This shall not however be insisted upon for a period of 3 years commencing from 16-12-1981.

In the said Statutes, the following 'Note' shall be added after the first sentence under Sub Clause (iv) of Norms for upgradation for Associate Professor to Professor.

Note:—Active service in all the above cases shall mean period actually spent at the Stations and shall exclude period of leave other than duty leave and casual leave.

(5) In the said Statutes, the existing Sub Clause 1, 2, 3, 4, 5 and 6 under procedure for upgradation' shall be substituted with the following:

- (1) Any teacher of the University may request in writing to the Registrar with his bio-data for upgradation of his post according to the principles listed above.
- (2) On receipt of request for such upgradation the Vice-Chancellor shall form an Assessment Committee consisting of the following members.
- (3) The Assessment Committee shall peruse the documents that are presented by the teacher in support of his request and interview him and make suitable recommendation to the Executive Committee, after assessing the quality of his Research/Teaching/Extn. work. The Committee may waive interview in cases where it feels justified. The Committee may relax the number of research projects/M. Sc. Students guided in deserving cases.

Provided that in the case of a person having the required length of service for upgradation, the process of assessment shall be waived for a period of 3 years. If he has been satisfactorily officiating for a continuous period of at least one year in the higher post after his having been selected by a duly constituted Selection Committee and ousted thereafter for want of vacancy. The period of 3 years shall commence from the last date of his being ousted from the higher post.

- (4) The upgradation shall take effect from the date of request on completion of stipulated length of service or from the date of fulfilment of the prescribed condition whichever is later.
- (5) On the recommendation of the Assessment Committee, the Executive Committee may place the matter before the General Council for upgradation of the concerned post.

- (6) The length of service required for the different levels of posts in the case of transferred employees referred to in Section 58 (4) of the Act shall be active service in any or all of teaching, research and extension wings in the Agricultural University or in the Departments under Government. For the purpose of their active service all leave with pay and allowances including half pay leave and periods spent for higher studies shall be counted provided that the maximum period allowed in the case of successful candidates shall be one year for Post-Graduate Diploma, 2 years for M. Sc. and 3 years for Ph. D.

These amendments shall come into force with effect from 7-6-1984.

28 Supersession—The order of a higher authority imposing or declining to impose in any case a penalty under these statutes shall supersede any order to the contrary passed by a lower authority in respect of the same case.

PROCEDURE FOR IMPOSING MAJOR PENALTIES

29 Inquiry—Without prejudice to the provisions of the Kerala Public Servants (Inquiries) Act, 1963 (31 of 1963) no order imposing on a University employees any of the penalties specified in items (v) to (viii) of Statute 23 shall be passed except after an inquiry held as far as may be, in the manner hereinafter provided.

30 Formal inquiry how and when ordered — (a) Whenever a complaint is received or on consideration of the report of an investigation, or for other reasons, the disciplinary authority or the appointing authority or any other authority empowered by the appointing authority in this behalf is satisfied that there is *prima facie* case for taking action against a University employee, such authority shall frame definite charges or charge which shall be communicated to the University employee, together with a statement of the allegations on which each charge is based and of any other circumstances which it is proposed to take into consideration in passing orders on the case. The accused University employee shall be required to submit within a reasonable time to be specified in that behalf a written statement of his defence and also to state whether he desires to be heard in person. The University employee may, on his request, be permitted to peruse or take extracts from the records pertaining to the case for the purpose of preparing his written statement. After the written statement is received within the time allowed, the authority referred to above if satisfied that a formal enquiry should be held into the conduct of the University employee, may itself hold the formal enquiry or forward the record of the case to the authority or officer referred to in clause (b) and order that a formal enquiry may be conducted.

(b) The formal inquiry may be conducted by—

- (i) the Appointing Authority, or
- (ii) any officer authorised by the Appointing Authority.

31 Amendment of charges—The authority or officer conducting the inquiry (hereinafter referred to as the Inquiring Authority) may during the course of the inquiry, add to, amend, alter or modify the charges framed against the accused University employee, in which case the accused shall be required to submit within a reasonable time to be specified in that behalf any further written statement of his defence,

32 Access to record—The University employee shall, for the purpose of preparing his defence, be permitted to inspect and take extracts from such official records as he may require.

33 Inquiry into charges not admitted—On receipt of the further written statement of defence under Statute 31 or if no such statement is received within the time specified there for or in cases where the accused is not required to file written statement under the said Statute, the Inquiring Authority may inquire into such of the charges as are not admitted.

34 Presentation of case—The Disciplinary Authority, if it is not the Inquiring Authority, may nominate any person to present the case in support of the charges before the Inquiring Authority. The University employee shall not engage a legal practitioner unless the person nominated by the Disciplinary Authority is a legal practitioner or unless the Inquiring Authority, having regard to the circumstances of the cases so permits.

35 Adducing of evidence—The Inquiring Authority shall in the course of the inquiry, consider such documentary evidence and take such oral evidence as may be relevant or material in regard to the charges. The University employee shall be entitled to cross-examine the witness examined in support of the charges and to give evidence in person and to have such witnesses, as may be produced, examined in his defence. The person presenting the case in support of the charges shall be entitled to cross-examine the University employee and the witnesses examined in his defence. If the Inquiring Authority declines to examine any witness on the ground that his evidence is not relevant or material, it shall record the reasons in writing. All oral evidence adduced by the witnesses shall be recorded in writing by the Inquiring Authority and verified by the witnesses.

Explanation—If the Inquiring Authority proposes to rely on the oral evidence of any witness, the Authority shall examine such witness and give an opportunity to the accused University employee to cross-examine the witness. Any previous written record of a statement made by a witness shall not be used or relied on and shall not form part of the record of the inquiry except where the University employee agrees in writing to treat it as such.

36 Witnesses—The University employee may present to the Inquiring Authority a list of witnesses whom he desires to examine in his defence. Where the witness to be examined is a University employee, the Inquiring Authority himself shall normally try to secure the presence of the witness. Where the witness proposed to be examined by the University employee is one other than a University employee, the Inquiring

Authority will be under no obligation to summon and examine him, unless the University employee himself produces him for examination.

37 Report—At the conclusion of the inquiry, the Inquiring Authority shall prepare a report of the inquiry recording the findings on each of the charges together with reasons therefor. If, in the opinion of such authority the proceedings of the inquiry establish charges different from those originally framed, it may record findings on such charges, provided that findings on such charges, shall not be recorded unless the University employee has admitted the facts constituting them or has had an opportunity for defending himself against him.

38 Record—The record of the inquiry shall include-

(i) the charges framed against the University employee and the statement of allegations furnished to him;

(ii) his written statement of defence, if any;

(iii) a summary of the oral evidence considered in the course of the inquiry.

(iv) the documentary evidence considered in the course of the inquiry.

(v) the orders, if any, made by the Disciplinary Authority and the Inquiring Authority in regard to the inquiry, and

(vi) a report setting out the findings on each charge and the reasons therefor.

39 Findings of Disciplinary Authority- The Disciplinary Authority shall, where it is not the Inquiring Authority, consider the records of the inquiry and where it is considered necessary to depart from the findings of the Inquiring Authority record its findings on each charge with reasons thereof.

