high quality skilled personnel, across the strata of society and among the disadvantaged sections. The mission is to provide skill development training to the Students passing out from schools, Unemployed youth and school drop-outs, Informal sector workers.

In order to achieve the vision envisaged in the preamble the Delhi Skills Mission will have the following objectives:

- To generate marketable skills and to enable 25% of the needy population to become skilled in three years and to have 50 % of the needy population skill empowered in five years. Other objectives are:
- To upgrade the existing Industrial Training Institutes into Centers of Excellence by suitably upgrading the infrastructure facilities, revamping obsolete programmes and introducing new programmes of relevance and demand.
- To encourage establishment of new Industrial Training Institutes as fully autonomous entities - having administrative, financial and academic autonomy.
- To encourage private participants to establish skill and vocational training centers, so as to train larger numbers of needy youth.
- To develop skills training providers to conduct programmes under multiple modes like, modular employable Skills programme, entrepreneurial skill programmes, etc.
- To support institutions and organizations both in the Government and Private sectors, to conduct Modular Employable Skills training programmes. To encourage all concerned entities to train the youth towards Self Employment and Entrepreneurship skills, with emphasis on bankable skills and to encourage formation of Self help Groups/Multipurpose Job Clubs; to provide necessary subsidies to the trainees, where there is a viability gap in the funding available to self-help groups of trainees.
- To bring all the Government initiatives related to vocational/skill development training programmes and related activities under the common umbrella of the Skills Mission, like the initiatives of the Departments of Training and Technical Education, Social welfare, Industries, Labour, SC/ST/OBC/ Minority Welfare and other vocational training providers (Private Initiatives), so as to achieve a coordinated target within a specified timeframe and to support /supplement / subsidize such initiatives.
- To establish linkages with evaluating/certifying agencies (Third party) like NCVT, SCVT, BTE and international certifying agencies, like City & Guilds to ensure quality and uniformity in certification

so as to make the certified candidates acceptable for wage employment nationally as well as globally.

- Linking Delhi skill development activities to employment abroad: One of the major drivers behind the Skill Development Mission is the demand supply gap of skilled workers, internationally. It is proposed to develop ITIs to international standards in collaboration with various country partners. Development of these ITIs to international standards would be planned, funded and implemented through the Delhi Skills Mission.

The department had launched a scheme namely "Earn While You Learn" for maintenance of Government buildings by the ITIs of Delhi as a Pilot Project under Delhi Skills Mission Society.

## **Directorate of Employment**

### **1. Establishment of Model Career Centre –CSS**

Annual Plan Outlay 2016-17 : ₹ 50 Lakhs

The Directorate General of Employment and Training (DGE&T), Ministry of Labour and Employment (MoLE) is implementing the National Career Service (NCS) which aims to provide a variety of employment related services. The President of India, in his speech to the Parliament on 09th June, 2014 said "...My government will transform Employment Exchanges into Career Centres- connecting our youth with job opportunities in a transparent and effective manner through the use of technology as well as through counselling and training...". Accordingly, this scheme is focussed on transformation of employment exchanges to Career Centres. It is envisaged to transform all the Employment Exchanges into Career Centres with a phased approach ensuring that standardized set of services are offered all across. Accordingly it is also proposed to implement 50 Model Career Centres by selecting employment exchanges across all the States/UTs. States shall be required to replicate services offered in these model centres to other employment exchanges.

### **Objectives:**

- Career Centres shall connect local youth and other job-seekers with all possible job opportunities in a transparent and effective manner through the use of technology as well as through counseling and training. While the state-of-the-art technology driven National Career Service Portal will, in a sustained manner, provide information about available job opportunities and resources for Career Centres to function effectively, the Career Centres would be the pivotal outreach and counseling interface of the National Career Service for teeming millions of aspiring youth from rural, semi urban areas as well as from disadvantaged sections of the society. These Centres would be staffed by motivated and competent personnel, enabled with necessary tools and infrastructure for:
- Effectively and continuously assessing demand of skills in labour markets, local in other States and abroad;

- Guiding youth visiting the Centres or by outreach to schools/colleges, various training institutions, about the training, on-the-job training, job opportunities, etc., according to their aptitude and potential, and
- Connecting youth and other job seekers with jobs through portal, job fairs and other possible interface with employees such as campus placements.

- To generate data with respect to the type of workers, required by the industries/ employers.
- To provide the electronic information/ SMS/E-mail to job seekers for ready and easy information.
- To contact the corporate/ industrialist, banking, engineering services etc. to have firsthand knowledge about their specific requirement.
- To inform the job seekers about the prevailing minimum wages to save them from exploitation.

## CHAPTER – 8

### SOCIAL WELFARE

In order to have more inclusive growth and development with a human face, Government of Delhi is giving more emphasis on (i) streamlining the delivery mechanism of the existing schemes and programmes (ii) increasing the spectrum of target groups (iii) reorienting the focus of some schemes / activities and (iv) evolving and adopting need felt programmes. Government of Delhi is thus making concerted efforts to ensure that the weaker sections of the society, disadvantaged groups and physically challenged persons get better care and support on one hand and on the other, through another batch of schemes and programmes, the Government would continue to march ahead towards economic empowerment and social security to the aged and other vulnerable groups.

Keeping the above objectives in view and also looking to the needs of giving more focused attention towards women and children, Government of Delhi in November, 2007 decided to have a separate department for Women and Child Development (WCD). The Social Welfare Department (SWD) deals with matters regarding senior citizens and physically challenged persons and other vulnerable groups of our society, with undivided attention.

The Department of Social Welfare aims upliftment and rehabilitation of various socially unprivileged and vulnerable sections of the society such as destitute, persons with special needs, needy Sr. citizens, beggars etc. through implementation of the under mentioned social legislations:-

- a) The Bombay prevention of Begging Act, 1959
- b) The Probation of Offender's Act, 1958
- c) The Persons With Disability (Equal Opportunities, Protection of Rights and free Participation) Act, 1995
- d) The Maintenance and Welfare of Parents and Senior Citizens Act, 2007

In the Budget 2016-17 Hon'ble Deputy Chief Minister has announced that disbursement of all the payments under various social welfare and social security schemes will be through the Aadhar linked Direct Benefit Transfer (DBT) by using Public Finance Management System (PFMS). This will bring transparency and efficiency in utilisation of public money earmarked for all the welfare schemes of the Government and will ensure that the benefit reaches the genuine, eligible and targeted beneficiary.

