SURVEY OF TECHNICAL EDUCATION FACILITIES IN INDIA

1964

DIPLOMA COURSES IN ENGINEERING & TECHNOLOGY

Number of  
Institutions,  
Intake capacity,  
admissions and  
Out-turn.

1. The number of institutions conducting diploma courses in engineering and technology in 1964 (academic year 1964-65) is 264, with a total admission capacity of 46,243 students. The actual admissions, however, are 41,645. The reason for the actual admissions being less than the sanctioned admission capacity is that some of the new institutions that started recently, were still in the process of establishment and had to limit admissions to available facilities. Same is the case with institutions which have started part-time courses.

2. The output of diploma holders during the year 1964 (i.e. at the end of the academic year 1963-64) is 15,202. The subject-wise distribution of the sanctioned admission capacity, actual admissions

Contd.....

made and out-turn in 1964 is as below:-

Subject	Sanctioned Admission Capacity	Actual Admissions	Out-turn
Civil Engineering	14,420	13,731	5,528
Mechanical Engineering	15,540	13,781	4,832
Electrical Engineering.	13,085	11,389	3,654
Tele-communication/ Radio Engineering/ Electronics.	260	263	136
Mining Engineering	560	446	231
Metallurgy	90	84	12
Automobile Engineering	357	252	83
Textile Technology	475	468	236
Leather Technology	65	58	30
Printing Technology	445	332	163
Textile Chemistry.	95	89	113
Chemical Operators/ Chemical Engineering.	120	100	-
Pharmacy	400	336	125
Ceramic Technology	60	60	30
Sound Engineering	61	54	18
Production Engineering.	180	169	11
Architectural Assistantship.	30	33	-
	<u>46,243</u>	<u>41,645</u>	<u>15,202</u>

Contd.....

Additional 3. During 1964, the following 12 new Polytechnics have  
Institutions. started functioning with an admission capacity of  
1920 seats:-

<u>Polytechnic.</u>	<u>Intake Capacity.</u>
<u>Delhi.</u>	
1. Kashmere Gate Polytechnic, Delhi.	300
<u>Punjab.</u>	
2. Government Polytechnic, Batala.	120
<u>Uttar Pradesh.</u>	
3. Government Polytechnic, Mirzapur.	120
4. Government Polytechnic, Meerabad.	180
<u>Bihar.</u>	
5. School of Engineering, Dumka.	180
6. School of Engineering, Barauni.	180
<u>West Bengal.</u>	
7. Cooch Behar Polytechnic, Cooch Behar.	180
<u>Gujarat.</u>	
8. Government Polytechnic, Rajkot.	180
<u>Madhya Pradesh.</u>	
9. Polytechnic, Seoni.	120
10. Polytechnic Institute, Ashok Nagar.	120
<u>Maharashtra.</u>	
11. Government Polytechnic, Nanded.	120
12. Government Polytechnic, Yeotmal.	120

---

1920

---

Contd.....

4. In addition to above, two polytechnics in Punjab, viz. Government Polytechnic, Guru Tegh Bahadur Garh and Government Polytechnic, Hamirpur which started in 1963 as guest institutions, have been shown as separate institutions in this Survey Report.

5. A 3-year Chemical Operator's Course was introduced in 1963 at the Central Polytechnic, Madras with 50 admissions. This course is now being conducted at a separate institution known as the Institute of Chemical Technology, Madras, as shown in the Report.

6. In the Survey Report for 1964 the Diploma Course in Pharmacy conducted at some of the Polytechnics have been included. The L.M. College of Pharmacy, Ahmedabad, which is conducting Diploma Course in Pharmacy has accordingly been included in the Report.

7. The Chandigarh College of Architecture, Chandigarh, has introduced Diploma Course in Architectural Assistantship with an admission capacity of 30 students. This College has accordingly been included in this Report.

8. The Punjab Engineering College, Chandigarh is conducting a 4-year diploma course in Production Engineering. Since this College is conducting degree courses, this is not being counted as a separate institution in this report. However the admission capacity and actual admission of 120 have been accounted for in this Report.

9. The University of Roorkee has stopped admissions to diploma courses from 1964-65 Session. This reduces the number of diploma institutions by one.

10. Besides the new Polytechnics, some of the existing Polytechnics have also been expanded. Further, the admission capacity of all the institutions in this Report shows the ultimate annual admission capacity sanctioned for the institution, even though they may not have made admissions to that extent.

