PREFACE

The publication "Some Facts About Rajasthan, 2001" is the twenty first issue in the series being brought out annually by the Directorate of Economics & Statistics, Rajasthan. It has been divided into two parts. Part I contains information of Socio-Economic Statistics of the State and Part II includes Population characteristics and population projection upto 2011.

The data presented in the publication mostly relate to the year 2000-2001 or Calander year 2000 but in some cases, where data of 2000-2001 or 2000 is not available, information for latest available year has been given.

It is hoped that this publication will be of immense use to the Government departments, other organisations, research scholars, planners, policy makers, etc.

Suggestions for improvement in scope and contents of this publication would be appreciated.

* Because of large scale changes in the jurisdiction and disturbed identity of villages/chaks in seven tehsils namely Vijainagar, Gharsana, Anupgarh, Pilibanga, Suratgarh, Rawatsar and Nohar after 1981. The readjusted population figures for these seven tehsils could not be ascertained as per 1991 jurisdiction. The adjusted population figures for Hanumangarh and Ganganagar districts for 1981 have been calculated keeping undivided tehsils in respective districts. Hence percentage decadal growth rate higher from 1981-1991 to 1991-2001