With the advancement of science and technology, better prospects for the prevention, physical restoration, special education and rehabilitation of the disabled have emerged. The Deptt. of Social Welfare, GNCT of Delhi is running 03 primary schools at Kalkaji, Mayur Vihar and Rohini and 01 Secondary School at Delhi Gate for the Deaf and Dumb. All these 04 schools are also having pre-primary co-educational classes of 04 years duration and are co-educational. Special education is provided to the deaf & dumb students in these schools. The boarding facilities for boys and girls separately are also available at Delhi Gate, New Delhi. The Secondary school known as Govt. Lady Noyce School came into existence in the year 1931 and later on it was taken over by the Department of Social Welfare in the year 1959.

Admission in these schools is open to only those deaf children whose sense of hearing is non-functional for ordinary purposes of life. These children do not hear/understand sound at all. Apart from education, knowledge of craft, tailoring, computer education etc. is also imparted in these schools. Special trained teachers are deployed in these schools besides vocational teachers/instructors. Department provides accommodation free of cost to these deaf and dumb students who reside in hostel and expenditure on food is borne by the students.

The level of the Middle school of Govt. Lady Noyce School was upgraded to secondary school level in the year 1974. The secondary school at GLNS Complex

was affiliated up to XII standard with CBSE in the year 2009-10. The Govt. lady Noyce School for deaf is the only school, which is functioning according to the Central Board of Secondary Education (CBSE) Pattern. Examination is also conducted by CBSE

During the financial year 2015-16, an amount of ₹30.08 lakh has been incurred against RE of ₹30.24 lakh.

### **1.6 Free supply of Text books & Uniform Subsidy to Deaf & Dumb Students**

Plan Outlay 2016-17 : ₹ 14 Lakh

The objective of the scheme is to support the deaf and dumb students financially in schools run by Social Welfare Department by way of providing text books free of cost and uniform subsidy, these school are running at Kalkaji, Mayur Vihar and Rohini (03 primary schools) and 01 secondary school at Delhi Gate. All these schools are also having pre-primary classes of 04 year's duration.

During the financial year 2015-16, an expenditure of ₹11.27 lakh has been incurred against RE of ₹11.27 lakh. ### **1.9 Construction of Half Way / Long Stay Homes**

Plan Outlay 2016-17 : ₹ 200 Lakh(Revenue)

The 'Half Way/Long Stay Homes' project is to provide a facilitating mechanism for rehabilitation of persons whose mental illness is treated and controlled after their discharge from hospitals for mentally challenged .

The aim and objective of the scheme is to provide social integration and socio-economic rehabilitation of mentally improved patients (for 1-2 year stay period for half way home inmates and no period for long stay home).

The need for such Half Way Homes is felt, as the community at large is still hesitant in accepting such persons into its fold. The project is aimed at providing vocational training to such treated and controlled mentally ill persons as well as counseling for them and their families to facilitate reintegration with the family/society. The project is expected to also provide medical advice/treatment relating to their illness so that periodic or occasional psychiatric disturbances can be managed. It is expected that the inmates would be able to get integrated into normal life within a reasonable period of time.

There is a need for separate residential rehabilitation facility for persons with psychological disability due to the following reasons:

- Years of neglect to the person with psychological disability.
- Differential need for such groups.
- Most marginalized, highly disabled and disempowered section of the society.
- Ensuring development of residential rehabilitation facility for psychological disabled people on the lines of homes for destitute, children and women as this is the most marginalized and disabled group.

### **GOALS OF REHABILITATION IN MENTAL HEALTH:**

- Necessary for mentally ill for incorporation back into society
- Ensure smooth transition from acute treatment to rehabilitation back to society

## **CHAPTER - 10**

### **NUTRITION**

Govt. of India adopted the National Policy for Children in 1974 taking into consideration that the country children are its supreme important assets and to nurture them for overall development of children as human resource. The responsibility has been cast on the state as its primary duty to ensure provision of adequate service and equal opportunities, for their full physical and mental development, by orienting its programme for their cause and welfare before and after their birth as per the Constitution of the India, Article 47 which includes raising the level of Nutrition, Health and raising the level of standard of living.

Department of Women & Child development, GOI formulated National Nutrition Policy, which has been adopted by the govt. in 1993. All State Governments have been advised to draw its Nutritional Policy, as there is still very high rate of malnutrition among children and women and programme have to be implemented to provide supplementary nutrition with object of removing deficiencies in the diet of children and women.

The National Policy for Children 2013 also reiterate “Every child has a right to adequate nutrition and to be safeguard against hunger, deprivation and malnutrition. The State commits to securing this right for all children through access, provision and promotion of required services and supports for holistic nurturing, well being with nutritive attainment of all children, keeping in view their individual needs at different stages of life in a life cycle approach”.

WCD Department is implementing the nutritional programme in the nutrition sector through ICDS projects. Integrated Child Development Scheme is a centrally sponsored scheme implemented through State Govt. since October, 1975, aims at holistic development of children (0-6 years) and pregnant and lactating mothers from disadvantaged sections. It provides integrated services comprising supplementary nutrition ,immunization, health checkup, referral services, pre-school non-formal education and health & nutrition education. Over 35 years of its operational, ICDS has been expanded.

**2.** Mid- day Meal programme run by Education Department also forms the part of the Nutrition Sector. Mid-day Meal in schools has had a long history in India. 1990 onwards a number of states had implemented the Mid- day Meal program in their states with the own resource and it was established that school Mid- day Meal assert a positive influence on enrollment and attendance in school.

The Government of India has notified Mid Day Meal Rules, 2015 under the National Food Security Act, 2013 and these rules are effective from September 30, 2015. To facilitate uninterrupted provision of Nutrition to school children with the age 6 to 14 years of age, the school shall be empowered to utilized any fund in the school temporarily for the purpose of continuation of the Mid Day Meal Scheme in the school (Rule 7). Further, Rule 8 emphasizes the quality of food to ensure that the meal meets the nutritional standards and quality prescribed by the MOM Rules. The Food and Drug Administration Department of the State may collect samples

from randomly selected schools to ensure adherence to quality. Rule 9 is about food security allowance to be paid by the State Government, if MOM is not provided in any school for three consecutive days or five days in a month. The State Government shall take action to fix responsibility on the person or agency in accordance with the procedure laid down.

3. Under this programme a nutritional support is provided to children of primary and upper primary section in govt. and govt. aided school with the objective to meet the nutritional deficiency, to prevent children from purchasing unhygienic food from the hawkers during recess time and to reduce the absentee in the classes.

