## PREFACE

The publication "Some Facts About Rajasthan, 2003" is the twenty third issue in the series being brought out annually by the Directorate of Economics & Statistics, Rajasthan. It has been divided into two parts. Part I contains information of Socio-Economic Statistics of the State and Part II includes Population characteristics and population projection upto 2021.

The data presented in the publication mostly relate to the year 2002-03 or Calander year 2002 but in some cases, where data of 2002-03 or 2002 is not available, information for latest available year has been given.

It is hoped that this publication will be of immense use to the Government departments, other organisations, research scholars, planners, policy makers, etc.

Suggestions for improvement in scope and contents of this publication would be appreciated.