40 Imposition of major penalty- (i) if the disciplinary authority, having regard to the findings on the charges, is of the opinion that any of the penalties specified in items (v) to* (ix) of Statute 23 shall be imposed, it shall,

(a) furnish the University employee with a copy of the report of the Inquiring Authority and where the Disciplinary Authority is not the Inquiring Authority, a statement of its findings together with brief reasons for disagreement, if any, with the findings of the Inquiring Authority and

(b) give a notice stating the action proposed to be taken in regard to him and calling on him to submit within a specified time, which may not generally exceed one month, such representation as he may wish to make against the proposed action.

(ii) The Disciplinary Authority shall consider the representation, if any, made by the University employee in response to the notice under

* Vide Notification No. GA/21590/A3/80 dt. 19.12.81. Date of effect 10.7.81.

clause (i) and determine what penalty, if any, should be imposed on the University employee and pass appropriate orders on the case.

41 Imposition of minor penalty—If the Disciplinary Authority, having regard to its findings, is of the opinion that any of the penalties specified in items (i) to (iv) of Statute 23 shall be imposed, it shall pass appropriate orders in the case.

42 Communication of orders—Orders passed by Disciplinary Authority shall be communicated to the University employee who shall also be supplied with a copy of the report of the Inquiring Authority, and where the Disciplinary Authority is not the Inquiring Authority, a statement of its findings together with brief reasons for disagreement, if any, with the findings of the Inquiring Authority, unless they have already been supplied to him.

43 Inquiry to be expeditious—The enquiry shall be conducted as expeditiously as the circumstances of the case may permit, particularly one against an employee under suspension.

PBOCEDURE FOR IMPOSING MINOR PENALTIES

44 Inquiry—No order imposing any of the penalties specified in items (i) to (iv) of Statute 23 shall be passed except after;

a) the University employee is informed in writing of the proposal to take action against him and of the allegations on which it is proposed to be taken and given an opportunity to make any representation he may wish to make against the proposal;

b) such representation, if any, made by him is taken into consideration by the Disciplinary Authority.

45 Record—The record of proceedings under Statute 44 shall include—

- i) a copy of the intimation to the University employee of the proposals to take action against him;
- ii) a copy of the statement of allegations communicated to him,
- iii) his representation, if any;
- iv) the orders in the case together with reasons therefor.

46 Joint inquiry—Where two or more University employees are jointly concerned in any case, the authority competent to impose the penalty of dismissal from service on all such University employees or a higher authority may make an order directing that disciplinary action against all of them may be taken in a joint proceeding and specifying the authority which may function as the Inquiring Authority for the purpose of such joint proceedings.

47 Special procedure in certain cases—Notwithstanding anything contained in these Statutes—

- i) where a penalty is imposed on a University employee on the ground of conduct which had led to his conviction on a criminal charge; or
- ii) where the Disciplinary Authority is satisfied for reasons to be recorded in writing, that it is not reasonably practicable to follow the procedure prescribed in the said statutes; or
- iii) where the Appointing Authority, for reasons to be recorded in writing, is satisfied that in the interests of justice it is not expedient to follow such procedure, the Disciplinary Authority may consider the circumstances of the case and pass such orders thereon as it deemed fit.

*47-A—Provision regarding officers lent to other Universities/ Government etc.

1) Where the services of a University employee are lent to another University, Government (Central or State) or an Authority subordinate thereto or to a local or other Authority (hereinafter in this rule referred to as 'the Borrowing Authority') the borrowing authority shall have the powers of the Appointing Authority for the purpose of placing him under suspension and of the Disciplinary Authority for the purpose of taking disciplinary proceeding against him.

Provided that the Borrowing Authority shall forthwith inform the authority which lent his services (hereinafter in this rule referred to as 'the Lending Authority') of the circumstances leading to the order of his suspension.

2 In the light of the findings in the disciplinary proceedings taken against the University employee.

- i) If the Borrowing Authority is of opinion that any of the penalties specified in items (i) to (iv) of Clause 23 should be imposed on him, it may, in consultation with the Lending Authority, pass such orders on the case as it deems necessary.

Provided that in the event of a difference of opinion between the Borrowing Authority and the Lending Authority, the services of the University servant shall be placed at the disposal of the Lending Authority.

- ii) If the Borrowing Authority is of the opinion that any of the penalties specified in item (v) to (ix) of Clause 23 should be imposed on him it shall replace his services at the disposal of the Lending Authority and transmit to it the proceedings of the enquiry and thereupon the Lending Authority, may, if it is the

Disciplinary Authority, pass such orders thereon as it deems necessary or if it is not the Disciplinary Authority submit the case to the Disciplinary Authority which shall pass such orders on the case as it deems necessary.

Provided that in passing any such order the Disciplinary Authority shall comply with the provisions of Clause 39 and 40.

Explanation—The Disciplinary Authority may make and order under this clause on the record of the inquiry transmitted by the Borrowing Authority or after holding such further inquiry as it may deem necessary.

3 In case when the Borrowing Authority has not initiated disciplinary proceedings against a University servant before his services have been returned to the Lending Authority for acts committed by him while serving under that authority, the Lending Authority may, at its own motion, or on the request of the authority to which the services of the University servant had been lent, initiate disciplinary proceedings against the University servant in accordance with these statutes and impose any of the penalties specified in Clause 23'.

*47-B'—Provision regarding officers borrowed from other Universities/Government etc.

1 Where an order of suspension is made or disciplinary proceedings are taken against a University servant/Govt. servant etc. whose services have been borrowed from another University/Govt. (Central or State) or an authority subordinate thereto or a local or other authority, the authority lending his services shall forthwith be informed of the circumstances leading to the order of his suspension or the commencement of the disciplinary proceedings as the case may be.

2 In the light of the findings in the disciplinary proceedings taken against the Govt. servant/University employee;

i) If the Disciplinary Authority is of the opinion that any of the penalties specified in item (i) to (iv) of clause 23 should be imposed on him, it may, subject to the provision of clause 40 and after consultation with the Lending Authority, pass such orders on the case as it deems necessary.

Provided that in the event of a difference of opinion between the Borrowing Authority and the Lending Authority the services of the Govt. servant/University employee etc. shall be replaced at the disposal of the Lending Authority.

ii) If the Disciplinary Authority, is of the opinion that any of the penalties specified in item (v) to (ix) of clause 23 should be imposed on him,

* Introduced new sub-clause as per Notification No. GA/21590/A3/80dt. 19-12-81 Date of effect 10-7-81.

it shall replace his services at the disposal of the Lending Authority and transmit to it the proceedings of the inquiry for such action as it deems necessary.

48 Orders not appealable—There shall be no appeal against any order passed under the provisions of these statutes except as expressly provided in the Act or in these Statutes.

49 Appeal against orders of suspension—A University employee may appeal against an order of suspension to the authority to which the authority which made the order is immediately subordinate.

50 Appeal against penalties—(a) An appeal from an order imposing a penalty by the Registrar or head of the Department shall lie to the Vice-Chancellor.

b) An appeal from the order imposing a penalty by the Vice-Chancellor or the Executive Committee shall lie to the Chancellor.

