The Directive Principle in Article 46 of the Constitution of India states that the state shall promote with special care for the education and economic interest of the weaker sections of the people and in particular, the Scheduled Castes and Scheduled Tribes and shall protect them from social injustice and all forms of exploitation.

This report on **“Profile on Educational Progress of Scheduled Castes and Scheduled Tribes in Andhra Pradesh from 2004-05 to 2009-10”** contains the updated particulars of the earlier publications. The information contained in this publication is based on the data collected annually by the Education department. The coverage of this report is restricted to the category-wise and stage-wise Enrolment, Dropouts, Appointment of Teachers & Pupil-Teacher Ratio, Number of Educational Institutions and Expenditure on Education during the years from 2004-05 to 2009-10.

We are very much thankful to the Commissioner of School Education Department in providing the required data.

I am appreciating the officers and staff of the Social Statistics Division in D.E.&S, Hyderabad for their hard and sincere efforts in bringing out this publication.

## **CHAPTER –I**

### **INTRODUCTION & FACTS OF ALL INDIA**

As per 2001 Census the population of Andhra Pradesh is 7.62 Crores, out of which 1.23 Crores and 0.50 Crores belongs to Scheduled Castes and Scheduled Tribes respectively. The S.C and S.T population to the total population of A.P. is worked out to 16.19 %and 6.59% respectively, where as it is 7.41% and 5.96% in All India total population respectively. Andhra Pradesh stands 4<sup>th</sup> rank in the Scheduled caste population among all the states, whereas it stands 6<sup>th</sup> in case of Scheduled Tribes.

According to 2001 Census, the Literacy Rate (in the age group of 7 years and above) of total population of India is 64.84, where as it is 60.47% in Andhra Pradesh. Among all the 28 States in India, the Andhra Pradesh stands 20<sup>th</sup> Rank in the Literacy Rate as per 2001 Census. Even in Southern States also, Andhra Pradesh has recorded the lowest Literacy Rate. The literacy rate of S.Cs & S.Ts in A.P. is recorded as 53.52% and 37.04% respectively where as it is recorded as 54.69% and 47.10% respectively in India.

It is needless to say that the basic input is the education for the development of Human Resources for accelerating economic growth of the country and "Mass Education and Literacy are a Hall mark of Modern Society in Developing Countries". Though the Government of Andhra Pradesh is taking all possible initiatives for providing free and compulsory education to all children up to the age of 14 years in addition to the Andhra Pradesh Primary Education Project (APPEPO), Operation Black Board (OBB) ,Open Schools, Non- formal Education and Audio Visual Education , the literacy rates of the State is below than the most of the other States. The Campaigns on literacy are motivating the parents to the maximum extent in sending their children to Schools, Co-operation for functioning of Schools and ensuring the regular attendance of their children. Although the Government of India has long exposed the goal of

Universal literacy, our pledge still remains a distant goal in general and in particular of Scheduled Castes and Scheduled Tribes.

By analyzing the available data on enrolment of School children particularly S.Cs and S.Ts, total no. of Teachers, increase of Educational Institutions, Dropouts of Children and the Expenditure on Education; it is observed that the percentage enrolment of both S.Cs and S.Ts is increased from the year 2004-05 to 2009-10, even though the literacy rate of S.Cs and S.Ts is below the national average. But when compared with the others, the educational development has not been increased in S.C and S.T categories substantially.

In this publication on "Profile on Educational Progress of Scheduled Castes and Scheduled Tribes in Andhra Pradesh", the contents of the earlier publication were updated and the data has been provided on the following items:

1. Educational Development of S.C and S.T Children.
2. Enrolment of Scheduled Caste Children in Primary /Upper Primary/ Higher Secondary Schools by Districts from 2004-05 to 2009-10.
3. Enrolment of S.T. Children in Primary/Upper Primary/Higher Secondary Schools from 2004-05 to 2009-10.
4. Dropouts of S.C. / S.T. Children from 2004-05 to 2009-10.
5. Total No. of Teachers and Teachers Pupil ratio.
6. Expenditure on Education.

In addition to the above Chapters, Appendices showing the details of enrolment, dropouts, and other information are also provided. The Appendices reflect the position of district-wise and year-wise Educational progress.

### **Literacy Rates in the Southern States in India**

The literacy rates of Scheduled Castes, Scheduled Tribes and All of Andhra Pradesh are given in the following Table as per 2001 Census.

**Table-1( A )**  
**Literacy rates of A.P. Vs Southern States, 2001**

Sl. No	State/India	Male			Female			Total		
		SC	ST	All	SC	ST	All	SC	ST	All
1	India	66.64	59.17	75.00	41.90	34.76	54.00	54.69	47.10	64.84
2	Andhra Pradesh	63.51	47.66	70.32	43.35	26.11	50.43	53.52	37.04	60.47
3	Karnataka	63.75	59.66	76.00	41.72	36.57	57.00	52.87	48.27	67.00
4	Kerala	88.07	70.78	94.00	77.58	58.11	88.00	82.66	64.35	91.00
5	Tamilnadu	73.41	50.15	82.00	53.10	32.78	64.00	63.19	41.53	74.00

As seen from the above Table, the highest literacy among all the Southern States is recorded in Kerala (91.00) and the lowest in Andhra Pradesh (60.47). The lowest literacy rate is recorded in respect of every category except Female S.C. category when compared with the other States.

The following Table shows the percentage of coverage of the population of different School going age groups, showing the development that has taken place in the field of education.

