The Statistical Abstract - 1984 has been prepared as per recommendations of the Working Group constituted by Central Statistical Organisation for standardisation of contents of Statistical Abstracts being brought out by different States. The data contained in this publication been collected from different Departments as per standard formats. The present publication also gives data relating to past years so as to present a time series on various aspects. In addition to standard formats, new tables on each chapter have been included incorporating some more useful information relating to the Union Territory. Due to late receipt of data from some of the source offices, the publication of this issue has been delayed.

I would record my appreciation for the assistance rendered by source offices in submission of required data. I am also grateful to officers and staff of publication section who have taken enough painsto publish this Abstract.

Suggestions for the improvement of this publication will be gratefully accepted.
