STATUS OF LITERACY CAMPAIGNS & POST LITERACY PROJECTS STATE/UT WISE

NATIONAL OVERVIEW

NATIONAL OVERVIEW

I. A brief population profile:

India is the second most populous country in the world, next only to China having a population of 838.58 million according to 1991 Census. Male and female population is 435.21 million and 403.37 million respectively. Rural and Urban population are 537.05 million and 301.53 million respectively. Out of the total population, 138.22 million (16.48%) are scheduled castes and 67.76 million (8.08%) are scheduled tribes. There are 25 States and 7 Union Territories in India. At the time of 1991 Census there were 452 districts (excluding J & K) in the country. The number of districts has increased to over 525 as many new districts have been carved out in States like Punjab, Bihar, Orissa, Rajasthan, Tamil Nadu, Uttar Pradesh, etc.

As per 1991 Census there are 3768 Urban Agglomerations/Towns in the country, out of which 299 are class I UA/cities having 1 lakh and above population.

There are 23 metropolitan urban agglomerations/cities with 1 million and above population. 70.66 million, roughly one-third of the total population lives in these 23 cities. There are four mega cities with 5 million and above population. These are: Greater Bombay, Calcutta, Delhi and Chennai. 17.13 per cent of total urban population lives in these four cities. 52.68 per cent of the total population of the 23 metropolitan cities lives in these four mega cities.

Literacy Scenario 1991:

The literacy rate of the country has increased from 43.57% in 1981 to 52.21% in 1991. The literacy rates for male and female also increased from 56.38% to 64.13% and 29.76% to 39.29% respectively during this period. The literacy rate among scheduled castes and scheduled tribes increased to 37.41% and 29.60% respectively. There is a large urban-rural differential in literacy rates. While the rural literacy rate increased from 36.00% in 1981 to 44.69% in 1991, the urban literacy increased from 67.20% to 73.08% during the same period. It is evident from this that the decadal increase in rural literacy rate was higher i.e. 8.69% than that of urban literacy rate which was 5.88%.

The comparative growth of population, literates, non- literates of the age-group 5 and over for 1961, 1971 and 1981 and the age-group of 7 and over for 1981 and 1991 is given below in the table:

Year	Age group	Population (I N M I L L I O N)	Non-literates	Literates	Literacy rate (%)	Increase in literacyy rates(%)
1961	5 and over	372.84	267.32	105.52	28.30	-
1971	-do-	468.60	307.19	161.41	34.45	6.15
1981*	-do-	581.78	340.75	241.03	41.43	6.98
1981*	7 and over	541.04	305.31	235.73	43.57	-
1991**	-do-	688.16	328.88	359.28	52.21	8.64

* Excludes Assam where 1981 Census was not held.

** Excludes J & K where 1991 Census was not held.

The number of non-literates in 7+ age group increased from 305.31 million to 328.88 million and at the same time the number of literates increased from 235.73 million to 359.28 million. It can be seen from the above table that for the first time in 1991 Census, the number of literates has exceeded the number of non- literates.

As per 1991 Census the number of non-literates (excluding J & K) has increased to 121.29 million in 15-34 age-group, male and female non- literates being 43.89 million and 77.40 million respectively. The number of male and female non-literates in 9-14 age-group is 13.87 million and 21.68 million respectively. Thus total number of non-literates in 9-14 age-group is 35.55 million.

II. Literacy Campaigns in India

The National Literacy Mission was launched in 5th May 1988 with the objective of imparting functional literacy to 80 million adult non-literates in 15-35 age-group by 1995. Subsequently, changes have been made in the target and the revised target is to make 100 million non-literate in 15-35 age group literate by the year 1999 and full literacy to be achieved by the year 2005.

The TLC model is now accepted as the principal strategy for eradication of adult illiteracy by almost all States/UTs. These campaigns are area-specific, time-bound, volunteer-based, cost- effective and outcome oriented.