#### 4. **SUPPLEMENTARY NUTRITION [DEPARTMENT OF WOMEN & CHILD DEVELOPMENT]**

### **5. MID DAY MEAL PROGRAMME**

Plan Outlay 2016-17 : ₹ 17600 Lakh  
[₹ 5100 lakh (State Share) + ₹ 12500 lakh (Central Share)]

Mid Day Meal in schools has had a long history in India. In 1925, a Mid Day Meal Programme was introduced for disadvantaged children in Madras Municipal Corporation. By the mid 1980s three States viz. Gujarat, Kerala and Tamil Nadu and the UT of Pondicherry had started a cooked Mid day Meal Programme with their own resources for children studying at the primary stage. By 1990-91 the number of states implementing the mid day meal Programme with their own resources on a universal or a large scale had increased to twelve states. After that 1990 a number of states had implemented the Mid Day Meal Programme in their states.

With a view to enhancing enrollment, retention and attendance and also improving nutritional levels among children, the National Programme of Nutritional Support to Primary Education (NP-NSPE) was launched as a centrally sponsored scheme on 15<sup>th</sup> August 1995, initially in 2408 blocks in the country. By the year 2002 this programme was extended of all blocks of the country and covered not only all

the children of primary classes of Govt., Govt. Aided & local body schools but also children studying in non formal education centre. In October 2007, the scheme has been further extended to cover children in upper primary (classes VI to VIII). From 2008-09 i.e. from 01.04.2008, the programme covers all children studying in Government, Local Body and Govt. aided primary and upper primary schools and non formal education centre across the country.

The scheme was implemented in Delhi in the year 2003 in 410 schools run / aided by MCD. Further the scheme was implemented in primary classes of Sarvodaya schools under Directorate of Education in April, 2004.

The cooked meal is served in all schools of Govt. of Delhi including Aided Schools. The scheme is also implemented for primary schools run by Delhi Municipal Corporations, NDMC and Delhi Cantonment Board. All implementing agencies in Delhi i.e. DOE, Delhi Municipal Corporations, NDMC & DCB are also providing cooked Mid Day Meal in their upper primary classes. Delhi govt. had introduced Mid-day-meal in upper classes from July 2008 onwards in all Govt. schools and school aided by Directorate of Education along with NDMC.

Instead of the practice of centralized implementation (Procurement & Distribution) of the scheme has been decentralized. Now, the preparation and distribution cooked mid day meal is implemented through NGOs who have their own set up of preparation of MDM and its distribution of network.

Up to the year 2009-10 the cost of food grains was paid by MHRD to FCI directly. But, w.e.f. 2010-11 the required funds in this regard has been provided to the State Government to be reimbursed to the FCI according to the lifted quantity of the food grains. There is no share of the State Government in this component (food grains) of the mid day meal.

The rates of Cooking Cost of Mid Day Meal for primary & upper primary classes are as under:-

Year	Primary [Amount in ₹]			Upper Primary [Amount in ₹]		
	Centre Share	State Share	Total	Centre Share	State Share	Total
2010-11	2.02	0.67	2.69	3.02	1.01	4.03
2011-12	2.17	0.72	2.89	3.25	1.08	4.33
2012-13	2.33	0.78	3.11	3.49	1.16	4.65
2013-14	2.51	0.83	3.34	3.75	1.25	5.00
2014-15	2.70	0.90	3.60	4.03	1.35	5.38
2015-16	2.90	0.96	3.86	4.34	1.44	5.78

## CHAPTER-11

### JAIL

The problems associated with Indian prisons are not less grave. Overcrowding, lack of healthcare facilities are causes of concern. There are ten Prisons (nine in Tihar Complex and one District Jail, Rohini) at present which are highly overcrowded. The sanctioned capacity is of 6250 prisoners but about 14,000 prisoners are presently lodged. On an average about 1000-1100 prisoners go to attend various courts everyday. Around 300 to 350 prisoners are admitted and an equal number of prisoners are released daily. It leads to about 1,00,000 - 1,25,000 prisoners visiting the Delhi Prisons yearly.

With a view to reforming the prisoners and enabling them to start a normal and financially rewarding life after release, the prison administration has started several reform and correctional measures. The ten prisons are undertaking various activities including adult education, formal education, games, counseling, law, health, vocational, meditation, reformation, factories production. The prison administration has provided facilities for education of inmates by getting affiliated with the Indira Gandhi National Open University and the National Open School.

As a part of community participation in the reformation and social integration of prisoners after release, a large number of respectable members of non-governmental organizations, retired Major Generals, Professors of I.I.T. Delhi, Eminent Psychiatrists, Psychologists, Principals and Teachers of various educational institutions have been conducting various activities in the jail. These programmes have very sobering and positive impact on the psyche of the prisoners, who have been shown the positive and constructive approach to life after interaction with them. Some of the NGOs have trained selected prisoners on various trades and have been bringing job for them against payment of remuneration. They also rehabilitate these prisoners after their release. It shows that force is always not necessary to control and correct the prison inmates. The manner in which the Tihar administration has taken up the system of rehabilitation, it becomes important for other prisons of the nation to follow suit.

Various trades are taught to convicts in the Jail Factory itself in Jail No. 2. Taking this objective a step forward, there is a Jail Factory with state-of-the-art machinery. A diverse range of products are manufactured in the factory with the use of best quality ingredients. The items are produced in the most hygienic conditions. This gives products a touch of excellence. TJ is a unique brand with a wide range of products which are manufactured by the prison inmates in Tihar Jail Factory. TJ's has a variety of products such as Bakery products, Handloom & Textile, Apparel, Furniture, Pure Mustard Oil, Recycled hand-made paper products, paintings, designer candles & lamps, Jute bags, herbal products and many more.

The space congestion has created unprecedented problems of health, hygiene, sewerage, management control, discipline etc. This has serious adverse effect on human rights of persons. All efforts are, therefore, being to construct new jails. National Human Rights Commission, High Courts and Supreme Court are taking keen interest in decongesting of jails in Delhi. In order to decongest the

existing prisons there is a plan to construct new jails at Mandoli, Narela and Baprola. The Mandoli Jail is likely to be functional in CFY 2016-17.

An outlay of ₹ 72 crore has been proposed for Jail Sector under Annual Plan 2016-17.

Scheme wise proposed plan under Annual Plan 2016-17 is as under:

### 1. Construction of District Jail at Mandoli, Shahdara

Plan Outlay : ₹ 2500 lakh (Capital)

<b>Aims and Objectives of the Scheme</b>	:	To decongest the existing jails and to accommodate more prisoners (3776).

