## P R E F A C E

This study attempts an analysis of trends in respect of Foreign students studying in Indian Universities, (Including affiliated colleges) Deemed to be Universities and Institutions of National Importance during the year 1982-83. Basic data for the study was collected from all the Universities, institutions deemed to be Universities and institutions of national importance.

The study provides data which is Universities-wise, subject-wise, country-wise, continent-wise, sex-wise and level-wise. We are grateful to the Universities/institutions deemed to be Universities/institutions of national importance for providing the useful data for this study.

I would like to place on record my deep appreciation of the team effort and the work done by the Project Staff S/Shri X.K. Khullar, S.C. Seddey, D.R. Kapoor, Subhash Chander and Charan Singh in bringing out this useful composition.

It is hoped this study will be of interest to planners, administrators, and research workers in the field of higher education.