The National Literacy Mission sanctioned 419 projects upto March 1997 covering 427 districts fully or partly, in 22 States and 4 UTs. In addition, 168 post literacy projects have been sanctioned (Annex-I). The States of Andhra Pradesh, Gujarat, Kerala, Karnataka, Himachal Pradesh, Goa, Madhya Pradesh, Rajasthan, Uttar Pradesh and UTs of Chandigarh, Dadra & Nagar Haveli and Pondicherry have been fully covered under literacy campaigns. In the states of Haryana, Maharashtra, Meghalaya, Tripura and West Bengal only one or two districts remain to be covered. The states which have not taken up district wide literacy campaigns are: Arunachal Pradesh, Mizoram, Nagaland and Sikkim. In Uttar Pradesh all the 68 districts which were in existence in February 1997 were sanctioned literacy campaigns but now a few more districts have been carved out of the existing districts.

A table showing number of districts in each State/UT currently covered and to be covered under literacy campaigns is given below:

Sl. No.	State/UT	No. of District	No. of district covered under literacy programme fully/partly	To be covered fully/partly
1.	Andhra Pradesh	23	23	-

* Three new districts have been carved out of the existing literacy campaigns districts. Hence, the actual number of districts to be covered may be 7.

** Includes districts being covered partly at present.

III. System of Monitoring

The National Conference of State Directors of Adult Education held in February 1996 had emphasised upon the need for having more efficient monitoring and review system keeping in view the broad strategy of implementation of literacy programmes adopted by the National Literacy Mission. The literacy campaigns starting from a few districts in 1991-92 have now spread over to 427 districts in the country. Although the Central Directorate of Adult Education has so far been making strenuous efforts to collect information and data directly from the districts to monitor the progress, extension of the programme to almost the entire country has necessitated designing a decentralised system of monitoring which would ensure reliability as well as steady flow of information needed. The existing system of monitoring the progress of literacy and post literacy campaigns was thoroughly reviewed and revised during the year. The new decentralised monitoring system introduced by NLM is as follows:

(a) Monthly Monitoring Meetings (MMMs): Every State/UT Directors of Adult/Mass Education is required to hold a Monthly Monitoring Meetings on a fixed date. In these meetings the progress of literacy campaigns and post literacy campaigns in each district is reviewed and discussed by the Directors in the presence of the Secretaries of the respective Zilla Saksharta Samiti (ZSS) on the basis of a 2-page proforma. The objective of the discussions in these monthly monitoring meetings is to develop a consensus as to the correct and factual assessment of the literacy campaigns in the district and the kind of interventions called for accelerating the progress of the literacy project. Minutes of every monthly monitoring meetings conducted by the State Directors of Adult Education have to be promptly drawn-up and copies circulated to all concerned for information and necessary follow-up action.

(b) Strengthening Monitoring System in the State Directorates of Adult/Mass Education

The State Directorates have been provided a computer system to further strengthen and operationalise the monitoring system at the State level. The Directorates have been advised to carefully scrutinise, analyse and compile the district-wise data and send to NLM a consolidated State Report in the proforma designed by the Central Directorate every month along with 2-page format of each district.

(c) Visit Reports:

The ongoing literacy/post literacy campaigns are being visited by the officers of the NLM and the Directorate of Adult Education. In addition literacy consultants and Member of EC, NLM also visit literacy/post literacy campaign districts from time to time. The visit reports of these officials are utilised appropriately.

(d) Concurrent and External Evaluation Reports:

Besides self-evaluation of learners, each campaign district is subjected to two external evaluations, namely, Concurrent Evaluation and Final Evaluation. Concurrent evaluation is carried out by agencies external to the district but located within the State. A panel of these agencies is maintained by the State Director of Adult Education. The districts have been advised to write to the State Director of Adult Education for nominating a panel of three agencies as soon as 50% of the enrolled learners complete Primer-I. The concurrent evaluation focuses on progress of various activities undertaken for implementation of the programme e.g. survey, environment building, training etc. so as to detect bottlenecks, shortfalls and deficiencies and suggest corrective measures to ensure optimum results. The Final/External Evaluation is carried out by agencies outside the State which are nominated by the Director General, NLM. Such an external evaluation is required to be taken up as soon as 60% or more of the enrolled learners have completed Primer-III or almost completed Primer-III. The Final (external) evaluation mainly focuses on learning outcomes, success rate vis-a-vis the target and the impact of the campaign on the social, cultural and economic environment of the project area. The new approach of evaluation by the NLM is aimed at ensuring complete transparency and enhancing credibility of the results declared. The concurrent evaluation and external evaluation reports received from campaign districts are also referred to at the time of compilation of Quarterly Report on Status of Literacy Campaigns brought out by the Directorate of Adult Education.

