DIRECTORATE OF ECONOMICS & STATISTICS
RAJASTHAN, JAIPUR

PREFACE

The Directorate of Economics and Statistics, Rajasthan has been publishing this statistical books as a basic source of information for the State of Rajasthan since 1956 with the title “**BASIC STATISTICS**”.

The present issue, Basic Statistics-2004 includes information relating to various socio-economic and developmental activities as provided by different Government Departments/Boards/Corporation/Commissions etc. The data presented in this issue relates to the calendar year 2003 or the financial/agriculture /co-operative year 2002-03 except where otherwise indicated.

I believe that alike the previous issues, this will also be of immense use to planners, policy makers, research scholars etc. in understanding the socio-economic changes in all dimensions taking place in the state.

I appreciate the co-operation extended by various departments/agencies in timely furnishing the required data. I am also thankful to the officers and staff of the co-ordination unit for their commendable job in bringing out this publication. We, in this organisation endeavour to improve the usefulness of the publication. The DES shall be grateful for any suggestions in this regard.

PREFACE

The Directorate of Economics and Statistics, Rajasthan has been publishing this statistical books as a basic source of information for the State of Rajasthan since 1956 with the title "BASIC STATISTICS".

The present issue, Basic Statistics-2004 includes information relating to various socio-economic and developmental activities as provided by different Government Departments/Boards/Corporation/Commissions etc. The data presented in this issue relates to the calendar year 2003 or the financial/agriculture /co-operative year 2002-03 except where otherwise indicated.

I believe that alike the previous issues, this will also be of immense use to planners, policy makers, research scholars etc. in understanding the socio-economic changes in all dimensions taking place in the state.

I appreciate the co-operation extended by various departments/agencies in timely furnishing the required data. I am also thankful to the officers and staff of the co-ordination unit for their commendable job in bringing out this publication. We, in this organisation endeavour to improve the usefulness of the publication. The DES shall be grateful for any suggestions in this regard.