From the following Table, it is evident that the percentage of enrolment of total children is increasing from decade to decade which shows the healthy progress of enrolment. But with regard to SC and ST children enrolment, still there is a need to take some special efforts to accelerate the educational development imbalances.

The details of enrolment of children of SC and ST sex-wise, year-wise i.e., from 2004-05 to 2008-09 are given in the Appendices.

To analyse the study of SC and ST separately in respect of educational facilities, enrolment and dropouts, it is felt to divide into two parts. Part (A ) deals with the educational development, dropouts of S.C. Children and Part ( B) gives the picture of Education Development of ST Children , and their Dropouts in Primary and Upper Primary Schools for the years from 2004-05 to 2009-10.

In addition to these parts, the details of teachers, showing the strength of SC, ST and All Teachers from 2004-05 to 2009-10 in Primary, Upper Primary and High Schools are also given in Appendices.

It is also quite essential that educational statistics are required for planned development of educational systems i.e., providing the required No. of Schools, especially in Agency and Tribal pockets improving the enrolment of students, awaking the parents for sending their children to Schools, betterment of socio-economic positions, reducing the cost of education or by introducing free and compulsory education.

### **EDUCATIONAL DEVELOPMENT OF S.C CHILDREN IN A.P.**

Articles 15 (4) and 46 of the Constitution of India provides certain specific safeguards for the development of literacy in the Scheduled Castes and Scheduled Tribes. The Government of Andhra Pradesh has laid emphasis on the spread of education rays among the SCs and STs during the last Five years Plans.

As per 2001 Census, the population of S.Cs in Andhra Pradesh was 1.23 crores which constitute 16.19 per cent to the total population. District-wise population of Scheduled castes and their percentage of population to the total population of the Districts are given in the following Table-2A.

The enrolment is basic concept for providing elementary education to the children. Various steps have been taken by the Government to fulfill the constitutional requirement to S.C. Children in this regard. The stage-wise enrolment ratios for All and S.Cs during for the years 2004-05 to 2009-10 are shown in the Table-2(B).

It is evident from the Table that the Primary level education in Scheduled Castes has been decreased from 134.60 percent in 2004-05 to 116.72 in 2009-10 and also it is decreased from 109.88 percent in 2004-05 to 99.04 in 2009-10 in respect of general population. The percentage of enrolment in respect of S.Cs and All in Middle Schools is in volatile from year to year. The enrolment Ratio in secondary level, it is observed both in All and S.Cs that it is in increasing trend.

### **Enrolment of S.C. Children in Primary Schools**

The first and foremost step for literacy is the enrolment of children in Primary Schools. The prevailing of literacy is solely depend on the efforts laid down for providing elementary education to the children up to the age of 14 years. Though the Government of Andhra Pradesh has taken all possible steps for prevailing the literacy rate especially among the S.Cs and S.Ts, there is still disparity found between the percentage of SC and ST Children to that of the other children.

The details of District-wise Enrolment of All, SC, ST and other Children in Primary Schools for the years from 2004-05 to 2009-10 are given in the Appendices.

The enrolment percentage of the S.C Children in primary classes has been provided in Table 2 (C). ## **CHAPTER-IV**

### **DROPOUTS OF S.Cs AND S.Ts DURING 2004-05 TO 2009-10 IN ANDHRA PRADESH**

The Government of Andhra Pradesh is providing special safeguards for the educational development of Scheduled Castes and Scheduled Tribes in accordance with Article 15 (4) and 46 of the Constitution of India. To fulfill the Constitutional obligation, a good emphasis was laid on the spread of education among these specially backward communities like S.Cs and S.Ts by increasing educational institutions, Teachers, Adult Education, Balwadies, etc., during the successful Five Year Plans, planned so far. By increasing Educational Institutions, it is needless to say that enrolment of students belonging to S.Cs and S.Ts has been increasing in the last 12 years. But dropouts of the Students have also increased in Primary and Middle level education. It is observed that the dropout in Scheduled Tribe Students is high and more when compared to that of other castes students. It is important to have analytical study on the data pertaining to the sex-wise, year-wise dropouts of the S.C and S.T students in Primary and Upper Primary School levels in comparing with All students in the districts of Andhra Pradesh.

## CHAPTER-VI

### EDUCATIONAL INSTITUTIONS IN A.P

The number of Educational Institutions is also one of the basic factors for improvement of literacy among the People. The number of Educational Institutions under Primary, Upper Primary and High Schools during 2004-05 to 2009-10 are furnished in the Table-VI(A).

**Table-VI (A)**  
**No. of institutions in from 2004-2005 to 2009-10 in A.P**

<b>Percentage of 2009-10 Over 2004-05</b>		<b>4.89</b>	<b>-12.61</b>	<b>-25.15</b>	<b>-2.90</b>

It is observed from the above table that the educational institutions in Primary level are recorded as 61680 during 2004-05 and during 2009-10 they are 64697 showing an increase of 4.89%. It is also observed that the educational institutions in Upper Primary level are recorded as 16667 during 2004-05 and during 2009-10 they are 14566 showing a decrease of 12.61%. It is further observed that the educational institutions in High School level are recorded as 15437 during 2004-05 and during 2009-10 they are 10735 showing a decrease of 25.15%.

It is further observed from the tables V-(E) and VI-(A) that the educational institutions are being declined and the enrolment of students are increased and hence the Pupil-Teacher Ratio is in downward slope which may affect the quality of education. Hence, there is every need to take suitable steps for appointment of more teachers for the overall development of the quality of education.
