III. Major Issues

Education Indicator

- GER of the state at secondary level is 58.36 % which is far behind the RMSA objective i.e. 75% by 2013.
- State needs to furnish the Net Enrolment Ratio (NER) gender wise and district wise, Retention Rate gender wise and district wise for last 3 years.
- State needs to furnish the Dropout rate for the year 2012-13 along with gender wise and district wise break up.

Access related issues

- As per the reference of the 14th PAB meeting to consider AWP&B for the year 2011-12, PAB was sanctioned 279 Upper Primary Schools for upgradation into secondary level to the state, but in the approved list of 279 schools, it is seen that 4 schools is placed twice in the sanctioned list of 2011-12.

Issue with the manual mapping exercise.

- As per manual mapping with the help of district officials, some of the proposal is not as per the criteria of selection of school for upgradation like as per UDISE, class 8th enrolment is zero in at least 59 cases. one of the UPS is proposed by the state for upgradation which is having secondary school within 3 Km and reason for proposing school has also not been specified.
- GIS mapping exercise has not been yet completed. State had made a commitment to the PAB to undertake GIS Mapping with actual requirement of schools but the state has not completed GIS mapping till now.

Not provided habitation data: In the current year, state has not provided habitations details.

- **State has not provided prospective plan**

Civil Works related issues

- **There is very slow progress of civil works in all the schemes.**

Quality related issues

- There is no caderization of teachers up to secondary level. Teachers are appointed as general line teachers. The teachers are posted without taking into consideration their subject specialization. Hence, the share of mathematics (3.86%), science (8.38%) and social science (4.67%) teachers is unsatisfactory in the state
- As per U-DISE 2013-14, 14.90% teachers of Govt. secondary schools are untrained (without B. Ed or M. Ed degrees).
- The state has not developed teachers training modules for all subjects.
- The results of the board exams is unsatisfactory. In the year 2011 Pass percentage for boys is 48% and for girls it is 45 % and in 2012 Pass percentage for boys is 50% and for girls is 47 % .

Points for PAB decision

As per the reference of the 14th PAB meeting to consider AWP&B for the year 2011-12, PAB was sanctioned 279 Upper Primary Schools for upgradation into secondary level to the state, but in the approved list of 279 schools, it is seen that 4 schools is placed twice in the sanctioned list of 2011-12.

On the ground of repetition of 4 new approved schools in the year 2011-12 which are also listed in the approved list of 2011-12, **it is requested to the PAB to cancel approval of following 4 schools which are approved in the year 2011-12 and accordingly financial approval may be considered.**

Appraisal Report 2013-14

1. Composition of Appraisal Team

Sl. No.	Name	Component
1	Ms. Mitu Mandal	Coordinator, Quality and Research & Innovation
2	Mr. Altab Khan	RMSA staff set up in the State and training of the Staff, and overview and analysis of the planning process and implementation for RMSA, ICT@ Schools, IEDSS, Girls' Hostel, Vocationalization of Higher Secondary Education.
3	Ms. Amita Singla	Financial Management Analysis, FM checklist, Separate Bank A/C, State Share, Bond, UCs, Expenditure Analysis, Costing (ICT/ IEDSS/VE/GH/RMSA) for the proposal.
4	Ms. Ishrat Jahan	Costing cross check
5	Mr. Ramakant Barua	Progress of Implementation of RMSA in the State. IEDSS appraisal.
6	Mr. Kalicharan	Educational Indicator, including no/% of unenrolled/out of school children in the age-group
7	Mr. Manoj Mishra	Access and Open Schooling, including interventions for out of school children, Vocationalisation of Higher Secondary Education along with VE Section
8	Mr. Sushil Kumar	Civil Works including analysis of progress made, planning for civil works, designs and norms, guidelines for civil works, Non -recurring component of GH/IEDSS/VE/ICT/RMSA
9	Mr. Harish Kumar	Procurement, analysis of procurement process/tender notices, work order completion certificates/delivery certificates/payment procedure. Appraisal of Girls Hostel with GH Section
10	Mr. Rajiv Mehra	Appraisal of ICT @ school along with School 5 section, SEMIS analysis, analysis of MIS
11	Ms. Reena Sharma	Teacher recruitment/ appointment
12	Ms. Sangita Das	Equity Interventions SC/ST/Girls, Minorities, Economically weak students.
13	Dr. Mukhtar Alam	Teacher training, Pedagogy, headmaster's training, Curriculum Reforms/ Examinations Reforms.
14	Mr. Nair Azam	Media Activities, Community Mobilization, SMDC Training
Special Observation Notes:		
1	NCERT	Critical Analysis of Quality Education Planning
2	NUEPA	Critical Analysis of Planning Process

2. State Profile

1.	Population 2011	Male – 66.66lakh	Female – 58.83 lakh	Total – 125.49 lakh
2.	Literacy Rate 2011	Male – 78.26%	Female – 58.01%	Total – 68.74%

31.	Transition rate from (class VIII to IX)	86.79%
32.	Gender Parity Index (GPI)	0.91
33.	Gender Gap	8.05
34.	Pupil Teacher Ratio (PTR) in government schools	21
35.	Student Classroom Ratio (SCR) in government schools	41

Source: Census of India 2011 & State Model Table 2013-14

3. Education Indicators

The focus of this section is on the major indicators of secondary education. This includes Gross Enrolment Ratio (GER), Net Enrolment Ratio (NER), Dropout Rate, Retention rate and Transition Rate etc.

UDISE:- The state has used UDISE 2012-13 data for preparation of Annual Work Plan 2013-14.

Enrolment:- The total Enrolment at state level in all secondary schools in the year 2012-13 is 341315, out of which 184397 are boys and 156918 are girls. The representation of boys and girls in the total enrolment is 54.03% and 45.97% respectively. The enrolment has increased from 321009 in 2010-11 SSE.

Enrolment (Secondary level)

Year	Boys	Girls	Total
2012-13	184397	156918	341315
2011-12	174306	145756	320062
2010-11	172778	141385	314163

Gross Enrolment Ratio (Secondary level):- The Gross Enrolment Ratio at Secondary level is 58.36%, which has increased from last year i.e. 52.03% The GER has considerably increased from 65.1% in 2010-11 SSE. However, the districts having low GER viz. Srinagar 39.22%, Badgam 44.86%, Bandipora 46.79% and Baramula 47.36% need special attention and intervention. The district level GER is attached at Annexure-I.

Gross Enrolment Ratio (Secondary level)

Year	Boys	Girls	Total
2012-13	61.06	55.48	58.36
2011-12	54.91	48.96	52.03
2010-11	NA	NA	NA

Net Enrolment Ratio (Secondary level):- The NER at state level is Not Available.

Net Enrolment Ratio (Secondary level)

Year	Boys	Girls	Total
2012-13	NA	NA	NA
2011-12	NA	NA	NA
2010-11	NA	NA	NA

Drop-out Rate (Secondary level):- The Dropout Rate at state level in the year 2011-12 is 18.4% which has decreased from last year i.e. 19.7%. State needs to furnish the drop out rate for the year 2012-13 along with gender wise break up.

Drop-out Rate (Secondary level)

Year	Boys	Girls	Total
2012-13	NA	NA	NA
2011-12	NA	NA	18.4
2010-11	NA	NA	19.7

Retention Rate (Secondary level):- The retention rate at State level is not available.

Retention Rate (Secondary level)

Year	Boys	Girls	Total
2012-13	NA	NA	NA
2011-12	NA	NA	NA
2010-11	NA	NA	NA

Transition Rate:- (class VIII to IX):- The transition rate is one of the important indicators in secondary education. The indicator shows the percentage of children moving to the secondary level (from class VIII to IX). The transition rate (class VIII to IX) at state level is 86.79%. The districts having low transition rate viz. Baramula 71.87% , Reasi 73.21% and Punch 73.48% need special attention and intervention. District level transition rate is attached at annexure- I.

Transition Rate:- (class VIII to IX)

Year	Boys	Girls	Total
2012-13	87.17	86.37	86.79
2011-12	84.36	84.09	84.24
2010-11	83.32	82.36	82.89

Gender Parity Index (GPI):- The GPI at state level is 0.91, which has decreased form 0.94 in 2010-11 SSE. The districts having low GPI viz. Ramban 0.82, Samba 0.83 and Punch 0.85 need special attention. District level GPI is attached at annexure- I.

Gender Gap:- The Gender Gap at state level is 8.05, however the high Gender Gap in districts having high gender gap viz. Ramban 13.19 and Samba 13.08 need special attention. District wise Gender Gap is attached at annexure-I.

Pupil Teacher Ratio (PTR):- The PTR at state level is 21 which is less than the prescribed norms of 30. The district having highest PTR viz. Ramban 61 needs more teachers and lowest PTR in Leh Ladakh 6 needs special attention and intervention for more enrolment. District level PTR is attached at annexure –I.

Student Classroom Ratio (SCR):- The SCR at state level is 41, however the districts having high SCR viz. Doda 62, Ramban 89 and Udhampur 97 need special attention for more classrooms. District level PTR is attached at annexure - I.

Issues

- State needs to furnish the Net Enrolment Ratio (NER) gender wise and district wise, Retention Rate gender wise and district wise for last 3 years.
- State needs to furnish the Dropout rate for the year 2012-13 along with gender wise and district wise break up.

4. Planning Process

4.1 Planning Process

The State Government has constituted the “NOOR Society“which is the State Implementation agency of **Rashtriya Madhymik Shiksha Abhiyan** in the State. The society functions at the state level and has its state offices at Srinagar and Jammu. The Society has to maintain two state offices because of the age old tradition of durbar move; the offices function in Srinagar from May to October and in Jammu from November to April

State has undergone the process of planning starting from the school level, setting priority to their targets. Following are some of the key points highlighted by the state:

- The process of plan formulation begins from the school level with the involvement of the SMDC members and school functionaries.
- The missing gaps in infrastructure are captured on U-DISE with 30th September as reference date.
- The data captured from the U-DISE for plan formulation was cross checked at School, Cluster, Block and District level to obtain authentic and quality data for plan formulation.
- The school plans formulated have been analysed by the district level planning teams headed by the concerned CEO. The plans have also be shared with the divisional Directorates of School Education Department for ratification /prioritization

Constraints in plan formulation:-

1. Inadequate manpower at district level due to ceiling of MMER.
2. Prioritization of Public demands for coverage of maximum schools.
3. School mapping.
4. No provision for separate girl’s schools.
5. Non-availability of land particularly in urban areas.

Orientation and Capacity Building for Planning:-Capacity building workshops were conducted at Srinagar/Jammu for familiarization of district plan teams with the concept of integrated plans under RMSA for the year 2013-14. The participants acted as MRPs for the orientation of the functionaries associated with the Plan formulation at different levels in the district.

Capacity Building of Academic staff at SPO/SIEs/DIETs:-To build the capacity of principal DIETs, HODs of SIEs and academic staff of SPO RMSA a five days training outside the state is proposed. This will help in smooth implementation of components of RMSA:

Costing:

- No. to be trained: 40 (4, 14 and 22 from SPO, SIE and DIET respectively)
- Financial implications = 4 lacs (@ Rs 10000/- per participant for 5 days = 40 x 10000 = 4.00 lacs)

Recommendation: The above training need has been appraised under the quality component.

District level structure as enumerated in the plan is as under:

- The District Educational Planning Officers/ Deputy Chief Education Officers have been designated as District Programmer Co-ordinator, for RMSA in addition to their duties.
- A staffing pattern for RMSA at State and District levels has been submitted to the State for approval
- The existing staff viz SPD, Chief Accounts Officer, State Coordinators, Assistant Coordinators, Executive Engineer and support staff has been drawn from various Government departments on deputation and are paid out of the MMER likewise some contractual staff has been drawn from SSA..
- However, with advancement of time, the requirement of the manpower has increased and has to be addressed accordingly with enhancement of MMER

Staffing set-up:-As informed the following Staff structure shall be at State and District Level:

State Level:

S. No.	Office/units of State Project Directorate	Posts	Qualification / rank	Per Month (Rs in lacs)	Phy	Total Amount in lacs
1	Administrative Unit	State Project Director (RMSA)	I.A.S or Sr. K.A.S. Officer	1.25	1	15.00
2		Divisional Project Director (2)	By Deputation from Education department	0.70	2	16.8
3		Administrative Officer (1)	By Deputation	0.70	1	8.4
4		Finance Advisor / Chief Accounts officer (1)	By Deputation	0.70	1	8.4

4	Civil Works Unit	Asstt. Exec. Engineers	By deputation from PWD / R&B.	0.40	22	4.80	105.60
5		Junior Engineers	By deputation from PWD / R&B.	0.30	22	3.60	79.20
		Orderlies	Contract	0.15	22	1.8	39.6
Total				2.57	155	23.04	543.84

- The MMER was limited to 2.2% only as such the District Educational Planning Officers have been assigned the charge of DPCs in addition to their duties so that the burden of salaries is shared by the parent department.
- Since the MHRD, GOI has dispensed off with the MMER ceiling of 2.2% the necessary staff shall be put in place both at State and district level for effective implementation of the programme.
- An amount of **Rs. 543.84 lacs** has been proposed on account of salaries at district level of DPC and other staff for the year.
- Therefore the total implications on account of salary at SPO and District shall be to the tune of **Rs 774.48 lacs** (Rs 230.64 lacs + Rs 543.84 lacs).
- *As the above salaries may be availed from the funds under MMER.*

Further state has submitted the following information's in regard to staffing structure at the state & district level:

- All efforts are being taken to ensure that the mission of Universalization of Secondary Education is carried forward by the Noor Society and recuperate the already lost time in implementation of the Scheme.
- The proposal of staff has been approved in principle but the bare minimum staff is in place at present. The proposed staff shall be in place shortly.
- Governing Body headed by the Hon'ble Chief Minister of the State and comprising of Administrative Secretaries of various departments and other head of departments / eminent educationists is in place for implementation of RMSA in the State.
- An Executive Committee headed by Secretary Education has already been constituted to monitor the affairs of Noor Society which is implementing agency of RMSA flagship programme in the State.
- Besides a four tier monitoring mechanism at State, Division, District and School Level has been put in place to monitor the implementation of the Scheme.

Staff Structure in RMSA at State Level:						
S. No.	Office/units of State Project Directorate	Posts	Qualification / rank	Staff sanctioned	Staff filled	Vacant
1	Administrative Unit	State Project Director (RMSA)	I.A.S or Sr. K.A.S. Officer	1	1	0
2		Divisional Project Director (2)	By Deputation from Education department	2	0	2
3		Administrative Officer (1)	By Deputation	1	0	1
4		Finance Advisor / Chief Accounts officer (1)	By Deputation	1	1	0
5		Sectional officer (1)	By Deputation	1	1	0
6		Asstt. Accounts Officer (1)	By Deputation	1	0	1

Observation:-As seen above all the main officers at the SPO & DPO level have been on deputation except the following staffs:

- Programmer
- Asst. Programmer
- Clerks
- Peon
- Assistant
- Draftsman

As observed, state is planning to recruit more staff at the SPO & DPO level to fulfil the requirements. As mentioned that staffs for the integrated components and components under RMSA will be meeting with the MMER from the current year.

4.2 Observation of NUEPA

The issues discussed and comments made below are only on planning process and data related issues and do not reflect on other issues.

The AWP & B 2013-14 of Jammu & Kashmir under RMSA contain a set of data and information on secondary education in the state. A fairly good amount of information concerning facilities available in secondary schools collected through micro planning activities as well as MIS have been presented in the plans. The planning team has tried to analyse the data and correlate it with the identification of main issues and possible strategies. Besides, while preparing the plan, the district and state specific needs, infrastructure requirements, quality parameters, rural-urban differences, gender disparities, social equity and other important factors have been taken into consideration. More importantly, the AWP & B 2013-14 has been prepared following a bottom up approach as per the guidelines and also based on the previous experience of implementation of RMSA in the state. It may also be noted that the Plan has been prepared keeping in mind the given budgetary constraints in 2013-14 under RMSA and other central sponsored schemes subsumed under it. More detailed comments are presented below.

The geographical and disturbance of Jammu & Kashmir has a great impact on socio-economic development of the state.

Planning Process:-The plan document begins with the state profile in terms of administrative divisions including educational administration and institutions, demographic profile, literacy and other socio-economic characteristics as well as educational status at secondary level in the state. The required data and information have been presented and analysed properly.

The State has initiated manual School Matrix Mapping but, it will take some time given the expertise and preparations at the field level as also the financial constraint. The State has also clubbed the GIS mapping of SSA and RMSA through the Department of Environment and Remote Sensing.

To ensure overall change in the schooling scenario, the heads of the institutions are also given management trainings by the SIEs with active involvement of DIETs.