51 Appeal against other orders—(1) A University employee may appeal against an order which—

a) Denies or varies to his disadvantage his pay, allowances, pension or other conditions of service as regulated by the laws of the University;

b) Interprets to his disadvantage the provisions of any such laws to an authority which made such laws;

2) An appeal against an order.

a) Stopping a University employee at the efficiency bar in the time scale on the ground of his unsuitability to cross the efficiency bar;

b) Reverting to a lower service, grade or post, a University employee officiating in a higher service, grade or post, otherwise than as a penalty; and

c) Determining the pay and allowances for the period of suspension to be paid to a University employee on his reinstatement or determining whether or not such period shall be treated as period spent on duty for any purpose; shall lie in respect of any University employee, to the authority to whom the authority imposing the penalty is immediately subordinate.

Explanation—In this statute the expression 'University employee' include a person who has ceased to be in University service.

52 Limitation—No appeal under this part shall be entertained unless it is filed within a period of sixty days from the date on which the order is communicated.

53 Form and contents of appeal. Every person submitting an appeal shall do so separately and in his own name. The appeal shall be addressed to the authority to whom the appeal lies, shall contain all material statements and arguments on which the appellant relies, shall not contain any disrespectful or improper language, and shall be complete in itself.

54 Submission of appeals—Every appeal shall be submitted to the authority which made the order appealed against;

Provided that if such authority is not the head of the office in which the appellant may be serving or, if he is not in service, the head of the office in which he was last serving; or is not subordinate to the head of such office, the appeal shall be submitted to the head of such office who shall forward it forthwith to the said authority.

Provided further that a copy of the appeal may be submitted direct to the appellate authority.

55 With holding of appeals—The Authority which made the order appealed against may with hold the appeal, if

- i) It is an appeal against an order from which no appeal lies; or
- ii) It does not comply with any of the provisions of Statute 53 and 54, or
- iii) It is not submitted within the period specified in Statute 52, or
- iv) It is a repetition of an appeal already decided and no new facts or circumstances are adduced; or
- v) It is addressed to an authority to which no appeal lies under these Statutes:

Provided that an appeal withheld on the only ground that it does not comply with the provisions of Statutes 53 and 54 shall be returned to the appellant and, if re-submitted within one month there of after compliance with the said provisions, shall not be withheld.

56 With holding of appeal to be communicated—Where an appeal is withheld, the appellant shall be informed of the fact and the reasons there for. When the appeal is withheld, the authority withholding the appeal shall forward a copy of the order communicated to the University employee to the appellate authority.

57 Transmission of appeals—The authority which made the order appealed against shall, without any avoidable delay, transmit to the appellate authority every appeal which is not withheld under Statute 55 with his comments thereon and the relevant records.

58 Appellate authority's power to call for appeal—The authority to which the appeal lies may direct transmission to him of any appeal withheld under Statute 55 and thereupon such appeals shall be transmitted to that authority together with the comments of the authority withholding the appeal and the relevant records.

59 No appeal from an order withholding an appeal—No appeal shall lie against the withholding of an appeal by a competent authority.

60 Appeal against suspension—In the case of an appeal against an order of suspension, the appellate authority shall consider whether in the light of the provisions of these statutes and having regard to the circumstances of the case the order of suspension is justified or not and confirm or revoke the order accordingly.

61 Appeal against penalties--(1) In the case of an appeal against an order imposing any of the penalties specified in Statute 23, the appellate authority shall consider.

(a) Whether the facts on which the order was based have been established;

(b) whether the facts established afford sufficient grounds for taking action;

(c) whether the procedure prescribed in these statutes have been complied with, and if not, whether such non-compliance has resulted in violation of any laws of the University or in failure of justice;

(d) whether the findings are justified; and

(e) whether the penalty imposed is excessive; adequate or inadequate; and pass orders-

(i) setting aside, reducing, confirming or enhancing the penalty;

(ii) remitting the case to the authority which imposed the penalty or to any other authority with such direction as it may deem fit in the circumstances of the case-

Provided that,-

(i) the appellate authority shall not impose any enhanced penalty which neither such authority nor the authority which made the order appealed against is competent in the case to impose;

(ii) no order imposing an enhanced penalty shall be passed unless the appellant is given an opportunity of making any representation which he may wish to make against such an enhanced penalty; and

(iii) if the enhanced penalty which the appellate authority proposes to impose is one of the penalties specified in items (v) to * (ix) of Statute 23 and an inquiry under these Statutes has not already been held in the case, the appellate authority shall subject to the provisions of Statute 47, itself hold such inquiry or direct that such inquiry be held and thereafter on consideration of the proceedings of such inquiry and after giving the appellant an opportunity of making any representation which he may wish to make against such penalty, pass such orders as it may deem fit.

(2) In the case of an appeal against an order specified in Statute 51 the appellate authority shall consider all the circumstances of the case and pass such orders as it may deem just and equitable.

Note: *Renumbered as per Notification No. GA/21590/A3/80 dt. 19.12.81
Date of effect 10.7.81.

62 Implementation of orders on appeal—The authority which made the order appealed against shall give effect to the orders passed by the appellate authority.

63 Procedure when the authority who imposed penalty becomes the appellate authority—Notwithstanding anything contained in this part where the person who made the order appealed against becomes, by virtue of his subsequent appointment or otherwise, the appellate authority under these Statutes in respect of the appeal against such order, such person shall forward the appeal to the authority to which he is immediately subordinate, and such authority shall in relation to that appeal, be deemed to be the appellate authority for the purpose of these Statutes.

64 Revision—Notwithstanding anything contained in these Statutes where there is a grave miscarriage of justice or a patent error on the facts in the record of the case of a subordinate authority it shall be open to the Executive Committee at any time to call for the records and after examining them pass such orders as it may consider necessary.

65 Time limit for revision—An application for revision of the order appealed against by the aggrieved may be entertained only if preferred before the expiry of a period of sixty days from the date of communication of the order.

66 Submission of Report—Every authority other than the Executive Committee empowered to impose any of the penalties specified in Statute 23 shall submit to the Executive Committee a quarterly statement of cases where any of the aforesaid penalties have been imposed or where a University employee has been suspended under Statute 17. Every appellate authority other than the Executive Committee shall likewise submit to the Executive Committee a quarterly statement of cases disposed of.

General Instructions

- 1 The performance appraisal should be based on the degree of accomplishments of the employee on the job, the results produced and his effectiveness in handling man and material.
- 2 The appraisal should be free from all personal bias. The reporting and reviewing officer should consider the employee's job knowledge for the position to which he has been assigned taking due consideration of the degree to which his personal qualities make him effective/ineffective on the performance of his job, the degree of his accomplishment and that of his subordinate in producing the desired result.
- 3 The performance Appraisal Form I is meant for all the teaching staff from the level of Junior Instructors up to the level of Professors/ Deans/Director of Research & Director of Extension Education.
- 4 The form proposed for the teaching staff consists of 3 parts. Parts I and II will be got filled up by the reportee. In filling up Part II on self assessment the reportee may add additional sheets to the extent necessary to describe the work that he has done in full. Part III will be recorded by the reporting officer after a careful perusal of the self assessment given by the reporting officer. This portion will be shown to the reportee after countersignature by the custodian officer/reviewing authority.
- 5 There will be an appendix to Part III for recording an assessment of the reporting/reviewing officer on the loyalty and integrity of reportee. This appendix will be considered as secret and should not be shown to the reportee. This will not be a basis for determining the officer's suitability for promotion/appointment to higher posts.
- 6 Special care should be taken in filling up the performance Appraisal Forms by the Reporting and Reviewing Officers.
- 7 The ratings should be done taking into account the individual's actual performance on the job during the period under report.
- 8 The reporting officer should take special care to study the factors for appraisal and apply them judiciously on the reportee's performance.
- 9 The Reviewing Officer, will record his remarks in a narrative in the column provided in the Form. If he finds it necessary to revise the gradings given by the Reporting Officer he will do so, in which case the grading given by the Reviewing Officer will prevail.