As a result of the above measures ~~the~~ admission capacity has been increased by 6536 seats as detailed below:-

a)	Additional seats from new institutions.	=	1920
b) Nett	Additional seats by way of expansion, starting of new courses and by inclusion of ultimate admission capacity as sanctioned admission capacity.	=	4616
Total:			<u>6536</u>

2-2-Year  
Technicians'  
Courses.

11. During 1964, three more polytechnics (marked \*) have introduced 2-year Technicians' Courses by replacing the existing 3-year diploma courses conducted by them. This brings the number of institutions so far conducting 2-year Technicians' Courses to 8 with an admission capacity of 1710 seats given as follows:

	<u>Admission Capacity.</u>
<u>Andhra Pradesh.</u>	
1. Andhra Polytechnic, Kakinada.	210
2. Government Polytechnic, Hyderabad.	300
<u>Bihar.</u>	
3. Patna School of Engineering, Patna.	300
4. Ranchi School of Engineering, Ranchi.	300
<u>Uttar Pradesh.</u>	
*5. Government Polytechnic, Lucknow.	300
*6. Nainital Polytechnic, Nainital.	180
*7. <del>Washim</del> Asansol Polytechnic, Asansol.	60
8. Birla Institute of Technology, Calcutta.	60
<u>Total:</u>	
	<u>1710</u>

Part-time  
Courses.

12. Part-time Diploma Courses in Engineering have been introduced in 1964 at the following institutions:-

<u>Institution.</u>	<u>Admission Capacity.</u>
<u>Punjab.</u>	
1. Thapar Polytechnic, Patila.	100
<u>Bihar.</u>	
2. Mining Institute, Dhanbad. (Recognised Evening Classes of Bhaga Mining School).	40
<u>West Bengal.</u>	
3. J.C. Ghosh Polytechnic, Calcutta.	60
4. Central Calcutta Polytechnic, Calcutta.	60
<u>Gujarat.</u>	
5. Government Polytechnic, Ahmedabad.	100
<u>Madhya Pradesh.</u>	
6. Government Central Technical Institute, Gwalior.	60
7. Shri Vaishnav Polytechnic, Indore.	120
Total:	540

This brings the total number of institutions conducting part-time diploma courses to 27 which includes:-

- a) 22 institutions conducting courses in Civil/  
Mechanical/Electrical Engineering.
- b) 4 Regional Printing Schools.
- c) 1 Mining Institution.

The 22 institutions shown at (a) above includes 16 institutions approved under the scheme of establishment of 25 centres for conduct of part-time courses. The remaining 9 institutions have yet to start these courses. A complete list of institutions conducting part-time diploma courses is given in Appendix-II.

13. The break up of the Sanctioned Admission Capacity, Actual Admissions and Out-turn between full-time and part-time diploma courses is as follows:-

Courses.	Sanctioned Admission Capacity.	Actual Admissions	Out-turn.
a) Full Time	43,628	39,675	14,353
b) Part-Time	2,615	1,970	349
Total:	46,243	41,645	15,202

14. The Sanctioned Admission Capacity of 46,243 and the actual admissions of 41,645 in this Survey Report take into account, all the changes/developments explained above.

15. In addition to these 264 Polytechnics, there are at present 15 Girls' Polytechnics in the country. A number of these Polytechnics are conducting courses like Electrical Communication/Radio Engineering/Electronics, Architectural Assistantship, Civil Engineering and Pharmacy. There are also 9 Rural Institutes in the country conducting diploma courses in Civil and Rural Engineering. A list of the Girls' Polytechnics and Rural Institutes is given separately at the end of the Survey Report. If these institutions are also taken into account, the overall admission capacity, actual admissions and out-turn for diploma courses in

Contd.....

engineering and technology in 1964 is as follows:-

Type of Institution.	Sanctioned Admission Capacity.	Actual Admissions	Out-turn
1) Diploma Institutions	46,243	41,645	15,202
2) Girls' Polytechnics	600	499	100
3) Rural Institutions.	360	416	165
Grand Totals:	47,203	42,560	15,467

16. Also shown in the ~~Appendix~~ are institutions which are conducting various technical courses not of a regular pattern as also specialised institutions for certain subjects not strictly classified as technical.

