P R E F A C E

“Education in India” is being brought out annually by the Statistics & Information Division in the Department of Education of the Ministry of Education and Social Welfare. From the year 1966-67 onwards, the pattern was changed in pursuance of the recommendations of the Standing Advisory Committee on Educational Statistics and a combined volume has been appearing from that year onwards. This is the third in that series.

This publication consists of two parts—Part I and Part II. Part I gives a general survey of various developments in the field of education, both at the Centre and in the States, whereas Part II generally comprises of State-wise statistical tables relating to all aspects of education on which data is annually collected by this Ministry. Thus, this publication which gives detailed educational data, meets the requirements of the users of educational statistics, more especially the administrators, planners and the research workers.

The Ministry of Education & Social Welfare express their thanks to the Directorates of Education in the States and Union Territories and other educational bodies both at the Centre and in the States, who supplied the material required for this publication.

Suggestions for further improvement in this publication are welcomed and may be addressed to the Joint Secretary (Planning) in this Ministry.

NEW DELHI,
The 26th August, 1974.

*Ministry of Education & Social Welfare,
Govt. of India,
New Delhi.*

EXPLANATIONS

1. **Academic Year:** For the sake of uniformity, the academic year in these tables is taken to coincide with financial year i.e. from 1st April, 1968 to 31st March, 1969.
2. All statistics refer to *recognised institutions* only. The recognised institutions are those in which the courses of study followed are prescribed or recognised by the Government or by a Board of Secondary and Intermediate Education constituted by law and which satisfy one or more of these authorities, as the case may be, that they attain to a reasonable standard of efficiency. They are open to inspection and their pupils are ordinarily eligible for admission to public examinations and tests held by the Government or the University or the Board.
3. **Institutions, Enrolment and Teachers:** Figures regarding number of Institutions, Enrolment and Teachers relate to 31st March of the year.
4. **Expenditure:** In calculating the expenditure from Government, District Board or Municipal Board Funds, all payments or contributions from fees and other sources which are credited to such funds, are deducted. The expenditure figures cover the financial year.
5. **Local Boards:** Include District, Municipal and Cantonment Boards as well as Town Area Committees and Janpad Sabhas, Zila Parishad and Territorial Councils.
6. **Examination Results:** Refer to those students who were educated during the year. These include results of private candidates also.
7. **Indirect Expenditure:** Represents the amount incurred on direction, inspection, buildings, furniture, scholarships, hostels and other miscellaneous items. The expenditure on some of these items cannot be apportioned to each type of institution.
8. Institutions exclusively or mainly meant for girls have been classified as girls' institutions and the remaining as boys' institutions.

PART I—GENERAL SURVEY

GENERAL SURVEY

During the year under report, a National Policy on Education was evolved on the basis of the recommendations of the Education Commission and a Government Resolution was formulated and placed on the Tables of both the Houses of Parliament on 24th July, 1968. The main features of the National Policy on Education were the adoption of 10+2+3 pattern of education; early fulfilment of the Constitutional directive of providing free and compulsory education for the age-group 6 to 14; special programmes of expansion of girls' education; promotion of national integration; development of languages; improvement of conditions of school teachers; promotion of book development programmes; expansion and improvement of science education; introduction of correspondence courses, etc.

2. The Fourth Five Year Plan on Education was formulated with an allocation of Rs. 809 crores—Rs. 259 crores in the Central Sector and Rs. 550 crores in the State Sector. As this outlay was much less than the originally proposed outlay of Rs. 1300 crores, only priority programmes, such as expansion and improvement of primary education, improvement of science education, improvement of higher education, programmes of national integration and book promotion were mainly included in the Plan.

3. The 34th meeting of the Central Advisory Board of Education was held on 11th and 12th October, 1968 to discuss, *inter-alia*, the implementation of the National Policy on Education and the formulation of the Fourth Five Year Plan. The Board generally approved the programmes outlined in the National Policy on Education for the Fourth Five Year Plan. It also discussed the recommendations of the National Integration Council both relating to orientation of education through revision of curricula and extra curricular programmes. The Board constituted a Standing Committee to review quarterly the implementation of the programmes recommended by it. The first meeting of this Committee was held on 6th and 7th January, 1969.

4. Realising the importance of social science research and its utility of guiding programmes of planned national development, an Indian Council of Social Science Research was established under a Government Resolution as an autonomous organization for promoting and coordinating research in social sciences.

5. An outlay of Rs. 129.1 crores was approved by the Planning Commission for the Annual Plan relating to the year under report. Of this Rs. 86.1 crores was in the State Sector and Rs. 43.0 crores in the Central Sector. The total budget provision of the Central Ministry of Education and Social Welfare was Rs. 143.19 crores, both Plan and Non-Plan.