## **ELECTION DEPARTMENT**

Annual Plan Outlay	:	₹2000.00 Lakh
Revenue	:	₹1700.00 lakh
Capital	:	₹300.00 lakh

### **1. Construction and Development of Integrated Complex for housing and distribution of Electronic Voting Machines (EVMs):-**

The objective of this scheme is to bring at a single point the work of Storage and distribution of Electronic Voting Machines (EVMs) and other election material of all the nine districts of NCT of Delhi. Presently, the whole work is scattered in nine districts plus godown at Loni, Ashram and Head Quarter at CEO Office. This result in duplication of security and other efforts at many places and during the conduct of elections, the expenditures run into crore of rupees on erection of Tentage etc. It has therefore become necessary to have a comprehensive system of storage and movement of EVMs with appropriate documentation for better management of the upkeep and security of these machines. At the complex, the arrangement for conducting tests and maintenance of EVMs by the manufacturers will also be made.

### **2. Application of advancements in field of Information Technology in the Electoral Process:-**

This scheme aims to keep watch the pace of the advancements taking place in the field of Information technology, incorporating these developments in electoral process and provide services to the citizens of Delhi equipped with latest technology. All the polling stations of Delhi have been link with Google map. The online SMS facility is being provided to check the status of enrollment of electors. The implementation of this scheme will cover following activities:

- a) Implement the ERMS (Electoral Roll Management Information System) as per the guidelines given by ECI. Further improvement is necessary by upgrading hardware third party software & providing online facility to the public (work related to EPIC and electoral roll up to date).
- b) Preparation of GIS Maps of Parliamentary Constituencies, Assembly Constituencies up to Polling Stations level in accordance with the Notification issued by Delimitation Commission of India in respect of NCT of Delhi.
- c) Setting up of Grievance Monitoring System with minimum human interface by implementing IVRS system, SMS system and accepting grievances through website of the CEO, Delhi.
- d) To digitalize the electoral rolls records of previous years in order to preserve it for issue of certificate of entries in the electoral rolls.
- e) To provide faster internet connectivity to all the VRECs by using MTNL Tri-Band DG Plan/other service provider with the central server of ERMS. Stand-by connectivity or alternative connectivity to be arranged at VREC level to get 100% connectivity to the Central Server. Software of the real time connectivity with ERMS will be of continuous nature (like queries, reports, modules etc. to be incorporated).
- f) To replace equipments timely which have completed their normal life. Annual Maintenance Contact shall be arranged for the equipments.

- g) To hire IT personnel for providing advice to the department on the hardware/software requirements & updating of software for Electoral Roll Management, preparation of EPIC in accordance with the instructions issued by the Commission from time to time.
- h) To maintain and upgrade the website of the department and to create software wherever required.
- i) To introduce web based monitoring of all Government staff deputed to election duty.
- j) To spread online e based facilities (such as enrolment) to reduce delay and multiple human interface and enhance transparency in the process.
- k) Outsource certain election related services and where considered essential, take staff on contractual basis from the open market for conceptualizing and implementing these services.

### **3. To Conduct Voter Education Programme:-**

The objective of this scheme is to motivate the eligible citizens of Delhi to get their names registered in the Electoral Roll of Delhi, to get issued Elector's Photo Identity Cards (EPIC) and use their franchise as duty as well as their right at the time of elections. In NCT of Delhi, it has been observed that the 18-19 age group, women and homeless are significantly under represented in the Photo Electoral Roll and also there are some sections of society who do not respond to the campaigns of election department for enrollment in the Electoral roll and issue of electors Photo Identity Card. Special Camps for women, Youth, Minorities, homeless and marginalized sections of the society have been organized during Special Summary Revision of Electoral Roll. As per direction of Election Commission of India every year round the clock, campaign for registration of electors is being done through Special Summary Revision programme and various SVEEP (Systematic Voters Education and Electoral Participation) activities.

### **4. Setting up and running of Voter Centers (VCs):-**

The objective of this scheme is to provide round the year services to the citizens of Delhi for inclusion of names in the Electoral Rolls and issue of Photo Identity Cards to the electors from a single point i.e. with the establishment of Voter Centers (VCs), one in each of the 70 Assembly Constituencies. But after implementation of delimitation of 70 Assembly Constituencies in 2008, VCs of 15 have been got redundant; therefore, action has been initiated in the year 2010-11 to set up the VCs in 15 Assembly Constituencies. The proposal for setting up of Voters Centres in remaining ACs is being initiated.

Following public related services are being made available to the citizens:

- (1) Inclusion of names in the Electoral Roll through Application Form No. 6
- (2) Objection to the existing entry in the Electoral Roll through Form No. 7
- (3) Modification of the existing incorrect entry in the Electoral Roll through form No.8
- (4) Transposition of entry in the Electoral Roll through Form No. 8A
- (5) Preparation & issue of Photo Identity Cards to the new elector
- (6) Preparation & issue of Duplicate Photo Identity Card to the elector

- (7) Issue of certificate of entry in the Electoral Roll for current year or for the previous year
- (8) Inspection of entries in the Electoral Rolls

Besides above activities, each VCs are also responsible in respect of its area falling in the Assembly Constituency for smooth and successful conduct of election related activities ordered by Election Commission of India from time to time. These centers will also coordinate the interaction with the Booth Level Officers (BLOs) appointed by the EROs for their Assembly Constituency.

## **5. Training Cell in Election Office:-**

Govt. of NCT of Delhi and Election Commission of India has approved the setting up of Voter Centre (VC), one in each of the 70 Assembly Constituencies in NCT of Delhi. Each VC will be manned by 8 officials. These officials and staff of District Election Office, EROs Office and CEOs Office are required to be trained on all the provisions of election process, instructions/guidelines issued by Election Commission of India from time to time. Similarly, at the time of Annual revision exercise of Electoral Rolls of all the 70 Assembly Constituencies in NCT of Delhi ordered by Election Commission of India, more than 10,000 officials are deployed in case of Summary Revision and similar numbers officials are deployed in case of Intensive Revision on diverted capacity to Election Office. These officials are also required to be trained on the guidelines/instructions issued by the Commission for that revision exercise. A Training Cell has been set up at CEO (HQ).

25. Aadhaar Enrolments.

The Revenue Department also proposes to redevelop/ refurbish/ repair/ construct their building(s) keeping with the image of the department and its other offices with best of amenities and facilities. The Department proposes to establish new buildings for each district and sub division. These buildings will be closer to public and easily accessible as well. The Department is also launching web based e-calculator to know quantum of duty to be paid on different instruments.

To prevent fraudulent practices in stamp papers, e-stamping of judicial and non-judicial papers of denomination of '5/- and above has been introduced. Further the Department has also introduced the facility of paying court fees online (for High Court and District Courts) which is the first of its kind initiative in the country.