- 10 It is the duty of the Reporting Officer/Reviewing Officer to see that no item in the form is left unfilled.
- 11 In the case of Junior Instructors, Instructors and Asst. Professors the reporting officer will be the Assoc. Professor under whose immediate control the persons are working and the Professor will be the Reviewing Officer. For Assoc. Professor the Deans/Directors will be the Reviewing Officer.
- 12 The Reporting Officer in respect of Professors shall be the Dean and the Vice-chancellor will be the reviewing authority.
- 13 The reports are written for the calendar year ie, for the period from 1st January to 31st December.
- 14 The reportee shall be given an opportunity to make a representation against any adverse remarks which have been communicated to him and which he feels are unjustified. Such representation should be made to an Officer/Authority Superior to the Reviewing Officer within one month of the date on which the communication is received by the reportee.
- 15 If the competent authority feels that there is not sufficient ground for interference, the representation should be rejected and the officer informed accordingly.
- 16 If the competent authority feels that the remarks should be turned down he should make the the necessary entry separately with proper attestation at the appropriate place of the report, the correction should not be made in the earlier entries themselves.
- 17 The decision on representations must be taken and communicated within six months of date of representation.
- 18 The original representations of explanation against adverse remarks and the findings thereon should be kept in the appraisal records.
- 19 The new appraisal form will be introduced in the Kerala Agricultural University from 1978 on wards.
- 20 The Reporting Officers will put a tick (✓) mark in the boxes, provided in the form.

Note:- Introduced as per notification No. GA/84679/A3/78/dt. 6-1-80.
Date of effect 18-12-79.

ix) A motion that the meeting be dissolved;

x) A motion that the meeting may pass on to the next business on the agenda; and

xi) A motion that the question be now put.

** 26 Adjournment Motion — At any ordinary meeting of the General Council, a member may give notice for adjournment of the business of the House to discuss specific matters of urgent academic or administrative importance. Not more than one such motion shall be allowed by the chair on a day. The notice for the motion should be given at least one hour before the commencement of the business and at least 10 members should support the motion for adjournment. The chairman shall thereupon fix a specific time for discussion of the matter which shall not exceed half an hour.

27 Amendment to Resolution — At any meeting of the General Council any member may move an amendment to any resolution brought forward as an item of urgent business, or to a resolution including the agenda of an urgent meeting convened by the Vice-Chancellor with less than fifteen clear days' notice.

28 Amendment without notice — At any meeting of the General Council, the following amendments may be moved without previous notice.

i) Amendments to motions placed before the meeting without previous notice under clauses (i) to (vii) of statute 21;

ii) Amendments to any resolution or amendments to the agenda which in the opinion of the Chairman have been rendered necessary by and; are consequential upon any motion passed by the General Council at the same meeting.

iii) Amendments of a purely verbal or formal kind which in the opinion of the Chairman do not affect the sense or import of the motion to which they refer; and

iv) Amendments to motions brought forward by the Vice-Chancellor at special meetings with less than two weeks' clear notice or at ordinary meetings with less than thirty days' clear notice, and to resolutions moved by the members under Statute 11.

** Introduced new clause — Clause 26 to 55 renumbered as 27 to 57 vide notification No. GA/21595/A3/80 dt. 9.9.81: Date of effect 31.7.81.

29. Restrictions on Amendments— Save as provided in statutes 21, 22 and 23 no resolution or amendment which is not placed on the agenda shall be moved at the meeting.

30. Withdrawal of motions—(i) No resolution or amendment shall be withdrawn from the meeting without its consent. To withdraw the motion, the member who moved it must signify his desire at the meeting, and the Chairman shall, after an interval during which no dissent is expressed, declare the motion withdrawn.

ii) No discussion shall be permitted on a motion for leave to withdraw.

iii) When an amendment has been proposed to a resolution the original motion cannot be withdrawn until the amendment has been first disposed of.

31. Lapse of resolution— If a resolution which has been admitted is not discussed during the session it shall be deemed to have been withdrawn.

32. Motion for appointment of Committee - A motion for the appointment of committee shall state the purpose for which the Committee is to be constituted and names of its members and convener, and may also specify the date for the submission of the report. An amendment to a motion for the appointment of a Committee may be moved by any member. If no date is mentioned either in the original motion or in the motion as amended for the submission of the report, such report shall be made at the next ordinary meeting of the General Council, and if it is not possible to do so the fact shall be reported to the General Council at such meeting. If the mover of the resolution or of any amendment thereto proposed to include in the Committee persons who are not members of the General Council or who being members are not present at the meeting, he shall state at the meeting that he has obtained the consent of such persons to their names being proposed for inclusion.

33. Motion for adjournment—(i) A motion for adjournment shall be in the form "That this meeting do now adjourn" or "That the debate on this question be now adjourned"— The motion shall also mention the day and hour proposed if the motion is for adjournment to a specified time.

ii) An amendment to any motion for adjournment of the meeting or debate shall be for substituting a different day or hour for the one originally proposed.

iii) If the motion for the adjournment of the debate be carried, the debate shall stand adjourned to the time specified in the motion, and the meeting shall pass on to the next business, if any, on the agenda.

iv) If the motion for adjournment of the debate is carried, the member who moved it may claim precedence or take part in the debate at a later stage when it is resumed.

34. Motion for Dissolution— A motion for the dissolution of a meeting shall be in the form "That this meeting do now dissolve". If the motion is in order and accepted by the Chairman it shall be put forthwith without amendment to debate. If the motion is carried, the business still pending before the meeting shall be dropped and the Chairman shall declare the meeting dissolved.

35. Motion to pass on to the next business on the Agenda— (a) A motion to pass on to the next business on the agenda shall be in the form "That the meeting do now pass on the next business on the agenda and may be moved after the main question has been announced by the Chair.

b) The member moving the motion shall confine himself to the words of the motion. The member who seconds the motion shall confine himself to the words "I second the motion".

c) If the chairman is of the opinion that the motion to pass over to the next item is not in order he may decline to put the question to the meeting. If he accepts the motion, it shall be put forthwith and decided without amendment or debate. If the motion is carried, the main question together with the amendments to it, if any, moved or given notice of, shall drop.

36. Closure Motion— (a) A motion for closure shall be in the form "That the question be now put" and may be moved after a question has been announced by the Chair. A member who moved the closure motion shall confine himself to the words "I move that the question be now put". The member who seconds the motion shall confine himself to the words "I second the motion".

b) Unless it appears to the Chairman that such motion is not in order or an infringement of the right of the minority or that the question before the meeting has not been sufficiently discussed, it shall be put forth, and decided without amendment or debate.

c) When the motion "that the question be now put" has been carried, the question on the original motion the debate on which has thus been terminated shall be put and decided without amendment or further debate.

d) When the motion for closure has been carried and the question consequent thereon has been decided (a member may claim without any further motion for closure, that such further question or questions which may be necessary to bring to a decision a question already announced by the Chair be put and, unless the Chairman withholds his assent, such further question or questions shall be put forthwith and decided without amendments or debate.