The AWP&B is clear how the plan has been prepared or what the process of plan formulation was. It is needless to mention that RMSA programme envisages a community-based approach to planning. In RMSA, bottom level planning is encouraged. For this, institutions are to come up with their own School Level Plan Documents that reflect the school needs. It is, therefore, necessary to involve all stakeholders in the development of

SIPs. In order to make the planning exercise participatory it is expected that wide consultations should take place at various levels in the form of workshop, meetings etc. to elicit the views of stakeholders on secondary education. Participatory exercises are meant for identifying the problems and issues related to secondary education at the school level. State plan should be the consolidation of district plans along with some State interventions.

For plan formulation, an operating time table which is called Management, Monitoring, Evaluation & Research (MMER) has been given. Details of the major activities and the monitoring arrangements planned for the year 2013-14 is given under below.

- a). Project Management: Giving detail on staffing status and implementation capacity from state level up to district and block level.
 - b). Activities proposed under MMER at state level in which activities to be taken up at levels like Research and evaluation, supervision & monitoring and management & quality level is clearly defined.
- 1) Inclusive Education For Disable At Secondary Stage (IEDSS):The State Government is fully committed towards the welfare of Persons with Disabilities particularly the differently able children. The State has its own Act called Persons with Disabilities (Equal Opportunities and Full Participation Act) 1998. The differently able children are helped through scholarship schemes implemented by the State Social Welfare Department The inclusion of IEDSS in the Integrated AWP&B will help the differently able students in a better way. The constructions of Resource Rooms/ Ramps has been initiated.
 - 2) There is proposal for construction of Girls Hostel for students of Secondary and Higher Secondary 2013-14, 97 blocks have been identified as Educationally Backward Blocks (EBBs) on account of gender gap and literacy rate of females in comparison to national average. These 97 blocks are the focus blocks of the State Govt. In this regard 68 EBBs have been approved for establishment of Girls Hostels and the remaining EBBs will be covered in a phased manner.
 - 3) Planning and policies for development of ICT at schools in secondary education in the state:- The Scheme will be implemented as a part of the Integrated AWP&B 2013-14 and will cover the identified schools.
 - 4) Under the scheme of vocational education subjects shall be introduced as a substitute to the routine subjects with vertical mobility. Also state is actively considering for converging skill development mission with School Education.
 - 5) Training were provided of 308-Master Resource Persons(MRPs) through SIEs.

6) Special Enrolment Drive in border Districts: Funds @ Rs .10 lacs each have been utilized in ten border districts namely Kupwara, Baramulla, Bandipora, Leh, Kargil, Poonch, Rajouri, Samba ,Kathua and Jammu.

7) Funds to the tune of Rs 6.00 lacs released to SIEs for coverage of 600 school heads under Guidance and Counselling orientation Programme.

Strengths in the Planning Process

1. The state has collected the relevant data and information .Using the data, the state team has done a proper diagnosis of the progress made so far as well as the present status of educational development at secondary level in the state. Besides, the plan document has identified the problems and issues relating to access, participation, equity and quality) based on the diagnosis and has evolved strategies and interventions.
2. It is appreciable to note that state has presented the figures on enrolment and enrolment related indicators. Figures on number of out of school children in the age group 14-15 or those who have completed grade X and XII.

The pace of construction has picked up after initial hiccups but is still slow in some districts.

The overall planning of the proposal and the targets of RMSA for the 2013-14 of the state of Jammu & Kashmir is quite comprehensive with aim to universalisation of secondary education in the state. The report has good proposals on various activities for the year 2013-14. The detail utilization pattern of preceding year 2012-13 (AWP&B) is given for every activity.

4.3 Status on UDISE/UDISE Code

UDISE 2012-13:-State use UDISE 2012-13 data in there AWP & B 2013-14. According to UDISE data submitted, the status of school, enrolment and teacher are as follows

Particulars	As per UDISE 2012-13			As per Model Tables			Remarks
	Govt.	Aided	Total	Govt.	Aided	Total	
Secondary Schools	2343	0	2343	2343	0	2343	264 schools having enrolment zero
Teacher	9590	0	9590	9590	0	9590	
Enrolment Class IX	130598	0	130598	130633	0	130633	
Enrolment Class X	75319	0	75319	75354	0	75354	
Enrolment (IX & X)	205917	0	205917	205987	0	205987	

Minor repair :

Progress : 2012-13:-1622 schools approved under school maintenance grant in year 2012-13

Proposal :2013-14:-State has proposed 1754 schools under Minor repair

Recommendation :(Source : UDISE 2012-13)

- Total No. of Govt. Schools is 2343
- 526 are new schools
- 66 schools are in rented building
- Total no. of schools eligible for minor repair is : 1751

UDISE Code Checking for Previous Sanctioning

Particulars	School Covered Since Inception	UDISE Code Status	Remarks
Strengthening	527	527	
New School	530	524	Location of 2 schools have been changed by state (1 school is approved in 2009-10 and 1 school approved in 2010-11) 4 school is approved twice (MS Lopara, MS Basmina, MS Bugrana, and MS Gurinalla) are proposed to be cancelled

5. Progress of implementation

RMSA

Status of Non-recurring Implementation & Progress:

S. No.	Components	2009-10			2010-11			2011-12			Commutative Status as on 31 st March, 2013			
		Sanctioned*	Completed	In-progress	Sanctioned	Completed	In-progress	Sanctioned	Completed	In-progress	Total Sanctioned	Completed	In-progress	Cumulative Progress in % (Comp.+Inp)

COMPONENT WISE

APPRAISAL

6.ACCESS

1. Issue regarding access

- State has not achieved XI five year plan target of GER i.e. 75% at secondary level. As per UDISE 2013-14 calculated GER at secondary level of the state is 58.38%.
- School mapping exercise is under progress and report is awaited.
- Total requirement has not been provided by the state.

2. Upgradation sanctioned under RMSA

- In the year 2009-10, No. of schools approved by the PAB 69
- In the year 2010-11, No. of schools approved by the PAB 182
- In the year 2011-12, No. of schools approved by the PAB 279
- In the year 2012-13, schools has not been approved 0

3. Functional schools under RMSA

- Against the year 2009-10, No. of schools are functional 69
- Against the year 2010-11, No. of schools are functional 182
- Against the year 2011-12, No. of schools are functional 275
- Against the year 2012-13, schools has not been approved 0

Issue: - Repetition of 4 new secondary school

Comment :- As per the reference of the 14th PAB meeting to consider AWP&B for the year 2011-12, PAB was sanctioned 279 Upper Primary Schools for upgradation into secondary level to the state, but in the approved list of 279 schools, it is seen that 4 schools is placed twice in the sanctioned list of 2011-12. On the ground of repetition of 4 new approved schools in the year 2011-12 which are also listed in the approved list of 2011-12, it is requested to the PAB to cancel approval of following 4 schools which are approved in the year 2011-12 and accordingly financial approval may be considered.

S.No.	District	Educational Zone	Block/ Taluka/ Municipal Corporation	DISE Code	Name of the Schools to be Upgraded	No of Section

see Model table 2013-14

Structure in school education

- In J&K class 9th and 10th includes secondary education.
- In the state session starts from 1st November in Kashmir and 1st of April in Jammu.

State government initiative

- State Government needs to provide the information.

7. School Mapping exercise

- ❖ In the year 2011-12, Manual School mapping in 196 zones of 21 districts had been completed by the state. Although It was also informed by the state that the manual mapping along with Distance Matrix exercise had also under process. Further state has not furnished any information in this regard.
- ❖ In the current year, the state has started process of school mapping exercise from July 2012, which has not been completed yet
- ❖ However, The state has reported that they have organized a 3 days workshop on School Matrix Mapping w.e.f 3rd July, 2012 at Srinagar where-in the 2 officers/officials from each district including District Programme Coordinator were trained by National Experts from NUEPA. Simultaneously the manual Mapping is also being attended and has been completed in district Anantnag, rest of the districts, manual school mapping is going on till now (Page no-- AWP&B 2013-14).

Issue: - Issue with the manual mapping exercise.

- **Comment:** - As per manual mapping with the help of district officials, some of the proposal is not as per the criteria of selection of school for upgradation like as per UDISE, class 8th enrolment is zero in at least 59 cases. one of the UPS is proposed by the state for upgradation which is having secondary school within 3 Km and reason for proposing school has also not been specified.
 - **The state has not mapped the government aided schools while school mapping exercise. It was also the recommendation of 1st JRM team members.**
 - Further it is also found that the state has not prepared their plan as per indicative budget especially for non recurring component in regard to new school proposals. As per recommendation of 1st JRM report, it should have been prepared on the basis of the same.
- ❖ GIS mapping exercise has not been yet completed.

Comment: - State had made a commitment to the PAB to undertake GIS Mapping with actual requirement of schools but the state has not completed GIS mapping till now.

In this regard, the state has decided to take up the school mapping in convergence with SSA who has already initiated the process for conducting the GIS mapping in the state and accordingly Department of Environment and Remote Sensing has been requested to take up the GIS Mapping. The modalities for the exercise have also been worked out and the exercise

is expected to be completed by the end of the current year. A provision of **Rs 100 lacs** is kept for GIS/manual mapping.

Further data:

- ✱ Out of **27752 habitations** in the state, they have to provide details of served and unserved habitation by the Secondary school facility within 5 km :- (As per manual mapping exercise 2011-12)

Total No of Habitations	27752
Habitations covered	Is to be provided
Habitation without covering secondary schooling facility	Is to be provided
% of Habitations covered	Is to be provided
% habitations are without schooling facility within 5 km radius	Is to be provided
Total requirement of schools for covering all habitation with secondary schooling facility	Is to be provided
Habitation covered by upgrading 33(11+22) schools in two years	is to be provided

Issue of not providing habitation data:-

- In the current year, state has not provided habitations details.

Total Requirement: -

- As far as total requirement is concerned, **state needs to complete the manual school mapping exercise.** Therefore the state government has also stated that the actual total requirement of new schools will be provided after completing GIS mapping in all district.

Issue with the total requirement:-

Comment:-It is observed in the state that the need based analyses of total requirement have not been properly carried -out at the state level and actual requirement of secondary schools need to be mapped with another and massive school mapping exercise.

State Norms for Up-gradation to Secondary Schools:

- ❖ As per state school education act 2002, A High School at a distance of 5 Kilometers provided, having 2-3 feeding Middle school with overall enrolment of 25 students from feeding schools and Schools itself;

11. Proposal for the current year

- ❖ In the current year state has proposed to start total 382 Middle schools for up grading into secondary schools which has been revised at the TSG level by including 30 additional proposals. Hence total proposal received from the state is 412 (382+30).
- ❖ List of 412 schools has been provided along with the distance to the nearest secondary school and potential enrolment in class IX and other relevance information.
- ❖ The 223 proposed schools will have 1 section in each class IX & X and 189 proposed schools would have 2 section schools.
- ❖ Estimated cost of 1 section and 2 section school would be calculated as per SOR.

Observation for 412 new/ upgraded Schools in which part (a) is for 382 proposals and part (b) is for 30 schools proposal:

Part A:

- ❖ **It is observed that out of proposed 382 schools**
 - a) 2 school is proposed nearby existing secondary schools which is available with 3 km and these cases student can avail the facility of the same secondary school.
 - b) In 10 cases, the proposed school is not having land for construction (As reported by the state government).
 - c) State has given corrected UDISE data of 59 schools one day before the PAB which was earlier showing zero enrolment in class 8th. In the corrected data it is found only 2 school is having 0 enrolment, remaining 57 schools, 2 schools are in special focus district (Enrolment 8 & 13), and rest of 55 schools 40 schools are having feeder schools 2 and more, (As per state norm for upgradation of school, it is also compulsory to have at least 2 feeder schools). Out of 40 schools, 31 schools are having more than 25 enrolments.
 - d) As per state norm for upgradation of school, it is also compulsory to have at least 2 feeder schools. Considering this fact only 163 schools are taken up for appraising in the current year and 148 schools may not be eligible for consideration for appraisal. 163 proposed schools may be

categories in two categories in which 128 schools are situated in non SFDs and 35 schools are situated in Special Focus District.

128 schools have been proposed mainly on the basis of their potential enrolment and poor access to the secondary education in class IX.

- ❖ Out of 128 schools, Potential enrolment varies from 6 students to 114 students. Distance from nearest secondary school varies from 5 km to 27 km.
- ❖ Potential enrolment is more than 70 in 7 schools. Potential enrolment is more than 50 and less than 70 is in 5 cases. Enrolment is more than 25 and less than 50 is in 70 cases.

35 schools proposed to serve the weaker section in special focus district:-

- ❖ Potential enrolment varies from 8 students to 125 students. Distance from nearest secondary school varies from 5 km to 18 km.
- ❖ Potential enrolment is more than 70 in 3 schools. Enrolment is more than 50 and less than 70 is in 1 case. Enrolment is more than 25 and less than 50 is in 13 cases.

Part B:

Proposal of 30 schools

- A) Out of proposed 30 schools, 3 schools are situated nearby existing secondary school, which is having classes upto 10th standard.
- B) In remaining 27 cases, 8 schools are having secondary school within 5 KM distance. One school is not having land for construction.
- C) In rest of 18 schools potential enrolment varies from 15 to 90 enrolments. Potential enrolment is more than 70 in 6 schools. Enrolment is more than 50 and less than 70 is in 10 cases. Enrolment is more than 25 and less than 50 is in 2 cases.

Consideration:

Proposal of 412 schools may not be considered due to following reasons:-

❖ Issue with incomplete school mapping exercise

- It is observed that the school mapping exercise is under process in the state.

Comment:-As per RMSA framework it is mandatory for the state to complete the mapping exercise and only after the completion of exercise proposal may be considered for upgradation. Concern para of the framework is as follows:-

(Para 2.1.1, Bullet 2 & 4) Up gradation of Upper Primary Schools based on micro planning exercise with all necessary infrastructure facilities and teachers. Ashram Schools will be given preference while upgrading upper primary schools.

Opening of new Secondary Schools/ Higher Secondary Schools in unserved areas bas on the school mapping exercise. All these buildings will have mandatory water harvesting system and will be disabled friendly.

- (Para 3.13.2 , bullet 6) District plan should have evidence of School mapping and micro planning habitation wise/village wise/cluster wise/urban wise/slum wise/ward wise.
- Considering the above fact it is requested to the state to complete the mapping exercise as per norm and then proposal may be sent for upgradation.

❖ **GIS Mapping is also under process: -**

- GIS mapping is also under process in the state and it is expected to complete the exercise before the end of the year. The fresh perspective proposal for upgradation would be generated by the GIS mapping which would be much authentic and justifiable list of schools to be upgraded. Therefore it is suggested to the state to complete the GIS mapping and distance matrix exercise correctly and prepare the list of Upper Primary schools to be upgraded along with perspective plan to serve all the unserved habitation with the secondary schooling facility.

❖ **Issue with incomplete habitation data**

- Due to incomplete school mapping exercise, state is unable to map habitations. As per RMSA framework, it is compulsory to provide evidence for completing school mapping exercise along with habitation data. Reference para of RMSA framework is as follows:-
(Para 3.13.2 , bullet 6) State/ District plan should have evidence of School mapping and micro planning habitation wise/village wise/cluster wise/urban wise/slum wise/ward wise.

❖ **Issue with the total requirement and perspective plan:-**

- In the current year plan, The State Government has stated that (Page no. 78-79) the district have proposed 675 middle schools for upgradation on need based. It is not clear that whether the total requirement of the state is indicated as 675 required schools or else. The state government has also not shared the perspective of the proposed list.
- State needs to provide specific perspective plan. It is also mentioned that after completing mapping exercise, the fresh perspective should be generated which is the prime of the mapping exercise.

Apart from the above major gap in the planning of opening of new schools following are the discrepancies found in the proposal:-

❖ **Issues with the enrolment projection for the proposed schools for upgradation:-**

- In certain cases estimated enrolment is unusually high in comparison to their actual enrolment of class 8th and the UPS available in the catchment area of the proposed school.