IV. The progress of Literacy Campaigns during 1996-97

A. Sanctioning of Projects

Considerable progress has been made during 1996-97 in terms of number of projects, coverage of non-literates, enrolment and achievement.

A table showing literacy and post literacy projects sanctioned by NLM since 1988-97 is given below:

Year	No. of Literacy Campaign sanctioned	No.of Post Literacy Projects sanctioned
1988-89	1	-
1989-90	2	-
1990-91	41	-
1991-92	37	8
1992-93	57	33
1993-94	107	20
1994-95	76	51
1995-96	61	31
1996-97	37	25
Total	**419**	**168**

It can be seen from the above table that the number of literacy projects sanctioned has been increasing year after year. The cumulative number of literacy projects sanctioned upto March 1997 is 419 in 22 States and 4 UTs.

Similarly the number of post literacy projects sanctioned in 19 States and UTs has increased to 168 by March 1997.

A table showing the number of literacy campaigns and Post Literacy Projects statewise is given below:

Sl. No.	State/UT	No. of TLC Projects sanctioned		No. of distts. covered fully/ partly		No. of Post Literacy Projects

B. Progress in Target, Enrolment and Achievement

Considerable progress has been reported by the literacy campaign districts in coverage of target, enrolment and achievement during 1996-97. The target number of learners identified after survey has increased from 100.01 million in 1995-96 to 118.43 million in 1996-97 (excluding districts/projects which have not reported the target after survey) which means an increase of 18% in the target.

The enrolment reported has increased from 73.17 million to 88.48 million, an increase of about 21% .

The achievement in terms of number of learners completing all the three primers was more remarkable during 1996-97 in as much as the number of persons made literate went up from 37.31 million in 1995-96 to 44.78 million in 1996-97. Thus, the number of learners who become literate during 1996-97 is 7.47 million which means an increase of 20% over the achievement recorded till the preceding year.

A table showing the target, enrolment and achievement state- wise is given below:

(In lakh)

	Total	**1001.68**	**1184.36**	**731.74**	**884.88**	**373.14**	**447.83**

* Excluding projects/districts which have not reported target after survey.

From the above it can be seen that target after survey has increased in the case of Andhra Pradesh, Assam, Bihar, Gujarat, Haryana, Madhya Pradesh, Maharashtra, Orissa, Punjab, Rajasthan, Tamil Nadu, Uttar Pradesh and West Bengal. However, target after survey has come down in the states of Delhi, Himachal Pradesh, Karnataka and Tripura. There is no change in figures of target after survey in States/UTs of Chandigarh, Daman & Diu, Goa, Kerala and Pondicherry.

Most of the States/UTs have reported an increase in enrolment whereas Himachal Pradesh and Karnataka have reported decrease in enrolment as compared to 1995-96 figures.

The number of learners who have completed primer III has also increased considerably in most of the States/UTs. the states which have reported increase in achievement at level III are: Andhra Pradesh from 63.22 lakh to 69.26 lakh, Assam from 1.65 lakh to 3.08 lakh, Bihar from 13.36 lakh to 14.36 lakh, Delhi from 0.09 lakh to 0.42 lakh, Gujarat from 36.19 lakh to 41.45 lakh, Haryana from 2.50 lakh to 3.06 lakh, Himachal Pradesh from 3.43 lakh to 3.98 lakh, Karnataka from 30.42 lakh to 34.24 lakh, Madhya Pradesh from 20.18 lakh to 32.31 lakh, Maharashtra from 23.67 lakh to 31.08 lakh, Orissa from 15.75 lakh to 19.41 lakh, Punjab from 2.07 lakh to 2.34 lakh, Rajasthan from 11.85 lakh to 15.45 lakh, Tamil Nadu from 46.41 lakh to 53.07 lakh, Uttar Pradesh from 17.04 lakh to 26.35 lakh and West Bengal from 70.23 lakh to 81.95 lakh.