As a result of active follow-up and close monitoring, almost entire population of Delhi has been covered with Aadhaar. Aadhaar have already been issued to approx. 196.52 lakh persons in Delhi. Delhi is the only state with highest Aadhaar penetration in the country having 110.9% of population with Aadhaar No.

## 2. Citizen Local Area Development (CLAD) – Swaraj Fund {through GIA to DUDA}:-

Annual Plan Outlay	:	₹ 35000.00 lakh
Revenue	:	₹ 490.00 lakh
Capital	:	₹ 34510.00 lakh

A new initiative, namely “**Citizen Local Area Development (CLAD) – Swaraj Fund**” is created enabling the citizens in selection and implementation of programmes prioritized by them for the development of their area. The citizens of respective Assembly Constituencies will decide how this allocated amount is to be utilized in line with their requirements. The citizens will themselves decide the priority of implementation of these developmental works. The scheme also seeks to empower the common citizen to have a greater say in the development and upkeep of their surroundings and in the civic matters pertaining to their localities.

The new scheme was initially proposed in 2015-16 to be implemented in 11 Assembly Constituencies, one in each Revenue District. From 2016-17 onwards, the scheme is to be implemented in all 70 Assembly Constituencies of Delhi. Each Assembly Constituency is to be divided into on an average 40 Mohalla Sabhas. A budget provision of ‘5 crore per AC is proposed in 2016-17. The scheme is to be executed through the suggestions / recommendations of the voters of respective Mohalla Sabhas by prioritizing the works. Citizens will decide their priorities of developmental works by a process of voting carried out in these meetings. The payment towards the developmental works will be made to the contractor upon completion, only after citizens of the area give consent regarding satisfactory quality of the work. The works at the top of the list are to be taken up within the overall limit of fund allocated to Mohalla Sabhas by concerned Revenue District. Apart from this, the Mohalla Sabhas shall also act as Grievances Redressal Mechanism.

This scheme will replace the existing three schemes namely ‘District Development Committee (Minor Works), Bhagidari and My Delhi I Care (Citizen Care for Habitat Fund)’. These three schemes have been merged with CLAD-Swaraj Fund scheme.

The budget provision of this scheme includes two components; one - Participatory Budgeting & Development through Mohalla Sabhas and second – Other Charges for meeting expenses for organizing meetings of Mohalla Sabhas. Accordingly, a budget provision of ₹350 crore has been kept for the aforesaid scheme in Annual Plan 2016-17, as per following bifurcation:-

- (i) ₹345.10 crore for 70 ACs spread over 11 Revenue Districts of Delhi (i.e. ₹4.93 crore per AC) to carry out the capital works under CLAD.
- (ii) ₹4.90 crore for 70 ACs (i.e. ‘7 lakh per AC) to meet expenses for organizing meetings of Mohalla Sabhas for execution of CLAD.

The Government has set-up a new agency called “Delhi Urban Development Agency (DUDA)” in each District, vide Order No. 18B(101)/UD/Plg./DUDA/2015-16/3816-3919 dated 16.7.2015, for execution of developmental work projects as well

as maintenance of public assets. This new agency will execute the works recommended by the citizens under “Swaraj Fund” and works recommended by Hon’ble Members under “MLA Fund”. In addition, this new agency is also proposed to play a vital role in providing basic civic services and their improvement in unauthorized colonies and rural areas. For better administrative control and supervision, Delhi Urban Development Agency (DUDA) in each district will be headed by the District Magistrate and who will be assisted by a team of engineers. It will facilitate in improving the accountability, efficiency and transparency in delivery of public services.

### **3. Disaster Management:-**

Annual Plan Outlay	:	₹ 1300.00 lakh
Revenue	:	₹ 1000.00 lakh
Capital	:	₹ 300.00 lakh

Disasters are the grim reality of human life. The approach to the Disaster Management earlier was search & rescue and relief activities after the incidence of a disaster. This has now changed to preventive disaster management. The preventive disaster management is possible through various activities which result in an aware and prepared community, citizens, government departments, various stakeholders etc. The preventive disaster management results in reducing the impact and losses occurring due to disasters. Awareness, preparedness and capacity building requires a range of activities like organizing awareness programs, workshops, seminars, nukkad nataks, publicity through media, training and mock drills. The purpose of these activities is to have orientation, conditioning of and coordination between the government departments, various stakeholders and the community to enable them to take preventive action as well as to respond quickly and effectively to any situation of disasters.

Disaster Management Act was enacted in the year 2005. Consequently, Delhi Disaster Management Authority (DDMA) was established vide notification dated 19.03.2008 of Hon’ble Lt. Governor of the NCT of Delhi. DDMA functions under the chairpersonship of Hon’ble Lt. Governor of Delhi and Hon’ble Chief Minister of Delhi acts as Co-chairperson.

#### **Key programmes of Delhi Disaster Management Authority (DDMA)**

- a) Institutionalization of disaster risk management system at all levels.
- b) Development of multi-hazard preparedness, response and mitigation plans for disaster risk management at state, district and ward level.
- c) Organization of mock drills to enhance preparedness, coordination and effective response mechanism.
- d) Establishment of appropriate techno-legal regime for multi-hazard safety.
- e) Awareness generation programmes for disaster mitigation and preparedness.
- f) Establishment/strengthening of Emergency Operations Centers at State and District level.
- g) Capacity building of disaster management teams at all levels in the field of first-aid, shelter management, rescue and evacuation, damage assessment etc.

- h) Training of engineers, architects & masons in disaster-resistant technologies.
- i) Knowledge networking on effective approaches, methods and tools in developing and promoting policy frameworks for Disaster Risk Management (DRM).
- j) Training and capacity building of administrative functionaries and other stakeholders in different facets of disaster management.
- k) Inclusion of disaster management in the school curriculum.
- l) Strengthening Public-Private Partnership for awareness generation and disaster preparedness and mitigation planning.
- m) Collaboration with professional bodies and associations for mainstreaming DM.
- n) Promotion of volunteerism for prevention, mitigation and preparedness [Civil Defence, NSS, National Yuva Kendra Sangathan (NYKS) etc.].
- o) To launch a media campaign on the 'Preparedness of Earthquake'.
- p) Any other work relating to the activities of DDMA.