S.No	District	Name of Upper primary School proposed for Upgradation	U-DISE School code	Actual Enrolment of the school	Total Enrolment of the School as per UDISE	Name of feeding schools	No of students likely to be enrolled in class 9 th as state calculated	Distance from nearest High school
1	Anantnag	MS Panjpora	01060500501	16	94	MS CheckiPanjpora , MS Marhama	118	5 kms
2	Kupwara	MS Nowgam	01011300105	45	120	UPS Putwari UPS Inderdaji AGW School	207	5 km
4	Udhampur	MS Bariote	01101503001	20	62	1. MS Lalli 2. MS Radhnote 3. MS ChhawLalli 4. MS Sarhi	150	21 Kms

issues with the Distance matrix exercise conducted only in the annathnag district:-

- The exercise in the sample block, Mattan, has been examined which was not as per the rule of matrix exercise. Moreover it has been found that many habitations are left without proposal of new schools which is not having secondary schools within 5km.

session starts from 1st November

- It is also mentioned that the next session in the state will start from 1st November in Kashmir and 1st of April in Jammu, therefore if the state completes the mapping exercise till the month of August, at the earliest, the proposal for upgradation in highest priority areas may be sent for approval from the PAB RMSA and after that the approved schools may be functional from the month of November 13 and april14 (As the state has informed during appraisal).

Considering the above issues proposal for upgradation may not be considered for upgradation, However considering the scenario of

- 1) Very low GER of the State i.e. 58.38%
- 2) Difficult terrain / topography & natural barrier

- 3) Major Issue of access
- 4) Considerable area of civil strife

In view of the above fact, access being the priority, indicative budget in mind and commitment of SPD in the pre PAB, regarding completion of school mapping exercise in 2 months, the PAB may take a view to accord in principle conditional approval of 50 new secondary schools in which if the state comes back with

- (a) Complete school mapping exercise along with distance matrix exercise
- (b) Proposal consisting of the priority for that particular habitation/area which is having most access less habitation, SFD and Remote area.

PAB may take a view in this regard.

Proposal and consideration – Summary

Sl. No	Proposal	Consideration	Basis of consideration
1.	Upgradation of 412 schools	No Schools are eligible	In absence of school mapping exercise Absence of habitation details. No projected requirement for the secondary schools Discrepancies in projected enrolment

Open schooling system

As per information gathered from the state officials and A Study of the Development of the State Open Schools (SOSs) in India done by T. Rajagopalan, Journalist and Former Education Correspondent, THE HINDU, The status of Jammu & Kashmir Open School is as follows:-

- State has given some initial start in around 2006 in regard to state open school, the further headway could not be made for unknown reasons as a consequence now in 2010. In the year 2011 administration of the Board of School Education took some initiative and necessary pre-project exercise took place by virtue of which:
 1. The Executive Body for J&K SOS was constituted and persons nominated.
 2. Accredited institutions both in Private / Public Sector identified.

3. MOU with NIOS for procuring their SLM for class 10th was signed and SLM for class 10th procured by investing Rs. one crore for 20,000 sets of SLM.
4. Prospectus, Admission Forms and manual for study centres framed and printed.
5. Two coordinators identified for Jammu Division and Kashmir Division out of the existing staff of the Board with additional duties.
6. Everything is now ready but for the nod from the Government to go ahead”
Further, it is also informed by the state officials that in the state 71 accredited centers has submitted their request to affiliation from the J&K Secondary Board of education.

Proposal for the Out of school children:-

- State has proposed total Rs. 295 lakhs for establishing a new set up of State institute of open schooling.
- State has asked, total Rs. 50.00 lakh for Establishment a set up at state level and total Rs. 220.00 lakh @10.00 lakh for establishing a set up at district level.
- State has also asked fund for advocacy programme.
- The detail financial implication on account of the various activities is as under:-

S. No	Components for funding	Unit cost (Rs. in lacs)	Total Amount in lacs
1	Setting up of State Open School at State level	50.00	50.00
2	Setting up of open school at district level	10.00	220.00
3	Support for advocacy	25.00	25.00
	Total		295

Observation/Comments

- State has planned to establish a state open schools at the state level and establish study centers in selected schools in district head quarters of 22 districts.
- At the initial stage, it is observed that the proposal is incomplete in respect of estimation of number of students of 14+ age group in each district
- Details of Modelities of the state open school is also need to be provided.

Consideration

- Considering the fact that 15% students in secondary education should be able to cater by the fully developed open schooling system as suggested by the CABE Committee on universalization of Secondary Education. To this effect the programme for opening of State Open School (SOS) should be extended to the state and fully equipped for converging the functions under literacy programme, vocational education programme and ICT through the

system to derive the resultant output and outreach in favour of the OoSC/drop-outs and other under privileged sections.

- **However, proposal may not be considered in absence of norm and modalities regarding open schooling.** It is also informed to the state that Taking into account the issue of dropout students at the secondary level the ‘National Institute of Open Schooling’ (NIOS) has been entrusted to come up with the guidelines for planning & implementation for the out of school children under the Rashtriya Madhyamik Shiksha Abhiyan (RMSA) right from the 12th five year plan. In this regard chairman of working group constituted for the open schooling guidelines (Chairman NIOS) has shared the recommendation of the working group in the secretaries’ meeting held on 28-01-2013 and finalisation of the draft guideline for open schooling children considering out of school children and drop out children is under process.
- Considering the above fact appraisal team feels the establishment of the state open school is necessary in the state but in absence of norm and modalities regarding open schooling proposal may not be consider at this stage and therefore it is requested to the state government to submit the proposal next year with the required information on the basis of guideline for open schooling.

Summary:-Proposal for establishing new state open school

Proposal	Consideration	Basis of eligibility
Establishing of SOS at state level and District level	Not considered	Open schooling Guideline is under process and Proposal may not be considered in absence of norm and modalities regarding open schooling

6.2 Strengthening of Existing Schools

Generic in-formation

Total No. of Govt. (DOE) Schools consisting Class IX & X
2343

- *Jammu & Kashmir falls under Zone IV & Zone V of the earthquake zonal subdivision. The Srinagar part of the state is under zone V which should be taken care of while framing the plan for infrastructure.*
- *The 50% of the state especially Leh (Ladakh) part is facing the threat of highest basic wind speed in India.*

A. RMSA

Progress Overview of the Civil Works Sanctioned Last Year

- State has got the Approval/sanction for the year 2009-'10 in the second PAB held dated 2nd Feb, 2010 & for the year 2010-'11 they got the approval in the Eighth PAB held dated 3rd March, 2011 & for the year 2011-'12 they got the approval in the Nineteenth PAB held dated 15th November, 2011 and there was no non-recurring approval accorded in the year 2012-13.
- The glimpse of the approved activity for the year 2009-'10, 2010-'11 & 2011-'12 is as follows

Item of construction	2009-10				2010-11			2011-12

❖ **Demand & Proposal to be Considered**

✓ **New/Upgraded School:** The State has proposed 382 New Schools (182 with two-Section & 200 with one section) in this year. The appraisal details regarding the physical unit of this construction activity has been addressed under the major head namely ACCESS. The unit of ACCESS has found new school as eligible for opening. The glimpse of the recommendation is as follows:

Item of Construction	Phy. Unit proposed by the state	Unit cost proposed by the state (Rs. In Lakh)	Phy. Unit to be Considered (as is recommended by ACCESS)*	Unit cost proposal to be Considered (Rs. In Lakh)	Remarks
New School					
New school with 02 section (including furniture and lab equipment)	182	103.76		Nil	<ul style="list-style-type: none"> The state has submitted the abstract of the costing based on the state schedule of rate effective from 2008 plus positive premium added over & above as in vogue. The additional premium accounted for is too high & this results a very high estimated cost projection and that too
New school with 01 section (including furniture and lab equipment)	200	89.55		Nil	

						<p>the percentage hike is to the tune of 50% to 170% which can't be considered.</p> <ul style="list-style-type: none"> • As far as Building plan is concern, the state has not followed the BIS norms & also the present plan is not in line with the Gazette notification as well as scheme norms of GOI reg. making the structure disable-friendly. • The State has also not explored the special design requirement of different components like Science Lab, Library, Computer rooms, Art /Craft/Culture rooms etc. <p>So, this cannot be considered.</p>
--	--	--	--	--	--	---

- **Strengthening of existing Schools:-**Demand of the state and Proposal to be Considered for the year 2013-'14

The state has not proposed any strengthening of existing schools in the current year. This year they have proposed for major repair of 5 govt. schools with an estimated cost of Rs.10lakhs/school.

Sl. No.	Item of Construction	Phy. Unit proposed by the state	Unit cost proposed by the state (Rs. In Lakh)	Phy. Unit to be Considered (as is recommended by ACCESS)*	Unit cost proposal to be Considered (Rs. In Lakh)	Remarks
1.	Major Repair	5	10	Nil	Nil	In absence of the detail, this activity can't be recommended.
2.	Minor Repair	1754	0.25	1697	0.25	Considered for the Govt. Schools having their own building. The Schools which are not considered are <ul style="list-style-type: none"> • 03 Schools in rented accommodation • 54 Building-less schools

- **Convergence with other scheme:-**The Plan document doesn't reflect the way as well as the activity wise details about the convergence with the other Govt. departmental schemes or with the other agencies intervention in the field of infrastructural development of secondary education.

❖ Recommendation

1. As per the physical & financial statement submitted by the state

- *The state has taken up 21.23% of the works sanctioned in the year 2009-10, against which ~2.64% are completed & ~18.59% are in progress. Approx. 78.8% works are yet to be taken-up.*
- *As far as the sanction of 2010-11 is concerned the state has taken up ~43.54% of the works sanctioned, against which ~5.78% are completed & ~37.76% are in progress. Approx. 56.46% works are yet to be taken-up. And*
- *As far as the sanction of 2011-12 is concerned the state has taken up ~5.4% of the works sanctioned, against which ~0.12% are completed & ~5.28% are in progress. Approx. 94.6% works are yet to be taken-up*
- *If we see the overall cumulative progress of the Civil Works in the State since inception then we can say that out of the total sanction, the state has taken-up ~14.65% of the works till date, in which ~1.55% are completed & ~13.1% are in progress. The rest 85.35% is yet to be started.*

- *The total approved outlay under non-recurring head for the state since inception is Rs. 372.69 crores. Out of the same the State has not touched the sanction of worth Rs. 234.79 crores & the works of worth around 20.17 crores are below the ground level, which overall contributes around 68.41% of financial sanction accorded under the Civil Works to the State.*

So, keeping in view the above facts the state may be advised

- ✓ *to complete the remaining works in this financial year there-after may come back with fresh proposal in the next year &*
 - ✓ *The sanction may be accorded for*
- (a) Minor repair of 1697 Schools with the sum of Rs.4.2425 crore.*

B. IEDSS

- **Progress Overview of the Civil Works Sanctioned:-**As per the progress report submitted by the State, they didn't have any sanction under IEDSS-non recurring in the year 2009-'10, 2010-'11 & 2011-'12. How-ever the state has got the sanction for construction of 5 resource rooms along with the equipment as well as the ramps & railings for 1793 schools in the year 2012-'13. Against which the state has not made any progress till date.

Demand/Recommendation

Sl. No.	Item of Construction	Phy. Unit proposed by the UT	Unit cost proposed by the UT (Rs. In lakh)	Phy. Unit to be Considered (as per the UDISE data)	Unit cost proposal to be Considered (Rs. In lakh)	Remarks
1.	Resource rooms	17	4.0	Nil	Nil	<ul style="list-style-type: none"> • The proposed unit cost is higher than the normative cost of the scheme • The Costing details has also not been provided. so this cannot be considered.
2.	Equipment for the resource room	17	0.7	Nil	Nil	<ul style="list-style-type: none"> • As the resource room has not been considered so equipment can also not be considered.
3.	Toilet for CWSN	44	1.25	Nil	Nil	<ul style="list-style-type: none"> • The Costing details has also not been provided. so this cannot be considered

C. ICT

As per the plan document the state has not yet received any grant for civil works under this major head

D. GH

❖ Progress Overview of the Civil Works Sanctioned

2009-10	19	36.05	684.95	Nil	Nil	Nil
2010-11	49					

❖ Demand/Recommendation

State has proposed for construction of

- 20 Girls hostels (9 in Jammu region, 7 in Kashmir region & 04 in Kargil of Ladakh region)
- The indicative building plan submitted by the State has been vetted w.r.t. the revised norms of the scheme. The detailed comparative table showing component wise spatial provisions incorporated in the proposal against the required is displayed below-

Sl. No	Items	Requirement as per revised guidelines				Proposed by the State		Remarks
		For 100 bedded Girls' Hostel				For 100 bedded Girls' Hostel		
		No.	Area (in Sq. ft.)	Total Area (Sq. ft.)	Total Area (Sq. Mt.)	Nos.	Total Area (in. sq. Ft.)	
1	Hostel room (for 25 rooms, each room will have 4 cots viz. 25x 4 x 62.5 sq. ft.)	25	250/ room (inclusive of seat-out cum drying space for cloths)	6250	580.86	25	5960	Lesser area proposed
2	(a) Bath rooms with W/C for general students	16	30	480	44.61	16	462.79	
	(b) Bath rooms with WC for differently abled students	1	45	45	4.18	1	54.1	
3	Kitchen with	1	300	300	27.88	1	294.75	

Sl. No	Items	Requirement as per revised guidelines				Proposed by the State		Remarks
		For 100 bedded Girls' Hostel				For 100 bedded Girls' Hostel		
		No.	Area (in Sq. ft.)	Total Area (Sq. ft.)	Total Area (Sq. Mt.)	Nos.	Total Area (in sq. Ft.)	
	store							
4	Dining Hall	1	400	400	37.17	1	385	
5	Warden's residence-cum-office	1	450	450	41.82	1	416	
6	Mini library-cum-reading room	1	200	200	18.59	1	196	
7	Recreation room	1	200	200	18.59	1	192	
8	Security room	1	100	100	9.29	1	100	
9	Generator room	1	100	100	9.29	1	90	
10	Medical check-cum-visitor room	1	100	100	9.29	1	250	Higher area proposed
	Sub Total			8625	801.58		8400.638	Lesser area proposed
	Adding for circulation area and wall thickness		@35 %	3019	280.58	@ 43.44%	3649.36	
	Total			11644	1082.16		12050	Higher area proposed
	Say Total			11650	1082.71		12050	

- As per the revised plan submitted, the total Plinth area for the proposed construction (G + 1 Only) is 12050 Sq. Ft.
- It is evident from the above comparative chart that the state has incorporated higher percentage of circulation area and wall thickness viz. 43.44% instead of 35%.
- The completion time projected by the state for one Girls' Hostel is 18 months.
- The cost projected by the state for one Girls' Hostel is
 - ✓ Rs. 378.25 lakh for Jammu and Kashmir division where as
 - ✓ It is 457.94 lakh for Kargil of Ladakh division.

Sug. 2014/14

- * The revised proposal submitted by the state is having the area of 12050 sq. ft. in-place of 11670 sq. ft. which is approx. 3.43% more but the plan includes all the components of the hostel as is envisaged in the scheme. So, this proposal (Indicative Plan) along with the relaxation of 3.43% in the area norms may be considered by the PAB.
- * The projected cost by the state is based on the state schedule of rate effective from 2008 plus positive premium added over & above as in vogue. The additional premium accounted for is too high & this results a very high estimated cost projection and that too the percentage hike is to the tune of 87% to 108.40%. So, the State may be advised to rework the costing.

Sug. 2014/15

- * **Progress Overview of the Civil Works Sanctioned:-**As per the plan document the state has not yet received any grant for civil works under this major head
- * **Demand/Recommendation:-**The State has proposed 50 New Vocational Schools in non-recurring under this head in this current financial year, but the State has not submitted the costing details/Estimates, So this has not been considered.

7. QUALITY

7.1 Quality intervention under RMSA

- 1. Proposal for School Grant (Gov. Schools):-** State has proposed school annual grant for 2343 Govt. Secondary Schools. The fund will be utilized @ Rs. 50,000/-. The fund will be utilized as:

- Purchase of lab. Consumables. (Rs 0.25 x (1201+616+69+182+275) = Rs 585.75 lacs).
- Purchase of books, periodicals, newspapers (Rs 0.10 x (1201+616+69+182+275) = Rs 234.3 lacs).
- Provision of electricity / water etc. (Rs 0.15 x 1201 + 616 + 69 + 182 + 275) = Rs 351.45 lacs).

The total requirement on account of Annual Grants shall be to the tune of (Rs 2343* .50 lacs = 1171.50 lacs)

Progress: In 2009-10 Annual School Grant was sanctioned for 1791 Govt. schools @ Rs. 40,000/- In 2010-11 it was sanctioned for 1850 schools @ Rs. 50,000/-. In 2011-12 school grant was approved to 2343 schools @ Rs. 50,000/-

Observation/Consideration: School annual grant is recommended for 2079 Secondary Govt. schools @50,000 as per UDISE data.

- 2. Proposal for Excursion trip for students within the State:-** State has proposed local excursion visit for 13882 students of class 9th @ Rs. 200/-. Total budget proposed is 2767.764 lakhs.

Objective:

- To enhance the knowledge of students regarding local physical environment (flora and fauna), and understanding the social, cultural and historical background of the visiting districts.
- To share the learning experiences with the Model School students.

