FOREWORD

The current issue of "Statistical Hand Book, Assam, 1995" is the twenty eighth in the series. It seeks to present in a concise form factual information relating to various sectors of the economy of the State. In addition, for facilitating comparison with other states and the country as a whole, a few statistical tables incorporating a few key indicators have also been included. Every effort has been made to present the latest available data covering upto 1994-95 in the Hand book. However in case of non-availability of such data in a few cases, last years published data have been repeated.

The generous co-operation extended by other Departments and Organisations in bringing out the publication is acknowledged with gratitude.

Suggestions for improvement of future publications are most welcome.

Dated, Guwahati;
the 30th Dec, '95.

A. K. BHATTACHARJEE,
Director of Economics & Statistics,
Assam, Guwahati