37 Speeches when allowed—(1) A member can speak only when there is a question before the meeting or when he moves or seconds a motion, except-

- (i) When putting a question or answering a question put;
- (ii) When speaking on a point of order;
- (iii) When offering a personal explanation; or
- (iv) When, with the special permission of the Chair, making a statement.

(2) A member in possession of the meeting may speak before moving any motion which he intends to move, but he shall speak on the question and shall conclude his speech by formally moving the motion.

38 Order of Speech—After the member who moves a motion has spoken, other members may speak on the motion in the order in which they are called by the Chairman. If any member who is called upon by the Chairman does not speak, he shall not be entitled except with the special permission of the Chairman, to speak on the motion at any later stage of the debate.

39 Speeches who often permitted—Save as otherwise provided, a member may not speak more than once on the same question. A member who has spoken on the main question may not move or second an amendment to it on a motion under Statute 21 during the debate on the same question but may speak on any such new question when moved or seconded by other members if debate is permissible. A member who has moved or seconded an amendment or a motion under statute 21 may not, after such amendment or motion has been disposed of move or second any other amendment or motion under the said statute or speak on the main question but he may speak on or move or second an amendment to any such new question when moved and seconded by other members, if amendment or debate is permissible.

Provided that a member may move or second more than one amendment to a question, when the main question relates to the framing, cancellation or modification of Statutes, Ordinances, Regulations or Financial Estimates.

40 Personal explanation when allowed—A member who complains that his speech or any expression used by him during the speech has been misunderstood, or that his character or conduct has been impugned in the debate, may be allowed to make a personal explanation, but he has confined himself strictly to such explanation. A member may offer such personal explanation while another member is speaking, only if the member who is speaking gives way by resuming his seat.

41 Statement when allowed—A member may with the special permission of the Chair make a statement on any matter arising from the debate on any question.

42 Right of reply for mover—A member who has moved a resolution may speak again by way of reply when the Chairman so allows and has ascertained that no other member entitled to speak desires to speak.

43 No speech after reply—No member shall speak on a question after the mover has made his reply.

44 Duration of speech—No speech shall ordinarily exceed five minutes in duration, provided that the mover of a resolution or an amendment, when moving the resolution or amendment may speak for ten minutes and provided further the Chairman may at his discretion allow a longer period to any speaker or limit the duration of speeches on any subject at any stage to a shorter period.

45 Statement by the Chairman—The Chairman may, at his discretion or at the request of any member, explain to the meeting the scope of any resolution or amendment, or make any statement on any matter arising from or connected with the proceedings of the meeting.

46 Point of order—Any member may, while another is speaking call the Chairman's attention to a point of order, but he shall confine himself to a statement of the point of order and shall not make a speech on such point of order. No point of order can be raised while the Chairman is taking the votes on a question or taking a poll, except with his permission and only on a matter arising out of or during the vote or poll. The Chairman may deal with the matter immediately or when the vote or poll is completed.

47 Motion to be put to vote—When the debate on a motion is concluded or if there be no debate, the Chairman shall put the question with amendments, if any, to vote.

48 Voting—All questions considered at a meeting of the General Council shall be decided by the majority of the votes of the members present at the meeting unless a particular majority is prescribed in the laws of the University. The Chairman shall not be entitled to vote on any question. If the votes are equally divided, the Chairman shall however have a casting vote. When the Chairman puts a question to vote he shall request first those in favour of the motion and then those against the motion to raise their hands, and shall declare whether the question is carried or rejected.

49 Manner of taking votes—Except as otherwise provided.

i) The manner in which the vote of the meeting shall be taken be left to the discretion of the Chairman.

- ii) If on the announcement by the Chairman of the result of the voting, any member demands a poll, the same shall be taken. The Chairman shall determine the method of taking the poll.
- iii) The result of a poll shall be announced by the Chairman, and shall not be challenged.

50 Powers of Chairman—A member must speak on the question under consideration. The Chairman may direct a member who persists in irrelevant repetition either of his own arguments or the arguments used by other member in debate to discontinue his speech.

51 Maintenance of order—The Chairman may direct any member whose conduct is in his opinion disorderly, to withdraw immediately from the meeting and any member so ordered to withdraw shall do so forthwith and absent himself during the remainder of that day's meeting.

52. Suspension of meeting—The Chairman may, in the case of grave disorder arising at a meeting, suspend the meeting for a time to be specified by him.

53. Procedure in matters not provided for—In cases not provided for in these statutes the Chairman shall be entitled to give his own ruling as to the procedure, which shall be final,

54. Admission of Visitors and Press—Representatives of the Press and visitors may be admitted to the meetings of the General Council with the permission of the Vice-Chancellor.

55. Proceedings—The Registrar shall prepare the proceedings of each meeting of the General Council and it shall be signed by the Chairman of the meeting or Vice-Chancellor. The Registrar shall within one month after a meeting, send a copy of the proceedings so prepared and signed to each member of the General Council and to the State Government.

56. Expenditure in excess of budget allotment-

(i) Notwithstanding anything contained in the Statutes, it shall be competent for the Executive Committee to incur expenditure outside the budget any provision or in excess of the budget any allotment for the year as finally allotted to meet urgent items of expenditure and to report the matter to the General Council.

(ii) The General Council shall also have power to reappropriate from one head to another to meet such expenditure.

By order of the Governor.

5 Returning Officer—(a) The Registrar shall be the Returning Officer for all elections held by the University.

b) There shall be an Assistant Returning Officer, appointed by the Vice-Chancellor to assist the Returning Officer in the conduct of the election.

6 Election in anticipation of vacancies—The Vice-Chancellor shall have power to direct the holding of elections in anticipation of vacancies that are about to occur by efflux of time.

7 Election note to be invalid by reason of vacancies in electoral roll—No election shall be invalid by reason of any vacancy among the

persons entitled to vote at such election or on account of the non-receipts of loss during transmission of any notice, ballot paper, or any other paper connected with the election.

8 Electoral rolls—The Registrar shall maintain electoral roll for each electoral body entitled to elect members at any election conducted by the University, showing the names and address of all the persons.

9 Date of publication of electoral roll—The electoral rolls shall be published in the University Office not less than 30 clear days before the date of notification of the election. The Returning Officer shall notify the date of publication of such electoral roll, not less than 30 clear days before the date of publication of the roll, in newspapers approved by the Vice-Chancellor for the purpose.

10 Eligibility to take part in elections—The names of persons who are on the electoral body 30 days before the date of publication of the roll alone shall be included in the electoral roll and such persons alone shall be entitled to participate in the election.

Provided that any person who ceases to be a member of an electoral body before the date of issue of the ballot paper from the University Office shall not be entitled to participate in the election.

11 Corrections, alterations, etc. in electoral roll—It shall be competent for the Vice-Chancellor, to make any addition, correction, alteration or deletion in any electoral roll.

Provided that the fact necessitating such correction or alteration or deletion is brought to his notice within 15 days of the publication of the electoral roll and that he is satisfied that such correction or alteration or deletion is necessary.

12 Price of copies of electoral roll—The copies of the electoral roll or part thereof shall be made available to the electors to the general public or any other body on request and payment of Rupees Ten towards the price for each roll or part thereof.