6. A brief account of the main activities for the development of education in the various fields in the Central and State sectors during the year 1968-69 is given in the following paragraphs :—

CENTRAL SECTOR

Elementary Education

The 8th National Seminar on Elementary Education was held at Gauhati (Assam) from 13th to 16th May, 1968 to discuss, *inter-alia* the qualitative improvement in elementary school education, and it made a number of recommendations for the early achievement of universal elementary education in the country. Also, a National Seminar on Wastage and Stagnation was organised at New Delhi from 23rd to 26th September, 1968. The Seminar suggested two high action programmes to be initiated in the Fourth Plan for reducing wastage and stagnation viz., (a) an immediate programme to be adopted in all the States, and (b) organisation of intensive pilot project in each State.

Secondary Education

Under the guidance of UNESCO Experts, the programme of preparation of syllabi, textbooks and other instructional material was undertaken in the N.C.E.R.T. during the year under report.

Education of Girls and Women

The National Council for Women Education continued to advise the Government on various matters relating to education of the girls and women and to maintain contacts between Government and its various organizations working in the field and urged that the system of 'Attendance Allowance' should be introduced for rural primary school teachers under which graded remuneration is required to be paid to teachers in the schools on the basis of the girls enrolled and their average attendance.

University and Higher Education

As a general policy, the University Grants Commission adopted a restrictive approach in the establishment of new universities in the country. Instead, the U.G.C. advocated the setting up of centres of post-graduate studies. During the year, the Commission accepted the proposals of Universities of Andhra, Mysore, Osmania, Punjab and Sri Venkateswara for setting up centres of post-graduate studies under their auspices at Guntur, Mangalore, Warrangal, Simla and Anantpur respectively.

The U.G.C. provided development grants to Roorkee University, Allahabad University and Birla Institute of Technology and Science for introducing post-graduate courses in Electronics, Applied Physics and Electronics & Chemical Engineering respectively. It also provided maintenance grant amounting to Rs. 583.84 lakhs to the Central universities.

The U.G.C. constituted a number of Committees to advise the Commission on matters relating to higher education in various fields. The second meeting of the U.G.C.'s Advisory Committee of Vice-Chancellors was held in September, 1968 and approved the programmes of development of higher education as formulated in the National Policy on Education.

The Committee appointed by the National Council for Rural Higher Education to review the programmes of rural education in the country and suggest ways and means of its improvement, held its 6th meeting during the year and decided the final outline of the Report.

The all-India institutions of higher education, such as, Institute of Russian Studies, New Delhi; Indian Institute of Advanced Studies, Simla; Sri Aurobindo International Centre of Pondicherry; Gandhian Institute of Studies, Varanasi; Kanya Gurukul Maha Vidyalaya and Kashi Vidyapeeth, Varanasi and the Laddakh Institute of Higher Education, Delhi continued to receive grants for their pioneering work relating to the new ideas and techniques in the field of higher education.

The State Governments of Bihar, Mysore, Andhra Pradesh and Union Territories of Himachal Pradesh and Goa, Daman & Diu agreed to introduce the revised scales of pay of university teachers as recommended by U.G.C.

Technical Education

A significant development in the field of technical education during the year was the decision to reduce admissions to technical institutions in the country in the wake of the problem of unemployment among technical personnel due to recession in the industry. Admissions to technical institutions were rationalised and about 35 per cent of seats in engineering colleges and 20 per cent in polytechnics were reduced. The actual admissions during 1968-69, however, were 18,455 in degree courses and 27,254 in polytechnics as against 24,571 and 42,600 respectively in 1967-68. It was with this background that a Conference of Directors of Technical Education of States was convened on May 23, 1968 who discussed the guidelines for the Fourth Five Year Plan for technical education. The Conference recommended consolidation of technical institutions to improve their quality and standards, in-service training of technical teachers for their professional development, diversification of polytechnic diploma courses in cooperation with industry to train the correct type of technicians, practical training of graduates and diploma holders, curriculum development, preparation of instructional material and text-books for degree and diploma courses, etc., as the guidelines for the formulation of the Fourth Plan. The All India Council for Technical Education at its 19th meeting held on 25th May, 1968 endorsed all these guidelines.

The programme of practical training of engineering graduates and diploma-holders was expanded during the year. The number of training places was increased from 2,787 in 1967-68 to 10,944 during 1968-69 in order to check unemployment problem among technical personnel. The scheme of Merit-cum-Means Scholarships for technical personnel was merged with National Scholarships Scheme from the year under report.

