Foreword

With an increasing demand for the data of School Education Department, this department has been bringing out annual publication called '**Annual Publication (List of Schools with number of teachers and enrolment of students)**' during the recent years.

The reference date for this data is 30th September, 2011. Due to limited space only the names of schools, enrolment of schools and the strength of teachers could be presented in this publication. Other detailed information on Schools, enrolment, teachers, Drop-Out, Gross enrolment Ratio (GER) and Teacher Pupil Ratio (TPR) are also collected and are available in our other publication.

I am grateful to all the Sub-Ordinate officers like the District Education Officers, Sub-Divisional Officers and Education Officers for supplying the requisite basic data for this publication. The Officers and Staff of the Statistical Cell deserved to be complimented for rendering great effort in bringing out this publication.