### **Institutional Mechanism and Systems-**

Under the programme the following preparedness / activities are required to be carried out:

#### **(i) Strengthening of Emergency Operation Centers (EOC):**

DDMA has set up a 24x7 disaster helpline (1077) to coordinate disaster response efforts. At present 12 Emergency Operation Centers (11 in Districts & 1 in HQ) are operational in Delhi. One State EOC is functioning at DDMA (HQ) 24 hrs x 7days and 11 EOCs are functioning in 11 Districts of Revenue Department of Govt. of Delhi. The DDMA is working on transforming these EOC's into modern GIS based Emergency Operations Centers. One EOC is also proposed to be established in Delhi Secretariat.

#### **(ii) Establishment of State Disaster Response Force (SDRF):**

The proposal for setting up of State Disaster Response Force (SDRF) on the lines of the National Disaster Response Force (NDRF) is under consideration. For establishing the State Disaster Response Force, as a first setup, the acquisition of land is required. DDMA is working towards development of a modern GIS based Emergency Operation Centre for increased effectiveness in disaster response.

The Ministry of Home affairs vide their letter dated 30.05.2013 has allocated funds to the tune of '5 crore for the creation of "State Disaster Response Funds". This fund will be in the nature of revolving funds which will be at the disposal of State Disaster Management Authority to ensure that different department of the State Govt. and the Districts Authorities take appropriate preparedness measures and provide rehabilitation and reconstruction assistance to the victims of any disaster.

#### **(iii) Disaster Mitigation and Prevention:**

To create "State Disaster Mitigation Fund" and construction of Delhi Institute of Disaster Management (DIDM).

(iv) **Establishment of Community Disaster Management Centers:**

The ever increasing population density of Delhi coupled with congested roads and lanes, pose a great threat to effectiveness of any response. Therefore, community response needs to be strengthened which would empower community for effective response of disasters. Community Disaster Management Centers required to be established in each subdivision of Delhi equipped with basic disaster response and relief equipments.

(v) **Disaster Management (DM) Lanes:**

Specific lanes of arterial roads of Delhi, important from disaster management point of view, are proposed to be notified as Disaster Management (DM) Lanes. The DM lanes will be demarcated and imprinted with specific design for identification purpose. People will be made aware to vacate the DM lanes and give way to Ambulances, Fire Brigades, Police Control Room (PCR) Vans and Vehicles of other emergency response agencies during the crises time.

(vi) **Quick Response Vehicles (QRV):**

Toyota Innova Vehicles fitted with emergency response equipments and designed, fabricated and duly pasted with retro-reflected stickers have been deployed as Quick Response Vehicles in 11 Districts and HQ. More QRVs are proposed to be purchased in near future for an effective emergency response.

(vii) **Quick Response Team (QRT)**

(viii) **Procurement of helicopters**

(ix) **Setting up of DDMA Secretariat**

(x) **Techno- Legal Regime**

(xi) **Modernization of the Disaster Management centers setup by Municipal Corporations of Delhi (MCD), NDMC etc.**

(xii) **Retrofitting of Life line building**

**Disaster Preparedness and Response-**

Under the programme the following preparedness and response activities are required to be carried out:

**Construction of Warehouses:**

Under this activity, 04 State Level Master Warehouses are required to be constructed – one each in East/Trans Yamuna, North West Delhi, near the airport and Okhla / Badarpur area at an estimated construction cost of ₹34 crore for each warehouse. The purpose of these warehouses is to store medicine, major equipments and other materials to be used at the time of major disaster and to provide space for training of the officials of State Disaster Response Force (SDRF) at the time of disaster. The DDMA in collaboration with NDMA and UNICEF is working on the project of establishing master level and district level warehouses in Delhi. As per study done by UNICEF, it is estimated that around 22 acre plot will provide adequate space for a master warehouse with sufficient potential for expansion as required. The plot of land includes provision of minimum 6M setback for fire service and parking lot for 30 to 40 tracks, space for adequate maneuvering space for training

ground and office space. Besides 4 major Warehouses, 33 sub-divisional warehouses are also required to be constructed one in each of the 33 sub-divisions of Delhi to serve the purpose at the time of disaster.

#### **Emergency Flood Response and Rescue Centre:**

To meet the futuristic demand for more boats, divers, safety equipments and need for housing disaster related infrastructure, proposal for renovation and modernization of existing boat club as an Emergency Flood Response and Rescue Centre has been approved by Hon'ble Lt. Governor. Department is in the process of improving its preparedness for an effective and efficient response and to take a number of measures including year round training of personnel for rescue and relief work during floods, sailing and land training, storage & maintenance of large fleet of Boats and trained personnel etc. A Central Flood Control Room has been established in District East on 24x7 basis alongwith deployment of Nodal Officers from all the line departments on rotational arrangement basis.

Also proposal of construction of Disaster Management Training Centre at Rajokri, New Delhi is under progress.

#### **4. Disaster Contingency Plan / Disaster Response Fund:-**

Annual Plan Outlay :	₹ 700.00 lakh
Revenue :	₹ 400.00 lakh
Capital :	₹ 300.00 lakh

Provisions of Disaster Management Act, 2005 stipulates constitution of a National Disaster Response Fund (NDRF) at the National level and constitution of State Disaster Response Fund (SDRF) at the State level respectively. In pursuance of the provisions of the Disaster Management Act, the Govt. of India has notified the constitution of NDRF vide Gazette of India dated 28.9.2010. As provided under the Act, all the State Governments are advised to constitute and notify the constitution of the SDRF. The 14th Finance Commission has made provision of funds for SDRF in its recommendations which has been accepted by the Govt. of India. Keeping in view of the provisions of Disaster Management Act, 2005 and the recommendations of 14th Finance Commission, Govt. of India has framed guidelines for administration of NDRF at National level and for SDRF at the State level vide OM dated 30.7.2015.

As per the guidelines, The SDRF shall be used only for meeting the expenditure for providing immediate relief to the victims of cyclone, drought, earthquake, fire, flood, tsunami, hailstorm, landslide, avalanche, cloud burst, pest attack and frost & cold wave. A State Govt. may use upto 10% of the funds available under SDRF for providing immediate relief to the victims of natural disaster that they consider to be 'disaster' within the local context in the State. Any amount spent by the state for such disasters over and above the ceiling would be borne out of its resources and would be subject to the same accounting norms. Of the total size of SDRF indicated, GOI will contribute 75% for general category States and 90% for special category States of the total yearly allocation in the form of a Non-plan grant. The balance share will be contributed by the State Govt. concerned.

In the Central Govt. Budget 2016-17 under Demand No. 49/ Transfer to Union Territories with Legislature, Govt. of India has made a budget provision of '5 crore as GIA to GNCTD towards contribution to "Disaster Response Fund" under Non-Plan Grant. On the advice of Finance Department, GNCTD a total budget provision of '7 crore has been made in GNCTD State Plan Budget for the FY 2016-17 after opening new budget heads.

