PREFACE

The publication "BASIC STATISTICS-2005" provides important information on different sectors of state's economy in the form of tables. The present issue includes information relating to various socio-economic and development activities as provided by different central and state Government Departments. The data presented in this publication relates to the calendar year 2004 or the financial / Agriculture/ Cooperative year 2003-04 except where otherwise indicated.

The Directorate is grateful to the various departments / Organizations for the continued and generous co-operation extended by them in providing the desired data. Besides my appreciation goes to the officers and staff of the coordination unit of this Directorate for their sincere efforts in bringing out this publication. We, in this organization endeavour to improve the usefulness of the publication. The DES shall be grateful for any suggestions in this regard.
