Statistical Abstract of Andhra Pradesh is an important publication which is being released annually and contains useful data on various sectors of the State Economy. The present publication is a combined volume for the years 1990 and 1991, and 34th in the series.

It is hoped that this publication would serve as a useful reference book for planners, research scholars, administrators, bankers and a host of others.

I thank all Heads of Departments in the State Government as well as Central Government for extending their Co-operation in providing the required data.

Constructive suggestions for improvement in scope and contents of this publication are solicited.

Note: As per approved method of valuation of closing stock of coal has been changed on per with Coal India Limited with effect from 31-3-1985. Wherever variation between volumetrically verified Coal Stocks and Book Stocks at Divisions are more than 5% the volumetrically verified stock balances are adopted as book stocks, otherwise Coal Stock as per books are continued. Therefore the figures of opening and closing stock do not tally as per the above method.