On the recommendations of the All India Board for Post-Graduate Studies and Research in Engineering and Technology, 30 institutions besides the five Institutes of Technology and the Indian Institute of Science, Bangalore were requested to organise facilities for post-graduate education in various fields of engineering and technology.

Social Education

The programme of Functional Literacy taken up in the high yielding varieties was introduced in one district of each of the States of Mysore, Uttar Pradesh and Punjab in the first instance, with cent per cent Central assistance. This scheme was extended during the year to 7 more States, namely, Andhra Pradesh, Haryana, Gujarat, Madhya Pradesh, Tamil Nadu, Orissa and West Bengal. Two training courses of 2-weeks' duration each for the key personnel in the States for guiding and supervising the work of adult literacy in their regions were organised.

Education of Scheduled Castes and Scheduled Tribes

Special schemes for providing educational facilities to Scheduled Castes and Scheduled Tribes were continued during the year. The schemes in the State sector included award of post-matric scholarships, exemption from tuition and examination fees, provision of educational equipment, mid-day meals and Ashram schools. These schemes were assisted by Central Government by way of 75 per cent grants to the States. The Central Sector schemes included award of post-matric scholarships and construction of hostel buildings for girls. As a result of these special programmes, the enrolment of Scheduled Castes and Scheduled Tribes students in schools and colleges increased to about 70 lakhs boys and 30 lakhs girls during the year under report. Besides, the Ministry of Labour and Employment under its Craftsmen Training Scheme enhanced value of the stipend to Scheduled Castes and Scheduled Tribes trainees from Rs. 25 per month to Rs. 45 per month during the year.

Sports and Games

The All India Council for Sports held four meetings during the year and made recommendations on various policy matters and all proposals received from Sports Federations/Associations for visits of Indian teams abroad and for inviting foreign teams to India. The Council was reconstituted for a period of two years from 19th November, 1968. The President of India gave Arjuna Awards to 15 outstanding sportsmen of the year 1967. Grants amounting to Rs. 4.99 lakhs were paid to National Sports Organisations for participation in Olympic Games held in Mexico in October, 1969 and for other international programmes, etc. Also grants amounting to Rs. 1.35 lakhs were sanctioned to various State Governments for construction of Stadia.

Physical Education

The Central Advisory Board of Physical Education and Recreation at its 18th meeting held at New Delhi on 21st and 22nd August, 1968 made important recommendations relating to the acceptance of physical education as an integral part of the school and college curricula, integration of the programme of education for college and university students with new schemes of National Service Corps and National Sports Organisation. The national physical efficiency drive for 1968-69 was organised all over the country during November, 1968 and January, 1969.

Scholarships

Of the 488 scholarships offered by various foreign governments/organisations for study/research/training of Indian nationals abroad, 412 scholarships were utilized. The Government of India also offered a large number of scholarships to students belonging to foreign countries under various schemes. Besides these schemes, the Ministry of Education and Social Welfare provided training places to foreign students under the Colombo Plan. During the year under report, 243 scholars came to India under these schemes. A sum of Rs. 9.29 lakhs was incurred under the various scholarships schemes. Besides, under the partial assistance scheme, 74 interest bearing loans amounting to Rs. 263 lakhs were granted to students proceeding abroad for higher studies/training in subjects for which adequate facilities were not available in India. Under the Scheme of Overseas Scholarships to Scheduled Castes and Scheduled Tribes, 9 scholarships were awarded (5 for Scheduled Castes and 4 for Scheduled Tribes).

The Merit-cum-Means Scholarships Scheme for Technical Studies was merged with the National Scholarships Scheme. Under the amalgamated scheme, 8,250 awards were given to students whose parents' income was up to Rs. 500 per month. Under the National Loan Scholarships Scheme, 14,825 awards were distributed among all the States and Union Territories. 41

awards were given under the National Scholarships Scheme for Children of Primary and Secondary School Teachers. Besides, other miscellaneous scholarships schemes continued to operate for the benefit of students in various fields.

Book Promotion

The National Book Trust and its Executive Committee were reconstituted with effect from 14th October, 1968. The Trust brought out a number of books in various languages and organized regional book exhibitions in various States and summer camps of writers for children. The NCERT brought out a number of model text-books and other material. The Saiyadeen Committee Report on School Textbooks was submitted during the year which laid down the criteria to be adopted in the preparation of text-books.

STATE SECTOR

A brief account of the major developments in the field of education and other related activities in various States and Union Territories during the year 1968-69 is given below :—

Andhra Pradesh

The Government has extended free education for boys upto all classes in all schools with effect from 1968-69. This benefit was extended to girls in earlier years. Under the new structure of 10+2+3, the two-year higher secondary course was styled as two-year intermediate course and conducted in existing colleges and also in selected higher secondary/multi-purpose secondary schools which were converted into junior colleges. Under the scheme of the Nationalisation of Text-books, the text-books for class X were nationalised. The scheme of work-experience was introduced on a pilot basis in two schools.

