MAP OF MIZORAM

PREFACE

The “Statistical Handbook of Mizoram 2020”, which is the 23rd (twenty third) in the series presents statistical data of the State in a concise form, covering various sectors of an economy. Data were collected from various Central and State Departments, Directorates, Offices, various Non-Government Organisations, Churches and other official documents and publications. It seeks to provide statistical information on the Socio-Economic aspect of the State. Efforts have been made to incorporate up-to-date information for the benefit of interested individuals, policy makers, administrators, bureaucrats, planners, scholars, research scholars and tourists.

I gratefully acknowledged the kind cooperation extended by all data suppliers and hope continuous cooperation in future. Even though all possible efforts have been made for publishing this Publication before the end of the Fiscal 2020-2021; Covid-19 Pandemic delayed collection of statistical data.

I expressed my sincere gratitude to all Deputy Directors, Research Officer, Inspector of Statistics, Sub-Inspector of Statistics, Field Assistant of Statistics, Data Entry Operators of Technical Wing of this Directorate for bringing out this invaluable Publication.

Any suggestion and advice for further improvement in terms of Content, Presentation, Quality, etc. for the next publication would highly be appreciated.
