Introduction

Based on the returns received from the various universities and colleges in the country a statistical report has been prepared for the year 1966-67 giving briefly the latest facts and figures pertaining to university education. The data relates largely to the position as on August 15, 1966. Information presented in the report in respect of the three universities viz., Indira Kala Sangit Vishvavidyalaya, Varanaseya Sanskrit Vishvavidyalaya and Rajindra-Bharati relates only to the University campus, Khairagarh Warasi and Calcutta respectively. No information was received from K.S. Darbhanga Sanskrit Vishvavidyalaya for 1966-67. In the case of colleges which did not send statistics for 1966-67, data of the previous year has been used.