Assam

A State Institute of Science was established at Jorhat for the promotion of science education. A new scheme for the development of regional languages was also started. A unit for evaluation and examination reference was established.

Bihar

Consequent on nationalisation of school text-books, new text-books based on revised syllabus for elementary schools and new text-books on social studies for students upto class V were introduced. The Bihar Examination Research Bureau was wound up and its work was assigned to Bihar Examination Board.

Gujarat

Lok Shikshan and Krishi Mahavidyalaya was started in Saraswati Gramvidyapeeth, Samosa. Steps were taken to finalise and print new syllabus for standard V to VII. Subject-wise syllabus committees were preparing new syllabi for standards VIII to X. New syllabi of arithmetic and science were introduced in standards I and II from June, 1968. NCC training was made voluntary for all students in colleges. A State Youth Board was set up.

Haryana

A State Institute of Education was set up at Karnal for carrying out improvement in elementary education. A State Evaluation Unit set up for examining the problem of examination reform was also attached to this Institute. The programme of Farmers Education and Functional Literacy was started in Rohtak district in collaboration with the Ministry of Food and Agriculture.

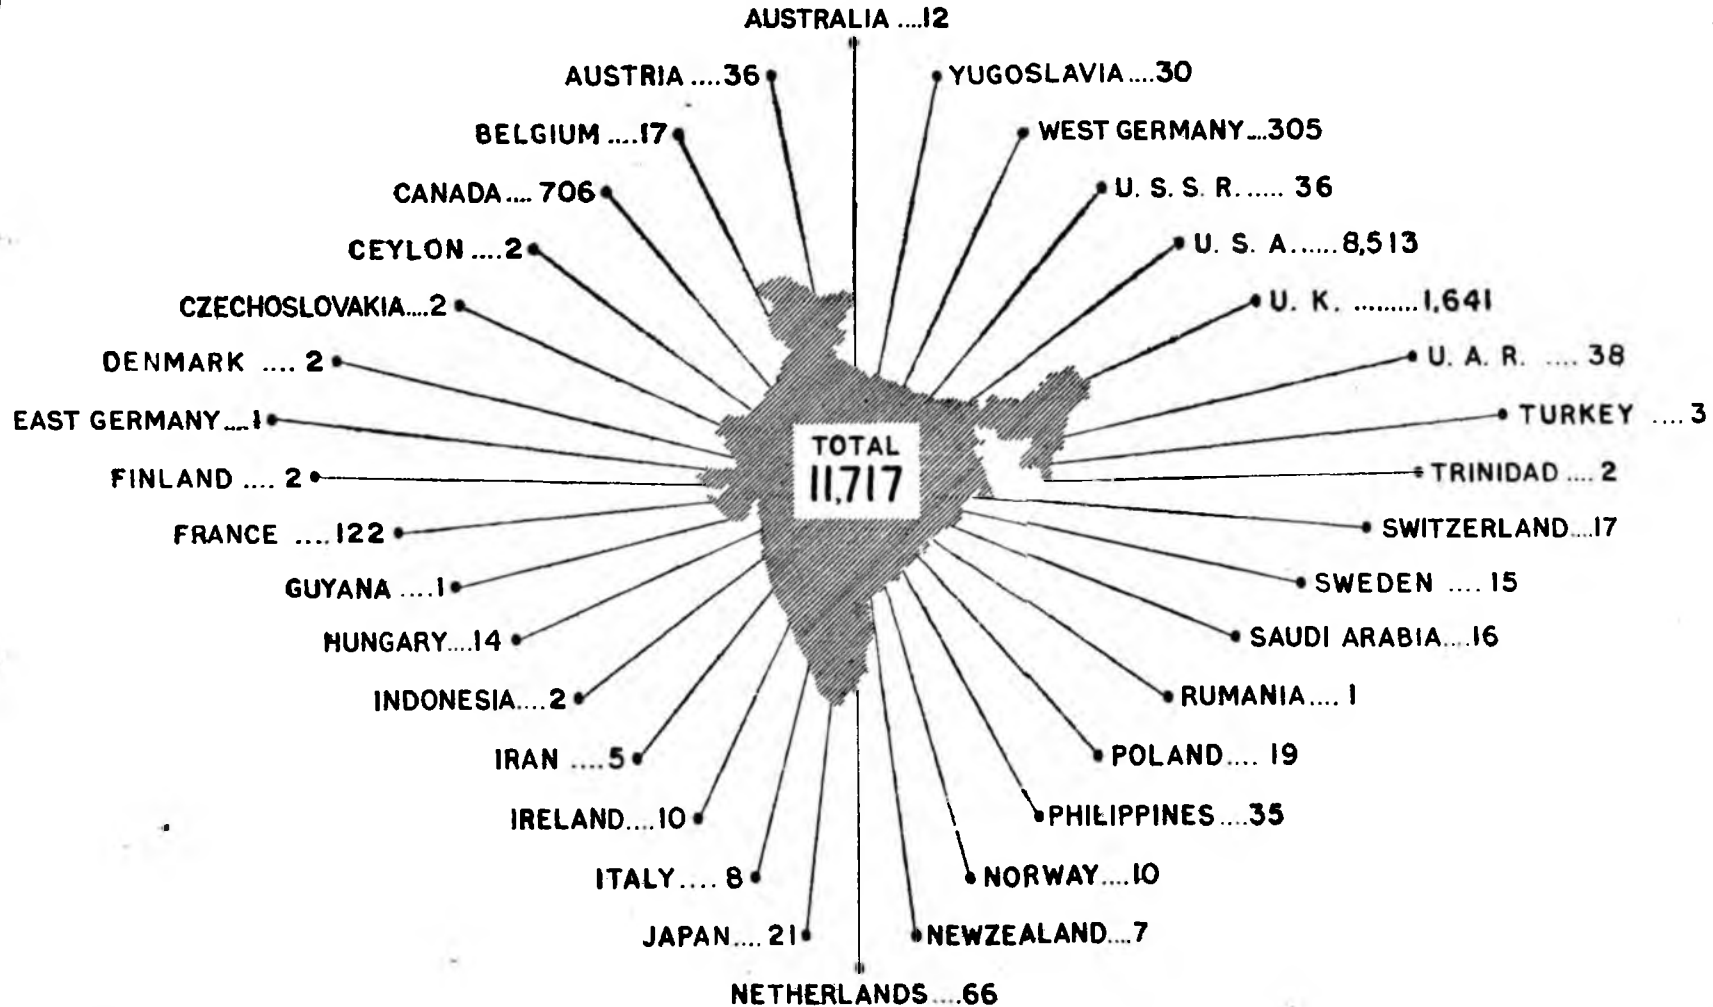

Jammu & Kashmir

The Science Unit of the State Institute of Education was strengthened and improved to train teachers to impart science education. Two provincial Committees and one Central Committee were constituted to coordinate and supervise the working of school complexes on an experimental basis in 20 areas. A committee was set up to suggest a feasible programme of establishing mixed school in selected areas where both boys and girls of the age group 6-11 years could be admitted.

The Third Education Officers Conference held during the year set up a Committee to prepare a calendar for working days for educational institutions and recommended organisation of orientation courses for headmasters, Technical Education Officers and principals of high schools.

INDIAN STUDENTS ABROAD

[AS ON 1-1-1969]

Kerala

