M E S S A G E

The “**Basic Statistics of Lakshadweep-2014**”, which is the 16th in its series, has been brought out by the Directorate of Planning & Statistics, Lakshadweep.

The Directorate has brought out this present issue of “**Basic Statistics 2014**” containing various important data and figures on socio-economic aspects and indicators of the Union territory of Lakshadweep, covering over the last ten years.

Statistics has become an important operation of our day-to-day life and plays a vital role in formulation of developmental plans, programmes and schemes; and in their execution, monitoring and evaluation. The publication would serve as a useful source of information to Administrators, Policy makers, Planners and Researchers etc.

I would like to express my thanks to all the officers and staff of Statistics who have put in great efforts in bringing out this publication.
