DOC, No. D-11221

Date 12-09-2001.

P R E F A C E

"EDUCATION IN INDIA VOL.II(S)" is brought out annually by the Department of Education, Ministry of Human Resource Development, New Delhi. The publication contains All India and State-wise Financial Statistics relating to all recognised educational institutions in the field of school education.

The publication is brought out in three Volumes-Vol. I(S) containing numerical data on school education; Vol. II(S) the financial data on school education, Volume III examination results of matriculation class and higher levels. The Volumes corresponding to I(C) and II(C) in respect of College Education are yet to be brought out. The present publication Vol.II(S) relates to the year 1992-93.

The entire publication is divided into two parts. Part-I contains an abstract and a general survey of financial data on School Education at the Centre and in the States during the year 1992-93. Part II comprises state-wise Statistical Tables based on information collected from the State and Union Territories through forms ES-II(S).

It may be observed that due to various constraints in collection of the financial data in respect of different schemes like Printing of Text Books, in-service Teacher Training, Non-formal Education, Work Oriented Education, Mid-Day Meals etc. the budgeted expenditure in case of some of states may not tally with that of collected for this publication from actual source(viz. schools/institutions) where the amount is actually spent.

I would like to thank the officers/ staff of State/ Union Territory Administrations, Statistical Unit and CMIS Unit of the Ministry in bringing out this publication. Due to non- receipt of data from Dadra and Nagar Haveli & Lakshadweep, data for the previous years have been repeated.

This publication has been brought out in resographic form for making available the data for official use. This data is also available on floppies.

Further suggestions, if any, for improving the publication are welcome and may be sent to Dr. R.S. Thakur, Joint Director (P).

EXPLANATIONS

1. **Date of Reference-** Financial data reported is for the year ending on 31st March 1993.
2. **Income and expenditure-** relates to financial year i.e. to the period 1st April, 1992 to 31st March, 1993.
3. **Income means-** the receipt of the institutions.
4. **Recurring Income-** is that which is received every year by the Institution from different sources.
5. **Non-Recurring Income-** is that income which is other than the recurring income.
6. **Expenditure-** All payments made by an institution strictly during the financial year constitute its expenditure.
7. **Recurring Expenditure-** is that which is that part of educational expenditure which is incurred every year for running an educational institution. Broadly speaking, it includes expenditure on salaries of staff, contingencies recurring expenditure on Equipment, maintenance of Furniture, Scholarships, Stipends and other financial concessions, Hostel charges (except messing) Games and Sports, Direction, Inspection etc.
8. **Non-Recurring expenditure -** is that part of the educational expenditure which is other than the recurring expenditure Broadly speaking, it covers expenditure on Buildings (other than maintenance), Equipments, Libraries etc.

PART-I - GENERAL SURVEY

ABSTRACTS-STATISTICAL ANALYSIS

INCOME

Income of Educational Institutions for the purpose of this Publication, relates to the amounts received from Government (Central and States), Universities and Local bodies as Well as received from Fee, Endowment and Other sources. Income of an Institution could be recurring as well as Non- recurring.

The total Income of all recognised Educational Institutions (School) amounts to Rs. 16339.20 Crores during the year 1992-93 (Table 1.01). The Recurring Income constitutes Rs.15891.32 Crores (97.26 percent) and the balance of Rs.447.88 Crores (2.74 percent) was Non recurring Income. The share of recurring Income varies between 78.72. to 98.75%, for different levels of School education starting from Pre-Primary to Higher Secondary/Pre-dgree level (Table 1.01,col.12).

Analysis of percentage distribution of total Income of the different categories of Institutions reveals that the High Schools accounted for the largest percentage share of 29.84 while the lowest percentage of 0.06 was for Intermediate/Pre-Degree (col.15).

In case of Non recurring Income the highest and Second highest percent share goes to Middle/Senior Basic School and High/Post Basic School with shares of 23.94 percent and 23.04 percent respectively. For Higher Secondary schools (10+2 pattern) this percentage is 19.54, Directorate and Inspectorate 15.67% followed by Primary/Junior basic schools 12.14% . For all other categories of Institutions the percentage is less than 4% .Details for different categories of institutions are given in Table 1.01.

