## P R E F A C E

The Statistical Abstract - 1988 is fifth in Series. This is prepared as per recommendations of the working group constituted by the Central Statistical Organisation for standardisation of contents of Statistician Abstracts. This publication presents data for the year 1987-88. The data relating to various sectors of economy of Arunachal Pradesh have been collected from various departments of Government by this Directorate. Some informations have been compiled from the departmental publications.

It is hoped that the publication would be of great help to the planners and other research scholars etc.

I would like to record my appreciation of the assistance rendered by all Heads of Departments for supply of data. The Abstract has been drafted by Shri M.S. Adhikari, Statistician, assisted by Shri Taw Takur and Shri T.K. Barman, Sub-Inspector of Statistics. It was typed out by Miss Alpana Dasgupta and xeroxed by Shri Niranjana Dev.

Suggestions for improvement of the publication will be most welcomed.
