STATEMENT OF OBJECTS AND REASONS

The Government of Sikkim had passed the Sikkim Education Act in 2002, but the Act could not be implemented due to a number of shortcomings. It did not cover all spheres of educational institutions which are needed for regulating such institutions in these days of highly developing scientific and technological era. Rules also could not be framed under that Act as it did not contain detailed provisions for making of the rules.

In view of this, the State Government has felt it proper to enact a comprehensive legislation which would contain all aspects of legal requirements fit for regulating all types of educational institutions in the State by repealing the Sikkim Education Act, 2002 which has not yet been enforced due to the reasons stated above.

With the above objective in view, the Bill has been prepared.
