AICTE

ANNUAL REPORT & AUDITED ACCOUNTS

2017-18

PREFACE

The AICTE was constituted in 1945 as an advisory body in matters relating to technical education and played a very important role in the development of technical education in the country. In 1987, AICTE became a statutory body through an Act of Parliament. The Act laid down the powers, functions and structure of the AICTE.

The Council was established with a view to make available quality and affordable education to all. It aims for proper planning and coordinated development of the technical education system throughout the country, the promotion of qualitative improvement of such education in relation to planned quantitative growth and the regulation and proper maintenance of norms and standards in the technical education system.

The Council, in its ambit, covers technical education such as programs of education, research and training in engineering, technology, architecture, town planning, management, hotel management, pharmacy and applied arts and crafts and such other programs or areas as the Central Government may, in consultation with the Council, by notification in the official Gazette, declare.

The vision of the Organization is to see itself as a world class body and groundbreaker in technological and socioeconomic development of the Country by enhancing the worldwide competitiveness of technical manpower.

As an objective regulator, the Organization has adopted transparent and accountable attitude in its working. As a true facilitator of education, the Council undertook major activities during 2017-18.

AICTE with the support of MHRD, launched Smart India Hackathon-2018 (SIH-2018) in October 2017 which focusses on development of innovative solutions to challenges faced by Central, State Government offices, Industries and the Society as well. A large number of students registered for the Hackathon and came up with numerous ideas which were short-listed and prize winning teams were taken by Government Departments for implementation. In the Grand finale held in March 2018, cash prizes of Rs. 1,00,000/- and Rs. 75,000/- and Rs.50,000/- were awarded to top three teams. AICTE Start-up program focusses on creating abundant employment opportunities in the next 10 years by developing ideal entrepreneurial ecosystem and promoting inter-institutional partnerships. AICTE provides funds under Research and Innovation Promotion for development of innovative technologies, adoption and adaptation of these technologies for the development of the Country. With an objective to bridge the digital divide among students, AICTE provides Massive Open Online Courses (MOOCs) under the SWAYAM Project of the MHRD. With an aim to impart engineering skills to students to make them industry-ready, the Council conducted a number of workshops across the Country for awareness among students of the Pradhan Mantri Kaushal Vikas Yojana for Technical institutions (PMKVY-TI).

Under various quality initiatives undertaken, AICTE prepared outcome based model curriculum for UG and PG programs in Engineering and Management disciplines and launched the same in January 2018. The

curriculum offers opportunity for students to take electives both from the disciplines and cross-disciplines, holistic approach in overall development of the students to make them industry-ready. Such students will not only be good Engineers and Managers but also good human beings with philanthropic and socially sensitive outlook.

The purpose of education is not simply getting a degree from a reputed Institution and landing on a high paying job. But, as Nelson Mandela puts it, Education is the most powerful weapon which can be used to change the world. Education is knowledge and knowledge is power. Education is the key eliminating gender inequality, reducing poverty, opening up the mind of students and prepare them to face the world. AICTE shall always strive to achieve its aim to grow the students into literate, productive citizens to sustain themselves and ultimately the motherland.

ANNUAL REPORT 2017-18

CHAPTER-1

Introduction

1.1 PREAMBLE

AICTE was set-up in November 1945 as a national level Apex Advisory Body to conduct survey on the facilities on technical education and to promote its development in the country in a coordinated and integrated manner. The Government of India (Ministry of Human Resource Development) constituted a National Working Group to look into the role of AICTE in the context of proliferation of technical institutions, maintenance of standards and other related matters. The Working Group recommended that AICTE be vested with the necessary statutory authority for making it more effective, which would consequently require restructuring and strengthening with necessary infrastructure and operating mechanisms.