Places of Visit: Museums, botanical gardens, historical / architectural sites, power projects, schools etc.

Progress: Local excursion trip was approved for 10,000 class 10th students in the year 2010-11; it was approved to 70077 students in 2011-12 and 78615 students in 2012-13. In 2012-13 all the approved students were included and the state performed this activity successfully.

State plan mentions 100% progress.

Observation/Consideration: Excursion trip helps in correlating classroom knowledge with the live exposure of events. Hence, it may be considered for approval.

3. **Proposal for Study tours for students outside the State:-** State has proposed study tour outside the state for 1608 students @ Rs. 5000 per student for winter district and 3000 per student for other district. Total budget proposed is Rs. 75.44 lakhs.

Objective: Promotion of traditional culture and National integration

Strategy: Promotion of culture will be done by:

- Inter State cultural exchange programmes.
- State level cultural workshop.
- Block, District and State level festivals in Classical Vocal music, Classical Dance and instrumental music, one act plays, Elocution, Extempore, Folk dance and folk song festivals.

Progress: It was approved to 800 students in 2011-12 and in 2012-13 it was approved to 1600 students. State has included only 776 students for the study tour in 2012-13.

Observation/Consideration: Due to paucity of fund, prioritization of intervention is done. Top most priority is on access, teacher salary and teacher training. **Hence, excursion trip is not considered for approval.**

4. **Proposal for Excursion trip for teachers within & Outside the State:-** The state has proposes to organize Inter district exposure visit of 100 teachers per district @ Rs. 200/- and exposure visit of 25 teachers outside the state @ Rs. 20,000/-. Total budget proposed is as follows:

S. No.	Activity	Phy.	Unit cost	Amount in lacs.
1	Exposure Visit of Teachers / Masters Inter District	100 teachers/masters per district (100x22=2200 teachers)	0.002	4.4
2	Exposure Visit of Teachers / Masters / DPCs / DIET / SIE Faculty / SPO Inter State.	25 teachers/Masters per district + 22 DPC + 1 Faculty Member each from DIET/SIE + 4 from SPO + (600 Members)	0.20	120.00
Total				124.4

Objective: To share the Best practices and Teaching Learning Material (TLM) with each others related to classroom processes. Some of the materials which can be shared are children's newspapers, reading materials, teacher resources etc.

The inter-district and inter-state visits will be organized in the month of October, 2013 for teacher of Jammu Division, and in the month of January 2014 for Kashmir Division so that the normal functioning of the school is not affected.

Observation/Consideration: Due to paucity of fund, prioritization of intervention is done. Top most priority is on access, teacher salary and teacher training. **Hence, excursion trip is not considered for approval.**

5. **Proposal for Science Exhibition at district level:-** State has proposed science exhibition for 22 district @ Rs. 1 lakh per district.

Strategy: Students will be selected from each school for preparing a science project/ model. Two students from each Govt. school will participate in the science exhibition. Each district will conduct the district level exhibition at district headquarters which will be evaluated by the experts. The best project exhibits will be awarded.

Observation/Consideration: Appraisal team appreciates states initiative in promoting scientific temperament among the students in the form of science exhibition. By participating in the science exhibition students get an opportunity to show their scientific caliber and creativity. It also develops interest in science.

NCERT organizes science exhibition at a State and National level. Students must be encouraged to participate in it. **Science exhibition may be recommended for approval.**

6. **Proposal for Book fair at district level:-** State has proposed book fair for 22 district @ Rs. 1 lakh.

Objective:

- Objective to develop reading interest and enhance communication skills amongst students and teachers
- Creating awareness of the latest development in all the areas of academics.

Observation/Consideration: Due to paucity of fund prioritization of intervention is made. Moreover the plan lacks details about the strategy to be followed in organizing book fair. **Hence book fair is not recommended for approval.**

7. **Proposal for Academic support to the failures of class 10th (48%):-** State has proposed to provide special coaching to 48% of 75359 students of class 10th i.e. 36172 students @ Rs. 500/-. Total budget proposed is 180.86 lakhs.

Rationale: Students apprehend that they will not pass their board exams which force them to discontinue their studies. Hence special coaching will be organized by the Principal of the schools at a zonal level to contain the examination fear amongst students.

Observation/Consideration: This should be the routine activity of the school. It is the responsibility of teachers to provide adequate psychological support so that students may have self-confidence and prepare themselves for their Board EXAMS. **Hence, not recommended for approval.**

Proposal for Special teaching for learning enhancement:- State has proposed remedial teaching for 20% of class 9th students i.e. 27676.

Rationale: It has observed that pass outs of class 8th students secure less than 45% marks in class 9th which results in huge dropout rate in class 9th. Hence the state proposes to provide a special coaching/tuition for such students.

Strategy: A 30 days remedial coaching on continuous basis will be provided to the students. The initial Term/Unit Examination shall be the indicator of baseline achievement which will serve as a diagnostic tool for teachers offering remediation. The students hard spots and other areas of concern will be identified by the teachers on the basis of Continuous Comprehensive Evaluation of the students in the class room. The Modules will be prepared by teachers who will be offering remedial teaching. The remedial teaching will be given in four subjects: Science, Social Science, Language and Mathematics. The special training will be provided before or after school hours as appropriate. It will be provided in 2 sessions each of 45 minutes duration.

Progress: Special training for weak students was approved for 11596 students in 2011-12.

Observation/Consideration: Special training for weak students may be recommended for 20% of class 9th students i.e. total class 9th enrolment is 130598 as per UDISE data. 20% will be 26119.

9. **Proposal for Sports Equipment:-** State proposes to provide sports equipment to 220 schools (10 each district) @ 20,000/-. The schools will be identified on the basis of performance in various sports activities held in the districts. The activity will be done by CEOs in coordination with district level tourism and youth sports officers.

Progress: Sports equipment was approved for 100 schools @ Rs. 20,000/- in 2011-12.

Observation/Consideration: Sports equipment may be considered for 100 schools @ Rs. 20,000/-

10. **Proposal for Art Camp/Mela: Enhancement of Creativity and performing Arts under RMSA:-** State has proposed to organize a workshop on art, music, dance, theater, culture and craft @ Rs. 1 lakh per district

Rationale: According to be CIBE report culture art should be a part of curriculum as an extra-curricular activity. School curriculum should lay special emphasis on development of creative art and craft amongst the students. This will also help in promoting the cultural heritage of our country. In addition to the routine academic studies, students must be encouraged to develop these talents for full development of their personality.

Strategy: A workshop would be organized by involving reputed organization/artists in the field of fine art, music, dance, theater, culture and craft. A formal training will be provided to the students in the above mentioned fields by the Resource Persons. Students from the rural/remote areas and from under privilege sections will be encouraged to participate in the workshop. After the training, Art Camp will be organized where the students will display their talents

Observation/Consideration: It is a good initiative taken by the state. Encouraging students to participate in such activities promote holistic development of personality. **Hence the proposal is recommended @ Rs.50,000/- per district.**

11. **Proposal for Free Text Books for class 9th & 10th students:-** State has proposed free text books for all the students pursuing secondary education in Govt. Schools. Total budget proposed is as follows:

- For 9th class students @ Rs 302/- per Set of Books = 138382, *Rs 340/ =470.4988 lacs
- For 10th Class Students @ Rs 315 per Set of Books = 75359 *Rs 315/=237.38085 lacs.

Observation/Consideration: Under RMSA there is no provision of funding for text books. **Hence the proposal is not considered for approval.**

12. **Proposal for Publishing of school Magzines:-** The state proposes publishing of school magazines @ Rs. 100 per students total budget requirement is 213741

School magazine will provide an opportunity to students to develop their writing and reading skills. It will also provide an opportunity to the teachers to share their views and obtain good practices from other teachers.

Observation/Consideration: The amount may be funded from School Annual Grant. **Hence not recommended separately.**

13. **Proposal for Guidance and Counseling:-** Under guidance and counseling state has proposed the following:

- A. **Salary for 5 Coordinators/Counselors**
- B. **Salary for RAs/Assistant**
- C. **Literature & display material**
- D. **Sensitisation of Principals (2 days)**
- E. **Other 2 (TA/DA/Contingency)**

Progress: Salary for five (5) Resource Persons and one (1) Research Assistant was approved in 2011-12 and in 2012-13 salary was approved for only one (1) Research Assistant. Funds for literature and display material was approved in 2011-12 and in 2012-13. Sensitization of Principals was approved in 2012-13.

Presently there is no Guidance and Counseling set-up in the state. The state government proposed to engage 5 counselors and one (1) Research Assistant on contract basis at State level. Two teachers (1 male and 1 female) at the school level shall be trained in guidance and counseling. For the training of such teachers, the counselors engaged on contract, shall act as key resource person. Again such trainings shall form an integral part of the annual in-service training programme for teachers and the principals/vice principals.

Observation Consideration: The post of Guidance and Counseling coordinators and Research Assistant was approved the year 2011-12, but till now state has not engaged the staff. **Hence salary of the proposed staff for six months may only be recommended subject to state engage the staff and submit documentary evidence of recruitment to MHRD.**

Since funds for literature material was already approved in 2011-12 and 2012-13, the **present proposal is not recommended for approval.**

With regard to sensitization of Principals the plan lacks details about the content of the programme, training calendar, Resource Persons etc. There is also no Guidance and Counseling setup in the state. Guidance and Counseling coordinators are suppose to carry out this activity. **Hence the proposal is not recommended for approval.**

7.2 Status of Libraries

Proposal 2013 -14:

- The state has proposed 412 libraries under new school and training of 616 librarians.

Proposal 2009-12:-

- During 2009-10 the state had got approval of 69 new school libraries and 40 libraries under strengthening. Though the state had given expenditure till 31st march of the same year under new school as 100%, the strengthening part of the library expenditure till 31st march was nil.
- Similarly the state had got approval of 182 new schools libraries and 98 school libraries under strengthening in the year 2010-11. Though the progress of new school library component as 100% ,the strengthening part has reported as nil till 31st march of the same year.
- During 2011-12 the state had got the approval of 279 new school libraries and 239 libraries under strengthening. But out of 279 new schools the progress has reported as 275 till 31st march. Out of 239 libraries approved for strengthening the has reported its progress as nil till 31st march.

The following table presents the library situation in Jammu and Kashmir

The Table 1 : Details of schools, libraries and librarian in Jammu & Kashmir

Details of schools, libraries and librarian in Jammu & Kashmir								
S. No.	Udise code	District	Govt. Schools	Libraries in govt. Schools	Librarian in govt. School	Govt. Aided schools	Libraries in govt. Aided schools	Librarian in govt. Aided school
1	0106	Anantnag	160	138	10	0	0	0
2	0104	Badgam	130	112	15	0	0	0
3	0116	Badipora	65	61	11	0	0	0

Total			2343	1658	193	0	0	0

Source UDISE, (*) is meant for libraries having 5 and less than 5 in numbers.

COMMENT:-

- The state is not having any Aided schools but there are 2343 government schools in 22 districts having 1658 libraries and 193 librarians.
- Though the state had got approval of libraries under strengthening no progress had reported by the state from 2009-12.
- Libraries and librarians are less in number than the schools. As there are 1658 libraries and only 193 librarians.
- Districts like Ganderbal, kargil, kulagam ,punch, raman, sopian, udhampur having 5 and less than 5 libraries .
- The district Punch is having 1 library and 17 libraries though the state is having 93 schools.

SUGGESTION:-

- The state needs to improve its librarians and library facilities in all the 22 districts because the libraries are very less in numbers in comparison to schools and librarians again very less in comparison to libraries existing at present.
- The state must complete the progress of existing school libraries 2009-12 and 4 new school libraries of 2011-12 approved by MHRD .
- Each school needs to have a library because library is considered as the storehouse of knowledge. :
- The state needs to construct equal number of libraries against each government and schools described in the table 1 as per UDISE code.

- Without appointing librarians, the purpose of the construction of libraries will not be served. At the same time, the state should give professional training to the librarians because at secondary stage where the students are going ahead of their carrier path the proper collection and well-guided resource will help them to improve their learning capabilities.
- Therefore, it is advised that the state must maintain a quality collection and a trained librarian to guide the student for improving their knowledge.
- The state needs to furnish detail about Newspapers and magazines.
- The library must maintain a well-rounded core collection including reference Materials to satisfy the regular needs of the staff and students. The core collection would consist of several copies of textbooks, reference materials related to each subject, costly essential books which would include encyclopedias, maps, atlas, rare books on particular topics/subjects or exclusive editions of general books.
- Besides the core collection, other general (fiction and nonfiction) books for regular issue should be available in the library.
- Library collections are dynamic resources and therefore, there should be Constant review and renewal of material to ensure that the collections are relevant to the users stakeholders.
- Weeding out of books should be a regular feature and should be carried out with the approval of the competent authority, at least once in a year.
- The library should follow open access system.
- The core collection of the library should take into account the size of the Schools and subjects offered besides covering project based activities, career guidance, counseling etc.
- Books should be available in both English and Hindi.
- Book purchase should be a continuous process and some percentage of the total school budget should be earmarked for collection development on recurring basis. Out of this budget, 50% should compulsorily be earmarked for secondary classes (i.e. up to class Xth).
- To encourage more teacher participation in the library, a teacher may be allowed to submit name / list of book(s) intended to be purchased.
- During annual stocktaking, weeding out of collection should also be carried out.
- For newly opened schools a one-time budget would be provided for Setting up the basic collection.
- Besides books, libraries should subscribe to useful magazines, periodicals, and journals.
- Issue of books for home use - Each student would be issued two books at a time for a period of one week. Staff members, including Principal, would be issued maximum five books at a time for a maximum period of one fortnight. Failure to return books on time would compulsorily lead to penalty of Rs.1 per day for all (students & staff).
- A recall system for overdue books should be introduced. This could be achieved by sending an overdue note to the concerned student through the Class Teacher. In case of staff the note can be sent through the school office.

- Books should be arranged in lockable shelves but open access system should be followed.
- The librarian should manage the library and the duties of the librarian will include all the day today maintenance of the library and guide the staff and students regarding the use of library collection.

7.3 Teacher Training

A. RMSA

1. Proposal: In-service Teachers Training

The state has proposed 9618 teacher's in-service training @ Rs. 300/day/teacher for 05 days in the financial year 2013-14.

Number of Secondary School Teachers in U-DISE-2012-13

Number of Schools and Teachers as per U-DISE-2012-13

Govt. Secondary Schools				Govt. Aided Secondary Schools				Total Govt. and Aided Schools	Total Teacher of Govt. and Aided Schools
No. of Schools	In-position Regular Teacher	Para teachers	Total Teacher	No. of Schools	In-position Regular Teacher	Para teachers	Total Teacher		
2079	9353	237	9590	0	0	0	0	2079	9590

In the state average per school teachers in Govt. Secondary School is 4.62

Issue of Untrained Teachers in Jammu & Kashmir

As per U-DISE 2013-14, 14.90% teachers of Govt. secondary schools are untrained (without B. Ed or M. Ed degrees).

Qualification of Secondary School Teachers

Teacher Qualification							
B.Ed. or equivalent	M. Ed. or equivalent	Bachelor of Elementary Education (B.El. Ed.)	Diploma/certificate in BTT of >= 2 years	Diploma/degree in special education	Others	None	Total
6726 (70.14%)	1019 (10.63%)	260 (2.72%)	61 (0.63%)	29 (0.30%)	67 (0.64%)	1428 (14.90%)	9590

In the state 80.77% teachers are qualified. Out of the total 70.14% teachers have B. Ed degree and 10.63% teachers are M. Ed degree holder. The distribution of subject-wise teachers is in the given table.

Distribution of Subject Teachers in Jammu & Kashmir

As per U-DISE 2012-13, the distribution of subject teachers in the state is in the given table.

Subjects	Maths	Science	So. Science	Language	Arts music	Comp. Sc	Sports/ health/ PE	Others	All subjects	Grand total
No of teachers	370	804	448	508	62	18	64	40	7276	9590
	3.86	8.38	4.67	5.30	0.65	0.19	0.67	0.42	75.87	100

*Note:-

1. Mathematics
2. Environment Studies, Science, Biology, Chemistry, Physics, Physics Science, Social Science, Biological Science
3. Social Studies, Business Studies, Economics, Geography, History, Home Science, Philosophy, Political Science, Psychology
4. Languages, Regional Languages, English, Hindi, Sanskrit, Other Languages, Foreign Language, Sociology, Urdu
5. Computer Education
6. Music, Engineering Drawing, Fine arts, Art Education, Work Education
7. Sports, Health & Physical Education
8. Other, Dance, Accountancy, Agriculture
9. All Subject
10. No Response

The share of mathematics (3.86%), science (8.38%) and social science (4.67%) teachers is unsatisfactory in the state

National Curriculum Framework 2005

The state has adopted NCERT's syllabi and textbooks for different stages ((I, III, VI and IX)) of school education developed as a follow-up of NCF-2005

Teachers Recruitment Policy

In the proposed intervention, the state should reflect "Teachers Recruitment Policy" because age structure, service tenure, experiences, etc. are associated with it. In the state 100% secondary school teachers come through promotion from upper primary school teacher.

