PREFACE

I am happy that the Directorate of Economics and Statistics is bringing out its Annual publication entitled “Puducherry at a Glance 2019” which presents various statistical information in respect of the Union Territory of Puducherry for the year 2018-19. The socio-economic indicators presented in the publication are essential for making policy decisions in respect of various schemes implemented by the Departments.

I hope that this report will be useful to the Administrators, Planners, Research Scholars, Economists and General public. I am grateful to all the data source agencies for making available the requisite data well in advance which has enabled to bring out the publication in time.

The efforts put in by the officers and staff associated in collection, compiling, printing and binding the publication are appreciated.

PADMA JAISWAL, I.A.S.,

Puducherry - 605 013**

INTRODUCTION

The Annual publication “Puducherry at a Glance” is being brought out by the Directorate of Economics and Statistics keeping in view of the importance of data needs under various walks of society at large. Efforts have been made to incorporate the latest and updated information of different socio-economic aspects of the Union Territory of Puducherry. The information furnished relates to the financial year or as otherwise stated. It provides an insight of the region wise information for assessing the inter-regional disparities and socio-economic indicators highlighting certain developmental trends and progress in various sectors of the Union Territory economy.

I wish to keep in record the continued and generous co-operation extended by various Departments and Institutions in bringing out this publication which I acknowledge with gratitude. The co-operation extended by the Director, Joint Director and the staff of the Directorate of Stationery and Printing, Puducherry for printing the publication in the present shape at short notice is gratefully acknowledged.

This Directorate is constantly endeavoring to improve the quality of the publication. It is hoped that this publication would be very useful to the Administrators, Research scholars, Planners and General public. There is, of course, room for further improvements in the quality, coverage, timeliness and even in the mode of presentation. Suggestions/Comments towards this end are most welcome.
