PREFACE

The "Hand Book of Teaching Facilities" contains information about facilities available in the Teaching Departments of Universities in the country during 1987-88. It has been prepared on the basis of the Directory of Teaching Departments of Indian Universities 1986-87 and the information collected from the universities regarding new courses and new departments introduced during 1986-87 and 1987-88.

The "Hand Book" provides the names of the disciplines/ subjects arranged alphabetically according to Faculty and the Universities. The Hand Book depicts the teaching facilities available in the faculties of (1) Arts, (2) Science, (3) Languages (Indian and Foreign), (4) Religious Studies / Culture etc., (5) Commerce , (6) Education , (7) Law , (8) Engineering and Technology ,(9)Medicine,(10) Agriculture,(11) Veterinary Science, (12)"Other faculties" and (13)Miscellaneous. The Miscellaneous section covers subjects not covered in the preceding faculties.

Teaching facilities for Indian Languages other than Hindi and Sanskrit are clubbed together and shown under the head "Language (Indian and Foreign)". Similarly Foreign Languages other than English are also clubbed together and shown under the head "Languages (Indian and Foreign)". The teaching facilities for "Religious Studies,Culture, Area Studies" etc. are shown under a separate head "Religious Studies/Culture/Area Studies/ Theology". Besides these, " Other Faculties " include disciplines like Journalism,Library Science, Music, Fine Arts and Social Work etc.

INTRODUCTION

The "Hand Book of Teaching facilities" contains information about facilities available in the Teaching Department of Universities in the country during 1987-88. It has been prepared on the basis of the information collected from the Universities in respect of Teaching Department of Indian Universities and the new courses and New Departments introduced during 1987-88.

The "Hand Book" depicts the subject-wise facilities available in the faculties available in the faculties of (1) Arts, (2) Science, (3) Languages (Indian & Foreign), (4) Religious Studies/Culture etc., (5) Commerce (6) Education, (7) Law, (8) Engineering and Technology, (9) Medicine, (10) Agricultural, (11) Veterinary Science, (12) 'Other Faculties' like Journalism, Physical Education, Music & Fine Arts etc. and (13) Miscellaneous. The Miscellaneous section covers subjects not covered in the preceding faculties.

The detailed information contained in the "Hand Book" has been analysed briefly to depict the number of universities having teaching facility for (i) Under-graduate degree, (ii) Post-graduate degree and Research and (iii) Undergraduate, Post-graduate and Research in Table : 1.

Note:- Courses of study in the disciplines indicated against the respective Universities mentioned below are not available.

Hence these Universities have not been included in the above analysis:

1. Kameshwar Singh Darbhanga University:- Philosophy
2. Agra:-Politics/Public Admn.
3. Vishwa Bharati:- Politics/Public Admn.
4. Ravishanker:-Anthropology,Chemistry
5. Gorakhpur:- Computer Science
6. Punjab Agricultural:-Mathematics

As may be seen from the statement (Table:I), bulk of the universities occur in the category of Postgraduate level and above. This is because most of the universities are of Affiliating or Affiliating-cum-Teaching type and the Under-graduate teaching is done in affiliated colleges the University's teaching activities are confined to Post-graduate teaching & Research.

Although the Universities of Affiliating character were, in the beginning of their inception, established for performing the functions of a coordinating agency for the affiliated institutions/colleges, overseeing their academic activities, maintaining standards of teaching and examination in terms of laying down Course-Contents, Terms and Vacations, minimum qualification for teaching staff and other related items which go as essential inputs for an efficient education system of high standard.

However, with the passage of time, these universities took upon themselves the work of Postgraduate teaching through teaching departments specially set-up for the purpose by the universities.

The number of universities having teaching facility at "Undergraduate level only" is expectedly low. Some of the few universities that appear in this category are A.P. Open, Sri. Sathya Sai, Gandhi Gram Rural, Banasthali, Dayal Bagh Educational Institute etc. This is because a University has, in general, been conceived of as an institution devoted to Postgraduate teaching and Research.

Most of the Universities which appear in the third category i.e. teaching Undergraduate degree as well as Postgraduate degree courses and above are from States of Uttar Pradesh, West Bengal, Rajasthan and Madhya Pradesh and almost all of them are "Residential & Teaching" or "Unitary & Teaching" character, those from Uttar Pradesh are Aligarh Muslim University, Allahabad, Banaras Hindu University, Garhwal, Kashi Vidyapith, Lucknow, Sampurnanand and Dayal Bagh Educational; those from West Bengal are Jadavpur, Kalyani, Rabindra Bharti; those from Rajasthan State are Jodhpur, Sukhadia and Banasthali while those from Madhya Pradesh are Dr. H.S. Gaur and Indira Kala Sangeet.

The following statement (Table:2) depicts the state-wise number of Universities offering teaching facilities in their various Teaching Departments in the faculties of Arts and Science.