Details of Income from different Sources for all categories of Institutions are given in table 1.03. Government funds accounted for as much as Rs.14622.02 crores.

The Government (Centre and State) contributed more than Rs. 14341.45 of the recurring income for the School Education. The major share of Non- Recurring income also comes from the government source. Over the years the share of Government in the income generation of educational institutions has increased from about 57.06% in 1950-51 to more than 89.49% in the year 1992-93.

Expenditure

The total Expenditure incurred by all types of Institutions engaged in School Education was of the order of Rs. 14960.11 Crores comprising Rs. 14537.63 Crores of Recurring Expenditure (97.16%) and Rs. 422.48 Crores of Non-Recurring Expenditure (2.82%).

Of the total Recurring Expenditure on the recognised educational Institutions, the major portion was spent on Primary schools (29.64%) followed by High/Post Basic schools (23.83%) Middle/Senior Basic Schools(21.72%) Higher/ Sr. secondary schools 10+2 pattern (15.33%). For all other categories of Institutions the percentage is less than 7% (Table 1.04).

As for the Non-Recurring Expenditure, the highest percentage was in the case of Sr. Secondary Schools (10+2) i.e. (28.65%) Primary /Junior Basic Schools (19.92%) followed by Middle/Sr. Basic Schools (16.86%) High Schools (16.46%) and Directorate & Inspectorate (12.41%), In case of other Institutions, the Non-Recurring Expenditure is less than 4% percent (Table 1.04).

Details of Recurring and Non-Recurring Expenditure by items are given in table 1.05. It will be seen that salaries of teaching staff account for about 77.24% percent, while the share of the salaries of the Non-teaching staff is 8.12% percent. Only 1.29 percent of the Total Expenditure is incurred on Hostel, 0.13% percent on Libraries 0.61% percent on stipends, scholarships and other financial concessions, 0.32% percent on Apparatus, chemicals 0.85 on Building and 12.29 percent on other items.

Analysis of State-wise data (Table V) reveals that percentage of Recurring Expenditure on Salaries to total Recurring Expenditure on School Education varies from the lowest of 61.35% for Uttar Pradesh to the highest of 98.29% for Orissa against the All India percentage of 87.83%. Except Uttar Pradesh and Arunachal Pradesh in all other States, the salary component consumes more than 80 percent of the total Recurring Expenditure on School Education.

Trends during 1950-51 to 1992-93.

Statement No.1 depicts the trends in Income of all types of Educational Institutions from different sources during the period 1950-51 to 1992-93. It may be seen that Government fund is the major source of Income for Educational Institutions. Funds provided by Local Bodies are basically transfer from Central/ State Governments.

The share of income from Government Funds (Centre, State, Local Bodies) has increased from 68% in 1950-51 to 94.47 in 1992-93. It is also interesting to observe that the share of fees has gone down considerably from 20.39% to as low as 2.91% during the same period. The share of endowment and other Sources has also decreased considerably from 11.62% in 1950-51 to 2.61% → in 1992-93. From these it may be inferred that Government is the main funding Agency for all types of Educational programmes in the country.

The main reasons for increasing share of Government funds for running of various types of Educational programmes are:

- (a) School level education has been made free upto Class VIII in almost all the States and even upto Class X in some of the States.
- (b) Large number of Government Schools have been opened in rural areas; and
- (c) Grants to private Institutions by the Government have also been liberalized to enable the private schools management to meet the increasing Expenditure.

No doubt large number of private schools (mostly English medium) have been opened since Independence but most of these are located in big cities and towns only to cater to the needs of ever rising ambitions of middle class parents who can afford to pay high fees for such types of schools. Many of such schools are unrecognised and are not covered under the existing system of collection of Educational statistics as a result of which income/ expenditure in respect of these unrecognised schools is not covered in the figures reported in this publication.

Note: Numercial and Financial educational Data is collected only from recognised Institutions along with privately management Aided/Unaided Institutions.
