PREFACE

The publication "Some Facts About Rajasthan, 1995" is the fifteenth issue in the series being brought out annually by the Directorate of Economics & Statistics, Rajasthan. It provides information on different sectors of the economy of the state relating to important items.

The data presented in this publication mostly relate to the year 1994-95 but in some cases where data of 1994-95 is not available, information for latest available year has been given.

It is hoped that this publication will be of immense use to the Government departments, other organisations, research scholars and others.

Suggestions for improvement in scope and content of this publication are welcome.