Teachers Training Institutional Strength

S. No	Teacher Training Institutions	
1	IASE	0
2	CTE	2
3	DIET	14
4	SCERT	1
5	SIEMAT	0
6	Others	0
	Total	17

Training Modules

The state has not developed teachers training modules for all subjects. But NCERT has developed the following training modules:

- In-service Teacher Professional Development at Secondary Stage: Generic Concern
- In-service Teacher Professional Development at Secondary Stage: Generic Concern: Training Package in Mathematics
- In-service Teacher Professional Development at Secondary Stage: Generic Concern: Training Package in Science

The state may borrow the above modules from NCERT for needful and effective in-service training.

Progress in 2009-10, 2010-11, 2011-12 & 2012-13

Since the inception of RMSA, the MHRD, GOI has approved 138593 teachers for in-service training but the state has provided training only to 42232 (30.47%) teachers.

Progress of In-service Training of Subject-Teachers in Jammu & Kashmir

Years	PAB Approved training	In-service training	In-service Training completed	In-service Training completed in %
2009-10	14136		0	
2010-11	13555		0	
2011-12	12568		0	
2012-13	13388		9982	
Total	53647		9982	18.61

Source: Data provided by the State

Rationale of the Proposed Intervention:-The subject specific resource teams already constituted for all the districts shall be trained further by the SIE who shall utilize the services of National Level Experts from Institutes of repute. This will enhance their capacity for imparting

further trainings at district level in cascade mode effectively besides addressing the issues/trainings needs which they have realized and faced previous years transactions of trainings. These resource persons will train the teachers in an institutionalized manner.

The Directorates of School Education, SPO RMSA and SIEs shall monitor the trainings. In all the trainings, emphasis shall be laid on topics of conceptual understanding through activity based learning techniques. All the 9618 teachers of the state teaching at the secondary level shall be imparted five days training in such a manner that the routine class room work is not disturbed

The state shall develop the appropriate training module as per the training needs. The key resource persons shall be trained at the SIEs who in turn shall train the resource persons at the district level and then district resource persons shall then orient the teachers at the secondary level. Such training programmes shall be conducted in an interactive mode so that the teachers will be able to share their experiences and learn from each other, thereby developing a learning community and culture.

Training Calendar:-The following schedule has been devised with flexibility in schedule for district Leh, Kargil and remote areas Tangdar-Karnah in Kupwara and Gurez valley in district Bandipora, as the said areas remain cut off during winters for about six months.

Calendar /Schedule of Teacher Training for the Financial Year 2013-14

S. No	Activity	Tentative Date	Agency
1	Identification of needs for teacher training.	April to August 2013.	DIETs/Monitoring agencies
2	Need analysis and identification of Topics/Themes for teacher training.	September 2013	DIETs/SIEs
3	Identification/ Selection of Master Resource Persons	September 2013	SIEs/SPO RMSA
4	Development of Training Modules	October 2013	SIEs/ SPO RMSA
5	Printing of Modules	October 2013	SIEs
6	Development of Programme Schedule For Trainings	October 2013	SIEs/ SPO RMSA
6	Training of Master Resource Persons	November 2013	SIEs
7	Training of Teachers	December 2013	DIETs
8	Analysis of feedback and compilation of Report	January 2014	State Project Office
9	Action Research(Impact of trainings on class room transactions)	March 2014	SIEs / DIETs

Recommendation:- The appraisal team recommends in-service training of 9590 (U-DISE-2012-13) subject teachers @ Rs. 300/day/teacher for 05 days in the financial year 2013-14.

2. **Proposal for Induction Training:** The state has proposed induction training for 3132 subject teachers @ Rs. 300/day/teacher for 10 days in the financial year 2013-14.

Status of Teachers of New/Upgraded Schools and Additional Teachers in Existing Schools

Teachers in New/Upgraded Schools

PABs Approved Teachers to New/Upgraded Schools

Years	Total Number of New Schools Approved by the PABs	Total Number of Teachers sanctioned for schools sanctioned by the PABs	Norms of Teachers	Recruitment Progress
2009-10	69	552	(7+1)/school	As per Teachers Recruitment Policy of the state 100% teachers are promoted from upper primary school to secondary schools. The state representative assured that the promotion of teachers has completed and deployed in RMSA New/upgraded schools
2010-11	182	1456	(7+1)/school	
2011-12	279	1674	(7+1)/school	
2012-13	0			
	530	3682		

Rationale of the Proposed Intervention: During the current academic session, a provision as detailed above has been proposed for teacher training as per norms. In addition to this a Resource group is proposed to be constituted to review the entire system of pre-service teacher education. For D.Ed courses this work has already been initiated and BOSE J&K is coordinating that work as examining /certifying body. In case of B.Ed courses, the group will be constituted soon. Using the NCTE latest recommendations on the subject with respect to syllabus, duration and infrastructure/staffing norms in B.Ed colleges, the Resource Group will review the current status and make recommendations in respect of changes required. A small expenditure for paying honoraria to group members, holding of meeting/ workshops, consultations with B.Ed colleges, consultations with all stakeholders, preparation of syllabus and training materials etc. would be met from the funds provided under Teachers Training/Research & Evaluation and Monitoring component.

Observation: The state has provided training calendar and name of the training institutions. But the progress of the induction training needs to highlight in the PAB. The PAB-2011-12 was approved induction training to 2008 new teachers but the state could not able to provide training.

Even the state did not explain in the AWP & B 2012-13 about the progress. In the same manner in 2012-13, the MHRD/RMSA has approved 3428 teachers' induction training but the state did not reflect about the achievement in the AWP & B 2013-14.

Recommendation: The state representative assured that the promotion of teachers has completed and deployed in RMSA New/upgraded schools. Therefore, the appraisal team has recommended 3132 subject teachers @ Rs. 300/day/teacher for 10 days in the financial year 2013-14. The state should give commitment in the PAB that in the stipulated training schedule the training shall be given to 3132 subject teachers.

3. Proposal: In-Service Training of Heads of the Institutions (Headmaster/Principals)

The state has proposed in-service training for 2343 Head Masters/ Principals from Government Secondary Schools @ Rs.1500/HM for 5 days in the financial year 2013-14.

U-DISE-2012-13: As per U-DISE-2012-13, there are 1329 headmasters in 2079 government secondary schools.

Progress in 2009-10, 2010-11, 2011-12 &2012-13

Since the inception of RMSA, the MHRD, GOI has approved 4360 headmasters for in-service training but the state has provided training only to 3595 (82.45%) headmasters.

Jammu & Kashmir: Progress of in-service Training of Headmasters

Years	PAB Approved In-service training	In-service training completed	In-service training completed in % against the Approval
2009-10	0	0	
2010-11	0	0	
2011-12	2023	2023	
2012-13	2337	1572	
Total	4360	3595	82.45

Source: Data provided by the state

Rationale of the Proposed Intervention:- The heads of institutions in the state don't have exposure to the new situations as such their training is imperative. The State is of the belief that the main area which can change the scenario of education in the Govt. schools is having quality managers. During the year 2012-13, 1572 heads of the institutions (high / higher secondary schools) were covered for 5 days training by SIE Srinagar / Jammu.

Observation

- The state has provided training calendar, name of the training institutions for headmasters training.

- Training Need Assessment; need to identify the grey areas for the training of Headmasters/Principals have not illustrated in the AWP & B 2013-14'; and
- Expected outcomes (Best practices, innovation; and Impact on school administration) and the impact analysis have not given in the plan.

Recommendation: The appraisal team recommends 1329 (U-DISE-2012-13) headmasters of 2079 government secondary schools @ Rs.1500/HM for 5 days training in the financial year 2013-14.

4. Proposal: Training Programme on Motivation and Stress Management for Teachers

The state has proposed 220 teachers @ Rs. 300/day/teacher for 2 days in the financial year 2013-14.

Rationale of the Proposed Intervention: Modular course structure, motivation (attributions, self-beliefs, and attitudinal change), pupils' subjective beliefs, pupil-teacher interaction, teacher-teacher interaction, teachers' feedback style and stress management, involvement of teachers in school organization, classroom management & transactions, ICT and improvement of classroom processes etc.

Comment/Recommendation: The state should conduct "Need Based Assessment" and accordingly need to design the schedule of in-service training. However, the proposed intervention is the part of in-service training. Therefore, it could not be recommended separately.

5. Proposal: Training of Master Resource Persons (MRPs) (5 days)

The state has proposed training of 308 MRPs @ Rs. 300/day/teacher for 5 days in the financial year 2013-14.

Rationale of the Proposed Intervention: In order to bring change in the classroom scenario and teaching learning processes and remain acquainted with the latest trends, it is important to maintain a district specific resource bank of trained MRPs so that the objective of building the capacity of our teachers teaching at secondary level can be achieved. In this regard two subject specific reputed academicians per subject (per district) nominated by CEO and Principal DIET respectively are identified as subject specific MRPs. Besides, services of academicians of repute, scholars from universities, college of education and other such institutions are utilized for training of MRPs. The MRPs are also given training with regard to use of ICT in the classroom transaction besides due care is taken in providing them classroom management tips. The outcome of this training has surely brought a reasonable change in the classroom transactions.

Achievement: 308 subject experts @ 2 per subject for 7 subjects per district were trained during 2012-13 at SIETs. At district level, DIETs utilized the services of the trained MRPs for 5 days training of in-service Subject specific master

Innovation and Good Practices: The state has trained the master trainers in a cascade mode. The state could make a synergy of cascade mode with “teaching-learning management practice” to bring qualitative change at secondary education.

Recommendation: The appraisal team has recommended proposed training of 308 MRPs @ Rs. 300/day/MRP for 5 days in the financial year 2013-14.

6. **Proposal for Training of MRPs on module development (5 days):** The state has proposed training of 308 MRPs @ Rs. 300/day/teacher for 5 days in the financial year 2013-14. Progress in 2011-12, 2012-13

In 2012-13, the MHRD/RMSA was approved 308 MRPs @ Rs. 300/day/teacher for 5 days training for module development and the state has successfully provided training to them.

Recommendation: The training for module development is one time financial support and it could not be given repeatedly to the state. Still the state is not able to developed training modules. In the AWP & B 2013-14 (p-92) the state has stated “*Module development committees under the chairmanship of Principal SIEs with subject experts as members were framed. The committee prepared subject specific modules (under RMSA) for training of teachers, teaching at secondary level. These modules were shared with the Principals DIETs for transaction. To update the skills of already trained experts and in order to have meaningful and effective teacher training under RMSA a 5 days workshop for development of training modules for teacher training programme shall be organized by the State Institute of Education Kashmir/Jammu for the Seven subjects by involving seven subject experts @ 2 per subject per district for development of modules to be used for future teacher trainings.*”

Recommendation: The training module development process is very slow in the state. It may affect the quality of in-service training. The training for module development is one time financial support and it could not be given repeatedly to the state. The state has successfully provided training to 308 MRPs.

NCERT has finalized Generic, Mathematics and Science training modules. The state may borrow these modules either from NCERT or RMSA/TSG. On the other side NCERT is in the process of modules development for Headmasters, English and Hindi; and CCE and these modules will be available by the end of December 2013. Therefore, the appraisal team recommends orientation programme on training modules which are developed by NCERT. Primarily training modules will be used by the resource persons for the in-service and induction trainings. To orient the resource persons on the following training modules:

- In-service Teacher Professional Development at Secondary Stage: Generic Concern
- In-service Teacher Professional Development at Secondary Stage: Generic Concern: Training Package in Mathematics

- In-service Teacher Professional Development at Secondary Stage: Generic Concern: Training Package in Science

The appraisal team recommends 4 resource persons per module in every district. Hence 12 resource persons for 3 training modules require orientation programme. There are 22 districts in J & K. Hence total 264 resource persons recommended for orientation on modules @ Rs. 300/day/persons for 5 days. Even in the AWP & B 2013-14 (p-92) the state has stated “It is proposed that the training and development of modules may be assigned to NCERT for the State. The financial implication can be met out of MMER and be authorized”.

7. Proposal: Printing of Modules

The state has requested for Rs. 0.966 lakhs for printing of modules

Discrepancies in the Proposal:-In the AWP & B 2013-14 (p-92) the state has stated “an additional cost for printing of Module @ Rs 300/- per participant for 322 including 14 Experts is also proposed thereby total financial implications of $322 \times 300 = \text{Rs } .966 \text{ lacs}$. It is proposed that the training and development of modules may be assigned to NCERT for the State. The financial implication can be met out of MMER and be authorised.

In the costing sheet, the state has shown that the cost of printing Rs .966 against 322 people

Recommendation: As per the statement in the AWP & B 2013-14 “It is proposed that the training and development of modules may be assigned to NCERT for the State. The financial implication can be met out of MMER and be authorized”. It shows that modules are not developed by the state. Secondly, how is it possible to show expenditure against the printing of modules? On the light of the preceding discrepancies, the appraisal team does not recommend printing of modules.

8. Proposal: Training of Examination Invigilators/Supervisory staff

The state has proposed 2 days training for 890 invigilators/supervisory staff and the state requires @ Rs 300/per day for 2 days

Observations: As the para 5.9.7 of the RMSA framework reads:

“Budgetary requirement for expenditure on the activities should primarily be met out of the resources raised by the respective State Examination Boards. Remaining amount, if any should be met out of 2.2% of the Plan Allocations earmarked for Management and Monitoring”

Recommendation:-The proposed intervention is the responsibility of State Examination Boards.

9. Proposal: Capacity Building of Academic staff at SPO/SIEs/Principal DIETs

The state has requested for Rs. 4 lakhs for a workshop of 40 participants and the required amount is @ Rs 10000/participant for 5 days.

Observation: The rationale of the proposed intervention is to build the capacity of principal DIETs, HODs of SIEs and academic staff of SPO RMSA a five days training outside the state is proposed. This will help in smooth implementation of components of RMSA

Recommendation: The RMSA norms do not permit to recommend fund for this proposed intervention.

10. Proposal: Training of Lab Assistants

The state has proposed Training for 526 Lab Assistants @ Rs. 600/Lab Assistant for 2 days training in the financial year 2012-13.

Recommendation: The RMSA Framework does not permit to give financial support for the training of Lab Assistants. Hence it has not recommended.

11. Proposal: Training of School Librarian

The state has proposed Training for 616 librarian @ Rs. 600/ librarian for 2 days training in the financial year 2013-14.

Recommendation: The RMSA Framework does not permit to give financial support for the training of librarian. Hence it has not recommended.

B. Under IEDSS

1. Proposal: In-service training for existing teachers (2 days)

The state has proposed 2 day training of 2345 General Teachers @ Rs. 300/teacher/day

Number of Schools and Teachers as per U-DISE-2012-13

Govt. Secondary Schools				Govt. Aided Secondary Schools				Total Govt. and Aided Schools	Total Teacher of Govt. and Aided Schools
No. of Schools	In-position Regular Teacher	Para teachers	Total Teacher	No. of Schools	In-position Regular Teacher	Para teachers	Total Teacher		
2079	9353	237	9590	0	0	0	0	2079	9590

Recommendation: The appraisal team has recommended the training of 2345 General Teachers @ Rs. 300/teacher/day for 2 days.

2. Proposal: Training to Special Education teachers (5 days)

The state has proposed 5 day training of 201 special teachers @ Rs. 300/teacher/day

Recommendation: The state has proposed in the current financial year for the recruitment of 201 special teachers. Let at first the state recruits the teachers then propose for training. Therefore, it has not recommended.

3. Proposal: Orientation of parents / guardians of CWSN (1 day)

The state has proposed 1 day orientation of 1403 parents / guardians of CWSN @ Rs. 300/person/day.

Recommendation: The appraisal team has recommended 1 day orientation of 1403 parents /

Teachers Now School to be upgraded 2013 - 2014	Unit Cost	Physical	Financial	Remark
Head Master	0.45	382	687.60	4 month Salary
Subject teacher	0.40	1910	3056.00	
Lab Attendant	0.12	382	183.36	
Duftary	0.20	382	305.60	
Sub total	1.17	3056	4232.56	

guardians of CWSN @ Rs. 300/person/day.