Pursuant to the above recommendations of the National Working Group, the AICTE Bill was introduced in both the Houses of Parliament and passed the AICTE Act No. 52 of 1987. The Act came into force w.e.f. March 28, 1988. The statutory All India Council for Technical Education was established on May 12, 1988 with a view for proper planning and coordinated development of technical education system throughout the country, the promotion of qualitative improvement of such education in relation to planned quantitative growth and the regulation and proper maintenance of norms and standards in the technical education system and for matters connected therewith.

The purview of AICTE covers programme(s) of technical education including training and research in Engineering & Technology, Architecture & Town Planning, Management, Pharmacy, Applied Arts and Crafts, Hotel Management and Catering Technology etc. at different levels.

Boards and Committees of the AICTE, the Executive Committee, ten All India Boards of Studies, eight Regional Committees are all of statutory nature.

The Council is a 51-member body and has a Chairman, a Vice-Chairman and a Member Secretary with tenure appointments. The Council includes amongst others, representatives of various Departments of the Government of India, the Lok Sabha and the Rajya Sabha, Govt. of States and Union Territories, representatives from the Statutory Boards and Committees of the Council, Professional Bodies and organizations in the fields of concerned areas of technical education and research and also organizations in the field of industry and commerce, etc. The AICTE Act empowers the Council to take all such steps as it may think fit for ensuring coordinated and integrated development of technical education. The Council performs its functions in consultation with State Governments, Universities, State Boards of Technical Education, Professional Bodies and experts etc.

The Executive Committee is a 21-member body constituted by the Council and discharges such functions as may be assigned to it by the Council. The Executive Committee is chaired by the Chairman of the Council and includes Vice-Chairman of the Council; Secretary to the Government of India; two Chairmen of the Regional Committees of the Council; three Chairmen of the All India Boards of Studies of the Council; one member of the Council representing the Ministry of Finance, Govt. of India; four members of the Council representing States/UTs; four members with expertise and distinction in areas relevant to technical education; Chairman of the University Grants Commission; Director of the Institute of Applied Manpower Research and Director General of the Indian Council of Agricultural Research. The Member-Secretary of AICTE is also the Member-Secretary of the Executive Committee.

The All India Boards of Studies advise the Executive Committee on academic matters falling in their areas of concern including norms & standards, model curricula, model facilities and structure of courses etc. The areas of concern, constitution, functions and powers of the Boards of Studies are such as may be provided by the Council through appropriate Regulations. Initially, the AICTE Act provided for the establishment of five Boards of Studies. Later, four more Boards of Studies were added by the Council and subsequently one more Board has been added. Boards of Studies have 10-15 members each and are headed by subject experts of eminence. The Council is assisted by eight statutory Regional Committees covering different geographical regions. These Committees advise and assist the Council in all aspects of planning, promoting and regulating technical education within their respective regions. Each Regional Committee has 15-20 members, headed by an engineer/technologist of eminence.

CMAT and CPAT are the national level computer based admission tests conducted by AICTE for facilitating institutions to select suitable students for admission in Management and Pharmacy Programs in AICTE approved institutions and university departments. For the Academic Year 2018-19, the CMAT-2018 was conducted on 20th January, 2018 and GPAT on 21st January, 2018 in 74 and 64 cities respectively. 64456 and 34743 students for CMAT-2018 and GPAT-2018 appeared for these two Examinations respectively. The results were declared on 14th February, 2018. This time, a new feature namely "Objection Tracker" was introduced for CMAT & GPAT-2018 Examinations to track the grievances of candidates who appeared in CMAT and GPAT-2018.

1.2.2 SMART INDIA HACKATHON(SIH-2018)

AICTE under the aegis of MHRD and in collaboration with i4C, Persistent Systems Ltd., Rambhau Prabhodini Mhalgi, NIC, and MyGov launched the Smart India Hackathon 2018 on October 16, 2017 in the presence of Shri. Prakash Javadekar, Hon'ble Minister of HRD, Government of India and Chief Patron, Smart India Hackathon 2018. SIH- 2018 focusses to develop innovative solutions for the various set of problems and challenges not only from various central ministries but also from

state governments and some extent from industries and society as well and comprises of two competitions – Software and Hardware.