A general revision of syllabus and preparation of text-books and other related literature were planned during the year. Calicut University was established on 23rd July, 1968. Also 7 junior colleges with two-year pre-degree course were started. The Departments of Zoology and Sociology started functioning at the Trivandrum Centre.

Madhya Pradesh

In pursuance of the recommendations of the Education Commission, the educational pattern of school education in the State was changed from 10 to 12-year course by reorganising the primary stage into 5 years, middlestage to 3 years and secondary stage to 4 years (2+2). All the government higher secondary schools were proposed to be converted into junior colleges. Also correspondence courses for women were started.

A State Text-books Production and Educational Research Institute was established for conducting research in the production of text-books and other allied matters. A new 'Awadhesh Pratap Singh University' was established at Rewa.

Maharashtra

The major development was in the field of secondary education with the revision in the grant-aid system applicable to private secondary schools. Public Schools or Vidya Niketans have been started in each of the four divisions of the State for providing education to the meritorious and deserving students from rural areas. In order to promote science education at the higher level, the Government decided to reorganise the Institute of Science, Bombay.

Mysore

The recommendations of the University Grants Commission relating to revision of pay scales of teachers in government and aided colleges in the Fourth Plan were implemented. Another noteworthy feature during 1968-69 was the introduction of new provident fund rules for aided colleges which provide for contribution at 10 per cent of the pay of teachers.

Orissa

The Directorate of Public Instruction, Orissa was bifurcated into two Directorates—one for school education and another for higher education. Two new circles of Inspectorates—Jajpur circle and Berhampur circle—started functioning during the year. A farmers' education programme was initiated at Sambalpur district in three blocks in order to educate farmers.

It was decided by the State Government to transfer the conduct of the final examination of training schools, previously conducted by Schools Education Board, to the Board of Secondary Education with a view to have a uniform standard of examination.