7.4 Teacher and staff Recruitment / Appointment at school

New proposal 2013-14

The State has proposed for the Salary of 382 Head Master 1910 Teacher/ Masters, 382 Lab Attended and Office Assistant/Duftary for 382 to be upgraded schools under RMSA 2013-14.

Observation & Recommendation:

The proposal of the salary of 382 Headmaster, 1910 subject teacher, 382 Lab Attendant and 382 Duftary/Office Clerk depends upon the appraisal of New School under "Access" component.

PTR Analysis: UDISE

As per the U-DISE the PTR against the in position teacher is 21, which is a healthy PTR. The total enrolment of Gov. Secondary schools is 205917 and there are 2079 Govt. Schools as per the UDISE.

Issues:- PTR Analysis as per Model Table 9 and 13: the PTR analysis as per the Model table 9 and 13 can't be done as the state has not furnish the details of sanctioned and in position post in the state.

RMSA

2. **Proposal** :The State has proposed the salary for Teachers and staffs of 526 schools approved under RMSA during 2009-10, 2010-11 and 2011-12.

Year	No. of Schools upgraded	Head Master	Subject Specific teachers	Jr. Assistant	Lab Attendant
2009-10	69	69	483	69	69
2010-11	182	182	1274	182	182
2011-12	275	275	1375	275	275
Total	526	526	3132	526	526

Observation:

- 1 State has reported that all 526 schools Middle schools are upgraded to the level of high schools.
- 2 In 2009-2010 & 2010- 2011, 7 subject teachers and 1 headmaster were approved by PAB in each schools.
- 3 According to the Letter received from the state officials bearing No. Government order No. : - 57 EDU of 2013.DATED: - 15-01- 2013, the post of 3132 subject specific PG Masters has been accorded sanction for the creation of the post.
- 4 Similarly the post of Head Master, Junior Assistance and Lab attendant were also being sanctioned as per the above letter.
- 5 The state needs to clarify its numbers of inposition Teachers and Headmaster for 526 schools approved under RMSA.However as per U-dise data only 286 headmaster/head teacher out of 526 post and 318 teachers are in position in the schools under RMSA.
- 6 With regards to lab attendant and office assistant, State has reported that they are not in position.
- 7 As per the "Circular" issued by the Commissioner/Secretary (school Education Department)regarding the modalities for recruitment/placement of the posts for Middle Schools upgraded under RMSA, it was decided that

"The subject specific PG Masters available in the district shall be adjusted in the newly upgraded high school-(under RMSA) in their respective district."

"In case of deficiency of subject specific PG masters in high schools(under RMSA, the same shall be made up by promotion of subject specific eligible post graduate trained teachers as per seniority and eligibility maintained by respective Directors of School Education Kashmir/Jammu."

8. In the case proposed salary of Headmaster and Teachers, the State has taken the average of initial pay and has calculated the salary component on the basis of that.

9. Further The state also needs to clarify following points for consideration of Salary of Headmaster and teachers:

- Initial pay of Head Master, PG Master
- The rate of DA paid to them Head Master, PG Master
- Rate of HRA paid to them Head Master, PG Master

10. The State has been requested to submit following documents/documentary evidences for the consideration of the salary of teachers and staffs for 526 schools upgraded under RMSA:

- State Orders of Up gradation of 526 Schools approved under RMSA.
- State Order of Sanction posts against the approval of 526 upgraded schools under RMSA.
- Copy of Joining/ in position Teachers.
- State Recruitment policy

11. Following Documents has been furnished by the State after discussion and on request.

- Letter of Commissioner/ Secretary Government, (Schools Education Department). Bearing No. Government order No. : - 57 EDU of 2013. DATED: - 15-01- 2013. Regarding the sanction accorded to the creation of the post of 526 Head Master, 3132 PG Masters, 526 Junior Assistance and 526 Lab Attendant.
- Circular issued by the Commissioner/Secretary (school Education Department) regarding the modalities for recruitment/placement of the posts for Middle Schools upgraded under RMSA

Recommendation:

1. TSG recommends 12 month salary of in position Head Master, Subject Teacher, for upgraded schools under RMSA as proposed by the State subject to the condition of supply of the above listed documents (para 10) and sufficient evidences of in position Teachers: copy of joining, school of posting
2. Since lab attendants and office assistants are not in position, PAB may consider to give 4 month notional Salary for Lab Attendant and Office Assistant as the State Claims the recruitment process is going on and appointment will be done soon.

B. IEDSS

Proposal: The State has proposed 6 month salary of 200 Special Education Teacher for its 200 zones (1 teacher per zone) proposed to be covered under scheme and to be recruited this year

Costing Table: As per AWP& B Costing Sheet

Sl. No	Activity	Physical	Unit cost (Rs. In lakhs)	Total outlay (Rs. In lakhs)
1	Salary of Spcl. Education Teacher approved last-year 2012 - 2012	200	0.12	144.00

Aims of Scheme:-The scheme aims to provide education opportunities and facilities to student with disability in general education system at secondary level by enabling infrastructure and availability of special educators, general teachers trained to work with CWSN in an inclusive environment.

Progress made as regards to Special Teacher Recruitment:

- The proposal for the salary of 200 Spcl. Education Teacher has been included in the AWP& B. **No details/ write up are given in the plan.** However, after interaction with the State Officials following facts have come up:
 - The state claims that recruitment process for this 200 Special Education Teacher is in process. This means 200 teachers are not in position.

Teacher Requirement Assessment as per UDISE

Category wise No. Of CWSN as per the UDISE Data.

Jammu								
9 th B	9 th G	10 th B	10 th G	11 th B	11 th G	12 th B	12 th G	Total
514	363	296	208	150	88	78	71	
	877		504		238		149	1768

Hearing Impairment								Total
8	30	40	18	18	5	18	3	200
Locomotor Impairment								Total
12	85	75	43	56	20	21	11.	440
Mental Retardation								Total
24	15	7	8	2	0	0	2	58
Learning Disability								Total
8	36	40	18	3	6	1	3	165
Cerebral Palsy								Total
7	7	3	1	1	0	2	0	20
Autism								Total
3	3	0	0	0	0	0	0	11
Multiple Disability								Total
14	25	17	20	6	4	5	5	115

Analysis As per the UDISE data:

Total no. of enrolled CWSN children at secondary level: 1768

Out of which no. of CWSN with Locomotor disability: 440

Observation:

- 1) The salary structure and Recruitment policy of the proposed Special Educators has not been supplied. However the state has been asked to furnish said document.
- 2) The qualification, experience of the Spcl. Educators has not been mentioned and furnished by the State. (Whether as per the RCI prescribed norms of qualification?). Further State has been requested to furnish the details.
- 3) The state also needs to furnish the copy of **sanction post**.
- 4) Recruitment Advt. and list of selected candidates needs to be furnished.
- 5) Copy of joining needs to be furnished.
- 6) The teachers are not in position though the recruitment process is going on.
- 7) The State was advised to furnish the zone wise/block wise details of enrolled CWSN which the state has supplied

Suggestion:

1. *State needs to speed up their recruitment process.*
2. Deployment and rationalization of Special Teachers: The State needs to rationalize the block wise deployments of these teachers as per the norm of 5:1. (Excluding student with locomotors disability/orthopaedic impairment)

Recommendation: As per the UDISE data, Total no. of enrolled CWSN children at secondary level excluding Children with loco motor disability is 1328. Therefore 4 months Salary of 200 Special teachers is recommended subject to the condition of furnishing all necessary details/documentary evidence of in position teachers with names, school of posting, UDISE code, qualification, salary structure and RCI code.

7.5 ICT @ School

Status of Releases:

(Rs. in lakhs)

Year	MODEL	No. of schools	Budget approved	GOI share	Year Wise release		Total Pending	Pending for 2013-14
					2007-08	Total		
2008-09	OP	200	1340.00	1000.00	603.00	603.00	603.00	603.00
TOTAL		200	1340.00	1000.00	603.00	603.00	603.00	603.00

1	2007-08 (shifted to 2008-09)	200	200	
Total		200	200	

Observation as per UDISE Code

Sanction 2008-09: 200 schools approved in 2009-10, UDISE code for all 200 schools provided by the state.

Physical Progress:

Sanction 2008-09: 200 schools approved in 2009-10, State has not implemented the said schools due to non-finalization of mode of purchase.

New Proposal 2013-14:-220 Schools to be covered under ICT

New Proposal for 220 Schools: Since the State of J&K could not implement the ICT scheme in 200 schools approved in 2008-09 and unspent balance of Rs. 603 lakh is lying with State since November 2007, fresh approval will be considered only after state either implements the scheme in the 200 schools or refunds the unspent balance lying with them.

Issues:

- As the state has started the implementation of 200 schools and hence not provided any status of its implementation, state need to refund Rs. 603 lakh is laying as unspent balance lying with them.
- State has not implemented 200 schools approved in 2009-10; therefore no progress is reported by the state.
- Documents such as CEP, Annual Progress, and Comprehensive Information are not provided by the state.
- Information related to progress of ICT is missing; such as desiccated cell, monitoring etc.

7.6 Vocational Education

PLAN FOR 2013-14:-The State Government of Jammu and Kashmir in the Integrated Annual Work Plan & Budget for the year 2013-14 under RMSA under vocational education has proposed for introduction of vocational education in 50 new schools across 22 districts @ of 2 schools per district and 5 schools each in Jammu and Srinagar from Class XI onwards in the year 2013-14. The trades selected are:-

- i) Computer Application and Typography
- ii) Fashion Design
- iii) Food Processing
- iv) Mechanical Automobile Servicing
- v) Dairy and Poultry
- vi) Electronic Gadget Repairing (Cell Phone, TV, Refrigerator)

OBSERVATIONS

- 1) In the trade mapping a number of other courses besides the above like Plumber, Painter, Mobile repair etc have been proposed. The courses proposed by the State are old courses. It

is not certain whether the Curriculum and courseware which is being prepared by the State Board of Education is competency based & NVEQF compliant. No ANY for the above trades have been formulated. The State may consider opting for any of the four courses viz. Automobile, IT/ITeS, Retail and Security for which NOS based curriculum and course material is readily available or Tourism, content for which is being developed by CBSE.

- 2) The State has proposed to start vocational education from Class XI onwards. To be in accordance with the NVEQF, the State has to start vocational courses from Class IXth.
- 3) Commitment from the State Board of Education (JKSBOE) regarding the scheme /combination of subjects (additional and compulsory elective) is required.
- 4) Information regarding skill gap analysis, infrastructure assessment and convergence with other schemes has not been provided in the plan.
- 5) Implementation of the Scheme through NOOR Society is not clear.
- 6) It has not been mentioned if the local industry has been consulted for providing hands-on training to the students.
- 7) Strategy of teacher recruitment and teacher training has not been given.
- 8) An amount of **Rs. 264.45 lakhs** is lying unspent with the Government of Jammu and Kashmir.

RECOMMENDATION:-The Government of Jammu and Kashmir may be suggested to consider opting for any of the five courses viz. Automobile, IT/ITeS, Retail, Security and tourism for. The State may also be advised to reduce the number of schools proposing one school from each district including Jammu and Srinagar. If the State accepts the suggestions, then the PAB may consider the proposal and financial estimates will be calculated after forging in convergence on receipt of fresh list of schools along with mapping of trades and enrollment of students from the State.

7 Observation of NCERT

Training at different level (in-service training of teachers):-The state has not provided comprehensive plan/calendar for teacher training. For which subject areas and how many teachers need to be trained in each subject? What material the state has been using for teacher training? Moreover, no integrated planning (with IEDSS and ICT) for teacher training is reflected.

It may be suggested that state may involve RIE, Ajmer in the planning and conduct of all kinds of teacher/head teacher training. Moreover, Resource Persons and Master Trainers need to be oriented by RIE, Ajmer in collaboration with other constituent units of the NCERT and state agencies.

Training of thousands of teachers need prior multi-layer and multi strategic planning and also mechanisms to reduce the cascade effect. Here, it is essential that state must provide annual calendar of teacher training, details about the training material available and the resource support created for the training in the state.

Excursion trips and Study Tours for students and teachers:-State needs to have clear planning and guidelines for schools on conducting these activities. Since purpose behind these activities is to provide students and teachers exposures to other curricular sites, hence there must be efforts to link these with their curriculum (different subject areas) at the secondary stage.

Science exhibition competition and Book fair at District level:-Both of these activities (science exhibition and book fair) are helpful in promoting students' interest in science and also reading habits at secondary stage.

However, conduct of both of these activities in the same year for all the districts may consume lots of time of teachers and functionaries in a big state like Assam. Therefore it is suggested that state need to plan one activity for one of set of 50% of the total districts and the other activity for other set of 50% of the total districts as per the trend in the achievements in science, mathematics and languages.

This will help state to cover both the activities in need based manner.

Academic Support to the failures of class X:-The proposal needs to be redrafted. The statement on pg. 100 of AWP&B –'students who may not pass the 10th examination' is an imaginary statement. This proposal should be based on class IX examination results or teachers' continuous assessment, not on this kind of prediction without evidence.

On remedial teaching- the NCF-2005 clearly states,

“The popular notion that evaluation can lead to identifying the needs of remediation, to be attended to with remedial teaching, has created many problems in curriculum planning. The term remediation needs to be restricted to specific /special programmes that enable children who are having a problem with literacy/reading (associated with reading failure and later with comprehension) or numeracy (especially the symbolic aspects of mathematical computation and place value)”.

Indiscriminate usage of the term distracts from the general problems of effective pedagogy, and make child solely responsible for her/his leaning and also learning failure”.

Moreover, labeling of students as slow learners, high achievers, etc., are also not recommended in NCF-2005.

Organization of Art Camp: May be recommended

Sports Equipment: May be recommended with following suggestions:

- a) There should be proper state level guidelines for procurement as well as quality check.
- b) Sport equipments must be as per the requirement of secondary stage students and to be given to schools where playground facility/sport room is available.
- c) Utilization of these sport equipments need to be ensured in secondary schools.

Free textbooks for class IX and X students: There is no this kind of provision under RMSA.

School Magazine: This needs to be done on-line.

8 Equity

8.1 RMSA

Progress Overview: In the year 2012-13, the amount of Rs. 1 lakh was approved for the intervention “Special enrolment drive in border districts”. The state has indicated 100% progress under this intervention.

Proposal for 2012-13

Girls Education

1. **Community Appraisal for mobilizing girls for secondary classes in educationally backward blocks:-** Community has to play a major role in curbing the discrimination being faced by the girl child in general in all habitations and in particular in SC/ST and rural areas. There are 97 EBBs in the state. Since the PRIs are given mandate for monitoring and supervision by the state Govt; as such they shall be actively involved in motivating the parents of the girls who dropout from the system after completing their elementary classes due to various reasons.. Mere provision of facilities, at the school level is not going to change the scenario of girl education unless awareness among the community members and the importance of girl education at par with boys is made at the grass root level.

The special mobilization camp for enrolment of special focus groups through local folk which have good impact in roping in the target group in the main-fold of education. The activity addresses the issue of social problems in a very interesting and emotional manner thereby making the parents realize their mistakes. During these programmes skits, dramas, cultural items showing concern on girl ignorance will be conveyed to the parents, this will induce sense of realization in them.

For potential dropout the state proposes to organize awareness programme in all the EBBs to address the issue of dropout in EBBs. The following activities to highlight the importance of education, particularly girls shall be carried out in all the EBBs:

1. Bal /community Mela.
2. Painting competitions/Drama/Bandi-Pather etc.
3. Development of posters / slogan writing on walls.

The Public representatives/community/Religious leaders shall be involved in making the community aware

Budget requirement @ Rs 50000/- per EBB = 97x75000 =72.75 lacs

Observation and Consideration

- The state has proposed Rs. 72.25 lakhs for the intervention of “Community appraisal for mobilizing girls in Educationally Backward Blocks”.
- It is proposed to organize awareness camps in EBBs to reduce the drop-out of girls in secondary education
- 97 EBBs will be covered under this programme.
- The appraisal team considers the proposal and it should be covered under MMER grant.

2. Special Enrolment Drive in Border Districts:

Achievement 2012-13:- To enhance the participation in enrolment particularly of girls at secondary level, special enrolment drive were organized in the border districts of the state. The community was involved and awareness camps were organized highlighting the importance of secondary education and the employment avenues available for girls after completing the secondary education. The activity was appreciated by the community and the parents of children. During these special enrolment drive participation of public representatives, PRIs, notable women achievers of concerned area, were invited as special guests and guest of honour. Parents were allowed to express problems faced by them regarding girl education. The parents were ensured all sorts of assistance in this regard.