13 Electoral roll of students—Electoral roll of students of the post-graduate courses, if any, graduate courses, research courses, diploma courses and certificate courses of the University shall be prepared department-wise. The electoral roll shall include the names of the students appearing in the registers of the respective colleges or institutions within the details of the class, course and the College or the Departments concerned but shall not include part-time students.

14 Electoral roll of Teachers other than Deans—Electoral roll of Teachers other than Deans shall include the following, namely;—

i) names and official addresses of the Teachers of the constituent colleges whose appointments have been approved by the University.

ii) names and official addresses of Teachers of the Departments of the University.

15 Electoral roll of non-teaching staff of the University—The electoral roll of employees other than Teachers of the University shall contain the names and designations of all the non-teaching employees of the University Office and constituent colleges.

16 Electoral roll of employees in the research stations of the University—The electoral roll of the employees in the research station of the University shall contain the names and official addresses of all employees in such research stations excluding the labourers and those included in the roll prepared under clause 15 and whose appointments have been approved by the University.

17 Electoral roll of the other electorates—Separate electoral roll showing the names and addresses shall also be prepared for each of the following electorates, namely:

- i) Presidents of the Panchayats in the State; and
- ii) Chairman of all Municipalities and Mayors of Corporations in the State.

18 Objections—Objections to election shall be made in writing and shall be forwarded to the Registrar along with a few of Rs. 100 (Rupees one hundred only) for considering the objections so as to reach him within seven days after the declaration of the results of the election.

19 Preservation of election papers—The ballot papers, the declaration papers and the ballot paper covers shall be preserved in the University Office for a period of one month after the date of declaration of the results, or if any dispute arises regarding the election until it is disposed of.

20 Membership of a person elected through more than one electorate—A person who has been nominated for election to a body or authority of the University through more than one electorate and who has been declared elected from more than one electorate either unopposed or at the declaration of the results of election shall retain his membership in any one of the electorates which he may choose, within 15 days of the declaration of the result of the elections, and if he fails to do so, he shall be deemed to be the member only through the electorate the results of whose election has been declared first.

21 Candidature of a person already elected to a body for election to the same body from another electorate—No person who has been elected from a particular electorate shall be eligible to be a candidate for election to the same body or authority through another electorate without resigning his membership from the body or authority, as the case may be. It shall, however, be competent in the case of anticipatory vacancy in a body or

authority for a person who is a member of the body or authority elected by a particular electorate to be a candidate for such anticipatory vacancy, if the date of occurrence of that vacancy is posterior to the date on which he ceases to be a member of the body or authority.

22 Date of effect of result of elections—The results of all elections shall be published in the Kerala Gazette. Anticipatory elections shall take effect from the date of occurrence of the vacancy and other elections from the date of notification of the results of the election in the University Office.

PART II

PROCEDURE FOR ELECTION BY POSTAL BALLOT

23 Notification of Elections—When any vacancy occurs or is about to occur by efflux of time among the members of any University authority or body which has to be filled by election, or if an election has to be conducted for the constitution of any Body, Authority, or any Committee thereof according to the provisions of the laws of the University, the Registrar shall, under the directions of the Vice-Chancellor; cause such fact to be notified in leading newspapers approved by the Vice-Chancellor for information of the electors and shall also cause such notification to be published in the Gazette. The notification shall contain the following particulars namely;

- 1) Date of notification;
- 2) Last date for receipt of nominations;
- 3) date of scrutiny of nomination and publication of list of candidates validly nominated;
- 4) last date and hour for withdrawal of candidature;
- 5) date of publication of the final list of candidates;
- 6) date of issue of ballot-paper;
- 7) date and hour fixed for the poll; and
- 8) date and hour of scrutiny and counting of votes.

24 Nomination of candidates—Every elector shall be at liberty to nominate a qualified person to fill up the vacancy. Every such nomination shall be in the prescribed form and shall be made by an elector in writing and shall be seconded in writing by another elector. The nomination shall be accompanied by the consent in writing of the nominee agreeing to serve on the University Authority or Body, as the case may be, if elected, and declaring that he is not already a member of the authority or body, or if he is already a member, his term of office as such, would expire before the membership for which he is seeking election takes effect and the nomination paper shall reach the Registrar within the date and hour-fixed, which shall

not be earlier than 14 clear days after the date of publication of the notification of the election in the Gazette. Nomination in the prescribed form filled up otherwise than in writing shall not be accepted.

25 Scrutiny of nomination—All nomination papers received through post or deposited in the box provided for the purpose in the office of the Returning Officer within the prescribed hour on the prescribed date shall be scrutinised by the Returning Officer. The candidates and a representative of each candidate appointed in writing by the candidate and approved by the Returning Officer may be present at the time of scrutiny of nominations.

26 Decisions of the Returning Officer on objections—The Returning Officer shall examine the nomination papers and shall decide all objections which may be made on any nomination paper on the ground that it is not valid and may reject either on his own motion or on such objection, any nomination paper. The decision of the Returning Officer shall in each case be endorsed by him on the nomination paper in respect of which such decision is taken.

27 List of candidates validly nominated—A list of candidates whose nominations have been declared valid shall be published with their names and addresses by affixing the same on the notice board in the office of the Returning Officer on the same day. The names of the candidates in the list shall be in the alphabetical order of the English Language.

28 Withdrawal of candidature—Any candidate may withdraw his candidature by notice in writing signed by him and either sent by registered post or delivered in person or by messenger to the Returning Officer so as to reach him not later than 4 p. m. on the day fixed for such withdrawal, which shall be at least 5 clear days after the last date for the receipt of nominations, and the withdrawal once made shall be final. A candidate who has thus withdrawn his nomination shall not be eligible for re-nomination as a candidate for the same election to the same authority or body.

29 List of contesting candidate—The Returning Officer shall after expiry of the period fixed for withdrawal of candidature, publish the final list of contesting candidates validly nominated. The final list of the candidates shall show the names of the candidates arranged in the alphabetical order of the English Language, together with the designation, if any and addresses of the candidates.

30 Declaration of election of validly nominated candidates—If the number of candidates validly nominated and not withdrawn does not exceed the number of vacancies to be filled up by election, such candidate shall be declared to have been duly elected: 'If the number of candidates validly nominated and not withdrawn is less than the number of vacancies to be filled up by election such candidates shall be declared to have been duly elected' and the electorate shall be called upon to elect a person or

persons, as the case may be, to fill up the remaining vacancy or vacancies. If the number of candidates validly nominated and not withdrawn exceeds the number of vacancies to be filled up by election, then the Returning Officer shall proceed with the election in the manner prescribed in these Statutes.

31 Despatch of Ballot paper – The Returning Officer shall forward to each elector, through post under Certificate of Posting a serially numbered declaration paper, a ballot paper containing the names and addresses of all candidates in the same order as in the final list of candidates validly nominated and bearing the initials of Returning Officer and the date of posting, a ballot paper cover and an envelope addressed to the Returning Officer and bearing a number corresponding to the serial number of the declaration paper, together with the letter of intimation stating the number of the vacancies to be filled by election, the date and hour fixed for the poll and the date and hour fixed for the scrutiny and counting of votes, and such guidance to the voters for exercising their franchise as may be deemed necessary. The papers shall be forwarded to each elector in his address as given in the electoral roll of the constituency. If in any case an elector has since the publication of the roll changed his address the papers shall be forwarded to him in the address so changed, provided the change of address has been intimated to the Returning Officer not less than 14 clear days before the date of posting of the ballot paper. The date fixed for the poll shall not be less than 14 clear days after the date of posting of the ballot paper.