Punjab

Admission to all the J.B.T. (Junior Basic Training) units attached to secondary schools was stopped in 1968-69 since the output of JBT institutions/units had outstripped the requirements of the Department. The system of issuing special teachers certificates without undergoing training course, which was abolished some time ago, was revived in order to benefit untrained teachers.

Rajasthan

Efforts were made for qualitative improvement of secondary education through Vocational Guidance Bureau, State Institute of Science Education, Board of Secondary Education and State Institute of Languages Studies, who organised seminars workshops and training courses with the latest technique of the teaching. The scheme of internal assessment and objective type of test was also introduced by Board of Secondary Education. The scheme of school complex and work experience were also taken up in selected schools.

Tamil Nadu

The curriculum pattern and syllabus for secondary schools in standards I to XI were revised. The existing pattern of school education was redesignated, vide Government Resolution dated the 22nd April, 1968, as indicated below:—

Schools with standards I to V

primary schools
(no change)

Schools with standards I to VIII or VI to VIII	middle schools (previously upper primary)
Schools with standards I to XI or VI to XI or IX to XI	high schools (previously secondary)

A State Advisory Board of Education was constituted on 29th April, 1968 to advise the Government on important policy matters relating to education. A State Education Consultative Committee consisting of Legislative Members of the Legislature was also constituted on 9th March, 1968. A State Seminar on Girls Education was held at Trichy in March, 1969 to discuss measures for promotion of girls education.

The administrative set up of the Education Department was reorganised and strengthened at district level. The number of educational districts on reorganisation rose to 45 as against 35 prior to reorganisation.

The two-language formula was introduced in all schools from 1st June, 1968. This envisaged (1) study of regional language or mother tongue, where it is different from the regional language, from standard I and (2) study of English or any other non-Indian language from standard VIII. A nine-member committee was constituted to go into the question of integrating the syllabus of basic and non-basic training schools and integrating the syllabi of basic schools with that of non-basic schools upto primary stage. The State Government introduced a scheme of incentive payment to teachers for the first time with a view to improving their professional competence.

Uttar Pradesh

For effecting improvement in the field of education towards direction and inspection, two new educational regions for boys and one for girls were established. A new scheme of provincialisation of non-government higher secondary schools was taken up. A correspondence course was started for training untrained teachers in the State Institute of Education with cent per cent Central assistance, and 100 untrained teachers of primary schools were trained. Hindi and mathematics books of class VIII were nationalised. Pay scales of teachers working in aided higher secondary institutions and junior high schools were revised with effect from March 1, 1969. For the better supervision of girls education in hill districts, a separate region for girls education was established with its headquarters at Nainital.

West Bengal

The scheme for the production of books in the regional language for use as media of instruction in higher education at the university stage was undertaken. Under the scheme of Farmers' Education and Functional Literacy which was started in the district of Burdwan during the year, 60 new type of Adult Education Centre were set up in six selected development blocks for the illiterate farmers.

Andaman and Nicobar Islands

In order to impart instruction through the mother tongue of the tribal children, a primer was prepared in Devnagari script.

Chandigarh

The scheme of milk supply to primary school children was started in January, 1969 in schools in Chandigarh in collaboration with the CARE authorities and about 4,000 children were benefited.

Delhi

The UNESCO Project of teaching science as individual disciplines was introduced in class VI of all the higher secondary schools with effect from 1968-69 after a successful experimentation for four years in 13 experimental schools. Correspondence course was introduced to impart higher secondary education (classes IX to XI) and prepare candidates for higher secondary examinations.

Himachal Pradesh

In order to conduct research in Pahari dialects, to evolve Himachali language and to encourage production of literature in Pahari languages as also the reservation of folk literature, a State Institute of Languages was established at Simla.

Before 1968-69, the Director of Education was also ex-officio Secretary (Education). During 1968-69, the two functions were separated and the Government set up a separate Education Secretariate with a Secretary (Education) assisted by a Joint Secretary and an Under Secretary.

Manipur

Action was taken to improve the general standard of teaching. School syllabi for classes I to V were reviewed. Syllabi for classes VI to VIII were also prepared. One Education Code was under preparation.

N.E.F.A.

Eight NCC units were raised during the year.

Pondicherry

An Arts College for Women was opened at Pondicherry and was the first of its kind in this Territory. An All-India Adult Education Conference and a National Seminar on Adult Education for Parliamentary Democracy were organised jointly by State Government and All India Adult Education Association to focus the attention of the public and the educators on the need for mass literacy of the success of democracy.