<b>((C) Specialised Institutions conducting courses not strictly Technical.</b>						
11.	Directorate of Marine Engineering Training, Calcutta.	Marine Engineering Training.	100	100	92	It is a 4-year course after Inter-Science. The Institute has also a branch at Bombay with an admission capacity of 40.
12.	Institute of Jute Technology, Calcutta.	Jute Technology	25	30	26	It is a 3-year course after B.Sc.
13.	College of Ceramic Technology, Calcutta.	Ceramic Technology	8	8	8	It is a 2-year course after Higher Secondary or Pre-Univ.
14.	Deccan Education Society's Technical Institute, Poona.	Paint Technology.	25	22	13	It is a 2-year course after S.S.C.
<b>(D) Courses not of a Regular Pattern.</b>						
1.*	Government Tanning Institute, Jullunder.	Leather Goods Manufacture	15	7	-	
2.*	Government Leather Institute, Agra.	Leather Goods Manufacture	20	9	-	
3.*	Government Leather Institute, Kanpur.	Leather Goods Manufacture.	20	20	16	
4.*	Government Leather Technological Institute, Gwalior.	Leather Goods Manufacture.	10	2	5	
5.*	Government Central Technical Institute, Gwalior.	Post Diploma in Structural Engg.	15	5	-	
6.	Government Leather Working School, Bandra, Bombay.	Leather Goods & Footwear Manufacturing	5	5	1	
7.*	V.J.T.I., Bombay.	Post Diploma in Industrial Engg.	30	30	3	
8.*	Kerala Government Polytechnic, Calicut.	Chemical Engineering	20	19	15	
9.*	Central Polytechnic, Madras.	Fisheries Technology & Navigation.	30	30	11	

1.	2.	3.	4.	5.	6.
10.* Institute of Leather Technology, Madras.	Leather Goods Manufacture.	15	-	12	
11.* P.S.G. Polytechnic, Coimbatore (Madras).	Post Diploma in Industrial Engineering.	10	7	-	
12.* S.J. Polytechnic, Bangalore.	Mining	20	-	14	
	Cinematography	20	20	9	

\* These institutions are also included in the main Survey Report for diploma courses of Regular Pattern conducted by them.

.....

Institutions conducting Part-time Diploma Courses in Engineering and Technology.

a) Civil/Mechanical/Electrical Engineering.

<u>Name of Institution.</u>	<u>Admission Capacity.</u>
<u>Punjab.</u>	
*1. Thapar Polytechnic, Patiala.	100
<u>West Bengal.</u>	
*2. Ansansol Polytechnic, Assansol.	120
*3. Acharya Prafulla Chandra Roy Polytechnic, Jadavpur .	120
4. Shri Jnan Chandra Ghosh Polytechnic, Calcutta.	60
5. The Calcutta Technical School, Calcutta.	410
*6. Birla Institute of Technology, Calcutta.	100
7. Central Calcutta Polytechnic, Calcutta.	60
<u>Gujarat.</u>	
*8. Government Polytechnic, Ahmedabad.	100
*9. Polytechnic, M. S. University, Baroda.	100
<u>Madhya Pradesh.</u>	
10. Government Central Technical Institute, Gwalior.	60
*11. Government Polytechnic, Jabalpur.	100
*12. S.V. Government Polytechnic, Bhopal.	100
13. Shri Vaishnav Polytechnic, Indore.	120
<u>Andhra Pradesh.</u>	
*14. Andhra Polytechnic, Kakimada.	100
*15. Government Polytechnic, Hyderabad.	100
*16. Government Polytechnic, Vijayawata.	100
<u>Kerala.</u>	
17. Kerala Government Polytechnic, Calicut.	60
*18. Maharaja's Technological Institute, Trichur.	100

*19.	Government Polytechnic, Kalamassery.	100
*20.	Central Polytechnic, Trivandrum <u>Madras.</u>	100
*21.	Central Polytechnic, Madras.	100
*22.	Tamilnad Polytechnic, Madurai.	100
		<u>2410</u>

b) Printing Technology.

23.	Northern Regional School of Printing Technology, Allahabad (U.P.)	60
24.	The School of Printing Technology, Calcutta (W.B.)	20
25.	School of Printing Technology, Bombay (Maharashtra).	50
26.	Regional School of Printing, Madras (Madras)	35 *
		<u>165</u>

c) Mining Engineering.

27.	Mining Institute, Dhanbad (Bihar) (Reorganised Evening Classes of Bhaga Mining School).	40
	Grand Total:	<u>2615</u>

----- X -----

\* - indicates institutions approved by the All India Council for Technical Education under the Scheme of establishment of 25 Centres for conduct of part-time diploma courses.