About 27 Central Government Ministries and 18 State Governments have come forward with 408 problem statements to the students participating in this grand initiative. More than 105234 students registered and 17539 ideas received from technical institutions in India. The Grand Finale of SIH was held on March 30 and 31, 2018 in 28 different locations in the Country. Awards amounting to Rs. 1 lakh, Rs. 75,000/- and Rs. 50,000/- were given for the top three teams respectively.

3.7 DEEMED-TO-BE /DENOVO DEEMED-TO-BE-/PRIVATE UNIVERSITIES

Universities including Private universities established by the State Legislations do not require prior approval from AICTE for starting faculties/courses. However, universities, deemed universities including the universities established by the State Legislature imparting technical education are required to comply with the norms and standards prescribed by AICTE from time to time.

In pursuance of the UGC letters for conferment of deemed to be university status to the institutions in the light of Ministry of Human Resources Development notification no. F. No. 2-1/2006U.3 (A), dated 5th April 2006 and as per provisions contained in Section 20(1) of the AICTE Act, a visiting team was sent by AICTE for on the spot assessment of these institutions. As per directives of the MHRD letter "AICTE will nominate a representative on the inspection committee of UGC; the person so nominated by the AICTE may; in addition, Head a team of the AICTE on the same day and such other person would not be part of the UGCs team but merely to assist the nominee of the AICTE on the UGC committee. The nominee of the AICTE on the UGC committee could give his or her report to the Chairman AICTE in the Performa prescribed by the AICTE and also on any additional point required by the UGC; which should then be forwarded by the AICTE to the UGC. UGCs Committee would incorporate the comments of the AICTE in its report before the Commission so that the Commission could take appropriate decision in the matter before making any recommendation to the MHRD. It has been felt that the above arrangement would serve the purpose of a de facto joint inspection while at the same time satisfying the requirements of the AICTE act regarding its own inspection. Such an arrangement would also ensure that the comments of the AICTE's nominee reflect adequately the comments of the Council and are not merely the individual perceptions of the nominee. This would also satisfy the directions given vide this Ministry's orders of the 5th April, 2006, wherein consultation with statutory Councils has been mandated before the UGC forwards its recommendations to the Central Government"

In view of the above direction of MHRD and on the request of UGC during the year 2017-18, AICTE has nominated a representative to be part of the UGC team along with a panel of Experts to assist the UGC nominee to assess the physical and academic infrastructure for conferment of Deemed-to-be /Denovo Deemed-to-be-/ Private Universities status and for reviewing the physical and academic infrastructure and performance of the existing Deemed/ Private Universities. The visit to the following Universities has already been conducted and reports forwarded to UGC.

**Separate Audit Report of the Comptroller and Auditor General of India on the
Accounts of All India Council for Technical Education
for the year ended 31st March 2018**

We have audited the attached Balance Sheet of the All India Council for Technical Education (Council) as at 31st March 2018, Income & Expenditure Account and Receipts & Payments Account for the year ended on that date under Section 19(2) of the Comptroller and Auditor General's (Duties, Powers & Conditions of Service) Act, 1971 read with Section 19 of the AICTE Act, 1987. These financial statements include the accounts of 10 regional offices of AICTE. These financial statements are the responsibility of the Council's management. Our responsibility is to express an opinion on these financial statements based on our audit.

2. This Separate Audit Report contains the comments of the Comptroller and Auditor General of India (CAG) on the accounting treatment only with regard to classification, conformity with the best accounting practices, accounting standards and disclosure norms, etc. Audit observations on financial transactions with regard to compliance with the Law, Rules & Regulations (Propriety and Regularity) and efficiency-cum performance aspects, etc., if any, are reported through Inspection Reports/CAG's Audit Reports separately.

3. We have conducted our audit in accordance with auditing standards generally accepted in India. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements. An audit includes examining, on a test basis, evidences supporting the amounts and disclosure in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management as well as evaluating the overall presentation of financial statements. We believe that our audit provides a reasonable basis for our opinion.