C. Coverage of Females, Scheduled Castes and Scheduled Tribes Under Literacy Campaigns

The National Literacy Mission attaches special importance to coverage of females, Scheduled Castes and Scheduled Tribes learners. While sanctioning literacy campaigns to tribal districts, NLM provides financial assistance to the tune of 80% of the total budget and 20% of the amount is met by the State Government. On the basis of data available from the literacy campaigns 61% of the surveyed learners are female, 22.61% are scheduled castes and 12.87% are scheduled tribes. As far achievement at level III is concerned, 41.74% are males, 58.26% females and 20.79% scheduled castes and 11.85% scheduled tribes respectively.

D. Overall Achievement Under NLM

Since the launching of NLM in 1988, 44.78 million learners have been made literate under literacy campaigns (Annex-II) and 18.86 millions under other schemes of NLM. The overall achievement in terms of

number of persons made literate till March 1997 works out to 63.64 million. (Annex-III)

E. Post Literacy

The number of Post Literacy Project has increased from 143 in March 1996 to 168 in March 1997. Out of 168 PL project, 150 PL projects have sent their initial report about progress made during PL phase. Till 1995-96, only 102 projects had sent their progress report.

The proposed number of neo-literates to be covered under post literacy phase (in 150 reporting projects) is 355.55 lakh out of which nearly 261.77 lakh (73.62%) have been enrolled and 153.39 lakh (43.14%) are participating in PL Centres (Annex-IV).

A table showing the number of post literacy projects sanctioned State-wise and their target, enrolment and participation under PL activities is given below:

Status of Post Literacy Projects State-wise

S.No. State	No.of projects sanc- tioned	No.of projects	Proposed no.of neo- literate (in lakh)	Enrolment (%)	Participa- tion in PL centres (%)
1. Andhra Pradesh	22	20	64.13	76.11	27.19
2. Assam	2	2	1.22	30.32	37.05
3. Bihar	8	5	11.24	49.38	37.81
4. Chandigarh	1	1	0.35	-	-
5. Gujarat	17	17	28.58	88.84	58.26
6. Haryana	2	2	1.21	73.55	-
7. Himachal Pradesh	11	11	4.02	51.74	38.80
8. Karnataka	15	14	33.24	63.27	40.22
9. Kerala	1	1	12.22	90.00	-
10. Madhya Pradesh	12	9	15.63	78.95	32.69
11. Maharashtra	12	10	18.58	95.53	36.16
12. Orissa	12	10	23.22	63.26	50.00
13. Punjab	3	3	4.27	72.83	32.78
14. Pondicherry	1	1	0.89	83.14	65.17
15. Rajasthan	8	7	14.59	61.68	32.35
16. Tamil Nadu	18	18	41.27	90.84	68.43
17. Tripura	2	-	-	-	-
18. Uttar Pradesh	8	7	10.21	70.52	69.63
19. West Bengal	13	12	70.68	62.72	48.53
Total	**168**	**150**	**355.55**	**73.62%**	**43.14%**

It can be seen from the table above that in Andhra Pradesh 22 projects out of 24 TLC projects have moved to PL phase. In Gujarat, 17 out of 20, Himachal Pradesh 11 out of 12, Karnataka 15 out of 20, Madhya Pradesh 12 out of 45, Maharashtra 12 out of 30, Orissa 12 out of 21, Rajasthan 8 out of 31, Tamil Nadu 18 out of 23, Tripura 2 out of 3, Uttar Pradesh 8 out of 68 and West Bengal 13 out of 17 projects have entered the post literacy phase.