#### **5. Grant-in-Aid to Delhi State e-District Implementation Society for e-District Project:-**

Annual Plan Outlay (Rev.) : ₹200.00 lakh

To eliminate possible corruption and delays in issuance of various certificates at the SDM's offices a new "e-District" project has been launched for ensuring delivery of certificates/documents to the public through single window system in time bound manner. The entire process of issuing certificate has been computerized. The system for verification, which has been a major source of corruption, will henceforth be carried through e-systems. In order to make these services user friendly, the department in e-district project is giving options to the public to file documents through system only and they will be informed about the status of the application on daily basis, as well as through SMS alert. The Executive Magistrate will issue the certificate through digital signature. Citizens can take authenticated copies of certificates any number of times.

"e-District" is one of the 31 Mission Mode Projects (MMPs) under the National e-Governance Plan (NeGP), with the Department of Information Technology (DIT), Govt. of India as the Nodal Department, to be implemented by "Delhi State e-District Implementation Society (e-IDS)" over a period of 4 years. This MMP project aims at electronic delivery of identified high volume citizen centric 26 services, which are not part of any other MMP, to citizens at their door steps at district and sub-district level. "e-District" has been envisaged by Govt. of India as automation of workflow and internal processes of district administration processes with the possibility of seamless integration of various services covered under the project like Certificates, Redressal of Right to Information, Ration Card/PDS, Social Welfare Services, Dues & Recoveries, NOC, Marriage Registration and Relief & Rehabilitation. Eleven certificates have been redesigned and Business Process Reengineering (BPR) has been developed. The e-District application will be integrated with the databases of the other line departments to ensure easier and faster validation of citizen information. An Executive Committee has been formed to monitor the performance of the Project.

This project was approved by GOI at a total estimated cost of ₹3152.57 lakh out of which DeitY (Department of Electronics & Information Technology, GOI) share is ₹2364.94 lakh as Grant-in-Aid and ACA (Additional Central Assistance) amount is ₹787.63 lakh from Ministry of Communication & Information Technology, GOI.

However, the total amount proposed by Divisional Commissioner's Office for this project is ₹3259.53 lakh. Therefore the difference amount of ₹106.96 lakh is to be borne by GNCTD. A provision of ₹2 crore has been made in the Annual Plan 2016-17 under plan scheme "GIA to Delhi State e-District Society for e-District

Project". The funds will be released on receipt of ACA installments and corresponding share of differential amount after receiving of ACA.

**6. Renovation / Modernization and Relocation of SR / DC & SDM offices (by Department through DTTDC, I&FC and DSIIIDC):-**

Annual Plan Outlay (Cap.) : ₹3000.00 lakh

The Revenue Department in its endeavor to ensure best kind of administrative practices proposes to have the following activities during the year 2016-17:-

- (i) Redevelopment /Renovation of Buildings /Offices:**The department proposes to establish new buildings for each district and sub division with the best of amenities and facilities. These buildings will be closer to public and easily accessible as well. The quality of amenities and facilities will provide better environment for the public and also enable better service delivery system.
- (ii) Expansion of district offices:** Districts are the executive organs of Revenue Department which have maximum interface with public and perform field functions. Two new districts namely Shahadra and South-East have also been created vide notification dated 11.09.2012. For these two new districts and six sub-division/Tehsils, purchase of the land from DDA and construction of two new districts has been proposed.
- (ii) Independent offices of SDMs:** SDMs are the key functionaries at sub-division level performing multifarious functions including judicial functions with emergent kind of role-set. Over the years, a need has been felt to strengthen the office of this functionary at the sub-division level.
- (iii) Up-gradation of existing SR Offices and creation of more SR Offices:** Office of Sub-Registrar is a very important and prominent office interacting directly with the public for the purpose of registration of various kinds of documents including sale deeds. These offices are also a major revenue earner for the government by collection stamp duty and registration fee. First SR office started in 1860 at Kashmiri Gate in Delhi. At present there are 21 SR offices. In order to meet the requirements, the department plan to establish more SR offices in each sub-division making the total number of 33. All these SR Offices shall be set up with accompanying building (i.e. land and construction), infrastructure and requisite staff. The Department has already upgraded/modernized 16 SR offices as e-SR to give better access of Government services to the citizens. The appointment for registration can now be taken online. Given the changing profile of the city, infrastructural development, creation of more residential and commercial spaces by private organization as well as government agencies, the work related to registration of documents is bound to increase manifold in coming years.
- (v) Decentralization of Nazarat Branch:** At present there is one centralized District Malkhana / Nazarat Branch functioning under the control of Head Quarter of Revenue Department. The decentralization of Malkhana to each district will facilitate the public / police as well as revenue officers / staff. In addition, the

security of these buildings needs to be looked after by the paramilitary organization like CISF, ITBP etc.

## **7. GIA to Mission Convergence (Samajik Suvidha Sangam):-**

Annual Plan Outlay (Rev.) : ₹235.00 lakh

**DIRECTORATE OF CIVIL DEFENCE**

Annual plan outlay : ₹ 20389.00 lakh  
Revenue : ₹ 20134.00 lakh  
Capital : ₹ 255.00 lakh

The Civil Defence in India started in the year 1962 passed through several phases before coming of age in 1985. The Civil Defence is to be organized as an integral part of the Defence of the country with the aims of (a) to save life (b) to

minimize to damage property (c) to maintain continuity of production and (d) to keep up the high morale of public. The Lt. Governor of NCT of Delhi vide notification No. F.No. 1/50/20089/HG-913-23 dated 05.03.2009 separated the Directorate of Civil Defence from Directorate of the Home Guards and placed it under the control of Divisional Commissioner, Delhi w.e.f. 01<sup>st</sup> January 2011. The said notification also empowered the Divisional Commissioner to be the commanding and controlling authority for all purposes and for the purposes of the Civil Defence Act, 1968 and rules made there under the National Capital Territory of Delhi. Keeping in view the growing attachment of common man and identification of the Civil Defence activity by them the department proposes the following programs and activities to strengthen the same during Annual Plan 2016-17.

## **1. Civil Defence**

### **1.1. Development of Civil Defence Central Training Institute (C.T.I.) HQ/District Offices**

Annual Plan Outlay (Cap.) : ₹100.00 lakh

In the present scenario, the basic requirement of Civil Defence is to have its own Central Training Institute (CTI) at centralized, headquarter and district level. At present about 70,000 Civil Defence Volunteers are enrolled and this number is increasing day by day. To cater training schedules of these volunteers various advance training programmes are being carried out throughout the year. Keeping in view the necessity of separate Central Training Institute for Civil Defence, a Gram Sabha land measuring 20 acre (approx.) has been allocated by Directorate of Panchayat at Village Bajidpur, Bawana (North District) for construction of Civil Defence Headquarter & Training Center.