32 Nonreceipt or loss of ballot paper by an elector.—When any elector has not received or has lost the ballot paper sent to him, he may make and transmit a declaration to that effect and request the Returning Officer to send him duplicate ballot paper in place of the ones not received or lost, and the Returning Officer, if satisfied as to the genuineness of the declaration, shall issue duplicate ballot paper through post. In every case where duplicate ballot paper is issued, the fact shall be noted against the number of the elector in the electoral roll for use at the time of scrutiny and counting of votes, and the word 'Duplicate' in block capital letters shall be written or stamped in red ink on the declaration paper and the envelope addressed to the Returning Officer.

33, Defective ballot papers etc. If the elector receives any ballot paper, ballot paper cover, or declaration paper which is liable to be rejected for want of serial number, initial or for any reason arising from clerical error or omission in the Office of the Returning Officer, the elector shall, within two days of the receipt of the same but before the time fixed for the commencement of the election, bring the matter to the notice of the Returning Officer, who shall, if satisfied, issue fresh ballot paper cover or declaration paper, as the case may be, in its place. The fact that a fresh

ballot paper, ballot paper cover or declaration paper has been issued shall be noted against the number of the elector on the electoral roll for use at the time of scrutiny and counting.

34. Procedure when election papers are spoiled - When an elector has inadvertently spoiled the ballot paper or any other connected papers sent to him, he shall make a declaration to that effect and transmit the same to the Returning Officer, together with the spoiled paper and the Returning Officer, on receipt of the spoiled papers, shall cancel them and issue through post fresh ones in place of such spoiled papers.

35. Voting—The elector, in case he decides to vote at the election, shall after filling up the declaration paper and the ballot paper in accordance with the directions given in the letter of intimation and on the reverse side of the ballot paper, enclose the ballot paper in the cover marked "Ballot Paper" and stick it and enclose the same and the declaration paper in the envelope addressed to the Returning Officer and send the envelope by registered post to the Returning Officer so as to reach him before the hour and date fixed for the poll.

36. Recording of votes—An elector will have as many votes as there are vacancies. The voter may record his vote by placing clearly a mark opposite the name of the candidate or candidates to whom he wishes to give his vote or votes. The mark should be so placed as to indicate clearly and beyond doubt to which candidate he is giving his vote. If the mark is so placed as to make it doubtful to which candidate he has given his vote, the vote will be invalid. If a voter votes for more candidates than the number of vacancies, the ballot paper will be rejected.

37. Recording of votes of electors physically incapacitated. (a) If an elector is incapacitated from blindness or other physical causes through illiteracy from recording his vote in the manner prescribed; it shall be competent for him to record his vote by the hand of any of the persons specified in clause (b) and such persons shall on the declaration paper attest the incapacity and the fact of his having been requested by the elector to record his vote on his behalf and of its having been so marked by him in the presence of the elector.

(b) the following persons are empowered to record the vote for an incapacitated person, namely:—

- 1) Magistrate
- 2) Judicial officers of and above the rank of Munsiffs; and
- 3) Sub Registrars;

Provided that such person attesting the vote of an incapacitated elector should not be a candidate or near relation of a candidate contesting the election for which the vote is recorded.

38. Closing of ballot box—The Returning Officer shall close the ballot box slit and seal the box immediately after the hour appointed on the date fixed for the poll.

39. Procedure for counting—The scrutiny and counting of votes shall be held by the Returning Officer from the hour appointed on the date fixed for the scrutiny and counting of votes. No person shall be present at the scrutiny and counting except the Vice-Chancellor, the Returning Officer and such persons as the Vice-Chancellor may appoint to assist the Returning Officer, the candidates and not more than one representative of each candidate appointed by him in writing and approved by the Returning Officer. The ballot box shall be opened at the hour fixed for the scrutiny, and the envelopes in the box shall be scrutinised by the Returning Officer.

40. Envelope when rejected—(1) An envelope shall be rejected before opening.

- a) If it is not the one sent by the Returning Officer
- b) If it does not bear any serial number.

2) If two envelopes bearing the same serial numbers are received and one of them is superscribed as "Duplicate" that alone shall be accepted.

41. Ballot paper cover when rejected (1) A ballot paper cover shall be rejected:

- i) If it is not accompanied by the declaration paper sent by the Returning Officer; or
- ii) If the envelope contains no declaration paper outside the ballot paper cover; or
- iii) if the envelope contains anything other the declaration paper and ballot paper cover; or
- iv) if the declaration is not in accordance with the rules; or
- v) if the ballot paper is placed outside the ballot paper cover; or
- vi) if more than one declaration paper and ballot paper cover have been enclosed in one and the same envelope; or
- vii) if the serial number in the declaration paper differs from the serial number of the envelope addressed to the Returning Officer.

2) In each case of rejection, the word "Rejected" shall be endorsed by the Returning Officer on the ballot paper cover or the declaration paper, as the case may be.

42 Ballot paper when rejected—(1) The ballot paper covers, other than those rejected shall be mixed together and then opened in the presence of the Returning officer. The Returning Officer shall then proceed with the scrutiny of the ballot papers.

2) The Returning Officer shall reject a ballot paper as invalid for the following reasons, namely:-

- i) if it does not bear the initials of the Returning Officer; or
- ii) if the voter signs his name or writes any word or marks by which the identity of the voter becomes recognisable.

3) On every paper so rejected, the Returning Officer shall endorse the word "Rejected" stating the grounds of rejection and keep such rejected papers in a separate packet.

43) Recounting 1) Any candidate or his agent may at any time during the counting of votes, or after the completion but before declaration of result request the Returning Officer to re-examine or re-count the papers of all or any candidates and the Returning Officer shall forthwith re-examine or re-count the same accordingly.

2) The Returning Officer may at his discretion recount the votes either once or more than once in any case in which he is not satisfied as to the accuracy of any previous count.

Provided that nothing in this Statute shall make it obligatory on the Returning Officer to recount the same votes more than once.

44 Declaration of results— The Returning Officer shall at the end of the counting declare according to the number of vacancies, the candidate or candidates who have secured the largest number of valid votes as duly elected, in the order in which they have secured the votes. If two or more candidates secure equal number of votes, the returning officer shall decide by drawing lots which of them shall be excluded.

45 Record of election— (1) The Returning Officer shall prepare a record in the prescribed form showing—

- a) the number of voters who voted;
- b) the number of ballot papers rejected—
 - i) as being received late;
 - ii) for irregularities connected with the declaration;
 - iii) as invalid;
- c) the number of valid ballot papers.

The Returning Officer shall also prepare a result sheet showing the result of the counting.

In the said Statute under clause 5 (b) the words "an Assistant Returning Officer" shall be substituted with "Assistant Returning Officers."

After Part II of the said Statutes the following shall be added as Part III viz,

PART III

Procedure For Election without Postal Ballot

46. Election otherwise than by postal ballot:—

The provisions contained in clauses 23 to 30, 39, 42 (2), 42 (3), 43, 44 and 45 of Part II of these Statutes shall *mutatis mutandis* apply to election otherwise than by postal ballot under this part.

47. Polling Stations—

In the case of elections held under this part, a polling station or more than a polling station shall be provided in the University headquarters, in every constituent college and research station, and in such other institutions as the Returning Officer considers necessary.

