FOREWORD

The current issue of the "Statistical Hand Book, Assam, 1997" is the thirtieth in the series. In the issue we have endeavoured to present in a concise form the latest available basic Statistics pertaining to Socio-Economic trend in the State. In addition, for facilitating comparison with other States and the country as a whole, a few statistical tables have also been incorporated. All efforts have been made to present the latest available data covering upto 1996-97 in the hand book. However, in case of non-availability of such data in a few cases, last year's published data have been repeated.

The generous co-operation extended by other Departments and Organisations in bringing out the publication is acknowledged with gratitude.

This Directorate is constantly endeavouring to improve the quality of the publication. Any suggestion for improvement of future publications is most welcome.

Dated Guwahati,
the 1st July, 1998.

N. C. DHEKIAL PHUKAN,
Director of Economics & Statistics,
Assam.