Tripura

Under a scheme of supplementing mid-day meals for balawadi centres, school gardens, community horticultural gardens, excavation of tanks for fishery and duckery, poultry and vegetable gardens were taken up on intensive scales. A pilot study for ascertaining reasons of drop-outs from primary classes was undertaken in selected schools of Sadar Subdivision and its preliminary results were utilised in formulating plan schemes. A survey was also conducted for ascertaining the problems faced by schools students with a view to assisting the schools in organising their activities.

STATISTICS**Institutions**

The total number of recognised educational institutions in the country increased during the year by 8,64,892 from 7,93,819 (5,63,783 for boys and 2,30,036 for girls) in the year 1967-68 to 16,58,711 (7,97,019 for boys and 8,61,692 for girls) in the year 1968-69. This shows an increase of 109 per cent. The distribution of the total number of institutions according to type of education with comparative figures for the previous year is given in Table 1.01. The large increase in the number of institutions is mainly in case of schools for social (adult) education, and that too in case of women's institutions. Excluding social (adult) education centres, the increase in the number of institutions, however, was only 0.8 per cent. The increase was noticeable in all types of institutions except vocational institutions. The number of institutions located in rural areas formed 90.2 per cent of the total number of the institutions in the country.

Enrolment

The total number of pupils under instruction in recognised institutions increased by 64 lakhs from 766 lakhs in 1967-68 to 830 lakhs (536 lakh boys and 294 lakh girls) in 1968-69, showing an increase of 8.3 per cent as compared to 4.0 per cent in the previous year. This increase was mainly on account of enormous increase in enrolment in social (adult) education centres in Maharashtra the number of which, as already mentioned, had increased stupendously. Girl students constituted 35.5 per cent of the total enrolment as compared to 34.2 per cent in the previous year. Although as many as 90.2 per cent institutions were located in rural areas, only 71.2 per cent of the total enrolment was studying in such institutions. The distribution of pupils by type of institutions and their number according to stage of instruction are given in Table 1.02 and Table 1.03 respectively. The huge increase in enrolment in 'other education' was due to enormous increase in enrolment in social (adult) education during the year. Of the total enrolment, 65.5 per cent was at primary stage, 15.1 per cent at middle stage and 7.4 per cent at high and higher secondary stage. The distribution of remaining students was as follows: pre-primary stage 0.4 per cent; vocational/special/other education (school standard) 8.2 per cent; general collegiate education 3.4 per cent, while the percentage of students in professional and other collegiate education courses was negligible.

The educational facilities were available to 77.9 per cent of the school going children in the age group 6-11 (classes I-V), the corresponding percentages for the age groups 11-14 (classes VI-VIII) and 14-17 (classes IX-XI) were 33.4 and 18.3 per cent respectively. In the previous year, these percentages were 78.2, 33.0 and 17.7 respectively. State-wise picture of the schooling facilities is depicted in table 1.04.

Teachers

The total number of teachers in India in 1968-69 in institutions of different types and levels was 23.88 lakhs (18.46 lakh men and 5.42 lakh women) as against 23.27 lakhs (18.07 lakh men and 5.20 lakh women) in 1967-68. Women teachers formed 22.7 per cent of the total number of teachers as compared to 22.4 per cent in the previous year. The number of teachers increased in all the categories of institutions except schools for vocational and professional education and schools for other education. The details of teachers by type of institutions and level are given in Table 1.05.