Proposals 2013-14:- The state proposes to continue the activity during the current financial year in 10 border districts namely Leh, Kargil, Bandipora, Kupwara, Baramulla, Samba, Jammu, Poonch, Rajouri and Kathua . It is proposed to enhance the unit cost of the activity in view of the overwhelming impact in generating awareness among the community members. The Public representatives/community/Religious leaders shall be involved in making the community aware about the importance of the girl education in the border districts.

Budget requirement @ Rs .20000 /- per District = 20,000x10 = 2.0 lacs

Observation and Consideration

- The state has proposed for Rs. 2.0 lakhs in 10 border districts i.e. Leh, Kargil, Bandipora, Kupwara, Baramulla, Samba, Jammu, Poonch, Rajouri and Kathua
- The state has not provided any report and supportive documents regarding this intervention.
- By keeping in view the progress of enrolment drive, the appraisal team considers the proposal on the previous unit cost.

Budget Estimation

Enrolment drive in special border districts.	10*10000	Rs. 1,00,000
--	----------	--------------

3. **Education of children belonging to SC/ST/OBC/Educationally Backward Minorities:-** The educational development of children belonging to the SC/ST/OBC/EBMs is special focus in the RMSA. Every activity under the programme is to identify the benefits that will accrue to children from these communities. A flexible system of education is to be put in place which responds to local needs and makes children from different backgrounds feel comfortable in schools. The RMSA provides flexibility to local units to develop a context specific intervention.

The state shall endeavor to:-

- ❖ Engage community organizers from SC/ST communities with a focus on schooling needs of children from specific households.
- ❖ Provide special teaching support as per need.
- ❖ Ensure sense of ownership of SMDCs by SC/ST communities.
- ❖ Organize training programmes for motivation for schooling.
- ❖ Use community teachers.
- ❖ Monitor attendance and retention of children from weaker sections regularly.
- ❖ Provide scholarships.
- ❖ Conduct door to door survey to know physical target of Drop-outs.

The State proposes to arrange community mobilization in the SC/ST/EBMs dominated districts (Kathua, Samba, Jammu, Poonch, Rajouri, Kargil and Leh) to motivate the community to educate their children. The total budget requirements for such seven districts of the state come to Rs.1.0 lac x 7 = Rs 7.0 lacs.

Observation and Consideration

- The state has proposed Rs. 7.0 lakhs to organize community mobilization in the 7 SC/ST/EBMs dominated districts i.e. Kathua, Samba, Jammu, Poonch, Rajouri, Kargil and Leh.
- **The appraisal team considers the proposal as proposed by state.**
- **Budget Estimation**

Community mobilization in SC/ST/ Minority districts	7 districts* Rs. 100000	Rs. 1,00,000
--	-------------------------	--------------

4. **Provision of Examination Fee:-**Most of these children are economically backward, have social stigma of belonging to these categories and are first generation learners. Though the girls are being covered under the Incentive Scheme but the benefit of the financial support is available only after the girl child attains the age of 18 years. The expenses for pursuing the secondary education persists which results in dropouts. In order to support the parents and reduce dropout of the children of these categories the state proposes to provide the examination

fee charged by the JK Board of School Education @ Rs 120 per student for 9th class and @ Rs 505 per student for 10th class respectively as per the following breakup:

S. No.	Activity	Phy.	Unit cost	Amount in Rs lacs
1	Examination fee for 9 th Class SC/ST students	34603	.00120/Student	41.5236
2	Examination fee for 10 th Class SC/ST students	18118	.00505/Student	91.4959
Total				133.0195

Observation and Consideration

- ❖ The state has proposed Rs. 133.0195 for the provision of examination fee for 9th and 10th SC/ST students
- ❖ The state has identified 34603 from Class IX and 18118 from Class X to provide examination fee @ Rs. 120/- per student.
- ❖ The appraisal team does not consider the proposals as it is not supported under RMSA.

8.2 IEDSS

BACK GROUND AND RATIONALE: The aim of the Centrally Sponsored Scheme of IEDSS is to enable all students with disabilities, after completing eight years of elementary schooling to pursue further four years of secondary schooling (classes IX – XII) in an inclusive and enabling environment. The Scheme will cover all children of age 14+ passing out of elementary schools and studying at secondary stage in Government, local body and Govt. aided schools with one or more disabilities as defined under the Persons with Disabilities Act (1995) and National Trust Act (1999).

A Group that forms a very important part of equity issue is Children with Special Needs (CWSN). CWSN have a part to play in Society after schooling irrespective of their special needs of learning difficulties. The key thrust of IEDSS will be on providing Inclusive Education to all children with special needs in general schools at Secondary/Senior Secondary Stage.

Right of children to free and compulsory Education (RTE) Act 2009, also lays stress on strengthening the formal school system to address the educational needs of diverse groups including CWSN at Elementary level.

IEDSS envisages that every child with special needs, irrespective of the kind, category and degree of disability is provided quality inclusive education which will also support a wide range of approaches, options and strategies for education of children with special needs like Special Trainings in the form of school readiness programme, home based schooling etc. The aim would however be to mainstream all the CWSN in the neighborhood schools/schools within the prescribed norm.

In short students with impairment or learning difficulties should not at all be separated or segregated but need to grow in an inclusive setting along with their peer members.

The key challenge areas for education of CWSN are mainly related to Capacity Building of teachers, equipping the schools with requisite facilities, creating robust CWSN friendly institutional structures, providing physical support, (Aids & Appliances) and awareness of peer groups, parents and community in particular besides identification/actual number of these children in the relevant age group.

AIMS AND OBJECTIVES:

- Will be identified at the secondary level and his educational need assessed.
- In need of aids and appliances, will be provided assistive devices.
- Will be supplied learning material as per his /her requirement.
- Will have access to support services like the appointment of special educators' establishment of resource rooms in every block ...etc.
- All architectural barriers in the schools are removed so that students with disability have easy access to classrooms, laboratory, library and toilet in the school.
- All general teachers at the secondary and Higher Secondary level will be provided basic training to teach students with disabilities within a period of 3 to 5 years.
- To publish educational Literature and training modules
- To organize innovative programs for the propagation and dissemination for new trends and approaches related to education
- To Guide and monitor the functioning of Government and Non-Government (NGO) institutions under the IEDSS Scheme.

TARGET GROUP: The scheme will cover all children of age 14-18 + passing out of elementary schools and studying in secondary stage in Government, local body and Government-aided schools, with one or more disabilities as defined under the Persons with Disabilities Act (1995) and the National Trust Act (1999) in the age group 14+ to 18+ (classes IX to XII), such as Blindness, Low vision, Leprosy cured, Hearing impairment, Locomotors disabilities, Mental retardation, Mental Illness, Autism, Cerebral Palsy, and may eventually cover Speech impairment and Learning Disabilities, etc.

COMPONENTS OF THE SCHEME:

1. It is proposed to provide for educational facilities under this scheme for all children with disabilities that are included in general schools at the secondary and senior secondary level (classes IX to XII).
2. The Scheme will include assistance for two kinds of components, viz.:
 - I. Student-oriented components, and
 - II. Other components (e.g. those relating to infrastructure, teacher training, awareness generation, etc.)

For the first group of components, it is proposed to provide assistance to States/ Union Territories / Autonomous bodies @ Rs.3000/- per disabled child per annum for specified items; **The State Government will provide a top up of Rs.600/- per child per annum towards scholarship for each child.**

IDENTIFICATION OF CWSN FOR THE YEAR 2013-14.

The methodology and norms for identification and assessment of disabled children: 1403 CWSN are enrolled (excluding the children under the category of Speech impairment and Learning Disability) in High and Higher Secondary schools, out of the total population in the age group of 14 - 18 years. The State has not conducted any survey to identify the actual number of CWSN in the said age group.

Institutional Arrangement for Implementation: The RMSA Directorate has a State coordinator for IEDSS. One Asstt. Coordinator has also been brought from the field to give a flip to the scheme. District Educational Planning officer have been designated as District Project Coordinator who also looks after IEDSS.

Progress Overview:- During the 11th Five Year Plan Rs 6.50 lacs were released by MHRD, GOI for J&K and the scheme was being implemented through Administrative Department. The scheme form a part of the Integrated AWP&B 2013-14 under RMSA and will be implemented by the NOOR Society.

The proposal of the State Government for 3806 CWSN with financial assistance of Rs 601.49 lacs was approved by the PMEG as per the following breakup during 2012-13:

- | | | |
|--|---|-------------|
| A) Student oriented component | = | 114.18 Lacs |
| B) Teacher Oriented component | = | 249.66 Lacs |
| C) Other Components | = | 218.55 Lacs |
| D) Administrative cell and R&D Expenditure | = | 19.10 Lacs |

However, as per CSS of IEDSS in Jammu and Kashmir during 2012-13 approved items of expenditure under Capital Expenditure Head as under:

S. No.	item	Amount Proposed (Rs in lacs)	Amount Admissible (Rs in lacs)
1	Construction of Resource Rooms	10.0 (Rs 2.0x5)	10.00 (Rs 2.0x5)
2	Equipment to Resource Rooms	3.5 (.70x5)	3.50 (.70x5)
3	Construction of Ramps	179.30 (.10*1793)	179.30 (.10x1793)
Total		192.80	192.80

The approved financial / sanctioned details are as under:

Total Admissible Grant under Capital Expenditure Head= Rs 192.80 lacs

50% as 1st installment = Rs 96.40 lacs

After adjusting unspent balance of Rs 6.5 lacs the grant being released as 1st installment =Rs 96.40 lacs - 6.50 lacs =Rs 89.90 lacs

The MHRD, GOI sanctioned/released an amount of Rs 89.90 lacs as first installment as capital expenditure on 28th February, 2013. The authorization of funds was communicated by Finance Department to the Education Department on 28th March, 2013 and the funds were credited in the Society Account on the last day of the financial year. Accordingly, the approved activities were not executed during 2012-13. However, the constructions of Resource Rooms/ Ramps has been initiated.

Proposal & Recommendation for the year 2013-14

Proposed Activities for the year 2013-14

STUDENT-ORIENTED COMPONENTS:

Assessment Camps:

Assessment Camps shall be organized in all Districts to determine the nature, type and degree of disability and their requirement for aid and appliances. Assessment shall be done by specialists, and resource teachers. wide publicity shall be given to make the programme successful. The CWSN with their attendants shall be provided refreshment and travel expenses as per the norms.

Total No. of Zones = 201

Amount per Zone for conduct of Assessment Camp = Rs. 15000/-

Estimated Budget = $201 \times 15000 = 30.15$ lacs.

2. Distribution of Assistive Devices including equipment, and Individual TLM:

Aids and appliances shall be provided to the children who require and are recommended for the assistive devices in various categories. The equipment / devices shall be arranged from the institutions recognized by the Ministry of Social Justice and Empowerment for the purpose. The tentative requirement as per preliminary data/survey shall be to the tune of Rs 10 lacs in first phase.

3. Fresh Survey of CWSN in the State:

Fresh survey for identification of CWSNs in the age group of 14-18 years shall be carried out in all the 22 Districts of the state. The figures of differently abled children reflected by the districts need further verification to ascertain the actual number. The districts have been directed to update the data of CWSN in the said age group. One day orientation programme at zonal level for facilitating the identification process shall be organized.

Rs 20,000/- per Educational Zone is proposed for the activity. The total financial implications shall be to the tune of Rs 40.20 lacs for 201 Zones.

4. Free Text Books and stationery for students of Secondary / Higher Secondary class:

The State proposes provision of free text books for CWSN to reduce the burden of the parents as also motivate these children towards

Free Text Books to cover 1403 students, @ Rs 500/- per Set

Total Budget requirement = $1403 \times 500 =$ Rs 7.015 lacs

5. Stipend for Girl Students with disability:

The girls with disabilities are unfortunately the most neglected. They are considered burden due to social / cultural stigmas. Their education is also given the least priority. To support their educational needs the state proposes a stipend of Rs 200/ per month for 10 months.

The total Budget requirement is as under:

Total No. of Girls enrolled at Sec/High Sec.

level as per SEMIS 2012-13	=	611
Stipend @ Rs 200/ per Girl student for 10 months	=	200 x 10
	=	Rs 2000.
Estimated Budget	=	611 x 2000
	=	12.22 lacs

6. Uniform :

The State proposes to provide two sets of uniforms to all enrolled CWSN for summer and winter season:

Total No. of CWSN enrolled	=	1403
Uniform @ Rs. . 300/- per set for two sets of uniform	=	Rs 600/-
Total cost	=	1403 x 600

= **Rs 8.418 lacs.**

7. Reader Allowance:

To enable the children with blindness to perform better, it is proposed to assist them through reader allowance

Total No. of children enrolled under blind category	=	7
Reader allowance @ Rs. 80/- per month for 10 months	=	Rs. 800/-
Total cost	=	07 x 800
	=	Rs. 0.056 lacs.

8. Transport Allowance:

To enhance the mobility of CWSN, the State proposes to provide transport allowance to all the enrolled CWSN.

Total No. of CWSN enrolled	=	1403
Transportation allowance @ Rs. 100/- per month for 10 months	=	Rs. 1000/-
Total cost	=	1403 x 1000
	=	Rs. 14.03 lacs.

9. Escort Allowance:

To address the safety / security concerns of parents and also the girls with disabilities, the State proposes escort allowance for all girls falling under loco motor, cerebral palsy and mental retardation (159+8+25), besides 50 boys under OH category.

Total No. of CWSN enrolled under these categories	=	242
Escort allowance @ Rs. . 85/- per month for 10 months	=	Rs. 850/-
Total cost	=	242x 850
	=	Rs. 2.057 lacs.

10. Purchase and Development of Instructional Material:

To simplify the difficult topics and the specific problems in education relevant to various categories of CWSN, the State proposes development of instructional material as per the following breakup:

Total No. of teachers = 200.

Purchase / development of TLM proposed @ Rs. 500/- per teacher.

Total estimated cost	=	200 x 500
	=	Rs. . 1.0 lacs

11. Curriculum adaption, purchase, production of instructional material:

The specific group of CWSN at secondary level may require adoption in the teaching learning process, evaluation procedure and examination procedures besides provision for alternative modes of examination. The State proposes to support State Institute of Education (SIE) and Board of School Education (BOSE) under the scheme to address these issues with involvement of stake holders.

A provision of **Rs. . 3.0 lacs @ Rs. . 1.0 lac** each for SIE Srinagar, Jammu and BOSE.

12. Helper Allowance (Ayaha's):

The State proposes the engagement of 44 helpers (Ayaha's) @ 2 per district to assist the CWSN under various categories @ Rs. 2000/ per month.

Total financial implications	=	44x 2000x6
	=	Rs. 5.28 lacs
Total amount for student oriented activities	=	Rs.133.426 lacs

13. Environment Building Programme:

The conducive environment at schools is of prime importance for CWSN The state proposes Rs .10 lac per district in this behalf

No. of districts = 22

Budget requirement for EBP : - @ Rs. 10000/- per district = 22x10000=**2.20 lacs**

14. Strengthening of Training Institute:

The State proposes to strengthen the State Institute of Education both at Srinagar and Jammu to provide support in IE. The training institutes shall be equipped with necessary equipment and other required infrastructure/capital investment necessary for production of instructional materials. As such, an amount of **Rs. 5.0 lac** is proposed for the said purpose for 2 SIEs @ Rs. 2.5 lac each.

15. Celebration of World Disability Day:

For general awareness among masses the state proposes to observe the World Disability Day. An amount of Rs. 10,000 /- per district and Rs. 50,000/- at State Level is proposed for the event.

The total financial implications shall be to the tune of **Rs. 2.70 lacs**.

16. Administrative Cell at Directorate:

The State Project Office needs to be strengthened to provide support to the filed formations for coordinated implementation of the scheme. A State Coordinator and 1 Asst. Coordinator are already in place at the State level. The financial implication on account of salary of already

deployed staff works out to the tune of Rs 15.00 lacs (SC = 70000x12=Rs 840000/-, ASC=55000x12=Rs 660000/-)

The support staff as admissible under the scheme shall be engaged on contract basis in accordance with the prescribed qualification:-. The financial implications are as under :

Technical Officer in IE:

Total budget required= 1x25000x7=1.75 lacs

Steno Typist/Computer Assistant:

Budget required = 1x15000x7= 1.05 lacs

Lower Division Clerk/Accounts Assistant:

Budget required = 1x15000x7= 1.05 lacs

Orderly / Office Attendant:

Budget required = 1x8000x7= 0.56 lacs

17. Monitoring of Assessment Camps/ Distribution Camps:

To monitor the implementation of the Scheme, it is proposed to provide 100,000/- per district, Rs. .50 lacs at Divisional level and Rs 1.00 lac at State level for monitoring and supervision of different activities under the scheme. The SPO shall be made vibrant for supervision and monitoring and other related assignments.