As far as enrolment under post literacy phase is concerned, the states of Andhra Pradesh, Gujarat, Haryana, Kerala, Madhya Pradesh, Maharashtra, Punjab, Pondicherry, Tamil Nadu and Uttar Pradesh reportedly enrolled more than 70% neo-literates. The states of Himachal Pradesh, Karnataka, Orissa, Rajasthan and West Bengal have reported more than 50% enrolment of neo-literates. The participation of neo-literates under PL activities is not very encouraging. Only the states of Gujarat, Orissa, Pondicherry, Tamil Nadu and Uttar Pradesh have reported more than 50% participation under PL phase.

F. OPERATION RESTORATION

In the initial years of the launching of NLM, the literacy campaigns were sanctioned to states of south viz, Kerala, Andhra Pradesh, Tamil Nadu, Maharashtra etc. where there had been a higher literacy rate as well as strong voluntary ethos. However, when the literacy campaigns were launched in Hindi heartland, it was found difficult to make headway as the literacy rate especially female literacy, was very low and these States did not have a strong tradition of voluntary movement. Although literacy campaigns took the form of a mass movement and spread very quickly throughout the country, in many cases for reasons such as frequent transfer of collectors, natural calamities, absence to political will etc. a number of campaigns floundered. Therefore, a need was felt during 1996-97 to restore these campaigns. The guidelines for identifiying districts for operation restoration as well as the categorisation of districts needing restoration were finalised. The objective of review-cum-restoration operation is to carefully analyse the reasons for such problems and to help the campaign leaders to formulate appropriate remedial measures.

It was decided to form a team of 6 persons; two consultants; State Director of Adult Education, Director, SRC, Director/ Representative of NLM, and a representative from BGVS to visit these districts and help

the ZSSs of these campaign districts to review various aspects of their campaign and to understand the present state of the campaign and then proceed to evolve appropriate restoration strategies.

The folloing districts in six states have been identified for operation restoration:

1.	Bihar	1.	Aurangabad
		2.	Sapaul
		3.	Saharsa
		4.	Madhepura
		5.	Jamui
		6.	Monghyr
2.	Haryana	7.	Kurakshetra
		8.	Rewari
		9.	Bhiwani
3.	Karnataka	10.	Bijapur
		11.	Bangalore Rural
		12.	Kolar
4.	Orissa	13.	Gajapati
		14.	Koraput
		15.	Nayagarh
		16.	Sambalpur

V. Visits to Campaigns Districts

It has been observed that some of the ongoing campaign districts are not able to cope up with the time schedule planned by the district in the calender of events and lag behind due to various kinds of problems. This ultimately gets reflected in the performance. Such districts are identified on the basis of progress reports received by the NLM. These districts are visited by officials/consultants to review the progress and

give qualitative feedback on the strength and weakness of ongoing campaign. During 1996-97, 120 such campaign districts were visited by the officers/consultants of NLM.

VI. Evaluation

As mentioned earlier, the literacy campaigns are subjected concurrent and final external evaluation. The concurrent evaluations are being conducted by agencies empanelled by the State Directorates of Adult Education. The system of final/external evaluation has been made more transparent and to ensure greater objectivity it has been decided that no agency internal to the state will carry out final evaluation.

A Core Group on Evaluation was set up by NLM to identify capable external evaluation agencies in the country to undertake external evaluation of literacy campaigns. The core group had identified 62 such agencies for this purpose. The Directorate of Adult Education organised five Regional Workshops of Evaluation Agencies at Goa, Patna, Lucknow, Mysore and Delhi to orient these agencies about methodology, sampling plan, evaluation process etc. so that scientific and reliable external evaluation studies could be undertaken.

The Directorate of Adult Education has brought out three volumes of summaries of evaluation studies conducted so far. A mannual on "Concurrent Evaluation" has also been brought out for use by evaluation agencies for conducting concurrent evaluation. The State Directorates have been requested to organise workshops to orient agencies who have been empanelled by them for concurrent evaluation.

Starting from 1996, "Satyen Maitra Literacy" Awards are given on the occassion of International Literacy Day to districts whose performance is adjudged best on the basis of external evaluation. For 1996, the first Literacy prize was awarded to literacy campaign district of Belgaum in Karnataka and Second Prize was awarded to Dumka in Bihar.
