While working out the density of India, Jammu & Kashmir has been excluded as comparable figures of area and population are not available for the state.

@ The 1981 census could not be held in Assam, therefore, for calculating the density of India and Assam, the population figures for 1981 for Assam as worked by interpolation have been taken.

+ For working out the density of India and Jammu & Kashmir, the entire area and population of those portions of J&K which are under illegal occupation of Pakistan and China have not been taken into account.
