## PREFACE

The Directorate of Economics and Statistics, Rajasthan is publishing statistical book as a basic source of information for the state of Rajasthan since 1956 with the title "BASIC STATISTICS."

The present issue, Basic Statistics- 2006 includes information relating to various socio-economic and developmental activities as provided by different State Government Departments / Boards / Corporations / Commissions etc. We on our part are constantly endeavoring to make the publication a ready reference book by incorporating latest information and extending it's coverage.

The data presented in this issue relates to the calendar year 2005 or the financial/agriculture/ co-operative year 2004-05 except where otherwise indicated.

I am sure that the present issue of the publication, like it's previous issues, will be of immense use not only to planners, policy makers and departments implementing developmental programmes but also to research scholars in understanding the socio-economic changes, in all dimensions, taking place in the state.

The co-operation extended by various Departments/Agencies in furnishing the required data are appreciated. Besides, my appreciation also goes to the staff of coordination unit for their sincere efforts in bringing out this publication.

Suggestions for improvement in coverage and presentation of this publication are welcome.
