- 10 **State Resource Centres** A SRC has been set up in the University of Kashmir. The UGC provides financial assistance to the State Resource Centre. Working of the SRC is being reviewed by a Committee set up by UGC.
- 11 **Shramik Vidyapeeth** A new SVP has been set up at Jammu under a voluntary agency namely Samaj Kalyan Kendra, Geeta Bhawan during the current year.
- 12 **Universities/ Colleges** Both the Universities viz. Jammu & Kashmir are participating in the AE programme. 243 AECs were sanctioned to these universities during 1984-85. Monitoring returns received from the State Government do not reflect functioning of AE Programme through these Universities.
- 13 **Monitoring** The monitoring returns received from the State Government do not present a coordinated picture for the AE programme in the State. These are received separately from Jammu & Kashmir Divisions. Reports in respect of Leh and Ladakh are not covered by these Reports. It is desirable that a consolidated report for the State as a whole is sent by State Government. It should also include the AE Programme implemented through the Universities and NYK.

10 **State Resource Centres** The resource support will be provided by BEHU University, when SRC's responsibilities are shared by it.

11 **Monitoring** The monitoring reports are received rather late mainly because of the terrain. The system should be suitably improved not only to ensure prompt submission of reports but also to have an inbuilt provision to verify the field data. Prompt action to solve the problems identified from the feedback should be taken.

Efforts are required also to make the monitoring more broad-based and responsive to the programme achievements.