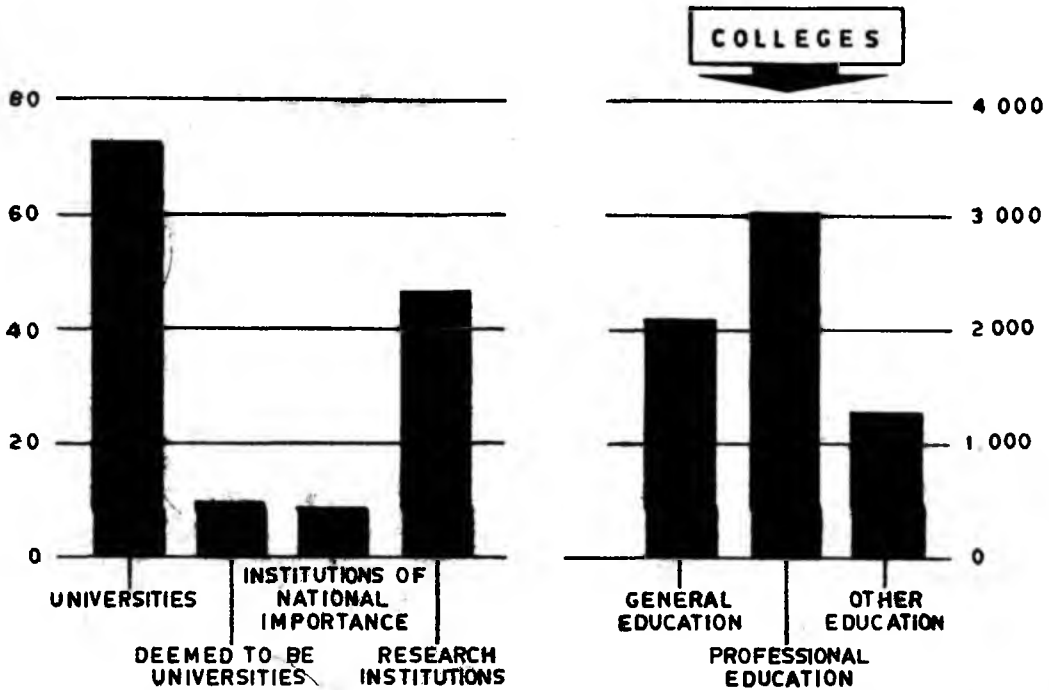

Expenditure

The total expenditure on education amounted to Rs. 898 crores in 1968-69 as against Rs. 811 crores in 1967-68. Government contributed 73.3 per cent of the total expenditure, while contribution by local bodies, universities, fees and endowments and other sources was 4.8, 1.2, 14.1 and 6.6 per cent respectively. There was increase in the percentage of contribution in respect of all the sources except local bodies. The highest percentage increase was in case of universities (47.3 per cent), followed by Government (12.8 per cent) and fees (8.0 per cent). The percentage increase was the lowest in case of endowments and other sources, it being 1.4 per cent only.

Of the total expenditure, Rs. 763 crores was direct expenditure which formed 85.0 per cent of the total expenditure, and Rs. 135 crores was indirect expenditure which formed 15.0 per cent of the total expenditure. The percentage of the direct expenditure and indirect expenditure to total expenditure in the previous year was 82.5 and 17.5 respectively. Of the direct expenditure, 28.6 per cent was spent on high and higher secondary schools, 17.3 per cent on middle/senior basic schools and 24.4 per cent on primary/junior basic schools, and 0.2 per cent on pre-primary/pre-basic schools, 1.5 per cent on schools for vocational/professional, special and other education, 6.9 per cent on universities and institutions deemed as universities, 1.2 per cent on institutions of national importance, 1.1 per cent on boards of educations 0.3 per cent on research institutions and 18.5 per cent was spent on colleges for general, professional and other education.

Of the indirect expenditure, 13.5 per cent was spent on direction and inspection, 25.1 per cent on buildings, 33.1 per cent on scholarships, 23.6 per cent on equipments and other items, and 4.7 per cent on hostels. The details of the source-wise distribution of total expenditure on education are given in the table 1.06, while the details of expenditure by heads of charges are given in Table 1.07 for the years 1967-68 and 1968-69.

PART II— S T A T I S T I C A L T A B L E S

TABLE I—USEFUL COMPUTATIONS AT A GLANCE

A—Enrolment

Classes (with Age Group in Parenthesis)	Enrolment (in lakhs)			Percentage to Population of the Corresponding Age-Group		
	Boys	Girls	Total	Boys	Girls	Total
I—V (6—11)	341.57	202.11	543.68	95.6	59.6	78.1
VI—VIII (11—14)	89.89	35.47	125.36	47.0	19.4	33.5
IX—XI/XII (14—17)	46.18	15.32	61.50	26.9	9.3	18.3
University General Education (17-23)	12.86	4.18	17.04	4.9	1.7	3.3

B—Percentage of Trained Teachers

Type of Institution	Men	Women	All Persons
Primary/Junior Basic Schools	76.9	76.9	76.9
Middle/Senior Basic Schools	80.1	83.4	81.0
High/Higher Secondary Schools	70.3	81.0	72.8

C—Teacher-Pupil Ratio

	In Primary/ Junior Basic Schools	In Middle/ Senior Basic Schools	In High/ Higher Secondary Schools	In Arts and Science Colleges
Number of Pupils per Teacher	39	32	26	22

D—Budgetted Expenditure

	Total Budget (Rs. in Lakhs)	Budget for Education (Rs. in Lakhs)	Percentage to Total Budget
State	26,29,25	5,62,24	21.4
Central	26,22,13	1,09,31	4.2
Total	52,51,38	6,71,55	12.8

E—Average Annual Cost per Capita and Average Annual Cost per Pupil

Cost per Capita (by Population)	16.71
Cost per pupil—	
Primary/Junior Basic Schools	47.30
Middle/Senior Basic Schools	69.21
High/Higher Secondary Schools	145.16
Arts & Science Colleges	398.67
Engineering & Technological Colleges	957.00