4. Based on our audit, we report that:

i. We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit.

ii. The Balance Sheet, Income & Expenditure Account and Receipts & Payments Account dealt with by this report have been drawn up in the format prescribed by the Ministry of Human Resource Development, Government of India vide order No. 29-4/2012-FD dated 17 April 2015 subject to the observations in the report.

iii. In our opinion, proper books of accounts and other relevant records have been maintained by the Council in so far as it appears from our examination of such books.

iv. We further report that:

A. Balance Sheet

A.1 Sources of Funds

A.1.1 Current Liabilities and Provisions (Schedule-3) - Rs. 413.93 crore

(i) The above does not include liabilities for expenses amounting to Rs. 2.42 crore due but not paid. This has resulted in understatement of Current Liabilities and overstatement of Capital Fund by Rs. 2.42 crore.

(ii) The unutilised grant-in-aid of Rs. 78.12 crore shown in the above schedule does not include grant utilized for giving advance for capital expenditure amounting to Rs. 2.46 crore which is contravention of format of Accounts prescribed by MHRD. This has resulted in understatement of Current Liabilities and overstatement of Capital Fund by Rs. 2.46 crore.

A.2. Fixed Assets (Schedule 4): Rs.38.25 crore

A.2.1 The Council has released an advance of Rs. 176.95 crore to Defence Research and Development Organisation (DRDO) for construction of building of AICTE Hqrs, New Delhi and Rs.4.32 crore to CPWD for construction of building of AICTE Regional Office, Bhopal. Both the buildings were completed and handed over to the Council during 2016-17 (AICTE Hqrs in August 2016 and AICTE Regional Office Bhopal in January 2017) and put to use but the same has not been capitalised for want of final bills. This has resulted in understatement of Fixed Assets and overstatement of Loans, Advances & Deposits. Moreover, these buildings have been put to use since 2016-17, however, depreciation (@2%) was not charged on these buildings by the Council during the years 2016-17 and 2017-18.

A.2.2 The above include nominal value of Rs. 1 in respect of the land pertaining to Regional Office Bengaluru. However, as per the records the land was acquired on lease basis for consideration of Rs. 25 lakh. The value paid for lease should be depicted in the above Schedule and should be amortised over the period of lease.

A.2.3 The above does not include the value of Land (nominal value) allocated free of cost by the Government of Assam in June 2017.

A.2.4 The above include nominal value of Rs. 1 of the land in the JNU campus on which the building of AICTE has been built. However as per the records the ownership of the land rests with JNU. Therefore the value of the land should not be depicted in the above schedule. The above fact should be disclosed in Notes to Accounts.

B. Income and Expenditure Account

B.1 Expenditure

B.1.1 Depreciation (Schedule 4)- Rs.23.48 crore

The above does not include depreciation of Rs.55.81 lakh (20% of Rs 2.79 crore) on addition of Computer & Peripherals during the year amounting to Rs. 2.79 crore. This has resulted in understatement of Depreciation and overstatement of Fixed Assets by Rs. 55.81 lakh.

C. Principal Accounting Policies (Schedule-23) & Notes to Accounts (Schedule 24)

C.1 As per the Principle Accounting Policy No. 7(b), the retirement benefits are accounted for on cash basis which is in contravention of Accounting Standard 15 and Format of Accounts prescribed by MHRD.

C.2 As per the Accounting Standard No. 13 long term investments are to be shown in the accounts at cost. Note No. 18 to Accounts (Schedule 24) states that the investments in the Government securities out of CPF accounts was as per the face value of the securities, which is contravention of AS 13. However, the Council has actually shown the investment at cost only. Therefore, Note No. 18 needs to be corrected.

The Council has to disclose its Accounting Policy relating to investments.

C.3 The taxation status of the Council was not disclosed in the Notes to Accounts.

D. CPF Account
