P R E F A C E

The “Hand Book of Statistics” of East Godavari District for the year 1989-90 is the Seventh in the published series of the Hand Book.

I am sure the publication will serve as a useful reference for the general public, planners, administrators, Research workers and for various departments involved in the formulation and implementation of various developmental activities in the district.

I, appreciate the efforts of Sri A. V. Ganapathi Rao, Chief Planning Officer and his staff in bringing out this publication.

Any suggestions for the improvement of this publication would be most welcome.