48. *Notification of election—*

The notification shall, inter alia, contain information on the place/ places where polling stations will be provided and the date on which and the time during which poll shall be taken. The electors shall exercise voting in the respective polling stations.

49. *Polling agents—*

A candidate may appoint an election agent and not more than three Polling agents with the approval of the Returning officer, but there shall not be more than one agent for a particular polling station, for a particular candidate at any given time.

50. *Presiding Officers and Polling Officers—*

- 1) The Returning Officer may appoint a Presiding Officer for each polling station and such polling officer or officers as he thinks necessary, but he shall not appoint any persons who has been employed by or on behalf of, or has been otherwise working for a candidate in or about the election.
- 2) If a Polling Officer is absent from a polling station, the Presiding Officer may appoint any person who is present at the polling station who is not disqualified to be a polling officer under clause (1) during the absence of the former officer and inform the Returning Officer accordingly.
- 3) A Polling Officer shall perform all or any of the functions of the presiding officer if so directed by the latter.
- 4) If the Presiding Officer is absent owing to illness or other cause his functions shall be performed by such polling officer as has been previously authorised by the Returning Officer to perform such functions.

51. *Duties of the Presiding Officer and Polling Officer:—*

- 1) It shall be the general duty of the Presiding Officer at a polling station to keep order there and to see that the poll is fairly taken.
- 2) The Polling Officer shall assist the Presiding Officer in the performance of his functions.

52. *Arrangements of Polling Station:—*

- 1) The Returning Officer shall provide at each polling station sufficiently early the required number of ballot boxes, copies of the relevant part of the electoral roll, ballot papers; paper seals for securing ballot boxes, instruments for stamping the distinguishing mark on ballot papers and other articles necessary for the conduct of election and for the electors to mark their vote.
- 2) At each polling station there shall be separate voting compartment or a set of voting compartments screened from observation by others for marking the vote.

53. *Prohibition or canvassing in or near Polling Station:—*

No person shall, on the date on which poll is taken at any polling station commit any of the following acts within the polling station or within a distance of one hundred metres of the polling stations namely;

- (i) Canvassing for votes; or
- (ii) Soliciting the vote of any elector, or
- (iii) Persuading any elector not to vote at the election; or
- (iv) Exhibiting any notice or sign for improving his prospects of election.

54. *Voting*

- 1) Voting shall be by secret ballot. No vote shall be given by proxy.
- 2) Immediately before the commencement of the poll the Presiding Officer shall demonstrate to the polling agents and other persons present that the box is empty. The ballot box shall then be closed, sealed with the paper seal after affixing his signature and obtaining signature of such polling agents as are present and desirous of affixing the same thereon, in such a manner that the slit for the insertion of ballot paper thereto remains open.
- 3) The ballot box shall be placed in a convenient place with arrangements for depositing the ballot paper through the slit provided in the box after exercising the franchise.
- 4) The Presiding Officer shall ascertain the identity of the voter before issue of ballot paper and that the person desiring to vote has not already exercised his/her franchise.
- (5) Before issue of the ballot paper, the voter shall sign or affix his/her thumb impression, against his/her name in the copy of the electoral roll kept for the purpose and a tick mark placed against the name of the elector in the electoral roll, by the Presiding Officer/Returning Officer.
- (6) The serial number of the elector in the electoral roll shall be entered in the serially numbered counterfoil and the ballot paper corresponding to that counterfoil bearing the initials of the Returning Officer shall be torn off and handed over to the voter.
- (7) The voter who is in receipt of the ballot paper shall then proceed to the voting compartment and record his vote in the manner prescribed and deposit the same in the ballot box. The ballot paper must be deposited in the box even if the voter does not desire to record his vote for any candidate. No ballot paper shall be taken away from the polling station.
- (8) No voter shall be allowed to enter the voting compartment when another voter is there and no voter shall remain there longer than is necessary for recording his vote.

- (9) If a voter is incapacitated by physical infirmity it shall be competent for him/her to record his/her vote by the hand of the Presiding Officer.

55. *Closing of Poll:*

At the close of the hour fixed for the poll or/and when all who have reported before him for polling before the hour fixed for the poll have exercised their franchise, the Presiding Officer shall close the poll and shall not thereafter issue ballot papers to any elector.

56. *Sealing of ballot box and other packets after poll:*

- (1) After the closing of the poll the Presiding Officer shall close the slit of the ballot box.
- (2) The ballot box shall thereafter be sealed and secured in a cover.
- (3) Where it becomes necessary to use more than one box the first ballot box shall be closed and sealed as provided in clause (1) and (2) above before another ballot box is put into use.
- (4) The Presiding Officer shall then prepare a ballot paper account in the form supplied by the Returning Officer. He shall also make into separate packets:—
 - (a) the ballot paper account
 - (b) the marked copy of the electoral roll
 - (c) the unused ballot papers
 - (d) the counterfoils of used ballot papers
 - (e) paper seal account; and
 - (f) any other papers directed by the Returning Officer to be kept in a sealed packet.
- (5) All the above items shall be separately packed and affixed with the seal of the Presiding Officer. The Polling agents if they so desire, may be permitted to affix their seals thereon.

57. *Transmission of ballot papers, boxes etc.*

- (1) The Returning Officer shall make adequate arrangements for the safe transport of all ballot boxes and other connected papers for safe custody until the commencement of counting of votes.
- (2) The Presiding Officer shall deliver the ballot boxes, ballot paper account, sealed packets and other connected records to the Returning Officer or to his deputies as the Returning Officer may direct and obtain acknowledgement.

58. *Adjournment of Poll;*

If for any reason it becomes impossible to continue the poll at any polling station till the time fixed for the closing of the poll before any of the electors who are to exercise their votes at that polling station have voted, the Presiding Officer may adjourn the poll and adjourn the polling at that station and report the matter to the Returning Officer.

Thereafter the Presiding Officer shall seal the box and the records connected with the election and proceed as in the case of closing the poll in the ordinary course. The Returning Officer shall fix a date on which the poll so adjourned shall take effect. The Elector who had exercised his vote shall not be entitled to vote again at the adjourned poll.

59. Opening of ballot boxes:

The ballot boxes shall be opened in the presence of the candidates or their authorised representatives/agents and votes shall be counted in accordance with the procedure prescribed under clause 39 Part II of the Statutes. These amendments shall come into effect from 28-7-1986.

Explanatory Note

(This does not form part of the Notification but is intended to indicate its general purport)

The first ordinance regarding the departmental test to be passed by the Kerala Agricultural University employees, excluding the teaching staff was issued by Government under notification No. 75309/P5/75/AD dated 2-3-1976.

The Executive Committee of Kerala Agricultural University at its meeting held on 18-7-1977 decided that for the teachers who have been in service prior to 1-1-1976 and who were recruited after the formation of the University, Account Test (Lower) be introduced as a new test giving the usual time for acquiring the test qualification.

Section 50 of Kerala Agricultural University Act 1971 (33 of 1971) provides that the Executive Committee shall have power to make ordinances. The ordinance regarding the departmental tests to be passed by Kerala Agricultural University teachers has not been issued so far.

This notification is in supersession of the Government notification No. 75309/P5/AD dated 2-3-1976 (S. R. O. No. 319/76 and is to prescribe the departmental tests to be passed by the Kerala Agricultural University Employees including teaching staff.
