COLLEGE DEVELOPMENT COUNCIL

MANIPUR UNIVERSITY

UNIVERSITY OF MANIPAL
CANCHIPUR, IMPHAL-79500
MANIPUR, INDI

FOREWORD

I am happy that the College Development Council of the University has, as in the past years, brought out the College Statistics for the year 1989-90.

Higher Education has an important and vital role to play in the development of the State and the nation. The need for an objective and realistic planning for the development of Higher Education and thereby for the development of the State needs no emphasis. Information is an integral pre-requisite of any planning activity. I am certain that the College Statistics would prove to be of value to our planners in their efforts.

I wish the College Development Council all success in its endeavour.
