AN OVERVIEW OF PUDUCHERRY

Puducherry formerly known as Pondicherry, is a Union Territory of India. It was formed out of four enclaves of former French India, namely Puducherry, Karaikal, Yanam and Mahe. It is named after the largest district Puducherry. Pondicherry was transferred to the young Republic of India on 1st November 1954, legally on 16 August 1962, when French India ceased to exist but became the present Indian constituent state of Puducherry, still combining four coastal enclaves.

Historically known as Pondicherry, the territory changed its official name to Puducherry in September 2006 which signifies new settlement or new town. Puducherry lies in the southern part of the Indian Peninsular. The areas of Puducherry and Karaikal are bound by the State of Tamilnadu, while Yanam and Mahe otherwise called by the natives as Mayyazhi are enclaved by the states of Andhra Pradesh and Kerala respectively. Puducherry and Mahe are themselves amalgamations of non-contiguous enclaves, often called pockets in India. Puducherry region is made up of 11 such pockets, some of which are very small and entirely surrounded by the Tamilnadu State. Mahe region is made up of three pockets surrounded by Kerala State. All four regions of Puducherry U.T. are located in the coastal region. Five rivers in Puducherry region, seven in Karaikal, two in Mahe and one in Yanam drain into the sea, but none originates within the territory.

Puducherry city, capital of the U.T. of Puducherry, has as interesting cross-cultural history and its built form lends a unique identity to the city. The old part of Pondicherry is known as the Boulevard Town since it is bounded by four boulevards that constituted the outer limits of the city's fortification. The Boulevard Town presents two distinct architectural styles in the Tamil and French quarters, which are separated by a canal and unified by a rectilinear grid plan. There are few monumental buildings in Pondicherry and the architectural character of the town is the result of hundreds of traditional-style houses (both in Tamil and French pattern) that form the unique streetscapes so distinctive of Pondicherry. The old Boulevard Town of Puducherry would be developed a "Heritage Zone" comprising of Tamil and French quarters. The Government of Puducherry owns a number of heritage buildings and has decided to restore some of these buildings to encourage similar efforts in the city.

The four regions of the Union Territory have a coast line of 45 km. Fishermen, in 39 marine fishing villages and 11 inland fishing villages are actively engaged in fishing.

Along with NCT of Delhi, Puducherry is one of two union territories in India that is entitled by special constitutional amendments to have an elected Legislative Assembly. There are One Lok Sabha Constituency and 30 Legislative Assembly Constituencies in the U.T. One Member of Parliament (Rajya Sabha) is representing the U.T. of Puducherry. Three members are nominated for the Legislative Assembly. The Centre is represented by the Lieutenant Governor, who resides at the Raj Nivas (Le Palais du Governor) at the Park, the former palace of the French Governor.

According to the Treaty of Cession of 1956, the four territories of former French India territorial administration are permitted to make laws with respect to specific matters. In many cases, such legislation may require ratification from the federal government or the assent of the President of India.