No. of districts	=	22
Budget required for monitoring @ Rs. 100000/- per district	=	22 x 100000
	=	Rs. 22.00lacs
Budget required for monitoring @ Rs. 50,0000/- at Divisional level	=	Rs. 1.00 lacs
Budget required for monitoring @ Rs. 200,0000/- at State level	=	Rs. 2.00 lacs

The total financial implications shall be to the tune of Rs. 25.00 lacs.

Total Financial Implications for Administrative Cell and MMER = Rs. 44.41 lacs

Total outlay for the plan under IEDSS = 488.65 lacs

9. SMDC's Training Community Mobilization

1. Proposal: Training of SMDC Members

State government of Jammu & Kashmir has proposed training of 11715 SMDC members for two days for total 2343 Government schools.

Progress of 2012-13: In the financial year 2012-13, Rs. 126.20 lakhs has been approved for the training of 21033 SMDC members in the state. The costing sheet indicates that 11862 SMDC members have been given training during the same financial year.

Observations: The State government has proposed training of 11715 SMDC members to be trained. As per UDISE data, only 1249 Government schools have constituted SMDC out of which 236 Schools having common SMDC/SMC in schools.

The structure of SMDCs in the proposal indicates that there would be 18 members committee chaired by Headmaster. The structure and roles and responsibility have been clearly defined in the plan for SMDCs. The module for imparting training has been developed with the support of SCERT, Chennai.

Suggestion/Recommendation

State government has proposed two days training of 11715 SMDC members. As per the UDISE, only 1249 schools have SMDC out of which 236 schools have common SMDC/SMC. In this regard, we can recommend training of 10130 SMDC members (10 members per SMDCs* 1013 School) for two day training at the cost of Rs. 600 per member.

2. Proposal: One day orientation training

One day orientation training to District programme Coordinators (DPCs) and District Gender Coordinators on the roles of SMDC, School Building Committee, Academic Committee, and PTA members at the cost of Rs. 300/- per members for 44 participants.

Observation: The State government has already identified persons to be trained and this activity will organised at district headquarters. It will really helpful in monitoring the functioning of SMDCs in the state and will provide a platform to provide leadership role and sensitising SMDC members.

Recommendation: State government has proposed one day orientation of District Programme Coordinators and District Gender Coordinators about the role of SMDC, SBC, AC and PTA in school setting @ Rs.300 for 44 persons. It is a wonderful idea and will help

in to ensuring effective community participation at school level. TSG team is in a position to recommend this intervention.

9.1 Community Mobilization (RMSA)

1. **Proposal:** Community appraisal for mobilizing girls for secondary classes in all educationally backward blocks (EBBs) @ Rs. 5,000/- per block.

Community has to play a major role in curbing the discrimination being faced by girl children in general in all habitation and in particular in SC/ST and rural area. For potential drop out the state proposes to organise awareness programme in all 97 EBBs to address the issues of drop out. Public representative, community leaders, religious leaders may be involved in the process.

Observation

It is very good idea to involve local leaders, representative in order to sensitise the community regarding girl education. Various tools like skits, dramas, cultural items may be involved to make them realize regarding importance of girls child education.

Recommendation

Since, it has been proposed to organise awareness in all EBBs, it can be recommended on high priority. It will certainly effect the enrolment of girl child and break the culture of silence regarding the girl child education. The funds will be met from MMER fund.

2. **Proposal:** Special Enrolment Drive in 10 Boarder Districts @ Rs. 20,00/ per districts. The State proposes Special Enrolment Drive in 10 Boarder Districts namely Leh, KArgil, Bandipora, Kupwara, Baramulla, Samba, Poonch, Rajouri and Kathua. Public representative, community leaders, religious leaders may be involved in the process.

Progress: The same event has been already organised in the year 2012-13 in the broader districts and has witness the overwhelming response from the community. After seeing the response, state wants it to continue for this year also.

Observation: It is very good idea again to involve local leaders, representative in order to sensitise the community regarding girl education. Special attention needed in the border area where children are traumatise specially girl children due to militancy, armed conflict and lack of civil facilities.

Recommendation: This is a wonderful idea to involve public representative, community leaders, and religious leaders to make the community aware about the importance of girl's

education in the border district. It is highly recommended. The funds will be met from MMER fund.

3. **Proposal:** Education of Children belonging to SC /ST /OBC / Educationally Backward Minorities @ Rs. 1.00 lakh per district for 7 districts.

The State government has proposed to arrange community mobilization in SC/ST/EBMs dominated districts (Kathua, Samba, Jammu, Poonch, Rajouri, Kargil and Leh) to motivate the community to educate their children.

Observation: Though the idea is good and need of the hour. This proposal involves engagement of community organizers, providing special teaching support as per need, realizing sense of ownership of SMDCs by SC/ST communities, motivating for schooling, door to door survey to find out the drop out target.

Recommendation: The proposal is being recommended with the advice to state that some of items may be clubbed together with proposal No. 1 and 2. The funds will be met from MMER but cost involved per district may be cut down up to Rs. 50,000/ from Rs. 1.00 Lakh per district.

4. **Proposal:** Organising District level Community Mela @ Rs. 25000 per districts all 22 districts.

Observation: There is no detail about this intervention. How it will be organise and what is the purpose of this this event.

Recommendation: This proposal is not recommended since there is no detail how it will be organize and what is the purpose of this this event.

9.2 Media Appraisal (RMSA)

Proposal: Publication of Banners, pamphlets, Advertisement in electronic/print media etc in 200 zone @ Rs. 3000/ per zone.

Observation

This is good proposal and to aware the masses and generates awareness to take part in education and enhanced their life style and living standard. Very minimal cost has been proposed for said activities. It's really very cost effective proposal for these interventions.

Recommendation

TSG is in a position to recommend such activities to bridge the gap and make general public aware about the scheme across the state. The funds may be met from MMER fund.

Suggestions to the State

Though Jammu & Kashmir has proposed limited media activities under Media RMSA programme, here are some suggestive measures to state to exercise in the state to generate awareness about secondary education in general and retention, bridging gender gap and also helping in achieving 100 GER by 2020

Some suggestive measures for the state:

- ❖ Video spots may be made and advertise through city TV channels or regional news or entertainment based channels. The spots duration should be 30 second only as it will be cost effective to go on air through any channel. It will be cheaper and effective. State government may approach Regional Doordarshan Kendra to awareness and advertising video spots. The other agency which may be contacted are DAVP, NFDC for advertising the same on any channel.

- ❖ Radio spots may be made and advertise through local FM channels or Community Radio or AIR. The spots duration should be 30 second only as it will be cost effective to go on air through any channel. It will be cheaper and effective. State government may approach Regional AIR Kendra to awareness and advertising video spots. The other agencies which may be contacted are DAVP, NFDC for advertising the same on any channel.

- ❖ A 15-30 minutes weekly Radio Programme may be designed to be broadcast from Regional AIR Kendra. This platform may be a showcase of good practices under RMSA programme. It may be in the form of docu-drama. This needs a specialised agency to exercise this activity like DAVP/NFDC, etc.

- ❖ Jammu & Kashmir has only one Community Radio in Pir Pachal area. The State government may approach these radio stations and sign a MoU to generate awareness about importance of education. These radio stations have reach within 8-10 km radius. The best part of the community radio is that the community itself can learn, talk and share information, knowledge for the betterment of the community. It's a true example of participatory commutation. The list of community radio is available on the website of Ministry of Information and Broadcasting.

- ❖ Brochure of the programme may be made & printed in local language (State specific) and circulated-it for wider dissemination of the information regarding and programme and programme provisions. Printing may be done through state government empanelled agency or DAVP or any agency which will be suitable to the state. The content should be crisp and design should be attractive.

❖ Pamphlets may be developed covering all major interventions of the RMSA programme, printed and distributed through different departments at local level in local language. It can be done with the involvement of DRDA or PRIs or SMDCs in all the districts. The content should be crisp and design should be attractive.

❖ Wall calendar/ Table calendar may be made and printed for dissemination. It may be advised to distribute in every RMSA school within the State/UTs. The calendars may showcase the good practices, lesson learnt, success story, etc done by the State/UTs. The content should be crisp and design should be attractive.

❖ Hoardings/ Display panel may be made and fixed in educational institutions. It may be fixed at strategic places in towns/cities or at block/ taluk level also depending upon the availability of funds. The content should be crisp and design should be attractive.

❖ Display board may be made with RMSA logo and fixed in every school supported under RMSA programme. The cost may be incurred from School Grant or SMDC may arrange the fund from the community. The contractor may also be requested to make such arrangement. It will definitely increase the visibility of the programme. It requires very limited fund to exercise this activity.

❖ Field publicity through theatre/ street plays/ puppet shows/ mime shows to generate awareness among the community at local level. This may be done while involving class IX and X students, NSS/NCC cadres of respective school and volunteers of Nehru Yuva Kendra (NYK) at local level. The SMDCS can play a major role organising this activities under the guidance of school principal or designated teacher. SMDCs may provide platform at local level and students can organise campaign in the form of street plays/ puppet shows/ mime shows.

❖ Wall painting is very effective tool at local level/village level. It may be done with the involvement of SMDC or PRI at village or local level. Community may be encouraged by SMDC members to won such activity for generating awareness among the community by the community.

❖ Essay competition/ quiz competition/ debate competition/ extempore competition/ singing competition/ dance competition may be organised at school level in the presence of SMDC members and community leaders. It may be organised on special occasions like National Education Day, Teachers Day, Children Day, etc. It will provide a platform to students to enrich their inner ability in front of their parents; guardians and community leaders which will further boost up their confidence to perform better at every level.

- ❖ Orientation of students (5-10 minutes) on special days in the form of public lecture during Morning Prayer. The lecture may be given by principal/headmaster or his/her designated teacher or by subject specialist teacher to sensitize students about developing general understanding of health, environment, society, culture and help in overall personality development of students and make them more responsible citizen. The special day may include world environment day, world health day, education day, children day, teacher's day, etc.
- ❖ Use of social media like facebook, twitter, etc. to engage youth in the awareness of RMSA programme in particular and secondary education as whole. It will be free of cost and will provide an interface to interact directly specially with youth and also to engage youth in decision making process and feedback.
- ❖ Newspaper advertisement on special days like National Education Day, Teachers Day, Children Day, etc. may be carried out within the State/UTs covering success of RMSA programme with newly launched programme.logo.
- ❖ SMSing educational messages related RMSA programme and different provisions under the programme. Since country has huge number of mobile holders, it may be a nice idea to penetrate education messages through mobile. It has huge impact and has been successfully done in Afghanistan, Pakistan, Bangladesh, Malaysia, Mexico, Kosovo, Uganda, Senegal, Zambia and many other counties. India has also done so many innovations in health and agriculture sector. Election commission has also done that in mobile technology.
- ❖ E-newsletter may be initiated in every school which are being supported under ICT @ School Scheme. Since, ICT @ School programme supporting school in terms of providing basic infrastructure like computer with broadband connection, electricity and computer teacher. To enrich the students and teacher inner quality, it will be a great idea to provide a platform in form of e-newsletter. Students and teachers creativity in terms of writing (story, poem, drama, painting, essay, poster, photo, sketch, etc.) can be compiled and screened by cultural committee of school or by headmaster.
- ❖ Collection and compilation of database (name, email id, mobile no., designation, address, etc.) of RMSA officials right from school headmasters level to State level officials. It helps in communicating with state officials, district officials and school level officials on any importance issue. Any important issue/matter can be communicated through mail.

10. Finance and Procurement

Observations on the Procurement process adopted till 2012-13:

- State has NIC portal which is [http:// Jktenders.gov.in](http://Jktenders.gov.in)
- E-tendering has been actualized by the State. It has issued e-tenders for upgradation of middle school to High school under RMSA.
- State has identified PWD (Public Works Department) & R&B (Road & Building Department) for carrying out civil works.

State has mentioned in the plan the status of construction which is as follows :-

Upgradation :-

No. of works						1st Floor		Finishing work / Completed
	Tendering	Alloted	Plinth Level	Lintel level	Slab level	Brick Work	Roofed	
526	183	90	104	22	53	26	16	32

Status of Construction (Strengthening)

No. of works	Tendering					1st Floor		Finishing work / Completed
		Alloted	Plinth Level	Lintel level	Slab level	Brick Work	Roofed	
54	13	1	6	6	15	4	5	4

- The State has reasoned the slow pace of construction due to poor response to e-tendering in hilly & remote areas and also due to ceiling cost.
- Out of 2343 high/higher secondary schools with secondary sections, 526 schools have been upgraded under RMSA since inception of the scheme thereby leaving 1727 high/higher secondary schools with secondary sections for strengthening. Under Strengthening component 40, 14 and 252 schools have been approved during 2009-10,

2010-11 and 2011-12 respectively so far. Accordingly there are 1421 existing high schools which need to be covered under the strengthening component. The districts have projected 405 schools for strengthening but due to indicative budget ceiling the State has proposed only for up gradation.

- The Strengthening component has also been assigned to R&B Department. Good progress has been registered on construction work for schools approved for strengthening during 2009-10 and 2010-11. The R&B Department has been asked to initiate tendering process for 252 schools approved during 2011-12. These schools have been approved component wise and as such the executing agency has conveyed difficulties in executing the work and is demanding revision of unit cost.

Proposal for Integrated schemes in F.Y 2013-14

1. RMSA

Proposal : Under Civil works state has proposed 200 No. of (01 section) school & 182 No. schools (02 section). State has also submitted supplementary list of 28 schools for up gradation and 05 schools for major repairs. For procurement of furniture & fixtures State has proposed in 895 schools. The total fund proposed is Rs 40,511.08 lakhs under non recurring component.

Observations : During discussion with state planning team it was informed that for proposed new school, e-tendering would be invited through R&B deptt. which is already following e-tendering as specified in FMP manual.

2. ICT.

Information and Communication Technology in Schools

Proposal :- State has proposed 220 No. of schools under Outright Purchase Model for implementation of ICT@ School along with furniture & other activities. The total fund proposed is Rs 1320.00 lakhs under non recurring component

Observation :- During discussion with State planning team it was informed that State would follow up with IT department for support & procurement. This department already follows e-tendering from reputed organizations having experience/expertise in this field.

3. IEDSS

Proposal :- Under Non recurring State has proposed following No. of civil works i.e Resource room-17, Equipment for resource room-17, New toilets for CWSN-44, The total proposed amount is Rs 134.90 lakhs under non recurring component.

Observation :- State has mentioned in the plan that MHRD, GOI sanctioned/released an amount of Rs 89.90 lakhs as first installment as capital expenditure on 28th February, 2013. The authorization of funds was communicated by Finance Department to the Education Department on 28th March, 2013 and the funds were credited in the Society account on the last day of the financial year. Accordingly, the approved activities were not executed during 2012-13. However, the constructions of Resource Rooms/ Ramps has been initiated.

For construction of new resource room & removal of architectural barrier, works would be taken up through SMDC as the amount involved is 02 lakhs only. For procurement of equipment & other items tenders would be invited from reputed organizations following specified process.

4. Vocational Education.

Proposal :- Under Non recurring grant State has proposed Class room-200, Workshop Laboratory – 100, Office Room -50. For tool, equipment's & furniture-50, computers-50 & Diesel Generator Set-50. The total fund proposed is Rs 4359.50 lakhs for non recurring component.

Observations :- During discussion with State planning team it was informed that for all civil works tenders would be carried out through R&B Deptt. For procurement of computer, furniture & Diesel Generator sets shall be procured through DGS&D & through open tenders.

5. Girls Hostel

Proposal :- State has proposed for construction of 20 No. of Girls Hostel. The total fund proposed is Rs 7883.80 lakhs.

Progress :- Under this scheme, 97 educationally backward blocks form the target for the scheme. In this regard, the State under the flagship programme has covered 19 blocks during 2009-10 and during 2011-12, the facility has been approved for 49 educationally backward blocks also totalling 68 blocks out of a target of 97 EBBs. The construction could not be taken up on account of the ceiling of 42 lakhs maintained by MHRD for 19 girls hostels approved during 2009-10. However MHRD Govt. of India dispensed off with the ceiling cost and allowed the State to construct on the revised State SOR-2008. In this behalf PWD(R&B) Department has been requested to revise and notify SOR-2008 which is prerequisite as per the approvals by PAB so that constructions can be taken up. The notification of the revised SOR 2008 is expected by month of June, 2013.

Observation :- During discussion with planning team it was informed that civil works proposed for new Girls hostel, e-tender would be followed through PWD or R&B deptt./ JKPCC (Jammu Kashmir Project Construction Corporation).