Besides development of Central Training Institute, it is also required to develop 11 Civil Defence District Regional Centers and 52 Zones of Directorate of Civil Defence in Delhi. The broad functions of each District of Civil Defence office by and large cover following area viz.:

1. Enrolment of Civil Defence Volunteers/ Wardens.
2. Conduct Basic training.
3. Organize mock drill.
4. Awareness programme at RWA/ Market Association/ College etc.
5. Mustering exercises.
6. Meetings.
7. Rescue/ Relief operations.
8. Deployment of Civil Defence volunteers.
9. Establishment and Administration.
10. Dress/Band Equipment/Jacket.

To meet out above mentioned requirement i.e. development of Central Training Institute and Civil Defence HQ, a sum of '1 crore is allocated under Capital Head in Annual Plan 2016-17.

### **1.2. Strengthening of staff of Civil Defence Central Training Institute (CTI)/HQ/ District Staff**

Plan Outlay (Rev.) : ₹84.00 lakh

The main objective of the Civil Defence is to spread awareness amongst the masses about the calamities either man made or natural. Hence the basic concept of Civil Defence came into the light keeping in view the necessity to train civilians to handle any type of calamities. In the city like Delhi, which is not only the Metropolitan city but also serves as national capital, it is mandatory that the organizations like Civil Defence must be strengthened to face the problems of terrorism and disaster inch to inch i.e. from earthquake to collapse of building.

In order to strengthen Civil Defence, it is proposed to procure the below mentioned equipments/articles so that any type of rescue/relief operations be carried out in an efficient/proper manner. Below listed equipments are also required to carry out training of Civil Defence volunteers/wardens:

- A. Siren System.
- B. Audio-visual equipment for community education.
- C. Personal protective clothing and equipment.
- D. Rescue equipment.
- E. Communication equipment:-
  - (a) Internal radio communication.
  - (b) External radio communication.

### **1.3. Vehicles and Machinery & Equipment for Central Training Institute, Headquarter & District Training Centers**

Annual Plan Outlay (Cap.) : ₹155.00 lakh

Civil Defence volunteers/wardens are earmarked as first responder during any kind of disaster (manmade/natural). This purpose cannot be fulfilled without availability of transportation/vehicles. Hence it is proposed to provide all the 11 Districts & CTI/ HQ with the appropriate vehicles so that Civil Defence volunteers / staff may be able to reach at incident place as and when required.

## **2. Mohalla Raksha Dal**

Annual Plan Outlay (Rev.) : ₹20000.00 lakh

As a pilot scheme, Mohalla Rakshak Dal of Civil Defence Volunteers was set up in Karawal Nagar Assembly Constituency for area surveillance. The efforts have received a warm welcome by the local residents as well by Delhi Police. Based on these positive outcomes, it is proposed to set up Mohalla Rakshak Dal in all Assembly Constituencies in the year 2016-17. These volunteers will keep an eye on illegal construction and crime-prone stretches, besides helping the elderly and women and doing their basic job of helping people during natural disasters.

An outlay of ₹200 crore has been allocated for operationalizing Mohalla Rakshak Dal in all the Mohallas throughout Delhi.

## **OTHER CENTRALLY SPONSORED SCHEMES**

### **1. Revamping of Civil Defence – CSS**

Annual Plan Outlay : ₹ 50.00 Lakh

The Centrally Sponsored Scheme “Revamping of Civil Defence” started in the year 2009 by MHA, GOI. The scheme consists of various components namely, up-gradation/strengthening of CTI, Strengthening of Civil Defence setup in Multi Hazard Districts (MHDs), Re-orientation of Civil Defence, publicity and awareness of Civil Defence in general public. Further, Directorate of Civil Defence had organized the training camps and demonstration which could help to attain the object the Civil Defence in common man.

### **Components of the CSS “Revamping of Civil Defence”:**

#### **1. Up-gradation / strengthening of New/ Existing institutes**

The basic and initial requirement of Civil Defence is to have its own Central Training Institute (CTI) at centralized Head Quarter and district levels, which is already planned under State Plan Head. However, the Directorate requires funds for the repair/renovation of physical infrastructure etc. which will be met under CSS fund.

#### **2. Strengthening of CD Setup in MHDs**

The main objective of the Civil Defence is to spread over the awareness amongst the masses about the calamities either man made or natural. Civil Defence as it is clear from its name itself “Defence of Civilian”. Hence the basic concept of Civil Defence came into the light keeping in view the necessity to train civilians to handle any type of calamities. In city like Delhi, which is not only the Metropolitan city but also serves as national capital, it is mandatory that the Civil Defence must be strengthened to face the problems of terrorism and disaster inch to inch i.e. from earthquake to collapse of building.

At present, two districts namely South East and North East, which are more prone to natural calamities therefore, the funds under the CSS released by MHA, GOI is required to be utilized to face any problem/calamities with full confidence and activeness.

#### **3. Re-Orientations**

Special enrollment drives were organized in the North East and South East Districts (MHDs) for the enrollments of volunteers where less numbers of persons were taking interest in the working of Civil Defence.

#### **4. Pilot-project**

Under this project the staff from Directorate of Civil Defence were sent to the NCDC, Nagpur for the training and they were trained as Master Trainers. These Master trainers trained the Civil Defence Volunteers in specialized courses to help local police and local persons in case of emergency arises in the area.

#### **5. Publicity and awareness**

For the publicity of Civil Defence project and creation of awareness among the general public, different types of methods were used for this purpose. Publicity was made through printed material to electric media. Awareness camps were organized in different parts of Delhi including Schools, Colleges, through NGOs, institutes in which volunteers participated with their full strengths and showed their ability.

#### **6. Training camps/Exercises/Demonstration**

The Directorate of Civil Defence is regularly organizing the Training Camps/Exercises Camps and Demonstration Camps in different districts in which volunteers from all the districts took part. In these camps PTIs and guest faculties including retired Civil Defence officers are also invited to give benefits of their experience to the volunteers. These programmes get financed on equal sharing basis between Central Govt. and State Govt.

This CSS is funded by Ministry of Home Affairs, Govt. of India and comes under 66 re-structured schemes namely "National Scheme for Modernization of Police and other forces". The funding ratio between Centre & State for this scheme is 50:50.
